The instructions for accessing proxy materials and voting can be found in the information you received either by mail or e-mail.

*For shareholders who received a notice by mail about the Internet availability of proxy materials:* You may access the proxy materials and voting instructions over the Internet via the web address provided in the notice. In order to access this material and vote, you will need the control number provided on the notice you received in the mail. You may vote by following the instructions on the notice or on the website.

*For shareholders who received a notice by e-mail:* You may access the proxy materials and voting instructions over the Internet via the web address provided in the e-mail. In order to vote, you will need the control number provided in the e-mail. You may vote by following the instructions in the e-mail or on the website.

*For shareholders who received the proxy materials by mail:* You may vote your shares by following the instructions provided on the proxy card or voting instruction form. If you vote by Internet or telephone, you will need the control number provided on the proxy card or voting instruction form. If you vote by mail, please complete, sign and date the proxy card or voting instruction form and mail it in the accompanying pre-addressed envelope.

#### Who may vote at the Annual General Meeting and how many votes do I have?

If you owned our ordinary shares at the close of business on the record date, January 4, 2017, then you may vote at the Annual General Meeting by following the procedures outlined in this Proxy Statement. At the close of business on the record date, we had 104,776,826 ordinary shares outstanding and entitled to vote. Each ordinary share is entitled to one vote on each matter properly brought before the Annual General Meeting.

#### May I vote my shares in person at the Annual General Meeting?

Yes, you may vote your shares in person at the Annual General Meeting as follows:

*If you are a shareholder of record* and you wish to vote in person at the Annual General Meeting, you may do so. If you do not wish to attend yourself, you may also appoint a proxy or proxies to attend, speak and vote in your place. A proxy does not need to be one of our shareholders. You are not precluded from attending, speaking or voting at the Annual General Meeting, even if you have completed a proxy form. To appoint a proxy other than our designated officers, please contact our Company Secretary.

*If you are a beneficial owner of shares and you wish to vote in person at the Annual General Meeting, you must obtain a legal proxy from the bank, brokerage firm or nominee that holds your shares. You will need to bring the legal proxy with you to the meeting and hand it in with a signed ballot that you can request at the meeting. You will not be able to vote your shares at the Annual General Meeting without a legal proxy and a signed ballot.*

Even if you plan to attend the Annual General Meeting, we recommend that you also vote by proxy as described above so that your vote will be counted if you later decide not to attend the meeting.

**What is the deadline for voting my shares if I do not vote in person at the Annual General Meeting?**

If you are a shareholder of record, you may vote by Internet or by telephone until 11:59 p.m., United States Eastern Time, on February 28, 2017.

If you are a beneficial owner of shares held through a bank or brokerage firm, please follow the voting instructions provided by your bank or brokerage firm.

**What is the difference between holding shares as a shareholder of record and as a beneficial owner of shares held in street name?**

*Shareholder of Record.* If you hold ordinary shares and your name appears in the Register of Members of Mallinckrodt, you are considered the shareholder of record of those shares.

*Beneficial Owner of Shares Held in Street Name.* If your ordinary shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in "street name." As a beneficial owner, you have the right to direct your bank or brokerage firm how to vote the shares held in your account.

**Can I change my vote after I have submitted my proxy?**

Yes. You have the right to revoke your proxy before it is voted at the Annual General Meeting. You may vote again on a later date within the proxy voting deadlines described above by Internet or by telephone (only your latest proxy submitted prior to the meeting will be counted), or by signing and returning a new proxy card with a later date, or by attending the meeting and voting in person. However, your attendance at the Annual General Meeting will not automatically revoke a previously submitted proxy unless you actually vote in person at the meeting or file a written instrument with our Company Secretary prior to the start of the meeting requesting that your prior proxy be revoked.

**What happens if I do not give specific voting instructions when I deliver my proxy?**

*Shareholders of Record.* If you are a shareholder of record and you:

- Indicate when voting by Internet or by telephone that you wish to vote as recommended by our Board of Directors; or
- If you sign and return a proxy card without giving specific voting instructions,

then the Company-designated proxy holders will vote your shares in the manner recommended by our Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion regarding any other matters properly presented for a vote at the meeting.

*Beneficial Owners of Shares Held in Street Name.* If you are a beneficial owner of shares and your bank or brokerage firm does not receive instructions from you about how your shares are to be voted, one of two things can happen, depending on the type of proposal. Pursuant to New York Stock Exchange (“NYSE”) rules, brokers have discretionary power to vote your shares with respect to “routine” matters, but they do not have discretionary power to vote your shares on “non-routine” matters. Pursuant to NYSE rules, the election of directors, the advisory vote to approve the Company’s executive compensation, the approval of amendments to the Company’s Memorandum of Association and Articles of Association to make certain administrative amendments, and the approval of the reduction of the Company’s capital are considered non-routine matters. **A bank or brokerage firm may not vote your shares with respect to non-routine matters if you have not provided instructions. This is called a “broker non-vote.” We strongly encourage you to submit your proxy and exercise your right to vote as a shareholder.**

**What is the “quorum” requirement for the Annual General Meeting?**

In order to conduct any business at the Annual General Meeting, holders of a majority of our ordinary shares outstanding and entitled to vote on the record date must be present in person or represented by valid proxies. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, whether representing votes for, against or abstained, or broker non-votes, if you:

- Are present and vote in person at the meeting;
- Have voted by Internet or by telephone; or
- Have submitted a proxy card or voting instruction form by mail.

**Assuming there is a proper quorum of shares represented at the Annual General Meeting, how many shares are required to approve the proposals being voted upon at the Annual General Meeting?**

The voting requirements for each of the proposals are as follows:

| Proposal  | Vote Required          |
|---|------------------------|
| 1. Elect directors  | Majority of votes cast |
| 2. Advisory non-binding vote to approve the re-appointment of the independent auditors and binding vote to authorize the Audit Committee of the Board to set the independent auditors’ remuneration                 | Majority of votes cast |
| 3. Advisory vote to approve executive compensation  | Majority of votes cast |
| 4. Authorization to make market purchases or overseas market purchases of Company shares  | Majority of votes cast |
| 5. Authorization of the price at which the Company can reissue shares held as treasury shares (Special Resolution)  | 75% of votes cast      |
| 6. Approval of amendments to the Company’s (a) Memorandum of Association to make certain administrative amendments; and (b) Articles of Association to make certain administrative amendments (Special Resolutions) | 75% of votes cast      |
| 7. Approval of reduction of Company capital (Special Resolution)  | 75% of votes cast      |

### **How are abstentions and broker non-votes treated?**

Abstentions and broker non-votes are considered present for purposes of determining the presence of a quorum. Abstentions and broker non-votes will not be considered votes properly cast at the Annual General Meeting pursuant to our Articles of Association. Because the approval of all of the proposals is based on the votes properly cast at the Annual General Meeting, abstentions and broker non-votes will not have any effect on the outcome of voting on these proposals under Irish law.

### **Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?**

As explained in more detail below, we are using the “notice and access” system adopted by the U.S. Securities and Exchange Commission (the “SEC”) relating to delivery of our proxy materials over the Internet. As a result, we mailed to many of our shareholders a notice about the Internet availability of the proxy materials instead of a paper copy of the proxy materials. Shareholders who received the notice will have the ability to access the proxy materials over the Internet and to request a paper copy of the proxy materials by mail, by e-mail or by telephone. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found on the notice. In addition, the notice contains instructions on how shareholders may request proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. This notice of Internet availability of proxy materials also serves as a Notice of Meeting.

### **What are the “notice and access” rules and how do they affect the delivery of the proxy materials?**

The SEC’s notice and access rules allow us to deliver proxy materials to our shareholders by posting the materials on an Internet website, notifying shareholders of the availability of the proxy materials on the Internet and sending paper copies of proxy materials upon shareholder request. We believe that the notice and access rules allow us to use Internet technology that many shareholders prefer, continue to provide our shareholders with the information they need and, at the same time, assure more prompt delivery of the proxy materials. The notice and access rules also lower our cost of printing and delivering the proxy materials and minimize the environmental impact of printing paper copies.

### **Why didn’t I receive a notice in the mail about the Internet availability of the proxy materials?**

Shareholders who previously elected to access the proxy materials over the Internet will not receive a notice in the mail about the Internet availability of the proxy materials. Instead, you should have received an e-mail with links to the proxy materials and the proxy voting website. Additionally, we mailed copies of the proxy materials to shareholders who previously requested to receive paper copies instead of the notice.

If you received a paper copy of the proxy materials, you may elect to receive future proxy materials electronically by following the instructions on your proxy card or voting instruction form. Choosing to receive your future proxy materials by e-mail will help us conserve natural resources and reduce the cost of printing and distributing our proxy materials. If you choose to receive future proxy materials by e-mail, you will receive an e-mail with instructions containing a link to the website where those materials are available and a link to the proxy voting website. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

### **How do I attend the Annual General Meeting?**

All shareholders are invited to attend the Annual General Meeting at the Sofitel London Heathrow Hotel, Terminal 5, London Heathrow Airport, London TW6 2GD, United Kingdom.

Shareholders in Ireland may participate in the Annual General Meeting by audio link at the offices of Arthur Cox, Earlsfort Centre, Earlsfort Terrace, Dublin 2, Ireland.

*Shareholders of Record.* For admission to the Annual General Meeting, shareholders of record should bring picture identification to the Registered Shareholders check-in area, where ownership will be verified. If you would like someone to attend on your behalf, please contact our Company Secretary prior to the meeting.

**Beneficial Owners of Shares Held in Street Name.** Those who have beneficial ownership of ordinary shares held by a bank, brokerage firm or other nominee should come to the Beneficial Owners check-in area. ## CORPORATE GOVERNANCE

Our Corporate Governance Guidelines, general approach to corporate governance and internal policies and procedures are guided by U.S. practice and applicable federal securities laws and regulations and New York Stock Exchange (NYSE) requirements. Although we are an Irish public limited company that is tax resident in the United Kingdom, we are not subject to the listing rules of the Irish Stock Exchange or the listing rules of the U.K. Listing Authority and we are therefore not subject to, nor have we adopted, the U.K. Corporate Governance Code or any other non-statutory Irish or U.K. governance standards or guidelines. While there are many similarities and overlaps between the U.S. corporate governance standards we apply and the U.K. Corporate Governance Code and other Irish/U.K. governance standards or guidelines, there are differences, relating in particular to the extent of the authorization to issue share capital and effect share repurchases that may be granted to the board of directors and the criteria for determining the independence of directors.

Our Board of Directors believes that good governance requires not only an effective set of specific practices, but also a culture of responsibility throughout an organization, and governance at Mallinckrodt is intended to achieve both. The Board also believes that good governance ultimately depends on the quality of an organization's leadership, and it is committed to recruiting and retaining directors and officers of proven leadership ability and personal integrity.

### Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines designed to assist Mallinckrodt and the Board in implementing effective corporate governance practices. These guidelines, which are reviewed annually by the Nominating and Governance Committee, address, among other things:

- Director responsibilities;
- Composition and selection of the Board, including qualification standards and independence guidelines;
- Majority voting for directors;
- The role of the Chairman of the Board or of an independent Lead Director;
- Board committee establishment, structure and guidelines;
- Officer and director share ownership requirements;
- Meetings of non-employee directors;
- Director orientation and continuing education;
- Board access to management and independent advisors;
- Communication with directors;
- Board and committee self-evaluations;
- Succession planning and management development reviews;
- CEO performance reviews;
- Recoupment, or "claw-back", of executive compensation; and
- Ethics and conflicts of interest.

Our Corporate Governance Guidelines are posted on our website at [www.mallinckrodt.com](http://www.mallinckrodt.com).

## Independence of Nominees for Director

As noted above, the Corporate Governance Guidelines include criteria adopted by the Board to guide determinations regarding the independence of its members. The criteria, summarized below, are consistent with the NYSE listing standards regarding director independence. To be considered independent, a director must be determined by the Board to have no material relationship, directly or indirectly, with us. In assessing independence, the Board considers all relevant facts and circumstances. In particular, when assessing the materiality of a director's relationship with us, the Board considers the issue not just from the standpoint of the director, but also from that of the persons or organizations with which the director has an affiliation. A director will not be considered independent if he or she, at the time of determination:

- Is, or has been within the prior three years, an employee of Mallinckrodt or any of its subsidiaries;
- Has an immediate family member who is, or has been within the prior three years, an executive officer of Mallinckrodt;
- Is a current partner or employee of our external auditor;
- Has an immediate family member who is a current partner of our external auditor or who is an employee of our external auditor and personally works on our audit;
- Has been, or has an immediate family member who has been, within the prior three years, a partner or employee of our external auditor who personally worked on our audit during that time;
- Is, or has an immediate family member who is, or has been within the prior three years, employed as an executive officer of another company that has or had on the compensation committee of its board of directors one of our executive officers (during the same period of time);
- Has, or has an immediate family member who has, received more than \$120,000 in direct compensation from Mallinckrodt, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), in any 12-month period within the prior three years (compensation received by an immediate family member for service as an employee, other than as an executive officer, is not included for purposes of this determination);
- Is a current employee, or has an immediate family member who is a current executive officer, of a company that does business with Mallinckrodt and has made payments to, or received payments from, Mallinckrodt for property or services in an amount that, in any of the prior three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues; or
- Is, or his or her spouse is, an executive officer, director or trustee of a charitable organization to which our contributions, not including our matching of charitable contributions by employees, exceed, in any single fiscal year within the prior three years, the greater of \$1 million or 2% of such organization's total charitable receipts during that year.

The Board has considered the independence of its members in light of these criteria, has reviewed our relationships with organizations with which our directors are affiliated and has determined that none of these current business relationships is material to us, any of the organizations involved, or our directors. Based on these considerations, the Board has determined that each of our directors and director nominees, other than Mark C. Trudeau, our President and Chief Executive Officer, satisfies the criteria and is independent. These independent directors are: Melvin D. Booth, David R. Carlucci, J. Martin Carroll, Diane H. Gulyas, JoAnn A. Reed, Angus C. Russell, Virgil D. Thompson, Kneeland C. Youngblood, M.D. and Joseph A. Zaccagnino. Each independent director is expected to notify the chair of the Nominating and Governance Committee, as soon as reasonably practicable, of changes in his or her personal circumstances that may affect the Board's evaluation of his or her independence.

## Director Nominations Process

The Nominating and Governance Committee is responsible for developing the general criteria, subject to approval by the full Board, used in identifying, evaluating and selecting qualified candidates for election or re-election to the Board. The Nominating and Governance Committee periodically reviews with the Board the appropriate skills and characteristics required of Board members in the context of the then-current make-up of the Board. Final approval of director candidates is determined by the full Board, and invitations to join the Board are extended by the Chairman of the Board on behalf of the entire Board.

The Nominating and Governance Committee, in accordance with our Corporate Governance Guidelines, seeks to create and maintain a Board that is strong in its collective knowledge and has a diversity of backgrounds, skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge, corporate governance and global markets. When the Committee reviews a potential new candidate, the Committee looks specifically at the candidate's qualifications in light of our needs and the needs of the Board at that time, given the then-current mix of director attributes.

As described in our Corporate Governance Guidelines:

- Directors should be individuals of the highest ethical character and integrity;
- Directors should have demonstrated management ability at senior levels in successful organizations, including as the chief executive officer of a public company or as the leader of a large, multifaceted organization, including government, educational and other non-profit organizations;
- Each director should have the ability to provide wise, informed and thoughtful counsel to senior management on a range of issues and be able to express independent opinions, while at the same time working as a member of a team;
- Directors should be free from any conflict of interest or business or personal relationship that would interfere with the duty of loyalty owed to us; and
- Directors should be independent of any particular constituency and be able to represent all of our shareholders.

The Nominating and Governance Committee assesses independence and also monitors compliance by the members of the Board with the requisite qualifications under NYSE listing standards for populating the Audit, Human Resources and Compensation and Nominating and Governance Committees. Directors may not serve on more than four public company boards of directors (including ours). If the director is employed as CEO of a publicly traded company, the director may serve on no more than three public company boards of directors (including ours).

As provided in its charter, the Nominating and Governance Committee will consider nominations submitted by shareholders. To recommend a nominee, a shareholder should write to our Company Secretary at our registered address, Mallinckrodt plc, College Business & Technology Park, Cruiserath, Blanchardstown, Dublin 15, Ireland. Any such recommendation must include:

- The name and address of the candidate;
- A brief biographical description, including his or her occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements set forth above; and
- The candidate's signed consent to serve as a director if elected and to be named in our proxy statement.

The recommendation must also include documentary evidence of ownership of our ordinary shares if the shareholder is a beneficial owner, as well as the date the shares were acquired and the name and address of the shareholder, as required by our Articles of Association.

To be considered by the Nominating and Governance Committee for nomination and inclusion in our proxy statement for the 2018 Annual General Meeting, a shareholder recommendation for director must be received by our Company Secretary not earlier than the close of business on November 1, 2017 and not later than the close of business on December 1, 2017. Once our Company Secretary receives the recommendation, we will deliver a questionnaire to the candidate requesting additional information about the candidate's independence, qualifications and other information that would assist the Nominating and Governance Committee in evaluating the candidate, as well as certain information that must be disclosed about the candidate in our proxy statement, if nominated. Candidates must complete and return the questionnaire within the time frame provided to be considered for nomination by the Nominating and Governance Committee.

The Nominating and Governance Committee also receives suggestions for director candidates from Board members and, in its discretion, may also employ a third-party search firm to assist in identifying candidates for director. All 10 of our nominees for director are current members of the Board. In evaluating candidates for director, the Committee uses the guidelines described above, and evaluates shareholder candidates in the same manner as candidates proposed from all other sources. Based on its evaluation, the Nominating and Governance Committee

recommended each of the nominees for election by the shareholders. More information regarding each director nominee's qualifications can be found in Proposal 1 later in this Proxy Statement.

### **Majority Vote for Election of Directors**

Directors are elected by the affirmative vote of a majority of the votes cast by shareholders at the Annual General Meeting (present in person or by proxy) and serve for one-year terms. Any nominee for director who does not receive a majority of the votes cast is not elected to the Board and the position that would have been filled by such nominee will become vacant. Given that Irish law does not recognize the concept of a holdover director, incumbent directors who do not receive a majority of the votes cast at the Annual General Meeting are not re-elected to the Board, and immediately following the Annual General Meeting, will no longer be members of the Board.

Irish law does require, however, a minimum of two directors at all times. If an election results in either only one or no directors receiving the required majority vote, either the nominee or each of the two nominees receiving the greatest number of votes in favor of his or her election shall, in accordance with our Articles of Association, hold office until his or her successor(s) is elected.

### **Executive Sessions of the Board**

The independent directors meet in executive session, without members of management present, at each regularly scheduled Board meeting and at such other times as may be deemed appropriate. These executive sessions also may include a discussion with our Chief Executive Officer.

### **Board Leadership Structure**

Since our separation from Covidien in June 2013, the positions of Chairman of the Board and Chief Executive Officer have been held by separate people, due in part to the fact that we are a relatively new independent public company, no longer part of a conglomerate, and also to the fact that the Board is relatively newly constituted. The Chairman of the Board provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. The Chairman of the Board sets the Board agendas with Board and management input, facilitates communication among directors, provides an appropriate information flow to the Board and presides at meetings of the Board and shareholders. The Chairman of the Board works with other Board members to provide strong, independent oversight of our management and affairs. Future modification of the Board leadership structure will be made at the sole discretion of the Board. A more detailed description of the role and responsibilities of the Chairman of the Board are set forth in our Corporate Governance Guidelines.

### **Code of Ethics**

We have adopted the Mallinckrodt Guide to Business Conduct, which applies to all of our employees, officers and directors and meets the requirements of a "code of ethics" as defined by SEC regulations. The Guide to Business Conduct also meets the requirements of a code of business conduct and ethics under the listing standards of the NYSE. The Guide to Business Conduct is posted on our website, [www.mallinckrodt.com](http://www.mallinckrodt.com). We will disclose any material amendments to the Guide to Business Conduct, as well as any waivers for executive officers or directors, on our website.

## Board Risk Oversight

Our Board oversees an enterprise-wide approach to risk management designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks we face and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. The involvement of the full Board in approving our business strategy is a key part of its assessment of management's appetite for risk and the determination of what constitutes an appropriate level of risk for us. In this process, risk is assessed throughout the business, focusing on three primary areas: financial risk, legal/compliance risk and operational/strategic risk.

While the full Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from our internal auditors. The Compliance Committee assists the Board in fulfilling its oversight responsibility with respect to regulatory, healthcare compliance and public policy issues that affect us and work closely with our legal and regulatory groups. In addition, in setting compensation, the Human Resources and Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with our business strategy. The Compliance Committee conducts an annual assessment of the risk management process and reports its findings to the Board.

## Compensation Risk Assessment

At the direction of the Human Resources and Compensation Committee, representatives of our human resources department conducted a risk assessment of our compensation policies and practices during fiscal 2016. This risk assessment consisted of a review of cash and equity compensation provided to our employees, with a focus on compensation payable to senior executives and incentive compensation plans that provide variable compensation to other employees based upon Company and individual performance. The Human Resources and Compensation Committee and its independent consultant reviewed the findings of this assessment and agreed with the conclusion that our compensation programs are designed with the appropriate balance of risk and reward in relation to our overall business strategy and do not create risk that is reasonably likely to have a material adverse effect on us. The following characteristics of our compensation programs support this finding:

- Our use of different types of compensation vehicles that provide a balance of long- and short-term incentives with fixed and variable components;
- Our use of a variety of performance metrics, both absolute (e.g., adjusted EPS) and relative to our peers (e.g., total shareholder return);
- Our practice of looking beyond results-oriented performance in assessing the contributions of a particular executive;
- Our share ownership requirements;
- Our executive compensation clawback policy; and
- The ability of the Human Resources and Compensation Committee to reduce incentive payouts if deemed appropriate.

## Anti-Hedging/Anti-Pledging Policy

Our Insider Trading Policy prohibits directors, officers and employees from entering into or trading in puts, calls, cashless collars, options or similar rights and obligations or any other hedging activity involving our securities, other than the exercise of a Company-issued stock option.

Our policy also prohibits directors, officers and employees from purchasing our securities on margin, borrowing against our securities held in a margin account or pledging our securities as collateral for a loan. However, an exception may be granted by our General Counsel if the individual clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities.

### Transactions with Related Persons

The Nominating and Governance Committee is responsible for the review and, if appropriate, approval or ratification of “related-person transactions” involving us or our subsidiaries and related persons. Under SEC rules, a related person is a director, nominee for director, executive officer or a beneficial owner of 5% or more of our ordinary shares, and their immediate family members. The Board has adopted written policies and procedures that apply to any transaction or series of transactions in which we or one of our subsidiaries is a participant, the amount involved exceeds \$120,000 and a related person has a direct or indirect material interest.

### Communications with the Board of Directors

The Board has established a process for interested parties to communicate with members of the Board. If you have a concern, question or complaint regarding our compliance with any policy or law, or would otherwise like to contact the Board, you may reach the Board via e-mail at [board.directors@mallinckrodt.com](mailto:board.directors@mallinckrodt.com). A direct link to this e-mail address can be found on our website. You may also submit communications in writing or by phone. Please refer to the Board contact information that can be found at [www.mallinckrodt.com/Company\\_Contacts/](http://www.mallinckrodt.com/Company_Contacts/). All concerns and inquiries are received and reviewed promptly by the Office of the General Counsel. Any significant concerns relating to accounting, internal controls or audit matters are reviewed with the Audit Committee.

All concerns will be addressed by the Office of the General Counsel, unless otherwise instructed by the Audit Committee or the Chairman of the Board. The status of all outstanding concerns is reported to the Chairman of the Board and the Audit Committee on a quarterly basis, and any concern that is determined to pose an immediate threat to us or concern one of our senior officials (any executive officer or any direct report to the President and Chief Executive Officer) is immediately communicated to the Chair of the Audit Committee. The Chairman of the Board or the Audit Committee may determine that certain matters should be presented to the full Board and may direct the retention of outside counsel or other advisors in connection with any concern addressed to them. The Mallinckrodt Guide to Business Conduct prohibits any employee from retaliating against anyone for raising or helping to resolve an integrity question.

## BOARD OF DIRECTORS AND BOARD COMMITTEES

### General

Our business, property and affairs are managed under the direction of the Board of Directors, which currently is comprised of 10 members. Directors are kept informed about our business through discussions with the Chairman of the Board and the Chief Executive Officer and other officers, by reviewing materials provided to them, and by participating in meetings of the Board and its committees. During fiscal 2016, the Board held five meetings. All of our directors attended over 75% of the total of all meetings of the Board and the committees on which they served during their terms in office in fiscal 2016. All of our Board members attended our 2016 Annual General Meeting, with the exception of Mr. Don Bailey. Mr. Bailey did not stand for re-election at our 2016 Annual General Meeting and therefore did not attend.

## COMPENSATION OF NON-EMPLOYEE DIRECTORS

The Board of Directors has approved a compensation structure for non-employee directors consisting of equity awards, an annual cash retainer and supplemental cash retainers. This compensation structure was determined in conjunction with the Nominating and Governance Committee, after reviewing data and analyses from the Nominating and Governance Committee's independent compensation consultant, Willis Towers Watson.

### Cash Retainers

*Board members.* The cash retainers are paid in four quarterly installments at the end of each quarter. Directors joining the Board other than on the first day of a quarter receive a cash retainer pro-rated for the number of days served during their initial quarter of service. During fiscal 2016, the annual cash retainer for all directors was \$100,000.

*Committee Chairs.* The Chair of the Audit Committee receives a supplemental annual cash retainer of \$25,000. The Chair of the Human Resources and Compensation Committee receives a supplemental annual cash retainer of \$20,000. The Chairs of the Compliance Committee, the Nominating and Governance Committee and the Portfolio Committee each receive a supplemental annual cash retainer of \$15,000.

*Committee Members.* Each member of a committee (excluding committee chairs) receives a supplemental annual cash retainer of \$5,000.

*Non-Executive Chairman of the Board.* Our non-executive Chairman receives a supplemental annual cash retainer of \$50,000.

### Equity Awards

*Restricted Units.* At the time of our 2016 Annual General Meeting, each non-employee director received an annual grant of restricted units with a value of \$225,000. In July 2016, the annual grant value was increased by \$70,000 to \$295,000 and each director received a grant of restricted units with a value of \$70,000. Additionally, our non-executive Chairman received, at the time of our 2016 Annual General Meeting, additional restricted units with a value of \$112,000. The 2016 awards vest on the earlier of March 16, 2017 or the date of our 2017 Annual General Meeting.

New directors receive a pro-rated annual equity grant. A pro-rated annual equity grant will not be granted to any new director who commences service less than three months prior to the vesting date.

### Other

Pursuant to our Matching Gift Program, we match employee and director contributions to charitable organizations up to \$2,500. Directors are also reimbursed for reasonable out-of-pocket expenses incurred in attending Board meetings, committee meetings and shareholder meetings. Directors are provided with chartered private or commercial aircraft in order to travel to and from such meetings.

### Director Share Retention and Ownership Guidelines

As set forth in our Corporate Governance Guidelines, all non-employee directors are required to hold Mallinckrodt ordinary shares with a market value of at least five times the annual cash retainer. In determining a director's ownership, shares held directly as well as shares underlying restricted units subject to time-based vesting (less a 40% tax assumption) are included. Shares underlying unexercised stock options are not included in the calculation. Until the required ownership level is achieved, the non-employee directors are required to retain net after tax shares received upon vesting of restricted units.

The following table provides information concerning the compensation paid by us to each of our non-employee directors for the fiscal year ended September 30, 2016. Compensation for Mark C. Trudeau, our President and Chief Executive Officer, is shown in the Summary Compensation Table. Mr. Trudeau receives no additional compensation for his services as a director.

The grant date fair value does not necessarily correspond to the actual value that will be recognized by each director, which will likely vary based on a number of factors, including our financial performance, stock price fluctuations and applicable vesting. As of September 30, 2016, Mr. Booth had 7,089 unvested restricted units outstanding, and each other current director listed in the table above had 5,078 unvested restricted units outstanding.

## COMPENSATION OF EXECUTIVE OFFICERS

### COMPENSATION DISCUSSION AND ANALYSIS

Mallinckrodt is a global specialty pharmaceutical company dedicated to its mission: *Managing Complexity, Improving Lives*. Our *Acquire to Invest* business model is applied to therapies that aid healthcare providers in treating patients, including small, underserved populations who may be challenged by devastating conditions.

We invest in areas such as autoimmune and rare diseases; immunotherapy and neonatal respiratory critical care therapies; analgesics and hemostasis products; and central nervous system drugs. Our investment in these medicines -- both in development and after approval -- provides clinical and economic data to help clinicians as they make treatment choices, and in some instances is introducing long approved medications to a whole new generation of physicians and, ultimately, patients. Equally important, we invest in our people -- hiring the best and offering ample opportunities for career growth.

#### Fiscal 2016 Performance Highlights

Fiscal 2016 was an important year for Mallinckrodt. We continued to make great progress against our overall strategic objective: to create a highly successful, diversified, specialty pharmaceutical business providing valuable therapies for underserved patient populations in areas of high unmet medical need, creating good jobs and a rich diverse workplace for our employees, and driving growth and profitability by investing in our products to reach new patients and deliver long-term value to our shareholders. In the year, we made great strides in transforming our portfolio, delivering near-term value on our acquisitions and continuing to create platforms on which to drive organic growth for many years to come.

Key performance highlights for fiscal 2016 include:

- Net sales were \$3.381 billion, compared with \$2.923 billion in the prior year, representing a 15.7% increase. The increase was primarily driven by the full year inclusion of INOMAX® and Therakos® immunotherapy net sales along with Acthar® net sales growth within the Specialty Brands segment. These increases were partially offset by decreased sales in all Specialty Generics categories due to increased competition;
- Income from continuing operations was \$489.0 million, compared with \$236.6 million in fiscal 2015;
- Diluted earnings per share from continuing operations were \$4.39 compared with \$2.00 in fiscal 2015;
- Net cash provided by operating activities was \$1,184.6 million, compared with \$896.4 million in fiscal 2015;
- We further expanded our Specialty Brands business through the acquisition of three commercial hemostasis products and the development product StrataGraft® regenerative skin tissue; and
- We completed the divestiture of our Contrast Media and Delivery Systems business and announced the planned divestiture of our Nuclear Imaging business.

## Executive Summary

Our executive compensation program is designed to motivate our executives to achieve financial, operational and strategic performance goals that we believe will benefit diverse patient populations with unmet medical needs and drive long-term value for our shareholders. The program is weighted toward incentive and stock-based compensation so that executives' actual realized compensation will be higher when we achieve these goals and lower when we under perform. We understand and expect our executives will be highly motivated to pursue our objectives, and have implemented policies and practices to discourage excessive risk-taking behavior.

## Guiding Principles for Executive Compensation

*To Align our Programs with Shareholder Interests, we:*

- Design our pay programs to help ensure that the long-term incentive pay and the funding of a significant portion of short-term incentive pay of our executives are linked to our overall performance;
- Maintain market aligned share ownership requirements, including 5 times base salary for our President and Chief Executive Officer ("CEO") and 3 times base salary for our other executive officers, which helps to ensure that they have a significant stake in our long-term success;
- Grant equity awards that generally vest over a minimum three-year period;
- Provide a mix of performance and time vesting equity vehicles;
- Prohibit the repricing or exchange of equity awards without shareholder approval; and
- Review our compensation programs and policies to ensure they do not encourage excessive risk-taking.

*To Develop High Caliber Talent, we:*

- Have the Human Resources and Compensation Committee ("HRCC") oversee executive talent and succession planning processes, not just strictly compensation decisions;
- Involve HRCC members in the executive officer selection process;
- Conduct annual Management Talent Reviews that assess critical organization capabilities, executive team performance, succession depth and retention risk;
- Share results of the Management Talent Review for our most senior executives with the HRCC;
- Solicit performance feedback from the full Board regarding our CEO's performance; and
- Require annual performance evaluations for all executives.

*To Motivate Executives and Align Pay with Performance, we:*

- Maintain executive compensation principles to support and drive our values, business strategies, and goals;
- Weight our executive compensation mix heavily toward variable, rather than fixed compensation;
- Design our programs to differentiate payouts based on business and individual performance;
- Ensure that our programs deliver below target compensation to executives in years with below target performance and deliver above target compensation to executives in years with above target performance; and
- Include both relative and absolute performance metrics in our long-term performance units program.

*To Attract and Retain High Caliber Talent, we:*

- Set our target executive compensation structure competitively with our defined market for talent;
- Review our executive compensation peer group on a regular basis to help ensure it is representative of our market for talent and our business portfolio;
- Use multiple industry surveys and advisory resources to help ensure a current understanding of changing market competitive practices; and
- Provide market competitive benefits for our executives.

To Practice Sound Governance, we:

- Have an executive compensation clawback policy that allows us to recover performance-based cash and equity incentive compensation paid to executives in various circumstances;
- Do not enter into long-term employment contracts with our executive officers (except as required outside the United States);
- Require "double trigger" severance upon a change in control;
- Prohibit directors, officers and employees from entering into or trading in puts, calls, cashless collars, options or similar rights and obligations involving our securities, other than the exercise of a Company-issued stock option;
- Prohibit tax gross-ups to our executives other than for relocation expenses, limited business-related benefits or in connection with expatriate / international assignments; and
- Engage an independent compensation consultant as an advisor to the HRCC and formally review the advisor's performance and independence annually.

We believe that executive compensation programs play a key role in driving our performance.

In future years, we expect to continue to drive performance in our business by rewarding executives who deliver strong results that benefit patients and shareholders.

**Our Named Executive Officers**

For purposes of the Compensation Discussion and Analysis ("CD&A") and executive compensation disclosures, the individuals listed below are referred to collectively as our named executive officers ("NEOs").

- *Mark Trudeau, President and Chief Executive Officer.*
- *Matthew Harbaugh, Executive Vice President and Chief Financial Officer.*
- *Frank Scholz, Executive Vice President of Global Operations and President, Specialty Generics.*
- *Hugh O'Neill, Executive Vice President and President, Autoimmune and Rare Diseases.*
- *Gary Phillips, Executive Vice President and Chief Strategy Officer.*

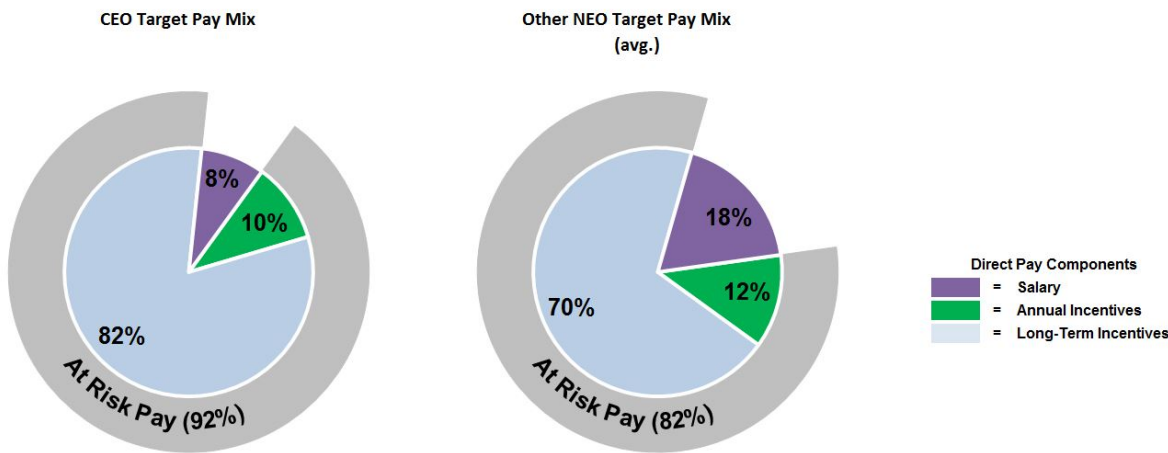

**2016 Compensation Program**

The following table summarizes the three major elements of our executive compensation program and the objective of each element. They are designed to work together, and the HRCC views the executive compensation program as an integrated total compensation program. The mix of compensation elements varies based on an executive's position and responsibilities.

| <b>Element</b>                | <b>Key Features</b>  | <b>Objective</b>  |
|-------------------------------|--|---|
| Base salary                   | Fixed cash compensation  | Offer a stable income, intended to reflect the market value of the executive's role, with differentiation for strategic significance, individual capability and experience      |
| Annual incentive compensation | Market-competitive, performance-based cash bonus opportunity tied to achievement of Company and individual goals<br><br>Initial calculation for each executive's annual cash incentive is based on performance versus pre-determined goals for corporate performance measures. In addition, each executive's individual performance can modify the amount received | Focus executives on pre-set patient, employee and shareholder value objectives each year and drive specific behaviors that foster short- and long-term growth and profitability |

|   |  |   |
|---|--|---|
| <p>Long-term incentive compensation</p> | <p>Awards of stock options, restricted units and performance units</p> <p>Stock options generally have ten-year terms and vest in four equal installments on each anniversary of the grant date</p> <p>Restricted units generally vest in four equal installments on each anniversary of the grant date. For the fiscal 2016-2018 performance period, half of the performance units are based on our adjusted Net Revenue Compound Average Growth Rate, while the other half are based on our relative total shareholder return versus a Total Shareholder Return (TSR) performance peer group, in each case over the performance period. |---|--|---|

The following charts illustrate, for fiscal 2016, the distribution of value among the three elements of direct compensation — base salary, target annual incentive compensation and target long-term incentive compensation — for our CEO and on average for the other NEOs. The long-term equity incentive component is based on the dollar value awarded by the HRCC before conversion to the various forms of equity awards — see the “Long-Term Incentive Awards” section of this CD&A. Of target total direct compensation, 92% of our CEO’s and, on average, 82% of the other NEOs’ was variable and at risk, either because it is subject to performance goals, the fluctuations of our stock price, or both.

We provide all employees, including our executive officers, with other benefits, consisting of retirement benefits, including both qualified and non-qualified defined contribution retirement plans, health and welfare benefits, and an employee stock purchase plan (US employees). In addition, our executive officers are provided with change in control and severance benefits as well as an executive physical program and an executive financial and tax planning program. These benefits are intended to be competitive with the practices of our peer companies and consistent with shareholder interests.

### **Executive Compensation Philosophy**

Our compensation philosophy is designed to attract, retain and motivate our executive officers. The core principles of that compensation philosophy are as follows:

- Compensation should strongly align the interests of executive officers with those of patients, employees and shareholders;
- Compensation policies and practices should support effective governance;
- The focus should be on total compensation opportunity (base salary, annual incentive compensation and long-term incentive compensation) with an explicit role for each element;
- Compensation should be competitive, but not excessive, in order to attract and retain talented executive officers who can achieve our long-term strategic goals and create shareholder value;
- Compensation that results from performance should deliver above target compensation when we exceed our target goals and below target compensation when our performance falls short of our goals;
- Compensation should reward corporate, group and individual performance to encourage collaboration and collective interests, while rewarding key contributors;
- Compensation should support our business strategy in the areas of patient focus, customer focus, globalization, operational excellence and innovation, as well as our talent strategy;
- The reward elements should be balanced, with an emphasis on performance-based compensation;
- Compensation goals and practices should be transparent and easy to communicate, both internally and externally; and
- Goal setting is a key activity and should be conducted in a rigorous manner resulting in targets that reflect stretch, yet achievable, levels of performance.

## 2016 Say-on-Pay Shareholder Vote

At our 2016 Annual General Meeting, we provided our shareholders with the opportunity to cast an advisory vote on our 2015 executive compensation program. Over 97% of the votes cast were voted in favor of the proposal. We believe the 2016 say-on-pay vote indicates that our shareholders are generally supportive of our approach to executive compensation. Accordingly, we did not make changes to our executive compensation arrangements in fiscal 2016 in response to our say-on-pay vote. In the future, we will continue to consider the outcome of advisory say-on-pay votes and other shareholder feedback when making compensation decisions regarding our executive officers.

## Compensation Decision-Making

*Role of the HRCC and Management.* The HRCC makes all decisions regarding senior management compensation, which includes our NEOs and certain other senior officers. The HRCC reviews our executive compensation policies, practices and plans on an ongoing basis to determine whether they are consistent with our compensation philosophy and objectives, and whether they need to be modified in light of changes in our business or the markets in general. The HRCC meets periodically with management to review compensation policies and specific levels of compensation paid to officers and other key personnel and approves compensation and programs for executive officers other than our CEO. The HRCC reports to the Board on compensation paid to officers and other key personnel and makes recommendations to the Board regarding CEO compensation policies and programs. In addition, our CEO makes recommendations to the HRCC regarding salary adjustments and the setting of annual and long-term incentive targets and awards for executive officers other than himself, including the other NEOs.

In determining the compensation of an executive officer, the HRCC considers various factors, including:

- Company, business unit and individual performance;
- Market data on compensation opportunities of officers with similar responsibilities at comparable companies;
- The officer's current and future responsibilities and potential contribution to our performance;
- Retention considerations; and
- Compensation levels of our executives with similar levels of responsibility ("internal equity").

*Role of the Compensation Consultant.* The HRCC utilizes the services of independent compensation consultants from time to time and has the sole authority to retain, compensate and terminate any such compensation consultants. During fiscal 2016, a transition occurred from Frederic W. Cook & Company ("Cook") to Willis Towers Watson ("WTW") as independent compensation consultants to the HRCC. The HRCC assessed the independence of Cook and WTW and determined that Cook and WTW are independent and that no conflicts of interest exist currently or existed during fiscal 2016. Cook and WTW report directly to the HRCC and do not provide executive compensation services to, or on behalf of, any other part of our business. Cook provided review of HRCC materials, including executive positioning relative to the external market and also provided advice to the HRCC on compensation issues. WTW also has been retained by the Nominating and Governance Committee as its independent compensation consultant in all matters relating to non-employee director compensation. WTW reviews HRCC materials, attends HRCC meetings, reviews our peer group and competitive positioning of individual executives versus market, assists the HRCC with program design, provides advice to the HRCC as compensation issues arise and provides recommendations on certain specific aspects of our compensation programs.

*Peer Group.* When reviewing compensation programs for the executive officers, the HRCC considers the compensation practices of a group of companies of reasonably similar size and that may be in competition with us for talent. Given the rapidly changing business landscape of the pharmaceutical industry, including consolidations, it is important to maintain a current view of peer competitors. The HRCC periodically reviews the peer group and approves changes, based on the recommendation of WTW. For fiscal 2016, the HRCC approved a peer group that included the 16 companies listed below. The specific companies were selected using objective size criteria, in a range that we believe is appropriate for benchmarking executive compensation. We believe the peer group includes companies with which we compete for business, executive talent and/or investment dollars.

The following table sets forth the peer group companies approved by the HRCC for use in 2016 competitive analysis of executive compensation:

|                               |                          |  |
|-------------------------------|--------------------------|--|
| Alkermes plc <sup>1</sup>     | Endo International plc   | Perrigo Co. plc                            |
| Alexion Pharmaceuticals, Inc. | Impax Laboratories       | Shire plc                                  |
| Biogen Inc.                   | Incyte Corp.             | United Therapeutics Corp.                  |
| BioMarin Pharmaceutical Inc.  | Jazz Pharmaceuticals plc | Valeant Pharmaceuticals International Inc. |
| Celgene Corp.                 | Medivation, Inc.         | Vertex Pharmaceuticals Inc.                |
|                               | Mylan N.V.               |  |

In March 2016, the HRCC, with the assistance of WTW, analyzed this peer group to determine whether it should be revised in light of our increased revenue, market capitalization and complexity. In addition, one peer company was less comparable to us due to industry and size. After consideration of various factors, the HRCC made the following changes to the peer group, effective for fiscal 2017:

**Peer Companies Removed**

Alkermes plc <sup>1</sup>

<sup>1</sup> Less comparable to us due to industry or size.

**Peer Companies Added**

CSL Ltd.

In selecting the peer group, the HRCC considered revenue and market capitalization, in addition to business similarity and our market for executive talent. Fiscal 2016 peer group summary information is provided below in terms of revenue and market capitalization:

|                         | Revenue for Four Prior Quarters<br>ending December 25, 2015 (\$ Millions) | Market Capitalization as of February<br>16, 2016 (\$ Millions) |
|-------------------------|---|--|
| 75th Percentile         | \$9,256   | \$32,079   |
| Median                  | \$3,354   | \$21,027   |
| 25th Percentile         | \$1,032   | \$11,458   |
|                         |   |  |
| Mallinckrodt            | \$3,494   | \$7,187  |
| Mallinckrodt Percentile | 50%   | 14%  |

The HRCC also reviews compensation data from life sciences and general industry surveys provided by AON Radford and WTW.

The HRCC maintains a separate broader peer group that is used to assess Relative Total Shareholder Return ("TSR") for a portion of the value of Performance Units that vest over a three year performance period. The TSR peer companies and details of that peer group are shown in the Performance Units section beginning on page 28.

**Fiscal Year 2016 Executive Compensation Decisions**

The HRCC took many considerations into account in making compensation decisions in fiscal year 2016, including external factors such as the dynamic competitive landscape for executive talent, a review of compensation data and market trends from the peer group and external surveys, as well as internal factors specific to us such as our growth, executive tenure and experience, role, and individual performance. The HRCC approved certain increases in base salary, target bonus levels and long-term incentive targets to reflect the increasing size and complexity of the business and to keep pace with market competitive pay. In the future, the HRCC will continue to monitor compensation levels and make changes as appropriate.

Base Salary

The HRCC, based in part upon the recommendation of our CEO and considering each NEO's level of responsibility, experience and market data for similar positions at companies in our peer group approved base salary increases for Mr. Harbaugh and Dr. Scholz effective December 28, 2015. Base salaries for Mr. Trudeau, Mr. O'Neill and Dr. Phillips were unchanged during fiscal 2016. A summary of NEO annual base salaries during fiscal 2016 is shown in the following table:

| NEO Annual Base Salaries and Adjustments During Fiscal 2016 |                |               |                 |
|---|----------------|---------------|-----------------|

| Matthew Harbaugh  | \$530,000      | \$570,000     | \$40,000 / 7.5% |
| Frank Scholz  | \$430,000      | \$460,000     | \$30,000 / 7.0% |
| Hugh O'Neill  | \$475,000      | \$475,000     | \$0 / 0%        |

Fiscal 2016 Annual Incentive Awards

Our 2016 Global Bonus Plan is funded on the basis of accomplishment of a preset level of Adjusted EBITDA (earnings before interest, income taxes, depreciation and amortization, as adjusted for certain items). This maintains tax deductibility under 162(m) of the Internal Revenue Code. The HRCC may exercise its authority to use negative discretion to the funding level in determining bonus amounts provided to NEOs.

During fiscal 2016, each NEO participated in the 2016 Global Bonus Plan which is a component of our Stock and Incentive Plan. For 2016, the HRCC determined the amount payable to our CEO under the 2016 Global Bonus Plan using the following formula:

|                                       |   |   |   |  |   |   |
|---------------------------------------|---|---|---|--|---|---|
| Individual Annual<br>Incentive Target | × | Individual Funding<br>based on Company<br>Performance | × | Individual<br>Performance<br>Multiplier<br>(0 to 150%) | = | Final 2016 Global<br>Bonus Plan Amount to CEO |
|---------------------------------------|---|---|---|--|---|---|

For fiscal 2016, the HRCC determined the amount payable to each NEO (other than our CEO) under the 2016 Global Bonus Plan using the following formula:

|                                       |   |  |   |  |   |   |
|---------------------------------------|---|--|---|--|---|---|
| Individual Annual<br>Incentive Target | × | Assess Company<br>Performance Target<br>adjusted up or down<br>(0-200% of target)<br>based on Company<br>performance | × | Individual<br>Performance<br>Multiplier<br>(0 to 150%) | = | Final 2016 Global<br>Bonus Plan Amount to<br>Individual NEO |
|---------------------------------------|---|--|---|--|---|---|

For fiscal 2016, the HRCC set award targets for each of our NEOs under the 2016 Global Bonus Plan as a percentage of their base salary. Based on the assessment of our performance as determined by the HRCC, targets are adjusted up or down under the maximum determined by our 162(m) plan. Based on individual performance as recommended by our CEO and determined by the HRCC, individual awards were granted.

|  | Target<br>(% of Salary) |

| Matthew Harbaugh                               | 70%                     |

| Gary Phillips                                  | 65%                     |

(1) The target for Dr. Scholz was increased from 60% to 65% effective at the beginning of fiscal 2016.

*Corporate Performance Measures.* For the 2016 Global Bonus Plan, corporate measures were the primary basis for assessing performance. For executive officers other than our CEO, the CEO recommends individual payouts based on individual targets, corporate performance, and individual performance. The HRCC reviews the CEO's recommendations and approves final payouts.

*Financial Objectives.* For fiscal year 2016, the corporate performance measures were based upon adjusted earnings per share, or adjusted EPS, net sales revenue and free cash flow. The HRCC believes these measures are key drivers of longer term value creation and key indicators of the current and future strength of our business.

- Adjusted EPS is defined as diluted earnings per share calculated in accordance with U.S. generally accepted accounting principles ("GAAP"), as adjusted for certain items and their related tax effects. Adjusted EPS is an important measure because it provides a focus on profitable growth and expense control, and is viewed as a strong indicator of sustained performance over the long term.
- Net sales revenue represents net sales calculated in accordance with GAAP, as adjusted for certain items. Net sales revenue is an important measure because it is a leading indicator of performance and value creation and provides a clear focus on top-line growth.
- Free cash flow is defined as cash flow from operating activities less net capital expenditures, both calculated in accordance with GAAP, as adjusted for the impacts to operating cash flows from certain items. Free cash flow is an important measure because it provides focus on generating cash to fund operations and research, focuses executives on expense control and is expected to lead to long-term shareholder value creation.

The weighted average funding for the 2016 Global Bonus Plan could range from 0% to 200% of target based upon our performance against these measures. However, the HRCC may apply discretion to further increase funding by 50%, up to a total of 300% and subject to the 162(m) plan funding maximum.

The following chart summarizes the 2016 Global Bonus Plan design with respect to the corporate performance measures, including the relative weighting, performance targets, actual results and weighted average funding.

(1) The performance measures used for compensation purposes include non-GAAP financial measures which exclude the effects of certain items which the HRCC believes do not represent ongoing operating results and/or business trends. The categories of these anticipated items include: the pre-tax impact from restructuring and related charges, net; amortization and impairment charges; acquisition-related expenses; changes in fair value of contingent consideration obligations; inventory step-up expenses; significant legal and environmental charges; revenue and cash flow adjustments related to businesses acquired or exited or sold; and the tax effects of the above adjustments as well as the elimination of deferred tax benefits associated with internal installment sales transactions (which reduces Adjusted EPS). In addition, these measures are calculated using the share count, tax rate and foreign exchange rates used in our fiscal year 2016 budget.

The non-GAAP financial measures used in our executive compensation programs exclude certain charges that are included within the comparably-titled non-GAAP financial measures included in our quarterly earnings releases.

**Strategic Imperatives.** The HRCC identified a need to consider performance that supported the accomplishment of strategic imperatives, with an ability to adjust the overall size of the executive bonuses, both negatively and positively, subject to 162(m) limits. The outcome would enable bonuses to reflect individual differentiation when financial performance is at or near maximum.

The key strategic imperatives considered for fiscal 2016, included:

- Drive growth;
- Maximize profitability;
- Advance the patient centric product portfolio; and
- Build a patient and customer centric high-performing organization.

The HRCC reviewed results in these areas:

Following the conclusion of fiscal 2016, the HRCC reviewed preliminary payout calculations for each NEO based on the corporate performance measures. It also received input from our CEO on the NEOs (other than our CEO). The HRCC determined the amount of the actual payout based on individual performance, additional contributions by the NEO that were not captured within the financial measures listed above in order to align more closely the final payout with our financial performance and available pool funding. For our CEO, the Board determined that a payout at the 127% level of performance was appropriate, based on company performance and a 100% individual multiplier.

Fiscal 2016 Annual Equity Grants

For fiscal 2016, our long-term incentive compensation program consisted of a mix of performance units (weighted 40%), non-qualified stock options (weighted 40%) and restricted units (weighted 20%) granted under our Stock and Incentive Plan.

**Performance units.** We grant performance units to create incentives for executives to achieve long-term performance goals aligned with our multi-year business strategies. Performance units represent unissued ordinary shares; we do not issue ordinary shares until the applicable performance-based vesting requirements are satisfied. The vesting requirements for performance units granted to NEOs during fiscal 2016 are based upon adjusted Net Revenue Compound Annual Growth Rate ("CAGR") and relative total shareholder return, or relative TSR, each weighted at 50%, over a three-year performance period (fiscal 2016 — fiscal 2018).

- Net Revenue CAGR for the Company will be calculated for FY16 - FY18 (September 26, 2015 - September 28, 2018) using non-GAAP Net Sales Revenue where GAAP Net Sales Revenue has been adjusted to exclude the impact of both acquisitions and divestitures during the performance period.
- Relative TSR means our total shareholder return as compared against a broad performance peer group of pharmaceutical and life sciences companies, listed below. This group of companies is broader than the peer group of companies used for competitive comparisons of executive compensation, and it includes some companies that are much larger or much smaller than Mallinckrodt. The HRCC believes that use of a larger comparison group for measuring our TSR better reflects our market performance against the broad industry, even though some of the companies in the performance group would not be reasonable comparators for the compensation peer group, because of extreme differences in size. The HRCC periodically reviews the TSR peer group and approves changes, based on the recommendation of WTW. The relative TSR measure provides a "total picture" of our performance and will balance the achievement of *absolute* internal goals (Net Revenue CAGR) with *relative* performance against our peers in a measure that is directly linked with long-term shareholder value creation. The relative TSR peer group companies are:

\*removed from TSR peer group as a result of acquisition

These companies were selected because they are similar to us in industry and represent potential alternative investment choices for our shareholders.

*Non-qualified stock options.* We grant stock options to create incentives for our executives to take actions and make decisions that create long-term shareholder value and stock price growth. Non-qualified stock options generally permit a NEO to purchase ordinary shares at a per-share exercise price equal to the fair market value of ordinary shares on the date of grant. Fair market value is equal to the closing price of ordinary shares as reported on the NYSE on the grant date. Options granted to NEOs during fiscal 2016 generally have a 10 year term and vest one-quarter annually beginning on the first anniversary of the grant date.

*Restricted units.* We grant restricted units to align the interests of management and shareholders and to promote retention of key talent over the vesting period. Restricted units represent unissued ordinary shares; we do not issue ordinary shares until the applicable vesting requirements are satisfied. When the vesting requirements are satisfied, the executive receives ordinary shares without restriction. Restricted units granted to NEOs during fiscal 2016 vest one-quarter annually beginning on the first anniversary of the grant date.

The HRCC with input from our CEO, for the other NEOs, and considering each NEO's level of responsibility and market data for similar positions at companies in our peer group, sets long-term incentive grant value targets as percentages of base salary. For fiscal 2016, the target levels for each of the NEOs were increased to reflect levels of responsibility and market data for similar positions in our peer group. The HRCC then converted these grant values to equity amounts based on grant-date fair values. By using this value approach, the number of stock options, restricted units and performance units will vary from year to year based on, among other things, our share price at the time of grant, even though the awards may have the same dollar value under the valuation methodologies. The table below sets forth the target long-term incentive compensation grant value as a percentage of annual base salary for the fiscal 2016 equity awards, along with the target number of performance units, and the number of stock options and restricted units granted to each NEO.

**Fiscal 2014 Performance Share Awards Results**

The following table shows results for the three year period for fiscal 2014 Performance Share Awards (fiscal years 2014, 2015 and 2016), which was completed on September 30, 2016. The performance measures, each 50% weighted, were Adjusted EBITDA Margin and Relative Total Return to Shareholders.

The following table shows Target shares granted and shares that will payout based on performance results. The HRCC determined that Adjusted EBITDA Margin performance was significantly above the Maximum level for a maximum payout. The HRCC received external certification from AON Radford for Total Return to Shareholder results compared to the predetermined peer group. Results were above the Maximum level required for a 200% payout.

**Other Benefits**

We provide NEOs the same benefits that are provided to all employees, including defined contribution retirement benefits, health and welfare benefits, and an employee stock purchase plan. In addition, our executive officers are provided with certain additional benefits, intended to be competitive with the practices of our peer companies.

**Retirement Benefits.** The NEOs are eligible to participate in our Retirement Savings and Investment Plan ("Mallinckrodt Retirement Savings Plan"), which is our 401(k) plan available to all eligible U.S. employees, and our Supplemental Savings and Retirement Plan ("Mallinckrodt Supplemental Savings Plan"), our non-qualified deferred compensation plan in which executive officers and other senior employees may participate. The Mallinckrodt Supplemental Savings Plan is a so-called "excess" plan that extends the 401(k) benefits beyond Internal Revenue

Code limitations. For more information regarding the Mallinckrodt Supplemental Savings Plan, see “Executive Compensation — Non-Qualified Deferred Compensation.”

*Bonus for Stock Exchange Program.* The NEOs are eligible to participate in our Bonus for Stock Exchange Program which provides an additional opportunity for executive officers and other senior employees to accumulate ordinary shares. Under this program, participating employees may elect to exchange all or a portion of their bonus (not to exceed the target level) for restricted units granted on January 3, 2017. The company matches an additional 25% amount in restricted units as compensation for the delay in receiving the bonus and the risk of forfeiture. Amounts deferred pay out in the form of ordinary shares, in three equal annual installments beginning on the first anniversary of the grant date. Mr. Trudeau and Mr. Harbaugh elected to participate in this program and exchanged 10% and 15% respectively, of their bonuses for restricted units.

*Expatriate Benefits / International Assignment Benefits.* We provide benefits to our employees who are sent on an expatriate assignment outside of their home country, which are designed to relocate and support them while on these assignments. These benefits generally include a housing allowance (or company provided housing in certain locations), transportation allowance (or company provided transportation in certain locations), a cost of living differential, where applicable, a vacation allowance based on the cost of a plane ticket to the employee’s home location, and company paid education for approved dependents in locations where public education is not an option. Dr. Phillips was provided with these benefits during all or part of fiscal 2016 as he is an expatriate based in the United Kingdom.

Additionally, we ensure that employees who are sent on an assignment outside of their home country are subject to substantially the same income tax liability as they would have paid in the U.S. pursuant to our tax equalization program. Each such employee is responsible for a theoretical U.S. income tax liability based on an estimate of his or her anticipated U.S. income tax liability, and we are responsible for any home country and assignment country taxes in excess of that amount. We deduct hypothetical income taxes from the employee’s compensation during the tax year and pay any assignment country taxes on his or her behalf. Mr. Trudeau, Dr. Scholz and Dr. Phillips were each provided with these benefits during all or part of fiscal 2016 as Mr. Trudeau and Dr. Scholz are employed on a partial secondment arrangement to the United Kingdom and Dr. Phillips is an expatriate based in the United Kingdom.

*Health and Welfare Benefits.* The health and welfare benefits we provide to the NEOs are offered to all eligible U.S. based employees and include medical, dental, prescription drug, vision, life insurance, accidental death and dismemberment, business travel accident, personal and family accident, flexible spending accounts, short- and long-term disability coverage and an employee assistance program.

*Additional Benefits.* We maintain an executive physical examination program and an executive financial and tax planning program for executive officers. These programs are intended to encourage executives to proactively manage their health and complex financial/tax situations, thereby enabling them to focus on the business. The benefits are periodically benchmarked versus comparable companies and intended to be competitive for our industry. Under our business travel expense policy, we will reimburse executive officers who are required to spend 90 days per year in the United Kingdom for up to four trips per year for their spouse or partner to visit them. In addition, when we request a spouse or partner to attend a business meeting, such as our annual national sales recognition program for top performers or an offsite meeting of our executive committee, we reimburse executive officers for expenses related to this travel. In both of these circumstances, we reimburse executive officers for the income taxes associated with these travel expenses.

*Employee Stock Purchase Plan.* Effective October 1, 2013, we began maintaining a broad-based employee stock purchase plan (the “Prior Plan”) that provides eligible employees, including the NEOs, with the opportunity to purchase ordinary shares. Eligible employees authorized payroll deductions to be made for the purchase of ordinary shares and, for fiscal 2016 through June 30, 2016, we provided a 15% matching contribution for all employees who participated in this program for up to \$25,000 of an employee’s payroll deductions in the calendar year. All shares were purchased on the open market by a designated broker and were required to be held by participants for 12 months after purchase.

In September 2015, our Board of Directors adopted our 2016 Employee Stock Purchase Plan, which we refer to as the ESPP, subject to shareholder approval. The ESPP is designed to qualify as an “employee stock purchase plan” under Section 423 of the Internal Revenue Code. At the 2016 Annual General Meeting, shareholders approved the

ESPP. The Prior Plan was terminated June 30, 2016 upon implementation of the ESPP and no additional shares were offered for purchase under the Prior Plan after that date. The ESPP was implemented effective July 1, 2016. Eligible employees authorize payroll deductions to be made for the purchase of ordinary shares and, for fiscal 2016 beginning July 1, 2016, we provided a 15% discount for all employees who participated in this program for up to \$25,000 of an employee's payroll deductions in the calendar year. For 2016, shares utilized were Treasury shares and are required to be held by participants for 12 months after purchase.

*Severance Benefits.* We maintain an executive severance plan that provides benefits to our senior executives upon an involuntary termination of employment for any reason other than cause, permanent disability or death. We provide this plan to enable our executives to devote their full attention to our business by ensuring they will have some financial security in the event of an involuntary termination of employment without cause. Severance benefits, in the form of base salary continuation, bonus and health benefits are generally payable for 18 months (24 months for our CEO) following a qualifying termination of employment. Executives whose employment is involuntarily terminated without cause during the first twelve months of employment receive base salary continuation and health benefits for 9 months (12 months for our CEO) and do not receive a bonus. Receipt of these benefits is conditioned upon the executive signing a release of any claims against us.

*Change in Control Benefits.* We maintain a change in control plan that provides benefits to certain senior executives upon an involuntary termination of employment or good reason resignation that occurs during a period shortly before and continuing after a change in control (a double-trigger arrangement). We provide this plan to encourage our executives to remain neutral in the face of a potential transaction that may benefit shareholders but result in the loss of the executive's employment. Benefits are generally payable following a qualifying termination of employment in a lump-sum cash payment equal to 1.5 times (2 times for our CEO) the sum of the executive's base salary and the average of the executive's bonus for the previous three fiscal years. Additional benefits provided upon a change in control termination include full vesting of outstanding equity awards (double-trigger), continued subsidy for health plan premiums for an 18-month period (24 months for our CEO) and outplacement services. Receipt of change in control severance benefits is conditioned upon the executive signing a release of any claims against us. The plan does not provide excise tax gross-ups.

**Share Ownership Requirements**

To reinforce the alignment of management and shareholder interests, the Board established share ownership requirements under which executive officers are expected to hold equity with a value expressed as a multiple of base salary as follows:

|                          |                     |
|--------------------------|---------------------|
| CEO                      | 5 times base salary |
| Other Executive Officers | 3 times base salary |

In determining an executive's ownership, shares held directly as well as shares underlying restricted units (less a 40% tax assumption) are included. Shares underlying unexercised stock options and unvested performance units are not included in the calculation. Until the required share ownership level is achieved, the executives are required to retain at least fifty percent of net profit shares. Net profit shares are shares remaining after payment of the exercise price, if applicable, and taxes upon the exercise of stock options, vesting of restricted units, and earn-out of performance units. As of the end of fiscal 2016, Mr. Trudeau, Mr. Harbaugh and Dr. Scholz met their ownership requirements and the other executive officers have made progress toward meeting their ownership requirements.

**Anti-Hedging/Anti-Pledging Policy**

Our Insider Trading Policy prohibits directors, officers and employees from entering into or trading in puts, calls, cashless collars, options or similar rights and obligations or any other hedging activity involving our securities, other than the exercise of a Company-issued stock option.

Our policy also prohibits directors, officers and employees from purchasing our securities on margin, borrowing against our securities held in a margin account or pledging our securities as collateral for a loan. However, an exception may be granted by our General Counsel if the individual clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities.

**Compensation Recovery Policy**

In the event of a restatement of financial or operating results due to material non-compliance with financial reporting requirements, the HRCC is authorized to recover ("clawback") any incentive compensation that was overpaid to certain employees, including NEOs, taking into account such factors as the HRCC deems appropriate, including whether the employee engaged in misconduct or negligent conduct that caused or contributed to the restatement and the amount of any overpayment.

**Deductibility of Executive Compensation**

The HRCC has generally intended to structure our executive compensation in a manner designed to qualify for deductibility under Section 162(m) of the Internal Revenue Code when consistent with our overall compensation program objectives, while also maintaining maximum flexibility in the design of our compensation programs and in making appropriate payments to NEOs.

### **Compensation Committee Report on Executive Compensation**

The Human Resources and Compensation Committee ("HRCC") is responsible for the oversight of our compensation programs on behalf of the Board of Directors. In fulfilling these responsibilities, the HRCC has reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement.

Based on the review and discussions referred to above, the HRCC recommended to the Board of Directors that the Compensation Discussion and Analysis be included in Mallinckrodt's Proxy Statement for the 2017 Annual General Meeting of Shareholders, which will be filed with the Securities and Exchange Commission.

- (1) For fiscal year 2014, the amounts represent, for Mr. Harbaugh, a spin bonus which was payable on the six-month anniversary of the completion of the separation and for Dr. Scholz and Dr. Phillips, a one-time bonus in connection with the commencement of their respective employment during fiscal 2014.
- (2) The amounts reported represent the aggregate grant date fair value, computed in accordance with Accounting Standards Codification 718 ("ASC 718"), of restricted units, performance units and stock option awards granted to each of our NEOs during fiscal 2016. For performance units, the values shown reflect the grant date fair value based on the probable outcome of the performance conditions. If the highest level of achievement of the performance conditions were assumed, the value of the performance units at the grant date for the proxy officers for fiscal years 2016, 2015 and 2014, respectively, would be: Mr. Trudeau \$9,792,445, \$10,226,177 and \$3,450,282; Mr. Harbaugh, \$2,762,014, \$2,447,658 and \$788,835; Dr. Scholz, \$1,506,609, \$1,418,719 and \$405,745; Mr. O'Neill, \$1,707,490, \$1,567,261 and \$613,409; and Dr. Phillips, \$1,556,932, \$1,567,261 and \$488,811. Further information regarding the fiscal 2016 awards is included in the Fiscal 2016 Grants of Plan-Based Awards Table, the Outstanding Equity Awards at 2016 Fiscal Year-End Table and the CD&A.
- Amounts reported do not correspond to the actual value that may be recognized by the NEOs, which may be higher or lower based on a number of factors, including our performance, stock price fluctuations and applicable vesting. For additional information relating to assumptions made in the valuation for current year awards reflected in these columns, see Note 15 to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2016.
- (3) The amounts reported represent annual incentive cash awards paid to the NEOs under our 2016 Global Bonus Plan. For information regarding the calculation of these awards, see the CD&A. Mr. Trudeau and Mr. Harbaugh elected to participate in our Bonus for Stock Exchange Program and exchanged 10% and 15% respectively, of their bonuses for restricted units that were granted on January 3, 2017.
- (4) The amounts reported represent the aggregate dollar amount for each NEO for employer contributions to the Retirement Savings Plan, employer credits to the Supplemental Savings Plan, employer contributions to the Employee Stock Purchase Plan, executive financial planning, relocation benefits, expatriate benefits, executive physicals, executive financial planning and tax reimbursements. The following table shows the specific amounts included in the All Other Compensation column of the Summary Compensation Table for fiscal 2016.

- (1) The amounts reported reflect threshold, target and maximum award amounts for fiscal 2016 that were set in fiscal 2016 under the Global Bonus Plan, which is an element of our Stock and Incentive Plan. The actual amounts earned by each NEO pursuant to such awards are reported under the Non-Equity Plan Incentive Compensation column of the Summary Compensation Table. The maximum calculated award based upon corporate metrics is 200% of target, but the HRCC may apply discretion of up to 50%, making the effective maximum 300% of target; subject to negative discretion under the 162(m) plan funding maximums.
- (2) The amounts reported reflect threshold, target and maximum award amounts for performance units granted to each of our NEOs during fiscal 2016. The actual amounts are contingent upon the satisfaction of performance based vesting requirements of adjusted EBITDA margin and relative TSR, each weighted at 50%, over a three-year performance period (fiscal 2016 — fiscal 2018).
- (3) The amounts reported represent the aggregate grant date fair value, computed in accordance with ASC 718 of performance units, restricted units and stock option awards issued to each of our NEOs during fiscal 2016.
- (4) Grants of stock options and restricted units scheduled to vest in four equal amounts on each of January 4, 2017, 2018, 2019 and 2020.
- (5) Company match grants of restricted units made to participants in the Bonus for Stock Exchange Program on January 4, 2016 which vest one third each on January 4, 2017, January 4, 2018 and January 4, 2019.

- (1) The amounts reported include amounts deferred by the NEOs during fiscal 2016 under our Supplemental Savings Plan. All amounts reported in this column are also included in the Salary and/or Non-Equity Incentive Plan Compensation columns in the Summary Compensation Table.
- (2) The amounts reported include amounts that we credited to our Supplemental Savings Plan on behalf of the NEOs in fiscal 2016. These amounts are included in the amounts set forth in the All Other Compensation column of the Summary Compensation Table for fiscal 2016 and are specifically broken out in footnote 4 to the Summary Compensation Table.
- (3) The amounts reported include earnings credited to the NEO's account in the Supplemental Savings Plan. Earnings on amounts credited to the Supplemental Savings Plan are determined by investment selections made by each NEO in investment alternatives that generally mirror investment choices offered under the Retirement Savings Plan (our 401(k) plan).
- (4) The amounts reported for each NEO includes the NEO's total balance in our Supplemental Savings Plan as of September 30, 2016.

**Supplemental Savings Plan.** Under the Supplemental Savings Plan, participants, including NEOs, may defer up to 50% of their base salary and 75% of their annual bonus. We provide matching credits based on the participant's deferred base salary and bonus at the same rate that such participant is eligible to receive matching contributions under the Retirement Savings Plan and Company credits on any cash compensation (i.e., base and bonus) that the participant earns during a calendar year in excess of applicable IRS limits (\$265,000 for 2016). Participants are fully vested in matching and Company credits (including earnings on such credits) upon completion of two years of service. The Supplemental Savings Plan is a non-qualified deferred compensation plan that is maintained as an unfunded "top-hat" plan and is designed to comply with Internal Revenue Code Section 409A. Amounts credited to the Supplemental Savings Plan as participant deferrals or Company credits may also be credited with earnings (or losses) based upon investment selections made by each participant from investments that generally mirror investments offered under the Retirement Savings Plan. Participants may elect whether they will receive a distribution of their Supplemental Savings Plan account balances upon termination of employment or at a specified date. Distributions can be made in a lump sum or in up to 15 annual installments.

Under the Retirement Savings Plan, we make an automatic contribution of three percent (3%) of an employee's eligible pay, irrespective of whether the employee contributes to such plan. Additionally, we match fifty cents (\$0.50) for every one dollar (\$1.00) employees contribute, up to the first six percent (6%) of eligible pay.

## Potential Payments upon Termination

*Severance Plan.* For all of the NEOs, severance benefits are payable pursuant to the Mallinckrodt Severance Plan for U.S. Officers and Executives. Under the Severance Plan, benefits are payable to eligible executives, including NEOs, upon an involuntary termination of employment for any reason other than cause, permanent disability or death. Post-termination benefits consist of:

- Continuation of base salary for a period of 18 months (24 months for our CEO);
- Payment of 1.5 times the average of the executive's bonus for the previous three fiscal years (two times the average of the previous three fiscal year bonuses for our CEO);
- Continuation of health and dental benefits at active employee rates for a period of up to 18 months (24 months for our CEO);
- 12 months accelerated vesting of unvested stock options;
- 12 months to exercise vested stock options (unless a longer period is provided in the applicable award agreement);
- 12 months accelerated vesting of unvested restricted unit awards that are subject solely to time-based vesting;
- 12 months accelerated vesting of unvested performance unit awards if, and to the extent that, the HRCC determines that the applicable performance criteria have been attained;
- Outplacement services, at our discretion, for up to 12 months; and
- Payment of a pro-rata portion of the executive's annual incentive cash award for the fiscal year in which such executive's employment terminates.

Notwithstanding the foregoing, employees with less than one year of service will be entitled to continuation of one-half base salary and will not be entitled to any payment in connection with the executive's bonus.

Upon a termination of employment other than for cause, including an involuntary termination of employment where the executive becomes eligible for severance benefits, executives, including NEOs, forfeit all unvested restricted unit and performance unit awards and stock options that do not vest within 12 months after the executive's employment termination date.

*Change in Control Plan.* For all NEOs, change in control severance benefits are payable pursuant to the Mallinckrodt Change in Control Severance Plan for Certain U.S. Officers and Executives. Under the Change in Control Plan, benefits are payable to eligible executives, including NEOs, only if the plan's double trigger requirements are satisfied, meaning that, in order to receive any of the following benefits, the executive must experience an involuntary termination of employment or good reason resignation during a period that begins 60 days before and ends 2 years after a change in control. Post-termination benefits consist of:

- A single lump sum payment equal to 18 months of the executive's base salary (24 months for our CEO);
- A single lump sum payment equal to 1.5 times the average of the executive's bonus for the previous three fiscal years (2 times the average of the previous three fiscal year bonuses for our CEO);
- Continuation of health and dental benefits at active employee rates for a period of up to 18 months (24 months for our CEO);
- Full vesting of unvested stock options;
- 12 months to exercise vested stock options (unless a longer period is provided in the applicable option agreement);
- Full vesting of unvested restricted unit awards that are subject solely to time-based vesting;
- Full vesting of unvested performance unit awards if, and to the extent that, the HRCC determines that the applicable performance criteria have been or will be attained or would have been attained during the 18-month period after the executive's employment terminates (24-month period for our CEO);
- Outplacement services, at our discretion, for up to 12 months; and
- Payment of a pro-rata portion of the executive's annual incentive cash award for the fiscal year in which such executive's employment terminates.

The payment of benefits under our Severance Plan and our Change in Control Plan is conditioned upon the executive executing a general release in favor of us and is subject to the terms of the Non-Competition, Non-Solicitation, and Confidentiality Agreement by and between the executive and us, under which the executive agreed not to disclose confidential Company information at any time and not to compete with us nor solicit our employees or customers, for a period of one year following termination of employment. We may cancel benefits that are payable or seek to recover benefits previously paid if the executive does not comply with these provisions or violates the release of claims. Payments may be delayed until six months after termination of employment if necessary to comply with Internal Revenue Code Section 409A.

Upon a termination of employment for cause, executives, including NEOs, are not eligible for severance benefits under our Severance Plan or our Change in Control Plan and forfeit all unvested stock options, restricted units and performance units. In addition, the stock options, restricted units and performance units include a “claw-back” feature pursuant to which we may recover the amount of any profit the NEO realized upon the exercise of stock options, or the vesting of restricted units or performance units, during the 12-month period that occurs immediately prior to the executive officer’s involuntary termination of employment for cause.

For purposes of our Severance Plan and our Change in Control Plan, as well as the “claw-back” feature discussed in the preceding sentence, “cause” means substantial failure or refusal of the NEO to perform the duties and responsibilities of his job as required by us, violation of any fiduciary duty owed to us, conviction of a felony or misdemeanor, dishonesty, theft, violation of our rules or policies, including a violation of our Guide to Business Conduct, or other egregious conduct that has or could have a serious and detrimental impact on us and our employees.

For purposes of the Change in Control Plan, “good reason” means any retirement or termination of employment by the NEO that is not initiated by us and that is caused by any one or more of the following events, in each case, without the NEO’s written consent: (i) assignment to the NEO of any duties inconsistent in any material respect with the NEO’s authority, duties or responsibilities as in effect immediately prior to the change in control; (ii) a material diminution in the authority, duties or responsibilities of the supervisor to whom the NEO is required to report as in effect immediately prior to the change in control; (iii) a material change in the geographic location at which the NEO must perform services to a location that is more than 50 miles from the NEO’s principal place of business immediately preceding the change in control; (iv) a material reduction in the NEO’s compensation and benefits, taken as a whole, as in effect immediately prior to the change in control; (v) our failure to obtain a satisfactory agreement from any successor to assume and agree to perform our obligations to the NEO under such plan; or (vi) a material diminution in the budget over which the NEO retains authority. Additionally, “good reason” will only exist if the NEO provides written notice stating the good reason event, we do not cure such event, and the NEO terminates employment within a certain period of time after the end of the cure period.

*Other Termination Benefits.* The terms of our annual incentive plan and equity plan provide for certain benefits upon a NEO’s termination of employment due to death, disability or retirement. For this purpose, normal retirement occurs where an executive officer terminates employment after attaining age 60 and the sum of the executive’s age and years of service equals at least 70. Under the annual incentive plan, NEOs are eligible to receive a pro-rated annual incentive cash award based on the number of days that the executive officer was employed by us during the fiscal year upon death, disability or normal retirement. Under the equity plan, NEOs are eligible to receive full vesting of stock options, restricted units and performance units upon death, disability or normal retirement.

The table below reflects the amount of compensation that would become payable to each of our NEOs under existing plans if the NEO’s employment had terminated on September 30, 2016, the last day of fiscal 2016, given the NEO’s service levels as of such date and, if applicable, based on our closing stock price as of that date, which was \$68.45. These benefits are in addition to benefits available prior to the occurrence of any termination of employment, including under then-exercisable stock options, and benefits available generally to salaried employees, such as distributions under the Retirement Savings Plan.

The actual amounts that would be paid upon a NEO’s termination of employment or in connection with a change in control can be determined only at the time of any such event. Due to a number of factors that may affect the amount of any benefits provided upon the events discussed below, actual amounts paid or distributed may be higher or lower than indicated in the table. Factors that could affect these amounts include the timing during the year of any such event, our stock price, the executive’s age and years of service, the attained level of performance for performance units, and any additional agreements or arrangements we may enter into in connection with any change in control or termination of employment. For a more complete understanding of the table, please read the narrative disclosures that follow the table.

(1) The amount reflected assumes best net treatment of parachute amounts that exceed the 280G limit. Benefits are either cutback to just below the 280G limit, or the executive pays any excise tax due (whichever is better for the executive on an after-tax basis). The calculations assume that payments to Messrs. Trudeau, O'Neill and Phillips would be subject to cutbacks in the amounts as indicated.

## Cash Severance

*Involuntary Termination (other than for cause).* For all NEOs other than our CEO, the cash severance amount in this scenario represents continuation of the NEO's base salary, as of September 30, 2016, for an 18-month severance period, plus an amount equal to 1.5 times the average of the NEO's annual incentive cash awards for the previous three fiscal years (i.e., fiscal 2015, 2014 and 2013), payable during the 18-month severance period and on our normal payroll schedule. For our CEO, the amount represents continuation of his base salary, as of September 30, 2016, for a 24-month severance period, plus an amount equal to two times the average of his annual incentive cash awards for the previous three fiscal years, payable during the 24-month severance period and on our normal payroll schedule.

*Change in Control Termination.* For all NEOs, we assume that such executive officers experience an involuntary termination of employment (other than for cause) after the change in control that renders them eligible for benefits under the Mallinckrodt Change in Control Plan. Accordingly, the cash severance amount for all NEOs other than our CEO represents a lump-sum payment equal to 1.5 times the NEO's base salary as of September 30, 2016, plus an amount equal to 1.5 times the average of the NEO's annual incentive cash awards for the previous three fiscal years (i.e., fiscal 2015, 2014 and 2013). For our CEO, the amount represents a lump-sum payment equal to two times his base salary as of September 30, 2016, plus an amount equal to two times the average of his annual incentive cash awards for the previous three fiscal years.

Applicable to both the cash severance termination scenarios, in situations where the NEO did not have a full three year history of annual incentive cash awards due to not having commenced employment prior to fiscal 2013, the average calculated represents a prorated average calculated as the sum of the annual incentive cash awards divided by the length of service provided during the prior three fiscal years.

## Bonus

*Involuntary Termination (other than for cause).* In the case of an involuntary termination (other than for cause), executive officers are entitled to a pro-rata payment of the annual incentive cash award based on the number of days they were employed by us during the fiscal year. Because we have assumed that the applicable terminations of employment occurred on the last day of fiscal 2016, the amounts reported in the Bonus column for this scenario represent the full annual incentive cash award payable to each NEO for fiscal 2016.

*Death or Disability and Change in Control Termination.* The bonus amount represents the pro-rata payment of the annual incentive cash award based on the number of days that the NEO was employed by us during the fiscal year. Because we have assumed that the applicable termination of employment occurred on the last day of fiscal 2016, the amounts reported in the Bonus column for this scenario represent the full annual incentive cash award payable to each NEO for fiscal 2016.

## Option Awards

*Involuntary Termination (other than for cause).* For all NEOs, the option award amount represents the value as of September 30, 2016 of outstanding options held by the NEO that would have vested during the 12-month period that immediately follows September 30, 2016 (i.e., from October 1, 2016 to September 30, 2017).

*Death or Disability and Change in Control Termination.* The option award amount represents the full vesting of unvested stock options held by the NEO as of September 30, 2016.

## Stock Awards

*Involuntary Termination (other than for cause).* For all NEOs, the stock award amount represents the value as of September 30, 2016 of outstanding restricted units held by the NEO that would have vested during the 12-month period that immediately follows September 30, 2016 (i.e., from October 1, 2016 to September 30, 2017).

*Death or Disability and Change in Control Termination.* The amounts reported represent the value that would have been attained upon the full vesting of all unvested restricted unit and performance unit awards held by the NEO as of September 30, 2016. For purposes of this scenario, amounts attributable to performance unit awards are based on the following: (1) for the January 2014 awards, the ending date for the performance shares was accelerated to the date of the separation and the amounts reported in this column are based on the achievement through the separation date of 200%; (2) for the January 2015 awards, the ending date for the performance shares was accelerated to the date of the separation and the amounts reported in this column are based on the achievement through the separation date of 100% and (3) for the January 2016 awards, the ending date for the performance

shares was accelerated to the date of the separation and the amounts reported in this column are based on the achievement through the separation date of 100%.

### Welfare Benefits and Outplacement Services

The welfare benefits amount represents the employer portion of the premium paid on behalf of the NEO for continued coverage under our medical, dental and vision plans during the applicable severance period. Amounts for calendar year 2016 and 2017 are based on actual rates determined by us for the respective plan in such years, while the rates for subsequent years, where applicable, are assumed based on the historic percentage increase in rates for such coverage. Although payable at our discretion, for purposes of this column we assume that we would pay \$25,000 on behalf of each NEO for outplacement services upon an involuntary termination (other than for cause) and a change in control termination.

## SECURITY OWNERSHIP AND REPORTING

### Security Ownership of Management and Certain Beneficial Owners

The following table shows the number of ordinary shares beneficially owned as of January 4, 2017, by (i) each current director, each executive officer named in the Summary Compensation Table and our directors and executive officers as a group; and (ii) each person who we know or have reason to believe is the beneficial owner of more than 5% of our outstanding ordinary shares, based on statements filed by such persons pursuant to Section 13(d) or 13(g) of the Exchange Act and notices delivered to us pursuant to the Irish Companies Act.

A person is deemed to be a beneficial owner of ordinary shares if he or she, either alone or with others, has the power to vote or to dispose of those ordinary shares or the right to acquire such power within 60 days of January 4, 2017. Ordinary shares subject to stock options presently exercisable or exercisable within 60 days of January 4, 2017 and restricted units that vest within 60 days of January 4, 2017 are deemed to be outstanding and beneficially owned by the person holding the securities for the purpose of computing the percentage ownership of that person, but are not treated as outstanding for the purpose of computing the percentage of any other person. There were 104,776,826 ordinary shares outstanding as of January 4, 2017 and the calculations of percentage ownership below are based on such number of outstanding shares regardless of the date of the information regarding beneficial ownership reported below.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers and directors and persons who beneficially own more than 10 percent of our ordinary shares to file reports of ownership and changes in ownership of such ordinary shares with the SEC and NYSE. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. As a matter of practice, our administrative staff assists our officers and directors in preparing initial reports of ownership and reports of changes in ownership and files those reports on their behalf. Based on our review of the copies of such forms we have received, as well as information provided and representations made by the reporting persons, we believe that all required Section 16(a) reports were timely filed during our fiscal year ended September 30, 2016.

### Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee has adopted a pre-approval policy that provides guidelines for audit, audit-related, tax and other permissible non-audit services that may be provided by our independent auditors. Pursuant to the policy, our Corporate Controller supports the Audit Committee by providing a list of proposed services to the Committee, monitoring the services and fees pre-approved by the Committee, providing periodic reports to the Committee with respect to pre-approved services and coordinating with management and the independent auditors to support compliance with the policy.

Under the policy, the Audit Committee annually pre-approves the audit fee and terms of the engagement, as set forth in the engagement letter. The Committee also annually approves a specified list of audit, audit-related and tax services. Any service not included in the specified list of services must be submitted to the Committee for pre-approval. The independent auditors may not begin work on any engagement without confirmation of Committee pre-approval from our Corporate Controller or her delegate.

Pursuant to the policy, the Audit Committee has delegated to its Chair the authority to pre-approve the engagement of the independent auditors in her discretion. The Chair reports all such pre-approvals to the Committee at the next Committee meeting.

### Audit Committee Report

As more fully described in its charter, the Audit Committee oversees Mallinckrodt's financial reporting process on behalf of the Board of Directors. Management has day-to-day responsibility for the Company's financial reporting process, including assuring that the Company develops and maintains adequate financial controls and procedures and monitoring and assessing compliance with those controls and procedures, including internal control over financial reporting. Mallinckrodt's independent auditors are responsible for auditing the annual consolidated financial statements prepared by management, expressing an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discussing with the Audit Committee any issues they believe should be raised. The independent auditors are also responsible to the Audit Committee and the Board for testing the financial accounting and reporting control systems, for issuing a report on the Company's internal control over financial reporting and for such other matters as the Audit Committee and Board determine.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management, the internal auditors and the independent auditors the consolidated financial statements for the fiscal year ended September 30, 2016 filed with the U. S. Securities and Exchange Commission (the "SEC"). Management represented to the Audit Committee that these consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States ("US GAAP"). In addition, the Audit Committee has:

- Discussed with the independent auditors the matters required to be discussed pursuant to the applicable Auditing Standards relating to communication with audit committees;
- Received from the independent auditors the written disclosures and letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence;
- Discussed with the independent auditors their independence from the Company and its management; and
- Considered whether the independent auditors' provision of non-audit services to the Company is compatible with maintaining the auditors' independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that Mallinckrodt's audited consolidated financial statements prepared in accordance with US GAAP be included in its Annual Report on Form 10-K for the fiscal year ended September 30, 2016 filed with the SEC.

THAT YOU VOTE "FOR" EACH OF THE DIRECTORS NOMINATED FOR RE-ELECTION  
IN PROPOSALS 1(a) THROUGH 1(j)**

**PROPOSAL 2: ADVISORY NON-BINDING VOTE TO APPROVE THE RE-APPOINTMENT OF THE INDEPENDENT AUDITORS AND A BINDING VOTE TO AUTHORIZE THE AUDIT COMMITTEE TO SET THEIR REMUNERATION**

The Audit Committee has selected and re-appointed Deloitte & Touche LLP to audit our financial statements for the transition period from October 1, 2016 to December 30, 2016 (the "Transition Period") and for the fiscal year ending December 29, 2017. The Board of Directors, upon the recommendation of the Audit Committee, is asking our shareholders to approve, in a non-binding advisory vote, the re-appointment of Deloitte & Touche LLP as our independent auditors for the Transition Period and for the fiscal year ending December 29, 2017 and to authorize, in a binding vote, the Audit Committee to set the independent auditors' remuneration. Although approval is not required by our Memorandum and Articles of Association or otherwise, the Board is submitting the selection of Deloitte & Touche LLP to our shareholders for approval in a non-binding advisory vote because we value our shareholders' views on our independent auditors. If the re-appointment of Deloitte & Touche LLP is not approved by shareholders, it will be considered as notice to the Board and the Audit Committee to consider the selection of a different firm. Even if the re-appointment is approved, the Audit Committee in its discretion may select a different independent auditor at any time during the year if it determines that such a change would be in the best interests of Mallinckrodt and its shareholders.

The Audit Committee and the Board recommend that shareholders approve, in a non-binding advisory vote, the re-appointment of Deloitte & Touche LLP as our independent auditors to audit our accounts for the Transition Period and for the fiscal year ending December 29, 2017 and authorize, in a binding vote, the Audit Committee to set the auditors' remuneration. Authorization of the Audit Committee to set the independent auditors' remuneration requires the affirmative vote of a majority of the votes cast by the holders of ordinary shares represented at the Annual General Meeting in person or by proxy.

Representatives of Deloitte & Touche LLP will be at the Annual General Meeting, will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

**PROPOSAL 3: ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

As described in the Compensation Discussion and Analysis section of this Proxy Statement (“CD&A”), the Human Resources and Compensation Committee’s goal in setting executive compensation is to provide a compensation package that attracts, motivates and retains executive talent and rewards executive officers for superior Company and individual performance while encouraging behavior that is in the long-term best interests of Mallinckrodt and its shareholders. Consistent with this philosophy, a significant portion of the total compensation opportunity for each of our executives is performance-based and dependent upon our achievement of specified financial goals and the performance of our shares on a long-term basis.

Fiscal 2016 was an important year for us. We continued to make great progress against our overall strategic objective: to create a highly successful, diversified, specialty pharmaceutical business providing valuable therapies for underserved patient populations in areas of high unmet medical need, creating good jobs and a rich diverse workplace for our employees, and driving growth and profitability by investing in our products to reach new patients and deliver long-term value to our shareholders. In the year, we made great strides in transforming our portfolio, delivering near-term value on our acquisitions and continuing to create platforms on which to drive organic growth for many years to come. Key performance highlights for fiscal 2016 are included in the CD&A.

Shareholders are urged to read the CD&A, which discusses how our compensation policies and procedures implement our compensation philosophy, as well as the Summary Compensation Table and other related compensation tables and narrative disclosure that describe the compensation of our named executive officers in fiscal 2016. The Human Resources and Compensation Committee and the Board of Directors believe that the policies and procedures articulated in the CD&A are effective in implementing our compensation philosophy and in achieving its goals and that the compensation of our named executive officers in fiscal 2016 reflects and supports these compensation policies and procedures.

Shareholders will be asked at the 2017 Annual General Meeting to approve the following advisory resolution:

RESOLVED, that the compensation of the Company’s named executive officers described in the Compensation Discussion and Analysis section of the Proxy Statement and disclosed in the Summary Compensation Table and related compensation tables and narrative disclosure included in this Proxy Statement is approved.

We have determined to hold this advisory vote every year and expect to hold our next advisory vote at the 2018 Annual General Meeting of Shareholders. This advisory vote, commonly referred to as a “say-on-pay” advisory vote, is non-binding on the Board. Although non-binding, the Board and the Human Resources and Compensation Committee will review the voting results and take them into consideration when making future decisions regarding our executive compensation programs.

**Unless otherwise instructed, the proxies will vote “FOR” this resolution.**

THAT YOU VOTE “FOR” THE RESOLUTION SET FORTH IN PROPOSAL 3***

**PROPOSAL 4: AUTHORIZE THE COMPANY AND/OR ANY SUBSIDIARY OF THE COMPANY TO MAKE MARKET PURCHASES OR OVERSEAS MARKET PURCHASES OF COMPANY SHARES**

Under Irish law, neither we nor any of our subsidiaries may make market purchases or overseas market purchases of our ordinary shares without shareholder approval. Accordingly, shareholders are being asked to authorize us, or any of our subsidiaries, to make market purchases or overseas market purchases of up to 10% of our issued shares. If adopted, this authority will expire at the close of business on September 1, 2018 unless renewed at the Annual General Meeting in 2018; we expect to propose renewal of this authorization at subsequent annual general meetings. Such purchases would be made only at price levels which the Board considers to be in the best interests of the shareholders generally, after taking into account our overall financial position.

Whether or not this proposed resolution is passed, we will retain the ability to effect repurchases as redemptions pursuant to our Articles of Association, although our subsidiaries are not able to effect market purchases in this manner. To date, our existing share repurchase program has been effected as redemptions pursuant to our Articles of Association.

In order for us or any of our subsidiaries to make market purchases or overseas market purchases of our ordinary shares, such shares must be purchased on a "recognized stock exchange". The NYSE, on which our ordinary shares are listed, is specified as a recognized stock exchange for this purpose by Irish law. The general authority, if approved by our shareholders, will become effective from the date of passing of the authorizing resolution.

**Resolution**

The text of the resolution in respect of Proposal 4 is as follows:

RESOLVED, that the Company and any subsidiary of the Company are hereby generally authorized to make market purchases or overseas market purchases of ordinary shares in the Company ("shares") on such terms and conditions and in such manner as the Board of Directors of the Company may determine from time to time but subject to the provisions of the Companies Act 2014 and to the following provisions:

- (a) The maximum number of shares authorized to be acquired by the Company and/or any subsidiary of the Company pursuant to this resolution shall not exceed, in the aggregate, 11,813,729 ordinary shares of USD 0.20 each (which represents 10% of the Company's issued ordinary shares as of our 2016 fiscal year end).
- (b) The maximum price to be paid for any ordinary share shall be an amount equal to 110% of the closing price on the New York Stock Exchange for the ordinary shares on the trading day preceding the day on which the relevant share is purchased by the Company or the relevant subsidiary of the Company, and the minimum price to be paid for any ordinary share shall be the nominal value of such share.
- (c) This general authority will be effective from the date of passing of this resolution and will expire eighteen months from the date of the passing of this resolution, unless previously varied, revoked or renewed by ordinary resolution in accordance with the provisions of section 1074 of the Companies Act 2014. The Company or any such subsidiary may, before such expiry, enter into a contract for the purchase of shares which would or might be executed wholly or partly after such expiry and may complete any such contract as if the authority conferred hereby had not expired.

**Unless otherwise instructed, the proxies will vote "FOR" this resolution.**

***THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS  
THAT YOU VOTE "FOR" THE RESOLUTION SET FORTH IN PROPOSAL 4***

**PROPOSAL 5: AUTHORIZE THE PRICE RANGE AT WHICH THE COMPANY CAN RE-ALLOT SHARES THAT IT HOLDS AS TREASURY SHARES**

We may, from time to time, re-allot shares purchased by us and not cancelled (“treasury shares”) in connection with our executive compensation program, our employee stock purchase plan and our other compensation programs.

Under Irish company law, our shareholders must authorize the price range at which we may re-allot any shares held in treasury. In this proposal, that price range is expressed as a minimum and maximum percentage of the prevailing market price (as defined below). Under Irish law, this authorization expires after eighteen months unless renewed; accordingly, we expect to propose renewal of this authorization at subsequent annual general meetings.

The authority being sought from shareholders provides that the minimum and maximum prices at which an ordinary share held in treasury may be re-allotted are 95% and 120%, respectively, of the average closing price per ordinary share, as reported by the NYSE, for the thirty (30) trading days immediately preceding the proposed date of re-allotment. If an ordinary share is being re-allotted to satisfy an obligation under an employees' share scheme, the minimum price at which such share may be re-allotted will be the nominal value of such share. Any re-allotment of treasury shares will be at price levels that the Board considers in the best interests of our shareholders.

**Special Resolution**

The text of the resolution in respect of Proposal 5 (which is proposed as a special resolution) is as follows:

RESOLVED, that the re-allotment price range at which any treasury shares held by the Company may be re-allotted (including by way of re-allotment off-market) shall be as follows:

- (a) the maximum price at which such treasury share may be re-allotted shall be an amount equal to 120% of the “market price”; and
- (b) the minimum price at which a treasury share may be re-allotted shall be the nominal value of the share where such a share is required to satisfy an obligation under an employees' share scheme operated by the Company or, in all other cases, an amount equal to 95% of the “market price”; and
- (c) for the purposes of this resolution, the “market price” shall mean the average closing price per ordinary share of the Company, as reported by the New York Stock Exchange, for the thirty (30) trading days immediately preceding the proposed date of re-issuance.

FURTHER RESOLVED, that this authority to re-allot treasury shares shall expire at eighteen months after the date of the passing of this resolution unless previously varied or renewed in accordance with the provisions of Sections 109 and/or 1078 (as applicable) of the Companies Act 2014 (and/or any corresponding provision of any amended or replacement legislation) and is without prejudice or limitation to any other authority of the Company to re-allot treasury shares on-market.

**PROPOSAL 6 - AMEND THE COMPANY'S: (a) MEMORANDUM OF ASSOCIATION TO MAKE CERTAIN ADMINISTRATIVE AMENDMENTS; AND (b) ARTICLES OF ASSOCIATION TO MAKE CERTAIN ADMINISTRATIVE AMENDMENTS**

Proposal 6(a) sets out certain proposed amendments to our Memorandum of Association, and Proposal 6(b) sets out certain proposed amendments to our Articles of Association.

Under Irish law, any amendment to a public company's Memorandum of Association must be voted on separately from any amendment to a public company's Articles of Association. For that reason, we are asking shareholders to separately vote on Proposals 6(a) and 6(b); however, given the inextricable link between Proposals 6(a) and 6(b), each proposal is subject to the other being approved by shareholders, and as a result, both proposals will fail if either proposal does not pass.

*Proposal 6(a): Proposed Amendments to the Company's Memorandum of Association*

Set out below is background information on the proposed amendments to our Memorandum of Association. The description of the following proposed amendments is only a summary and is qualified in its entirety by reference of the complete text of the proposed amendments, which is attached to this proxy statement as Part I of Appendix B. We urge you to read Part I of Appendix B in its entirety before casting your vote.

On June 1, 2015, the Companies Act 2014 (the "2014 Act") took effect in Ireland. The 2014 Act is meant to consolidate and modernize company law in Ireland. Although the changes to Irish company law will not impact our day-to-day operations, we are proposing to make some administrative updates to our Memorandum of Association for the relevant new statutory section numbering and terms in the 2014 Act. None of the updates to our Memorandum of Association proposed to be made in connection with the 2014 Act will materially change the rights of our shareholders. The proposed amendments to our Memorandum of Association are each specifically described in the text of the resolution below, as required under Irish law.

As required under Irish law, the resolution in respect of Proposal 6(a) is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast. In addition, Proposal 6(a) is subject to Proposal 6(b) being adopted. Therefore, unless shareholders approve Proposal 6(b), Proposal No. 6(a) will fail.

**Special Resolution**

The text of the resolution in respect of Proposal 6(a) (which is proposed as a special resolution) is as follows:

RESOLVED, that as a special resolution, subject to and conditional upon Proposal 6(b) set out in the proxy statement issued by the Company for this meeting (the "Proxy Statement") being passed, the following amendments, as shown in Part I of Appendix B of the Proxy Statement, be made to the Memorandum of Association:

- (a) the Memorandum of Association be and is hereby amended by the deletion of the existing clause 2 and the substitution therefor of the following new clause 2:

"The Company is a public limited company for the purposes of Part 17 of the Companies Act 2014 (the "Act")."

- (b) clause 3.14 of the Memorandum of Association be and is hereby amended by the deletion of the words "the Company's holding company as defined by section 155 of the Companies Act 1963 (or any successor legislation) or a subsidiary, as therein defined of any such holding company" and the insertion in their place of the following:

"the Company's holding company as defined by the Act, or a subsidiary, as defined in the Act of any such holding company"

*Proposal 6(b): Proposed Amendments to the Company's Articles of Association*

Set out below is background information on the proposed amendments to our Articles of Association pursuant to this proposal. The description of the following proposed amendments is only a summary and is qualified in its entirety by reference to the complete text of the proposed amendments, which is attached to this proxy statement as Part II of Appendix B. We urge you to read Part II of Appendix B in its entirety before casting your vote.

As outlined above, on June 1, 2015, the 2014 Act took effect in Ireland. Although the changes to Irish company law will not impact our day-to-day operations, in addition to the proposed amendments described above to our Memorandum of Association, we are proposing to make some administrative updates to our Articles of Association to reflect the 2014 Act. None of the updates to our Articles of Association proposed to be made in connection with the 2014 Act will materially change the rights of our shareholders.

As an example, the 2014 Act will automatically apply certain sections of the 2014 Act to us unless we explicitly opt-out. Given many of these sections either address matters that are already covered by our Articles of Association or are not applicable to us, we are proposing to amend our Articles of Association to explicitly opt-out of certain provisions, as permitted by the 2014 Act. For example, the 2014 Act includes a provision regarding the appointment of directors, which is already covered by existing provisions in our Articles of Association and we therefore recommend opting out of that provision.

Attached as Appendix A to this proxy statement is a table that sets out a summary of the optional provisions from which we propose to opt-out (Part I of Appendix A) and the optional provisions which we propose would not be disappplied (Part II of Appendix A), as well as certain other administrative amendments that we propose to make to our Articles of Association to address the adoption of the 2014 Act (Part III of Appendix A).

As required under Irish law, the resolution in respect of Proposal 6(b) is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast. In addition, Proposal 6(b) is subject to Proposal 6(a) being adopted. Therefore, unless shareholders approve Proposal 6(a), Proposal 6(b) will fail.

**Special Resolution**

The text of the resolution in respect of Proposal 6(b) (which is proposed as a special resolution) is as follows:

RESOLVED that as a special resolution that, subject to and conditional upon Proposal 6(a) set out in the proxy statement issued by the Company for this meeting (the "Proxy Statement") being passed, the Articles of Association be and are hereby amended in the manner provided in Part II of Appendix B of the Proxy Statement.

***Unless otherwise instructed, the proxies will vote "FOR" this resolution.***

**PROPOSAL 7: APPROVE THE REDUCTION OF COMPANY CAPITAL**

It is common for Irish companies to seek shareholder approval to create additional "distributable reserves". Under Irish law, we may repurchase or redeem our shares or pay dividends or make other distributions to our shareholders only out of our distributable reserves, which generally means our accumulated realized profits less accumulated realised losses and includes reserves created by way of capital reduction. As a result of repurchasing and redeeming shares under our share repurchase programs, our distributable reserves have been significantly reduced and, as of September 30, 2016, we had approximately \$1.85 billion of distributable reserves. However, we have accumulated significant share premium (approximately \$4.0 billion as of September 30, 2016), which is not considered part of distributable reserves under Irish law.

In this proposal, shareholders are being asked to approve a reduction of our company capital by the entire balance of our share premium account as at December 30, 2016 or such other lesser amount as the Board of Directors or

the Irish High Court may determine, to create additional “distributable reserves” in order to give us greater flexibility with respect to allocating our capital and allow us to continue repurchasing or redeeming our shares or to pay dividends or make other distributions to our shareholders.

If shareholders approve this proposal, we will seek the Irish High Court’s confirmation as soon as practicable. Although we are not aware of any reason why the Irish High Court would not approve the creation of distributable reserves, such approval is within their discretion and there is no guarantee of such confirmation. In addition, even if shareholders approve this proposal and the Irish High Court approves the creation of distributable reserves, there is no guarantee that share repurchases and/or share redemptions will occur or that dividends will be paid to shareholders. Share repurchases, if any, will depend on prevailing market conditions, our liquidity requirements and other factors and we currently do not anticipate paying any cash dividends for the foreseeable future.

As required under Irish law, the resolution in respect of Proposal 7 is a special resolution that requires the affirmative vote of the holders of at least 75% of the votes cast.

### Special Resolution

The text of the resolution in respect of Proposal 7 (which is proposed as a special resolution) is as follows:

RESOLVED, that as a special resolution, subject to and with the consent of the Irish High Court:

- (a) in accordance with the provisions of section 84 of the Companies Act 2014, the company capital of the Company be reduced by the cancellation of the entire amount standing to the credit of the Company’s share premium account as at December 30, 2016 (the “Authorized Amount”) or such other lesser amount as the Board of Directors or the Irish High Court may determine and for the reserve resulting from the cancellation of the share premium to be treated as profits available for distribution as defined by section 117 of the Irish Companies Act 2014 (and/or any corresponding provision of any amended or replacement legislation); and
- (b) the Board of Directors, acting through one or more of the Company’s directors, secretaries or executive officers, be and is hereby authorized on behalf of the Company, to proceed to seek the confirmation of the Irish High Court to a reduction of company capital by the Authorized Amount or such lesser amount as the Board of Directors or the Irish High Court may determine.

**Unless otherwise instructed, the proxies will vote “FOR” this resolution.**

## APPENDIX A

## SUMMARY OF CHANGES TO THE ARTICLES OF ASSOCIATION

## Part I

## OPTIONAL PROVISIONS OF THE 2014 ACT FROM WHICH THE COMPANY PROPOSES TO OPT-OUT

The Companies Act 2014 of Ireland (the "2014 Act") adopts a new approach in regard to the articles of association of all companies. Instead of providing for an optional model set of articles of association as was done with Table A of the First Schedule of the Irish Companies Act 1963 ("Table A"), the 2014 Act now contains specific sections which apply to all companies unless the articles of association specifically exclude them. As these provisions deal with matters which are already specifically provided for in the Company's existing Articles of Association (which also disapply the model set of articles of association in Table A), it is necessary to include a new provision in the opening clause of the revised Articles of Association in order to disapply the appropriate optional sections of the 2014 Act. Table A is no longer relevant and as such it is no longer necessary to continue with its disapplication in Article 1 of the Company's Articles of Association.

A summary of each of the sections of the 2014 Act which are therefore being specifically excluded by the Articles is as set out in the table below:

| <b>Sections of the 2014 Act to be disappplied</b> | <b>Currently covered in Articles</b> | <b>Subject matter/reason for disapplication of relevant provision(s) in the 2014 Act</b>  |

| 65(2) to 62(7)                                    | Not applicable                       | Sections 65(2) to (7) deal with the power of a company to convert shares into stock and reconvert stock into shares. These sections are being disappplied as they are not contemplated in the Company's existing Articles of Association and the intention is to preserve the status quo. |
| 66(4)   | 4                                    | Section 66(4) deals with the allotment of redeemable shares. This section is being disappplied as the matter is already provided for in Article 4.  |
| 77 to 81  | 9, 14 and 15                         | Sections 77 to 81 deal with the making of calls in respect of unpaid amounts due on shares issued by a company, liens on shares and forfeiture of shares. | 96(2) to (11)                                     | 24 to 27                             | Sections 96(2) to (11) deal with transmission of shares in a company. These sections are being disappplied as the matter is already provided for in Articles 24 to 27.  |
| 124 and 125                                       | 117 to 126                           | Sections 124 and 125 deal with the declaration and payment of dividends by a company. These sections are being disappplied as such matters are already provided for in Articles 117 to 126.   |

|--|--------------------------|--|
| 136(1)   | Not applicable           | Section 136(1) applies where the constitution of a company requires a director to hold a specific share qualification. | 144(3) and 144(4)  | 99 to 102 and 104 to 105 | Sections 144(3) and 144(4) deal with the appointment of directors. This section is being disapplied as the matter is already provided for in Articles 99 to 102 and 104 to 105.  |

| 180(5), 181(1) and 181(6)  | 37 and 38                | Sections 180(5), 181(1) and 181(6) deal with how notices of general meetings are given and who is entitled to receive such notices. These sections are being disapplied as such matters are already provided for in Articles 37 and 38.  |

  - (d) The issue of preferred shares or any class of preferred shares which rank pari passu with, or junior to, any existing preferred shares or class of preferred shares shall not constitute a variation of the existing preferred shares or class of preferred shares.
7. The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.
8.
  - (a) Subject to the provisions of these articles relating to new shares, the shares shall be at the disposal of the Directors (and/or by a committee of the Directors or by any other person where such committee or person is so authorised by the Directors), and they may (subject to the provisions of the Acts) allot, grant options over or otherwise dispose of them to such persons, on such terms and conditions and at such times as they may consider to be in the best interests of the Company and its members, but so that no share shall be issued at a discount save in accordance with ~~sections 26(5) and 28~~ of the

~~1983 Act, and so that, in the case of shares offered to the public for subscription, save where the Act permits otherwise, the amount payable on application on each share shall not be less than one-quarter of the nominal amount of the share and the whole of any premium thereon.~~

- (b) Subject to any requirement to obtain the approval of members under any laws, regulations or the rules of any stock exchange to which the Company is subject, the Board is authorised, from time to time, in its discretion, to grant such persons, for such periods and upon such terms as the Board deems advisable, options to purchase or subscribe for such number of shares of any class or classes or of any series of any class as the Board may deem advisable, and to cause warrants or other appropriate instruments evidencing such options to be issued.
- (c) The Directors are, for the purposes of section ~~201021~~ of the ~~1983~~ Act, generally and unconditionally authorised to exercise all powers of the Company to allot and issue relevant securities (as defined by the said section ~~201021~~) up to the amount of Company's authorised share capital and to allot and issue any shares purchased by the Company pursuant to the provisions of ~~Part XI~~ of the ~~1990~~ Act and held as treasury shares and this authority shall expire five years from the date of the initial adoption of these articles (being 12 June 2013). The Company may before the expiry of such authority make an offer or agreement which would or might require equity relevant securities to be allotted after such expiry and the Directors may allot equity relevant securities in pursuance of such an offer or agreement notwithstanding that the authority hereby conferred has expired.
- (d) The Directors are hereby empowered pursuant to sections ~~231022~~ and ~~24(1)1023~~ of the ~~1983~~ Act to allot equity securities within the meaning of the said section ~~231023~~ of the Act for cash pursuant to the authority conferred by paragraph (c) of this article as if section ~~23(1)1022~~ of the said ~~1983~~ Act did not apply to any such allotment. The Company may before the expiry of such authority make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of such an offer or agreement as if the power conferred by this paragraph (d) had not expired.
- (e) Nothing in these articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by any allottee in favour of some other person.
9. If by the conditions of allotment of any share the whole or part of the amount or issue price thereof shall be payable by instalments, every such instalment when due shall be paid to the Company by the person who for the time being shall be the Holder of the share.
10. The Company may pay commission to any person in consideration of a person subscribing or agreeing to subscribe, whether absolutely or conditionally, for any shares in the Company or procuring or agreeing to procure subscriptions, whether absolute or conditional, for any shares in the Company on such terms and subject to such conditions as the Directors may determine, including, without limitation, by paying cash or allotting and issuing fully or partly paid shares or any combination of the two. The Company may also, on any issue of shares, pay such brokerage as may be lawful.
11. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder.
12. No person shall be entitled to a share certificate in respect of any ~~ordinary share~~ Ordinary Share held by them in the share capital of the Company, whether such ~~ordinary share~~ Ordinary Share was allotted or transferred to them, and the Company shall not be bound to issue a share certificate to any such person entered in the Register.
13. The Company shall not give, whether directly or indirectly and whether by means of a loan, guarantee, the provision of security or otherwise, any financial assistance for the purpose of ~~or in connection with~~ a purchase or subscription made or to be made by any person of or for any shares in the Company or in its holding company, except as permitted by ~~section 60~~ of the Act.

14. (a) The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) payable at a fixed time or called in respect of that share. The Directors, at any time, may declare any share to be wholly or in part exempt from the provisions of this article. The Company's lien on a share shall extend to all moneys payable in respect of it.
- (b) The Company may sell in such manner as the Directors determine any share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within fourteen Clear Days after notice demanding payment, and stating that if the notice is not complied with the share may be sold, has been given to the Holder of the share or to the person entitled to it by reason of the death or bankruptcy of the Holder.
- (c) To give effect to a sale, the Directors may authorise some person to execute an instrument of transfer of the share sold to, or in accordance with the directions of, the purchaser. The transferee shall be entered in the Register as the Holder of the share comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the sale, and after the name of the transferee has been entered in the Register, the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.
- (d) The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable and any residue (upon surrender to the Company for cancellation of the certificate for the shares sold and subject to a like lien for any moneys not presently payable as existed upon the shares before the sale) shall be paid to the person entitled to the shares at the date of the sale.
15. (a) Subject to the terms of allotment, the Directors may make calls upon the members in respect of any moneys unpaid on their shares and each member (subject to receiving at least fourteen Clear Days' notice specifying when and where payment is to be made) shall pay to the Company as required by the notice the amount called on his shares. A call may be required to be paid by instalments. A call may be revoked before receipt by the Company of a sum due thereunder, in whole or in part and payment of a call may be postponed in whole or in part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.
- (b) A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
- (c) The joint Holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
- (d) If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the Acts) but the Directors may waive payment of the interest wholly or in part.
- (e) An amount payable in respect of a share on allotment or at any fixed date, whether in respect of nominal value or as an instalment of a call, shall be deemed to be a call and if it is not paid the provisions of these articles shall apply as if that amount had become due and payable by virtue of a call.
- (f) Subject to the terms of allotment, the Directors may make arrangements on the issue of shares for a difference between the Holders in the amounts and times of payment of calls on their shares.
- (g) The Directors, if they think fit, may receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may pay (until the same would, but for such advance, become payable) interest at such rate, not exceeding (unless the Company in general meeting otherwise directs) fifteen percent per annum, as may be agreed upon between the Directors and the member paying such sum in advance.

- (h) (i) If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors, at any time thereafter and during such times as any part of the call or instalment remains unpaid, may serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued.
  - (ii) The notice shall name a further day (not earlier than the expiration of fourteen Clear Days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.
  - (iii) If the requirements of any such notice as aforesaid are not complied with then, at any time thereafter before the payment required by the notice has been made, any shares in respect of which the notice has been given may be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other moneys payable in respect of the forfeited shares and not paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
  - (iv) On the trial or hearing of any action for the recovery of any money due for any call it shall be sufficient to prove that the name of the member sued is entered in the Register as the Holder, or one of the Holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the member sued, in pursuance of these articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
- (i) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal such a share is to be transferred to any person, the Directors may authorise some person to execute an instrument of transfer of the share to that person. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and thereupon he shall be registered as the Holder of the share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
  - (j) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but nevertheless shall remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, without any deduction or allowance for the value of the shares at the time of forfeiture but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.
  - (k) A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited on the date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.
  - (l) The provisions of these articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
  - (m) The Directors may accept the surrender of any share which the Directors have resolved to have been forfeited upon such terms and conditions as may be agreed and, subject to any such terms and conditions, a surrendered share shall be treated as if it has been forfeited.

## TRANSFER OF SHARES

16. (a) The instrument of transfer of any share may be executed for and on behalf of the transferor by the Secretary, an Assistant Secretary or any such person that the Secretary or an Assistant Secretary nominates for that purpose (whether in respect of specific transfers or pursuant to a general standing authorisation), and the Secretary, Assistant Secretary or the relevant nominee shall be deemed to have been irrevocably appointed agent for the transferor of such share or shares with full power to execute, complete and deliver in the name of and on behalf of the transferor of such share or shares all such transfers of shares held by the members in the share capital of the Company. Any document which records the name of the transferor, the name of the transferee, the class and number of shares agreed to be transferred, the date of the agreement to transfer shares and the price per share, shall, once executed by the transferor or the Secretary, Assistant Secretary or the relevant nominee as agent for the transferor, and by the transferee where required by the Act, be deemed to be a proper instrument of transfer for the purposes of ~~section 81~~ of the Act. The transferor shall be deemed to remain the Holder of the share until the name of the transferee is entered on the Register in respect thereof, and neither the title of the transferee nor the title of the transferor shall be affected by any irregularity or invalidity in the proceedings in reference to the sale should the Directors so determine.
- (b) The Company, at its absolute discretion, may, or may procure that a subsidiary of the Company shall, pay Irish stamp duty arising on a transfer of shares on behalf of the transferee of such shares of the Company. If stamp duty resulting from the transfer of shares in the Company which would otherwise be payable by the transferee is paid by the Company or any subsidiary of the Company on behalf of the transferee, then in those circumstances, the Company shall, on its behalf or on behalf of its subsidiary (as the case may be), be entitled to (i) seek reimbursement of the stamp duty from the transferee, (ii) set-off the stamp duty against any dividends payable to the transferee of those shares and (iii) claim a first and permanent lien on the shares on which stamp duty has been paid by the Company or its subsidiary for the amount of stamp duty paid. The Company's lien shall extend to all dividends paid on those shares.
- (c) Notwithstanding the provisions of these articles and subject to any regulations made under section ~~239~~1086 of the ~~1990~~ Act, title to any shares in the Company may also be evidenced and transferred without a written instrument in accordance with section ~~239~~1086 of the ~~1990~~ Act or any regulations made thereunder. The Directors shall have power to permit any class of shares to be held in uncertificated form and to implement any arrangements they think fit for such evidencing and transfer which accord with such regulations and in particular shall, where appropriate, be entitled to disapply or modify all or part of the provisions in these articles with respect to the requirement for written instruments of transfer and share certificates (if any), in order to give effect to such regulations.
17. Subject to such of the restrictions of these articles and to such of the conditions of issue of any share warrants as may be applicable, the shares of any member and any share warrant may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.
18. (a) The Directors in their absolute discretion and without assigning any reason therefor may decline to register:
- (i) any transfer of a share which is not fully paid; or
  - (ii) any transfer to or by a minor or person of unsound mind;
- but this shall not apply to a transfer of such a share resulting from a sale of the share through a stock exchange on which the share is listed.
- (b) The Directors may decline to recognise any instrument of transfer unless:
- (i) the instrument of transfer is accompanied by any evidence the Directors may reasonably require to show the right of the transferor to make the transfer;
  - (ii) the instrument of transfer is in respect of one class of share only;

- (iii) the instrument of transfer is in favour of not more than four transferees; and
- (iv) it is lodged at the Office or at such other place as the Directors may appoint.

19. If the Directors refuse to register a transfer, they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
20. (a) The Directors may from time to time fix a record date for the purposes of determining the rights of members to notice of and/or to vote at any general meeting of the Company. The record date shall not precede the date upon which the resolution fixing the record date is adopted by the Directors, and the record date shall be not more than eighty nor less than ten days before the date of such meeting. If no record date is fixed by the Directors, the record date for determining members entitled to notice of or to vote at a meeting of the members shall be the close of business on the day next preceding the day on which notice is given. Unless the Directors determine otherwise, a determination of members of record entitled to notice of or to vote at a meeting of members shall apply to any adjournment or postponement of the meeting.
- (b) In order that the Directors may determine the members entitled to receive payment of any dividend or other distribution or allotment of any rights or the members entitled to exercise any rights in respect of any change, conversion or exchange of shares, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than thirty nor less than two days prior to such action. If no record date is fixed, the record date for determining members for such purpose shall be at the close of business on the day on which the Directors adopt the resolution relating thereto.
21. Registration of transfers may be suspended at such times and for such period, not exceeding in the whole 30 days in each year, as the Directors may from time to time determine subject to the requirements of ~~section 121~~ of the Act.
22. All instruments of transfer shall upon their being lodged with the Company remain the property of the Company and the Company shall be entitled to retain them.
23. Subject to the provisions of these articles, whenever as a result of a consolidation of shares or otherwise any members would become entitled to fractions of a share, the Directors may sell or cause to be sold, on behalf of those members, the shares representing the fractions for the best price reasonably obtainable to any person and distribute the proceeds of sale (subject to any applicable tax and abandoned property laws) in due proportion among those members, and the Directors may authorise some person to execute an instrument of transfer of the shares to, or in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

#### TRANSMISSION OF SHARES

24. In the case of the death of a member, the survivor or survivors where the deceased was a joint Holder, and the personal representatives of the deceased where he was a sole Holder, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased joint Holder from any liability in respect of any share which had been jointly held by him with other persons.
25. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member may, upon such evidence being produced as may from time to time properly be required by the Directors and subject as herein provided, elect either to be registered himself as Holder of the share or to have some person nominated by him registered as the transferee thereof, but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the shares by that member before his death or bankruptcy, as the case may be.

26. If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he elects to have another person registered, he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these ~~regulations~~articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of the member had not occurred and the notice of transfer were a transfer signed by that member.
27. A person becoming entitled to a share by reason of the death or bankruptcy of the Holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to the meetings of the Company, so, however, that the Directors may at any time give notice requiring such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within 90 days, the Directors may thereupon withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

#### ALTERATION OF CAPITAL

28. The Company may from time to time by Ordinary Resolution increase the authorised share capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.

  - (b) subdivide its existing shares, or any of them, into shares of smaller amount than is fixed by the memorandum of association subject, nevertheless, to ~~section 69(1)(d) of the Act;~~ or
  - (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled.
30. The Company may by Special Resolution ~~(or by Ordinary Resolution where permitted by section 83 of the Act)~~ reduce its share capital, any capital redemption reserve fund ~~or~~, any share premium account or any undenominated capital in any manner and with and subject to any incident authorised, and consent required, by law.

This article shall not apply in the case of the first general meeting, in respect of which the Company shall convene the meeting within the time periods required by the Act.

  - (b) any Holder of shares of the class present in person or by proxy may demand a poll; and
  - (c) on a poll, each Holder of shares of the class shall have one vote in respect of every share of the class held by him.

Provided that the latter requirement shall only apply where the intention to propose the person has been received by the Company in accordance with the provisions of these articles. Subject to any restrictions imposed on any shares, the notice of the meeting shall be given to all the members of the Company as of the record date set by the Directors and to the Directors and the Auditors.
- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
38. Where, by any provision contained in the Acts, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Acts permit) before the meeting at which it is moved, and the Company shall give to the members notice of any such resolution as required by and in accordance with the provisions of the Acts.

#### PROCEEDINGS AT GENERAL MEETINGS

39. All business shall be deemed special that is transacted at an extraordinary general meeting, and also all that is transacted at an annual general meeting, with the exception of the review by the members of the Company's affairs declaring a dividend, the consideration of the ~~accounts, balance sheets~~ Company's statutory financial statements and the reports of the Directors and auditors, the election of Directors, the re-appointment of the retiring auditors and the fixing of the remuneration of the auditors.
40. At any annual general meeting of the members, only such nominations of persons for election to the Board shall be made, and only such other business shall be conducted or considered, as shall have been properly brought before the meeting. For nominations to be properly made at an annual general meeting, and proposals of other business to be properly brought before an annual meeting, nominations and proposals of other business must be: (a) specified in the Company's notice of meeting (or any supplement thereto) given by or at the direction of the Board, (b) otherwise properly made at the annual general meeting, by or at the direction of the Board or (c) otherwise properly requested to be brought before the annual general meeting by a member of

the Company in accordance with these articles. For nominations of persons for election to the Board or proposals of other business to be properly requested by a member to be made at an annual general meeting, a member must (i) be a member at the time of giving of notice of such annual general meeting by or at the direction of the Board and at the time of the annual general meeting, (ii) be entitled to vote at such annual general meeting and (iii) comply with the procedures set forth in these articles as to such business or nomination. The immediately preceding sentence shall be the exclusive means for a member to make nominations or other business proposals (other than matters properly brought under Rule 14a-8 under the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and included in the Company's notice of meeting) before an annual general meeting of members.

41. At any extraordinary general meeting of the members, only such business shall be conducted or considered, as shall have been properly brought before the meeting pursuant to the Company's notice of meeting. To be properly brought before an extraordinary general meeting, proposals of business must be (a) specified in the Company's notice of meeting (or any supplement thereto) given by or at the direction of the Board, (b) otherwise properly brought before the extraordinary general meeting, by or at the direction of the Board, or (c) otherwise properly brought before the meeting by any members of the Company pursuant to the valid exercise of power granted to them under the Acts.
42. Nominations of persons for election to the Board may be made at an extraordinary general meeting of members at which directors are to be elected pursuant to the Company's notice of meeting (a) by or at the direction of the Board, (b) by any members of the Company pursuant to the valid exercise of power granted to them under the Acts, or (c) provided that the Board has determined that directors shall be elected at such meeting, by any member of the Company who (i) is a member at the time of giving of notice of such extraordinary general meeting and at the time of the extraordinary general meeting, (ii) is entitled to vote at the meeting and (iii) complies with the procedures set forth in these articles as to such nomination. The immediately preceding sentence shall be the exclusive means for a member to make nominations (other than matters properly brought under Rule 14a-8 under the Exchange Act and included in the Company's notice of meeting) before an extraordinary general meeting of members.
43. Except as otherwise provided by law, the memorandum of association or these articles, the Chairman of any general meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the general meeting was made or proposed, as the case may be, in accordance with these articles and, if any proposed nomination or other business is not in compliance with these articles, to declare that no action shall be taken on such nomination or other proposal and such nomination or other proposal shall be disregarded.
44. No business shall be transacted at any general meeting unless a quorum is present at the time when the meeting proceeds to business. The Holders of shares, present in person or by proxy (whether or not such Holder actually exercises his voting rights in whole, in part or at all at the relevant general meeting), entitling them to exercise a majority of the voting power of the Company on the relevant record date shall constitute a quorum.
45. Any general meeting duly called at which a quorum is not present shall be adjourned and the Company shall provide notice pursuant to article 37 in the event that such meeting is to be reconvened.
46. The Chairman, if any, of the Board shall preside as Chairman at every general meeting of the Company, or if there is no such Chairman, or if he is not present within fifteen minutes after the time appointed for the holding of the meeting or is unwilling to act, the Directors present shall elect one of their number to be Chairman of the meeting.
47. If at any meeting no Director is willing to act as Chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their number to be Chairman of the meeting.
48. The Chairman may, with the consent of any meeting at which a quorum is present, and shall if so directed by the meeting, adjourn the meeting from time to time and from place to place without notice other than by announcement of the time and place of the adjourned meeting by the Chairman of the meeting. The Chairman of the meeting may at any time without the consent of the meeting adjourn the meeting to another time and/

or place if, in his opinion, it would facilitate the conduct of the business of the meeting to do so or if he is so directed by the Board. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

49. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:
- (a) the Chairman; or
  - (b) by at least three members present in person or by proxy; or
  - (c) by any member or members present in person or by proxy and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
  - (d) by a member or members holding shares in the Company conferring the right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

Unless a poll is so demanded, a declaration by the Chairman that a resolution has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the Company, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

The demand for a poll may be withdrawn.

50. Except as provided in article 51, if a poll is duly demanded it shall be taken in such manner as the Chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
51. A poll demanded on the election of the Chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairman of the meeting directs, and any business other than that on which a poll has been demanded may be proceeded with pending the taking of the poll.
52. Where there is an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.
53. Unless the Directors otherwise determine, no member shall be entitled to vote at any general meeting or any separate meeting of the Holders of any class of shares in the Company, either in person or by proxy, or to exercise any privilege as a member in respect of any share held by him unless all monies then payable by him in respect of that share have been paid.

#### **ADVANCE NOTICE OF MEMBER BUSINESS AND NOMINATIONS**

54. Without qualification or limitation, subject to article 67, for any nominations or any other business to be properly brought before an annual general meeting by a member pursuant to article 40, the member must have given timely notice thereof (including, in the case of nominations, the completed and signed questionnaire, representation and agreement required by article 68), and timely updates and supplements thereof, in writing to the Secretary, and such other business must otherwise be a proper matter for member action.
55. To be timely, a member's notice shall be delivered to the Secretary at the Office not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the preceding year's annual general meeting; provided, however, that in the event that the date of the annual general meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the member must be so delivered not earlier than the close of business on the 120th day prior to the date of such annual general meeting and not later than the close of business on the later of the 90th day prior to the date of such annual general meeting or, if the first public announcement of the date of such annual general meeting

is less than 100 days prior to the date of such annual general meeting, the 10th day following the day on which public announcement of the date of such meeting is first made by the Company; provided, further, that with respect to the 2014 annual general meeting, notice by the member must be so delivered not later than the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. In no event shall any adjournment or postponement of an annual general meeting, or the public announcement thereof, commence a new time period for the giving of a member's notice as described above.

56. Notwithstanding anything in article 55 to the contrary, in the event that the number of directors to be elected to the Board is increased by the Board, and there is no public announcement by the Company naming all of the nominees for director or specifying the size of the increased Board at least 100 days prior to the first anniversary of the preceding year's annual general meeting, a member's notice required by articles 54-57 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the Office not later than the close of business on the 10th day following the day on which such public announcement is first made by the Company.
57. In addition, to be considered timely, a member's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the Office not later than five (5) business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than eight (8) business days prior to the date for the meeting or any adjournment or postponement thereof in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof.
58. Subject to article 67, in the event the Company calls an extraordinary general meeting of members for the purpose of electing one or more directors to the Board, any member may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Company's notice of meeting, provided that the member gives timely notice thereof (including the completed and signed questionnaire, representation and agreement required by article 68), and timely updates and supplements thereof, in writing, to the Secretary.
59. To be timely, a member's notice shall be delivered to the Secretary at the Office not earlier than the close of business on the 120th day prior to the date of such extraordinary general meeting and not later than the close of business on the later of the 90th day prior to the date of such extraordinary general meeting or, if the first public announcement of the date of such extraordinary general meeting is less than 100 days prior to the date of such extraordinary general meeting, the 10th day following the day on which public announcement is first made of the date of the extraordinary general meeting and of the nominees proposed by the Board to be elected at such meeting. In no event shall any adjournment or postponement of an extraordinary general meeting, or the public announcement thereof, commence a new time period for the giving of a member's notice as described above.
60. In addition, to be considered timely, a member's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the Office not later than five (5) business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than eight (8) business days prior to the date for the meeting, any adjournment or postponement thereof in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof.

62. As to the member giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made, a member's notice must set forth: (i) the name and address of such member, as they appear on the Company's books, of such beneficial owner, if any, and of their respective affiliates or associates or others

63. If the notice relates to any business other than a nomination of a director or directors that the member proposes to bring before the meeting, a member's notice must, in addition to the matters set forth in article 62 above, also set forth: (i) a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of such member and beneficial owner, if any, in such business, (ii) the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such proposal or business includes a proposal to amend these articles, the text of the proposed amendment), and (iii) a description of all agreements, arrangements and understandings between such member and beneficial owner, if any, and any other person or persons (including their names) in connection with the proposal of such business by such member.
64. As to each person, if any, whom the member proposes to nominate for election or re-election to the Board, a member's notice must, in addition to the matters set forth in article 62 above, also set forth: (i) all information relating to such person that would be required to be disclosed in a proxy statement or other filings required to

be made in connection with solicitations of proxies for election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (ii) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such member and beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including, without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under Regulation S-K under the Exchange Act if the member making the nomination and any beneficial owner on whose behalf the nomination is made, if any, or any affiliate or associate thereof or person acting in concert therewith, were the "registrant" for purposes of such rule and the nominee were a director or executive officer of such registrant.

65. With respect to each person, if any, whom the member proposes to nominate for election or re-election to the Board, a member's notice must, in addition to the matters set forth in articles 62 and 64 above, also include a completed and signed questionnaire, representation and agreement required by article 68 of these articles. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable member's understanding of the independence, or lack thereof, of such nominee.
66. Notwithstanding the provisions of these articles, a member shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in articles 54-68; provided, however, that any references in these articles to the Exchange Act or the rules promulgated thereunder are not intended to and shall not limit the separate and additional requirements set forth in these articles with respect to nominations or proposals as to any other business to be considered pursuant to articles 39-43.
67. Nothing in these articles shall be deemed to affect any rights (i) of members to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act, (ii) of the holders of any series of preferred shares if and to the extent provided for under law, the memorandum of association or these articles or (iii) of members of the Company to bring business before an extraordinary general meeting pursuant to the valid exercise of power granted to them under the Acts. Subject to Rule 14a-8 under the Exchange Act, nothing in these articles shall be construed to permit any member, or give any member the right, to include or have disseminated or described in the Company's proxy statement any nomination of director or directors or any other business proposal.
68. Subject to the rights of members of the Company to propose nominations at an extraordinary general meeting pursuant to the valid exercise of power granted to them under the Acts, to be eligible to be a nominee for election or re-election as a director of the Company, a person must deliver (in accordance with the time periods prescribed for delivery of notice under articles 54-67) to the Secretary at the Office a written questionnaire with respect to the background and qualification of such person and the background of any other person or entity on whose behalf the nomination is being made (which questionnaire shall be provided by the Secretary upon written request), and a written representation and agreement (in the form provided by the Secretary upon written request) that such person (A) is not and will not become a party to (1) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Company, will act or vote on any issue or question (a "Voting Commitment") that has not been disclosed to the Company or (2) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a director of the Company, with such person's fiduciary duties under applicable law, (B) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Company with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed therein, and (C) in such person's individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as a director of the Company, and will comply with all applicable corporate governance, conflict of interest, confidentiality and share ownership and trading policies and guidelines of the Company publicly disclosed from time to time.

## VOTES OF MEMBERS

69. Subject to any special rights or restrictions as to voting for the time being attached by or in accordance with these articles to any class of shares, on a show of hands every member present in person and every proxy shall have one vote, but so that no one member shall on a show of hands have more than one vote in respect of the aggregate number of shares of which he is the Holder, and on a poll every member who is present in person or by proxy shall have one vote for each share of which he is the Holder.
70. When there are joint Holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint Holders; and for this purpose, seniority shall be determined by the order in which the names stand in the Register.
71. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in Ireland or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be received at the Office or at such other address as is specified in accordance with these articles for the receipt of appointments of proxy, ~~not less than forty eight hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised~~ and in default the right to vote shall not be exercisable.
72. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.
73. Votes may be given either personally or by proxy.
74. (a) Every member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf and may appoint more than one proxy to attend, speak and vote at the same meeting. The appointment of a proxy shall be in any form which the Directors may approve (subject to compliance with any requirements as to form prescribed by the Acts) and, if required by the Company, shall be signed by or on behalf of the appointor. In relation to written proxies, a body corporate ~~may~~must sign a form of proxy under its common seal (if applicable) or under the hand of a duly authorised officer or attorney thereof ~~or in such other manner as the Directors may approve~~. A proxy need not be a member of the Company. The appointment of a proxy in electronic or other form shall only be effective in such manner as the Directors may approve and subject to any requirements of the Acts. An instrument or other form of communication appointing or evidencing the appointment of a proxy or a corporate representative (other than a standing proxy or representative) together with such evidence as to its due execution as the board may from time to time require, may be returned to the address or addresses stated in the notice of meeting or adjourned meeting or any other information or communication by such time or times as may be specified by the Board in the notice of meeting or adjourned meeting or in any other such information or communication (which times may differ when more than one place is so specified) or, if no such time is specified, at any time prior to the holding of the relevant meeting or adjourned meeting at which the appointee proposes to vote, and, subject to the Acts, if not so delivered the appointment shall not be treated as valid.
- (b) Without limiting the foregoing, the Directors may from time to time permit appointments of a proxy to be made by means of an electronic or internet communication or facility and may in a similar manner permit supplements to, or amendments or revocations of, any such electronic or internet communication or facility to be made. The Directors may in addition prescribe the method of determining the time at which any such electronic or internet communication or facility is to be treated as received by the Company. The Directors may treat any such electronic or internet communication or facility which purports to be or is expressed to be sent on behalf of a Holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.
75. Any body corporate which is a member of the Company may authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of members of the Company and the person

so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual member of the Company. The Company may require evidence from the body corporate of the due authorisation of such person to act as the representative of the relevant body corporate.

76. An appointment of proxy relating to more than one meeting (including any adjournment thereof) having once been received by the Company for the purposes of any meeting shall not require to be delivered, deposited or received again by the Company for the purposes of any subsequent meeting to which it relates.
77. Receipt by the Company of an appointment of proxy in respect of a meeting shall not preclude a member from attending and voting at the meeting or at any adjournment thereof. An appointment proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.
78. (a) A vote given or poll demanded in accordance with the terms of an appointment of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or transfer of the share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no intimation in writing (whether in electronic form or otherwise) of such death, insanity, revocation or transfer shall have been received by the Company at the Office, ~~at least one hour~~ before the commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts; ~~provided, however, that where such intimation is given in electronic form it shall have been received by the Company at least 24 hours (or such lesser time as the Directors may specify) before the commencement of the meeting.~~
- (b) The Directors may send, at the expense of the Company, by post, electronic mail or otherwise, to the members forms for the appointment of a proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative.
79. The instrument appointing a proxy shall, be deemed to confer authority to demand or join in demanding a poll.
80. Subject to ~~Section 141 of the 1963 Act~~, a resolution in writing signed by all of the members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the ~~1963 Act~~. Any such resolution shall be served on the Company.

82. Each Director shall be paid a fee for their services at such rate as may from time to time be determined by the Board. The Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings of the Company or in connection with the business of the Company.
83. If any Director shall be called upon to perform extra services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, the Company may remunerate such Director either by a fixed sum or by a percentage of profits or otherwise as may be determined by a resolution passed at a meeting of the Directors and such remuneration may be either in addition to or in substitution for any other remuneration to which he may be entitled as a Director.
84. A Director (whether or not a member of the Company) shall be entitled to attend and speak at general meetings.

All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date, such share shall rank for dividend accordingly.
122. The Directors may deduct from any dividend payable to any member all sums of money (if any) immediately payable by him to the Company in relation to the shares of the Company.
123. Any such dividend or other distribution may also be paid by any other method (including payment in a currency other than US\$, electronic funds transfer, direct debit, bank transfer or by means of a relevant system) which the Directors consider appropriate and any member who elects for such method of payment shall be deemed to have accepted all of the risks inherent therein. The debiting of the Company's account in respect of the relevant amount shall be evidence of good discharge of the Company's obligations in respect of any payment made by any such methods.
125. No dividend shall bear interest against the Company.
126. If the Directors so resolve, any dividend which has remained unclaimed for twelve years from the date of its declaration shall be forfeited and cease to remain owing by the Company. The Company may send by post, electronic mail or any other means of electronic communication a summary financial statement to its members or persons nominated by any member. The Company may meet, but shall be under no obligation to meet, any request from any of its members to be sent additional copies of its full report and accounts or summary financial statement or other communications

#### CAPITALISATION OF PROFITS

129. Without prejudice to any powers conferred on the Directors as aforesaid and subject to the Directors' authority to issue and allot shares under articles 8(c) and 8(d), the Directors may resolve to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including any capital redemption reserve fund, share premium account, any undenominated capital, any sum representing unrealised revaluation reserves or other reserve account not available for distribution) or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those members of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions). Whenever such a resolution is passed in pursuance of this article, the Directors shall make all appropriations and applications of the amounts resolved to be capitalised thereby and all allotments and issues of fully paid shares or debentures, if any. Any such capitalisation will not require approval or ratification by the members of the Company.
130. Without prejudice to any powers conferred on the Directors by these articles, and subject to the Directors' authority to issue and allot shares under articles 8(c) and 8(d), the Directors may resolve that any sum for the time being standing to the credit of any of the Company's reserve accounts (including any reserve account available for distribution) or to the credit of the profit and loss account be capitalised and applied on behalf of the members who would have been entitled to receive that sum if it had been distributed by way of dividend (and in the same proportions) either in or towards paying up amounts for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to the sum capitalised (such shares or debentures to be allotted and distributed and credited as fully paid up to and amongst such Holders in the proportions aforesaid) or partly in one way and partly in another, so, however, that the only purposes for which sums standing to the credit of the capital redemption

reserve fund or the share premium account or any undenominated capital shall be applied shall be those permitted by the Acts.

131. The Directors may from time to time at their discretion, subject to the provisions of the Acts and, in particular, to their being duly authorised pursuant to Section ~~201021~~ of the ~~1983~~ Act, to allot the relevant shares, offer to the Holders of Ordinary Shares the right to elect to receive in lieu of any dividend or proposed dividend or part thereof an allotment of additional Ordinary Shares credited as fully paid. In any such case the following provisions shall apply.

(i) The basis of allotment shall be determined by the Directors so that, as nearly as may be considered convenient in the Directors' absolute discretion, the value (calculated by reference to the average quotation) of the additional Ordinary Shares (excluding any fractional entitlement) to be allotted in lieu of any amount of dividend shall equal such amount. For such purpose the "average quotation" of an Ordinary Share shall be the average of the five amounts resulting from determining whichever of the following ((A), (B) or (C) specified below) in respect of Ordinary Shares shall be appropriate for each of the first five business days on which Ordinary Shares are quoted "ex" the relevant dividend and as determined from the information published by the New York Stock Exchange reporting the business done on each of these five business days:

(A) if there shall be more than one dealing reported for the day, the average of the prices at which such dealings took place; or

(B) if there shall be only one dealing reported for the day, the price at which such dealing took place; or

(C) if there shall not be any dealing reported for the day, the average of the closing bid and offer prices for the day;

and if there shall be only a bid (but not an offer) or an offer (but not a bid) price reported, or if there shall not be any bid or offer price reported, for any particular day then that day shall not count as one of the said five business days for the purposes of determining the average quotation. If the means of providing the foregoing information as to dealings and prices by reference to which the average quotation is to be determined is altered or is replaced by some other means, then the average quotation shall be determined on the basis of the equivalent information published by the relevant authority in relation to dealings on the New York Stock Exchange or its equivalent.

(ii) The Directors shall give notice in writing (whether in electronic form or otherwise) to the Holders of Ordinary Shares of the right of election offered to them and shall send with or following such notice forms of election and specify the procedure to be followed and the place at which, and the latest date and time by which, duly completed forms of election must be lodged in order to be effective. The Directors may also issue forms under which Holders may elect in advance to receive new Ordinary Shares instead of dividends in respect of future dividends not yet declared (and, therefore, in respect of which the basis of allotment shall not yet have been determined).

(iii) The dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on Ordinary Shares in respect of which the right of election as aforesaid has been duly exercised (the "Subject Ordinary Shares") and in lieu thereof additional Ordinary Shares (but not any fraction of a share) shall be allotted to the Holders of the Subject Ordinary Shares on the basis of allotment determined aforesaid and for such purpose the Directors shall capitalise, out of such of the sums standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account) or to the credit of the profit and loss account as the Directors may determine, a sum equal to the aggregate nominal amount of additional Ordinary Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of unissued Ordinary Shares for

allotment and distribution to and amongst the holders of the Subject Ordinary Shares on such basis.

132. (a) The additional Ordinary Shares allotted pursuant to articles 129, 130 or 131 shall rank *pari passu* in all respects with the fully paid Ordinary Shares then in issue save only as regards participation in the relevant dividend or share election in lieu.
- (b) The Directors may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to articles 129, 130 or 131 with full power to the Directors to make such provisions as they think fit where shares would otherwise have been distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are disregarded and the benefit of fractional entitlements accrues to the Company rather than to the holders concerned). The Directors may authorise any person to enter on behalf of all the Holders interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.
- (c) The Directors may on any occasion determine that rights of election shall not be offered to any Holders of Ordinary Shares who are citizens or residents of any territory where the making or publication of an offer of rights of election or any exercise of rights of election or any purported acceptance of the same would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

#### AUDIT

133. Auditors shall be appointed and their duties regulated in accordance with ~~sections 160 to 163 of~~ the Act or any statutory amendment thereof.

#### NOTICES

134. Any notice to be given, served, sent or delivered pursuant to these articles shall be in writing (whether in electronic form or otherwise).

- (b) For the purposes of these articles and the Act, a document shall be deemed to have been sent to a member if a notice is given, served, sent or delivered to the member and the notice specifies the website or hotlink or other electronic link at or through which the member may obtain a copy of the relevant document.
- (c) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(i) or (ii) of this article, the giving, service or delivery thereof shall be deemed to have been effected at the time the same was handed to the member or his authorised agent, or left at his registered address (as the case may be).

- (e) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(iv) of this article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of 48 hours after despatch.
- (f) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy, examiner or liquidator of a member shall be bound by a notice given as aforesaid if sent to the last registered address of such member, or, in the event of notice given or delivered pursuant to sub-paragraph (a)(iv), if sent to the address notified by the Company by the member for such purpose notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such member.
- (g) Notwithstanding anything contained in this article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than Ireland.
- (h) Any requirement in these articles for the consent of a member in regard to the receipt by such member of electronic mail or other means of electronic communications approved by the Directors, including the receipt of the Company's audited accounts and the directors' and auditor's reports thereon, shall be deemed to have been satisfied where the Company has written to the member informing him/her of its intention to use electronic communications for such purposes and the member has not, within four weeks of the issue of such notice, served an objection in writing on the Company to such proposal. Where a member has given, or is deemed to have given, his/her consent to the receipt by such member of electronic mail or other means of electronic communications approved by the Directors, he/she may revoke such consent at any time by requesting the Company to communicate with him/her in documented form; provided, however, that such revocation shall not take effect until five days after written notice of the revocation is received by the Company.
- (i) Without prejudice to the provisions of sub-paragraphs (a)(i) and (ii) of this article, if at any time by reason of the suspension or curtailment of postal services in any territory, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a public announcement and such notice shall be deemed to have been duly served on all members entitled thereto at noon on the day on which the said public announcement is made. In any such case the Company shall put a full copy of the notice of the general meeting on its website.
136. A notice may be given by the Company to the joint Holders of a share by giving the notice to the joint Holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint Holders.
137. (a) Every person who becomes entitled to a share shall before his name is entered in the Register in respect of the share, be bound by any notice in respect of that share which has been duly given to a person from whom he derives his title.
- (b) A notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a member by sending or delivering it, in any manner authorised by these articles for the giving of notice to a member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.
138. The signature (whether electronic signature, an advanced electronic signature or otherwise) to any notice to be given by the Company may be written (in electronic form or otherwise) or printed.

139. A member present, either in person or by proxy, at any meeting of the Company or the Holders of any class of shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

#### WINDING UP

140. If the Company shall be wound up and the assets available for distribution among the members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares held by them respectively. And if in a winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Provided that this article shall not affect the rights of the Holders of shares issued upon special terms and conditions.
141. (a) In case of a sale by the liquidator under ~~section 260~~ of the Act, the liquidator may by the contract of sale agree so as to bind all the members for the allotment to the members directly of the proceeds of sale in proportion to their respective interests in the Company and may further by the contract limit a time at the expiration of which obligations or shares not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting members conferred by the said section.
- (b) The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.
142. If the Company is wound up, the liquidator, with the sanction of a Special Resolution and any other sanction required by the Acts, may divide among the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

#### INDEMNITY

143. (a) Subject to the provisions of and so far as may be admitted by the Acts, every Director and the Secretary of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgement is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.
- (b) The Directors shall have power to purchase and maintain for any Director, the Secretary or other employees of the Company insurance against any such liability as referred to in ~~section 200~~ of the Act.
- (c) As far as is permissible under the Acts, the Company shall indemnify any current or former executive officer of the Company (excluding any present or former Directors of the Company or Secretary of the Company), or any person who is serving or has served at the request of the Company as a director or executive officer of another company, joint venture, trust or other enterprise, including any Company subsidiary (each individually, a "Covered Person"), against any expenses, including attorney's fees, judgements, fines, and amounts paid in settlement actually and reasonably incurred by him or her in

connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, to which he or she was or is threatened to be made a party, or is otherwise involved (a “proceeding”), by reason of the fact that he or she is or was a Covered Person; provided, however, that this provision shall not indemnify any Covered Person against any liability arising out of (a) any fraud or dishonesty in the performance of such Covered Person’s duty to the Company, or (b) such Covered Party’s conscious, intentional or wilful breach of the obligation to act honestly and in good faith with a view to the best interests of the Company. Notwithstanding the preceding sentence, this section shall not extend to any matter which would render it void pursuant to the Acts or to any person holding the office of auditor in relation to the Company.

- (d) In the case of any threatened, pending or completed action, suit or proceeding by or in the name of the Company, the Company shall indemnify each Covered Person against expenses, including attorneys’ fees, actually and reasonably incurred in connection with the defence or the settlement thereof, except no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for fraud or dishonesty in the performance of his or her duty to the Company, or for conscious, intentional or wilful breach of his or her obligation to act honestly and in good faith with a view to the best interests of the Company, unless and only to the extent that the High Court of Ireland or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all the circumstances of the case, such Covered Person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper. Notwithstanding the preceding sentence, this section shall not extend to any matter which would render it void pursuant to the Acts or to any person holding the office of auditor in relation to the Company.
- (e) Any indemnification under this article (unless ordered by a court) shall be made by the Company only as authorised in the specific case upon a determination that indemnification of the Covered Person is proper in the circumstances because such person has met the applicable standard of conduct set forth in this article. Such determination shall be made by any person or persons having the authority to act on the matter on behalf of the Company. To the extent, however, that any Covered Person has been successful on the merits or otherwise in defence of any proceeding, or in defence of any claim, issue or matter therein, such Covered Person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith, without necessity of authorisation in the specific case.
- (f) As far as permissible under the Acts, expenses, including attorneys’ fees, incurred in defending any proceeding for which indemnification is permitted pursuant to this article shall be paid by the Company in advance of the final disposition of such proceeding upon receipt by the Board of an undertaking by the particular indemnitee to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Company pursuant to these articles.
- (g) It being the policy of the Company that indemnification of the persons specified in this article shall be made to the fullest extent permitted by law, the indemnification provided by this article shall not be deemed exclusive (a) of any other rights to which those seeking indemnification or advancement of expenses may be entitled under these articles, any agreement, any insurance purchased by the Company, vote of members or disinterested directors, or pursuant to the direction (however embodied) of any court of competent jurisdiction, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, or (b) of the power of the Company to indemnify any person who is or was an employee or agent of the Company or of another company, joint venture, trust or other enterprise which he or she is serving or has served at the request of the Company, to the same extent and in the same situations and subject to the same determinations as are hereinabove set forth. As used in this article, references to the “Company” include all constituent companies in a scheme of arrangement, consolidation or merger in which the Company or a predecessor to the Company by scheme of arrangement, consolidation or merger was involved. The indemnification provided by this article shall continue as to a person who has ceased to be a Covered Person and shall inure to the benefit of their heirs, executors, and administrators.

#### UNTRACED HOLDERS

144. (a) The Company shall be entitled to sell at the best price reasonably obtainable any share or stock of a member or any share or stock to which a person is entitled by transmission if and provided that:
- (i) for a period of twelve years (not less than three dividends having been declared and paid) no cheque or warrant sent by the Company through the post in a prepaid letter addressed to the member or to the person entitled by transmission to the share or stock at his address on the Register or other last known address given by the member or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the member or the person entitled by transmission; and
  - (ii) at the expiration of the said period of twelve years the Company has given notice by advertisement in a leading Dublin newspaper and a newspaper circulating in the area in which the address referred to in paragraph (a) of this article is located of its intention to sell such share or stock; and
  - (iii) the Company has not during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale received any communication from the member or person entitled by transmission.
- (b) To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share or stock and such instrument of transfer shall be as effective as if it had been executed by the registered Holder of or person entitled by transmission to such share or stock. The Company shall account to the member or other person entitled to such share or stock for the net proceeds of such sale by carrying all monies in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such member or other person. Monies carried to such separate account may either be employed in the business of the Company or invested in such investments (other than shares of the Company or its holding company if any) as the Directors may from time to time think fit.
- (c) To the extent necessary in order to comply with any laws or regulations to which the Company is subject in relation to escheatment, abandonment of property or other similar or analogous laws or regulations ("Applicable Escheatment Laws"), the Company may deal with any share of any member and any unclaimed cash payments relating to such share in any manner which it sees fit, including (but not limited to) transferring or selling such share and transferring to third parties any unclaimed cash payments relating to such share.
- (d) The Company may only exercise the powers granted to it in sub-paragraph (a) above in circumstances where it has complied with, or procured compliance with, the required procedures (as set out in the Applicable Escheatment Laws) with respect to attempting to identify and locate the relevant member of the Company.
- (e) Any stock transfer form to be executed by the Company in order to sell or transfer a share pursuant to sub-paragraph (a) may be executed in accordance with ~~Article~~article 16(a).

#### DESTRUCTION OF DOCUMENTS

145. The Company may implement such document destruction policies as it so chooses in relation to any type of documents (whether in paper, electronic or other formats), and in particular (without limitation to the foregoing) may destroy:
- (a) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address, at any time after the expiry of two years from the date such mandate variation, cancellation or notification was recorded by the Company;
  - (b) any instrument of transfer of shares which has been registered, at any time after the expiry of six years from the date of registration; and

- (c) any other document on the basis of which any entry in the Register was made, at any time after the expiry of six years from the date an entry in the Register was first made in respect of it,

and it shall be presumed conclusively in favour of the Company that every share certificate (if any) so destroyed was a valid certificate duly and properly sealed and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided always that:

- (i) the foregoing provisions of this article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
- (ii) nothing contained in this article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (a) above are not fulfilled; and
- (iii) references in this article to the destruction of any document include references to its disposal in any manner.

#### SALE, LEASE OR EXCHANGE OF ASSETS

146. The Directors are hereby expressly authorised to sell, lease or exchange all or substantially all of the Company's property and assets, including the Company's goodwill and its corporate franchises, upon such terms and conditions and for such consideration, which may consist in whole or in part of money or other property, including shares of stock in, and/or other securities of, any other company or companies, as the Directors deem expedient and for the best interests of the Company subject to authorisation by an Ordinary Resolution of members and any additional vote required by article 151. Notwithstanding authorisation or consent to a proposed sale, lease or exchange of the Company's property and assets by the members, the Board may abandon such sale, lease or exchange without further action of the members, subject to the rights, if any, of third parties under any contract relating thereto. Notwithstanding the foregoing, no resolution adopted by the members shall be required for a sale, lease or exchange of property and assets of the Company to a subsidiary. For the purposes of this article 146:

- (a) the property and assets of the Company include the property and assets of any subsidiary of the Company; and
- (b) "subsidiary" means any entity wholly owned and controlled, directly or indirectly, by the Company and includes, without limitation, companies, partnerships, limited partnerships, limited liability partnerships, limited liability companies, and/or statutory trusts.

#### SHAREHOLDER RIGHTS PLAN

147. Subject to applicable law, the Directors are hereby expressly authorised to adopt any shareholder rights plan (a "**Rights Plan**"), upon such terms and conditions as the Directors deem expedient and in the best interests of the Company, including, without limitation, where the Directors are of the opinion that a Rights Plan could grant them additional time to gather relevant information or pursue strategies in response to or anticipation of, or could prevent, a potential change of control of the Company or accumulation of shares in the Company or interests therein.

148. The Directors may exercise any power of the Company to grant rights (including approving the execution of any documents relating to the grant of such rights) to subscribe for ordinary shares or preferred shares in the share capital of the Company ("**Rights**") in accordance with the terms of a Rights Plan.

149. For the purposes of effecting an exchange of Rights for ordinary shares or preferred shares in the share capital of the Company (an "**Exchange**"), the Directors may:

- (a) resolve to capitalise an amount standing to the credit of the reserves of the Company (including, but not limited to, the share premium account, capital redemption reserve and profit and loss account), whether or not available for distribution, being an amount equal to the nominal value of the ordinary shares or preferred shares which are to be exchanged for the Rights; and
- (b) apply that sum in paying up in full ordinary shares or preferred shares and allot such shares, credited as fully paid, to those holders of Rights who are entitled to them under an Exchange effected pursuant to the terms of a Rights Plan.

150. The common law duties of the Directors to the Company are hereby deemed amended and modified such that the adoption of a Rights Plan and any actions taken thereunder by the Directors (if so approved by the Directors) shall be deemed to constitute an action in the best interests of the Company in all circumstances, and any such action shall be deemed to be immediately confirmed, approved and ratified.

#### **BUSINESS COMBINATION**

151. (a) Notwithstanding anything to the contrary contained in these articles, the Company shall not engage in any business combination with any Interested Member for a period of three years following the time that such member became an Interested Member, unless:
- (i) prior to such time the Directors approved either the business combination or the transaction which resulted in the member becoming an Interested Member;
  - (ii) upon consummation of the transaction which resulted in the member becoming an Interested Member, the Interested Member owned at least 85% of the voting shares of the Company outstanding at the time the transaction commenced, excluding for purposes of determining the voting shares outstanding (but not the outstanding voting shares owned by the Interested Member) those shares owned (A) by persons who are directors and also officers and (B) employee shares plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or
  - (iii) at or subsequent to such time the business combination is approved by the Directors and authorised by way of Special Resolution without the Interested Member.
- (b) The Directors shall have the power and duty to determine, on the basis of information known to them after reasonable inquiry, all facts necessary to determine compliance with this article, including, without limitation, (i) whether a Person is an Interested Member, (ii) the number of shares or other securities beneficially owned by any Person, (iii) whether a Person is an Affiliate or Associate of another, and (iv) the fair market value of the Company's securities or securities of any subsidiary of the Company, and the good faith determination of the Directors on such matters shall be conclusive and binding for all the purposes of this article.
- (c) As used in this article only, the term:
- (i) "Affiliate" means a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, another person.
  - (ii) "Associate", when used to indicate a relationship with any person, means: (A) any company, partnership, unincorporated association or other entity of which such person is a director, officer or partner or is, directly or indirectly, the owner of 20% or more of any class of voting shares; (B) any trust or other estate in which such person has at least a 20% beneficial interest or as to which such person serves as trustee or in a similar fiduciary capacity; and (C) any relative or spouse of such person, or any relative of such spouse, who has the same residence as such person.
  - (iii) "Business combination", when used in reference to any company and any Interested Member of such company, means:

- (A) any scheme of arrangement, merger or consolidation of the Company or any direct or indirect majority-owned subsidiary of the Company with (1) the Interested Member, or (2) any other company, partnership, unincorporated association or other entity if the scheme of arrangement, merger or consolidation is caused by the Interested Member;
  - (B) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a member of such company, to or with the Interested Member, whether as part of a dissolution or otherwise, of assets of the Company or of any direct or indirect majority-owned subsidiary of the Company which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Company determined on a consolidated basis or the aggregate market value of all the outstanding shares of the Company;
  - (C) any transaction which results in the issuance or transfer by the Company or by any direct or indirect majority-owned subsidiary of the Company of any shares of the Company or of such subsidiary to the Interested Member, except: (1) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into shares of such company or any such subsidiary which securities were outstanding prior to the time that the Interested Member became such; (2) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into shares of such company or any such subsidiary which security is distributed, pro rata to all holders of a class or series of shares of such company subsequent to the time the Interested Member became such; (3) pursuant to an exchange offer by the Company to purchase shares made on the same terms to all holders of said shares; or (4) any issuance or transfer of shares by the Company; provided however, that in no case under items (3) and (4) of this subparagraph shall there be an increase in the Interested Member's proportionate share of the shares of any class or series of the Company or of the voting shares of the Company;
  - (D) any transaction involving the Company or any direct or indirect majority-owned subsidiary of the Company which has the effect, directly or indirectly, of increasing the proportionate share of the shares of any class or series, or securities convertible into the shares of any class or series, of the Company or of any such subsidiary which is owned by the Interested Member, except as a result of immaterial changes due to fractional share adjustments or as a result of any purchase or redemption of any shares of shares not caused, directly or indirectly, by the Interested Member; or
  - (E) any receipt by the Interested Member of the benefit, directly or indirectly (except proportionately as a member of such company), of any loans, advances, guarantees, pledges or other financial benefits (other than those expressly permitted in subparagraphs (A)-(D) of this paragraph) provided by or through the Company or any direct or indirect majority-owned subsidiary.
- (iv) "Control", including the terms "controlling", "controlled by" and "under common control with", means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting shares, by contract or otherwise. A person who is the owner of 20% or more of the outstanding voting shares of any company, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such person holds voting shares, in good faith and not for the purpose of circumventing this article, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

- (v) “Interested Member” means any Person, including its Affiliates and Associates (other than the Company and any direct or indirect majority-owned subsidiary of the Company), that is, or was at any time within the three-year period immediately prior to the date in question, the Owner of 15% or more of the outstanding voting shares of the Company; provided, however, that the term “Interested Member” shall not include any person whose ownership of shares in excess of the 15% limitation set forth herein is the result of action taken solely by the Company; provided that such person shall be an Interested Member if thereafter such person acquires additional voting shares of the Company, except as a result of further corporate action not caused, directly or indirectly, by such person. For the purpose of determining whether a person is an Interested Member, the voting shares of the Company deemed to be outstanding shall include shares deemed to be owned by the person through application of (viii) of this subsection but shall not include any other unissued shares of such company which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.
- (vi) “Person” means any individual, company, partnership, unincorporated association or other entity.
- (vii) “Shares” means, with respect to any company, capital shares and, with respect to any other entity, any equity interest.
- (viii) “Voting shares” means, with respect to any company, shares of any class or series entitled to vote generally in the election of directors and, with respect to any entity that is not a company, any equity interest entitled to vote generally in the election of the governing body of such entity. Every reference to a percentage of voting shares shall refer to such percentage of the votes of such voting shares.
- (ix) “Owner”, including the terms “own” and “owned”, when used with respect to any Shares, means a person that individually or with or through any of its Affiliates or Associates:
  - (A) beneficially owns such Shares, directly or indirectly; or
  - (B) has (1) the right to acquire such Shares (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the Owner of Shares tendered pursuant to a tender or exchange offer made by such person or any of such person’s affiliates or associates until such tendered Shares are accepted for purchase or exchange; or (2) the right to vote such shares pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the Owner of any Shares because of such person’s right to vote such Shares if the agreement, arrangement or understanding to vote such shares arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or
  - (C) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (2) of subparagraph (B) of this paragraph), or disposing of such Shares with any other person that beneficially owns, or whose Affiliates or Associates beneficially own, directly or indirectly, such Shares.
