This schedule is being provided in order to fulfill the issuer's obligations for a contingent debt payment instrument pursuant to Treas. Reg. 1.1275-4(b)(4)(iv). The comparable yield and the projected payment schedule included above reflect the expected value of the contingent payments as of the issue date (and not as of a later date). The expected values take into account probability adjustments for certain payments as of the issue date and therefore it is expected to differ from actual payments . Any user of this schedule is urged to consult their own tax advisors regarding the tax consequences related to these matters.
