(i) to repay (A) Indebtedness constituting Bank Indebtedness and other Pari Passu Indebtedness, in each case that is secured by a Lien permitted under this Indenture, including First Priority Obligations and Second Priority Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), (B) Indebtedness of a Restricted Subsidiary that is not a Guarantor, (C) Second Priority Notes Obligations or (D) other Pari Passu Indebtedness (*provided* that if the Parent, an Issuer or any Guarantor shall so reduce Obligations under such Pari Passu Indebtedness under this clause (D), the Issuer will equally and ratably reduce Second Priority Notes Obligations in accordance with Article III of this Indenture, through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof (or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest, the pro rata principal amount of Notes), in each case other than Indebtedness owed to the Parent or an Affiliate of the Parent; *provided* that the Net Proceeds from an Asset Sale of Second Lien Collateral may not be applied to repay any Indebtedness other than the Notes or other Pari Passu Indebtedness secured by a Lien (other than a Lien that is junior in priority to the Liens securing the Notes or any Guarantee) on such Second Lien Collateral, except as otherwise permitted under this covenant (provided that if the Parent, an Issuer or any Guarantor shall so repay Obligations under such Pari Passu Indebtedness (other than Pari Passu Indebtedness secured by a Lien that is senior in priority to the Liens securing the Notes or any Guarantee), the Issuer will, to the extent permitted under the Takeback Second Lien Notes and other Pari Passu Indebtedness as in effect on the Issue Date, equally and ratably reduce Second Priority Notes Obligations in accordance with Article III of this Indenture, through open-market purchases (provided that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof (or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest (it being understood, for the avoidance of doubt, that any portion of such Net Proceeds used

to make an offer to purchase Notes in accordance with the procedures set forth below for an Asset Sale Offer shall be deemed to have been so applied to reduce Second Priority Notes Obligations whether or not such offer is accepted)); provided, further, that if such Asset Sale involves the disposition of Second Lien Collateral, the Parent or such Restricted Subsidiary has complied with the provisions of this Indenture and the Second Lien Collateral Documents; or

(ii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Parent), assets, or property or capital expenditures, in each case (A) used or useful in a Similar Business or (B) that replace the properties and assets that are the subject of such Asset Sale or to reimburse the cost of any of the foregoing incurred on or after the date on which the Asset Sale giving rise to such Net Proceeds was contractually committed.

In the case of Section 4.06(b)(ii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the 12-month anniversary of the date of the receipt of such Net Proceeds; *provided* that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, then such Net Proceeds shall constitute Excess Proceeds unless the Parent or such Restricted Subsidiary enters into another binding commitment (a "Second Commitment") within six months of such cancellation or termination of the prior binding commitment; *provided*, *further*, that the Parent or such Restricted Subsidiary may only enter into a Second Commitment under the foregoing provision one time with respect to each Asset Sale and to the extent such Second Commitment is later canceled or terminated for any reason before such Net Proceeds are applied or are not applied within 180 days of such Second Commitment, then such Net Proceeds shall constitute Excess Proceeds.

Pending the final application of any such Net Proceeds, the Parent or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or invest such Net Proceeds in any manner not prohibited by this Indenture. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first paragraph of this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in clause (i) of this Section 4.06(b), shall be deemed to have been so applied whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds $125.0 million, the Issuer shall make an offer to all holders of Notes (and, at the option of the Issuer, to holders of any other Pari Passu Indebtedness secured by a Lien (other than a Lien that is junior in priority to the Liens securing the Notes or a Guarantee) on the Second Lien Collateral (the "Eligible Pari Passu Indebtedness")) (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and any such Eligible Pari Passu Indebtedness), that is at least $2,000 and an integral multiple of $1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event the Notes or any such Eligible Pari Passu Indebtedness were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest (or, in respect of such Eligible Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Eligible Pari Passu Indebtedness), to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds $125.0 million by mailing, or delivering electronically if the Notes are held by the Depository, the notice required pursuant to the terms of this Indenture, with a copy to the Second Lien Trustee. To the extent that the aggregate amount of Notes (and such Eligible Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for any purpose that is not prohibited by this Indenture. If the aggregate principal amount of Notes and such Eligible Pari Passu Indebtedness surrendered by holders thereof exceeds the amount of Excess Proceeds, the Second Lien Trustee, upon receipt of written notice from the Issuer of the aggregate principal amount to be selected, shall select the Notes (but not such Eligible Pari Passu Indebtedness) to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) [reserved].

(e) If more Notes (and such Eligible Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Notes (but not such Eligible Pari Passu Indebtedness) for purchase shall be made by the Second Lien Trustee on a pro rata basis to the extent practicable, by lot or by such other method as the Second Lien Trustee shall deem fair and appropriate (and in such manner as complies with the requirements of the Depository, if applicable); *provided* that no Notes of $2,000 or less shall be purchased in part. Selection of such Eligible Pari Passu Indebtedness shall be made pursuant to the terms of such Eligible Pari Passu Indebtedness.

(f) Notices of an Asset Sale Offer shall be mailed by the Issuers by first class mail, postage prepaid, or delivered electronically if the Notes are held by the Depository, at least 10 days but not more than 60 days before the purchase date to each holder of Notes at such holder's registered address. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

SECTION 4.07 Transactions with Affiliates.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Parent (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of $25.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Parent or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Parent or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $50.0 million, the Parent or the Issuer delivers to the Second Lien Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Parent or the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) transactions between or among the Parent and/or any of the Restricted Subsidiaries (or an entity that becomes the Parent or a Restricted Subsidiary as a result of such transaction) and any merger, consolidation or amalgamation of the Parent and any direct parent of the Parent; *provided* that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Parent and such merger, consolidation or amalgamation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 4.04 and Permitted Investments;

(iii) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Parent or any Restricted Subsidiary;

(iv) transactions in which the Parent or any Restricted Subsidiary, as the case may be, delivers to the Second Lien Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Parent or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);

(v) payments or loans (or cancellation of loans) to officers, directors, employees or consultants which are approved by a majority of the Board of Directors of the Parent or the Issuer in good faith;

(vi) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the holders of the Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by the Issuer;

(vii) the existence of, or the performance by the Parent or any Restricted Subsidiary of its obligations under the terms of any stockholders or limited liability company agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date, and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter into thereafter; *provided*, *however*, that the existence of, or the performance by the Parent or any Restricted Subsidiary of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the holders of the Notes in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;

(viii) the Transactions, and the payment of all fees, expenses, bonuses and awards related to the Transactions;

(ix) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Parent and the Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Parent or the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party, or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice or industry norm;

(x) any transaction effected as part of a Securitization Financing;

(xi) the issuance of Equity Interests (other than Disqualified Stock) of the Parent to any Person;

(xii) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Parent, or the Board of Directors of a Restricted Subsidiary, as appropriate, in good faith;

(xiii) [reserved];

(xiv) any contribution to the capital of the Parent;

(xv) transactions permitted by, and complying with, Section 5.01;

(xvi) transactions between the Parent or any Restricted Subsidiary and any Person, a director of which is also a director of the Parent or any Restricted Subsidiary; *provided*, *however*, that such Person abstains from voting as a director of the Parent or such Restricted Subsidiary, as the case may be, on any matter involving such Person;

(xvii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xviii) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(xix) any employment agreements entered into by the Parent or any Restricted Subsidiary in the ordinary course of business;

(xx) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers' Certificate) for the purpose of improving the consolidated tax efficiency of the Parent and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture;

(xxi) [reserved]; and

(xxii) any purchase by the Parent or its Affiliates of Indebtedness, Disqualified Stock or Preferred Stock of the Parent or any of the Restricted Subsidiaries; *provided* that such purchases are on the same terms as such purchases by such Persons who are not the Parent's Affiliates.

SECTION 4.08 Change of Control.

(a) Upon the occurrence of a Change of Control, each holder of Notes shall have the right to require the Issuers to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), in accordance with the terms contemplated in this Section 4.08; *provided*, *however*, that notwithstanding the occurrence of a Change of Control, the Issuers shall not be obligated to purchase any Notes pursuant to this Section 4.08 in the event that they have previously or concurrently elected to redeem such Notes in accordance with Article III of this Indenture. In the event that at the time of such Change of Control, the terms of the Bank Indebtedness restrict or prohibit the repurchase of the Notes pursuant to this Section 4.08, then prior to the mailing of the notice to holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control with respect to the Notes, the Issuers shall: (i) repay in full all Bank Indebtedness or, if doing so will allow the purchase of the Notes, offer to repay in full all Bank Indebtedness and repay the Bank Indebtedness of each lender and/or note-holder who has accepted such offer; or (ii) obtain the requisite consent under the agreements governing the Bank Indebtedness to permit the repurchase of the Notes as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control, except to the extent that the Issuers have exercised their right to redeem the Notes by delivery of a notice of redemption in accordance with Article III of this Indenture, the Issuer shall mail, or deliver electronically if the Notes are held by the Depository, a notice (a "Change of Control Offer") to each holder of Notes with a copy to the Second Lien Trustee stating:

(i) that a Change of Control has occurred and that such holder has the right to require the Issuers to repurchase such holder's Notes at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, to, but excluding, the date of repurchase (subject to the right of holders of record on the relevant Record Date to receive interest on the relevant Interest Payment Date);

(ii) the circumstances and relevant facts and financial information regarding such Change of Control;

(iii) the repurchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed or delivered electronically); and

(iv) the instructions determined by the Issuers, consistent with this Section 4.08, that a holder must follow in order to have its Notes purchased.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice, or transfer such Note by book entry transfer to the Issuer, at least three Business Days prior to the purchase date. The holders shall be entitled to withdraw their election if the Second Lien Trustee or the Issuer receives not later than one Business Day prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the holder, the principal amount of the Note which was delivered for purchase by the holder and a statement that such holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) On the purchase date, all Notes purchased by the Issuers under this Section 4.08 shall be delivered to the Second Lien Trustee for cancellation, and the Issuers shall pay the purchase price *plus* accrued and unpaid interest, if any, to the holders entitled thereto (subject to the right of holders of record on a Record Date to receive interest on the relevant Interest Payment Date).

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for such Change of Control at the time of making of such Change of Control Offer.

(f) Notwithstanding the foregoing provisions of this Section 4.08, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer.

(g) Notes repurchased by the Issuers pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and canceled at the option of the Issuers. Notes purchased by a third party pursuant to the preceding clause (f) and clause (i) below will have the status of Notes issued and outstanding.

(h) The Issuers shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

(i) If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers as described above, purchase all of the Notes validly tendered and not withdrawn by such holders, the Issuers or such third party will have the right, upon not less than 10 days' nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption. Any such redemption shall be effected pursuant to Article III.

SECTION 4.09 Compliance Certificate. The Issuer shall deliver to the Second Lien Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on December 30, 2022, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If any Officer does, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. Except with respect to receipt of payments of principal and interest on the Notes and any Default or Event of Default information contained in the Officers' Certificate delivered to it pursuant to this Section 4.09, the Second Lien Trustee shall have no duty to review, ascertain or confirm the Issuer's compliance with or the breach of any representation, warranty or covenant made in this Indenture.

SECTION 4.10 Further Instruments and Acts. Upon request of the Second Lien Trustee, the Issuers shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11 Future Guarantors.

(a) The Parent shall cause each of its Wholly Owned Restricted Subsidiaries that is not an Excluded Subsidiary and that guarantees or becomes a borrower under the Credit Agreement or that guarantees any other Capital Markets Indebtedness of the Parent, an Issuer or any of the Guarantors to execute and deliver to the Second Lien Trustee a supplemental indenture substantially in the form of Exhibit C hereto pursuant to which such Wholly Owned Restricted Subsidiary will guarantee the Guaranteed Obligations.

(b) Each Guarantee will be subject to such prudential limitations as the Issuer may in good faith determine to add to the terms of such Guarantee and limitations under applicable law and limited to an amount not to exceed the maximum amount that can be guaranteed by the applicable Guarantor without (i) rendering the Guarantee, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or under any applicable mandatory corporate law, (ii) resulting in any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalization laws, retention of title claims, capital maintenance rules, general statutory limitations, or the laws or regulations (or analogous restrictions) of any applicable jurisdiction or any similar principles which may limit the ability of any Foreign Subsidiary to provide a guarantee or may require that the guarantee be limited by an amount or scope or otherwise or (iii) resulting, without corresponding limitations, in any (x) material risk to the officers of the applicable Guarantor of contravention of their fiduciary duties or any legal prohibition and/or (y) risk to the officers of the applicable Guarantor of civil or criminal liability (all such limitations applicable to a given Guarantee, the "Applicable Guarantee Limitations").

SECTION 4.12 Liens.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien (except Permitted Liens) on any asset or property of the Parent or any Restricted Subsidiary securing Indebtedness of the Parent or a Restricted Subsidiary; *provided* that any Lien shall be permitted on any asset or property that is not Second Lien Collateral if the Notes and the Guarantees are equally and ratably secured with (or, at the Issuers' election, on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien; *provided* that any such security shall be on a senior basis to any such Indebtedness that is by its express terms subordinated in right of payment to the Notes.

(b) Any Lien that is granted to secure the Notes or any Guarantee under Section 4.12(a) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes or such Guarantee.

(c) For purposes of determining compliance with this Section 4.12, (i) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category of Permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) but may be permitted in part under any combination thereof and (ii) in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a), the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if Incurred at such later time), such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies with this covenant and will be entitled to only include the amount and type of such Lien or such item of Indebtedness secured by such Lien (or any portion thereof) in one of the categories of permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) and, in such event, such Lien securing such item of Indebtedness (or any portion thereof) will be treated as being Incurred or existing pursuant to only such clause or clauses (or any portion thereof) or pursuant to Section 4.12(a) without giving *pro forma* effect to such item (or portion thereof) when calculating the amount of Liens or Indebtedness that may be Incurred pursuant to any other clause or paragraph.

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of Capital Stock (other than Preferred Stock) of the Parent, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (11) of the definition of "Indebtedness."

(e) The Parent and the Issuers will not, and will not permit any of the other Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien on any fee owned Real Property and leasehold interests in Real Property, including Principal Properties (as defined in the Existing 2013 Senior Notes Indenture) of the Parent or any Restricted Subsidiary securing Indebtedness of the Parent or a Restricted Subsidiary for borrowed money (other than Indebtedness incurred to fund the acquisition or improvement of the Real Property subject to such Lien); provided that any such Lien shall be permitted if (i) such Lien is permitted under Section 4.12(a) and (ii) the Notes and the Guarantees are also secured by a Lien on the applicable Real Property until such time as obligations secured by such Lien are no longer so secured.

SECTION 4.13 Limitations on Activities of the US Co-Issuer. The US Co-Issuer shall not be permitted to and the Issuer will cause the US Co-Issuer not to hold any material assets, become liable for any material obligations, engage in any trade or business, or conduct any business activity, other than (1) the issuance of its Equity Interests to the Issuer or any Wholly Owned Restricted Subsidiary, (2) the Incurrence of Indebtedness as a co-obligor or guarantor, as the case may be, of the Notes and any other Indebtedness that is permitted to be Incurred under Section 4.03 and (3) activities incidental thereto.

SECTION 4.14 Maintenance of Office or Agency.

(a) The Issuers shall maintain an office or agency (which may be an office of the Second Lien Trustee or an affiliate of the Second Lien Trustee or Registrar) where Notes may be surrendered for registration of transfer or for exchange. The Issuers shall give prompt written notice to the Second Lien Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Second Lien Trustee with the address thereof, such presentations and surrenders may be made at the Corporate Trust Office of the Second Lien Trustee as set forth in Section 14.01.

(b) The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency for such purposes. The Issuers shall give prompt written notice to the Second Lien Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Second Lien Trustee or its agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.15 Existence. The Issuers shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect their legal existence and the rights, licenses, permits, privileges and franchises material to the conduct of their business; provided that the foregoing shall not prohibit any transaction permitted under Section 5.01; and provided, further, that the Issuers shall not be required to preserve, renew and keep in full force and effect any such right, license, permit, privilege, franchise or legal existence if (i) the Issuers shall determine in good faith the preservation, renewal or keeping in full force and effect thereof is no longer desirable in the conduct of the business of the Issuers or (ii) the failure to preserve, renew and keep in full force and effect any such right, license, permit, privilege, franchise or legal existence is not adverse in any material respect to the holders of the Notes.

SECTION 4.16 Covenant Suspension. If on any date following the Issue Date, (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture, then, beginning on that day (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), and subject to the provisions of the following paragraph, the Parent and the Restricted Subsidiaries shall not be subject to Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.11 and 5.01(a)(iv) (collectively the "Suspended Covenants").

In the event that the Parent and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Parent and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

The Issuer shall provide the Second Lien Trustee with written notice of each Covenant Suspension Event or Reversion Date within five (5) Business Days of the occurrence thereof.

Additionally, during a Suspension Period the Parent will no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary unless the Parent would have been permitted to designate such Subsidiary as an Unrestricted Subsidiary if a Suspension Period had not been in effect for any period and, following the Reversion Date, such designation shall be deemed to have created an Investment pursuant to Section 4.04(c) at the time of such designation.

On each Reversion Date, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Section 4.03(a) or 4.03(b) (to the extent such Indebtedness or Disqualified Stock or Preferred Stock would be permitted to be Incurred or issued thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred or issued prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness or Disqualified Stock or Preferred Stock would not be so permitted to be Incurred or issued pursuant to Section 4.03(a) or 4.03(b), such Indebtedness or Disqualified Stock or Preferred Stock will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.03(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.04 will be made as though Section 4.04 had been in effect since the Issue Date and prior to, but not during, the Suspension Period (except to the extent expressly set forth in the immediately preceding paragraph). Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 4.04(a) (except to the extent expressly set forth in the immediately preceding paragraph). As described above, no Default or Event of Default will be deemed to have occurred on the Reversion Date as a result of any actions taken by the Parent or the Restricted Subsidiaries during the Suspension Period or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. Within 30 days of such Reversion Date, the Parent and the Issuers must comply with the terms of Section 4.11.

For purposes of Section 4.05, on the Reversion Date, any consensual encumbrances or consensual restrictions of the type specified in Section 4.05(a) or 4.05(b) thereof entered into during the Suspension Period will be deemed to have been in effect on the Issue Date, so that they are permitted under Section 4.05(1)(A).

For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Issuer entered into during the Suspension Period will be deemed to have been in effect as of the Issue Date for purposes of Section 4.07(b)(vi).

For purposes of Section 4.06, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

SECTION 4.17 Additional Amounts.

(a) All payments made by or on behalf of the Issuers or any Guarantor under or with respect to the Notes or any Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future Taxes unless required by law. If any such withholding or deduction is required for or on account of Taxes imposed by a Relevant Taxing Jurisdiction from any payment made under or with respect to the Notes or under any Guarantee (including payments of principal, redemption price, interest or premium (if any)), the Issuers or such Guarantor, as the case may be, will pay (together with such payments) such additional amounts ("Additional Amounts") as may be necessary so that the net amount received by each beneficial owner of Notes (including Additional Amounts) after such withholding or deduction will equal the amount the beneficial owner would have received if such Taxes had not been withheld or deducted; *provided*, *however*, that no Additional Amounts will be payable with respect to:

(i) any Tax, to the extent such Tax would not have been imposed but for the existence of any actual or deemed present or former connection between the holder or the beneficial owner of such Notes and the Relevant Taxing Jurisdiction (including being or having been a national, citizen or resident of, carrying on a business in, being or having been physically present in or having or having had a permanent establishment in, the Relevant Taxing Jurisdiction) other than a connection arising solely from the acquisition, ownership, holding or disposition of the Notes, the enforcement of rights under the Notes or any Guarantee or the receipt of payments under or in respect of the Notes or any Guarantee;

(ii) any Tax, to the extent such Tax is imposed or withheld as a result of the failure of the holder or beneficial owner of the Notes to satisfy any certification, identification or other reporting requirements concerning the nationality, residence, identity or connection with the Relevant Taxing Jurisdiction of such holder or beneficial owner which is required by applicable law, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of, all or part of such Tax (including, without limitation, a certification that the holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), but in each case, only to the extent such holder or beneficial owner is legally eligible to provide such certification or other documentation;

(iii) any Tax that would not have been imposed if the presentation of Notes (where presentation is required) for payment had occurred within 30 days after the date such payment was due and payable or was duly provided for, whichever is later (except to the extent that the holder or beneficial owner would have been entitled to Additional Amounts had the note been presented within such 30-day period);

(iv) any estate, inheritance, gift, value added, sales or similar Tax;

(v) any Tax, to the extent such Tax imposed in respect of a holder or beneficial owner and required to be withheld or deducted pursuant to the Luxembourg law of December 23, 2005, as amended, introducing in Luxembourg a 20% withholding tax as regards Luxembourg resident individuals;

(vi) any Tax that could have been avoided by the presentation of Notes (where presentation is required) for payment to another paying agent in a member state of the European Union;

(vii) any Tax payable other than by deduction or withholding from payments under, or with respect to, the Notes or the Guarantee;

(viii) any withholding or deduction required pursuant to Sections 1471 through 1474 of the Code as of the Issue Date (or any amended or successor version), any regulations or agreements thereunder, official interpretations thereof, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code; or

(ix) any combination of clauses (i) through (viii) above.

(b) The applicable withholding agent will (i) make any required withholding or deduction; and (ii) remit the full amount deducted or withheld to the relevant Taxing Authority in accordance with applicable law. The Issuers or any Guarantor, as applicable, will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies to the Second Lien Trustee. If certified copies of such tax receipts are not reasonably obtainable, the Issuers or such Guarantor, as applicable, shall provide the Second Lien Trustee with other evidence of payment reasonably satisfactory to the Second Lien Trustee. Such certified copies or other evidence shall be made available to holders upon request.

(c) Each of the Issuers and the Guarantors will indemnify and hold harmless each holder and beneficial owner from and against any Taxes withheld or deducted (other than Taxes excluded by clauses (i) through (ix) above) that are levied or imposed on a holder or beneficial owner (x) as a result of payments made under or with respect to the Notes or (y) with respect to any indemnification payments under the foregoing clause (x) or this clause (y), such that the net amount received by such holder or beneficial owner after such indemnification payments will not be less than the net amount the holder or beneficial owner would have received if the Taxes described in clauses (x) and (y) above had not been imposed.

(d) Whenever in this Indenture there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, premium (if any) or interest or of any other amount payable under or with respect to any of the Notes, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) The Issuers will pay any present or future stamp, issue, registration, court or documentary Taxes, or any other excise, property or similar Taxes, that arise in any jurisdiction from the execution, issuance, delivery, registration or enforcement of the Notes, any Guarantee, this Indenture, or any other document or instrument referred to therein, or the receipt of any payments with respect to the Notes or the Guarantees ("Documentary Taxes"); *provided* that the Issuer will not be liable for any Luxembourg registration duties, which would become payable as a result of the registration, by any holder, of the documents relating to the Notes, any Guarantee, this Indenture, or any other document or instrument referred to herein or therein, when such registration is not required to enforce that holder's rights under the documents relating to the Notes, any Guarantee, this Indenture, or any other document or instrument referred to herein or therein.

(f) The obligation to pay Additional Amounts and Documentary Taxes under the terms and conditions described above will survive any termination, defeasance or discharge of this Indenture, and will apply *mutatis mutandis* to any successor to the Issuers or any Guarantor and to any jurisdiction in which any such successor is incorporated, organized, resident or engaged in business for tax purposes, or any jurisdiction from or through which any such successor makes payment on the Notes or any Guarantee, and any political subdivision or Taxing Authority thereof or therein.

SECTION 4.18 After-Acquired Collateral.

(a) If any asset is acquired by any Issuer or Guarantor after the Issue Date or owned by an entity at the time it becomes a Guarantor (in each case other than (x) assets constituting Second Lien Collateral under a Second Lien Collateral Document that become subject to the Lien of such Second Lien Collateral Document upon acquisition thereof, (y) Excluded Property or Excluded Securities and (z) assets of any Issuer or Guarantor organized outside the United States, Luxembourg, the United Kingdom, Ireland or the Netherlands for so long as, and to the extent with respect to this clause (y), excluded by reason of the final paragraph of the definition of the term "Collateral and Guarantee Requirement"), such Issuer or Guarantor, as applicable, will (i) notify the Second Lien Collateral Agent of such acquisition or ownership and (ii) subject (where applicable) to the Agreed Guarantee and Security Principles, cause such asset to be subjected to a Lien (subject to any Permitted Liens) securing the Second Priority Notes Obligations by, and take, and cause the Issuers and Guarantors to take, all such actions as shall be reasonably requested by the Collateral Agent to cause the Collateral and Guarantee Requirement to be satisfied with respect to such asset, including actions described in Section 4.19.

(b) If any Restricted Subsidiary becomes a Guarantor after the Issue Date, then the Issuers and the Guarantors shall cause the Collateral and Guarantee Requirement to be satisfied with respect to such Restricted Subsidiary and with respect to any Equity Interest in or Indebtedness of such Restricted Subsidiary owned by or on behalf of any Issuer or Guarantor.

(c) Notwithstanding anything to the contrary set forth in this Indenture or any other Note Document, the Second Lien Collateral Documents to be entered into on the Issue Date shall consist solely of the Issue Date Security Documents. Within 15 days following the Issue Date, the applicable Issuers and Guarantors shall enter into the Luxembourg Law Initial Security Documents. Subject, where applicable, to the Agreed Guarantee and Security Principles, the Issuers and the Guarantors shall take such actions as shall be reasonably requested by the Second Lien Collateral Agent to cause the assets (to the extent owned thereby on the Issue Date and other than (x) assets constituting Second Lien Collateral under a Second Lien Collateral Document in effect, (y) assets constituting Excluded Property or Excluded Securities and (z) assets of any Issuer or Guarantor organized outside the United States or Luxembourg for so long as, and to the extent with respect to this clause (z), excluded by reason of the final paragraph of the definition of the term "Collateral and Guarantee Requirement") of the Issuers and the Guarantors (to the extent constituting such on the Issue Date) to be subjected to a Lien (subject to any Permitted Liens) securing the Second Priority Notes Obligations and the Collateral and Guarantee Requirement to be satisfied (as if each Guarantor were a Person that became a Guarantor after the Issue Date) in each case within 90 days following the Issue Date (or such later date as the Second Lien Collateral Agent may agree in its sole discretion; *provided* that the Second Lien Collateral Agent shall agree to a reasonably selected later date if the Issuer shall have delivered to the Second Lien Collateral Agent an Officers' Certificate certifying that such actions cannot be reasonably completed with commercially reasonable efforts due to factors caused by the COVID-19 virus (it being acknowledged and agreed that the Second Lien Collateral Agent shall be entitled to rely conclusively upon such Officers' Certificate without any independent verification thereof)).

SECTION 4.19 Further Assurances. The Issuers and the Guarantors shall execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents), that the Second Lien Collateral Agent may reasonably request (including, without limitation, those required by applicable law), to satisfy the Collateral and Guarantee Requirement and to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Issuers and the Guarantors, and provide to the Second Lien Collateral Agent, from time to time upon reasonable request, evidence reasonably satisfactory to the Second Lien Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Second Lien Collateral Documents.

SECTION 4.20 Deposit Accounts. With respect to any DDA (other than an Excluded Account) (x) maintained by an Issuer or Guarantor, in each case that is a Domestic Subsidiary and (y) described in clause (ii)(C) of the definition thereof and maintained by an Issuer or Guarantor, in each case under this clause (y) that is a Foreign Subsidiary (together with any deposit accounts on which a Lien in favor of the Second Lien Collateral Agent is perfected in accordance with the succeeding sentences of this Section 4.20, a "Blocked Account"), within the DDA Time Limitation, enter into deposit account control agreements (each, a "Blocked Account Agreement"), in form reasonably satisfactory to the Second Lien Collateral Agent, with the Second Lien Collateral Agent and any bank with which any such Issuer or Guarantor maintains any such Blocked Account described in this sentence, which give the Second Lien Collateral Agent "control" (as defined in the Uniform Commercial Code) over each such Blocked Account maintained with such bank. With respect to any DDA (other than an Excluded Account) described in clause (ii)(A) of the definition thereof maintained by an Irish Grantor, cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. With respect to any DDA (other than an Excluded Account) described in clause (ii)(B) of the definition thereof maintained by an Issuer or Guarantor, in each case under this sentence organized under the laws of Luxembourg, use commercially reasonable efforts to cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. So long as no Event of Default has occurred and is continuing, the Issuers and Guarantors will have full and complete access to, and may direct the manner of disposition of, funds in the Blocked Accounts.

ARTICLE V

SUCCESSOR COMPANY

SECTION 5.01 When Issuers and Guarantors May Merge or Transfer Assets.

(a) The Issuer may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company or similar entity organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof, any member state of the European Union, the United Kingdom or Switzerland (collectively, the "Permitted Jurisdictions" and the Issuer or such Person, as the case may be, being herein called the "Successor Company"); *provided* that in the event that the Successor Company is not a corporation or limited liability company (or equivalent of a corporation or limited liability company in any Permitted Jurisdiction listed in this clause (i)), a co-obligor of the Notes is a corporation or limited liability company (or such equivalent);

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture and the Second Lien Collateral Documents pursuant to supplemental indentures or other applicable documents or instruments in form reasonably satisfactory to the Second Lien Trustee and the Second Lien Collateral Agent;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of the Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(1) the Successor Company would be permitted to Incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(2) the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available would be no less than such ratio immediately prior to such transaction;

(v) if the Issuer is not the Successor Company, each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Notes; and

(vi) the Successor Company shall have delivered to the Second Lien Trustee and the Second Lien Collateral Agent an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) will succeed to, and be substituted for, the Issuer under this Indenture, the Notes and the Second Lien Collateral Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Notes and the Second Lien Collateral Documents. Notwithstanding the foregoing clauses (iii) and (iv) of this Section 5.01(a), (A) the Issuer may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to a Restricted Subsidiary; *provided* that, unless after giving effect to such transaction, no Default shall have occurred and be continuing, the Issuer is the Successor Company, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in any Permitted Jurisdiction or may convert into a corporation, partnership or limited liability company (or similar entity), so long as the amount of Indebtedness of the Restricted Subsidiaries is not increased thereby. This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Restricted Subsidiaries.

(b) Subject to the provisions of Section 12.02(b), no Guarantor nor the US Co-Issuer shall, and the Parent shall not permit any such Guarantor or the US Co-Issuer to, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not such Guarantor or the US Co-Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) either (a) such Guarantor or the US Co-Issuer, as applicable, is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than such Guarantor or the US Co-Issuer, as applicable) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a company, corporation, partnership or limited liability company or similar entity organized or existing under the laws of a Permitted Jurisdiction (except that in the case of the US Co-Issuer, such surviving Person shall be organized or existing under the laws of the United States, any state thereof, the District of Columbia or any territory thereof) (such Guarantor or the US Co-Issuer or such Person, as the case may be, being herein called the "Successor Person") and the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) expressly assumes all the obligations of such Guarantor or the US Co-Issuer, as applicable, under this Indenture and the Notes or its Guarantee, as applicable, pursuant to a supplemental indenture or other applicable documents or instruments in form reasonably satisfactory to the Second Lien Trustee, or (b) in respect of any Guarantor other than the Parent, such sale, assignment, transfer, lease, conveyance or other disposition or consolidation, amalgamation or merger is not in violation of Section 4.06; and

(ii) the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) shall have delivered or caused to be delivered to the Second Lien Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) will succeed to, and be substituted for, such Guarantor or the US Co-Issuer, as applicable, under this Indenture, the Notes or the Guarantee, as applicable, and such Guarantor or the US Co-Issuer, as applicable, will automatically be released and discharged from its obligations under this Indenture, the Notes or its Guarantee. Notwithstanding the foregoing, (1) a Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Guarantor in a Permitted Jurisdiction or may convert into a limited liability company, corporation, partnership or similar entity organized or existing under the laws of any Permitted Jurisdiction so long as the amount of Indebtedness of such Guarantor is not increased thereby and (2) a Guarantor may merge, amalgamate or consolidate with an Issuer or another Guarantor.

In addition, notwithstanding the foregoing, a Guarantor may consolidate, amalgamate or merge with or into or wind up or convert into, liquidate, dissolve, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets to an Issuer or any Guarantor.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default. An "Event of Default" occurs if:

(a) there is a default in any payment of interest on any Note when due, and such default continues for a period of 30 days,

(b) there is a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon redemption, upon required repurchase, upon declaration or otherwise,

(c) there is a failure by the Parent for 90 days after receipt of written notice given by the Second Lien Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding (with a copy to the Second Lien Trustee) to comply with any of its obligations, covenants or agreements in Section 4.02,

(d) there is a failure by the Parent or any Restricted Subsidiary for 60 days after written notice given by the Second Lien Trustee or the holders of not less than 25% in principal amount of the Notes then outstanding (with a copy to the Second Lien Trustee) to comply with its other obligations, covenants or agreements (other than a default referred to in clauses (a), (b) and (c) of this Section 6.01) contained in the Notes or this Indenture,

(e) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay any Indebtedness (other than Indebtedness owing to the Parent or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds $125.0 million or its foreign currency equivalent,

(f) the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Parent or any Significant Subsidiary in an involuntary case;

(ii) appoints a Custodian of the Parent or any Significant Subsidiary or for any substantial part of its property;

(iii) orders the winding up or liquidation of the Parent or any Significant Subsidiary; or

(iv) any similar relief is granted under any foreign laws and, in each case, the order or decree remains unstayed and in effect for 60 days,

(h) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of $125.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days,

(i) the Guarantee of the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) with respect to the Notes ceases to be in full force and effect (except as contemplated by the terms thereof) or the Parent or any other Guarantor that qualifies as a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) denies or disaffirms its obligations under this Indenture or any Guarantee with respect to the Notes and such Default continues for 10 days,

(j) unless such Liens have been released in accordance with the provisions of this Indenture or other Note Documents, Liens securing the Second Priority Notes Obligations with respect to a material portion of the Second Lien Collateral cease to be valid, perfected or enforceable, or the Issuer shall assert or any Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such Lien is invalid, unperfected or unenforceable and, in the case of any such Guarantor, the Issuer fail to cause such Guarantor to rescind such assertions within 30 days after the Issuer have actual knowledge of such assertions; provided that no Event of Default shall occur under this clause (j) if the Issuers and the Guarantors cooperate with the Second Lien Collateral Agent to replace or perfect such Lien, such Lien is promptly replaced or perfected (as needed) and the rights, powers and privileges of the Second Priority Notes Secured Parties are not materially adversely affected by such replacement or perfection; or

(k) the failure by the Parent or any Restricted Subsidiary for 60 days after written notice given by the Second Lien Trustee or the holders of not less than 25% in principal amount of the Notes then outstanding (with a copy to the Second Lien Trustee) to comply with its other agreements contained in the Second Lien Collateral Documents except for a failure that would not be material to the holders of the Notes and would not materially affect the value of the Second Lien Collateral taken as a whole.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under clause (c), (d) or (k) above shall not constitute an Event of Default until the Second Lien Trustee or the holders of at least 25% in principal amount of outstanding Notes notify the Parent and Issuer, with a copy to the Second Lien Trustee, of the default and neither the Parent nor the Issuers cure such default within the time specified in clause (c), (d) or (k) hereof after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default."

The Issuer shall deliver to the Second Lien Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any Default or Event of Default (unless such Default or Event of Default has been cured before the end of such 30-day period), the status of such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

The term "Bankruptcy Law" means the Bankruptcy Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

SECTION 6.02 Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) hereof with respect to the Issuers) occurs and is continuing, the Second Lien Trustee by notice to the Issuers or the holders of at least 25% in principal amount of outstanding Notes by notice to the Issuers (with a copy to the Second Lien Trustee) may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuers occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Second Lien Trustee or any holders. In addition, upon the acceleration of the Notes in connection with an Event of Default under Section 6.01(a), (b), (f) or (g) prior to April 15, 2024, an amount equal to the optional redemption premium that would have been payable in connection with an optional redemption of the Notes at the time of the occurrence of such acceleration will become and be immediately due and

payable with respect to all Notes without any declaration or other act on the part of the Second Lien Trustee or any holders of the Notes and shall constitute part of the Second Priority Notes Obligations in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder's lost profits as a result thereof. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty. If the optional redemption premium becomes due and payable pursuant to the second preceding sentence, the optional redemption premium shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the optional redemption premium) from and after the applicable triggering event. Any premium payable pursuant to the first sentence of this paragraph shall be presumed to be liquidated damages sustained by each holder as the result of the acceleration of the Notes and the Issuers agree that it is reasonable under the circumstances currently existing. The premium set forth in the first sentence of this paragraph shall also be payable in the event the Notes or the Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. THE ISSUERS EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE PREMIUM PROVIDED FOR IN THE FIRST SENTENCE OF THIS PARAGRAPH IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuers expressly agree (to the fullest extent it may lawfully do so) that: (A) the premium set forth in the first sentence of this paragraph is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between holders and the Issuers giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Issuers shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuers expressly acknowledge that their agreement to pay the premium to holders pursuant to the first sentence of this paragraph is a material inducement to holders to acquire the Notes.

The holders of a majority in principal amount of outstanding Notes may rescind any such acceleration and its consequences if:

(a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Second Lien Trustee or the holders of any of the Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Second Lien Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged, (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Second Lien Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Second Lien Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Second Lien Trustee or any holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04 Waiver of Past Defaults. Provided the Notes are not then due and payable by reason of a declaration of acceleration, the holders of a majority in principal amount of the Notes then outstanding by written notice to the Second Lien Trustee may waive an existing Default and its consequences except (a) a Default in the

payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each holder of Notes affected. When a Default is waived, it is deemed cured and the Issuers, the Second Lien Trustee and the holders of Notes will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05 Control by Majority. The holders of a majority in principal amount of outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Second Lien Trustee or of exercising any trust or power conferred on the Second Lien Trustee with respect to the Notes. The Second Lien Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Second Lien Trustee determines is unduly prejudicial to the rights of any other holder of the Notes or that would involve the Second Lien Trustee in personal liability; provided that the Second Lien Trustee does not have an affirmative duty to ascertain whether or not any action or forbearance on the part of a holder of a Note is unduly preferential or prejudicial to any other holder of a Note. Prior to taking any action under this Indenture, the Second Lien Trustee shall be entitled to indemnification satisfactory to it against all losses and expenses caused by taking or not taking such action.

SECTION 6.06 Limitation on Suits.

(v) the holders of a majority in principal amount of the outstanding Notes have not given the Second Lien Trustee a direction inconsistent with such request within such 60-day period.

(b) A holder may not use this Indenture to prejudice the rights of another holder or to obtain a preference or priority over another holder (it being understood that the Second Lien Trustee shall have no obligation to ascertain whether or not such actions or forbearances are unduly prejudicial to any other holder).

SECTION 6.07 Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any holder to receive payment of principal of and interest on the Notes held by such holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

SECTION 6.08 Collection Suit by Second Lien Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Second Lien Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.07.

Nothing herein contained shall be deemed to authorize the Second Lien Trustee to authorize or consent to or accept or adopt on behalf of any holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any holder, or to authorize the Second Lien Trustee to vote in respect of the claim of any holder in any such proceeding.

SECTION 6.10 Priorities. Subject to the provisions of the Second Lien Collateral Documents and the Intercreditor Agreements, any money or property collected by the Second Lien Trustee pursuant to this Article VI and any other money or property distributable in respect of the Issuers' or any Guarantor's obligations under this Indenture after an Event of Default shall be applied in the following order:

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Second Lien Trustee for any action taken or omitted by it as Second Lien Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Second Lien Trustee, a suit by a holder pursuant to Section 6.07 or a suit by holders of more than 10% in principal amount of the Notes.

SECTION 6.12 Waiver of Stay or Extension Laws. Neither the Issuers nor any Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuers and the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Second Lien Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

(g) The Second Lien Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the holders pursuant to this Indenture, unless such holders shall have offered to the Second Lien Trustee indemnity or security satisfactory to the Second Lien Trustee against any loss, liability or expense.

(h) The rights, privileges, protections, immunities and benefits given to the Second Lien Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Second Lien Trustee in each of its capacities hereunder or under any Note Document, and each agent, custodian and other Person employed to act hereunder, including the Second Lien Collateral Agent.

(i) The Second Lien Trustee shall not be responsible or liable for any action taken or omitted by it in good faith at the direction of the holders of not less than a majority in principal amount of the Notes as to the time, method and place of conducting any proceedings for any remedy available to the Second Lien Trustee or the exercising of any power conferred by this Indenture.

(k) The Second Lien Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Second Lien Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Second Lien Trustee at the Corporate Trust Office of the Second Lien Trustee, and such notice references the Notes and this Indenture.

(l) The Second Lien Trustee may request that the Issuers deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(m) The Second Lien Trustee shall not be responsible or liable for punitive, special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Second Lien Trustee has been advised of the likelihood of such loss or damage and regardless of the form of actions.

(n) The Second Lien Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture.

(o) The Second Lien Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under any Note Document arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; loss or malfunction of utilities, computer (hardware or software) or communication services; accidents; labor disputes; and acts of civil or military authorities and governmental action.

SECTION 7.03 Individual Rights of Second Lien Trustee. The Second Lien Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Second Lien Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Second Lien Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04 Second Lien Trustee's Disclaimer. The Second Lien Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Guarantees or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuers or any Guarantor in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Second Lien Trustee's certificate of authentication. The Second Lien Trustee shall not be charged with knowledge of any Default or Event of Default under Section 6.01(c), (d), (e), (f), (g), (h), (i), (j) or (k), or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Second Lien Trustee shall have received written notice thereof in accordance with Section 14.01 hereof from the Issuers, any Guarantor or any holder. In accepting the trust hereby created, the Second Lien Trustee acts solely as Second Lien Trustee under this Indenture and not in its individual capacity and all persons, including without limitation the holders of Notes and the Issuers having any claim against the Second Lien Trustee arising from this Indenture shall look only to the funds and accounts held by the Second Lien Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05 Notice of Defaults. If a Default occurs and is continuing and is actually known to a responsible officer of the Second Lien Trustee, the Second Lien Trustee shall provide to each holder of the Notes notice of the Default promptly after it becomes known to such responsible officer of the Second Lien Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Second Lien Trustee may withhold notice if and so long as it determines that withholding notice is in the interests of the noteholders.

SECTION 7.06 [Intentionally Omitted].

SECTION 7.07 Compensation and Indemnity. The Issuers shall pay to the Second Lien Trustee and the Second Lien Collateral Agent from time to time such compensation for the Second Lien Trustee's and the Second Lien Collateral Agent's acceptance of this Indenture and their services hereunder as mutually agreed to in writing between the Issuers and the Second Lien Trustee or the Second Lien Collateral Agent, as applicable. The Second

Lien Trustee's and the Second Lien Collateral Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Second Lien Trustee, the Second Lien Collateral Agent and their respective directors, officers, employees, agents, counsel, accountants and experts upon request for all reasonable out-of-pocket expenses Incurred or made by them in connection with their service as the Second Lien Trustee or Second Lien Collateral Agent, including costs of collection, in addition to the compensation for its services. The Issuers and the Guarantors, jointly and severally, shall indemnify the Second Lien Trustee, the Second Lien Collateral Agent or any predecessor Second Lien Trustee or Second Lien Collateral Agent and their directors, officers, employees and agents against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses and including taxes (other than taxes based upon, measured by or determined by the income of the Second Lien Trustee or the Second Lien Collateral Agent)) Incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture or Guarantee against the Issuers or any Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuers, any Guarantor, any holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Notes or the removal or resignation of the Second Lien Trustee and the Second Lien Collateral Agent. The Second Lien Trustee or the Second Lien Collateral Agent, as applicable, shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure so to notify the Issuers shall not relieve the Issuers or any Guarantor of its indemnity obligations hereunder. The Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' expense in the defense. Such indemnified parties may have separate counsel and the Issuers and such Guarantor, as applicable, shall pay the fees and expenses of such counsel; *provided*, *however*, that the Issuers shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no actual or potential conflict of interest between the Issuers and the Guarantors, as applicable, and such parties in connection with such defense. The Issuers need not indemnify against any loss, liability or expense Incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07, the Second Lien Trustee and the Second Lien Collateral Agent shall have a Lien prior to the Notes on all money or property held or collected by the Second Lien Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuers' and the Guarantors' payment obligations pursuant to this Section 7.07 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Second Lien Trustee and the Second Lien Collateral Agent. Without prejudice to any other rights available to the Second Lien Trustee and the Second Lien Collateral Agent under applicable law, when the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, Incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (g) with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

No provision of this Indenture shall require the Second Lien Trustee to expend or risk its own funds or otherwise Incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.08 Replacement of Second Lien Trustee.

(a) The Second Lien Trustee may resign at any time by so notifying the Issuers. The holders of a majority in principal amount of the Notes may remove the Second Lien Trustee by so notifying the Second Lien Trustee and may appoint a successor Second Lien Trustee. (c) A successor Second Lien Trustee shall deliver a written acceptance of its appointment to the retiring Second Lien Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Second Lien Trustee shall become effective, and the successor Second Lien Trustee shall have all the rights, powers and duties of the Second Lien Trustee under this Indenture. The successor Second Lien Trustee shall mail a notice of its succession to the holders. The retiring Second Lien Trustee shall promptly transfer all property held by it as Second Lien Trustee to the successor Second Lien Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Second Lien Trustee does not take office within 60 days after the retiring Second Lien Trustee resigns or is removed, the retiring Second Lien Trustee, the Issuers or the holders of 10% in principal amount of the Notes may petition at the expense of the Issuers any court of competent jurisdiction for the appointment of a successor Second Lien Trustee.

(e) If the Second Lien Trustee fails to comply with Section 7.10, any holder of Notes who has been a bona fide holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Second Lien Trustee and the appointment of a successor Second Lien Trustee.

(f) Notwithstanding the replacement of the Second Lien Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Second Lien Trustee.

(g) For the purposes of this Section 7.08, the Issuer and each Lux Guarantor hereby expressly accept and confirm, for the purposes of Articles 1278 et seq. of the Luxembourg Civil Code that, notwithstanding any assignment, transfer and/or novation by the Second Lien Collateral Agent or any other Second Priority Notes Secured Party of all or any part of the Second Priority Notes Obligations permitted under, and made in accordance with the provisions of this Indenture and any agreement referred to herein to which the Issuer or any such Lux Guarantor is a party, any security created or guarantee given under this Indenture shall be preserved for the benefit of the successor Second Lien Collateral Agent (for itself and the Second Priority Notes Secured Parties) and, for the avoidance of doubt, for the benefit of each of the Second Priority Notes Secured Parties.

SECTION 7.09 Successor Second Lien Trustee by Merger. If the Second Lien Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Second Lien Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Second Lien Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Second Lien Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Second Lien Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Second Lien Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Second Lien Trustee shall have.

SECTION 7.10 Eligibility; Disqualification. The Second Lien Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Second Lien Trustee shall have a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition. The Second Lien Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; *provided*, *however*, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuers are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11 Preferential Collection of Claims Against the Issuers. The Second Lien Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Second Lien Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

SECTION 7.12 Collateral Documents; Intercreditor Agreements. By their acceptance of the Notes, the holders of the Notes hereby authorize and direct the Second Lien Trustee and the Second Lien Collateral Agent, as the case may be, to execute and deliver the Intercreditor Agreements and the Second Lien Collateral Documents in which the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, is named as a party, including any Intercreditor Agreement or Second Lien Collateral Documents executed after the Issue Date. It is hereby expressly acknowledged and agreed that, in doing so, the Second Lien Trustee and the Second Lien Collateral Agent are (a) expressly authorized to make the representations attributed to holders of the Notes in any such agreements and (b) not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose.

ARTICLE VIII

(i) either (A) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Second Lien Trustee for cancellation or (B) all of the Notes (1) have become due and payable, (2) will become due and payable at their Stated Maturity within one year or (3) if redeemable at the option of the Issuers, are to be called for redemption within one year under arrangements satisfactory to the Second Lien Trustee for the giving of notice of redemption by the Second Lien Trustee in the name, and at the expense, of the Issuer, and the Issuers have irrevocably deposited or caused to be deposited with the Second Lien Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Second Lien Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to, but excluding, the date of deposit together with irrevocable instructions from the Issuer directing the Second Lien Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided* that upon any redemption that requires the payment of an optional redemption premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Second Lien Trustee equal to such optional redemption premium, as applicable, with respect to the Notes calculated as of the earlier of the date on which arrangements referred to in the foregoing clause (3) are entered into and the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Second Lien Trustee on or prior to the date of the redemption;

(ii) the Issuers and/or the Guarantors have paid all other sums payable under this Indenture; and

(iii) the Issuers have delivered to the Second Lien Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture with respect to the Notes have been complied with.

If the Issuers exercise their legal defeasance option or their covenant defeasance option with respect to the Notes, each Guarantor will be released from all of its obligations with respect to its Guarantee with respect to the Notes.

If the Issuers exercise their legal defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. Thereafter, the Issuers' obligations in Sections 7.07, 7.08, 8.05 and 8.06 and the rights and immunities of the Second Lien Trustee under this Indenture shall survive such satisfaction and discharge.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if:

(i) the Issuer irrevocably deposits in trust with the Second Lien Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof sufficient to pay the principal of and premium (if any) and interest on the Notes when due at maturity or redemption, as the case may be;

(ii) with respect to U.S. Government Obligations or a combination of money and U.S. Government Obligations, the Issuer delivers to the Second Lien Trustee a certificate from a nationally recognized firm of independent accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be; provided that upon any redemption that requires the payment of an optional redemption premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Second Lien Trustee equal to such optional redemption premium, as applicable, calculated as of the earlier of the date on which arrangements referred to in the succeeding sentence are entered into and the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Second Lien Trustee on or prior to the date of the redemption;

(iii) no Default specified in Section 6.01(f) or (g) with respect to the Issuer shall have occurred or is continuing on the date of such deposit;

(iv) the deposit does not constitute a default under any other material agreement or instrument binding on the Issuer;

(v) in the case of the legal defeasance option, the Issuers shall have delivered to the Second Lien Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred. Notwithstanding the foregoing, the Opinion of Counsel required by the immediately preceding sentence with respect to a legal defeasance need not be delivered if all of the Notes not theretofore delivered to the Second Lien Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Second Lien Trustee for the giving of notice of redemption by the Second Lien Trustee in the name, and at the expense, of the Issuer;

(vi) such exercise does not impair the right of any holder of the Notes to receive payment of principal of, premium, if any, and interest on such holder's Notes on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such holder's Notes;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Second Lien Trustee an Opinion of Counsel to the effect that the holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Second Lien Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Second Lien Trustee for the redemption of such Notes at a future date in accordance with Article III.

SECTION 8.03 Application of Trust Money. The Second Lien Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article VIII. The Second Lien Trustee shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Notes so discharged or defeased.

SECTION 8.04 Repayment to Issuer. Each of the Second Lien Trustee and each Paying Agent shall promptly turn over to the Issuers upon request any money or U.S. Government Obligations held by it as provided in this Article VIII that, in the written opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm, delivered to the Second Lien Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent discharge or defeasance of Notes in accordance with this Article VIII.

Subject to any applicable abandoned property law, the Second Lien Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, holders entitled to the money must look to the Issuers for payment as general creditors, and the Second Lien Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05 Indemnity for U.S. Government Obligations. The Issuers shall pay and shall indemnify the Second Lien Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06 Reinstatement. If the Second Lien Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Second Lien Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided*, *however*, that, if the Issuers have made any payment of principal of, premium, if any, or interest on, any such Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Second Lien Trustee or any Paying Agent.

ARTICLE IX

SECTION 9.01 Without Consent of the Holders.

(a) Without notice to or the consent of any holder, the Issuers, the Second Lien Trustee and/or the Second Lien Collateral Agent, as applicable, may amend or supplement any of the Note Documents (including any of the Second Lien Collateral Documents) and the Issuer may direct the Second Lien Trustee and/or the Second Lien Collateral Agent, and the Second Lien Trustee and/or the Second Lien Collateral Agent, as applicable, shall, enter into an amendment to any of the Note Documents:

(iv) to provide for uncertificated Notes in addition to or in place of certificated Notes, *provided*, *however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code;

(v) [reserved];

(vi) to add a Guarantee or collateral with respect to the Notes;

(vii) to secure the Notes or to add additional assets as Second Lien Collateral;

(viii) to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture, the Second Lien Collateral Documents or the Intercreditor Agreements, as applicable;

(ix) to add to the covenants of the Parent or the Issuers for the benefit of the holders of the Notes or to surrender any right or power herein conferred upon the Parent or the Issuers;

(x) to make any change that does not adversely affect the rights of any holder of the Notes in any material respect;

(xi) to give effect to any provision of this Indenture or any other Note Document, in the case of amendments to Note Documents other than this Indenture, or to make changes to this Indenture to provide for the issuance of Additional Notes;

(xii) to provide for the release of Second Lien Collateral from the Lien pursuant to this Indenture, the Second Lien Collateral Documents and the Intercreditor Agreements when permitted or required by the Second Lien Collateral Documents, this Indenture or the Intercreditor Agreements; or

(xiii) to secure any Indebtedness or other obligations to the extent permitted under this Indenture, the Second Lien Collateral Documents and the Intercreditor Agreements.

(b) After an amendment under this Section 9.01 becomes effective, the Issuers shall mail, or otherwise deliver in accordance with the procedures of the Depository, to the holders a notice briefly describing such amendment. The failure to give such notice to all holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02 With Consent of the Holders. The Issuers and the Second Lien Trustee may amend any of the Note Documents, and any past Default or compliance with any provisions of any of the Note Documents may be waived, with the consent of the Issuers and the holders of a majority in principal amount of the Notes then outstanding. However, without the consent of each holder of an outstanding Note affected, no amendment or waiver may:

(1) reduce the amount of Notes whose holders must consent to an amendment,

(2) reduce the rate of or extend the time for payment of interest on any Note,

(3) reduce the principal of or change the Stated Maturity of any Note,

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed in accordance with Article III,

(5) make any Note payable in money other than that stated in such Note,

(6) expressly subordinate the Notes or any Guarantee to any other Indebtedness of an Issuer or any Guarantor (other than as contemplated herein with respect to the Cadence IP Licensee),

(7) impair the right of any holder to receive payment of principal of, premium, if any, and interest on such holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such holder's Notes,

(8) make any change in the provisions of the Note Documents dealing with the application of proceeds of Second Lien Collateral that would adversely affect the holders of the Notes in any material respect, or

(9) make any change in the amendment provisions which require consent of each holder of a Note or in the waiver provisions as they relate to the Notes.

Notwithstanding the foregoing, except in accordance with Section 9.01, no amendment or waiver may, without the consent of each holder of an outstanding Note, amend Section 9.02 or any other provision hereof specifying the number or percentage of holders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder.

Except for any release contemplated by this Indenture, without the consent of the holders of at least 66 2/3% in principal amount of the Notes then outstanding, no amendment, supplement or waiver may release all or substantially all of the Second Lien Collateral from the Lien of this Indenture and the Second Lien Collateral Documents with respect to the Notes and Guarantees.

In addition, except for any release contemplated by this Indenture, without the consent of the holders of at least 66 2/3% in principal amount of the Notes then outstanding, no amendment, supplement or waiver may release the Guarantee with respect to the Notes of one or more Guarantors that individually or in the aggregate had (i) assets, as of the last day of the fiscal quarter of the Parent most recently ended, in excess of 75 % of the assets of the Issuers and all Guarantors, taken as a whole, as of such date or (ii) EBITDA for the last four fiscal quarter period of the Parent most recently ended, in excess of 75% of the EBITDA of the Issuers and all Guarantors, taken as a whole, for such period.

It shall not be necessary for the consent of the holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuers shall mail, or otherwise deliver in accordance with the procedures of the Depository, to the holders a notice briefly describing such amendment. The failure to give such notice to all holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03 Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a holder of a Note shall bind the holder and every subsequent holder of that Note or portion of the Note that evidences the same debt as the consenting holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such holder or subsequent holder may revoke the consent or waiver as to such holder's Note or portion of the Note if the Second Lien Trustee receives the notice of revocation before the date on which the Second Lien Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Notes have consented. After an amendment or waiver becomes effective with respect to the Notes, it shall bind every holder of Notes. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Second Lien Trustee of consents by the holders of the requisite principal amount of Notes, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers, the Guarantors and the Second Lien Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the holders of Notes entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were holders of the Notes at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be holders of the Notes after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04 Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Issuer may require the holder of such Note to deliver it to the Second Lien Trustee. The Second Lien Trustee may place an appropriate notation on such Note regarding the changed terms and return it to the holder. Alternatively, if the Issuer or the Second Lien Trustee so determine, the Issuer in exchange for such Note shall issue and, upon written order of the Issuer signed by an Officer, the Second Lien Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.05 Second Lien Trustee and Second Lien Collateral Agent to Sign Amendments. The Second Lien Trustee and the Second Lien Collateral Agent shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Second Lien Trustee or the Second Lien Collateral Agent, as applicable. If it does, the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, may but need not sign it. In signing such amendment, the Second Lien Trustee and the Second Lien Collateral Agent shall be entitled to receive indemnity satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, (i) an Officers' Certificate stating that such amendment, supplement or waiver is authorized or permitted by this Indenture, (ii) an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and, with respect to any supplement relating to any Additional Notes, that such supplement is the

legal, valid and binding obligation of the Issuers and any Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof, (iii) with respect to any supplement relating to any Additional Notes, a copy of the resolution of the Board of Directors, certified by the Secretary or Assistant Secretary of the Issuer, authorizing the execution of such amendment, supplement or waiver and (iv) if such amendment, supplement or waiver is executed pursuant to Section 9.02, evidence reasonably satisfactory to the Second Lien Trustee and the Second Lien Collateral Agent of the consent of the holders of Notes required to consent thereto.

SECTION 9.06 Additional Voting Terms; Calculation of Principal Amount. All Notes issued under this Indenture shall vote and consent together on all matters as one class and no Notes will have the right to vote or consent as a separate class on any matter. Determinations as to whether holders of Notes of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article IX and Section 2.13.

GUARANTEE

SECTION 12.01 Guarantee.

(a) Each Guarantor hereby jointly and severally guarantees, on a secured, unsubordinated basis, as a primary obligor and not merely as a surety, to each holder and to the Second Lien Trustee and its successors and assigns the performance and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all obligations of the Issuers under this Indenture and the Notes, whether for payment of principal of, premium, if any, or interest on the Notes and all other monetary obligations of the Issuer under this Indenture and the Notes, expenses, indemnification or otherwise (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"); *provided, however,* that any Guarantee provided by the Cadence IP Licensee shall be subordinated in right of payment to the Cadence IP Licensee's obligations in respect of any secured Bank Indebtedness which by its terms requires such subordination. Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from any Guarantor, and that each Guarantor shall remain bound under this Article XII notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The Guarantee of each Guarantor hereunder shall not be affected by (i) the failure of any holder or the Second Lien Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any security held by any holder or the Second Lien Trustee for the Guaranteed Obligations or each Guarantor; (v) the failure of any holder or Second Lien Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of each Guarantor, except as provided in Section 12.02(b). Each Guarantor hereby waives any right to which it may be entitled to have its Guarantee hereunder divided among the Guarantors, such that such Guarantor's Guarantee would be less than the full amount claimed.

(c) Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuers first be used and depleted as payment of the Issuers' obligations under this Indenture and the Issuers' or such Guarantor's Guarantee hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuers be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment and, performance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any holder or the Second Lien Trustee to any security held for payment of the Guaranteed Obligations.

(e) The Guarantee of each Guarantor is, to the extent and in the manner set forth in Article XII, equal in right of payment to all existing and future Pari Passu Indebtedness, senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the Guarantee of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guarantee of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any holder or the Second Lien Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(g) Except as expressly set forth in Section 12.02(b), each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations of such Guarantor. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any holder or the Second Lien Trustee upon the bankruptcy or reorganization of an Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any holder or the Second Lien Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Second Lien Trustee, forthwith pay, or cause to be paid, in cash, to the holders or the Second Lien Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuers to the holders and the Second Lien Trustee.

(i) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the holders and the Second Lien Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article VI, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 12.01.

(j) Each Guarantor also agrees to pay any and all costs and expenses (including out-of-pocket attorneys' fees and expenses) incurred by the Second Lien Trustee in enforcing any rights under this Section 12.01.

(k) Upon request of the Second Lien Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary to carry out more effectively the purpose of this Indenture.

SECTION 12.02 Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by each Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or under any applicable mandatory corporate law or capital maintenance or corporate benefit rules applicable to guarantees for obligations of affiliates. In addition, each Guarantee is subject to the Applicable Guarantee Limitations applicable thereto, if any.

(b) A Guarantee as to any Guarantor (other than, in the case of clauses (i) and (ii) below, a Guarantee of the Parent) shall automatically terminate and be of no further force or effect and such Guarantor shall be automatically released from all obligations under this Article XII upon:

(i) the sale, disposition, exchange or other transfer (including through merger, consolidation, amalgamation or otherwise) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Guarantor is no longer a Restricted Subsidiary), of the applicable Guarantor to a Person that is not an Issuer or a Guarantor if such sale, disposition, exchange or other transfer is made in a manner not in violation of this Indenture;

(ii) the designation of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of Section 4.04 and the definition of "Unrestricted Subsidiary";

(iii) the release or discharge of the guarantee by such Guarantor of the Indebtedness under (i) the Credit Agreement and (ii) any Capital Markets Indebtedness of the Parent, any Issuer or any of the other Guarantors which created the obligation to guarantee the Notes;

(iv) the Issuers' exercise of their legal defeasance option or covenant defeasance option under Article VIII or if the Issuers' obligations under this Indenture are discharged in accordance with the terms of this Indenture; or

(v) such Restricted Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing Bank Indebtedness or other exercise of remedies in respect thereof.

(c) The Guarantee (if any) of the Parent will only be released upon (iii) and (iv) above or upon the disposition of all or substantially all of the assets of the Parent in accordance with Section 5.01 in a transaction or series of related transactions that constitutes a Change of Control.

SECTION 12.03 [Intentionally Omitted].

SECTION 12.04 Successors and Assigns. This Article XII shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of and be enforceable by the successors and assigns of the Second Lien Trustee and the holders and, in the event of any transfer or assignment of rights by any holder or the Second Lien Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.05 No Waiver. Neither a failure nor a delay on the part of either the Second Lien Trustee or the holders in exercising any right, power or privilege under this Article XII shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Second Lien Trustee and the holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article XII at law, in equity, by statute or otherwise.

SECTION 12.06 Modification. No modification, amendment or waiver of any provision of this Article XII, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Second Lien Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.07 Execution of Supplemental Indenture for Future Guarantors. Each Subsidiary which is required to become a Guarantor of the Notes pursuant to Section 4.11 shall promptly execute and deliver to the Second Lien Trustee a supplemental indenture substantially in the form of Exhibit C hereto pursuant to which such Subsidiary shall become a Guarantor under this Article XII and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuers shall deliver to the Second Lien Trustee an Opinion of Counsel and an Officers' Certificate as provided under Section 9.05.

SECTION 12.08 Non-Impairment. The failure to endorse a Guarantee on any Note shall not affect or impair the validity thereof.

SECTION 12.09 [Intentionally Omitted].

SECTION 12.10 Luxembourg Guarantee Limitation.

(a) Notwithstanding any provision to the contrary in this Indenture, any First Lien Financing Document and/or any other Second Lien Financing Document (each as defined in the First Priority/Second Priority Intercreditor Agreement), any agreement governing any other Indebtedness and/or any agreement governing the Opioid Settlement (to be entered into from time to time), the maximum liability of any Guarantor which is incorporated or established in Luxembourg (the "Luxembourg Guarantor") under the Guarantee together with any similar personal guarantee or indemnity obligation of that Luxembourg Guarantor under or in connection with any First Lien Financing Document and/or any Second Lien Financing Document, any agreement governing any other Indebtedness and/or any agreement governing the Opioid Settlement (to be entered into from time to time) for the obligations of any Guarantor which is not a direct or indirect subsidiary of the Luxembourg Guarantor shall be limited to an amount not exceeding the greater of (without double counting):

(i) 90 per cent of that Luxembourg Guarantor's own funds (*capitaux propres*) as referred to in Annex I to the Grand-Ducal Regulation dated 18 December 2015 setting out the form and content of the presentation of the balance sheet and profit and loss account, enforcing the Luxembourg act of 19 December 2002 concerning the trade and companies register and the accounting and annual accounts of undertakings, as amended (the "Regulation") as increased by the amount of any Subordinated Indebtedness, each as reflected in the most recent financial information of the relevant Lux Guarantor available to the Second Lien Trustee as at the date of this Agreement, including, without limitation, its most recently and duly approved financial statements (*comptes annuels*) and any (unaudited) interim financial statements signed by its board of managers (*conseil de gérance*) or by its board of directors (*conseil d'administration*) (as applicable); or

(ii) 90 per cent of that Luxembourg Guarantor's own funds (*capitaux propres*) as referred to in the Regulation as increase by the amount of any Subordinated Indebtedness, each as reflected in the most recent financial information of the relevant Lux Guarantor available to the Second Lien Trustee as at the date the guarantee is called, including, without limitation, its most recently and duly approved financial statements (*comptes annuels*) and any (unaudited) interim financial statements signed by its board of managers (*conseil de gérance*) or by its board of directors (*conseil d'administration*) (as applicable).

(i) a misuse of the corporate assets as defined in article 1500-11 of the Luxembourg Act dated 10 August 1915 concerning commercial companies, as amended (the "Companies Act 1915") or any other law or regulation having the same effect as interpreted by Luxembourg courts; or

SECTION 12.11 Irish and General Guarantee Limitations. Notwithstanding any provision to the contrary in any First Lien Financing Document and/or any Second Lien Financing Document, the Guarantee shall not include any liability to the extent that a guarantee thereof would result in this Guarantee constituting unlawful financial assistance within the meaning of section 82 of the Irish Companies Act 2014 (as amended) or a breach of section 239 of the Irish Companies Act 2014 (as amended) or any equivalent and applicable provisions under the laws of any other relevant jurisdiction.

SECTION 12.12 Cadence IP Licensee Subordination.

(a) Any Guarantee provided by the Cadence IP Licensee hereunder shall be subordinate in right of payment, to the extent and in the manner hereinafter set forth, to any secured Bank Indebtedness which by its terms requires such subordination, including, without limitation, all Obligations (as defined in the agreement described in clause (i) of the definition of the term "Credit Agreement"), Notes Obligations (as defined in the Existing First Lien Notes Indenture) and Notes Obligations (as defined in the New First Lien Notes Indenture), in each case of the Cadence IP Licensee (all such Indebtedness being hereinafter collectively referred to as "Senior Indebtedness"), until the latest to occur of (x) with respect to Senior Indebtedness of the kind described in clause (i) of the definition of "Credit Agreement", the occurrence of the "Termination Date" (as defined in the Credit Agreement applicable to such Senior Indebtedness) and (y) with respect to any other Senior Indebtedness, the date of payment in full in cash of such Senior Indebtedness (other than contingent obligations as to which no claim has been made) (such latest date to occur, the "Payoff Date"); provided that the Cadence IP Licensee may make payments under its Guarantee unless an event of default has occurred under such Senior Indebtedness shall have occurred and be continuing and the Cadence IP Licensee shall have received notice from a Senior Indebtedness Representative (provided that no such notice shall be required to be given in the case of any event of default resulting from circumstances of the kind described in Section 12.12(b)). For all purposes herein, the term "Senior Indebtedness Representative" shall mean any administrative agent or trustee for, or other similar representative of, the holders of any such Senior Indebtedness.

(b) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relating to the Cadence IP Licensee or to its property, and in the event of any proceedings for involuntary liquidation, dissolution or other winding up of the Cadence IP Licensee, or any voluntary liquidation, dissolution or other winding up of the Cadence IP Licensee that violates the terms of, or would result in an event of default under, any document governing or evidencing any Senior Indebtedness, whether or not involving insolvency or bankruptcy, in each case in any jurisdiction, then, if an event of default under any Senior Indebtedness has occurred and is continuing (including as a result of such event), (x) the Payoff Date shall have occurred before the Second Lien Trustee or any noteholder shall be entitled to receive (whether directly or indirectly), or make any demand for, any payment from the Cadence IP Licensee on account of the Cadence IP Licensee's Guarantee and (y) until the Payoff Date shall have occurred, any such payment or distribution to which the Second Lien Trustee or any noteholder would otherwise be entitled, whether in cash, property or securities (other than a payment of debt securities of the Cadence IP Licensee that are subordinated in right of payment to the Senior Indebtedness to at least the same extent as Cadence IP Licensee's Guarantee is subordinated in right of payment to the Senior Indebtedness then outstanding (such securities being hereinafter referred to as "Restructured Debt Securities")) shall instead be made to the applicable Senior Indebtedness Representative.

(c) If any event of default under any document governing or evidencing any Senior Indebtedness has occurred and is continuing and after notice from the applicable Senior Indebtedness Representative (provided that no such notice shall be required to be given in the case of any event of default described in Section 12.12(b)), then until the earliest to occur of (x) the Payoff Date, (y) the date on which such event of default shall have been cured or waived and (z) the date on which such Senior Indebtedness Representative shall have rescinded such notice, no payment or distribution of any kind or character, whether in cash, securities or other property (other than Restructured Debt Securities) shall be made by or on behalf of the Cadence IP Licensee, or any other person on its behalf, with respect to the Cadence IP Licensee's Guarantee.

(d) If any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), and whether directly, by purchase, redemption, exercise of any right of setoff or otherwise, with respect to the Cadence IP Licensee's Guarantee shall (despite the subordination provisions set forth in this Section 12.12) be received by the Second Lien Trustee or any noteholder in violation of Sections 12.12(b) or (c) above prior to the occurrence of the Payoff Date, such payment or distribution shall be held by the Second Lien Trustee or such note-holder, as applicable, in trust (segregated from other property of the Second Lien Trustee or such noteholder, as applicable) for the benefit of each applicable Senior Indebtedness Representative, and shall be paid over or delivered to any applicable Senior Indebtedness Representatives promptly upon receipt.

(e) The Second Lien Trustee and each noteholder waive the right to compel that any property of the Cadence IP Licensee or any property of any guarantor of any Senior Indebtedness or any other person be applied in any particular order to discharge such Senior Indebtedness. The Second Lien Trustee and each noteholder expressly waive the right to require any Senior Indebtedness Representative or any other holder of Senior Indebtedness to proceed against the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person, or to pursue any other remedy in its or their power that the Second Lien Trustee or such noteholder, as applicable, cannot pursue and that would lighten burden of the Second Lien Trustee or such noteholder, as applicable, notwithstanding that the failure of any Senior Indebtedness Representative or any such other holder to do so may thereby prejudice the Second Lien Trustee or such noteholder. The Second Lien Trustee and each noteholder agree that it shall not be discharged, exonerated or have its obligations hereunder reduced by the delay of any Senior Indebtedness Representative or any other holder of Senior Indebtedness in proceeding against or enforcing any remedy against the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person; by any Senior Indebtedness Representative or any holder of Senior Indebtedness releasing the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person from all or any part of the Senior Indebtedness; or by the discharge of the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person by an operation of law or otherwise, with or without the intervention or omission of any Senior Indebtedness Representative or any such holder.

(f) The Second Lien Trustee and each noteholder waive all rights and defenses arising out of an election of remedies by any Senior Indebtedness Representative or any other holder of Senior Indebtedness, even though that election of remedies, including any nonjudicial foreclosure with respect to any property securing any Senior Indebtedness, has impaired the value of the rights of the Second Lien Trustee or such noteholder, as applicable, of subrogation, reimbursement, or contribution against the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person. Each of the Second Lien Trustee and each noteholder expressly waives any rights or defenses it may have by reason of protection afforded to the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person with respect to the Senior Indebtedness pursuant to any anti deficiency laws or other laws of similar import that limit or discharge the principal debtor's indebtedness upon judicial or nonjudicial foreclosure of property or assets securing any Senior Indebtedness.

(g) Each of the Second Lien Trustee and each noteholder agrees that, without the necessity of any reservation of rights against it, and without notice to or further assent by it, any demand for payment of any Senior Indebtedness made by a Senior Indebtedness Representative or any other holder of Senior Indebtedness may be rescinded in whole or in part by such Senior Indebtedness Representative or such holder, and any Senior Indebtedness may be continued, and any Senior Indebtedness or the liability of the Second Lien Trustee or any noteholder, any guarantor thereof or any other person obligated thereunder, or any right of offset with respect

thereto, may, from time to time, in whole or in part, be renewed, extended, increased, modified, accelerated, compromised, waived, surrendered or released by any Senior Indebtedness Representative or any other holder of Senior Indebtedness, in each case without notice to or further assent by the Second Lien Trustee or such noteholder, as applicable, which will remain bound hereunder, and without impairing, abridging, releasing or affecting the subordination provided for in this Section 12.12.

(h) The Second Lien Trustee and each noteholder waive any and all notice of the creation, renewal, extension, increase or accrual of any Senior Indebtedness, and any and all notice of or proof of reliance by holders of Senior Indebtedness upon the subordination provisions set forth in this Section 12.12. The Senior Indebtedness shall be deemed conclusively to have been created, contracted or incurred, and the consent to create the obligations of the Second Lien Trustee and each noteholder under this Section 12.12 shall be deemed conclusively to have been given, in reliance upon the subordination provisions set forth in this Section 12.12.

(i) To the maximum extent permitted by law, the Second Lien Trustee and each noteholder waives any claim it might have against any Senior Indebtedness Representative or any other holder of Senior Indebtedness with respect to, or arising out of, any action or failure to act or any error of judgment, negligence, or mistake or oversight whatsoever on the part of such Senior Indebtedness Representative or any such holder, or any of their controlled and controlling Affiliates and their respective directors, trustees, officers, employees, agents, advisors and members and controlled and controlling Affiliates (collectively, the "Related Parties"), with respect to any exercise of rights or remedies under the documents governing or evidencing such Senior Indebtedness, except to the extent due to the gross negligence or willful misconduct of such Senior Indebtedness Representative or any such holder, as the case may be, or any of its Related Parties, as determined by a court of competent jurisdiction in a final and nonappealable judgment. None of any Senior Indebtedness Representative, any other holder of Senior Indebtedness or any of their Related Parties shall be liable for failure to demand, collect or realize upon any guarantee of any Senior Indebtedness, or for any delay in doing so, or shall be under any obligation to sell or otherwise dispose of any property upon the request of the Cadence IP Licensee, the Second Lien Trustee, any noteholder or any other person or to take any other action whatsoever with regard to any such guarantee or any other property.

(j) Subject to the occurrence of the Payoff Date, the Second Lien Trustee and the noteholders shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of the Cadence IP Licensee applicable to the Senior Indebtedness until the Payoff Date, and for the purpose of such subrogation no payments or distributions to the holders of the Senior Indebtedness by or on behalf of the Cadence IP Licensee or by or on behalf of the Second Lien Trustee or any noteholder by virtue of this Section 12.12 which otherwise would have been made to the Second Lien Trustee or any noteholder shall, as between the Cadence IP Licensee, its creditors other than the holders of Senior Indebtedness, the Second Lien Trustee and the noteholders, be deemed to be payment by the Cadence IP Licensee to or on account of the Senior Indebtedness, it being understood that the provisions of this Section 12.12 are and are intended solely for the purpose of defining the relative rights of the Second Lien Trustee and the noteholders, on the one hand, and the holders of the Senior Indebtedness, on the other hand.

(k) The Second Lien Trustee, each noteholder and the Cadence IP Licensee hereby agree that the subordination provisions set forth in this Section 12.12 are for the benefit of each Senior Indebtedness Representative and the other holders of Senior Indebtedness. Each Senior Indebtedness Representative and the other holders of Senior Indebtedness are beneficiaries of this Section 12.12 to the same extent as if they were parties hereto and each applicable Senior Indebtedness Representative may, on behalf of itself and such other holders, proceed to enforce the subordination provisions set forth in this Section 12.12.

(l) All rights and interests of each Senior Indebtedness Representative and the other holders of Senior Indebtedness hereunder, and the subordination provisions and the related agreements of the Cadence IP Licensee set forth in this Section 12.12, shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any document governing or evidencing any Senior Indebtedness;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Senior Indebtedness or any amendment or waiver or other modification, whether by course of conduct or otherwise, of, or consent to departure from any document governing or evidencing any Senior Indebtedness;

(iii) any release, amendment, supplement, waiver or other modification, whether in writing or by course of conduct or otherwise, of or consent to departure from, any guarantee by the Cadence IP Licensee of any Senior Indebtedness; or

(iv) any other circumstances that might otherwise constitute a defense available to, or a discharge of, the Cadence IP Licensee in respect of any Senior Indebtedness or of the Cadence IP Licensee, the Second Lien Trustee or any noteholder in respect of the subordination provisions set forth in this Section 12.12.

(m) Nothing contained in the subordination provisions set forth in this Section 12.12 is intended to or will impair, as between the Cadence IP Licensee, on the one hand, and the Second Lien Trustee and the noteholders, on the other hand, the obligations of the Cadence IP Licensee, which are absolute and unconditional, to pay to the Second Lien Trustee and the noteholders any amount owing under its Guarantee as and when due and payable in accordance with the terms thereof, or is intended to or will affect the relative rights of the Second Lien Trustee or any noteholder and other creditors of the Cadence IP Licensee other than each Senior Indebtedness Representative and the other holders of Senior Indebtedness.

(n) Until the Payoff Date shall have occurred, no amendment, modification or waiver of, or consent with respect to, any provisions of this Section 12.12 shall be effective unless each Senior Indebtedness Representative shall have provided its prior written consent to such amendment, modification, waiver or consent (such consent not to be unreasonably withheld or delayed).

(o) If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made by the Cadence IP Licensee or any other person or entity is rescinded or must otherwise be returned by the holders of the Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Cadence IP Licensee or such other person or entity), the subordination provisions set forth in this Section 12.12 shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

(p) Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of U.S. Government Obligations held in trust under Article VIII by the Second Lien Trustee and deposited at a time when permitted by the subordination provisions of this Section 12.12 for the payment of principal of and interest on the Notes shall not be subordinated to the prior payment of any Senior Indebtedness or subject to the restrictions set forth in this Section 12.12, and none of the noteholders shall be obligated to pay over any such amount to any holder of Senior Indebtedness.

ARTICLE XIII

COLLATERAL

SECTION 13.01 Second Lien Collateral Documents. Subject (where applicable) to the Agreed Guarantee and Security Principles, the Second Priority Notes Obligations shall be secured as provided in the Second Lien Collateral Documents, which define the terms of the Liens that secure the Second Priority Notes Obligations, subject to the terms of the Intercreditor Agreements. The Second Lien Trustee and the Issuers hereby acknowledge and agree that the Second Lien Collateral Agent holds the Second Lien Collateral in trust for the benefit of the holders of the Notes and the Second Lien Trustee and pursuant to the terms of the Second Lien Collateral Documents and the Intercreditor Agreements and subject, where applicable, to the Agreed Guarantee and Security Principles. Each holder, by accepting a Note, consents and agrees to the terms of the Second Lien Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of Second Lien Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Second Lien Collateral Agent to enter into the Second Lien Collateral Documents and the Intercreditor Agreements and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuers shall deliver to the

Second Lien Collateral Agent copies of all documents required to be filed pursuant to the Second Lien Collateral Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 13.01, to assure and confirm to the Second Lien Collateral Agent the security interest in the Second Lien Collateral contemplated hereby, by the Second Lien Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes, according to the intent and purposes herein expressed. The Issuer shall, and shall cause the Restricted Subsidiaries to, take any and all actions and make all filings (including the filing of UCC financing statements, continuation statements and amendments thereto) required to cause the Second Lien Collateral Documents to create and maintain, as security for the Second Priority Notes Obligations of the Issuers and the Guarantors, a valid and enforceable perfected Lien and security interest in and on all of the Second Lien Collateral (subject to the terms of the Intercreditor Agreements and the Second Lien Collateral Documents and (where applicable) the Agreed Guarantee and Security Principles), in favor of the Second Lien Collateral Agent for the benefit of the holders and the Second Lien Trustee.

SECTION 13.02 Release of Second Lien Collateral.

(a) The Liens securing the Notes will automatically and without the need for any further action by any Person be released, and the Second Lien Trustee (subject to its receipt of an Officers' Certificate and Opinion of Counsel as provided in Section 13.02(b)) shall execute documents evidencing such release, or instruct the Second Lien Collateral Agent to execute, as applicable, the same at the Issuer's sole cost and expense, under one or more of the following circumstances:

(i) in whole, as to all property subject to such Liens, upon:

(A) payment in full of the principal of, accrued and unpaid interest and premium, if any, on the Notes; or

(B) satisfaction and discharge of this Indenture in accordance with its terms; or

(C) legal defeasance or covenant defeasance of this Indenture under Article VIII hereof;

(ii) in part, as to any property that (a) is sold, transferred or otherwise disposed of by an Issuer or a Guarantor (other than to an Issuer or a Guarantor) in a transaction not prohibited by this Indenture or (b) is owned or at any time acquired by a Guarantor that has been released from its Guarantee, concurrently with the release of such Guarantee;

(iii) as to property that constitutes all or substantially all of the Second Lien Collateral securing the Notes, with the consent of the holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding;

(iv) as to property that constitutes less than all or substantially all of the Second Lien Collateral securing the Notes, with the consent of the holders of a majority of the aggregate principal amount of the Notes then outstanding;

(v) if such property becomes Excluded Property or Excluded Securities, as applicable; or

(vi) in accordance with the applicable provisions of the Second Lien Collateral Documents and the Intercreditor Agreements.

(b) With respect to any release of Second Lien Collateral, upon receipt of an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture to such release have been met and that it is proper for the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, to execute and deliver the documents requested by the Issuer in connection with such release, and any necessary or proper instruments of termination, satisfaction, discharge or release prepared by the Issuer, the Second Lien Trustee shall, or shall cause the Second Lien Collateral Agent to, execute, deliver or acknowledge (at the Issuer's expense) such instruments or releases to evidence the release and discharge of any Second Lien Collateral permitted to be released pursuant to this Indenture and such documents shall be without recourse to or warranty by the Second Lien Collateral Agent. Neither the Second Lien Trustee nor the Second Lien Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers' Certificate or Opinion of Counsel.

SECTION 13.03 Suits to Protect the Second Lien Collateral. Subject to the provisions of Article VII hereof and the Second Lien Collateral Documents and the Intercreditor Agreements, the Second Lien Trustee, without the consent of the holders of the Notes, on behalf of the holders of the Notes, may or may direct the Second Lien Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Second Lien Collateral Documents; and

(b) collect and receive any and all amounts payable in respect of the Second Priority Notes Obligations.

Subject to the provisions of the Second Lien Collateral Documents and the Intercreditor Agreements, the Second Lien Trustee and the Second Lien Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Second Lien Trustee may determine to prevent any impairment of the Second Lien Collateral by any acts which may be unlawful or in violation of any of the Second Lien Collateral Documents or this Indenture, and such suits and proceedings as the Second Lien Trustee may determine to preserve or protect its interests and the interests of the holders of the Notes in the Second Lien Collateral. Nothing in this Section 13.03 shall be considered to impose any such duty or obligation to act on the part of the Second Lien Trustee or the Second Lien Collateral Agent.

SECTION 13.04 Authorization of Receipt of Funds by the Second Lien Trustee under the Second Lien Collateral Documents. Subject to the provisions of the Intercreditor Agreements, the Second Lien Trustee is authorized to receive any funds for the benefit of the holders of the Notes distributed under the Second Lien Collateral Documents, and to make further distributions of such funds to the holders of the Notes according to the provisions of this Indenture.

SECTION 13.05 Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Second Lien Collateral Agent or the Second Lien Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XIII to be sold be under any obligation to ascertain or inquire into the authority of the applicable Issuers or Guarantors to make any such sale or other transfer.

SECTION 13.06 Powers Exercisable by Receiver or Trustee. In case the Second Lien Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XIII upon the Issuers or Guarantors with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuers or Guarantors or of any Officer or Officers thereof required by the provisions of this Article XIII; and if the Second Lien Trustee shall be in the possession of the Second Lien Collateral under any provision of this Indenture, then such powers may be exercised by the Second Lien Trustee.

SECTION 13.07 Release upon Termination of the Issuers' Obligations. In the event that the Issuer delivers to the Second Lien Trustee and the Second Lien Collateral Agent an Officers' Certificate certifying that (i) payment in full of the principal of, premium (if any), together with accrued and unpaid interest on, the Notes and all other Second Priority Notes Obligations that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid or (ii) the Issuers shall have exercised their legal defeasance option or their covenant defeasance option, in each case in compliance with the provisions of Article VIII, and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such notice by the Second Lien Trustee have been satisfied, the Second Lien Trustee shall deliver to the Issuers and the Second Lien Collateral Agent a notice stating that the Second Lien Trustee, on behalf of the holders of the Notes, disclaims and gives up any and all

rights it has in or to the Second Lien Collateral (other than with respect to funds held by the Second Lien Trustee pursuant to Article VIII), and any rights it has under the Second Lien Collateral Documents, and upon receipt by the Second Lien Collateral Agent of such notice, the Second Lien Collateral Agent shall be deemed not to hold a Lien in the Second Lien Collateral on behalf of the Second Lien Trustee or the holders of the Notes and shall do or cause to be done (at the expense of the Issuer) all acts reasonably requested by the Issuer to release and discharge such Lien as soon as is reasonably practicable without recourse to or warranty by the Second Lien Collateral Agent.

SECTION 13.08 Second Lien Collateral Agent.

(a) The Second Lien Trustee and each of the holders of the Notes, by acceptance of the Notes, hereby designates and appoints the Second Lien Collateral Agent as its agent under the Note Documents and the Second Lien Trustee and each of the holders of the Notes, by acceptance of the Notes, hereby irrevocably authorizes the Second Lien Collateral Agent to take such action on its behalf under the provisions of the Note Documents and to exercise such powers and perform such duties as are expressly delegated to the Second Lien Collateral Agent by the terms of the Note Documents, and consents and agrees to the terms of the Intercreditor Agreements and each Second Lien Collateral Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Second Lien Collateral Agent agrees to act as such on the express conditions contained in this Section 13.08. The provisions of this Section 13.08 are solely for the benefit of the Second Lien Collateral Agent and none of the Second Lien Trustee, any of the holders of the Notes nor any of the Issuers or Guarantors shall have any rights as a third party beneficiary of any of the provisions contained herein other than as expressly provided in Section 13.03. Each holder of the Notes agrees that any action taken by the Second Lien Collateral Agent in accordance with the provision of the Note Documents, and the exercise by the Second Lien Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all holders of the Notes. Notwithstanding any provision to the contrary contained elsewhere in the Note Documents, the duties of the Second Lien Collateral Agent shall be ministerial and administrative in nature, and the Second Lien Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the other Note Documents to which the Second Lien Collateral Agent is a party, nor shall the Second Lien Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Second Lien Trustee, any holder of the Notes or any Issuer or Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into the Note Documents exist against the Second Lien Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the Second Lien Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Second Lien Collateral Agent may perform any of its duties under the Note Documents by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates, (a "Related Person") and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in good faith and in accordance with the advice or opinion of such counsel. The Second Lien Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made with due care.

(c) None of the Second Lien Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with any Note Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment) or under or in connection with any Second Lien Collateral Document or Intercreditor Agreement or the transactions contemplated thereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment), or (ii) be responsible in any manner to any of the Second Lien Trustee or any holder of the Notes for any recital, statement, representation, warranty, covenant or agreement made by any Issuer or Guarantor or Affiliate of any Issuer or Guarantor, or any Officer or Related Person thereof, contained in this Indenture, or any other Note Documents, or in any certificate, report, statement or other document referred to or provided for in, or received by the Second Lien Collateral Agent under or in connection with, any of the Note Documents, or the validity,

effectiveness, genuineness, enforceability or sufficiency of any of the Note Documents, or for any failure of any Issuer or Guarantor or any other party to any of the Note Documents to perform its obligations hereunder or thereunder. None of the Second Lien Collateral Agent or any of its respective Related Persons shall be under any obligation to the Second Lien Trustee or any holder of the Notes to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, any of the Note Documents or to inspect the properties, books, or records of any Issuer or Guarantor or any Affiliates of any Issuer or Guarantor.

(d) The Second Lien Collateral Agent shall be entitled to rely, and shall be fully protected in relying, in good faith upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts and advisors selected by the Second Lien Collateral Agent. The Second Lien Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Second Lien Collateral Agent shall be fully justified in failing or refusing to take any action under any Note Document unless it shall first receive such advice or concurrence of the Second Lien Trustee as it determines. The Second Lien Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under the Note Documents in accordance with a request, direction, instruction or consent of the Second Lien Trustee.

(e) The Second Lien Collateral Agent shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Second Lien Collateral Agent has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Second Lien Collateral Agent and such notice references the Notes and this Indenture.

(f) The Second Lien Collateral Agent may resign at any time by notice to the Second Lien Trustee and the Issuers, such resignation to be effective upon the acceptance of a successor agent to its appointment as Second Lien Collateral Agent. If the Second Lien Collateral Agent resigns under this Indenture, the Issuers shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Second Lien Collateral Agent (as stated in the notice of resignation), the Second Lien Collateral Agent may appoint, after consulting with the Second Lien Trustee, subject to the consent of the Issuers (which shall not be unreasonably withheld and which shall not be required during a continuing Event of Default), a successor collateral agent. If no successor collateral agent is appointed and consented to by the Issuers pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the resigning Second Lien Collateral Agent's resignation shall nevertheless thereupon become effective (except in the case of the Second Lien Collateral Agent holding collateral security on behalf of the holders of the Notes, the retiring the Second Lien Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor collateral agent is appointed), and the holders of the Notes shall assume and perform all of the duties of the Second Lien Collateral Agent hereunder until such time, if any, as the holders of the Notes appoint a successor collateral agent as provided for above. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Second Lien Collateral Agent, and the term "Second Lien Collateral Agent" shall mean such successor collateral agent, and the retiring Second Lien Collateral Agent's appointment, powers and duties as the Second Lien Collateral Agent shall be terminated. After the retiring Second Lien Collateral Agent's resignation hereunder, the provisions of this Section 13.08 (and Section 7.07) shall continue to inure to its benefit and the retiring Second Lien Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Second Lien Collateral Agent under this Indenture.

(g) Wilmington Savings Fund Society, FSB shall initially act as Second Lien Collateral Agent and shall be authorized to appoint co-Second Lien Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided in the Note Documents, neither the Second Lien Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Second Lien Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Second Lien Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Second Lien Collateral or any part thereof. The Second Lien Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Second Lien Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment.

(h) The Second Lien Collateral Agent is authorized and directed to (i) enter into the Second Lien Collateral Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, (iii) make the representations of the holders of the Notes set forth in the Second Lien Collateral Documents and Intercreditor Agreements, (iv) bind the holders of the Notes on the terms as set forth in the Second Lien Collateral Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Second Lien Collateral Documents and the Intercreditor Agreements.

(i) If at any time or times the Second Lien Trustee shall receive (i) by payment, foreclosure, realization, set-off or otherwise, any proceeds of Second Lien Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Second Lien Trustee from the Second Lien Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Second Lien Collateral Agent in excess of the amount required to be paid to the Second Lien Trustee pursuant to Article VI, the Second Lien Trustee shall promptly turn the same over to the Second Lien Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Second Lien Collateral Agent such proceeds to be applied by the Second Lien Collateral Agent pursuant to the terms of the Intercreditor Agreements and the other Note Documents.

(j) The Second Lien Collateral Agent is each holder's agent for the purpose of perfecting the holders' security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should the Second Lien Trustee obtain possession of any such Second Lien Collateral, the Second Lien Trustee shall notify the Second Lien Collateral Agent thereof and promptly shall, subject to the Intercreditor Agreements, deliver such Collateral to the Second Lien Collateral Agent or otherwise deal with such Second Lien Collateral in accordance with the Second Lien Collateral Agent's instructions.

(k) The Second Lien Collateral Agent shall have no obligation whatsoever to the Second Lien Trustee or any of the holders of the Notes to assure that the Second Lien Collateral exists or is owned by any Issuer or Guarantor or is cared for, protected, or insured or has been encumbered, or that the Second Lien Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Issuers' and the Guarantors' property constituting collateral intended to be subject to the Lien and security interest of the Second Lien Collateral Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Second Lien Collateral Agent pursuant to any Note Document other than pursuant to the instructions of the Second Lien Trustee or the holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Second Lien Collateral Documents, it being understood and agreed that in respect of the Second Lien Collateral, or any act, omission, or event related thereto, the Second Lien Collateral Agent shall have no other duty or liability whatsoever to the Second Lien Trustee or any holder of any of the Notes as to any of the foregoing.

(l) If any Issuer or Guarantor incurs any obligations in respect of other Second Priority Obligations at any time when the Second Priority Intercreditor Agreement is not in effect and delivers to the Second Lien Collateral Agent and the Second Lien Trustee an Officer's Certificate so stating and requesting the Second Lien Collateral Agent and the Second Lien Trustee to enter into a Second Priority Intercreditor Agreement in favor of a designated agent or representative for the holders of the other Second Priority Obligations so incurred, the Second Lien Collateral Agent and the Second Lien Trustee shall (and are hereby authorized and directed to) enter into such Second Priority Intercreditor Agreement (at the sole expense and cost of the Issuers, including legal fees and expenses of the Second Lien Collateral Agent and the Second Lien Trustee), bind the holders of the Notes on the terms set forth therein and perform and observe its obligations thereunder. If any Issuer or Guarantor incurs any obligations in respect of First Priority Obligations at any time when the First Priority/Second Priority Intercreditor Agreement is not in effect and delivers to the Second Lien Collateral Agent and the Second Lien Trustee an Officer's Certificate so stating and requesting the Second Lien Collateral Agent and Second Lien Trustee to enter into a First Priority/Second Priority Intercreditor Agreement in favor of a designated agent or representative for the

holders of the First Priority Obligations so incurred, the Second Lien Collateral Agent and the Second Lien Trustee shall (and are hereby authorized and directed to) enter into such First Priority/Second Priority Intercreditor Agreement (at the sole expense and cost of the Issuers, including legal fees and expenses of the Second Lien Collateral Agent and the Second Lien Trustee), bind the holders of the Notes on the terms set forth therein and perform and observe its obligations thereunder. The Second Lien Collateral Agent and the Second Lien Trustee are authorized to, and, upon request of the Issuer, the Second Lien Collateral Agent and the Second Lien Trustee shall, enter into a senior priority/junior priority intercreditor agreement with (together with other relevant Persons) any collateral agent and/or other authorized representative of any Junior Priority Indebtedness, which intercreditor agreement shall provide for intercreditor arrangements with respect to such Junior Priority Indebtedness that are not less favorable to the holders of the Notes in any material respect than the intercreditor arrangements set forth in the First Priority/Second Priority Intercreditor Agreement (provided that the Second Priority Obligations shall be treated as the senior obligations thereunder) (any such agreement, a "Junior Priority Intercreditor Agreement"), so long as any such Junior Priority Intercreditor Agreement is in form and substance reasonably satisfactory to the Second Lien Collateral Agent. Holders of the Notes shall be deemed to have agreed to and accepted the terms of such other intercreditor arrangements complying with the requirements of this Indenture by their acceptance of the Notes.

(m) No provision of any Note Document shall require the Second Lien Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of holders of the Notes or the Second Lien Trustee if it shall not have received indemnity satisfactory to the Second Lien Collateral Agent against potential costs and liabilities incurred by the Second Lien Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in Note Documents, in the event the Second Lien Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Second Lien Collateral, the Second Lien Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Second Lien Collateral Agent has determined that the Second Lien Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Second Lien Collateral or such property, of any hazardous substances unless the Second Lien Collateral Agent has received security or indemnity from the holders of the Notes in an amount and in a form all satisfactory to the Second Lien Collateral Agent, protecting the Second Lien Collateral Agent from all such liability. The Second Lien Collateral Agent shall at any time be entitled to cease taking any action described in this paragraph (m) if it reasonably no longer deems any indemnity, security or undertaking to be sufficient.

(n) The Second Lien Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with any Note Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment, (ii) shall not be liable for interest on any money received by it except as the Second Lien Collateral Agent may agree in writing with the Issuers (and money held in trust by the Second Lien Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Second Lien Collateral Agent shall not be construed to impose duties to act.

(o) The Second Lien Collateral Agent shall not be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. The Second Lien Collateral Agent shall not be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Second Lien Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by any Issuer or Guarantor under any Note Documents. The Second Lien Collateral Agent shall not be responsible to the holders of the Notes or any other Person for any recitals, statements, information, representations or warranties contained in any Note Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by the Second Lien Collateral Agent under or in connection with, any Note; the execution, validity, genuineness, effectiveness or enforceability of any Note Document of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Second Lien Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Second Priority Notes Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Issuer or Guarantor; or for any failure of any Issuer or Guarantor to perform its Second Priority Notes Obligations under the Note Documents. The Second Lien Collateral Agent shall have no obligation to any holder of the Notes or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any Issuer or Guarantor of any terms of the Note Documents, or the satisfaction of any conditions precedent contained in the Note Documents. The Second Lien Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under the Note Documents unless expressly set forth hereunder or thereunder. The Second Lien Collateral Agent shall have the right at any time to seek instructions from the holders of the Notes with respect to the administration of the Note Documents.

(q) The parties hereto and the holders of the Notes hereby agree and acknowledge that the Second Lien Collateral Agent shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of the Note Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the holders of the Notes hereby agree and acknowledge that in the exercise of its rights under the Note Documents, the Second Lien Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Second Lien Collateral Agent in the Second Lien Collateral and that any such actions taken by the Second Lien Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Second Lien Collateral.

(r) Upon the receipt by the Second Lien Collateral Agent of a written request of the Issuers signed by one Officer of each Issuer (a "Collateral Document Order"), the Second Lien Collateral Agent is hereby authorized to execute and enter into, and (so long as such documents are consistent with the terms of this Indenture and otherwise reasonably acceptable to the Second Lien Collateral Agent) shall execute and enter into, without the further consent of any holder of the Notes or the Second Lien Trustee, any Second Lien Collateral Document to be executed after the Issue Date. Such Collateral Document Order shall (i) state that it is being delivered to the Second Lien Collateral Agent pursuant to, and is a Collateral Document Order referred to in, this Section 13.08(r), and (ii) instruct the Second Lien Collateral Agent to execute and enter into such Second Lien Collateral Document. Any such execution of a Second Lien Collateral Document shall be at the direction and expense of the Issuers. The holders of the Notes, by their acceptance of the Notes, hereby authorize and direct the Second Lien Collateral Agent to execute such Second Lien Collateral Documents.

(s) Subject to the provisions of the applicable Second Lien Collateral Documents and the Intercreditor Agreements, each holder of the Notes, by acceptance of the Notes, agrees that the Second Lien Collateral Agent shall execute and deliver the Intercreditor Agreements and the Second Lien Collateral Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof.

(t) After the occurrence of an Event of Default, the Second Lien Trustee may, subject to the Intercreditor Agreements, direct the Second Lien Collateral Agent in connection with any action required or permitted by the Note Documents.

(u) The Second Lien Collateral Agent is authorized to receive any funds for the benefit of itself, the Second Lien Trustee and the holders of the Notes distributed under the Second Lien Collateral Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Second Lien Trustee to make further distributions of such funds to itself, the Second Lien Trustee and the Holders in accordance with the provisions of Article VI hereof and the other provisions of this Indenture.

(v) Notwithstanding anything to the contrary in this Indenture or any other Note Document, in no event shall the Second Lien Collateral Agent or the Second Lien Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the other Note Documents (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Second Lien Collateral Agent or the Second Lien Trustee be responsible for, and neither the Second Lien Collateral Agent nor the Second Lien Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Second Lien Collateral Documents or the security interests or Liens intended to be created thereby.

(w) Before the Second Lien Collateral Agent acts or refrains from acting in each case at the request or direction of any Issuer or Guarantor, it may require an Officers' Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 14.04. The Second Lien Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(x) The Issuers shall pay compensation to, reimburse expenses of and indemnify the Second Lien Collateral Agent in accordance with Section 7.07.

To the extent anything in this Section 13.08 is inconsistent with the terms of any of the Intercreditor Agreements, the terms of the applicable Intercreditor Agreement shall prevail.

SECTION 13.09 Designations. For purposes of the provisions hereof and the Intercreditor Agreements requiring the Issuers to designate Indebtedness for the purposes of the term "Future First Lien Indebtedness," "Future Second Lien Indebtedness," "Junior Priority Indebtedness" or any other such designations hereunder or under the Intercreditor Agreements, any such designation shall be sufficient if the relevant designation is set forth in writing, signed on behalf of the Issuers by an Officer of each Issuer and delivered to the Second Lien Trustee and the Second Lien Collateral Agent.

SECTION 13.10 Additional Provisions.

(a) In no event shall (i) control agreements or control, lockbox or similar agreements or arrangements be required with respect to deposit or securities accounts, except as, and solely to the extent, required by Section 4.20, (ii) landlord, mortgagee and bailee waivers be required or (iii) notices be sent to account debtors or other contractual third parties, except in accordance with the Agreed Guarantee and Security Principles or in connection with a permitted exercise of remedies under the relevant Second Lien Collateral Documents.

(b) If at any time after the Issue Date, the definitions of "Excluded Property" or "Excluded Securities" or the Agreed Guarantee and Security Principles (or equivalent terms) included in the agreement described in clause (i) of the definition of the term "Credit Agreement" (as amended, amended and restated, supplemented, modified, refinanced or replaced, so long as continuing to constitute First Priority Obligations) are amended, modified or waived so as to narrow the scope of the exclusion of assets from the First Lien Collateral, the corresponding provisions in this Indenture shall be deemed automatically amended in identical fashion.

SECTION 13.11 Parallel Debt. For the purpose of taking and ensuring the continuing validity of each Lien on the Second Lien Collateral granted under the Second Lien Collateral Documents governed by the laws of (or to the extent affecting assets situated in) Switzerland, the Netherlands or any other jurisdiction in which an effective Lien cannot be granted in favor of the Second Lien Collateral Agent as trustee or agent for some or all of the Second Priority Notes Secured Parties, notwithstanding any contrary provision in any Note Document:

(a) each Issuer and Guarantor irrevocably and unconditionally undertakes to pay to the Second Lien Collateral Agent as an independent and separate creditor an amount (the "Parallel Obligations") equal to: (i) all present and future, actual or contingent amounts owing by such Issuer or Guarantor to Second Priority Notes Secured Parties under or in connection with the Note Documents as and when the same fall due for payment under or in connection with the Note Documents (including, for the avoidance of doubt, any change, extension or increase in those obligations pursuant to or in connection with any amendment or supplement or restatement or novation of any Note Document, in each case whether or not anticipated as of the Issue Date) and (ii) any amount which such Issuer or Guarantor owes to Second Priority Notes Secured Parties as a result of a party rescinding a Note Document or as a result of invalidity, illegality, or unenforceability of a Note Document (the "Original Obligations");

(b) the Second Lien Collateral Agent shall have its own independent right to claim performance of the Parallel Obligations (including, without limitation, any suit, execution, enforcement of security, recovery of guarantees and applications for and voting in respect of any kind of insolvency proceedings) and the Parallel Obligations shall not constitute the Second Lien Collateral Agent and any other Second Priority Notes Secured Party as joint creditors;

(c) the Parallel Obligations shall not limit or affect the existence of the Original Obligations for which the Second Priority Notes Secured Parties shall have an independent right to demand payment;

(d) notwithstanding clauses (b) and (c) above:

(i) the Parallel Obligations shall be decreased to the extent the Second Lien Collateral Agent receives (and retains) and applies any payment against the discharge of its Parallel Obligations to the Second Lien Collateral Agent and the Original Obligations shall be decreased to the same extent;

(ii) payment by any Issuer or Guarantor of its Original Obligations to the relevant Second Priority Notes Secured Party shall to the same extent decrease and be a good discharge of the Parallel Obligations owing by it to the Second Lien Collateral Agent; and

(iii) if any Original Obligation is subject to any limitations under the Note Documents, then the same limitations shall apply mutatis mutandis to the relevant Parallel Obligation corresponding to that Original Obligation;

(e) the Parallel Obligations are owed to the Second Lien Collateral Agent in its own name on behalf of itself and not as agent or representative of any other person nor as trustee and all property subject to a Lien on Second Lien Collateral shall secure the Parallel Obligations so owing to the Second Lien Collateral Agent in its capacity as creditor of the Parallel Obligations;

(f) each Issuer and Guarantor irrevocably and unconditionally waives any right it may have to require a Second Priority Notes Secured Party to join any proceedings as co-claimant with the Second Lien Collateral Agent in respect of any claim by the Second Lien Collateral Agent against any Issuer or Guarantor under this Section 13.11;

(g) each Issuer and Guarantor agrees that:

(i) any defect affecting a claim of the Second Lien Collateral Agent against any Issuer or Guarantor under this Section 13.11 will not affect any claim of a Second Priority Notes Secured Party against such Issuer or Guarantor under or in connection with the Second Lien Documents; and

(ii) any defect affecting a claim of a Second Priority Notes Secured Party against any Issuer or Guarantor under or in connection with the Note Document will not affect any claim of the Second Lien Collateral Agent under this Section 13.11; and

(h) if the Second Lien Collateral Agent returns to any Issuer or Guarantor, whether in any kind of insolvency proceeding or otherwise, any recovery in respect of which it has made a payment to a Second Priority Notes Secured Party, that Second Priority Notes Secured Party must repay an amount equal to that recovery to the Second Lien Collateral Agent.

(i) For purposes of any Second Lien Collateral Document governed by Dutch law, any resignation by the Second Lien Collateral Agent is not effective with respect to its rights under the Parallel Obligations until all rights and obligations under the Parallel Obligations have been assigned to and assumed by the successor agent appointed in accordance with this Indenture.

(j) The Second Lien Collateral Agent will reasonably cooperate in transferring its rights and obligations under the Parallel Obligations to a successor agent in accordance with this Indenture and will reasonably cooperate in transferring all rights and obligations under any Second Lien Collateral Document to such successor agent. All Guarantors and Issuers hereby, in advance, irrevocably grant their cooperation (*medewerking*) to such transfers of rights and obligations by the Second Lien Collateral Agent to a successor collateral agent in accordance with this Indenture.

SECTION 13.12 Trust Provisions.

(a) Declaration of Trust. The Second Lien Collateral Agent declares that it holds the Trust Property on trust for the Second Priority Notes Secured Parties on the terms contained in this Indenture.

(b) The Second Lien Collateral Agent.

(i) The Second Lien Collateral Agent shall have such rights, powers, authorities and discretions as are (a) conferred on trustees by the Trustee Acts; (b) by way of supplement to the Trustee Acts as provided for in this Indenture and/or the English Security Documents; and (c) any which may be vested in the Second Lien Collateral Agent by law or regulation or otherwise.

(ii) Section 1 of the Trustee Act 2000 shall not apply to the duties of the Second Lien Collateral Agent in relation to the trusts constituted by this Indenture. Where there are any inconsistencies between the Trustee Acts and the provisions of this Indenture, the provisions of this Indenture shall, to the extent permitted by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of this Indenture shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000.

(iii) All moneys from time to time received or recovered by the Second Lien Collateral Agent in respect of the Trust Property and the net proceeds from the realization or enforcement of all or any part of the English Transaction Security shall be held by the Second Lien Collateral Agent on trust to apply them at such times as the Second Lien Collateral Agent considers appropriate in the order of priority set out in Section 6.10 (subject to the Intercreditor Agreements).

(iv) Nothing in any Note Documents constitutes the Second Lien Collateral Agent as an agent, trustee or fiduciary of any Issuer or Guarantor and the Second Lien Collateral Agent shall not be bound to account to any Second Priority Notes Secured Party for any sum or the profit element of any sum received by it for its own account.

(v) If the Second Lien Collateral Agent were to resign or be replaced, its resignation or replacement shall only take effect upon the transfer of the Trust Property to its successor.

(c) Termination of the Trusts. If the Second Lien Collateral Agent, with the approval of the Second Lien Trustee under the Note Documents, determines that:

(i) all of the Second Priority Obligations and all other obligations secured by the English Security Documents have been fully and finally discharged; and

(ii) no Second Priority Notes Secured Party is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Issuer or Guarantor pursuant to the Note Documents,

then the trusts created by this Section 13.12 shall be wound up and the Second Lien Collateral Agent shall release, without recourse or warranty, all of the English Transaction Security and the rights of the Second Lien Collateral Agent under each of the English Security Documents.

To the extent anything in this Section 13.12 is inconsistent with the terms of any of the Intercreditor Agreements, the terms of the applicable Intercreditor Agreement shall prevail.

SECTION 13.13 Swiss Provisions. In relation to any Second Lien Collateral Document governed by Swiss law (each a "Second Lien Swiss Transaction Security Document"):

(a) the Second Lien Collateral Agent shall hold:

(1) any security created or evidenced or expressed to be created or evidenced under or pursuant to a Second Lien Swiss Transaction Security Document by way of a security assignment (*Sicherungsabtretung*) or transfer for security purposes (*Sicherungsübereignung*) or any other non-acccessory (*nicht akzessorische*) security;

(2) the benefit of this Section 13.13; and

(3) any proceeds and other benefits of such security, as fiduciary (*treuhänderisch*) in its own name but for the account of all relevant Second Priority Notes Secured Parties which have the benefit of such security in accordance with the Intercreditor Agreements and the respective Second Lien Swiss Transaction Security Document; and

(b) each present and future Second Priority Notes Secured Party, represented by the Second Lien Trustee acting for itself and in the name and for the account of each such Second Priority Notes Secured Party as a direct representative, hereby authorizes the Second Lien Collateral Agent:

(1) to (x) accept and execute in the name and on behalf of each Second Priority Notes Secured Party as its direct representative (*direkter Stellvertreter / représentant direct*) any Swiss law pledge created or evidenced or expressed to be created or evidenced under or pursuant to any Second Lien Swiss Transaction Security Document for the benefit of the Second Priority Notes Secured Parties and (y) hold, administer and, if necessary, enforce any such security in the name and on behalf of each relevant Second Priority Notes Secured Party which has the benefit of such security;

(2) to agree as its direct representative (*direkter Stellvertreter / représentant direct*) to any amendments and alterations to any Second Lien Swiss Transaction Security Document in accordance with Article IX of this Indenture;

(3) to effect as its direct representative (*direkter Stellvertreter / représentant direct*) any release of a security created or evidenced or expressed to be created or evidenced under any Second Lien Swiss Transaction Security Document in accordance with the Intercreditor Agreements; and

Nothing in this Section 14.08 shall affect the right of the holders to serve process in any manner permitted by law or limit the right of the holders to bring proceedings against a Guarantor or the Issuers in the courts of any jurisdiction or jurisdictions. The Issuer further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment set forth in the immediately preceding sentence in full force and effect so long as the Notes are outstanding. The Issuer hereby irrevocably and unconditionally authorizes and directs its agent to accept such service on its behalf. Each holder of Notes by accepting a Note waives and releases all such liability.

SECTION 14.10 Successors. All agreements of the Issuers and the Guarantors in this Indenture and the Notes shall bind such person’s successors. All agreements of the Second Lien Trustee and the Second Lien Collateral Agent in this Indenture shall bind their respective successors.

SECTION 14.11 Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. Notwithstanding the foregoing, the exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

SECTION 14.14 Severability. In case any provision in this Indenture shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

SECTION 14.15 Waiver of Jury Trial. EACH OF THE ISSUERS, THE GUARANTORS, THE SECOND LIEN TRUSTEE AND THE SECOND LIEN COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering ("Applicable Law," for example section 326 of the USA PATRIOT Act of the United States), the Second Lien Trustee and the Second Lien Collateral Agent are required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Second Lien Trustee and the Second Lien Collateral Agent. Accordingly, each of the parties agree to provide to the Second Lien Trustee and the Second Lien Collateral Agent, upon their request from time to time such identifying information and documentation as may be available for such party in order to enable the Second Lien Trustee and the Second Lien Collateral Agent to comply with Applicable Law.

SECTION 14.17 Intercreditor Agreements. Reference is made to the Intercreditor Agreements. Each holder of the Notes, by its acceptance of a Note, (a) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements and (b) authorizes and instructs the Second Lien Trustee and the Second Lien Collateral Agent to enter into the Intercreditor Agreements on behalf of such holder, including without limitation, making the representations of the holders of the Notes contained therein.

2. The Notes.

2.1 Form and Dating; Global Notes.

(a) The Initial Notes issued on the date hereof will be (i) privately placed by the Issuers and (ii) sold, initially only (1) in the United States to QIBs or IAIs and (2) outside the United States to Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and, except as set forth below, IAIs in accordance with Rule 501. Additional Notes offered after the date hereof may be offered and sold by the Issuers from time to time pursuant to one or more agreements in accordance with applicable law.

(b) Global Notes.

(i) Except as provided in clause (d) of Section 2.2 below, Rule 144A Notes initially shall be represented by one or more Notes in definitive, fully registered, global form without interest coupons (collectively, the "Rule 144A Global Notes").

Regulation S Notes initially shall be represented by one or more Notes in fully registered, global form without interest coupons (collectively, the "Regulation S Temporary Global Note" and, together with the Regulation S Permanent Global Note (defined below), the "Regulation S Global Notes"), which shall be registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear system ("Euroclear") or Clearstream Banking, Société Anonyme ("Clearstream").

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note shall be exchanged for beneficial interests in a permanent Global Note (the "Regulation S Permanent Global Note") pursuant to the applicable procedures of the Depository, Euroclear or Clearstream. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Second Lien Trustee shall cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Second Lien Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Depository participants through Euroclear or Clearstream.

The term "Global Notes" means the Rule 144A Global Notes and the Regulation S Global Notes. The Global Notes shall bear the Global Note Legend. The Global Notes initially shall (i) be registered in the name of the Depository, Euroclear or Clearstream or the nominee of such depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the Second Lien Trustee as custodian for such depository and (iii) bear the Restricted Notes Legend.

Members of, or direct or indirect participants in, the Depository, Euroclear or Clearstream (collectively, the "Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Second Lien Trustee as its custodian, or under the Global Notes.

The Depository may be treated by the Issuers, the Second Lien Trustee and any agent of the Issuers or the Second Lien Trustee as the sole owner of the Global Notes for all purposes under the Indenture and the Notes. Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the Second Lien Trustee or any agent of the Issuers or the Second Lien Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository, Euroclear or Clearstream, as the case may be, or their respective Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(ii) Transfers of Global Notes shall be limited to transfer in whole, but not in part, to the Depository, Euroclear or Clearstream, their successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Definitive Notes only in accordance with the applicable rules and procedures of the Depository, Euroclear or Clearstream, as the case may be and the provisions of Section 2.2. In addition, a Global Note shall be exchangeable for Definitive Notes if (x) the Depository (1) notifies the Issuers at any time that it is unwilling or unable to continue as depository for such Global Note and a successor depository is not appointed within 90 days or (2) has ceased to be a clearing agency registered under the Exchange Act, (y) the Issuers, at their option, notify the Second Lien Trustee in writing that the Issuers elect to cause the issuance of Definitive Notes or (z) there shall have occurred and be continuing an Event of Default with respect to the Notes; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuers for Definitive Notes prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act. In addition, beneficial interests in a Global Note may be exchanged for Definitive Notes upon request but only upon at least 20 days' prior written notice given to the trustee by or on behalf of the Depository in accordance with customary procedures. In all cases, Definitive Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures and will bear, in the case of the Rule 144A Global Notes or the Regulation S Global Notes, the restrictive legend required by Section 2.2(f) below.

(iii) In connection with the transfer of a Global Note as an entirety to beneficial owners pursuant to subsection (ii) of this Section 2.1(b), such Global Note shall be deemed to be surrendered to the Second Lien Trustee for cancellation, and the Issuers shall execute, and, upon written order of the Issuers signed by an Officer, the Second Lien Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(iv) Any Transfer Restricted Note delivered in exchange for an interest in a Global Note pursuant to Section 2.2 shall, except as otherwise provided in Section 2.2, bear the Restricted Notes Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in a Regulation S Global Note may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2.

(vi) The holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Indenture or the Notes.

2.2 Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except as set forth in Section 2.1(b). Global Notes will not be exchanged by the Issuers for Definitive Notes except under the circumstances described in Section 2.1(b)(ii). Global Notes also may be exchanged or replaced, in whole or in-part, as provided in Section 2.08 of this Indenture. Beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.2(b).

(b) Transfer and Exchange of Beneficial Interests in Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Transfer Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Notes shall be transferred or exchanged only for beneficial interests in Global Notes. Transfers and exchanges of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Transfer Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Transfer Restricted Global Note in accordance with the transfer restrictions set forth in the Restricted Notes Legend; *provided*, *however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person. A beneficial interest in an Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests in any Global Note that is not subject to Section 2.2(b)(i), the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Second Lien Trustee shall adjust the principal amount of the relevant Global Note pursuant to Section 2.2(g).

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Global Note if the transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form attached to the applicable Note; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form attached to the applicable Note.

A beneficial interest in a Regulation S Global Note to be transferred to a Person who takes delivery in the form of an interest in a Rule 144A Global Note may be made only upon receipt by the Second Lien Trustee of a written certification from the transferor to the effect that such transfer is being made: (1) to a Person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; and (2) in accordance with all applicable securities laws of any state of the United States or any other jurisdiction.

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Second Lien Trustee a written certificate to the effect that such transfer is being made to a Non U.S. Person in an offshore transaction in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available) and that, if such transfer occurs prior to the expiration of the Restricted Period, the interest transferred will be held immediately thereafter through Euroclear or Clearstream.

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Transfer Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such beneficial interest in a Transfer Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note,

and, in each such case, if the Issuers or the Registrar so request or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Issuers and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate in accordance with Section 2.01 of the Indenture, the Second Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Transfer Restricted Global Note. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests in Global Notes for Definitive Notes. A beneficial interest in a Global Note may not be exchanged for a Definitive Note except under the circumstances described in Section 2.1(b)(ii). A beneficial interest in a Global Note may not be transferred to a Person who takes delivery thereof in the form of a Definitive Note except under the circumstances described in Section 2.1(b)(ii). In any case, beneficial interests in Global Notes shall be transferred or exchanged only for Definitive Notes.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests in Global Notes. Transfers and exchanges of Definitive Notes for beneficial interests in the Global Notes also shall require compliance with either subparagraph (i), (ii) or (iii) below, as applicable:

(i) Transfer Restricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. If any holder of a Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in a Transfer Restricted Global Note or to transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Note for a beneficial interest in a Transfer Restricted Global Note, a certificate from such holder in the form attached to the applicable Note;

(B) if such Transfer Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(C) if such Transfer Restricted Definitive Note is being transferred to a Non U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(D) if such Transfer Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(E) if such Transfer Restricted Definitive Note is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate from such holder in the form attached to the applicable Note, including the certifications, certificates and Opinion of Counsel, if applicable; or

(F) if such Transfer Restricted Definitive Note is being transferred to Parent, the Issuers or any Subsidiary of any of Parent or the Issuers, a certificate from such holder in the form attached to the applicable Note;

the Second Lien Trustee shall cancel the Transfer Restricted Definitive Note, and increase or cause to be increased the aggregate principal amount of the appropriate Transfer Restricted Global Note.

(ii) Transfer Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A holder of a Transfer Restricted Definitive Note may exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such Transfer Restricted Definitive Notes proposes to transfer such Transfer Restricted Definitive Note to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note,

and, in each such case, if the Issuers or the Registrar so request or if the applicable rules and procedures of the Depository, Euroclear or Clearstream so require, an Opinion of Counsel in form reasonably acceptable to the Issuers and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the

conditions of this subparagraph (ii), the Second Lien Trustee shall cancel the Transfer Restricted Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate, the Second Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Notes transferred or exchanged pursuant to this subparagraph (ii).

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A holder of an Unrestricted Definitive Note may exchange such Unrestricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Second Lien Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes. If any such transfer or exchange is effected pursuant to this subparagraph (iii) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate, the Second Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Unrestricted Definitive Notes transferred or exchanged pursuant to this subparagraph (iii).

(iv) Unrestricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. An Unrestricted Definitive Note cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a holder of Definitive Notes and such holder's compliance with the provisions of this Section 2.2(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such holder or by its attorney, duly authorized in writing. In addition, the requesting holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.2(e).

(i) Transfer Restricted Definitive Notes to Transfer Restricted Definitive Notes. A Transfer Restricted Note may be transferred to and registered in the name of a Person who takes delivery thereof in the form of a Transfer Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form attached to the applicable Note;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904 under the Securities Act, then the transferor must deliver a certificate in the form attached to the applicable Note;

(C) if the transfer will be made pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate in the form attached to the applicable Note;

(D) if the transfer will be made to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (A) through (C) above, a certificate in the form attached to the applicable Note; and

(E) if such transfer will be made to Parent, the Issuers or a Subsidiary of any of Parent or the Issuers, a certificate in the form attached to the applicable Note.

(ii) Transfer Restricted Definitive Notes to Unrestricted Definitive Notes. Any Transfer Restricted Definitive Note may be exchanged by the holder thereof for an Unrestricted Definitive Note or transferred to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

1. Interest.

MALLINCKRODT INTERNATIONAL FINANCE S.A., a public limited liability company (*société anonyme*) organized under the laws of Luxembourg, having its registered office at 124, boulevard de la Pétrusse, L-2330 Luxembourg and being registered with the Luxembourg register of commerce and companies (*R.C.S. Luxembourg*) under number B 172865 (together with any successor thereto, the "Issuer"), and MALLINCKRODT CB LLC, a Delaware limited liability company and a direct wholly owned subsidiary of the Issuer (together with any successor thereto, the "US Co-Issuer" and together with the Issuer, the "Issuers"), promise to pay interest on the principal amount of this Note at the rate per annum shown above. The Issuers shall pay interest semiannually on April 15 and October 15 of each year (each an "Interest Payment Date"), commencing October 15, 2022. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the Issue Date, until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuers shall pay interest on overdue principal at the rate borne by the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment.

The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered holders at the close of business on April 1 or October 1 (each a "Record Date") immediately preceding the Interest Payment Date even if Notes are canceled after the Record Date and on or before the Interest Payment Date (whether or not a Business Day). Holders must surrender Notes to the Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depositary. The Issuers shall make all payments in respect of a certificated Note (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Issuers, payment of interest may be made by mailing a check to the registered address of each holder thereof; *provided*, *however*, that payments on the Notes may also be made, in the case of a holder of at least $1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such holder elects payment by wire transfer by giving written notice to the Second Lien Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Second Lien Trustee may accept in its discretion).

3. Paying Agent and Registrar.

Initially, Wilmington Savings Fund Society, FSB, as trustee under the Indenture (the "Second Lien Trustee"), will act as Paying Agent and Registrar. The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Second Lien Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor Registrar or Paying Agent, as the case may be, as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Second Lien Trustee or (ii) notification to the Second Lien Trustee that the Second Lien Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Parent, so long as it is organized in the United States, or any of its Subsidiaries organized in the United States may act as Paying Agent or Registrar.

4. Indenture.

The Issuers issued the Notes under an Indenture dated as of June 16, 2022 (the "Indenture"), among the Issuers, the Guarantors party thereto, the Second Lien Trustee and the Second Lien Collateral Agent. Capitalized terms used herein are used as defined in the Indenture, unless otherwise indicated. The Notes are subject to all terms and provisions of the Indenture, and the holders (as defined in the Indenture) are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Notes limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Notes are secured, unsubordinated obligations of the Issuers. This Note is one of the Initial Notes referred to in the Indenture. The Notes include the Initial Notes and any Additional Notes. The Initial Notes and any Additional Notes may, at the Issuers' option, be treated as a single class of securities for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that if the Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP number, if applicable. The Indenture imposes certain limitations on the ability of the Parent and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, Incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions, enter into or permit certain transactions with Affiliates, create or Incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Issuers and each Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

The Guarantors (including each Wholly Owned Restricted Subsidiary of the Parent that is required to guarantee the Guaranteed Obligations pursuant to Section 4.11 of the Indenture) shall jointly and severally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Redemption.

The Issuers may redeem the Notes at their option, in whole at any time or in part from time to time, upon not less than 10 days' nor more than 60 days' prior notice mailed by the Issuer by first class mail, or delivered electronically if the Notes are held by DTC, to each holder's registered address and upon not less than 10 days' nor more than 60 days' prior written notice to the Second Lien Trustee (or such shorter period as may be agreed by the Second Lien Trustee), at (i) the following redemption prices (expressed as a percentage of principal amount), *plus* (ii) accrued and unpaid interest to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period commencing on April 15 of the years set forth below (or, if later, the Issue Date):

Period	Redemption Price
2022	105.000%
2023	102.500%
2024 and thereafter	100.000%

Notice of any redemption upon any Equity Offering may be given prior to the completion thereof. In addition, any such redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering in the case of a redemption upon completion of an Equity Offering.

6. Redemption for Changes in Withholding Taxes.

The Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding, in each case at 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), and all Additional Amounts, if any, then due and which shall become due on the applicable redemption date as a result of the redemption or otherwise if, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, or the official written interpretation of such laws, which change or amendment is publicly announced and becomes effective after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), the Issuers are, or on the next Interest Payment Date in respect of the Notes would be, required to pay any Additional Amounts or if, after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), any action is taken by a taxing authority of, or any action has been brought in a court of competent jurisdiction in, a Relevant Taxing Jurisdiction or any taxing authority thereof or therein, including any of those actions that constitutes a

Change in Tax Law, whether or not such action was taken or brought with respect to the Issuers, or there is any change, amendment, clarification, application or interpretation of such laws, regulations, treaties or rulings, which in any such case, will result in a material probability that the Issuers will be required to pay Additional Amounts with respect to the Notes (each such action, change, amendment, clarification, application or interpretation, a "Tax Action") (it being understood that such material probability will be deemed to result if the written opinion of independent tax counsel described in clause (ii) below to such effect is delivered to the Second Lien Trustee), and, in each case, such obligation to pay Additional Amounts cannot be avoided by taking reasonable measures available to the Issuers (including, for the avoidance of doubt, the appointment of a new paying agent). Notwithstanding the foregoing, no such notice of redemption as a result of a Change in Tax Law or Tax Action will be given (a) earlier than 90 days prior to the earliest date on which the Issuers would be obligated to pay Additional Amounts as a result of a Change in Tax Law or Tax Action and (b) unless, at the time such notice is given, such obligation to pay Additional Amounts remains in effect. Prior to any redemption of Notes pursuant to the preceding paragraph, the Issuers shall deliver to the Second Lien Trustee (i) an Officers' Certificate stating that the Issuers are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of redemption have occurred and (ii) an opinion of independent tax counsel reasonably acceptable to the Second Lien Trustee to the effect that the Issuers are entitled to redeem the Notes as a result of a Change in Tax Law or a Tax Action. The Second Lien Trustee will accept such Officers' Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders.

7. Mandatory Redemption.

The Issuers will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

8. Notice of Redemption.

Notices of redemption will be mailed (or caused to be mailed) by first-class mail, or delivered electronically if the Notes are held by DTC, at least 15 but not more than 60 days before the redemption date, to each holder of Notes to be redeemed at its registered address (with a copy to the Second Lien Trustee), except that redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Notes pursuant to Article VIII of the Indenture. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Notes or portions thereof to be redeemed.

9. Repurchase of Notes at the Option of the Holders upon Change of Control and Asset Sales.

Upon the occurrence of a Change of Control, each holder of Notes shall have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events.

The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

12. Persons Deemed Owners.

The registered holder of this Note shall be treated as the owner of it for all purposes.

13. Unclaimed Money.

Subject to any applicable abandoned property law, the Second Lien Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, holders entitled to the money must look to the Issuers for payment as general creditors, and the Second Lien Trustee and each Paying Agent shall have no further liability with respect to such monies.

Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) of the Indenture with respect to the Issuers occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Second Lien Trustee or any holders. In addition, upon the acceleration of the Notes in connection with an Event of Default under Section 6.01(a), (b), (f) or (g) of the Indenture prior to April 15, 2024, an amount equal to the optional redemption premium that would have been payable in connection with an optional redemption of the Notes at the time of the occurrence of such acceleration will become and be immediately due and payable with respect to all Notes without any declaration or other act on the part of the Second Lien Trustee or any holders of the Notes. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty. The holders of a majority in principal amount of outstanding Notes may rescind any such acceleration and its consequences if:

(a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default occurs and is continuing, the Second Lien Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders of the Notes, unless such holders have offered to the Second Lien Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to the Indenture or the Notes unless (i) such holder has previously given the Second Lien Trustee written notice that an Event of Default is continuing with respect to such holder's Notes, (ii) holders of at least 25% in principal amount of the outstanding Notes have requested the Second Lien Trustee to pursue the remedy, (iii) such holders have offered the Second Lien Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Second Lien Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and (v) the holders of a majority in principal amount of the outstanding Notes have not given the Second Lien Trustee a direction inconsistent with such request within such 60-day period. The holders of a majority in principal amount of outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Second Lien Trustee or of exercising any trust or power conferred on the Second Lien Trustee. The Second Lien Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Second Lien Trustee determines is unduly prejudicial to the rights of any other holder or that would involve the Second Lien Trustee in personal liability. Prior to taking any action under the Indenture, the Second Lien Trustee shall be entitled to indemnification satisfactory to it against all losses and expenses caused by taking or not taking such action.

17. Second Lien Trustee Dealings with the Issuers.

The Second Lien Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Second Lien Trustee.

18. No Recourse Against Others.

No director, officer, employee, manager or incorporator of the Parent, an Issuer, any Guarantor or any direct or indirect parent company of the Parent, an Issuer or any Guarantor and no holder of any Equity Interests in the Parent, an Issuer, any Guarantor or any direct or indirect parent company of the Parent, an Issuer or any Guarantor, as such, will have any liability for any obligations of an Issuer or any Guarantor under any Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability.

19. Authentication.

This Note shall not be valid until an authorized signatory of the Second Lien Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. Abbreviations.

Customary abbreviations may be used in the name of a holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law.

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE APPLICATION TO THE NOTES OF THE PROVISIONS SET OUT IN ARTICLES 470-1 TO 470-19 OF THE LUXEMBOURG LAW ON COMMERCIAL COMPANIES DATED AUGUST 10, 1915, AS AMENDED, IS EXCLUDED.

22. CUSIP Numbers; ISINs.

The Issuers have caused CUSIP numbers and ISINs to be printed on the Notes and have directed the Second Lien Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the holders. No representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers printed thereon.

23. Security.

The Notes will be secured by the Second Lien Collateral on the terms and subject to the conditions set forth in the Indenture and the Second Lien Collateral Documents and (where applicable) to the Agreed Guarantee and Security Principles. The Second Lien Trustee and the Second Lien Collateral Agent, as the case may be, hold the Second Lien Collateral in trust for the benefit of the holders of the Notes, in each case pursuant to the Second Lien Collateral Documents and the Intercreditor Agreements. Each holder of the Notes, by accepting this Note, consents and agrees to the terms of the Second Lien Collateral Documents (including the provisions providing for the foreclosure and release of Second Lien Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Second Lien Collateral Agent to enter into the Second Lien Collateral Documents and the Intercreditor Agreements, and to perform its obligations and exercise its rights thereunder in accordance therewith.

The Issuers will furnish to any holder of Notes upon written request and without charge to the holder a copy of the Indenture which has in it the text of this Note.

AGREED GUARANTEE AND SECURITY PRINCIPLES

Unless otherwise defined herein, capitalized terms used herein are defined in the Indenture to which this Exhibit D is attached.

(A) Considerations.

1. In determining what liens will be granted (and any limitations on the amount or scope of Guarantees) by Issuers or Guarantors organized outside of the United States (the "Non-U.S. Notes Parties") to secure the Second Priority Notes Obligations (the holders thereof, the "Secured Parties") the following matters will be taken into account. Liens shall not be created or perfected, the Second Priority Notes Obligations may be limited pursuant to the terms of the relevant Second Lien Collateral Documents and Guarantees may be limited in amount or scope, to the extent that it would (if created, perfected or not so limited):

(a) result in any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalization laws, capital maintenance rules, general statutory limitations, retention of title claims or the laws or regulations (or analogous restrictions) of any applicable jurisdiction or any similar principles which may limit the ability of any Non-U.S. Notes Party to provide a guarantee or security or may require that the guarantee or security be limited by an amount or scope or otherwise;

(b) result in any (x) material risk to the officers of the relevant grantor of liens or Guarantor of contravention of their fiduciary duties or any legal prohibition, and/or (y) risk to the officers of the relevant grantor of liens or Guarantor of civil or criminal liability;

(c) result in costs that the Issuer and the First Lien Collateral Agent reasonably determine are excessive in relation to the benefit of such lien or Guarantee by reference to the costs of creating or perfecting the lien or Guarantees, on the one hand, versus the value of the assets being secured or Guarantee granted, on the other hand (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations);

(d) impose an undue administration burden on, or material inconvenience to the ordinary course of operations of, the provider of the lien or Guarantee, in each case which the Issuer and the First Lien Collateral Agent reasonably determine is excessive in relation to the benefit of such lien or Guarantee (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations); and

(e) create liens over any assets subject to third party arrangements which are permitted by the Indenture to the extent (and for so long as) such arrangements prevent those assets from being charged.

2. These Agreed Guarantee and Security Principles embody recognition by all parties that there may be certain legal, regulatory and practical difficulties (including those in paragraph 1 above) in obtaining security and/or Guarantees without limitation as to amount or scope from all Non-U.S. Notes Parties in every jurisdiction in which Non-U.S. Notes Parties are located, in particular:

(a) perfection of liens, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Indenture or (if earlier or to the extent no such time periods are specified in the Indenture) within the time periods specified by applicable law in order to ensure due perfection. Perfection of security will not be required if it would have a material adverse effect on the ability of the relevant Non-U.S. Notes Party to conduct its operations and business in the ordinary course as otherwise permitted by the Indenture;

(b) the maximum granted or secured amount may be limited to minimize stamp duty, notarization, registration or other applicable fees, taxes and duties where the benefit of increasing the granted or secured amount is reasonably determined by the Issuer and the First Lien Collateral Agent to be excessive in relation to the level of such fees, taxes and duties (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations); or

(c) where a class of assets to be secured includes material and immaterial assets, if the costs of granting security over the immaterial assets is reasonably determined by the Issuer and the First Lien Collateral Agent to be excessive in relation to the benefit of such security, security will be granted over the material assets only (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations).

For the avoidance of doubt, in these Agreed Guarantee and Security Principles, "cost" includes, but is not limited to, income tax cost, registration taxes payable on the creation or enforcement or for the continuance of any liens, stamp duties, the cost of maintaining capital for regulatory purposes, out-of-pocket expenses, and other fees and expenses directly incurred by the relevant grantor of liens or any of its direct or indirect owners, subsidiaries or affiliates.

3. Notwithstanding anything to the contrary, the Agreed Guarantee and Security Principles will be subject to the provisions of the First Priority/Second Priority Intercreditor Agreement. In the event of any conflict between the terms of the First Priority/Second Priority Intercreditor Agreement and the Agreed Guarantee and Security Principles, the terms of the First Priority/Second Priority Intercreditor Agreement will govern and control.

(B) Obligations to be Guaranteed and Secured.

1. Subject to paragraph (A) above, the obligations to be guaranteed and secured are the Second Priority Notes Obligations. The liens and Guarantees are to be granted in favor of the Second Lien Collateral Agent on behalf of each Secured Party (or equivalent local procedure and unless otherwise necessary in any jurisdictions).

2. Where appropriate, defined terms in the Second Lien Collateral Documents should mirror those in the Indenture.

3. The parties to the Indenture agree to negotiate the form of each Second Lien Collateral Document in good faith in a manner consistent with these Agreed Guarantee and Security Principles. The form of Guarantee with respect to any Non-U.S. Notes Party shall be subject to any limitations as set out in the joinder, supplement or other Guarantee applicable to such Non-U.S. Notes Party as may be required in order to comply with local laws in accordance with these Agreed Guarantee and Security Principles.

4. The liens granted by any Non-U.S. Notes Party in favor of the Second Lien Collateral Agent on behalf of each Secured Party shall, to the extent possible under local law, be enforceable only after the occurrence of an Event of Default that is continuing.

(C) Covenants/Representations and Warranties.

Any representations, warranties or covenants which are required to be included in any Second Lien Collateral Document shall reflect (to the extent to which the subject matter of such representation, warranty and covenant is the same as the corresponding representation, warranty and undertaking in the Indenture) the commercial deal set out in the Indenture (save to the extent that applicable local counsel advise it necessary to

include any further provisions (or deviate from those contained in this Agreement) in order to protect or preserve the liens granted to the Second Lien Collateral Agent on behalf of each Secured Party). Accordingly, the Second Lien Collateral Documents shall not include, repeat or extend clauses set out in the Indenture, including the representations or undertakings in respect of information, indemnities or the payment of costs, in each case, unless applicable local counsel advise it necessary in order to ensure the validity of any Second Lien Collateral Document or the perfection of any lien granted thereunder.

(D) Liens over Equity Interests.

1. Subject to paragraphs (A) and (B) above, equitable share charges (or the equivalent in local jurisdictions) will be made over equity interests in Non-U.S. Notes Parties to the extent required by the Indenture or any Second Lien Collateral Document.

2. Subject to paragraphs (A) and (B) above, equitable share charges (or the equivalent in local jurisdictions) over equity interests in Non-U.S. Notes Parties will be granted pursuant to which the Second Lien Collateral Agent on behalf of each Secured Party will be entitled, subject to local laws, to transfer the equity interests and satisfy themselves out of the proceeds of such sale upon enforcement of the lien.

3. Subject to paragraphs (A) and (B) above, to the extent permitted under local law, share pledges should contain provisions to ensure that, unless an Event of Default has occurred and is continuing, the grantor of the lien is entitled to receive dividends and exercise voting rights in any shareholders' meeting of the relevant company (except if exercise would adversely affect the validity or enforceability of the lien or cause an Event of Default to occur) and if an Event of Default has occurred and is continuing the voting and dividend receipt rights may only be exercised by the Second Lien Collateral Agent on behalf of each Secured Party, it being understood that if such Event of Default is subsequently remedied or waived, the right to receive dividends and the voting rights in any shareholders' meeting of the relevant company shall return to the grantor of the lien.

4. Liens over equity interests will, where possible, automatically charge further equity interests issued or otherwise contemplate a procedure for the extension (at the cost of the relevant Issuer or Guarantor) of liens over newly-issued shares.

5. Liens will not be created over minority shareholdings or equity interests in joint ventures where the consent of a third party is required before the relevant Issuer or Guarantor can create a lien over the same unless such consent has been obtained; provided, that, to the extent that any such Person has ceased to be a Wholly Owned Subsidiary, the equity interests of such Person shall not be excluded under this clause (5) if such Person was, at any time following the Issue Date, a Wholly Owned Subsidiary and subsequently ceased to be a Wholly Owned Subsidiary as a result of (A) a transfer or issuance of any of its equity interests to any Affiliate or Related Party of any Issuer, (B) any transaction that had no bona fide business purpose and was not undertaken for applicable legal or tax efficiency considerations (in each case under this clause (B), as determined in good faith by the Issuer), or (C) any transaction with a primary purpose (as determined in good faith by the Issuer) to evade the requirement of such equity interests constituting Second Lien Collateral hereunder.

6. Liens will not be created on equity interests so long as same constitute Margin Stock (as defined in Regulation U of the Board of Governors of the Federal Reserve System of the United States).

(E) Liens over Receivables of Non-U.S. Notes Parties.

1. Except where an Event of Default has occurred and is continuing, the proceeds of receivables shall not be paid into a nominated account.

2. Each relevant Non-U.S. Notes Party shall not be required to notify third party debtors to any contracts that have been assigned and/or charged under a Second Lien Collateral Document unless (i) so required by the Second Lien Collateral Agent if an Event of Default has occurred and is continuing or (ii) otherwise customary under the relevant local practice and is not (in the Issuer's good faith determination (with any such determination set forth in an Officers' Certificate of the Issuer being definitive)) materially prejudicial to the business relationship of such Non-U.S. Notes Party. The Second Lien Collateral Agent shall however be entitled to give such notice if an Event of Default has occurred and is continuing.

3. No lien will be granted under local law over any receivables to the extent (and for so long as) such receivable cannot be secured under the terms of the relevant contract.

(F) Insurances.

1. Notwithstanding anything to the contrary herein, liens should not be created over intellectual property or any contractual relationships described above (or any rights arising thereunder) where such lien or assignment is prohibited or the consent of third parties would be required for the creation of such lien or such assignment.

3. Subject to paragraphs (A) and (B) above, where obligatory or customary, documents of title relating to the assets charged will be required to be delivered to the Second Lien Collateral Agent.

4. Except as explicitly provided herein, notice, acknowledgement or consent to be obtained from a third party will only be required where the efficacy of the lien requires it or where it is practicable and reasonable having regard to the costs involved, the commercial impact on the Non-U.S. Notes Party in question and the likelihood of obtaining the acknowledgement and, when possible without prejudicing the validity of the lien concerned, such perfecting procedures shall be delayed until an Event of Default has occurred and is continuing.

(L) Liens.

Notwithstanding anything to the contrary contained in the Indenture, no provision contained herein shall prejudice the right of the Non-U.S. Notes Parties to benefit from the permitted exceptions set out in the Indenture regarding the granting of liens over assets.

(M) Proceeds.

The Second Lien Collateral Documents will state that the proceeds of enforcement of such Second Lien Collateral Documents will be applied as specified in the Indenture.

"Consolidated Total Net Leverage Ratio" means, with respect to any Person, at any date, the ratio of (i) Consolidated Total Indebtedness of such Person and its Restricted Subsidiaries as of such date of calculation (determined on a consolidated basis in accordance with GAAP) *less* the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of such Person and its Restricted Subsidiaries and held by such Person and its Restricted Subsidiaries as of such date of determination to (ii) EBITDA of such Person for the four full fiscal quarters for which internal financial statements are available immediately preceding such date on which such additional Indebtedness is Incurred.

In the event that the Parent or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the Consolidated Total Net Leverage Ratio is being calculated but prior to the event for which the calculation of the Consolidated Total Net Leverage Ratio is made (the "Consolidated Total Net Leverage Calculation Date"), then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Total Net Leverage Calculation Date (each, for purposes of this definition, a "*pro forma event*") shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such

Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any *pro forma* event, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such *pro forma* calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Consolidated Total Net Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

In the event that the Parent, an Issuer or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the First Lien Secured Leverage Ratio is being calculated but prior to the event for which the calculation of the First Lien Secured Leverage Ratio is made (the "First Lien Secured Leverage Calculation Date"), then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuers may elect pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (a) the Issuer elects pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (b) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the First Lien Secured Leverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent, an Issuer or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the First Lien Secured Leverage Calculation Date (each, for purposes of this definition, a "*pro forma* event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions,

dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent, an Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the First Lien Secured Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

"First Lien/Second Lien Secured Leverage Ratio" means, with respect to any Person, at any date, the ratio of (a) Consolidated Total Indebtedness of such Person and its Restricted Subsidiaries as of such date of calculation (determined on a consolidated basis in accordance with GAAP) that is secured by a Lien on the Second Lien Collateral (other than a Lien that is junior to the Liens securing the Notes) less the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of such Person and its Restricted Subsidiaries and held by such Person and its Restricted Subsidiaries as of such date of determination to (b) EBITDA of such Person for the four full fiscal quarters for which internal financial statements are available immediately preceding such date on which such additional Indebtedness is Incurred. In the event that the Parent, an Issuer or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the First Lien/Second Lien Secured Leverage Ratio is being calculated but prior to the event for which the calculation of the First Lien/Second Lien Secured Leverage Ratio is made (the "First Lien/Second Lien Secured Leverage Calculation Date"), then the First Lien/Second Lien Secured Leverage Ratio shall be calculated giving pro forma effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuers may elect pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (a) the Issuer elects pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (b) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the First Lien/Second Lien Secured Leverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent, an Issuer or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the First Lien/Second Lien Secured Leverage Calculation Date (each, for purposes of this definition, a "pro forma event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent, an Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the First Lien/Second Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the First Lien/Second Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the First Lien/Second Lien Secured Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

"Fixed Charge Coverage Ratio" means, with respect to any Person for any period, the ratio of EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Parent or any of the Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness (other than in the case of any Securitization Financing, in which case interest expense shall be computed based upon the average daily balance of such Indebtedness during the applicable period) or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the "Fixed Charge Calculation Date"), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption

of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuer may elect pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (i) the Issuer elects pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (ii) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the Fixed Charge Coverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Calculation Date (each, for purposes of this definition, a "pro forma event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

The Issuers may from time to time after the Issue Date issue Additional Notes under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Notes is at such time permitted by Section 4.03 and (ii) such Additional Notes are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.07, 2.08, 2.09, 3.08, 4.06(e), 4.08(c) or Appendix A), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Issuer and (b) (i) set forth or determined in the manner provided in an Officers' Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Notes:

(1) the aggregate principal amount of such Additional Notes which may be authenticated and delivered under this Indenture;

(2) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes shall accrue; and

(3) if applicable, that such Additional Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositaries for such Global Notes, the form of any legend or legends which shall be borne by such Global Notes in addition to or in lieu of those set forth in Exhibit A hereto, and any circumstances in addition to or in lieu of those set forth in Section 2.2 of Appendix A in which any such Global Note may be exchanged in whole or in part for Additional Notes registered, or any transfer of such Global Note in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Note or a nominee thereof.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Issuer and delivered to the Second Lien Trustee at or prior to the delivery of the Officers' Certificate or an indenture supplemental hereto setting forth the terms of the Additional Notes.

The Initial Notes and any Additional Notes may, at the Issuer's option, be treated as a single class of securities for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that if the Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP number, if applicable.

SECTION 2.02 Form and Dating. Provisions relating to the Initial Notes are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The (i) Initial Notes and the Second Lien Trustee's certificate of authentication and (ii) any Additional Notes (if issued as Transfer Restricted Notes) and the Second Lien Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuers or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuers). Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form, without coupons, in denominations of $1 and any integral multiple of $1 in excess thereof; provided that Notes may be issued in denominations of less than $1 solely to accommodate book-entry positions that have been created by Depository participants in denominations of less than $1.

SECTION 2.03 Execution and Authentication. The Second Lien Trustee shall authenticate and make available for delivery upon a written order of the Issuers signed by one Officer of each Issuer (an "Authentication Order") (a) Initial Notes for original issue on the date hereof in an aggregate principal amount of $375,000,000 and (b) subject to the terms of this Indenture, Additional Notes in an aggregate principal amount to be determined at the time of issuance and specified therein. Such Authentication Order shall specify the amount of separate Note certificates to be authenticated, the principal amount of each of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, whether the Notes are to be Initial Notes or Additional Notes, the registered holder of each of the Notes and delivery instructions. Notwithstanding anything to the contrary in this Indenture or Appendix A, any issuance of Additional Notes after the Issue Date shall be in a principal amount of at least $1 and integral multiples of $1 in excess thereof.

As far as the Issuer is concerned, the Notes (in global or definitive form) will have to be signed pursuant to the articles of association of the Issuer or the resolutions of the Board of Directors of the Issuer. One Officer shall sign the Notes for each Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Second Lien Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Second Lien Trustee (or an authenticating agent as described immediately below) manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Second Lien Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuers to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Second Lien Trustee may do so. Each reference in this Indenture to authentication by the Second Lien Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04 Registrar and Paying Agent.

(a) The Issuers shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar") and (ii) an office or agency where Notes may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuers may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrars. The term "Paying Agent" includes the Paying Agent and any additional paying agents. The Issuers initially appoint the Second Lien Trustee as Registrar, Paying Agent and Notes Custodian with respect to the Global Notes.

(b) Upon written request from the Issuer, the Registrar shall provide the Issuer with a copy of the register for the Notes. Further, the Registrar(s) shall provide a copy of the register upon written request after any amendment has been made to the register(s).

(c) The Issuers may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the Second Lien Trustee in writing of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Second Lien Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Parent or any of its Subsidiaries may act as Paying Agent or Registrar.

(d) The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Second Lien Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor Registrar or Paying Agent, as the case may be, as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Second Lien Trustee or (ii) notification to the Second Lien Trustee that the Second Lien Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the Second Lien Trustee; provided, however, that the Second Lien Trustee may resign as Paying Agent or Registrar only if the Second Lien Trustee also resigns as Second Lien Trustee in accordance with Section 7.08.

SECTION 2.05 Paying Agent to Hold Money in Trust. Prior to 10:00 a.m., New York City time, on each due date of the principal of and interest on any Note, the Issuers shall deposit with the Paying Agent (or if the Parent or a Subsidiary thereof is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Paying Agent shall hold in trust for the benefit of holders or the Second Lien Trustee all money held by a Paying Agent for the payment of principal of and interest on the Notes, and shall notify the Second Lien Trustee of any default by the Issuers in making any such payment. If the Parent or a Subsidiary thereof acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuers at any time may require a Paying Agent to pay all money held by it to the Second Lien Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Second Lien Trustee.

SECTION 2.06 Holder Lists. The Second Lien Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of holders. If the Second Lien Trustee is not the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, to the Second Lien Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Second Lien Trustee may request in writing, a list in such form and as of such date as the Second Lien Trustee may reasonably require of the names and addresses of holders.

SECTION 2.07 Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements (including, among other things, the furnishing of appropriate endorsements and transfer documents) therefor are met. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if

the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the Second Lien Trustee shall authenticate Notes at the Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges payable on transfer that are required by law in connection with any transfer or exchange pursuant to this Section 2.07. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of any Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Guarantors, the Second Lien Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuers, the Guarantors, the Second Lien Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the holder of such Global Note (or its agent) or (b) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

The Second Lien Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the Second Lien Trustee, Registrar or Paying Agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 2.08 Replacement Notes. If a mutilated Note is surrendered to the Registrar or if the holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Second Lien Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the holder (a) satisfies the Issuers and the Second Lien Trustee within a reasonable time after such holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers and the Second Lien Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Issuers and the Second Lien Trustee. Such holder shall furnish an indemnity bond sufficient in the judgment of the Second Lien Trustee, with respect to the Second Lien Trustee, and the Issuers, with respect to the Issuers, to protect the Issuers, the Second Lien Trustee, the Paying Agent and the Registrar, as applicable, from any loss or liability that any of them may suffer if a Note is replaced and subsequently presented or claimed for payment. The Issuers and the Second Lien Trustee may charge the holder for their expenses in replacing a Note (including without limitation, attorneys' fees and disbursements in replacing such Note). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuers in their discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Second Lien Trustee except for those canceled by it, those paid pursuant to Section 2.08, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 14.05, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers hold the Note.

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Second Lien Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Cancellation. The Issuers at any time may deliver Notes to the Second Lien Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Second Lien Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Second Lien Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures. The Issuers may not issue new Notes to replace Notes they have redeemed, paid or delivered to the Second Lien Trustee for cancellation. The Second Lien Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.11 Defaulted Interest. If the Issuers default in a payment of interest on the Notes, the Issuers shall pay the defaulted interest then borne by the Notes (*plus* interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuers may pay the defaulted interest to the Persons who are holders on a subsequent special record date. The Issuers shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Second Lien Trustee and shall promptly mail or cause to be mailed to each affected holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12 CUSIP Numbers, ISINs, Etc. The Issuers in issuing the Notes may use CUSIP numbers, ISINs and "Common Code" numbers (if then generally in use), and the Second Lien Trustee shall use any such CUSIP numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Notes and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall promptly advise the Second Lien Trustee in writing of any change in any such CUSIP numbers, ISINs and "Common Code" numbers.

SECTION 2.13 Calculation of Principal Amount of Notes. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, and Section 14.05 of this Indenture. Any calculation of the Applicable Premium or Additional Amounts made pursuant to this Section 2.13 shall be made by the Issuer and delivered to the Second Lien Trustee pursuant to an Officers' Certificate.

ARTICLE III

REDEMPTION

SECTION 3.01 Redemption. The Notes may be redeemed, in whole or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Note set forth in Exhibit A hereto, which is hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest, to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

SECTION 3.02 Applicability of Article. Redemption of Notes at the election of the Issuers or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article III.

SECTION 3.03 Notices to Second Lien Trustee. If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Paragraph 5 of the Note, the Issuers shall notify the Second Lien Trustee in an Officers' Certificate of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price. The Issuers shall give notice to the Second Lien Trustee provided for in this Section 3.03 at least 10 days but not more than 60 days (or such shorter period as may be agreed by the Second Lien Trustee) before a redemption date if the redemption is a redemption pursuant to Paragraph 5 of the Note. The Issuers may also include a request in such Officers' Certificate that the Second Lien Trustee give the notice of redemption in the Issuers' name and at their expense and setting forth the form of such notice containing the information required by Section 3.05. Any such request shall be received in writing by the Second Lien Trustee at least five (5) Business Days (or such shorter period as is acceptable to the Second Lien Trustee) prior to the date on which such notice is to be given. Any such notice may be canceled if written notice from the Issuers of such cancellation is actually received by the Second Lien Trustee on the Business Day immediately prior to notice of such redemption being mailed to any holder or otherwise delivered in accordance with the applicable procedures of the Depository and shall thereby be void and of no effect. The Issuers shall deliver to the Second Lien Trustee such documentation and records as shall enable the Second Lien Trustee to select the Notes to be redeemed pursuant to Section 3.04.

SECTION 3.04 Selection of Notes to Be Redeemed. In the case of any partial redemption of Notes, selection of the Notes for redemption will be made by the Second Lien Trustee on a pro rata basis to the extent practicable or by lot or by such other method as the Second Lien Trustee shall deem fair and appropriate (and in such manner that complies with the requirements of the Depository, if applicable); *provided* that no Notes of $1 or less shall be redeemed in part. The Second Lien Trustee shall make the selection from outstanding Notes not previously called for redemption. The Second Lien Trustee may select for redemption portions of the principal of Notes that have denominations larger than $1. Notes and portions of them the Second Lien Trustee selects shall be in amounts of $1 or integral multiples of $1 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Second Lien Trustee shall notify the Issuers promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.05 Notice of Optional Redemption.

(a) At least 10 but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Note, the Issuers shall mail or cause to be mailed by first-class mail, or delivered electronically if held by the Depository, a notice of redemption to each holder whose Notes are to be redeemed at its registered address (with a copy to the Second Lien Trustee), except that redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Notes pursuant to Article VIII.

Any such notice shall identify the Notes including CUSIP numbers to be redeemed and shall state:

(i) the redemption date;

(ii) the redemption price and the amount of accrued interest to, but excluding, the redemption date;

(iii) the name and address of the Paying Agent;

(iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, plus accrued and unpaid interest;

(v) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;

(vi) that, unless the Issuers default in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Notes being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Notes.

(b) At the Issuers' request, the Second Lien Trustee shall deliver the notice of redemption in the Issuers' name and at the Issuers' expense. In such event, the Issuers shall notify the Second Lien Trustee of such request at least five (5) Business Days (or such shorter period as is acceptable to the Second Lien Trustee) prior to the date such notice is to be provided to holders. Such notice shall be in writing and may be sent to the Second Lien Trustee via electronic mail. Except as set forth in paragraph 5 of the Note, the notice of redemption may not be canceled once delivered to holders of Notes by the Second Lien Trustee.

SECTION 3.06 Effect of Notice of Redemption. Once notice of redemption is mailed or otherwise delivered in accordance with Section 3.05, Notes called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final paragraph of paragraph 5 of the Notes. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, *plus* accrued and unpaid interest to, but excluding, the redemption date; *provided*, *however*, that if the redemption date is after a regular Record Date and on or prior to the next Interest Payment Date, the accrued interest shall be payable to the holder of the redeemed Notes registered on the relevant Record Date. Failure to give notice or any defect in the notice to any holder shall not affect the validity of the notice to any other holder.

SECTION 3.07 Deposit of Redemption Price. With respect to any Notes, prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Parent or a Subsidiary thereof is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Second Lien Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, *plus* accrued and unpaid interest on, the Notes or portions thereof to be redeemed.

SECTION 3.08 Notes Redeemed in Part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original Note.

SECTION 3.09 [Intentionally Omitted].

SECTION 3.10 Redemption for Changes in Withholding Taxes. The Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding, in each case at 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of the holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), and all Additional Amounts, if any, then due and which shall become due on the applicable redemption date as a result of the redemption or otherwise if, as a result of any change in, or amendment to, the laws (or any regulations or rulings

promulgated thereunder) of a Relevant Taxing Jurisdiction, or the official written interpretation of such laws, which change or amendment is publicly announced and becomes effective after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date) (each of the foregoing changes or amendments, a "Change in Tax Law"), the Issuers are, or on the next interest payment date in respect of the Notes would be, required to pay any Additional Amounts or if, after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), any action is taken by a taxing authority of, or any action has been brought in a court of competent jurisdiction in, a Relevant Taxing Jurisdiction or any taxing authority thereof or therein, including any of those actions that constitutes a Change in Tax Law, whether or not such action was taken or brought with respect to the Issuers, or there is any change, amendment, clarification, application or interpretation of such laws, regulations, treaties or rulings, which in any such case, will result in a material probability that the Issuers will be required to pay Additional Amounts with respect to the Notes (each such action, change, amendment, clarification, application or interpretation, a "Tax Action") (it being understood that such material probability will be deemed to result if the written opinion of independent tax counsel described in clause (ii) below to such effect is delivered to the Second Lien Trustee), and, in each case, such obligation to pay Additional Amounts cannot be avoided by taking reasonable measures available to the Issuers (including, for the avoidance of doubt, the appointment of a new paying agent). Notwithstanding the foregoing, no such notice of redemption as a result of a Change in Tax Law or Tax Action will be given (a) earlier than 90 days prior to the earliest date on which the Issuers would be obligated to pay Additional Amounts as a result of a Change in Tax Law or Tax Action and (b) unless, at the time such notice is given, such obligation to pay Additional Amounts remains in effect. Prior to any redemption of Notes pursuant to the preceding paragraph, the Issuers shall deliver to the Second Lien Trustee (i) an Officers' Certificate stating that the Issuers are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of redemption have occurred and (ii) an opinion of independent tax counsel reasonably acceptable to the Second Lien Trustee to the effect that the Issuers are entitled to redeem the Notes as a result of a Change in Tax Law or a Tax Action. The Second Lien Trustee will accept such Officers' Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders.

ARTICLE IV

COVENANTS

SECTION 4.01 Payment of Notes; Segregated Account. The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date the Second Lien Trustee or the Paying Agent holds as of 10:00 a.m., New York City time, money sufficient to pay all principal and interest then due and the Second Lien Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate borne by the Notes to the extent lawful.

SECTION 4.02 Reports and Other Information.

(a) Notwithstanding that the Parent may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, so long as any Notes are outstanding hereunder, the Parent will furnish to the Second Lien Trustee and holders the following:

(i) within the time periods specified in the SEC's rules and regulations for non-accelerated filers, all quarterly and annual financial information of the Parent that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K (or any successor comparable forms) if the Parent were required to file such Forms; and

(ii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time periods specified in the SEC's rules and regulations), current reports that would be required to be filed with the SEC on Form 8-K if the Parent were required to file such reports;

provided that such reports will not be required to contain the separate financial information for the Issuers or the Guarantors contemplated by Rule 3-10 under Regulation S-X promulgated by the SEC (or any successor provision). In addition to providing such information to the Second Lien Trustee, the Parent shall make available to the holders, prospective investors, market makers affiliated with any initial purchaser of the Notes and securities analysts the information required to be provided pursuant to clauses (i) and (ii) of this paragraph, by posting such information to its website or on IntraLinks or any comparable online data system or website, it being understood that the Second Lien Trustee shall have no responsibility to determine if such information has been posted on any website.

(b) If the Parent has designated any of its Subsidiaries as an Unrestricted Subsidiary and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Parent, then the annual and quarterly information required by clause (i) of the first paragraph of this covenant shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Parent and the Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries.

(c) In the event that:

(i) any direct or indirect parent of the Parent (together with its Subsidiaries other than the Parent and its Subsidiaries)

(1) had consolidated net sales of less than 2.5% of the consolidated net sales of such parent entity and all of its Subsidiaries for the most recently ended four fiscal quarter period of such parent entity; and

(2) had total assets (excluding investments in Subsidiaries, intercompany receivables, intercompany loan receivables, and any other item that would be eliminated in the consolidation of such parent entity's consolidated financial statements) of less than 5.0% of the consolidated total assets of such parent entity and all of its Subsidiaries as of the end of the most recently ended fiscal quarter of such parent;

(ii) in connection with any reporting requirements described in clause (i) of Section 4.02(a), the Parent delivers consolidating financial information that explains, in a reasonable level of detail, the differences between the information relating to any direct or indirect parent entity of the Parent and such entity's Subsidiaries other than the Parent and its Subsidiaries, on the one hand, and the information relating to the Parent and its Subsidiaries on a stand-alone basis, on the other hand; or

(iii) any direct or indirect parent of the Parent is or becomes a Guarantor of the Notes, consolidating reporting at such parent entity's level in a manner consistent with that described in clause (i) of Section 4.02(a) for the Parent will satisfy the requirements of such clause. Upon the occurrence of the event described in clause (iii) above, the Parent may designate such parent entity as the new Parent by delivering an Officers' Certificate to such effect to the Second Lien Trustee and such parent entity shall thereafter be deemed to be the Parent for all purposes under this Indenture. If any direct or indirect parent of the Parent is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, then reporting by such parent entity in a manner consistent with that described in clause (ii) of Section 4.02(a) for the Parent will satisfy the requirements of such clause.

(d) In addition, the Parent will make such information available to prospective investors upon request. In addition, the Parent shall, after the Issue Date and for so long as any Notes remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) Notwithstanding the foregoing, the Parent will be deemed to have furnished the reports referred to in this Section 4.02 to the Second Lien Trustee and the holders if the Parent has filed such reports with (or furnished such reports to) the SEC via the EDGAR filing system and such reports are publicly available, it being understood that the Second Lien Trustee shall have no responsibility to determine if such information has been posted on any website.

(f) Delivery of any reports, information and documents to the Second Lien Trustee pursuant to this Section 4.02 is for informational purposes only and the Second Lien Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants under this Indenture (as to which the Second Lien Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.03 Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) (i) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Parent and the Issuers shall not permit any of the Restricted Subsidiaries (other than any Guarantor or Issuer) to issue any shares of Preferred Stock; *provided*, *however*, that the Parent, any Issuer and any other Guarantor may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary that is not a Guarantor or an Issuer may Incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock or issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) The limitations set forth in Section 4.03(a) shall not apply to:

(i) the Incurrence by the Parent or any Restricted Subsidiary of Indebtedness (including under any Credit Agreement and the issuance and creation of letters of credit and bankers' acceptances thereunder) up to an aggregate principal amount outstanding at the time of Incurrence that does not exceed the greater of (x) $2,450 million and (y) the aggregate principal amount of Consolidated Total Indebtedness that at the time of Incurrence does not cause the First Lien Secured Leverage Ratio for the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available, determined on a *pro forma* basis, to exceed the First Lien Incurrence Threshold; *provided* that for purposes of determining the amount of Indebtedness that may be incurred under clause (i)(y), all Indebtedness incurred under this clause (i) shall be treated as Indebtedness secured by First Priority Liens;

(ii) the Incurrence by the Parent, the Issuers and the other Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the Guarantees;

(iii) Indebtedness existing on the Issue Date (other than Indebtedness described in clauses (i) and (ii) of this Section 4.03(b)) including, without limitation, the Existing Notes and the guarantees thereof;

(iv) Indebtedness (including Capitalized Lease Obligations) Incurred by the Parent or any Restricted Subsidiary, Disqualified Stock issued by the Parent or any Restricted Subsidiary and Preferred Stock issued by any Restricted Subsidiary to finance (whether prior to or within 360 days after) the acquisition, lease, construction, repair, replacement or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such

assets) and Attributable Debt in respect of any Sale/Leaseback Transaction not in violation of this Indenture in an aggregate principal amount that, when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock or Preferred Stock then outstanding and Incurred pursuant to this clause (iv), together with any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) below, does not exceed the greater of $100.0 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount);

(v) Indebtedness Incurred by the Parent or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental law or permits or licenses from governmental authorities, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims;

(vi) Indebtedness arising from agreements of the Parent or any Restricted Subsidiary providing for indemnification, adjustment of acquisition or purchase price or similar obligations (including earn-outs), in each case, Incurred or assumed in connection with the Transactions, any Investments or any acquisition or disposition of any business, assets or a Subsidiary not prohibited by this Indenture, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition;

(vii) Indebtedness of the Parent to a Restricted Subsidiary or Disqualified Stock of the Parent issued to a Restricted Subsidiary; *provided* that (except in respect of intercompany current liabilities incurred in the ordinary course of business in connection with the cash management, tax and accounting operations of the Parent and its Subsidiaries) any such Indebtedness owed to a Restricted Subsidiary that is not an Issuer or a Guarantor is subordinated in right of payment to the obligations of the Guarantee of the Parent; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Parent or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien but not the transfer thereof upon foreclosure) or shares of Disqualified Stock shall be deemed, in each case, to be an Incurrence of such Indebtedness or issuance of shares of Disqualified Stock, as applicable, not permitted by this clause (vii);

(viii) shares of Preferred Stock or Disqualified Stock of a Restricted Subsidiary issued to the Parent or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary that holds such shares of Preferred Stock or Disqualified Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Parent or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock or Disqualified Stock not permitted by this clause (viii);

(ix) Indebtedness of a Restricted Subsidiary to the Parent or another Restricted Subsidiary; *provided* that if a Guarantor incurs such Indebtedness to a Restricted Subsidiary that is not a Guarantor (except in respect of intercompany current liabilities incurred in the ordinary course of business in connection with the cash management, tax and accounting operations of the Parent and its Subsidiaries), such Indebtedness is subordinated in right of payment to the Guarantee of such Guarantor; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary holding such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Parent or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien but not the transfer thereof upon foreclosure) shall be deemed, in each case, to be an Incurrence of such Indebtedness not permitted by this clause (ix);

(x) Hedging Obligations that are not incurred for speculative purposes;

(xi) Obligations (including reimbursement obligations with respect to letters of credit, bank guarantees, warehouse receipts and similar instruments) in respect of performance, bid, appeal and surety bonds, completion guarantees and similar obligations provided by the Parent or any Restricted Subsidiary in the ordinary course of business or consistent with past practice or industry practice;

(xii) Indebtedness or Disqualified Stock of the Parent or an Issuer or Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary in an aggregate principal amount or liquidation preference, which when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and Incurred pursuant to this clause (xii), together with any Refinancing Indebtedness in respect thereof incurred pursuant to clause (xv) below, does not exceed the greater of $250 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence (plus, in the case of any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) below, the Additional Refinancing Amount) (it being understood that any Indebtedness Incurred pursuant to this clause (xii) shall cease to be deemed Incurred or outstanding for purposes of this clause (xii) but shall be deemed Incurred for purposes of Section 4.03(a) from and after the first date on which the Parent or the Restricted Subsidiary, as the case may be, could have Incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xii));

(xiii) Indebtedness or Disqualified Stock of the Parent or any Restricted Subsidiary and Preferred Stock of any Restricted Subsidiary in an aggregate principal amount or liquidation preference at any time outstanding, together with Refinancing Indebtedness in respect thereof incurred pursuant to clause (xv) hereof, not greater than 100.0% of the net cash proceeds received by the Parent and the Restricted Subsidiaries since immediately after April 7, 2020 from the issue or sale of Equity Interests of the Parent or cash contributed to the capital of the Parent (in each case other than proceeds of Disqualified Stock or sales of Equity Interests to, or contributions received from the Parent, the Issuer or any of their Subsidiaries) to the extent such net cash proceeds or cash have not been applied to make Restricted Payments or to make other Investments, payments or exchanges pursuant to Section 4.04(b) or to make Permitted Investments (other than Permitted Investments specified in clauses (1), (2) and (3) of the definition thereof) (plus, in the case of any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) below, the Additional Refinancing Amount) (it being understood that any Indebtedness incurred pursuant to this clause (xiii) shall cease to be deemed incurred or outstanding for purposes of this clause (xiii) but shall be deemed incurred for the purposes of Section 4.03(a) from and after the first date on which the Parent or such Restricted Subsidiary, as the case may be, could have incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xiii));

(xiv) any guarantee by the Parent or any Restricted Subsidiary of Indebtedness or other obligations of the Parent or any Restricted Subsidiary so long as the Incurrence of such Indebtedness Incurred by the Parent or such Restricted Subsidiary is permitted under the terms of this Indenture; *provided* that (A) if such Indebtedness is by its express terms subordinated in right of payment to the Notes or the Guarantee of the Parent or such Restricted Subsidiary, as applicable, any such guarantee with respect to such Indebtedness shall be subordinated in right of payment to the Notes or such Guarantee, as applicable, substantially to the same extent as such Indebtedness is subordinated to the Notes or the Guarantee, as applicable, and (B) if such guarantee is of Indebtedness of the Issuers, such guarantee is Incurred in accordance with, or not in contravention of, Section 4.11 solely to the extent Section 4.11 is applicable;

(xv) the Incurrence by the Parent or any of the Restricted Subsidiaries of Indebtedness or Disqualified Stock, or by any Restricted Subsidiary of Preferred Stock, that serves to refund, refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued as permitted under Section 4.03(a) and clauses (i)(y), (ii), (iii), (iv), (xii), (xiii), (xv), (xvi) and (xx) of this Section 4.03(b) up to the outstanding principal amount (or, if applicable, the liquidation preference, face amount, or the like) or, if greater, committed amount (only to the extent the committed amount could have been Incurred on the date of initial Incurrence and was deemed Incurred at such time for the purposes of this Section 4.03) of such Indebtedness or Disqualified Stock or Preferred Stock, in each case at the time such Indebtedness was Incurred or Disqualified Stock or Preferred Stock was issued pursuant to Section 4.03(a) or clauses (i)(y), (ii), (iii), (iv), (xii), (xiii), (xv), (xvi) and (xx) of this Section 4.03(b), or any Indebtedness, Disqualified

Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, plus any additional Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums (including tender premiums), accrued and unpaid interest, expenses, underwriting discounts, commissions, defeasance costs and fees in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; *provided*, *however*, that such Refinancing Indebtedness:

(1) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded, refinanced or defeased and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Indebtedness, Disqualified Stock and Preferred Stock being refunded or refinanced that were due on or after the date that is one year following the last maturity date of any Notes then outstanding were instead due on such date (*provided* that this subclause (1) will not apply to any refunding or refinancing of any Secured Indebtedness);

(2) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the Notes or a Guarantee, as applicable, such Refinancing Indebtedness is junior to the Notes or the Guarantee, as applicable, or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock; and

(3) shall not include (x) Indebtedness of a Restricted Subsidiary that is not a Guarantor that refinances Indebtedness of an Issuer or a Guarantor, or (y) Indebtedness of the Parent or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary;

(xvi) Indebtedness, Disqualified Stock or Preferred Stock of (A) the Parent or any Restricted Subsidiary incurred to finance an acquisition or (B) Persons that are acquired by the Parent or any Restricted Subsidiary or are merged, consolidated or amalgamated with or into the Parent or any Restricted Subsidiary in accordance with the terms of this Indenture (so long as such Indebtedness is not incurred in contemplation of such acquisition, merger, consolidation or amalgamation); *provided* that after giving effect to such acquisition or merger, consolidation or amalgamation, either:

(1) the Parent would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(2) the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available would be no less than immediately prior to such acquisition or merger, consolidation or amalgamation;

(xvii) Indebtedness Incurred in connection with a Securitization Financing; *provided* that such Indebtedness is not recourse to the Parent or any Restricted Subsidiary other than a Securitization Subsidiary (except for Standard Securitization Undertakings); *provided*, *however*, that the aggregate principal amount for all such Indebtedness, when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this Section 4.03(b)(xvii), does not exceed the greater of $200 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence;

(xviii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within five Business Days of its Incurrence;

(xix) Indebtedness of the Parent or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to Bank Indebtedness, in a principal amount not in excess of the stated amount of such letter of credit;

(xx) Indebtedness of Restricted Subsidiaries that are not Issuers or Guarantors (other than the Cadence IP Licensee, except for any Indebtedness of the Cadence IP Licensee owing to one or more Issuers or Guarantors); *provided*, *however*, that the aggregate principal amount for all such Indebtedness, when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (xx), together with any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) above, does not exceed the greater of $225 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence (plus, in the case of any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) above, the Additional Refinancing Amount) (it being understood that any Indebtedness incurred pursuant to this clause (xx) shall cease to be deemed Incurred or outstanding for purposes of this clause (xx) but shall be deemed Incurred for the purposes of Section 4.03(a) from and after the first date on which such Restricted Subsidiary could have Incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xx)); *provided* that in no event shall the proceeds of Indebtedness Incurred pursuant to this clause (xx) be used for any refinancing of Indebtedness outstanding on the Issue Date (other than Indebtedness of Restricted Subsidiaries that are not Issuers or Guarantors);

(xxi) Indebtedness of the Parent or any Restricted Subsidiary consisting of (A) the financing of insurance premiums or (B) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business;

(xxii) Indebtedness consisting of Indebtedness of the Parent or a Restricted Subsidiary to current or former officers, directors and employees of the Parent, or any of its Subsidiaries, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Parent to the extent described in Section 4.04(b)(iv);

(xxiii) Indebtedness in respect of Obligations of the Parent or any Restricted Subsidiary to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services; *provided* that such obligations are incurred in connection with open accounts extended by suppliers on customary trade terms in the ordinary course of business and not in connection with the borrowing of money or any Hedging Obligations;

(xxiv) Indebtedness of, incurred on behalf of, or representing guarantees of Indebtedness of joint ventures, subject to compliance with Section 4.04; and

(xxv) Indebtedness of the Parent or any Restricted Subsidiary to or on behalf of any joint venture (regardless of the form of legal entity) that is not a Restricted Subsidiary arising in the ordinary course of business in connection with the cash management operations (including with respect to intercompany self-insurance arrangements) of the Parent and the Restricted Subsidiaries.

(c) For purposes of determining compliance with this Section 4.03:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness described in clauses (i) through (xxv) of Section 4.03(b) above or is entitled to be Incurred pursuant to Section 4.03(a), then the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if Incurred at such later time), such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 4.03; *provided* that Indebtedness outstanding under a Credit Agreement entered into on or prior to the Issue Date shall be incurred under clause (i) of Section 4.03(b) above and may not be reclassified;

(2) at the time of Incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the categories of Indebtedness described in Section 4.03(a) or clauses (i) through (xxv) of Section 4.03(b) (or any portion thereof) without giving *pro forma* effect to the Indebtedness Incurred pursuant to any other clause or paragraph of Section 4.03 (or any portion thereof) when calculating the amount of Indebtedness that may be Incurred pursuant to any such clause or paragraph (or any portion thereof); and

(3) in connection with the Incurrence (including with respect to any Incurrence on a revolving basis pursuant to a revolving loan commitment) of any Indebtedness under clause (i)(y) of Section 4.03(b), the Parent or the applicable Restricted Subsidiary may, by written notice to the Second Lien Trustee at any time prior to the actual Incurrence of such Indebtedness designate such Incurrence as having occurred on the date of such prior notice, and any related subsequent actual Incurrence will be deemed for all purposes under this Indenture to have been Incurred on the date of such prior notice.

Accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, amortization of original issue discount, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.03. Where any Indebtedness of any Person other than the Parent and the Restricted Subsidiaries is guaranteed by one or more of the Parent and the Restricted Subsidiaries, the aggregate amount of Indebtedness of the Parent and the Restricted Subsidiaries deemed to be Incurred or outstanding as a result of all such guarantees shall not exceed the amount of such guaranteed Indebtedness. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount (or, if applicable, the liquidation preference, face amount, or the like) of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt. However, if the Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and the refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of the refinancing, the U.S. dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount (or, if applicable, the liquidation preference, face amount, or the like) of the refinancing Indebtedness does not exceed the principal amount (or, if applicable, the liquidation preference, face amount, or the like) of the Indebtedness being refinanced, plus any additional Indebtedness Incurred to pay premiums (including tender premiums), accrued and unpaid interest, expenses, underwriting discounts, commissions, defeasance costs and fees in connection therewith.

Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that the Parent and the Restricted Subsidiaries may Incur pursuant to this Section 4.03 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies. The principal amount (or, if applicable, the liquidation preference, face amount, or the like) of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which the respective Indebtedness is denominated that is in effect on the date of the refinancing.

SECTION 4.04 Limitation on Restricted Payments.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any distribution on account of any of the Parent's or any of the Restricted Subsidiaries' Equity Interests, including any payment made in connection with any merger, amalgamation or consolidation involving the Parent (other than (A) dividends or distributions payable solely in Equity Interests (other than Disqualified Stock) of the Parent; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary, the Parent or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase or otherwise acquire or retire for value any Equity Interests of the Parent;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any other Guarantor (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (vii) and (ix) of Section 4.03(b)); or

(iv) make any Restricted Investment;

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments" which term, for the avoidance of doubt, shall not include any Permitted Opioid Settlement Prepayment or other payment with respect to the Opioid Settlement or the Federal/State Acthar Settlement), unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a *pro forma* basis, the Issuer could Incur $1.00 of additional Indebtedness under Section 4.03(a); and

(3) such Restricted Payment (including Restricted Payments permitted by clauses (i) (to the extent that such Restricted Payment would have reduced the Cumulative Credit if made at the date of the declaration or giving of notice referred to therein and without duplication of any such reduction), (ii)(C) (to the extent that the reference to clause (vi) therein operates by reference to clause (vi)(C)), (vi)(C) and (viii) of Section 4.04(b), but excluding all other Restricted Payments permitted by Section 4.04(b)), is less than the amount equal to the Cumulative Credit.

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration or giving notice thereof, if at the date of declaration or the giving notice of such irrevocable redemption, as applicable, such payment would have complied with the provisions of this Indenture;

(ii) (A) the redemption, repurchase, retirement or other acquisition of any Equity Interests ("Retired Capital Stock"), Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any other Guarantor in exchange for, or out of the proceeds of, the substantially concurrent sale of, Equity Interests of the Parent or contributions to the equity capital of the Parent (other than any Disqualified Stock or any Equity Interests sold to a Subsidiary of the Parent) (collectively, including any such contributions, "Refunding Capital Stock");

(B) the declaration and payment of dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to the Issuer or a Subsidiary of the Parent or the Issuer) of Refunding Capital Stock; and

(C) if immediately prior to the retirement of Retired Capital Stock, the declaration and payment of dividends thereon was permitted under clause (vi) of this Section 4.04(b) and not made pursuant to clause (ii)(B), the declaration and payment of dividends on the Refunding Capital Stock (other than Refunding Capital Stock the proceeds of which were used to redeem, repurchase, retire or otherwise acquire any Equity Interests of the Parent) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that were declarable and payable on such Retired Capital Stock immediately prior to such retirement;

(iii) the redemption, repurchase, defeasance, or other acquisition or retirement of Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Parent, an Issuer or a Guarantor which is Incurred in accordance with Section 4.03 so long as:

(A) the principal amount (or accreted value, if applicable) of such new Indebtedness does not exceed the principal amount (or accreted value, if applicable), *plus* any accrued and unpaid interest, of the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, defeased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, acquired or retired, *plus* any tender premiums, *plus* any defeasance costs, fees, underwriting discounts, commissions and expenses incurred in connection therewith);

(B) (i) if the existing Indebtedness of the Parent, an Issuer or any other Guarantor being redeemed, repurchased, defeased, or otherwise acquired or retired for value is Subordinated Indebtedness, such new Indebtedness is subordinated to the Notes or the related Guarantee of such Guarantor, as the case may be, at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, defeased, acquired or retired for value and (ii) if the existing Indebtedness of the Parent, an Issuer or any other Guarantor being redeemed, repurchased, defeased, or otherwise acquired or retired for value is Junior Priority Indebtedness or unsecured Indebtedness, such new Indebtedness is Junior Priority Indebtedness or unsecured Indebtedness;

(C) such Indebtedness has a final scheduled maturity date equal to or later than the earlier of (x) the final scheduled maturity date of the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, defeased, acquired or retired and (y) 91 days following the last maturity date of any Notes then outstanding; and

(D) such Indebtedness has a Weighted Average Life to Maturity at the time Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, defeased, acquired or retired and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being redeemed, repurchased, defeased, acquired or retired that were due on or after the date that is one year following the last maturity date of any Notes then outstanding were instead due on such date;

(iv) a Restricted Payment to pay for the repurchase, retirement or other acquisition for value of Equity Interests of the Parent held by any future, present or former employee, director, officer or consultant of the Parent or any Subsidiary of the Parent pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided*, *however*, that the aggregate Restricted Payments made under this clause (iv) do not exceed $50.0 million in any calendar year, with unused amounts in any calendar year being permitted to be carried over to succeeding calendar years; *provided*, *further*, *however*, that such amount in any calendar year may be increased by an amount not to exceed:

(A) the cash proceeds received by the Parent or any of the Restricted Subsidiaries from the sale of Equity Interests (other than Disqualified Stock) of the Parent to employees, directors, officers or consultants of the Parent and the Restricted Subsidiaries that occurs after April 7, 2020 (*provided* that the amount of such cash proceeds utilized for any such repurchase, retirement, other acquisition or dividend will not increase the amount available for Restricted Payments under clause (2) of the definition of "Cumulative Credit"), *plus*

provided that the Parent or the Issuer may elect to apply all or any portion of the aggregate increase contemplated by clauses (A) and (B) above in any calendar year; *provided*, *further*, that cancellation of Indebtedness owing to the Parent or any Restricted Subsidiary from any present or former employees, directors, officers or consultants of the Parent or any Restricted Subsidiary in connection with a repurchase of Equity Interests of the Parent will not be deemed to constitute a Restricted Payment for purposes of this Section 4.04 or any other provision of this Indenture;

(v) the declaration and payment of dividends or distributions to holders of any class or series of Disqualified Stock of the Parent or any Restricted Subsidiary issued or incurred in accordance with Section 4.03;

(C) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock in excess of the dividends declarable and payable thereon pursuant to Section 4.04(b)(ii);

provided, *however*, in the case of each of clauses (A) and (C) above of this clause (vi), that for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock or Refunding Capital Stock, after giving effect to such issuance (and the payment of dividends or distributions and treating such Designated Preferred Stock or Refunding Capital Stock as Indebtedness for borrowed money for such purpose) on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), the Parent would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00;

(vii) [reserved];

(ix) Restricted Payments that are made with (or in an aggregate amount that does not exceed the aggregate amount of) Excluded Contributions;

For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Parent and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Investments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation of a Restricted Subsidiary will only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time.

SECTION 4.05 Dividend and Other Payment Restrictions Affecting Subsidiaries. The Parent and the Issuers shall not, and shall not permit any Material Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of an Issuer or any Material Subsidiary to:

(a) pay dividends or make any other distributions to the Parent or any Restricted Subsidiary (1) on its Capital Stock, or (2) with respect to any other interest or participation in, or measured by, its profits; or

(b) make loans or advances to the Parent or any Restricted Subsidiary that is a direct or indirect parent of such Material Subsidiary,

except in each case for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect or entered into on the Issue Date, including (A) pursuant to the Credit Agreement and the other Credit Agreement Documents and (B) the Existing Notes, the Existing Notes Indentures, and the related guarantees, and, in each case, any similar contractual encumbrances effected by any amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings of such agreements or instruments;

(3) applicable law or any applicable rule, regulation or order;

(4) any agreement or other instrument of a Person acquired by the Parent or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries, or the property or assets of the Person and its Subsidiaries, so acquired;

(5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary;

(6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Section 4.03 and Section 4.12 that limit the right of the debtor to dispose of the assets securing such Indebtedness;

(7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(12) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Securitization Financing;

(13) other Indebtedness, Disqualified Stock or Preferred Stock (a) of the Parent or any Restricted Subsidiary that is an Issuer, a Guarantor or a Foreign Subsidiary or (b) of any Restricted Subsidiary that is not an Issuer, a Guarantor or a Foreign Subsidiary so long as such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Issuers' ability to make anticipated principal or interest payments on the Notes (as determined in good faith by the Issuer); *provided* that in the case of each of clauses (a) and (b), such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be Incurred subsequent to the Issue Date pursuant to Section 4.03;

(14) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; or

(15) any encumbrances or restrictions of the type referred to in Section 4.05(a) or (b) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on other Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Parent or a Restricted Subsidiary to other Indebtedness Incurred by the Parent or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06 Asset Sales.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Parent or any Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Parent or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of each of the following shall be deemed to be Cash Equivalents for purposes of this provision:

(i) any liabilities (as shown on the Parent or a Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Parent or a Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any such assets or that are otherwise canceled or terminated in connection with the transaction with such transferee, excluding any other Indebtedness included in the calculation of Consolidated Total Indebtedness that is both (1) unsecured or Junior Priority Indebtedness and (2) a direct obligation of, or guaranteed by, all or substantially all of the Issuers and the Guarantors;

(ii) any notes or other obligations or other securities or assets received by the Parent or such Restricted Subsidiary from such transferee that are converted by the Parent or such Restricted Subsidiary into cash or Cash Equivalents within 180 days of the receipt thereof (to the extent of the cash received);

(iii) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Parent and each Restricted Subsidiary are released from any guarantee of payment of such Indebtedness in connection with the Asset Sale and the assumption of such guarantee, if any, would be deemed to be Cash Equivalents under clause (i) above;

(iv) consideration consisting of Indebtedness of the Parent or any Restricted Subsidiary (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Parent or any Restricted Subsidiary; and

(v) any Designated Non-cash Consideration received by the Parent or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value (as determined in good faith by the Issuer), taken together with all other Designated Non-cash Consideration received pursuant to this Section 4.06(a)(v) that is at that time outstanding, not to exceed the greater of $600.0 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(b) Within 365 days after the Parent's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, the Parent or such Restricted Subsidiary may apply the Net Proceeds from such Asset Sale, at its option:

(i) to repay (A) Indebtedness constituting Bank Indebtedness and other Pari Passu Indebtedness, in each case that is secured by a Lien permitted under this Indenture, including First Priority Obligations and Second Priority Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), (B) Indebtedness of a Restricted Subsidiary that is not a Guarantor, (C) Second Priority Notes Obligations or (D) other Pari Passu Indebtedness (*provided* that if the Parent, an Issuer or any Guarantor shall so reduce Obligations under such Pari Passu Indebtedness under this clause (D), the Issuer will equally and ratably reduce Second Priority Notes Obligations in accordance with Article III of this Indenture, through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof (or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest, the pro rata principal amount of Notes), in each case other than Indebtedness owed to the Parent or an Affiliate of the Parent; *provided* that the Net Proceeds from an Asset Sale of Second Lien Collateral may not be applied to repay any Indebtedness other than the Notes or other Pari Passu Indebtedness secured by a Lien (other than a Lien that is junior in priority to the Liens securing the Notes or any Guarantee) on such Second Lien Collateral, except as otherwise permitted under this covenant (provided that if the Parent, an Issuer or any Guarantor shall so repay Obligations under such Pari Passu Indebtedness (other than Pari Passu Indebtedness secured by a Lien that is senior in priority to the Liens securing the Notes or any Guarantee), the Issuer will, to the extent permitted under the New Second Lien Notes and other Pari Passu Indebtedness as in effect on the Issue Date, equally and ratably reduce Second Priority Notes Obligations in accordance with Article III of this Indenture, through open-market purchases (provided that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof (or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest (it being understood, for the avoidance of doubt, that any portion of such Net Proceeds used to make an offer to purchase Notes in accordance with the procedures set forth below for an Asset Sale Offer shall be deemed to have been so applied to reduce Second Priority Notes Obligations whether or not such offer is accepted)); provided, further, that if such Asset Sale involves the disposition of Second Lien Collateral, the Parent or such Restricted Subsidiary has complied with the provisions of this Indenture and the Second Lien Collateral Documents;

(ii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Parent), assets, or property or capital expenditures, in each case (A) used or useful in a Similar Business or (B) that replace the properties and assets that are the subject of such Asset Sale or to reimburse the cost of any of the foregoing incurred on or after the date on which the Asset Sale giving rise to such Net Proceeds was contractually committed; or

(iii) to make Permitted Opioid Settlement Prepayments.

In the case of Section 4.06(b)(ii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the 12-month anniversary of the date of the receipt of such Net Proceeds; *provided* that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, then such Net Proceeds shall constitute Excess Proceeds unless the Parent

or such Restricted Subsidiary enters into another binding commitment (a "Second Commitment") within six months of such cancellation or termination of the prior binding commitment; *provided*, *further*, that the Parent or such Restricted Subsidiary may only enter into a Second Commitment under the foregoing provision one time with respect to each Asset Sale and to the extent such Second Commitment is later canceled or terminated for any reason before such Net Proceeds are applied or are not applied within 180 days of such Second Commitment, then such Net Proceeds shall constitute Excess Proceeds.

Pending the final application of any such Net Proceeds, the Parent or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or invest such Net Proceeds in any manner not prohibited by this Indenture. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first paragraph of this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in clause (i) of this Section 4.06(b), shall be deemed to have been so applied whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds $125.0 million, the Issuer shall make an offer to all holders of Notes (and, at the option of the Issuer, to holders of any other Pari Passu Indebtedness secured by a Lien (other than a Lien that is junior in priority to the Liens securing the Notes or a Guarantee) on the Second Lien Collateral (the "Eligible Pari Passu Indebtedness")) (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and any such Eligible Pari Passu Indebtedness), that is at least $1 and an integral multiple of $1 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event the Notes or any such Eligible Pari Passu Indebtedness were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest (or, in respect of such Eligible Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Eligible Pari Passu Indebtedness), to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds $125.0 million by mailing, or delivering electronically if the Notes are held by the Depository, the notice required pursuant to the terms of this Indenture, with a copy to the Second Lien Trustee. To the extent that the aggregate amount of Notes (and such Eligible Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for any purpose that is not prohibited by this Indenture. If the aggregate principal amount of Notes and such Eligible Pari Passu Indebtedness surrendered by holders thereof exceeds the amount of Excess Proceeds, the Second Lien Trustee, upon receipt of written notice from the Issuer of the aggregate principal amount to be selected, shall select the Notes (but not such Eligible Pari Passu Indebtedness) to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) [reserved].

(e) If more Notes (and such Eligible Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Notes (but not such Eligible Pari Passu Indebtedness) for purchase shall be made by the Second Lien Trustee on a pro rata basis to the extent practicable, by lot or by such other method as the Second Lien Trustee shall deem fair and appropriate (and in such manner as complies with the requirements of the Depository, if applicable); *provided* that no Notes of $1 or less shall be purchased in part. Selection of such Eligible Pari Passu Indebtedness shall be made pursuant to the terms of such Eligible Pari Passu Indebtedness.

(f) Notices of an Asset Sale Offer shall be mailed by the Issuers by first class mail, postage prepaid, or delivered electronically if the Notes are held by the Depository, at least 10 days but not more than 60 days before the purchase date to each holder of Notes at such holder's registered address. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

SECTION 4.07 Transactions with Affiliates.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Parent (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of $25.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Parent or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Parent or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $50.0 million, the Parent or the Issuer delivers to the Second Lien Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Parent or the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) transactions between or among the Parent and/or any of the Restricted Subsidiaries (or an entity that becomes the Parent or a Restricted Subsidiary as a result of such transaction) and any merger, consolidation or amalgamation of the Parent and any direct parent of the Parent; *provided* that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Parent and such merger, consolidation or amalgamation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 4.04 and Permitted Investments;

(iii) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Parent or any Restricted Subsidiary;

(iv) transactions in which the Parent or any Restricted Subsidiary, as the case may be, delivers to the Second Lien Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Parent or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);

(v) payments or loans (or cancellation of loans) to officers, directors, employees or consultants which are approved by a majority of the Board of Directors of the Parent or the Issuer in good faith;

(vi) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the holders of the Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by the Issuer;

(vii) the existence of, or the performance by the Parent or any Restricted Subsidiary of its obligations under the terms of any stockholders or limited liability company agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date, and, in each case, any amendment thereto or similar transactions, agreements or arrangements which

it may enter into thereafter; *provided*, *however*, that the existence of, or the performance by the Parent or any Restricted Subsidiary of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the holders of the Notes in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;

(viii) the Transactions, and the payment of all fees, expenses, bonuses and awards related to the Transactions;

(ix) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Parent and the Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Parent or the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party, or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice or industry norm;

(x) any transaction effected as part of a Securitization Financing;

(xi) the issuance of Equity Interests (other than Disqualified Stock) of the Parent to any Person;

(xii) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Parent, or the Board of Directors of a Restricted Subsidiary, as appropriate, in good faith;

(xiii) [reserved];

(xiv) any contribution to the capital of the Parent;

(xv) transactions permitted by, and complying with, Section 5.01;

(xvi) transactions between the Parent or any Restricted Subsidiary and any Person, a director of which is also a director of the Parent or any Restricted Subsidiary; *provided*, *however*, that such Person abstains from voting as a director of the Parent or such Restricted Subsidiary, as the case may be, on any matter involving such Person;

(xvii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xviii) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(xix) any employment agreements entered into by the Parent or any Restricted Subsidiary in the ordinary course of business;

(xx) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers' Certificate) for the purpose of improving the consolidated tax efficiency of the Parent and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture;

(xxi) [reserved]; and

(xxii) any purchase by the Parent or its Affiliates of Indebtedness, Disqualified Stock or Preferred Stock of the Parent or any of the Restricted Subsidiaries; *provided* that such purchases are on the same terms as such purchases by such Persons who are not the Parent's Affiliates.

SECTION 4.08 Change of Control.

(a) Upon the occurrence of a Change of Control, each holder of Notes shall have the right to require the Issuers to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), in accordance with the terms contemplated in this Section 4.08; *provided*, *however*, that notwithstanding the occurrence of a Change of Control, the Issuers shall not be obligated to purchase any Notes pursuant to this Section 4.08 in the event that they have previously or concurrently elected to redeem such Notes in accordance with Article III of this Indenture. In the event that at the time of such Change of Control, the terms of the Bank Indebtedness restrict or prohibit the repurchase of the Notes pursuant to this Section 4.08, then prior to the mailing of the notice to holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control with respect to the Notes, the Issuers shall: (i) repay in full all Bank Indebtedness or, if doing so will allow the purchase of the Notes, offer to repay in full all Bank Indebtedness and repay the Bank Indebtedness of each lender and/or note-holder who has accepted such offer; or (ii) obtain the requisite consent under the agreements governing the Bank Indebtedness to permit the repurchase of the Notes as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control, except to the extent that the Issuers have exercised their right to redeem the Notes by delivery of a notice of redemption in accordance with Article III of this Indenture, the Issuer shall mail, or deliver electronically if the Notes are held by the Depository, a notice (a "Change of Control Offer") to each holder of Notes with a copy to the Second Lien Trustee stating:

(i) that a Change of Control has occurred and that such holder has the right to require the Issuers to repurchase such holder's Notes at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, to, but excluding, the date of repurchase (subject to the right of holders of record on the relevant Record Date to receive interest on the relevant Interest Payment Date);

(ii) the circumstances and relevant facts and financial information regarding such Change of Control;

(iii) the repurchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed or delivered electronically); and

(iv) the instructions determined by the Issuers, consistent with this Section 4.08, that a holder must follow in order to have its Notes purchased.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice, or transfer such Note by book entry transfer to the Issuer, at least three Business Days prior to the purchase date. The holders shall be entitled to withdraw their election if the Second Lien Trustee or the Issuer receives not later than one Business Day prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the holder, the principal amount of the Note which was delivered for purchase by the holder and a statement that such holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) On the purchase date, all Notes purchased by the Issuers under this Section 4.08 shall be delivered to the Second Lien Trustee for cancellation, and the Issuers shall pay the purchase price *plus* accrued and unpaid interest, if any, to the holders entitled thereto (subject to the right of holders of record on a Record Date to receive interest on the relevant Interest Payment Date).

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for such Change of Control at the time of making of such Change of Control Offer.

(f) Notwithstanding the foregoing provisions of this Section 4.08, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer.

(g) Notes repurchased by the Issuers pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and canceled at the option of the Issuers. Notes purchased by a third party pursuant to the preceding clause (f) and clause (i) below will have the status of Notes issued and outstanding.

(h) The Issuers shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

(i) If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers as described above, purchase all of the Notes validly tendered and not withdrawn by such holders, the Issuers or such third party will have the right, upon not less than 10 days' nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption. Any such redemption shall be effected pursuant to Article III.

SECTION 4.09 Compliance Certificate. The Issuer shall deliver to the Second Lien Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on December 30, 2022, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If any Officer does, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. Except with respect to receipt of payments of principal and interest on the Notes and any Default or Event of Default information contained in the Officers' Certificate delivered to it pursuant to this Section 4.09, the Second Lien Trustee shall have no duty to review, ascertain or confirm the Issuer's compliance with or the breach of any representation, warranty or covenant made in this Indenture.

SECTION 4.10 Further Instruments and Acts. Upon request of the Second Lien Trustee, the Issuers shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11 Future Guarantors.

(a) The Parent shall cause each of its Wholly Owned Restricted Subsidiaries that is not an Excluded Subsidiary and that guarantees or becomes a borrower under the Credit Agreement or that guarantees any other Capital Markets Indebtedness of the Parent, an Issuer or any of the Guarantors to execute and deliver to the Second Lien Trustee a supplemental indenture substantially in the form of Exhibit C hereto pursuant to which such Wholly Owned Restricted Subsidiary will guarantee the Guaranteed Obligations.

(b) Each Guarantee will be subject to such prudential limitations as the Issuer may in good faith determine to add to the terms of such Guarantee and limitations under applicable law and limited to an amount not to exceed the maximum amount that can be guaranteed by the applicable Guarantor without (i) rendering the Guarantee, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or under any applicable mandatory corporate law, (ii) resulting in any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalization laws, retention of title claims, capital maintenance rules, general statutory limitations, or the laws or regulations (or analogous restrictions) of any applicable jurisdiction or any similar principles which may limit the ability of any Foreign Subsidiary to provide a guarantee or may require that the guarantee be limited by an amount or scope or otherwise or (iii) resulting, without corresponding limitations, in any (x) material risk to the officers of the applicable Guarantor of contravention of their fiduciary duties or any legal prohibition and/or (y) risk to the officers of the applicable Guarantor of civil or criminal liability (all such limitations applicable to a given Guarantee, the "Applicable Guarantee Limitations").

SECTION 4.12 Liens.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien (except Permitted Liens) on any asset or property of the Parent or any Restricted Subsidiary securing Indebtedness of the Parent or a Restricted Subsidiary; *provided* that any Lien shall be permitted on any asset or property that is not Second Lien Collateral if the Notes and the Guarantees are equally and ratably secured with (or, at the Issuers' election, on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien; *provided* that any such security shall be on a senior basis to any such Indebtedness that is by its express terms subordinated in right of payment to the Notes.

(b) Any Lien that is granted to secure the Notes or any Guarantee under Section 4.12(a) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes or such Guarantee.

(c) For purposes of determining compliance with this Section 4.12, (i) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category of Permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) but may be permitted in part under any combination thereof and (ii) in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a), the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if Incurred at such later time), such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies with this covenant and will be entitled to only include the amount and type of such Lien or such item of Indebtedness secured by such Lien (or any portion thereof) in one of the categories of permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) and, in such event, such Lien securing such item of Indebtedness (or any portion thereof) will be treated as being Incurred or existing pursuant to only such clause or clauses (or any portion thereof) or pursuant to Section 4.12(a) without giving *pro forma* effect to such item (or portion thereof) when calculating the amount of Liens or Indebtedness that may be Incurred pursuant to any other clause or paragraph.

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of Capital Stock (other than Preferred Stock) of the Parent, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (11) of the definition of "Indebtedness."

(e) The Parent and the Issuers will not, and will not permit any of the other Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien on any fee owned Real Property and leasehold interests in Real Property, including Principal Properties (as defined in the Existing 2013 Senior Notes Indenture) of the Parent or any Restricted Subsidiary securing Indebtedness of the Parent or a Restricted Subsidiary for borrowed money (other than Indebtedness incurred to fund the acquisition or improvement of the Real Property subject to such Lien); provided that any such Lien shall be permitted if (i) such Lien is permitted under Section 4.12(a) and (ii) the Notes and the Guarantees are also secured by a Lien on the applicable Real Property until such time as obligations secured by such Lien are no longer so secured.

SECTION 4.13 Limitations on Activities of the US Co-Issuer. The US Co-Issuer shall not be permitted to and the Issuer will cause the US Co-Issuer not to hold any material assets, become liable for any material obligations, engage in any trade or business, or conduct any business activity, other than (1) the issuance of its Equity Interests to the Issuer or any Wholly Owned Restricted Subsidiary, (2) the Incurrence of Indebtedness as a co-obligor or guarantor, as the case may be, of the Notes and any other Indebtedness that is permitted to be Incurred under Section 4.03 and (3) activities incidental thereto.

SECTION 4.14 Maintenance of Office or Agency.

(a) The Issuers shall maintain an office or agency (which may be an office of the Second Lien Trustee or an affiliate of the Second Lien Trustee or Registrar) where Notes may be surrendered for registration of transfer or for exchange. The Issuers shall give prompt written notice to the Second Lien Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Second Lien Trustee with the address thereof, such presentations and surrenders may be made at the Corporate Trust Office of the Second Lien Trustee as set forth in Section 14.01.

(b) The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency for such purposes. The Issuers shall give prompt written notice to the Second Lien Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Second Lien Trustee or its agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.15 Existence. The Issuers shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect their legal existence and the rights, licenses, permits, privileges and franchises material to the conduct of their business; provided that the foregoing shall not prohibit any transaction permitted under Section 5.01; and provided, further, that the Issuers shall not be required to preserve, renew and keep in full force and effect any such right, license, permit, privilege, franchise or legal existence if (i) the Issuers shall determine in good faith the preservation, renewal or keeping in full force and effect thereof is no longer desirable in the conduct of the business of the Issuers or (ii) the failure to preserve, renew and keep in full force and effect any such right, license, permit, privilege, franchise or legal existence is not adverse in any material respect to the holders of the Notes.

SECTION 4.16 Covenant Suspension. If on any date following the Issue Date, (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture, then, beginning on that day (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), and subject to the provisions of the following paragraph, the Parent and the Restricted Subsidiaries shall not be subject to Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.11 and 5.01(a)(iv) (collectively the "Suspended Covenants").

In the event that the Parent and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Parent and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

The Issuer shall provide the Second Lien Trustee with written notice of each Covenant Suspension Event or Reversion Date within five (5) Business Days of the occurrence thereof.

Additionally, during a Suspension Period the Parent will no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary unless the Parent would have been permitted to designate such Subsidiary as an Unrestricted Subsidiary if a Suspension Period had not been in effect for any period and, following the Reversion Date, such designation shall be deemed to have created an Investment pursuant to Section 4.04(c) at the time of such designation.

On each Reversion Date, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Section 4.03(a) or 4.03(b) (to the extent such Indebtedness or Disqualified Stock or Preferred Stock would be permitted to be Incurred or issued thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred or issued prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness or Disqualified Stock or Preferred Stock would not be so permitted to be Incurred or issued pursuant to Section 4.03(a) or 4.03(b), such Indebtedness or Disqualified Stock or Preferred Stock will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.03(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.04 will be made as though Section 4.04 had been in effect since the Issue Date and prior to, but not during, the Suspension Period (except to the extent expressly set forth in the immediately preceding paragraph). Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 4.04(a) (except to the extent expressly set forth in the immediately preceding paragraph). As described above, no Default or Event of Default will be deemed to have occurred on the Reversion Date as a result of any actions taken by the Parent or the Restricted Subsidiaries during the Suspension Period or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. Within 30 days of such Reversion Date, the Parent and the Issuers must comply with the terms of Section 4.11.

For purposes of Section 4.05, on the Reversion Date, any consensual encumbrances or consensual restrictions of the type specified in Section 4.05(a) or 4.05(b) thereof entered into during the Suspension Period will be deemed to have been in effect on the Issue Date, so that they are permitted under Section 4.05(1)(A).

For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Issuer entered into during the Suspension Period will be deemed to have been in effect as of the Issue Date for purposes of Section 4.07(b)(vi).

For purposes of Section 4.06, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

SECTION 4.17 Additional Amounts.

(a) All payments made by or on behalf of the Issuers or any Guarantor under or with respect to the Notes or any Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future Taxes unless required by law. If any such withholding or deduction is required for or on account of Taxes imposed by a Relevant Taxing Jurisdiction from any payment made under or with respect to the Notes or under any Guarantee (including payments of principal, redemption price, interest or premium (if any)), the Issuers or such Guarantor, as the case may be, will pay (together with such payments) such additional amounts ("Additional Amounts") as may be necessary so that the net amount received by each beneficial owner of Notes (including Additional Amounts) after such withholding or deduction will equal the amount the beneficial owner would have received if such Taxes had not been withheld or deducted; *provided*, *however*, that no Additional Amounts will be payable with respect to:

(i) any Tax, to the extent such Tax would not have been imposed but for the existence of any actual or deemed present or former connection between the holder or the beneficial owner of such Notes and the Relevant Taxing Jurisdiction (including being or having been a national, citizen or resident of, carrying on a business in, being or having been physically present in or having or having had a permanent establishment in, the Relevant Taxing Jurisdiction) other than a connection arising solely from the acquisition, ownership, holding or disposition of the Notes, the enforcement of rights under the Notes or any Guarantee or the receipt of payments under or in respect of the Notes or any Guarantee;

(ii) any Tax, to the extent such Tax is imposed or withheld as a result of the failure of the holder or beneficial owner of the Notes to satisfy any certification, identification or other reporting requirements concerning the nationality, residence, identity or connection with the Relevant Taxing Jurisdiction of such holder or beneficial owner which is required by applicable law, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of, all or part of such Tax (including, without limitation, a certification that the holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), but in each case, only to the extent such holder or beneficial owner is legally eligible to provide such certification or other documentation;

(iii) any Tax that would not have been imposed if the presentation of Notes (where presentation is required) for payment had occurred within 30 days after the date such payment was due and payable or was duly provided for, whichever is later (except to the extent that the holder or beneficial owner would have been entitled to Additional Amounts had the note been presented within such 30-day period);

(iv) any estate, inheritance, gift, value added, sales or similar Tax;

(v) any Tax, to the extent such Tax imposed in respect of a holder or beneficial owner and required to be withheld or deducted pursuant to the Luxembourg law of December 23, 2005, as amended, introducing in Luxembourg a 20% withholding tax as regards Luxembourg resident individuals;

(vi) any Tax that could have been avoided by the presentation of Notes (where presentation is required) for payment to another paying agent in a member state of the European Union;

(vii) any Tax payable other than by deduction or withholding from payments under, or with respect to, the Notes or the Guarantee;

(viii) any withholding or deduction required pursuant to Sections 1471 through 1474 of the Code as of the Issue Date (or any amended or successor version), any regulations or agreements thereunder, official interpretations thereof, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code; or

(ix) any combination of clauses (i) through (viii) above.

(b) The applicable withholding agent will (i) make any required withholding or deduction; and (ii) remit the full amount deducted or withheld to the relevant Taxing Authority in accordance with applicable law. The Issuers or any Guarantor, as applicable, will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies to the Second Lien Trustee. If certified copies of such tax receipts are not reasonably obtainable, the Issuers or such Guarantor, as applicable, shall provide the Second Lien Trustee with other evidence of payment reasonably satisfactory to the Second Lien Trustee. Such certified copies or other evidence shall be made available to holders upon request.

(c) Each of the Issuers and the Guarantors will indemnify and hold harmless each holder and beneficial owner from and against any Taxes withheld or deducted (other than Taxes excluded by clauses (i) through (ix) above) that are levied or imposed on a holder or beneficial owner (x) as a result of payments made under or with respect to the Notes or (y) with respect to any indemnification payments under the foregoing clause (x) or this clause (y), such that the net amount received by such holder or beneficial owner after such indemnification payments will not be less than the net amount the holder or beneficial owner would have received if the Taxes described in clauses (x) and (y) above had not been imposed.

(d) Whenever in this Indenture there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, premium (if any) or interest or of any other amount payable under or with respect to any of the Notes, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) The Issuers will pay any present or future stamp, issue, registration, court or documentary Taxes, or any other excise, property or similar Taxes, that arise in any jurisdiction from the execution, issuance, delivery, registration or enforcement of the Notes, any Guarantee, this Indenture, or any other document or instrument referred to therein, or the receipt of any payments with respect to the Notes or the Guarantees ("Documentary Taxes"); *provided* that the Issuer will not be liable for any Luxembourg registration duties, which would become payable as a result of the registration, by any holder, of the documents relating to the Notes, any Guarantee, this Indenture, or any other document or instrument referred to herein or therein, when such registration is not required to enforce that holder's rights under the documents relating to the Notes, any Guarantee, this Indenture, or any other document or instrument referred to herein or therein.

(f) The obligation to pay Additional Amounts and Documentary Taxes under the terms and conditions described above will survive any termination, defeasance or discharge of this Indenture, and will apply *mutatis mutandis* to any successor to the Issuers or any Guarantor and to any jurisdiction in which any such successor is incorporated, organized, resident or engaged in business for tax purposes, or any jurisdiction from or through which any such successor makes payment on the Notes or any Guarantee, and any political subdivision or Taxing Authority thereof or therein.

SECTION 4.18 After-Acquired Collateral.

(a) If any asset is acquired by any Issuer or Guarantor after the Issue Date or owned by an entity at the time it becomes a Guarantor (in each case other than (x) assets constituting Second Lien Collateral under a Second Lien Collateral Document that become subject to the Lien of such Second Lien Collateral Document upon acquisition thereof, (y) Excluded Property or Excluded Securities and (z) assets of any Issuer or Guarantor organized outside the United States, Luxembourg, the United Kingdom, Ireland or the Netherlands for so long as, and to the extent with respect to this clause (y), excluded by reason of the final paragraph of the definition of the term "Collateral and Guarantee Requirement"), such Issuer or Guarantor, as applicable, will (i) notify the Second Lien Collateral Agent of such acquisition or ownership and (ii) subject (where applicable) to the Agreed Guarantee and Security Principles, cause such asset to be subjected to a Lien (subject to any Permitted Liens) securing the Second Priority Notes Obligations by, and take, and cause the Issuers and Guarantors to take, all such actions as shall be reasonably requested by the Collateral Agent to cause the Collateral and Guarantee Requirement to be satisfied with respect to such asset, including actions described in Section 4.19.

(b) If any Restricted Subsidiary becomes a Guarantor after the Issue Date, then the Issuers and the Guarantors shall cause the Collateral and Guarantee Requirement to be satisfied with respect to such Restricted Subsidiary and with respect to any Equity Interest in or Indebtedness of such Restricted Subsidiary owned by or on behalf of any Issuer or Guarantor.

(c) Notwithstanding anything to the contrary set forth in this Indenture or any other Note Document, the Second Lien Collateral Documents to be entered into on the Issue Date shall consist solely of the Issue Date Security Documents. Within 15 days following the Issue Date, the applicable Issuers and Guarantors shall enter into the Luxembourg Law Initial Security Documents. Subject, where applicable, to the Agreed Guarantee and Security Principles, the Issuers and the Guarantors shall take such actions as shall be reasonably requested by the Second Lien Collateral Agent to cause the assets (to the extent owned thereby on the Issue Date and other than (x) assets constituting Second Lien Collateral under a Second Lien Collateral Document in effect, (y) assets constituting Excluded Property or Excluded Securities and (z) assets of any Issuer or Guarantor organized outside the United States or Luxembourg for so long as, and to the extent with respect to this clause (z), excluded by reason of the final paragraph of the definition of the term "Collateral and Guarantee Requirement") of the Issuers and the Guarantors

(to the extent constituting such on the Issue Date) to be subjected to a Lien (subject to any Permitted Liens) securing the Second Priority Notes Obligations and the Collateral and Guarantee Requirement to be satisfied (as if each Guarantor were a Person that became a Guarantor after the Issue Date) in each case within 90 days following the Issue Date (or such later date as the Second Lien Collateral Agent may agree in its sole discretion; *provided* that the Second Lien Collateral Agent shall agree to a reasonably selected later date if the Issuer shall have delivered to the Second Lien Collateral Agent an Officers' Certificate certifying that such actions cannot be reasonably completed with commercially reasonable efforts due to factors caused by the COVID-19 virus (it being acknowledged and agreed that the Second Lien Collateral Agent shall be entitled to rely conclusively upon such Officers' Certificate without any independent verification thereof)).

SECTION 4.19 Further Assurances. The Issuers and the Guarantors shall execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents), that the Second Lien Collateral Agent may reasonably request (including, without limitation, those required by applicable law), to satisfy the Collateral and Guarantee Requirement and to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Issuers and the Guarantors, and provide to the Second Lien Collateral Agent, from time to time upon reasonable request, evidence reasonably satisfactory to the Second Lien Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the Second Lien Collateral Documents.

SECTION 4.20 Deposit Accounts. With respect to any DDA (other than an Excluded Account) (x) maintained by an Issuer or Guarantor, in each case that is a Domestic Subsidiary and (y) described in clause (ii)(C) of the definition thereof and maintained by an Issuer or Guarantor, in each case under this clause (y) that is a Foreign Subsidiary (together with any deposit accounts on which a Lien in favor of the Second Lien Collateral Agent is perfected in accordance with the succeeding sentences of this Section 4.20, a "Blocked Account"), within the DDA Time Limitation, enter into deposit account control agreements (each, a "Blocked Account Agreement"), in form reasonably satisfactory to the Second Lien Collateral Agent, with the Second Lien Collateral Agent and any bank with which any such Issuer or Guarantor maintains any such Blocked Account described in this sentence, which give the Second Lien Collateral Agent "control" (as defined in the Uniform Commercial Code) over each such Blocked Account maintained with such bank. With respect to any DDA (other than an Excluded Account) described in clause (ii)(A) of the definition thereof maintained by an Irish Grantor, cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. With respect to any DDA (other than an Excluded Account) described in clause (ii)(B) of the definition thereof maintained by an Issuer or Guarantor, in each case under this sentence organized under the laws of Luxembourg, use commercially reasonable efforts to cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. So long as no Event of Default has occurred and is continuing, the Issuers and Guarantors will have full and complete access to, and may direct the manner of disposition of, funds in the Blocked Accounts.

ARTICLE V

SUCCESSOR COMPANY

SECTION 5.01 When Issuers and Guarantors May Merge or Transfer Assets.

(a) The Issuer may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company or similar entity organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof, any member state of the European Union, the United Kingdom or Switzerland (collectively, the "Permitted Jurisdictions" and the Issuer or such Person, as the case may be, being herein called the "Successor Company"); *provided* that in the event that the Successor Company is not a corporation or limited liability company (or equivalent of a corporation or limited liability company in any Permitted Jurisdiction listed in this clause (i)), a co-obligor of the Notes is a corporation or limited liability company (or such equivalent);

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture and the Second Lien Collateral Documents pursuant to supplemental indentures or other applicable documents or instruments in form reasonably satisfactory to the Second Lien Trustee and the Second Lien Collateral Agent;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of the Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(1) the Successor Company would be permitted to Incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(2) the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available would be no less than such ratio immediately prior to such transaction;

(v) if the Issuer is not the Successor Company, each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Notes; and

(vi) the Successor Company shall have delivered to the Second Lien Trustee and the Second Lien Collateral Agent an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) will succeed to, and be substituted for, the Issuer under this Indenture, the Notes and the Second Lien Collateral Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Notes and the Second Lien Collateral Documents. Notwithstanding the foregoing clauses (iii) and (iv) of this Section 5.01(a), (A) the Issuer may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to a Restricted Subsidiary; *provided* that, unless after giving effect to such transaction, no Default shall have occurred and be continuing, the Issuer is the Successor Company, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in any Permitted Jurisdiction or may convert into a corporation, partnership or limited liability company (or similar entity), so long as the amount of Indebtedness of the Restricted Subsidiaries is not increased thereby. This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Restricted Subsidiaries.

(b) Subject to the provisions of Section 12.02(b), no Guarantor nor the US Co-Issuer shall, and the Parent shall not permit any such Guarantor or the US Co-Issuer to, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not such Guarantor or the US Co-Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) either (a) such Guarantor or the US Co-Issuer, as applicable, is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than such Guarantor or the US Co-Issuer, as applicable) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a company, corporation, partnership or limited liability company or similar entity organized or existing under the laws of a Permitted Jurisdiction (except that in the case of the US Co-Issuer, such surviving Person shall be organized or existing under the laws of the United States, any state thereof, the District of Columbia or any territory thereof) (such Guarantor or the US Co-Issuer or such Person, as the case may be, being herein called the "Successor Person") and the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) expressly assumes all the obligations of such Guarantor or the US Co-Issuer, as applicable, under this Indenture and the Notes or its Guarantee, as applicable, pursuant to a supplemental indenture or other applicable documents or instruments in form reasonably satisfactory to the Second Lien Trustee, or (b) in respect of any Guarantor other than the Parent, such sale, assignment, transfer, lease, conveyance or other disposition or consolidation, amalgamation or merger is not in violation of Section 4.06; and

(ii) the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) shall have delivered or caused to be delivered to the Second Lien Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) will succeed to, and be substituted for, such Guarantor or the US Co-Issuer, as applicable, under this Indenture, the Notes or the Guarantee, as applicable, and such Guarantor or the US Co-Issuer, as applicable, will automatically be released and discharged from its obligations under this Indenture, the Notes or its Guarantee. Notwithstanding the foregoing, (1) a Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Guarantor in a Permitted Jurisdiction or may convert into a limited liability company, corporation, partnership or similar entity organized or existing under the laws of any Permitted Jurisdiction so long as the amount of Indebtedness of such Guarantor is not increased thereby and (2) a Guarantor may merge, amalgamate or consolidate with an Issuer or another Guarantor.

In addition, notwithstanding the foregoing, a Guarantor may consolidate, amalgamate or merge with or into or wind up or convert into, liquidate, dissolve, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets to an Issuer or any Guarantor.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default. An "Event of Default" occurs if:

(a) there is a default in any payment of interest on any Note when due, and such default continues for a period of 30 days,

(b) there is a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon redemption, upon required repurchase, upon declaration or otherwise,

(c) there is a failure by the Parent for 90 days after receipt of written notice given by the Second Lien Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding (with a copy to the Second Lien Trustee) to comply with any of its obligations, covenants or agreements in Section 4.02,

(d) there is a failure by the Parent or any Restricted Subsidiary for 60 days after written notice given by the Second Lien Trustee or the holders of not less than 25% in principal amount of the Notes then outstanding (with a copy to the Second Lien Trustee) to comply with its other obligations, covenants or agreements (other than a default referred to in clauses (a), (b) and (c) of this Section 6.01) contained in the Notes or this Indenture,

(e) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay any Indebtedness (other than Indebtedness owing to the Parent or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds $125.0 million or its foreign currency equivalent,

(f) the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Parent or any Significant Subsidiary in an involuntary case;

(ii) appoints a Custodian of the Parent or any Significant Subsidiary or for any substantial part of its property;

(iii) orders the winding up or liquidation of the Parent or any Significant Subsidiary; or

(iv) any similar relief is granted under any foreign laws and, in each case, the order or decree remains unstayed and in effect for 60 days,

(h) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of $125.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days,

(i) the Guarantee of the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) with respect to the Notes ceases to be in full force and effect (except as contemplated by the terms thereof) or the Parent or any other Guarantor that qualifies as a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) denies or disaffirms its obligations under this Indenture or any Guarantee with respect to the Notes and such Default continues for 10 days,

(j) unless such Liens have been released in accordance with the provisions of this Indenture or other Note Documents, Liens securing the Second Priority Notes Obligations with respect to a material portion of the Second Lien Collateral cease to be valid, perfected or enforceable, or the Issuer shall assert or any Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such Lien is invalid, unperfected or unenforceable and, in the case of any such Guarantor, the Issuer fail to cause such Guarantor to rescind such assertions within 30 days after the Issuer have actual knowledge of such assertions; provided that no Event of Default shall occur under this clause (j) if the Issuers and the Guarantors cooperate with the Second Lien Collateral Agent to replace or perfect such Lien, such Lien is promptly replaced or perfected (as needed) and the rights, powers and privileges of the Second Priority Notes Secured Parties are not materially adversely affected by such replacement or perfection; or

(k) the failure by the Parent or any Restricted Subsidiary for 60 days after written notice given by the Second Lien Trustee or the holders of not less than 25% in principal amount of the Notes then outstanding (with a copy to the Second Lien Trustee) to comply with its other agreements contained in the Second Lien Collateral Documents except for a failure that would not be material to the holders of the Notes and would not materially affect the value of the Second Lien Collateral taken as a whole.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under clause (c), (d) or (k) above shall not constitute an Event of Default until the Second Lien Trustee or the holders of at least 25% in principal amount of outstanding Notes notify the Parent and Issuer, with a copy to the Second Lien Trustee, of the default and neither the Parent nor the Issuers cure such default within the time specified in clause (c), (d) or (k) hereof after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default."

The Issuer shall deliver to the Second Lien Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any Default or Event of Default (unless such Default or Event of Default has been cured before the end of such 30-day period), the status of such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

The term "Bankruptcy Law" means the Bankruptcy Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

SECTION 6.02 Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) hereof with respect to the Issuers) occurs and is continuing, the Second Lien Trustee by notice to the Issuers or the holders of at least 25% in principal amount of outstanding Notes by notice to the Issuers (with a copy to the Second Lien Trustee) may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuers occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Second Lien Trustee or any holders. In addition, upon the acceleration of the Notes in connection with an Event of Default under Section 6.01(a), (b), (f) or (g) prior to June 15, 2028, an amount equal to the Applicable Premium or optional redemption premium, as applicable, that would have been payable in connection with an optional redemption of the Notes at the time of the occurrence of such acceleration will become and be immediately due and payable with respect to all Notes without any declaration or other act on the part of the Second Lien Trustee or any holders of the Notes and shall constitute part of the Second Priority Notes Obligations in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder's lost profits as a result thereof. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty. If the Applicable Premium or other premium becomes due and payable pursuant to the second preceding sentence, the Applicable Premium or other premium, as applicable, shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Applicable Premium or such other premium) from and after the applicable triggering event. Any premium payable pursuant to the first sentence of this paragraph shall be presumed to be liquidated damages sustained by each holder as the result of the acceleration of the Notes and the Issuers agree that it is reasonable under the circumstances currently existing. The premium set forth in the first sentence of this paragraph shall also be payable in the event the Notes or the Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. THE ISSUERS EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE PREMIUM PROVIDED FOR IN THE FIRST SENTENCE OF THIS PARAGRAPH IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuers expressly agree (to the fullest extent it may lawfully do so) that: (A) the premium set forth in the first sentence of this paragraph is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between holders and the Issuers giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Issuers shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuers expressly acknowledge that their agreement to pay the premium to holders pursuant to the first sentence of this paragraph is a material inducement to holders to acquire the Notes.

The holders of a majority in principal amount of outstanding Notes may rescind any such acceleration and its consequences if:

(a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Second Lien Trustee or the holders of any of the Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the Second Lien Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged, (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Second Lien Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Second Lien Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Second Lien Trustee or any holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04 Waiver of Past Defaults. Provided the Notes are not then due and payable by reason of a declaration of acceleration, the holders of a majority in principal amount of the Notes then outstanding by written notice to the Second Lien Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each holder of Notes affected. When a Default is waived, it is deemed cured and the Issuers, the Second Lien Trustee and the holders of Notes will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05 Control by Majority. The holders of a majority in principal amount of outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Second Lien Trustee or of exercising any trust or power conferred on the Second Lien Trustee with respect to the Notes. The Second Lien Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Second Lien Trustee determines is unduly prejudicial to the rights of any other holder of the Notes or that would involve the Second Lien Trustee in personal liability; provided that the Second Lien Trustee does not have an affirmative duty to ascertain whether or not any action or forbearance on the part of a holder of a Note is unduly preferential or prejudicial to any other holder of a Note. Prior to taking any action under this Indenture, the Second Lien Trustee shall be entitled to indemnification satisfactory to it against all losses and expenses caused by taking or not taking such action.

SECTION 6.06 Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such holder has previously given the Second Lien Trustee written notice that an Event of Default is continuing with respect to such holder's Notes,

(ii) holders of at least 25% in principal amount of the outstanding Notes have requested the Second Lien Trustee to pursue the remedy,

(iii) such holders have offered the Second Lien Trustee security or indemnity satisfactory to it against any loss, liability or expense,

(iv) the Second Lien Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and

(v) the holders of a majority in principal amount of the outstanding Notes have not given the Second Lien Trustee a direction inconsistent with such request within such 60-day period.

(b) A holder may not use this Indenture to prejudice the rights of another holder or to obtain a preference or priority over another holder (it being understood that the Second Lien Trustee shall have no obligation to ascertain whether or not such actions or forbearances are unduly prejudicial to any other holder).

SECTION 6.07 Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any holder to receive payment of principal of and interest on the Notes held by such holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

SECTION 6.08 Collection Suit by Second Lien Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Second Lien Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.07.

SECTION 6.09 Second Lien Trustee May File Proofs of Claim. The Second Lien Trustee may file such proofs of claim, statements of interest and other papers or documents as may be necessary or advisable in order to have the claims of the Second Lien Trustee and the Second Lien Collateral Agent (including any claim for reasonable compensation, expenses disbursements and advances of the Second Lien Trustee and the Second Lien Collateral Agent (including counsel, accountants, experts or such other professionals as the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, deems necessary, advisable or appropriate)) and the holders allowed in any judicial proceedings relative to the Issuers, the Guarantors, their creditors or their property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each holder to make payments to the Second Lien Trustee and, in the event that the Second Lien Trustee shall consent to the making of such payments directly to the holders, to pay to the Second Lien Trustee any amount due it or the Second Lien Collateral Agent for the reasonable compensation, expenses, disbursements and advances of the Second Lien Trustee, the Second Lien Collateral Agent, and each of their agents and counsel, and any other amounts due the Second Lien Trustee or the Second Lien Collateral Agent under Section 7.07. Nothing herein contained shall be deemed to authorize the Second Lien Trustee to authorize or consent to or accept or adopt on behalf of any holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any holder, or to authorize the Second Lien Trustee to vote in respect of the claim of any holder in any such proceeding.

SECTION 6.10 Priorities. Subject to the provisions of the Second Lien Collateral Documents and the Intercreditor Agreements, any money or property collected by the Second Lien Trustee pursuant to this Article VI and any other money or property distributable in respect of the Issuers' or any Guarantor's obligations under this Indenture after an Event of Default shall be applied in the following order:

FIRST: to the Second Lien Trustee and the Second Lien Collateral Agent for amounts due hereunder (including the reasonable compensation and expenses, disbursements and advances of the Second Lien Trustee's and the Second Lien Collateral Agent's agents, counsel, accountants and experts in accordance with Section 7.07);

SECOND: to the holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuers or, to the extent the Second Lien Trustee collects any amount for any Guarantor, to such Guarantor.

The Second Lien Trustee may fix a record date and payment date for any payment to the holders pursuant to this Section 6.10. At least 15 days before such record date, the Second Lien Trustee shall mail to each holder and the Issuers a notice that states the record date, the payment date and the amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Second Lien Trustee for any action taken or omitted by it as Second Lien Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Second Lien Trustee, a suit by a holder pursuant to Section 6.07 or a suit by holders of more than 10% in principal amount of the Notes.

SECTION 6.12 Waiver of Stay or Extension Laws. Neither the Issuers nor any Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuers and the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Second Lien Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

SECOND LIEN TRUSTEE

SECTION 7.01 Duties of Second Lien Trustee.

(a) The Second Lien Trustee, prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default has occurred and is continuing, the Second Lien Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Second Lien Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Note Documents and no implied covenants or obligations shall be read into the Note Documents against the Second Lien Trustee (it being agreed that the permissive right of the Second Lien Trustee to do things enumerated in the Note Documents shall not be construed as a duty); and

However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Second Lien Trustee shall examine the form of certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Second Lien Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Second Lien Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Second Lien Trustee was negligent in ascertaining the pertinent facts;

(iii) the Second Lien Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Second Lien Trustee to expend or risk its own funds or otherwise Incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Second Lien Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Second Lien Trustee shall not be liable for interest on any money received by it except as the Second Lien Trustee may agree in writing with the Issuers.

(f) Money held in trust by the Second Lien Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Second Lien Trustee shall be subject to the provisions of this Section 7.01 and the TIA.

SECTION 7.02 Rights of Second Lien Trustee.

(a) The Second Lien Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Second Lien Trustee need not investigate any fact or matter stated in the document.

(b) Before the Second Lien Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Second Lien Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Second Lien Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Second Lien Trustee shall not be responsible or liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Second Lien Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to the Note Documents shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Second Lien Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the holders of not less than a majority in principal amount of the Notes at the time outstanding, but the Second Lien Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Second Lien Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney, at the expense of the Issuers and shall Incur no liability of any kind by reason of such inquiry or investigation.

(g) The Second Lien Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the holders pursuant to this Indenture, unless such holders shall have offered to the Second Lien Trustee indemnity or security satisfactory to the Second Lien Trustee against any loss, liability or expense.

(h) The rights, privileges, protections, immunities and benefits given to the Second Lien Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Second Lien Trustee in each of its capacities hereunder or under any Note Document, and each agent, custodian and other Person employed to act hereunder, including the Second Lien Collateral Agent.

(i) The Second Lien Trustee shall not be responsible or liable for any action taken or omitted by it in good faith at the direction of the holders of not less than a majority in principal amount of the Notes as to the time, method and place of conducting any proceedings for any remedy available to the Second Lien Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Second Lien Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding upon future holders of Notes and upon Notes executed and delivered in exchange therefor or in place thereof.

(k) The Second Lien Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Second Lien Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Second Lien Trustee at the Corporate Trust Office of the Second Lien Trustee, and such notice references the Notes and this Indenture.

(l) The Second Lien Trustee may request that the Issuers deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(m) The Second Lien Trustee shall not be responsible or liable for punitive, special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Second Lien Trustee has been advised of the likelihood of such loss or damage and regardless of the form of actions.

(n) The Second Lien Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture.

(o) The Second Lien Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under any Note Document arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; loss or malfunction of utilities, computer (hardware or software) or communication services; accidents; labor disputes; and acts of civil or military authorities and governmental action.

SECTION 7.03 Individual Rights of Second Lien Trustee. The Second Lien Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Second Lien Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Second Lien Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04 Second Lien Trustee's Disclaimer. The Second Lien Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Guarantees or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuers or any Guarantor in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Second Lien Trustee's certificate of authentication. The Second Lien Trustee shall not be charged with knowledge of any Default or Event of Default under Section 6.01(c), (d), (e), (f), (g), (h), (i), (j) or (k), or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the Second Lien Trustee shall have received written notice thereof in accordance with Section 14.01 hereof from the Issuers, any Guarantor or any holder. In accepting the trust hereby created, the Second Lien Trustee acts solely as Second Lien Trustee under this Indenture and not in its individual capacity and all persons, including without limitation the holders of Notes and the Issuers having any claim against the Second Lien Trustee arising from this Indenture shall look only to the funds and accounts held by the Second Lien Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05 Notice of Defaults. If a Default occurs and is continuing and is actually known to a responsible officer of the Second Lien Trustee, the Second Lien Trustee shall provide to each holder of the Notes notice of the Default promptly after it becomes known to such responsible officer of the Second Lien Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Second Lien Trustee may withhold notice if and so long as it determines that withholding notice is in the interests of the noteholders.

SECTION 7.06 [Intentionally Omitted].

SECTION 7.07 Compensation and Indemnity. The Issuers shall pay to the Second Lien Trustee and the Second Lien Collateral Agent from time to time such compensation for the Second Lien Trustee's and the Second Lien Collateral Agent's acceptance of this Indenture and their services hereunder as mutually agreed to in writing between the Issuers and the Second Lien Trustee or the Second Lien Collateral Agent, as applicable. The Second Lien Trustee's and the Second Lien Collateral Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Second Lien Trustee, the Second Lien Collateral Agent and their respective directors, officers, employees, agents, counsel, accountants and experts upon request for all reasonable out-of-pocket expenses Incurred or made by them in connection with their service as the Second Lien Trustee or Second Lien Collateral Agent, including costs of collection, in addition to the compensation for its services. The Issuers and the Guarantors, jointly and severally, shall indemnify the Second Lien Trustee, the Second Lien Collateral Agent or any predecessor Second Lien Trustee or Second Lien Collateral Agent and their directors, officers, employees and agents against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses and including taxes (other than taxes based upon, measured by or determined by the income of the Second Lien Trustee or the Second Lien Collateral Agent)) Incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture or Guarantee against the Issuers or any Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuers, any Guarantor, any holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Notes or the removal or resignation of the Second Lien Trustee and the Second Lien Collateral Agent. The Second Lien Trustee or the Second Lien Collateral Agent, as applicable, shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure so to notify the Issuers shall not relieve the Issuers or any Guarantor of its indemnity obligations hereunder. The Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' expense in the defense. Such indemnified parties may have separate counsel and the Issuers and such Guarantor, as

applicable, shall pay the fees and expenses of such counsel; *provided*, *however*, that the Issuers shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no actual or potential conflict of interest between the Issuers and the Guarantors, as applicable, and such parties in connection with such defense. The Issuers need not indemnify against any loss, liability or expense Incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07, the Second Lien Trustee and the Second Lien Collateral Agent shall have a Lien prior to the Notes on all money or property held or collected by the Second Lien Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuers' and the Guarantors' payment obligations pursuant to this Section 7.07 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Second Lien Trustee and the Second Lien Collateral Agent. Without prejudice to any other rights available to the Second Lien Trustee and the Second Lien Collateral Agent under applicable law, when the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, Incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (g) with respect to the Issuers, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

No provision of this Indenture shall require the Second Lien Trustee to expend or risk its own funds or otherwise Incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

SECTION 7.08 Replacement of Second Lien Trustee.

(a) The Second Lien Trustee may resign at any time by so notifying the Issuers. The holders of a majority in principal amount of the Notes may remove the Second Lien Trustee by so notifying the Second Lien Trustee and may appoint a successor Second Lien Trustee. The Issuers shall remove the Second Lien Trustee if:

(i) the Second Lien Trustee fails to comply with Section 7.10;

(ii) the Second Lien Trustee is adjudged bankrupt or insolvent;

(iii) a receiver or other public officer takes charge of the Second Lien Trustee or its property; or

(iv) the Second Lien Trustee otherwise becomes incapable of acting.

(b) If the Second Lien Trustee resigns, is removed by the Issuers or by the holders of a majority in principal amount of the Notes and such holders do not reasonably promptly appoint a successor Second Lien Trustee, or if a vacancy exists in the office of Second Lien Trustee for any reason (the Second Lien Trustee in such event being referred to herein as the retiring Second Lien Trustee), the Issuers shall promptly appoint a successor Second Lien Trustee.

(c) A successor Second Lien Trustee shall deliver a written acceptance of its appointment to the retiring Second Lien Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Second Lien Trustee shall become effective, and the successor Second Lien Trustee shall have all the rights, powers and duties of the Second Lien Trustee under this Indenture. The successor Second Lien Trustee shall mail a notice of its succession to the holders. The retiring Second Lien Trustee shall promptly transfer all property held by it as Second Lien Trustee to the successor Second Lien Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Second Lien Trustee does not take office within 60 days after the retiring Second Lien Trustee resigns or is removed, the retiring Second Lien Trustee, the Issuers or the holders of 10% in principal amount of the Notes may petition at the expense of the Issuers any court of competent jurisdiction for the appointment of a successor Second Lien Trustee.

(e) If the Second Lien Trustee fails to comply with Section 7.10, any holder of Notes who has been a bona fide holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Second Lien Trustee and the appointment of a successor Second Lien Trustee.

(f) Notwithstanding the replacement of the Second Lien Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Second Lien Trustee.

(g) For the purposes of this Section 7.08, the Issuer and each Lux Guarantor hereby expressly accept and confirm, for the purposes of Articles 1278 et seq. of the Luxembourg Civil Code that, notwithstanding any assignment, transfer and/or novation by the Second Lien Collateral Agent or any other Second Priority Notes Secured Party of all or any part of the Second Priority Notes Obligations permitted under, and made in accordance with the provisions of this Indenture and any agreement referred to herein to which the Issuer or any such Lux Guarantor is a party, any security created or guarantee given under this Indenture shall be preserved for the benefit of the successor Second Lien Collateral Agent (for itself and the Second Priority Notes Secured Parties) and, for the avoidance of doubt, for the benefit of each of the Second Priority Notes Secured Parties.

SECTION 7.09 Successor Second Lien Trustee by Merger. If the Second Lien Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Second Lien Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Second Lien Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Second Lien Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Second Lien Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Second Lien Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Second Lien Trustee shall have.

SECTION 7.10 Eligibility; Disqualification. The Second Lien Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Second Lien Trustee shall have a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition. The Second Lien Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; *provided*, *however*, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuers are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

SECTION 7.11 Preferential Collection of Claims Against the Issuers. The Second Lien Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Second Lien Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated.

SECTION 7.12 Collateral Documents; Intercreditor Agreements. By their acceptance of the Notes, the holders of the Notes hereby authorize and direct the Second Lien Trustee and the Second Lien Collateral Agent, as the case may be, to execute and deliver the Intercreditor Agreements and the Second Lien Collateral Documents in which the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, is named as a party, including any Intercreditor Agreement or Second Lien Collateral Documents executed after the Issue Date. It is hereby expressly acknowledged and agreed that, in doing so, the Second Lien Trustee and the Second Lien Collateral Agent are (a) expressly authorized to make the representations attributed to holders of the Notes in any such agreements and (b) not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose.

ARTICLE VIII

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01 Discharge of Liability on Notes; Defeasance.

(a) This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights and immunities of the Second Lien Trustee and rights of transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes when:

(i) either (A) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from such trust) have been delivered to the Second Lien Trustee for cancellation or (B) all of the Notes (1) have become due and payable, (2) will become due and payable at their Stated Maturity within one year or (3) if redeemable at the option of the Issuers, are to be called for redemption within one year under arrangements satisfactory to the Second Lien Trustee for the giving of notice of redemption by the Second Lien Trustee in the name, and at the expense, of the Issuer, and the Issuers have irrevocably deposited or caused to be deposited with the Second Lien Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Second Lien Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to, but excluding, the date of deposit together with irrevocable instructions from the Issuer directing the Second Lien Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium or other applicable redemption premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Second Lien Trustee equal to the Applicable Premium or such other redemption premium, as applicable, with respect to the Notes calculated as of the earlier of the date on which arrangements referred to in the foregoing clause (3) are entered into and the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Second Lien Trustee on or prior to the date of the redemption;

(ii) the Issuers and/or the Guarantors have paid all other sums payable under this Indenture; and

(iii) the Issuers have delivered to the Second Lien Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture with respect to the Notes have been complied with.

(b) Subject to Sections 8.01(c) and 8.02, the Issuers at any time may terminate (i) all of their obligations under the Notes and this Indenture ("legal defeasance option"), and (ii) their obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.11, 4.12, and 4.15 and the operation of Section 5.01 for the benefit of the holders of Notes, and Section 6.01(e), 6.01(f), 6.01(g) (in the case of Sections 6.01(f) and 6.01(g) with respect to Significant Subsidiaries only), 6.01(h), 6.01(i) or 6.01(k) ("covenant defeasance option"). The Issuers may exercise their legal defeasance option with respect to the Notes notwithstanding their prior exercise of their covenant defeasance option. If the Issuers exercise their legal defeasance option or their covenant defeasance option with respect to the Notes, each Guarantor will be released from all of its obligations with respect to its Guarantee with respect to the Notes.

If the Issuers exercise their legal defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. If the Issuers exercise their covenant defeasance option with respect to the Notes, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e), 6.01(f), 6.01(g) (in the case of Sections 6.01(f) and (g), with respect only to Significant Subsidiaries), 6.01(h), 6.01(i), 6.01(j) or 6.01(k) or because of the failure of an Issuer to comply with Section 5.01(a)(iv).

Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Second Lien Trustee shall acknowledge in writing the discharge of those obligations that the Issuers terminate.

(c) Notwithstanding clauses (a) and (b) above, the Issuers' obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08 and 2.09, Article VII (including, without limitation, Sections 7.07 and 7.08) and this Article VIII and the rights and immunities of the Second Lien Trustee under this Indenture shall survive until the Notes have been paid in full. Thereafter, the Issuers' obligations in Sections 7.07, 7.08, 8.05 and 8.06 and the rights and immunities of the Second Lien Trustee under this Indenture shall survive such satisfaction and discharge.

SECTION 8.02 Conditions to Defeasance.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if:

(i) the Issuer irrevocably deposits in trust with the Second Lien Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof sufficient to pay the principal of and premium (if any) and interest on the Notes when due at maturity or redemption, as the case may be;

(ii) with respect to U.S. Government Obligations or a combination of money and U.S. Government Obligations, the Issuer delivers to the Second Lien Trustee a certificate from a nationally recognized firm of independent accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be; provided that upon any redemption that requires the payment of the Applicable Premium or another redemption premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Second Lien Trustee equal to the Applicable Premium or such other redemption premium, as applicable, calculated as of the earlier of the date on which arrangements referred to in the succeeding sentence are entered into and the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the Second Lien Trustee on or prior to the date of the redemption;

(iii) no Default specified in Section 6.01(f) or (g) with respect to the Issuer shall have occurred or is continuing on the date of such deposit;

(iv) the deposit does not constitute a default under any other material agreement or instrument binding on the Issuer;

(v) in the case of the legal defeasance option, the Issuers shall have delivered to the Second Lien Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred. Notwithstanding the foregoing, the Opinion of Counsel required by the immediately preceding sentence with respect to a legal defeasance need not be delivered if all of the Notes not theretofore delivered to the Second Lien Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Second Lien Trustee for the giving of notice of redemption by the Second Lien Trustee in the name, and at the expense, of the Issuer;

(vi) such exercise does not impair the right of any holder of the Notes to receive payment of principal of, premium, if any, and interest on such holder's Notes on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such holder's Notes;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Second Lien Trustee an Opinion of Counsel to the effect that the holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the Second Lien Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Second Lien Trustee for the redemption of such Notes at a future date in accordance with Article III.

SECTION 8.03 Application of Trust Money. The Second Lien Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article VIII. The Second Lien Trustee shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Notes so discharged or defeased.

SECTION 8.04 Repayment to Issuer. Each of the Second Lien Trustee and each Paying Agent shall promptly turn over to the Issuers upon request any money or U.S. Government Obligations held by it as provided in this Article VIII that, in the written opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm, delivered to the Second Lien Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent discharge or defeasance of Notes in accordance with this Article VIII.

Subject to any applicable abandoned property law, the Second Lien Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, holders entitled to the money must look to the Issuers for payment as general creditors, and the Second Lien Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05 Indemnity for U.S. Government Obligations. The Issuers shall pay and shall indemnify the Second Lien Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06 Reinstatement. If the Second Lien Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Second Lien Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided*, *however*, that, if the Issuers have made any payment of principal of, premium, if any, or interest on, any such Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Second Lien Trustee or any Paying Agent.

ARTICLE IX

AMENDMENTS AND WAIVERS

SECTION 9.01 Without Consent of the Holders.

(a) Without notice to or the consent of any holder, the Issuers, the Second Lien Trustee and/or the Second Lien Collateral Agent, as applicable, may amend or supplement any of the Note Documents (including any of the Second Lien Collateral Documents) and the Issuer may direct the Second Lien Trustee and/or the Second Lien Collateral Agent, and the Second Lien Trustee and/or the Second Lien Collateral Agent, as applicable, shall, enter into an amendment to any of the Note Documents:

(i) to cure any ambiguity, omission, mistake, defect or inconsistency;

(ii) to provide for the assumption by a Successor Company (with respect to the Issuer) of the obligations of the Issuer under any of the Note Documents;

(iii) to provide for the assumption by a Successor Person (with respect to any Guarantor or the US Co-Issuer, as applicable), of the obligations of a Guarantor or the US Co-Issuer, as applicable, under any of the Note Documents, as applicable;

(iv) to provide for uncertificated Notes in addition to or in place of certificated Notes, *provided*, *however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code;

(v) [reserved];

(vi) to add a Guarantee or collateral with respect to the Notes;

(vii) to secure the Notes or to add additional assets as Second Lien Collateral;

(viii) to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture, the Second Lien Collateral Documents or the Intercreditor Agreements, as applicable;

(ix) to add to the covenants of the Parent or the Issuers for the benefit of the holders of the Notes or to surrender any right or power herein conferred upon the Parent or the Issuers;

(x) to make any change that does not adversely affect the rights of any holder of the Notes in any material respect;

(xi) to give effect to any provision of this Indenture or any other Note Document, in the case of amendments to Note Documents other than this Indenture, or to make changes to this Indenture to provide for the issuance of Additional Notes;

(xii) to provide for the release of Second Lien Collateral from the Lien pursuant to this Indenture, the Second Lien Collateral Documents and the Intercreditor Agreements when permitted or required by the Second Lien Collateral Documents, this Indenture or the Intercreditor Agreements; or

(xiii) to secure any Indebtedness or other obligations to the extent permitted under this Indenture, the Second Lien Collateral Documents and the Intercreditor Agreements.

(b) After an amendment under this Section 9.01 becomes effective, the Issuers shall mail, or otherwise deliver in accordance with the procedures of the Depository, to the holders a notice briefly describing such amendment. The failure to give such notice to all holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02 With Consent of the Holders. The Issuers and the Second Lien Trustee may amend any of the Note Documents, and any past Default or compliance with any provisions of any of the Note Documents may be waived, with the consent of the Issuers and the holders of a majority in principal amount of the Notes then outstanding. However, without the consent of each holder of an outstanding Note affected, no amendment or waiver may:

(1) reduce the amount of Notes whose holders must consent to an amendment,

(2) reduce the rate of or extend the time for payment of interest on any Note,

(3) reduce the principal of or change the Stated Maturity of any Note,

(4) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed in accordance with Article III,

(5) make any Note payable in money other than that stated in such Note,

(6) expressly subordinate the Notes or any Guarantee to any other Indebtedness of an Issuer or any Guarantor (other than as contemplated herein with respect to the Cadence IP Licensee),

(7) impair the right of any holder to receive payment of principal of, premium, if any, and interest on such holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such holder's Notes,

(8) make any change in the provisions of the Note Documents dealing with the application of proceeds of Second Lien Collateral that would adversely affect the holders of the Notes in any material respect, or

(9) make any change in the amendment provisions which require consent of each holder of a Note or in the waiver provisions as they relate to the Notes.

Notwithstanding the foregoing, except in accordance with Section 9.01, no amendment or waiver may, without the consent of each holder of an outstanding Note, amend Section 9.02 or any other provision hereof specifying the number or percentage of holders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder.

Except for any release contemplated by this Indenture, without the consent of the holders of at least 66 2/3% in principal amount of the Notes then outstanding, no amendment, supplement or waiver may release all or substantially all of the Second Lien Collateral from the Lien of this Indenture and the Second Lien Collateral Documents with respect to the Notes and Guarantees.

In addition, except for any release contemplated by this Indenture, without the consent of the holders of at least 66 2/3% in principal amount of the Notes then outstanding, no amendment, supplement or waiver may release the Guarantee with respect to the Notes of one or more Guarantors that individually or in the aggregate had (i) assets, as of the last day of the fiscal quarter of the Parent most recently ended, in excess of 75 % of the assets of the Issuers and all Guarantors, taken as a whole, as of such date or (ii) EBITDA for the last four fiscal quarter period of the Parent most recently ended, in excess of 75% of the EBITDA of the Issuers and all Guarantors, taken as a whole, for such period.

It shall not be necessary for the consent of the holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuers shall mail, or otherwise deliver in accordance with the procedures of the Depository, to the holders a notice briefly describing such amendment. The failure to give such notice to all holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03 Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a holder of a Note shall bind the holder and every subsequent holder of that Note or portion of the Note that evidences the same debt as the consenting holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such holder or subsequent holder may revoke the consent or waiver as to such holder's Note or portion of the Note if the Second Lien Trustee receives the notice of revocation before the date on which the Second Lien Trustee receives an Officers' Certificate from the Issuer certifying that the requisite principal amount of Notes have consented. After an amendment or waiver becomes effective with respect to the Notes, it shall bind every holder of Notes. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Second Lien Trustee of consents by the holders of the requisite principal amount of Notes, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers, the Guarantors and the Second Lien Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the holders of Notes entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were holders of the Notes at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be holders of the Notes after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04 Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Issuer may require the holder of such Note to deliver it to the Second Lien Trustee. The Second Lien Trustee may place an appropriate notation on such Note regarding the changed terms and return it to the holder. Alternatively, if the Issuer or the Second Lien Trustee so determine, the Issuer in exchange for such Note shall issue and, upon written order of the Issuer signed by an Officer, the Second Lien Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.05 Second Lien Trustee and Second Lien Collateral Agent to Sign Amendments. The Second Lien Trustee and the Second Lien Collateral Agent shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Second Lien Trustee or the Second Lien Collateral Agent, as applicable. If it does, the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, may but need not sign it. In signing such amendment, the Second Lien Trustee and the Second Lien Collateral Agent shall be entitled to receive indemnity satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, (i) an Officers' Certificate stating that such amendment, supplement or waiver is authorized or permitted by this Indenture, (ii) an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and, with respect to any supplement relating to any Additional Notes, that such supplement is the legal, valid and binding obligation of the Issuers and any Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof, (iii) with respect to any supplement relating to any Additional Notes, a copy of the resolution of the Board of Directors, certified by the Secretary or Assistant Secretary of the Issuer, authorizing the execution of such amendment, supplement or waiver and (iv) if such amendment, supplement or waiver is executed pursuant to Section 9.02, evidence reasonably satisfactory to the Second Lien Trustee and the Second Lien Collateral Agent of the consent of the holders of Notes required to consent thereto.

SECTION 9.06 Additional Voting Terms; Calculation of Principal Amount. All Notes issued under this Indenture shall vote and consent together on all matters as one class and no Notes will have the right to vote or consent as a separate class on any matter. Determinations as to whether holders of Notes of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article IX and Section 2.13.

GUARANTEE

SECTION 12.01 Guarantee.

(a) Each Guarantor hereby jointly and severally guarantees, on a secured, unsubordinated basis, as a primary obligor and not merely as a surety, to each holder and to the Second Lien Trustee and its successors and assigns the performance and punctual payment when due, whether at Stated Maturity, by acceleration or otherwise, of all obligations of the Issuers under this Indenture and the Notes, whether for payment of principal of, premium, if any, or interest on the Notes and all other monetary obligations of the Issuer under this Indenture and the Notes, expenses, indemnification or otherwise (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"); *provided, however,* that any Guarantee provided by the Cadence IP Licensee shall be subordinated in right of payment to the Cadence IP Licensee's obligations in respect of any secured Bank Indebtedness which by its terms requires such subordination. Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from any Guarantor, and that each Guarantor shall remain bound under this Article XII notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The Guarantee of each Guarantor hereunder shall not be affected by (i) the failure of any holder or the Second Lien Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any security held by any holder or the Second Lien Trustee for the Guaranteed Obligations or each Guarantor; (v) the failure of any holder or Second Lien Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of each Guarantor, except as provided in Section 12.02(b). Each Guarantor hereby waives any right to which it may be entitled to have its Guarantee hereunder divided among the Guarantors, such that such Guarantor's Guarantee would be less than the full amount claimed.

(c) Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuers first be used and depleted as payment of the Issuers' obligations under this Indenture and the Issuers' or such Guarantor's Guarantee hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuers be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment and, performance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any holder or the Second Lien Trustee to any security held for payment of the Guaranteed Obligations.

(e) The Guarantee of each Guarantor is, to the extent and in the manner set forth in Article XII, equal in right of payment to all existing and future Pari Passu Indebtedness, senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the Guarantee of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guarantee of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any holder or the Second Lien Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(g) Except as expressly set forth in Section 12.02(b), each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations of such Guarantor. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any holder or the Second Lien Trustee upon the bankruptcy or reorganization of an Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any holder or the Second Lien Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Second Lien Trustee, forthwith pay, or cause to be paid, in cash, to the holders or the Second Lien Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuers to the holders and the Second Lien Trustee.

(i) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the holders and the Second Lien Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article VI, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 12.01.

(j) Each Guarantor also agrees to pay any and all costs and expenses (including out-of-pocket attorneys' fees and expenses) incurred by the Second Lien Trustee in enforcing any rights under this Section 12.01.

(k) Upon request of the Second Lien Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary to carry out more effectively the purpose of this Indenture.

SECTION 12.02 Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by each Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or under any applicable mandatory corporate law or capital maintenance or corporate benefit rules applicable to guarantees for obligations of affiliates. In addition, each Guarantee is subject to the Applicable Guarantee Limitations applicable thereto, if any.

(b) A Guarantee as to any Guarantor (other than, in the case of clauses (i) and (ii) below, a Guarantee of the Parent) shall automatically terminate and be of no further force or effect and such Guarantor shall be automatically released from all obligations under this Article XII upon:

(i) the sale, disposition, exchange or other transfer (including through merger, consolidation, amalgamation or otherwise) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Guarantor is no longer a Restricted Subsidiary), of the applicable Guarantor to a Person that is not an Issuer or a Guarantor if such sale, disposition, exchange or other transfer is made in a manner not in violation of this Indenture;

(ii) the designation of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of Section 4.04 and the definition of "Unrestricted Subsidiary";

(iii) the release or discharge of the guarantee by such Guarantor of the Indebtedness under (i) the Credit Agreement and (ii) any Capital Markets Indebtedness of the Parent, any Issuer or any of the other Guarantors which created the obligation to guarantee the Notes;

(iv) the Issuers' exercise of their legal defeasance option or covenant defeasance option under Article VIII or if the Issuers' obligations under this Indenture are discharged in accordance with the terms of this Indenture; or

(v) such Restricted Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing Bank Indebtedness or other exercise of remedies in respect thereof.

(c) The Guarantee (if any) of the Parent will only be released upon (iii) and (iv) above or upon the disposition of all or substantially all of the assets of the Parent in accordance with Section 5.01 in a transaction or series of related transactions that constitutes a Change of Control.

SECTION 12.03 [Intentionally Omitted].

SECTION 12.04 Successors and Assigns. This Article XII shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of and be enforceable by the successors and assigns of the Second Lien Trustee and the holders and, in the event of any transfer or assignment of rights by any holder or the Second Lien Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.05 No Waiver. Neither a failure nor a delay on the part of either the Second Lien Trustee or the holders in exercising any right, power or privilege under this Article XII shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Second Lien Trustee and the holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article XII at law, in equity, by statute or otherwise.

SECTION 12.06 Modification. No modification, amendment or waiver of any provision of this Article XII, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Second Lien Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.07 Execution of Supplemental Indenture for Future Guarantors. Each Subsidiary which is required to become a Guarantor of the Notes pursuant to Section 4.11 shall promptly execute and deliver to the Second Lien Trustee a supplemental indenture substantially in the form of Exhibit C hereto pursuant to which such Subsidiary shall become a Guarantor under this Article XII and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuers shall deliver to the Second Lien Trustee an Opinion of Counsel and an Officers' Certificate as provided under Section 9.05.

SECTION 12.08 Non-Impairment. The failure to endorse a Guarantee on any Note shall not affect or impair the validity thereof.

SECTION 12.09 [Intentionally Omitted].

SECTION 12.10 Luxembourg Guarantee Limitation.

(a) Notwithstanding any provision to the contrary in this Indenture, any First Lien Financing Document and/or any other Second Lien Financing Document (each as defined in the First Priority/Second Priority Intercreditor Agreement), any agreement governing any other Indebtedness and/or any agreement governing the Opioid Settlement (to be entered into from time to time), the maximum liability of any Guarantor which is incorporated or established in Luxembourg (the "Luxembourg Guarantor") under the Guarantee together with any similar personal guarantee or indemnity obligation of that Luxembourg Guarantor under or in connection with any First Lien Financing Document and/or any Second Lien Financing Document, any agreement governing any other Indebtedness and/or any agreement governing the Opioid Settlement (to be entered into from time to time) for the obligations of any Guarantor which is not a direct or indirect subsidiary of the Luxembourg Guarantor shall be limited to an amount not exceeding the greater of (without double counting):

(ii) 90 per cent of that Luxembourg Guarantor's own funds (*capitaux propres*) as referred to in the Regulation as increase by the amount of any Subordinated Indebtedness, each as reflected in the most recent financial information of the relevant Lux Guarantor available to the Second Lien Trustee as at the date the guarantee is called, including, without limitation, its most recently and duly approved financial statements (*comptes annuels*) and any (unaudited) interim financial statements signed by its board of managers (*conseil de gérance*) or by its board of directors (*conseil d'administration*) (as applicable).

(b) The limitations in paragraph (a) above shall not apply to any amounts borrowed by, or made available to, the applicable Luxembourg Guarantor or any of its direct or indirect present or future subsidiaries under this Indenture, any First Lien Financing Document and/or any other Second Lien Financing Document (or any document entered into in connection therewith) and/or any agreement governing any other Indebtedness (to be entered into from time to time).

(c) The obligations and liabilities of any Luxembourg Guarantor under this Indenture, any First Lien Financing Document and/or any other Second Lien Financing Document, any agreement governing any other Indebtedness and/or any agreement governing the Opioid Settlement (to be entered into from time to time) shall not include any obligation or liability, which, if incurred, would constitute:

(i) a misuse of the corporate assets as defined in article 1500-11 of the Luxembourg Act dated 10 August 1915 concerning commercial companies, as amended (the "Companies Act 1915") or any other law or regulation having the same effect as interpreted by Luxembourg courts; or

(ii) a breach of the prohibitions on the provision of financial assistance as referred to in article 430-19 of the Companies Act 1915 or any other law or regulation having the same effect as interpreted by Luxembourg courts.

SECTION 12.11 Irish and General Guarantee Limitations. Notwithstanding any provision to the contrary in any First Lien Financing Document and/or any Second Lien Financing Document, the Guarantee shall not include any liability to the extent that a guarantee thereof would result in this Guarantee constituting unlawful financial assistance within the meaning of section 82 of the Irish Companies Act 2014 (as amended) or a breach of section 239 of the Irish Companies Act 2014 (as amended) or any equivalent and applicable provisions under the laws of any other relevant jurisdiction.

SECTION 12.12 Cadence IP Licensee Subordination.

(a) Any Guarantee provided by the Cadence IP Licensee hereunder shall be subordinate in right of payment, to the extent and in the manner hereinafter set forth, to any secured Bank Indebtedness which by its terms requires such subordination, including, without limitation, all Obligations (as defined in the agreement described in clause (i) of the definition of the term "Credit Agreement"), Notes Obligations (as defined in the Existing First Lien Notes Indenture) and Notes Obligations (as defined in the New First Lien Notes Indenture), in each case of the Cadence IP Licensee (all such Indebtedness being hereinafter collectively referred to as "Senior Indebtedness"), until the latest to occur of (x) with respect to Senior Indebtedness of the kind described in clause (i) of the definition of "Credit Agreement", the occurrence of the "Termination Date" (as defined in the Credit Agreement applicable to such Senior Indebtedness) and (y) with respect to any other Senior Indebtedness, the date of payment in full in cash of such Senior Indebtedness (other than contingent obligations as to which no claim has been made) (such latest date to occur, the "Payoff Date"); provided that the Cadence IP Licensee may make payments under its Guarantee unless an event of default has occurred under such Senior Indebtedness shall have occurred and be continuing and the Cadence IP Licensee shall have received notice from a Senior Indebtedness Representative (provided that no such notice shall be required to be given in the case of any event of default resulting from circumstances of the kind described in Section 12.12(b)). For all purposes herein, the term "Senior Indebtedness Representative" shall mean any administrative agent or trustee for, or other similar representative of, the holders of any such Senior Indebtedness.

(b) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, relating to the Cadence IP Licensee or to its property, and in the event of any proceedings for involuntary liquidation, dissolution or other winding up of the Cadence IP Licensee, or any voluntary liquidation, dissolution or other winding up of the Cadence IP Licensee that violates the terms of, or would result in an event of default under, any document governing or evidencing any Senior Indebtedness, whether or not involving insolvency or bankruptcy, in each case in any jurisdiction, then, if an event of default under any Senior Indebtedness has occurred and is continuing (including as a result of such event), (x) the Payoff Date shall have occurred before the Second Lien Trustee or any noteholder shall be entitled to receive (whether directly or indirectly), or make any demand for, any payment from the Cadence IP Licensee on account of the Cadence IP Licensee's Guarantee and (y) until the Payoff Date shall have occurred, any such payment or distribution to which the Second Lien Trustee or any noteholder would otherwise be entitled, whether in cash, property or securities (other than a payment of debt securities of the Cadence IP Licensee that are subordinated in right of payment to the Senior Indebtedness to at least the same extent as Cadence IP Licensee's Guarantee is subordinated in right of payment to the Senior Indebtedness then outstanding (such securities being hereinafter referred to as "Restructured Debt Securities")) shall instead be made to the applicable Senior Indebtedness Representative.

(c) If any event of default under any document governing or evidencing any Senior Indebtedness has occurred and is continuing and after notice from the applicable Senior Indebtedness Representative (provided that no such notice shall be required to be given in the case of any event of default described in Section 12.12(b)), then until the earliest to occur of (x) the Payoff Date, (y) the date on which such event of default shall have been cured or

waived and (z) the date on which such Senior Indebtedness Representative shall have rescinded such notice, no payment or distribution of any kind or character, whether in cash, securities or other property (other than Restructured Debt Securities) shall be made by or on behalf of the Cadence IP Licensee, or any other person on its behalf, with respect to the Cadence IP Licensee's Guarantee.

(d) If any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), and whether directly, by purchase, redemption, exercise of any right of setoff or otherwise, with respect to the Cadence IP Licensee's Guarantee shall (despite the subordination provisions set forth in this Section 12.12) be received by the Second Lien Trustee or any noteholder in violation of Sections 12.12(b) or (c) above prior to the occurrence of the Payoff Date, such payment or distribution shall be held by the Second Lien Trustee or such note-holder, as applicable, in trust (segregated from other property of the Second Lien Trustee or such noteholder, as applicable) for the benefit of each applicable Senior Indebtedness Representative, and shall be paid over or delivered to any applicable Senior Indebtedness Representatives promptly upon receipt.

(e) The Second Lien Trustee and each noteholder waive the right to compel that any property of the Cadence IP Licensee or any property of any guarantor of any Senior Indebtedness or any other person be applied in any particular order to discharge such Senior Indebtedness. The Second Lien Trustee and each noteholder expressly waive the right to require any Senior Indebtedness Representative or any other holder of Senior Indebtedness to proceed against the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person, or to pursue any other remedy in its or their power that the Second Lien Trustee or such noteholder, as applicable, cannot pursue and that would lighten burden of the Second Lien Trustee or such noteholder, as applicable, notwithstanding that the failure of any Senior Indebtedness Representative or any such other holder to do so may thereby prejudice the Second Lien Trustee or such noteholder. The Second Lien Trustee and each noteholder agree that it shall not be discharged, exonerated or have its obligations hereunder reduced by the delay of any Senior Indebtedness Representative or any other holder of Senior Indebtedness in proceeding against or enforcing any remedy against the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person; by any Senior Indebtedness Representative or any holder of Senior Indebtedness releasing the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person from all or any part of the Senior Indebtedness; or by the discharge of the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person by an operation of law or otherwise, with or without the intervention or omission of any Senior Indebtedness Representative or any such holder.

(f) The Second Lien Trustee and each noteholder waive all rights and defenses arising out of an election of remedies by any Senior Indebtedness Representative or any other holder of Senior Indebtedness, even though that election of remedies, including any nonjudicial foreclosure with respect to any property securing any Senior Indebtedness, has impaired the value of the rights of the Second Lien Trustee or such noteholder, as applicable, of subrogation, reimbursement, or contribution against the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person. Each of the Second Lien Trustee and each noteholder expressly waives any rights or defenses it may have by reason of protection afforded to the Cadence IP Licensee, any guarantor of any Senior Indebtedness or any other person with respect to the Senior Indebtedness pursuant to any anti deficiency laws or other laws of similar import that limit or discharge the principal debtor's indebtedness upon judicial or nonjudicial foreclosure of property or assets securing any Senior Indebtedness.

(g) Each of the Second Lien Trustee and each noteholder agrees that, without the necessity of any reservation of rights against it, and without notice to or further assent by it, any demand for payment of any Senior Indebtedness made by a Senior Indebtedness Representative or any other holder of Senior Indebtedness may be rescinded in whole or in part by such Senior Indebtedness Representative or such holder, and any Senior Indebtedness may be continued, and any Senior Indebtedness or the liability of the Second Lien Trustee or any noteholder, any guarantor thereof or any other person obligated thereunder, or any right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, increased, modified, accelerated, compromised, waived, surrendered or released by any Senior Indebtedness Representative or any other holder of Senior Indebtedness, in each case without notice to or further assent by the Second Lien Trustee or such noteholder, as applicable, which will remain bound hereunder, and without impairing, abridging, releasing or affecting the subordination provided for in this Section 12.12.

(h) The Second Lien Trustee and each noteholder waive any and all notice of the creation, renewal, extension, increase or accrual of any Senior Indebtedness, and any and all notice of or proof of reliance by holders of Senior Indebtedness upon the subordination provisions set forth in this Section 12.12. The Senior Indebtedness shall be deemed conclusively to have been created, contracted or incurred, and the consent to create the obligations of the Second Lien Trustee and each noteholder under this Section 12.12 shall be deemed conclusively to have been given, in reliance upon the subordination provisions set forth in this Section 12.12.

(i) To the maximum extent permitted by law, the Second Lien Trustee and each noteholder waives any claim it might have against any Senior Indebtedness Representative or any other holder of Senior Indebtedness with respect to, or arising out of, any action or failure to act or any error of judgment, negligence, or mistake or oversight whatsoever on the part of such Senior Indebtedness Representative or any such holder, or any of their controlled and controlling Affiliates and their respective directors, trustees, officers, employees, agents, advisors and members and controlled and controlling Affiliates (collectively, the "Related Parties"), with respect to any exercise of rights or remedies under the documents governing or evidencing such Senior Indebtedness, except to the extent due to the gross negligence or willful misconduct of such Senior Indebtedness Representative or any such holder, as the case may be, or any of its Related Parties, as determined by a court of competent jurisdiction in a final and nonappealable judgment. None of any Senior Indebtedness Representative, any other holder of Senior Indebtedness or any of their Related Parties shall be liable for failure to demand, collect or realize upon any guarantee of any Senior Indebtedness, or for any delay in doing so, or shall be under any obligation to sell or otherwise dispose of any property upon the request of the Cadence IP Licensee, the Second Lien Trustee, any noteholder or any other person or to take any other action whatsoever with regard to any such guarantee or any other property.

(j) Subject to the occurrence of the Payoff Date, the Second Lien Trustee and the noteholders shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of the Cadence IP Licensee applicable to the Senior Indebtedness until the Payoff Date, and for the purpose of such subrogation no payments or distributions to the holders of the Senior Indebtedness by or on behalf of the Cadence IP Licensee or by or on behalf of the Second Lien Trustee or any noteholder by virtue of this Section 12.12 which otherwise would have been made to the Second Lien Trustee or any noteholder shall, as between the Cadence IP Licensee, its creditors other than the holders of Senior Indebtedness, the Second Lien Trustee and the noteholders, be deemed to be payment by the Cadence IP Licensee to or on account of the Senior Indebtedness, it being understood that the provisions of this Section 12.12 are and are intended solely for the purpose of defining the relative rights of the Second Lien Trustee and the noteholders, on the one hand, and the holders of the Senior Indebtedness, on the other hand.

(k) The Second Lien Trustee, each noteholder and the Cadence IP Licensee hereby agree that the subordination provisions set forth in this Section 12.12 are for the benefit of each Senior Indebtedness Representative and the other holders of Senior Indebtedness. Each Senior Indebtedness Representative and the other holders of Senior Indebtedness are beneficiaries of this Section 12.12 to the same extent as if they were parties hereto and each applicable Senior Indebtedness Representative may, on behalf of itself and such other holders, proceed to enforce the subordination provisions set forth in this Section 12.12.

(l) All rights and interests of each Senior Indebtedness Representative and the other holders of Senior Indebtedness hereunder, and the subordination provisions and the related agreements of the Cadence IP Licensee set forth in this Section 12.12, shall remain in full force and effect irrespective of:

(i) any lack of validity or enforceability of any document governing or evidencing any Senior Indebtedness;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Senior Indebtedness or any amendment or waiver or other modification, whether by course of conduct or otherwise, of, or consent to departure from any document governing or evidencing any Senior Indebtedness;

(iii) any release, amendment, supplement, waiver or other modification, whether in writing or by course of conduct or otherwise, of or consent to departure from, any guarantee by the Cadence IP Licensee of any Senior Indebtedness; or

(iv) any other circumstances that might otherwise constitute a defense available to, or a discharge of, the Cadence IP Licensee in respect of any Senior Indebtedness or of the Cadence IP Licensee, the Second Lien Trustee or any noteholder in respect of the subordination provisions set forth in this Section 12.12.

(m) Nothing contained in the subordination provisions set forth in this Section 12.12 is intended to or will impair, as between the Cadence IP Licensee, on the one hand, and the Second Lien Trustee and the noteholders, on the other hand, the obligations of the Cadence IP Licensee, which are absolute and unconditional, to pay to the Second Lien Trustee and the noteholders any amount owing under its Guarantee as and when due and payable in accordance with the terms thereof, or is intended to or will affect the relative rights of the Second Lien Trustee or any noteholder and other creditors of the Cadence IP Licensee other than each Senior Indebtedness Representative and the other holders of Senior Indebtedness.

(n) Until the Payoff Date shall have occurred, no amendment, modification or waiver of, or consent with respect to, any provisions of this Section 12.12 shall be effective unless each Senior Indebtedness Representative shall have provided its prior written consent to such amendment, modification, waiver or consent (such consent not to be unreasonably withheld or delayed).

(o) If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made by the Cadence IP Licensee or any other person or entity is rescinded or must otherwise be returned by the holders of the Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Cadence IP Licensee or such other person or entity), the subordination provisions set forth in this Section 12.12 shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

(p) Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of U.S. Government Obligations held in trust under Article VIII by the Second Lien Trustee and deposited at a time when permitted by the subordination provisions of this Section 12.12 for the payment of principal of and interest on the Notes shall not be subordinated to the prior payment of any Senior Indebtedness or subject to the restrictions set forth in this Section 12.12, and none of the noteholders shall be obligated to pay over any such amount to any holder of Senior Indebtedness.

ARTICLE XIII

COLLATERAL

SECTION 13.01 Second Lien Collateral Documents. Subject (where applicable) to the Agreed Guarantee and Security Principles, the Second Priority Notes Obligations shall be secured as provided in the Second Lien Collateral Documents, which define the terms of the Liens that secure the Second Priority Notes Obligations, subject to the terms of the Intercreditor Agreements. The Second Lien Trustee and the Issuers hereby acknowledge and agree that the Second Lien Collateral Agent holds the Second Lien Collateral in trust for the benefit of the holders of the Notes and the Second Lien Trustee and pursuant to the terms of the Second Lien Collateral Documents and the Intercreditor Agreements and subject, where applicable, to the Agreed Guarantee and Security Principles. Each holder, by accepting a Note, consents and agrees to the terms of the Second Lien Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of Second Lien Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Second Lien Collateral Agent to enter into the Second Lien Collateral Documents and the Intercreditor Agreements and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuers shall deliver to the Second Lien Collateral Agent copies of all documents required to be filed pursuant to the Second Lien Collateral Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 13.01, to assure and confirm to the Second Lien Collateral Agent the security interest in the Second Lien Collateral contemplated hereby, by the Second Lien Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes, according to the intent and purposes herein expressed. The Issuer shall, and shall cause the Restricted Subsidiaries to, take any and all actions and make all filings (including the filing of UCC financing statements,

continuation statements and amendments thereto) required to cause the Second Lien Collateral Documents to create and maintain, as security for the Second Priority Notes Obligations of the Issuers and the Guarantors, a valid and enforceable perfected Lien and security interest in and on all of the Second Lien Collateral (subject to the terms of the Intercreditor Agreements and the Second Lien Collateral Documents and (where applicable) the Agreed Guarantee and Security Principles), in favor of the Second Lien Collateral Agent for the benefit of the holders and the Second Lien Trustee.

SECTION 13.02 Release of Second Lien Collateral.

(a) The Liens securing the Notes will automatically and without the need for any further action by any Person be released, and the Second Lien Trustee (subject to its receipt of an Officers' Certificate and Opinion of Counsel as provided in Section 13.02(b)) shall execute documents evidencing such release, or instruct the Second Lien Collateral Agent to execute, as applicable, the same at the Issuer's sole cost and expense, under one or more of the following circumstances:

(i) in whole, as to all property subject to such Liens, upon:

(A) payment in full of the principal of, accrued and unpaid interest and premium, if any, on the Notes; or

(B) satisfaction and discharge of this Indenture in accordance with its terms; or

(C) legal defeasance or covenant defeasance of this Indenture under Article VIII hereof;

(ii) in part, as to any property that (a) is sold, transferred or otherwise disposed of by an Issuer or a Guarantor (other than to an Issuer or a Guarantor) in a transaction not prohibited by this Indenture or (b) is owned or at any time acquired by a Guarantor that has been released from its Guarantee, concurrently with the release of such Guarantee;

(iii) as to property that constitutes all or substantially all of the Second Lien Collateral securing the Notes, with the consent of the holders of at least 66 2/3% in aggregate principal amount of the Notes then outstanding;

(iv) as to property that constitutes less than all or substantially all of the Second Lien Collateral securing the Notes, with the consent of the holders of a majority of the aggregate principal amount of the Notes then outstanding;

(v) if such property becomes Excluded Property or Excluded Securities, as applicable; or

(vi) in accordance with the applicable provisions of the Second Lien Collateral Documents and the Intercreditor Agreements.

(b) With respect to any release of Second Lien Collateral, upon receipt of an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture to such release have been met and that it is proper for the Second Lien Trustee or the Second Lien Collateral Agent, as applicable, to execute and deliver the documents requested by the Issuer in connection with such release, and any necessary or proper instruments of termination, satisfaction, discharge or release prepared by the Issuer, the Second Lien Trustee shall, or shall cause the Second Lien Collateral Agent to, execute, deliver or acknowledge (at the Issuer's expense) such instruments or releases to evidence the release and discharge of any Second Lien Collateral permitted to be released pursuant to this Indenture and such documents shall be without recourse to or warranty by the Second Lien Collateral Agent. Neither the Second Lien Trustee nor the Second Lien Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers' Certificate or Opinion of Counsel.

SECTION 13.03 Suits to Protect the Second Lien Collateral. Subject to the provisions of Article VII hereof and the Second Lien Collateral Documents and the Intercreditor Agreements, the Second Lien Trustee, without the consent of the holders of the Notes, on behalf of the holders of the Notes, may or may direct the Second Lien Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the Second Lien Collateral Documents; and

(b) collect and receive any and all amounts payable in respect of the Second Priority Notes Obligations.

Subject to the provisions of the Second Lien Collateral Documents and the Intercreditor Agreements, the Second Lien Trustee and the Second Lien Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Second Lien Trustee may determine to prevent any impairment of the Second Lien Collateral by any acts which may be unlawful or in violation of any of the Second Lien Collateral Documents or this Indenture, and such suits and proceedings as the Second Lien Trustee may determine to preserve or protect its interests and the interests of the holders of the Notes in the Second Lien Collateral. Nothing in this Section 13.03 shall be considered to impose any such duty or obligation to act on the part of the Second Lien Trustee or the Second Lien Collateral Agent.

SECTION 13.04 Authorization of Receipt of Funds by the Second Lien Trustee under the Second Lien Collateral Documents. Subject to the provisions of the Intercreditor Agreements, the Second Lien Trustee is authorized to receive any funds for the benefit of the holders of the Notes distributed under the Second Lien Collateral Documents, and to make further distributions of such funds to the holders of the Notes according to the provisions of this Indenture.

SECTION 13.05 Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Second Lien Collateral Agent or the Second Lien Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XIII to be sold be under any obligation to ascertain or inquire into the authority of the applicable Issuers or Guarantors to make any such sale or other transfer.

SECTION 13.06 Powers Exercisable by Receiver or Trustee. In case the Second Lien Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XIII upon the Issuers or Guarantors with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuers or Guarantors or of any Officer or Officers thereof required by the provisions of this Article XIII; and if the Second Lien Trustee shall be in the possession of the Second Lien Collateral under any provision of this Indenture, then such powers may be exercised by the Second Lien Trustee.

SECTION 13.07 Release upon Termination of the Issuers' Obligations. In the event that the Issuer delivers to the Second Lien Trustee and the Second Lien Collateral Agent an Officers' Certificate certifying that (i) payment in full of the principal of, premium (if any), together with accrued and unpaid interest on, the Notes and all other Second Priority Notes Obligations that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid or (ii) the Issuers shall have exercised their legal defeasance option or their covenant defeasance option, in each case in compliance with the provisions of Article VIII, and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such notice by the Second Lien Trustee have been satisfied, the Second Lien Trustee shall deliver to the Issuers and the Second Lien Collateral Agent a notice stating that the Second Lien Trustee, on behalf of the holders of the Notes, disclaims and gives up any and all rights it has in or to the Second Lien Collateral (other than with respect to funds held by the Second Lien Trustee pursuant to Article VIII), and any rights it has under the Second Lien Collateral Documents, and upon receipt by the Second Lien Collateral Agent of such notice, the Second Lien Collateral Agent shall be deemed not to hold a Lien in the Second Lien Collateral on behalf of the Second Lien Trustee or the holders of the Notes and shall do or cause to be done (at the expense of the Issuer) all acts reasonably requested by the Issuer to release and discharge such Lien as soon as is reasonably practicable without recourse to or warranty by the Second Lien Collateral Agent.

SECTION 13.08 Second Lien Collateral Agent.

(a) The Second Lien Trustee and each of the holders of the Notes, by acceptance of the Notes, hereby designates and appoints the Second Lien Collateral Agent as its agent under the Note Documents and the Second Lien Trustee and each of the holders of the Notes, by acceptance of the Notes, hereby irrevocably authorizes the Second Lien Collateral Agent to take such action on its behalf under the provisions of the Note Documents and to exercise such powers and perform such duties as are expressly delegated to the Second Lien Collateral Agent by the terms of the Note Documents, and consents and agrees to the terms of the Intercreditor Agreements and each Second Lien Collateral Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Second Lien Collateral Agent agrees to act as such on the express conditions contained in this Section 13.08. The provisions of this Section 13.08 are solely for the benefit of the Second Lien Collateral Agent and none of the Second Lien Trustee, any of the holders of the Notes nor any of the Issuers or Guarantors shall have any rights as a third party beneficiary of any of the provisions contained herein other than as expressly provided in Section 13.03. Each holder of the Notes agrees that any action taken by the Second Lien Collateral Agent in accordance with the provision of the Note Documents, and the exercise by the Second Lien Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all holders of the Notes. Notwithstanding any provision to the contrary contained elsewhere in the Note Documents, the duties of the Second Lien Collateral Agent shall be ministerial and administrative in nature, and the Second Lien Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the other Note Documents to which the Second Lien Collateral Agent is a party, nor shall the Second Lien Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Second Lien Trustee, any holder of the Notes or any Issuer or Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into the Note Documents exist against the Second Lien Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the Second Lien Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Second Lien Collateral Agent may perform any of its duties under the Note Documents by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates, (a "Related Person") and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in good faith and in accordance with the advice or opinion of such counsel. The Second Lien Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made with due care.

(c) None of the Second Lien Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with any Note Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment) or under or in connection with any Second Lien Collateral Document or Intercreditor Agreement or the transactions contemplated thereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment), or (ii) be responsible in any manner to any of the Second Lien Trustee or any holder of the Notes for any recital, statement, representation, warranty, covenant or agreement made by any Issuer or Guarantor or Affiliate of any Issuer or Guarantor, or any Officer or Related Person thereof, contained in this Indenture, or any other Note Documents, or in any certificate, report, statement or other document referred to or provided for in, or received by the Second Lien Collateral Agent under or in connection with, any of the Note Documents, or the validity, effectiveness, genuineness, enforceability or sufficiency of any of the Note Documents, or for any failure of any Issuer or Guarantor or any other party to any of the Note Documents to perform its obligations hereunder or thereunder. None of the Second Lien Collateral Agent or any of its respective Related Persons shall be under any obligation to the Second Lien Trustee or any holder of the Notes to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, any of the Note Documents or to inspect the properties, books, or records of any Issuer or Guarantor or any Affiliates of any Issuer or Guarantor.

(d) The Second Lien Collateral Agent shall be entitled to rely, and shall be fully protected in relying, in good faith upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts and advisors selected by the Second Lien Collateral Agent. The Second Lien Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Second Lien Collateral Agent shall be fully justified in failing or refusing to take any action under any Note Document unless it shall first receive such advice or concurrence of the Second Lien Trustee as it determines. The Second Lien Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under the Note Documents in accordance with a request, direction, instruction or consent of the Second Lien Trustee.

(e) The Second Lien Collateral Agent shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the Second Lien Collateral Agent has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Second Lien Collateral Agent and such notice references the Notes and this Indenture.

(f) The Second Lien Collateral Agent may resign at any time by notice to the Second Lien Trustee and the Issuers, such resignation to be effective upon the acceptance of a successor agent to its appointment as Second Lien Collateral Agent. If the Second Lien Collateral Agent resigns under this Indenture, the Issuers shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Second Lien Collateral Agent (as stated in the notice of resignation), the Second Lien Collateral Agent may appoint, after consulting with the Second Lien Trustee, subject to the consent of the Issuers (which shall not be unreasonably withheld and which shall not be required during a continuing Event of Default), a successor collateral agent. If no successor collateral agent is appointed and consented to by the Issuers pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the resigning Second Lien Collateral Agent's resignation shall nevertheless thereupon become effective (except in the case of the Second Lien Collateral Agent holding collateral security on behalf of the holders of the Notes, the retiring the Second Lien Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor collateral agent is appointed), and the holders of the Notes shall assume and perform all of the duties of the Second Lien Collateral Agent hereunder until such time, if any, as the holders of the Notes appoint a successor collateral agent as provided for above. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Second Lien Collateral Agent, and the term "Second Lien Collateral Agent" shall mean such successor collateral agent, and the retiring Second Lien Collateral Agent's appointment, powers and duties as the Second Lien Collateral Agent shall be terminated. After the retiring Second Lien Collateral Agent's resignation hereunder, the provisions of this Section 13.08 (and Section 7.07) shall continue to inure to its benefit and the retiring Second Lien Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Second Lien Collateral Agent under this Indenture.

(g) Wilmington Savings Fund Society, FSB shall initially act as Second Lien Collateral Agent and shall be authorized to appoint co-Second Lien Collateral Agents as necessary in its sole discretion. Holders of the Notes shall be deemed to have agreed to and accepted the terms of such other intercreditor arrangements complying with the requirements of this Indenture by their acceptance of the Notes.

(m) No provision of any Note Document shall require the Second Lien Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of holders of the Notes or the Second Lien Trustee if it shall not have received indemnity satisfactory to the Second Lien Collateral Agent against potential costs and liabilities incurred by the Second Lien Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in Note Documents, in the event the Second Lien Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Second Lien Collateral, the Second Lien Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Second Lien Collateral Agent has determined that the Second Lien Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Second Lien Collateral or such property, of any hazardous substances unless the Second Lien Collateral Agent has received security or indemnity from the holders of the Notes in an amount and in a form all satisfactory to the Second Lien Collateral Agent, protecting the Second Lien Collateral Agent from all such liability. (n) The Second Lien Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with any Note Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment, (ii) shall not be liable for interest on any money received by it except as the Second Lien Collateral Agent may agree in writing with the Issuers (and money held in trust by the Second Lien Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Second Lien Collateral Agent shall not be construed to impose duties to act.

(o) The Second Lien Collateral Agent shall not be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. The Second Lien Collateral Agent shall not be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Second Lien Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by any Issuer or Guarantor under any Note Documents. The Second Lien Collateral Agent shall not be responsible to the holders of the Notes or any other Person for any recitals, statements, information, representations or warranties contained in any Note Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by the Second Lien Collateral Agent under or in connection with, any Note; the execution, validity, genuineness, effectiveness or enforceability of any Note Document of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Second Lien Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Second Priority Notes Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Issuer or Guarantor; or for any failure of any Issuer or Guarantor to perform its Second Priority Notes Obligations

under the Note Documents. The Second Lien Collateral Agent shall have no obligation to any holder of the Notes or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any Issuer or Guarantor of any terms of the Note Documents, or the satisfaction of any conditions precedent contained in the Note Documents. The Second Lien Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under the Note Documents unless expressly set forth hereunder or thereunder. The Second Lien Collateral Agent shall have the right at any time to seek instructions from the holders of the Notes with respect to the administration of the Note Documents.

(q) The parties hereto and the holders of the Notes hereby agree and acknowledge that the Second Lien Collateral Agent shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of the Note Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the holders of the Notes hereby agree and acknowledge that in the exercise of its rights under the Note Documents, the Second Lien Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Second Lien Collateral Agent in the Second Lien Collateral and that any such actions taken by the Second Lien Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Second Lien Collateral.

(r) Upon the receipt by the Second Lien Collateral Agent of a written request of the Issuers signed by one Officer of each Issuer (a "Collateral Document Order"), the Second Lien Collateral Agent is hereby authorized to execute and enter into, and (so long as such documents are consistent with the terms of this Indenture and otherwise reasonably acceptable to the Second Lien Collateral Agent) shall execute and enter into, without the further consent of any holder of the Notes or the Second Lien Trustee, any Second Lien Collateral Document to be executed after the Issue Date. Such Collateral Document Order shall (i) state that it is being delivered to the Second Lien Collateral Agent pursuant to, and is a Collateral Document Order referred to in, this Section 13.08(r), and (ii) instruct the Second Lien Collateral Agent to execute and enter into such Second Lien Collateral Document. Any such execution of a Second Lien Collateral Document shall be at the direction and expense of the Issuers. The holders of the Notes, by their acceptance of the Notes, hereby authorize and direct the Second Lien Collateral Agent to execute such Second Lien Collateral Documents.

(s) Subject to the provisions of the applicable Second Lien Collateral Documents and the Intercreditor Agreements, each holder of the Notes, by acceptance of the Notes, agrees that the Second Lien Collateral Agent shall execute and deliver the Intercreditor Agreements and the Second Lien Collateral Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof.

(t) After the occurrence of an Event of Default, the Second Lien Trustee may, subject to the Intercreditor Agreements, direct the Second Lien Collateral Agent in connection with any action required or permitted by the Note Documents.

(u) The Second Lien Collateral Agent is authorized to receive any funds for the benefit of itself, the Second Lien Trustee and the holders of the Notes distributed under the Second Lien Collateral Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Second Lien Trustee to make further distributions of such funds to itself, the Second Lien Trustee and the Holders in accordance with the provisions of Article VI hereof and the other provisions of this Indenture.

(v) Notwithstanding anything to the contrary in this Indenture or any other Note Document, in no event shall the Second Lien Collateral Agent or the Second Lien Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the other Note Documents (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Second Lien Collateral Agent or the Second Lien Trustee be responsible for, and neither the Second Lien Collateral Agent nor the Second Lien Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Second Lien Collateral Documents or the security interests or Liens intended to be created thereby.

(w) Before the Second Lien Collateral Agent acts or refrains from acting in each case at the request or direction of any Issuer or Guarantor, it may require an Officers' Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 14.04. The Second Lien Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(x) The Issuers shall pay compensation to, reimburse expenses of and indemnify the Second Lien Collateral Agent in accordance with Section 7.07.

To the extent anything in this Section 13.08 is inconsistent with the terms of any of the Intercreditor Agreements, the terms of the applicable Intercreditor Agreement shall prevail.

SECTION 13.09 Designations. For purposes of the provisions hereof and the Intercreditor Agreements requiring the Issuers to designate Indebtedness for the purposes of the term "Future First Lien Indebtedness," "Future Second Lien Indebtedness," "Junior Priority Indebtedness" or any other such designations hereunder or under the Intercreditor Agreements, any such designation shall be sufficient if the relevant designation is set forth in writing, signed on behalf of the Issuers by an Officer of each Issuer and delivered to the Second Lien Trustee and the Second Lien Collateral Agent.

SECTION 13.10 Additional Provisions.

(a) In no event shall (i) control agreements or control, lockbox or similar agreements or arrangements be required with respect to deposit or securities accounts, except as, and solely to the extent, required by Section 4.20, (ii) landlord, mortgagee and bailee waivers be required or (iii) notices be sent to account debtors or other contractual third parties, except in accordance with the Agreed Guarantee and Security Principles or in connection with a permitted exercise of remedies under the relevant Second Lien Collateral Documents.

(b) If at any time after the Issue Date, the definitions of "Excluded Property" or "Excluded Securities" or the Agreed Guarantee and Security Principles (or equivalent terms) included in the agreement described in clause (i) of the definition of the term "Credit Agreement" (as amended, amended and restated, supplemented, modified, refinanced or replaced, so long as continuing to constitute First Priority Obligations) are amended, modified or waived so as to narrow the scope of the exclusion of assets from the First Lien Collateral, the corresponding provisions in this Indenture shall be deemed automatically amended in identical fashion.

SECTION 13.11 Parallel Debt. For the purpose of taking and ensuring the continuing validity of each Lien on the Second Lien Collateral granted under the Second Lien Collateral Documents governed by the laws of (or to the extent affecting assets situated in) Switzerland, the Netherlands or any other jurisdiction in which an effective Lien cannot be granted in favor of the Second Lien Collateral Agent as trustee or agent for some or all of the Second Priority Notes Secured Parties, notwithstanding any contrary provision in any Note Document:

(a) each Issuer and Guarantor irrevocably and unconditionally undertakes to pay to the Second Lien Collateral Agent as an independent and separate creditor an amount (the "Parallel Obligations") equal to: (i) all present and future, actual or contingent amounts owing by such Issuer or Guarantor to Second Priority Notes Secured Parties under or in connection with the Note Documents as and when the same fall due for payment under or in connection with the Note Documents (including, for the avoidance of doubt, any change, extension or increase in those obligations pursuant to or in connection with any amendment or supplement or restatement or novation of any Note Document, in each case whether or not anticipated as of the Issue Date) and (ii) any amount which such Issuer or Guarantor owes to Second Priority Notes Secured Parties as a result of a party rescinding a Note Document or as a result of invalidity, illegality, or unenforceability of a Note Document (the "Original Obligations");

(b) the Second Lien Collateral Agent shall have its own independent right to claim performance of the Parallel Obligations (including, without limitation, any suit, execution, enforcement of security, recovery of guarantees and applications for and voting in respect of any kind of insolvency proceedings) and the Parallel Obligations shall not constitute the Second Lien Collateral Agent and any other Second Priority Notes Secured Party as joint creditors;

(c) the Parallel Obligations shall not limit or affect the existence of the Original Obligations for which the Second Priority Notes Secured Parties shall have an independent right to demand payment;

(d) notwithstanding clauses (b) and (c) above:

(i) the Parallel Obligations shall be decreased to the extent the Second Lien Collateral Agent receives (and retains) and applies any payment against the discharge of its Parallel Obligations to the Second Lien Collateral Agent and the Original Obligations shall be decreased to the same extent;

(ii) payment by any Issuer or Guarantor of its Original Obligations to the relevant Second Priority Notes Secured Party shall to the same extent decrease and be a good discharge of the Parallel Obligations owing by it to the Second Lien Collateral Agent; and

(iii) if any Original Obligation is subject to any limitations under the Note Documents, then the same limitations shall apply mutatis mutandis to the relevant Parallel Obligation corresponding to that Original Obligation;

(e) the Parallel Obligations are owed to the Second Lien Collateral Agent in its own name on behalf of itself and not as agent or representative of any other person nor as trustee and all property subject to a Lien on Second Lien Collateral shall secure the Parallel Obligations so owing to the Second Lien Collateral Agent in its capacity as creditor of the Parallel Obligations;

(f) each Issuer and Guarantor irrevocably and unconditionally waives any right it may have to require a Second Priority Notes Secured Party to join any proceedings as co-claimant with the Second Lien Collateral Agent in respect of any claim by the Second Lien Collateral Agent against any Issuer or Guarantor under this Section 13.11;

(g) each Issuer and Guarantor agrees that:

(i) any defect affecting a claim of the Second Lien Collateral Agent against any Issuer or Guarantor under this Section 13.11 will not affect any claim of a Second Priority Notes Secured Party against such Issuer or Guarantor under or in connection with the Second Lien Documents; and

(ii) any defect affecting a claim of a Second Priority Notes Secured Party against any Issuer or Guarantor under or in connection with the Note Document will not affect any claim of the Second Lien Collateral Agent under this Section 13.11; and

(h) if the Second Lien Collateral Agent returns to any Issuer or Guarantor, whether in any kind of insolvency proceeding or otherwise, any recovery in respect of which it has made a payment to a Second Priority Notes Secured Party, that Second Priority Notes Secured Party must repay an amount equal to that recovery to the Second Lien Collateral Agent.

(i) For purposes of any Second Lien Collateral Document governed by Dutch law, any resignation by the Second Lien Collateral Agent is not effective with respect to its rights under the Parallel Obligations until all rights and obligations under the Parallel Obligations have been assigned to and assumed by the successor agent appointed in accordance with this Indenture.

(j) The Second Lien Collateral Agent will reasonably cooperate in transferring its rights and obligations under the Parallel Obligations to a successor agent in accordance with this Indenture and will reasonably cooperate in transferring all rights and obligations under any Second Lien Collateral Document to such successor agent. All Guarantors and Issuers hereby, in advance, irrevocably grant their cooperation (*medewerking*) to such transfers of rights and obligations by the Second Lien Collateral Agent to a successor collateral agent in accordance with this Indenture.

SECTION 13.12 Trust Provisions.

(a) Declaration of Trust. The Second Lien Collateral Agent declares that it holds the Trust Property on trust for the Second Priority Notes Secured Parties on the terms contained in this Indenture.

(b) The Second Lien Collateral Agent.

(i) The Second Lien Collateral Agent shall have such rights, powers, authorities and discretions as are (a) conferred on trustees by the Trustee Acts; (b) by way of supplement to the Trustee Acts as provided for in this Indenture and/or the English Security Documents; and (c) any which may be vested in the Second Lien Collateral Agent by law or regulation or otherwise.

(ii) Section 1 of the Trustee Act 2000 shall not apply to the duties of the Second Lien Collateral Agent in relation to the trusts constituted by this Indenture. Where there are any inconsistencies between the Trustee Acts and the provisions of this Indenture, the provisions of this Indenture shall, to the extent permitted by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of this Indenture shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000.

(iii) All moneys from time to time received or recovered by the Second Lien Collateral Agent in respect of the Trust Property and the net proceeds from the realization or enforcement of all or any part of the English Transaction Security shall be held by the Second Lien Collateral Agent on trust to apply them at such times as the Second Lien Collateral Agent considers appropriate in the order of priority set out in Section 6.10 (subject to the Intercreditor Agreements).

(iv) Nothing in any Note Documents constitutes the Second Lien Collateral Agent as an agent, trustee or fiduciary of any Issuer or Guarantor and the Second Lien Collateral Agent shall not be bound to account to any Second Priority Notes Secured Party for any sum or the profit element of any sum received by it for its own account.

(v) If the Second Lien Collateral Agent were to resign or be replaced, its resignation or replacement shall only take effect upon the transfer of the Trust Property to its successor.

(c) Termination of the Trusts. If the Second Lien Collateral Agent, with the approval of the Second Lien Trustee under the Note Documents, determines that:

(i) all of the Second Priority Obligations and all other obligations secured by the English Security Documents have been fully and finally discharged; and

(ii) no Second Priority Notes Secured Party is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Issuer or Guarantor pursuant to the Note Documents,

then the trusts created by this Section 13.12 shall be wound up and the Second Lien Collateral Agent shall release, without recourse or warranty, all of the English Transaction Security and the rights of the Second Lien Collateral Agent under each of the English Security Documents.

To the extent anything in this Section 13.12 is inconsistent with the terms of any of the Intercreditor Agreements, the terms of the applicable Intercreditor Agreement shall prevail.

(a) the Second Lien Collateral Agent shall hold:

(1) any security created or evidenced or expressed to be created or evidenced under or pursuant to a Second Lien Swiss Transaction Security Document by way of a security assignment (*Sicherungsabtretung*) or transfer for security purposes (*Sicherungsübereignung*) or any other non-acccessory (*nicht akzessorische*) security;

(2) the benefit of this Section 13.13; and

(3) any proceeds and other benefits of such security, as fiduciary (*treuhänderisch*) in its own name but for the account of all relevant Second Priority Notes Secured Parties which have the benefit of such security in accordance with the Intercreditor Agreements and the respective Second Lien Swiss Transaction Security Document; and

(b) each present and future Second Priority Notes Secured Party, represented by the Second Lien Trustee acting for itself and in the name and for the account of each such Second Priority Notes Secured Party as a direct representative, hereby authorizes the Second Lien Collateral Agent:

THIS INDENTURE AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE APPLICATION TO THE NOTES OF THE PROVISIONS SET OUT IN ARTICLES 470-1 TO 470-19 OF THE LUXEMBOURG LAW ON COMMERCIAL COMPANIES DATED AUGUST 10, 1915, AS AMENDED, IS EXCLUDED.

The Issuers, the Parent and any Guarantor each irrevocably consent and agree, for the benefit of the holders from time to time of the Notes, the Second Lien Trustee and the Second Lien Collateral Agent, that any legal action, suit or proceeding against any of them with respect to its obligations, liabilities or any other matter arising out of or in connection with this Indenture or the Notes may be brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and, until amounts due and to become due in respect of the Notes have been paid, hereby irrevocably consent and submit to the non exclusive jurisdiction of each such court in personam, generally and unconditionally with respect to any action, suit or proceeding for itself and in respect of its properties, assets and revenues.

(and any successor entity) as its authorized agent to receive and forward on its behalf service of any and all process which may be served in any such suit, action or proceeding in any such court and agrees that service of process upon ST Shared Services LLC shall be deemed in every respect effective service of process upon the Issuer in any such suit, action or proceeding and shall be taken and held to be valid personal service upon the Issuer, as the case may be. Said designation and appointment shall be irrevocable. Nothing in this Section 14.08 shall affect the right of the holders to serve process in any manner permitted by law or limit the right of the holders to bring proceedings against a Guarantor or the Issuers in the courts of any jurisdiction or jurisdictions. The Issuer further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment set forth in the immediately preceding sentence in full force and effect so long as the Notes are outstanding. The Issuer hereby irrevocably and unconditionally authorizes and directs its agent to accept such service on its behalf. If for any reason any authorized agent ceases to be available to act as such, the Issuer agrees to designate a new agent in the United States of America.

SECTION 14.15 Waiver of Jury Trial. EACH OF THE ISSUERS, THE GUARANTORS, THE SECOND LIEN TRUSTEE AND THE SECOND LIEN COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

2. The Notes.

2.1 Form and Dating; Global Notes.

(a) The Initial Notes issued on the date hereof will be (i) privately placed by the Issuers and (ii) sold, initially only (1) in the United States to QIBs or IAIs and (2) outside the United States to Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and, except as set forth below, IAIs in accordance with Rule 501. Additional Notes offered after the date hereof may be offered and sold by the Issuers from time to time pursuant to one or more agreements in accordance with applicable law.

(b) Global Notes.

(i) Except as provided in clause (d) of Section 2.2 below, Rule 144A Notes initially shall be represented by one or more Notes in definitive, fully registered, global form without interest coupons (collectively, the "Rule 144A Global Notes").

Regulation S Notes initially shall be represented by one or more Notes in fully registered, global form without interest coupons (collectively, the "Regulation S Temporary Global Note" and, together with the Regulation S Permanent Global Note (defined below), the "Regulation S Global Notes"), which shall be registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear system ("Euroclear") or Clearstream Banking, Société Anonyme ("Clearstream").

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note shall be exchanged for beneficial interests in a permanent Global Note (the "Regulation S Permanent Global Note") pursuant to the applicable procedures of the Depository, Euroclear or Clearstream. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Second Lien Trustee shall cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Second Lien Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Depository participants through Euroclear or Clearstream.

The term "Global Notes" means the Rule 144A Global Notes and the Regulation S Global Notes. The Global Notes shall bear the Global Note Legend. The Global Notes initially shall (i) be registered in the name of the Depository, Euroclear or Clearstream or the nominee of such depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the Second Lien Trustee as custodian for such depository and (iii) bear the Restricted Notes Legend.

Members of, or direct or indirect participants in, the Depository, Euroclear or Clearstream (collectively, the "Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Second Lien Trustee as its custodian, or under the Global Notes.

The Depository may be treated by the Issuers, the Second Lien Trustee and any agent of the Issuers or the Second Lien Trustee as the sole owner of the Global Notes for all purposes under the Indenture and the Notes. Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the Second Lien Trustee or any agent of the Issuers or the Second Lien Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository, Euroclear or Clearstream, as the case may be, or their respective Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(ii) Transfers of Global Notes shall be limited to transfer in whole, but not in part, to the Depository, Euroclear or Clearstream, their successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Definitive Notes only in accordance with the applicable rules and procedures of the Depository, Euroclear or Clearstream, as the case may be and the provisions of Section 2.2. In addition, a Global Note shall be exchangeable for Definitive Notes if (x) the Depository (1) notifies the Issuers at any time that it is unwilling or unable to continue as depository for such Global Note and a successor depository is not appointed within 90 days or (2) has ceased to be a clearing agency registered under the Exchange Act, (y) the Issuers, at their option, notify the Second Lien Trustee in writing that the Issuers elect to cause the issuance of Definitive Notes or (z) there shall have occurred and be continuing an Event of Default with respect to the Notes; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuers for Definitive Notes prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act. In addition, beneficial interests in a Global Note may be exchanged for Definitive Notes upon request but only upon at least 20 days' prior written notice given to the trustee by or on behalf of the Depository in accordance with customary procedures. In all cases, Definitive Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures and will bear, in the case of the Rule 144A Global Notes or the Regulation S Global Notes, the restrictive legend required by Section 2.2(f) below.

(iii) In connection with the transfer of a Global Note as an entirety to beneficial owners pursuant to subsection (ii) of this Section 2.1(b), such Global Note shall be deemed to be surrendered to the Second Lien Trustee for cancellation, and the Issuers shall execute, and, upon written order of the Issuers signed by an Officer, the Second Lien Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(iv) Any Transfer Restricted Note delivered in exchange for an interest in a Global Note pursuant to Section 2.2 shall, except as otherwise provided in Section 2.2, bear the Restricted Notes Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in a Regulation S Global Note may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2.

(vi) The holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Indenture or the Notes.

2.2 Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except as set forth in Section 2.1(b). Global Notes will not be exchanged by the Issuers for Definitive Notes except under the circumstances described in Section 2.1(b)(ii). Global Notes also may be exchanged or replaced, in whole or in-part, as provided in Section 2.08 of this Indenture. Beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.2(b).

(b) Transfer and Exchange of Beneficial Interests in Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Transfer Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Notes shall be transferred or exchanged only for beneficial interests in Global Notes. Transfers and exchanges of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Transfer Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Transfer Restricted Global Note in accordance with the transfer restrictions set forth in the Restricted Notes Legend; *provided*, *however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person. A beneficial interest in an Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests in any Global Note that is not subject to Section 2.2(b)(i), the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Second Lien Trustee shall adjust the principal amount of the relevant Global Note pursuant to Section 2.2(g).

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Global Note if the transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form attached to the applicable Note; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form attached to the applicable Note.

A beneficial interest in a Regulation S Global Note to be transferred to a Person who takes delivery in the form of an interest in a Rule 144A Global Note may be made only upon receipt by the Second Lien Trustee of a written certification from the transferor to the effect that such transfer is being made: (1) to a Person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; and (2) in accordance with all applicable securities laws of any state of the United States or any other jurisdiction.

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Second Lien Trustee a written certificate to the effect that such transfer is being made to a Non U.S. Person in an offshore transaction in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available) and that, if such transfer occurs prior to the expiration of the Restricted Period, the interest transferred will be held immediately thereafter through Euroclear or Clearstream.

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Transfer Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such beneficial interest in a Transfer Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note,

and, in each such case, if the Issuers or the Registrar so request or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Issuers and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate in accordance with Section 2.01 of the Indenture, the Second Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Transfer Restricted Global Note. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests in Global Notes for Definitive Notes. A beneficial interest in a Global Note may not be exchanged for a Definitive Note except under the circumstances described in Section 2.1(b)(ii). A beneficial interest in a Global Note may not be transferred to a Person who takes delivery thereof in the form of a Definitive Note except under the circumstances described in Section 2.1(b)(ii). In any case, beneficial interests in Global Notes shall be transferred or exchanged only for Definitive Notes.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests in Global Notes. Transfers and exchanges of Definitive Notes for beneficial interests in the Global Notes also shall require compliance with either subparagraph (i), (ii) or (iii) below, as applicable:

(i) Transfer Restricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. If any holder of a Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in a Transfer Restricted Global Note or to transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Note for a beneficial interest in a Transfer Restricted Global Note, a certificate from such holder in the form attached to the applicable Note;

(B) if such Transfer Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(C) if such Transfer Restricted Definitive Note is being transferred to a Non U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(D) if such Transfer Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(E) if such Transfer Restricted Definitive Note is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate from such holder in the form attached to the applicable Note, including the certifications, certificates and Opinion of Counsel, if applicable; or

(F) if such Transfer Restricted Definitive Note is being transferred to Parent, the Issuers or any Subsidiary of any of Parent or the Issuers, a certificate from such holder in the form attached to the applicable Note;

the Second Lien Trustee shall cancel the Transfer Restricted Definitive Note, and increase or cause to be increased the aggregate principal amount of the appropriate Transfer Restricted Global Note.

(ii) Transfer Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A holder of a Transfer Restricted Definitive Note may exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such Transfer Restricted Definitive Notes proposes to transfer such Transfer Restricted Definitive Note to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note,

and, in each such case, if the Issuers or the Registrar so request or if the applicable rules and procedures of the Depository, Euroclear or Clearstream so require, an Opinion of Counsel in form reasonably acceptable to the Issuers and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the

conditions of this subparagraph (ii), the Second Lien Trustee shall cancel the Transfer Restricted Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate, the Second Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Notes transferred or exchanged pursuant to this subparagraph (ii).

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A holder of an Unrestricted Definitive Note may exchange such Unrestricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Second Lien Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes. If any such transfer or exchange is effected pursuant to this subparagraph (iii) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate, the Second Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Unrestricted Definitive Notes transferred or exchanged pursuant to this subparagraph (iii).

(iv) Unrestricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. An Unrestricted Definitive Note cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a holder of Definitive Notes and such holder's compliance with the provisions of this Section 2.2(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such holder or by its attorney, duly authorized in writing. In addition, the requesting holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.2(e).

1. Interest.

MALLINCKRODT INTERNATIONAL FINANCE S.A., a public limited liability company (*société anonyme*) organized under the laws of Luxembourg, having its registered office at 124, boulevard de la Pétrusse, L-2330 Luxembourg and being registered with the Luxembourg register of commerce and companies (*R.C.S. Luxembourg*) under number B 172865 (together with any successor thereto, the "Issuer"), and MALLINCKRODT CB LLC, a Delaware limited liability company and a direct wholly owned subsidiary of the Issuer (together with any successor thereto, the "US Co-Issuer" and together with the Issuer, the "Issuers"), promise to pay interest on the principal amount of this Note at the rate per annum shown above. The Issuers shall pay interest semiannually on June 15 and December 15 of each year (each an "Interest Payment Date"), commencing December 15, 2022. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the Issue Date, until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuers shall pay interest on overdue principal at the rate borne by the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment.

The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered holders at the close of business on June 1 or December 1 (each a "Record Date") immediately preceding the Interest Payment Date even if Notes are canceled after the Record Date and on or before the Interest Payment Date (whether or not a Business Day). Holders must surrender Notes to the Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depositary. The Issuers shall make all payments in respect of a certificated Note (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Issuers, payment of interest may be made by mailing a check to the registered address of each holder thereof; *provided*, *however*, that payments on the Notes may also be made, in the case of a holder of at least $1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such holder elects payment by wire transfer by giving written notice to the Second Lien Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Second Lien Trustee may accept in its discretion).

3. Paying Agent and Registrar.

Initially, Wilmington Savings Fund Society, FSB, as trustee under the Indenture (the "Second Lien Trustee"), will act as Paying Agent and Registrar. The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Second Lien Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor Registrar or Paying Agent, as the case may be, as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Second Lien Trustee or (ii) notification to the Second Lien Trustee that the Second Lien Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Parent, so long as it is organized in the United States, or any of its Subsidiaries organized in the United States may act as Paying Agent or Registrar.

4. Indenture.

The Issuers issued the Notes under an Indenture dated as of June 16, 2022 (the "Indenture"), among the Issuers, the Guarantors party thereto, the Second Lien Trustee and the Second Lien Collateral Agent. Capitalized terms used herein are used as defined in the Indenture, unless otherwise indicated. The Notes are subject to all terms and provisions of the Indenture, and the holders (as defined in the Indenture) are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Notes limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Notes are secured, unsubordinated obligations of the Issuers. This Note is one of the Initial Notes referred to in the Indenture. The Notes include the Initial Notes and any Additional Notes. The Initial Notes and any Additional Notes may, at the Issuers' option, be treated as a single class of securities for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that if the Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP number, if applicable. The Indenture imposes certain limitations on the ability of the Parent and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, Incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions, enter into or permit certain transactions with Affiliates, create or Incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Issuers and each Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

The Guarantors (including each Wholly Owned Restricted Subsidiary of the Parent that is required to guarantee the Guaranteed Obligations pursuant to Section 4.11 of the Indenture) shall jointly and severally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Redemption.

On or after June 15, 2026, the Issuers may redeem the Notes at their option, in whole at any time or in part from time to time, upon not less than 10 days' nor more than 60 days' prior notice mailed by the Issuer by first class mail, or delivered electronically if the Notes are held by DTC, to each holder's registered address and upon not less than 10 days' nor more than 60 days' prior written notice to the Second Lien Trustee (or such shorter period as may be agreed by the Second Lien Trustee), at (i) the following redemption prices (expressed as a percentage of principal amount), *plus* (ii) accrued and unpaid interest to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period commencing on June 15 of the years set forth below:

Period	Redemption Price
2026	105.000%
2027	102.500%
2028 and thereafter	100.000%

In addition, prior to June 15, 2026, the Issuers may redeem the Notes at their option, in whole at any time or in part from time to time, upon not less than 10 days' nor more than 60 days' prior notice mailed by the Issuer by first-class mail, or delivered electronically if the Notes are held by DTC, to each holder's registered address and upon not less than 10 days' nor more than 60 days' prior written notice to the Second Lien Trustee (or such shorter period as may be agreed by the Second Lien Trustee), at (i) a redemption price equal to 100% of the principal amount of the Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

Notwithstanding the foregoing, at any time and from time to time on or prior to June 15, 2026, the Issuers may redeem in the aggregate up to 40% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) with the net cash proceeds of one or more Equity Offerings (1) by the Issuer or (2) by any direct or indirect parent of the Issuer to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase Capital Stock (other than Disqualified Stock) of the Issuer, at (i) a redemption price (expressed as a percentage of principal amount thereof) of 110.000%, *plus* (ii) accrued and unpaid interest to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date); *provided*, *however*, that at least 60% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of Additional Notes) must remain outstanding after each such redemption; *provided*, *further*, that such redemption shall

occur within 90 days after the date on which any such Equity Offering is consummated upon not less than 10 days' nor more than 60 days' notice mailed, or delivered electronically if the Notes are held by DTC, by the Issuer to each holder of Notes and upon not less than 10 days' nor more than 60 days' prior written notice to the Second Lien Trustee (or such shorter period as may be agreed by the Second Lien Trustee) being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

Notice of any redemption upon any Equity Offering may be given prior to the completion thereof. In addition, any such redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering in the case of a redemption upon completion of an Equity Offering.

6. Redemption for Changes in Withholding Taxes.

The Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding, in each case at 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), and all Additional Amounts, if any, then due and which shall become due on the applicable redemption date as a result of the redemption or otherwise if, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, or the official written interpretation of such laws, which change or amendment is publicly announced and becomes effective after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), the Issuers are, or on the next Interest Payment Date in respect of the Notes would be, required to pay any Additional Amounts or if, after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), any action is taken by a taxing authority of, or any action has been brought in a court of competent jurisdiction in, a Relevant Taxing Jurisdiction or any taxing authority thereof or therein, including any of those actions that constitutes a Change in Tax Law, whether or not such action was taken or brought with respect to the Issuers, or there is any change, amendment, clarification, application or interpretation of such laws, regulations, treaties or rulings, which in any such case, will result in a material probability that the Issuers will be required to pay Additional Amounts with respect to the Notes (each such action, change, amendment, clarification, application or interpretation, a "Tax Action") (it being understood that such material probability will be deemed to result if the written opinion of independent tax counsel described in clause (ii) below to such effect is delivered to the Second Lien Trustee), and, in each case, such obligation to pay Additional Amounts cannot be avoided by taking reasonable measures available to the Issuers (including, for the avoidance of doubt, the appointment of a new paying agent). Notwithstanding the foregoing, no such notice of redemption as a result of a Change in Tax Law or Tax Action will be given (a) earlier than 90 days prior to the earliest date on which the Issuers would be obligated to pay Additional Amounts as a result of a Change in Tax Law or Tax Action and (b) unless, at the time such notice is given, such obligation to pay Additional Amounts remains in effect. Prior to any redemption of Notes pursuant to the preceding paragraph, the Issuers shall deliver to the Second Lien Trustee (i) an Officers' Certificate stating that the Issuers are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of redemption have occurred and (ii) an opinion of independent tax counsel reasonably acceptable to the Second Lien Trustee to the effect that the Issuers are entitled to redeem the Notes as a result of a Change in Tax Law or a Tax Action. The Second Lien Trustee will accept such Officers' Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders.

7. Mandatory Redemption.

The Issuers will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

8. Notice of Redemption.

Notices of redemption will be mailed (or caused to be mailed) by first-class mail, or delivered electronically if the Notes are held by DTC, at least 15 but not more than 60 days before the redemption date, to each holder of Notes to be redeemed at its registered address (with a copy to the Second Lien Trustee), except that

redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Notes pursuant to Article VIII of the Indenture. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Notes or portions thereof to be redeemed.

9. Repurchase of Notes at the Option of the Holders upon Change of Control and Asset Sales.

Upon the occurrence of a Change of Control, each holder of Notes shall have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuers will be required to offer to purchase Notes upon the occurrence of certain events.

The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

12. Persons Deemed Owners.

The registered holder of this Note shall be treated as the owner of it for all purposes.

13. Unclaimed Money.

Subject to any applicable abandoned property law, the Second Lien Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, holders entitled to the money must look to the Issuers for payment as general creditors, and the Second Lien Trustee and each Paying Agent shall have no further liability with respect to such monies.

14. Discharge and Defeasance.

Subject to certain conditions, the Issuers at any time may terminate some of or all its obligations under the Notes and the Indenture if the Issuers deposit with the Second Lien Trustee cash in U.S. dollars, U.S. Government Obligations or a combination thereof sufficient to pay the principal of and premium (if any) and interest on the Notes when due at maturity or redemption, as the case may be.

15. Amendment; Waiver.

Subject to certain exceptions set forth in the Indenture, (i) the Note Documents may be amended, supplemented or otherwise modified with the written consent of the holders of at least a majority in aggregate principal amount of the Notes then outstanding and (ii) any past default or compliance with any provisions may be waived with the written consent of the holders of at least a majority in principal amount of the Notes then outstanding.

Without notice to or the consent of any holder, the Issuers, the Second Lien Trustee and/or the Second Lien Collateral Agent, as applicable, may amend or supplement any of the Note Documents (including any of the Second Lien Collateral Documents) and the Issuer may direct the Second Lien Trustee and/or the Second Lien Collateral Agent, and the Second Lien Trustee and/or the Second Lien Collateral Agent, as applicable, shall enter into an amendment to any of the Note Documents (i) to cure any ambiguity, omission, mistake, defect or inconsistency; (ii) to provide for the assumption by a Successor Company (with respect to the Issuer) of the obligations of the Issuer under any of the Note Documents; (iii) to provide for the assumption by a Successor Person (with respect to any Guarantor or the US Co-Issuer, as applicable), of the obligations of a Guarantor or the US Co-Issuer, as applicable, under any of the Note Documents; (iv) to provide for uncertificated Notes in addition to or in place of certificated Notes, *provided*, *however*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code; (v) [reserved]; (vi) to add a Guarantee or collateral with respect to the Notes; (vii) to secure the Notes or to add additional assets as Second Lien Collateral; (viii) to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under the Indenture, the Second Lien Collateral Documents or the Intercreditor Agreements, as applicable; (ix) to add to the covenants of the Parent or the Issuers for the benefit of the holders or to surrender any right or power herein conferred upon the Parent or the Issuers; (x) to make any change that does not adversely affect the rights of any holder in any material respect; (xi) to give effect to any provision of the Indenture or any other Note Document, in the case of amendments to Note Documents other than the Indenture, or to make changes to the Indenture to provide for the issuance of Additional Notes; (xii) to provide for the release of Second Lien Collateral from the Lien pursuant to the Indenture, the Second Lien Collateral Documents and the Intercreditor Agreements when permitted or required by the Second Lien Collateral Documents, the Indenture or the Intercreditor Agreements; or (xiii) to secure any Indebtedness or other obligations to the extent permitted under the Indenture, the Second Lien Collateral Documents and the Intercreditor Agreements.

16. Defaults and Remedies.

If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) of the Indenture with respect to the Issuers) occurs and is continuing, the Second Lien Trustee by notice to the Issuers or the holders of at least 25% in principal amount of outstanding Notes by notice to the Issuers (with a copy to the Second Lien Trustee) may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) of the Indenture with respect to the Issuers occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the Second Lien Trustee or any holders. In addition, upon the acceleration of the Notes in connection with an Event of Default under Section 6.01(a), (b), (f) or (g) of the Indenture prior to June 15, 2028, an amount equal to the Applicable Premium or optional redemption premium, as applicable, that would have been payable in connection with an optional redemption of the Notes at the time of the occurrence of such acceleration will become and be immediately due and payable with respect to all Notes without any declaration or other act on the part of the Second Lien Trustee or any holders of the Notes. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty. The holders of a majority in principal amount of outstanding Notes may rescind any such acceleration and its consequences if:

(a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default occurs and is continuing, the Second Lien Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders of the Notes, unless such holders have offered to the Second Lien Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to the Indenture or the Notes unless (i) such holder has

previously given the Second Lien Trustee written notice that an Event of Default is continuing with respect to such holder's Notes, (ii) holders of at least 25% in principal amount of the outstanding Notes have requested the Second Lien Trustee to pursue the remedy, (iii) such holders have offered the Second Lien Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Second Lien Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and (v) the holders of a majority in principal amount of the outstanding Notes have not given the Second Lien Trustee a direction inconsistent with such request within such 60-day period. The holders of a majority in principal amount of outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Second Lien Trustee or of exercising any trust or power conferred on the Second Lien Trustee. The Second Lien Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Second Lien Trustee determines is unduly prejudicial to the rights of any other holder or that would involve the Second Lien Trustee in personal liability. Prior to taking any action under the Indenture, the Second Lien Trustee shall be entitled to indemnification satisfactory to it against all losses and expenses caused by taking or not taking such action.

17. Second Lien Trustee Dealings with the Issuers.

The Second Lien Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Second Lien Trustee.

18. No Recourse Against Others.

No director, officer, employee, manager or incorporator of the Parent, an Issuer, any Guarantor or any direct or indirect parent company of the Parent, an Issuer or any Guarantor and no holder of any Equity Interests in the Parent, an Issuer, any Guarantor or any direct or indirect parent company of the Parent, an Issuer or any Guarantor, as such, will have any liability for any obligations of an Issuer or any Guarantor under any Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability.

19. Authentication.

This Note shall not be valid until an authorized signatory of the Second Lien Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. Abbreviations.

Customary abbreviations may be used in the name of a holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law.

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE APPLICATION TO THE NOTES OF THE PROVISIONS SET OUT IN ARTICLES 470-1 TO 470-19 OF THE LUXEMBOURG LAW ON COMMERCIAL COMPANIES DATED AUGUST 10, 1915, AS AMENDED, IS EXCLUDED.

22. CUSIP Numbers; ISINs.

The Issuers have caused CUSIP numbers and ISINs to be printed on the Notes and have directed the Second Lien Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the holders. No representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers printed thereon.

23. Security.

The Notes will be secured by the Second Lien Collateral on the terms and subject to the conditions set forth in the Indenture and the Second Lien Collateral Documents and (where applicable) to the Agreed Guarantee and Security Principles. The Second Lien Trustee and the Second Lien Collateral Agent, as the case may be, hold the Second Lien Collateral in trust for the benefit of the holders of the Notes, in each case pursuant to the Second Lien Collateral Documents and the Intercreditor Agreements. Each holder of the Notes, by accepting this Note, consents and agrees to the terms of the Second Lien Collateral Documents (including the provisions providing for the foreclosure and release of Second Lien Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Second Lien Collateral Agent to enter into the Second Lien Collateral Documents and the Intercreditor Agreements, and to perform its obligations and exercise its rights thereunder in accordance therewith.

The Issuers will furnish to any holder of Notes upon written request and without charge to the holder a copy of the Indenture which has in it the text of this Note.

AGREED GUARANTEE AND SECURITY PRINCIPLES

Unless otherwise defined herein, capitalized terms used herein are defined in the Indenture to which this Exhibit D is attached.

(A) Considerations.

1. In determining what liens will be granted (and any limitations on the amount or scope of Guarantees) by Issuers or Guarantors organized outside of the United States (the "Non-U.S. Notes Parties") to secure the Second Priority Notes Obligations (the holders thereof, the "Secured Parties") the following matters will be taken into account. Liens shall not be created or perfected, the Second Priority Notes Obligations may be limited pursuant to the terms of the relevant Second Lien Collateral Documents and Guarantees may be limited in amount or scope, to the extent that it would (if created, perfected or not so limited):

(a) result in any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalization laws, capital maintenance rules, general statutory limitations, retention of title claims or the laws or regulations (or analogous restrictions) of any applicable jurisdiction or any similar principles which may limit the ability of any Non-U.S. Notes Party to provide a guarantee or security or may require that the guarantee or security be limited by an amount or scope or otherwise;

(b) result in any (x) material risk to the officers of the relevant grantor of liens or Guarantor of contravention of their fiduciary duties or any legal prohibition, and/or (y) risk to the officers of the relevant grantor of liens or Guarantor of civil or criminal liability;

(c) result in costs that the Issuer and the First Lien Collateral Agent reasonably determine are excessive in relation to the benefit of such lien or Guarantee by reference to the costs of creating or perfecting the lien or Guarantees, on the one hand, versus the value of the assets being secured or Guarantee granted, on the other hand (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations);

(d) impose an undue administration burden on, or material inconvenience to the ordinary course of operations of, the provider of the lien or Guarantee, in each case which the Issuer and the First Lien Collateral Agent reasonably determine is excessive in relation to the benefit of such lien or Guarantee (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations); and

(e) create liens over any assets subject to third party arrangements which are permitted by the Indenture to the extent (and for so long as) such arrangements prevent those assets from being charged.

2. These Agreed Guarantee and Security Principles embody recognition by all parties that there may be certain legal, regulatory and practical difficulties (including those in paragraph 1 above) in obtaining security and/or Guarantees without limitation as to amount or scope from all Non-U.S. Notes Parties in every jurisdiction in which Non-U.S. Notes Parties are located, in particular:

(a) perfection of liens, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Indenture or (if earlier or to the extent no such time periods are specified in the Indenture) within the time periods specified by applicable law in order to ensure due perfection. Perfection of security will not be required if it would have a material adverse effect on the ability of the relevant Non-U.S. Notes Party to conduct its operations and business in the ordinary course as otherwise permitted by the Indenture;

(b) the maximum granted or secured amount may be limited to minimize stamp duty, notarization, registration or other applicable fees, taxes and duties where the benefit of increasing the granted or secured amount is reasonably determined by the Issuer and the First Lien Collateral Agent to be excessive in relation to the level of such fees, taxes and duties (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations); or

(c) where a class of assets to be secured includes material and immaterial assets, if the costs of granting security over the immaterial assets is reasonably determined by the Issuer and the First Lien Collateral Agent to be excessive in relation to the benefit of such security, security will be granted over the material assets only (provided that (A) the Issuer has delivered to the Second Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other Second Priority Obligations and any First Priority Obligations).

For the avoidance of doubt, in these Agreed Guarantee and Security Principles, "cost" includes, but is not limited to, income tax cost, registration taxes payable on the creation or enforcement or for the continuance of any liens, stamp duties, the cost of maintaining capital for regulatory purposes, out-of-pocket expenses, and other fees and expenses directly incurred by the relevant grantor of liens or any of its direct or indirect owners, subsidiaries or affiliates.

3. Notwithstanding anything to the contrary, the Agreed Guarantee and Security Principles will be subject to the provisions of the First Priority/Second Priority Intercreditor Agreement. In the event of any conflict between the terms of the First Priority/Second Priority Intercreditor Agreement and the Agreed Guarantee and Security Principles, the terms of the First Priority/Second Priority Intercreditor Agreement will govern and control.

(B) Obligations to be Guaranteed and Secured.

1. Subject to paragraph (A) above, the obligations to be guaranteed and secured are the Second Priority Notes Obligations. The liens and Guarantees are to be granted in favor of the Second Lien Collateral Agent on behalf of each Secured Party (or equivalent local procedure and unless otherwise necessary in any jurisdictions).

2. Where appropriate, defined terms in the Second Lien Collateral Documents should mirror those in the Indenture.

3. The parties to the Indenture agree to negotiate the form of each Second Lien Collateral Document in good faith in a manner consistent with these Agreed Guarantee and Security Principles. The form of Guarantee with respect to any Non-U.S. Notes Party shall be subject to any limitations as set out in the joinder, supplement or other Guarantee applicable to such Non-U.S. Notes Party as may be required in order to comply with local laws in accordance with these Agreed Guarantee and Security Principles.

4. The liens granted by any Non-U.S. Notes Party in favor of the Second Lien Collateral Agent on behalf of each Secured Party shall, to the extent possible under local law, be enforceable only after the occurrence of an Event of Default that is continuing.

(C) Covenants/Representations and Warranties.

Any representations, warranties or covenants which are required to be included in any Second Lien Collateral Document shall reflect (to the extent to which the subject matter of such representation, warranty and covenant is the same as the corresponding representation, warranty and undertaking in the Indenture) the commercial deal set out in the Indenture (save to the extent that applicable local counsel advise it necessary to

include any further provisions (or deviate from those contained in this Agreement) in order to protect or preserve the liens granted to the Second Lien Collateral Agent on behalf of each Secured Party). Accordingly, the Second Lien Collateral Documents shall not include, repeat or extend clauses set out in the Indenture, including the representations or undertakings in respect of information, indemnities or the payment of costs, in each case, unless applicable local counsel advise it necessary in order to ensure the validity of any Second Lien Collateral Document or the perfection of any lien granted thereunder.

(D) Liens over Equity Interests.

2. Subject to paragraphs (A) and (B) above, equitable share charges (or the equivalent in local jurisdictions) over equity interests in Non-U.S. Notes Parties will be granted pursuant to which the Second Lien Collateral Agent on behalf of each Secured Party will be entitled, subject to local laws, to transfer the equity interests and satisfy themselves out of the proceeds of such sale upon enforcement of the lien.

3. Subject to paragraphs (A) and (B) above, to the extent permitted under local law, share pledges should contain provisions to ensure that, unless an Event of Default has occurred and is continuing, the grantor of the lien is entitled to receive dividends and exercise voting rights in any shareholders' meeting of the relevant company (except if exercise would adversely affect the validity or enforceability of the lien or cause an Event of Default to occur) and if an Event of Default has occurred and is continuing the voting and dividend receipt rights may only be exercised by the Second Lien Collateral Agent on behalf of each Secured Party, it being understood that if such Event of Default is subsequently remedied or waived, the right to receive dividends and the voting rights in any shareholders' meeting of the relevant company shall return to the grantor of the lien.

4. Liens over equity interests will, where possible, automatically charge further equity interests issued or otherwise contemplate a procedure for the extension (at the cost of the relevant Issuer or Guarantor) of liens over newly-issued shares.

5. Liens will not be created over minority shareholdings or equity interests in joint ventures where the consent of a third party is required before the relevant Issuer or Guarantor can create a lien over the same unless such consent has been obtained; provided, that, to the extent that any such Person has ceased to be a Wholly Owned Subsidiary, the equity interests of such Person shall not be excluded under this clause (5) if such Person was, at any time following the Issue Date, a Wholly Owned Subsidiary and subsequently ceased to be a Wholly Owned Subsidiary as a result of (A) a transfer or issuance of any of its equity interests to any Affiliate or Related Party of any Issuer, (B) any transaction that had no bona fide business purpose and was not undertaken for applicable legal or tax efficiency considerations (in each case under this clause (B), as determined in good faith by the Issuer), or (C) any transaction with a primary purpose (as determined in good faith by the Issuer) to evade the requirement of such equity interests constituting Second Lien Collateral hereunder.

6. Liens will not be created on equity interests so long as same constitute Margin Stock (as defined in Regulation U of the Board of Governors of the Federal Reserve System of the United States).

(E) Liens over Receivables of Non-U.S. Notes Parties.

2. Each relevant Non-U.S. Notes Party shall not be required to notify third party debtors to any contracts that have been assigned and/or charged under a Second Lien Collateral Document unless (i) so required by the Second Lien Collateral Agent if an Event of Default has occurred and is continuing or (ii) otherwise customary under the relevant local practice and is not (in the Issuer's good faith determination (with any such determination set forth in an Officers' Certificate of the Issuer being definitive)) materially prejudicial to the business relationship of such Non-U.S. Notes Party. The Second Lien Collateral Agent shall however be entitled to give such notice if an Event of Default has occurred and is continuing.

3. No lien will be granted under local law over any receivables to the extent (and for so long as) such receivable cannot be secured under the terms of the relevant contract.

(F) Insurances.

1. Subject to paragraphs (A) and (B) above, proceeds of material insurance policies owned by each relevant Non-U.S. Notes Party (excluding third party liability insurance policies) are to be assigned by way of security or pledged to the Second Lien Collateral Agent on behalf of each Secured Party. Proceeds of insurance shall be collected and retained by the relevant Non-U.S. Notes Party (without the further consent of the Secured Parties) (i) unless such insurance proceeds must be applied to mandatory repurchase of the Notes or mandatory prepayments of Bank Indebtedness and other Pari Passu Indebtedness in accordance with the Indenture, subject to any reinvestment rights therein or (ii) unless an Event of Default has occurred and is continuing.

2. If required by local law to create or perfect the security, notice of the security will be served on the insurance provider within 10 business days of the security being granted and the Non-U.S. Notes Party shall use its reasonable endeavours to obtain an acknowledgement of that notice within 30 business days of service. If a Non-U.S. Notes Party has used its reasonable endeavours, but has not been able to obtain acknowledgement of its obligations to obtain acknowledgement shall cease on the expiry of that 30-business-day period. In relation to any Swiss law governed Second Lien Collateral Documents, the Second Lien Collateral Agent shall have the right to notify the insurance provider of the security granted at any time.

(G) Material Contracts and Claims.

1. Each relevant Non-U.S. Notes Party shall not be required to notify the counterparties to any contracts that have been charged/assigned under a Second Lien Collateral Document that such contract has been so charged/assigned unless required by the Second Lien Collateral Agent if an Event of Default has occurred and is continuing. Liens should not be created over contracts, leases or licenses which prohibit assignment or the creation of such liens or which require the consent of third parties for the creation of such liens or such assignment.

2. Proceeds of material contracts and claims shall be collected and retained by the relevant Non-U.S. Notes Party (without the further consent of the Secured Parties) (i) unless such proceeds must be applied to mandatory repurchase of the Notes or mandatory prepayments of Bank Indebtedness or other Pari Passu Indebtedness in accordance with the Indenture, subject to any reinvestment rights therein, or (ii) unless an Event of Default has occurred and is continuing.

Where any relevant Non-U.S. Notes Party has the right to the use of any Material Intellectual Property through contractual arrangements to which it is a party, a lien over such contract and/or any rights arising thereunder shall be given in favor of the Second Lien Collateral Agent on behalf of each Secured Party, except to the extent (and for so long as) the giving over of such liens would contravene any legal or contractual prohibition. Notwithstanding anything to the contrary herein, liens should not be created over intellectual property or any contractual relationships described above (or any rights arising thereunder) where such lien or assignment is prohibited or the consent of third parties would be required for the creation of such lien or such assignment.

2. If a Non-U.S. Notes Party grants a lien over any of its intellectual property, it will be free to deal with those assets in the course of its business (including, without limitation, allowing any intellectual property to lapse or become abandoned if, in the reasonable judgment of the Parent, it is no longer economically practicable to maintain or useful in the conduct of the business of the Parent and its Restricted Subsidiaries, taken as a whole) until an Event of Default has occurred and is continuing.

3. "Material Intellectual Property" is to be defined as intellectual property owned by the Non-U.S. Notes Parties which is material to the carrying out of the business of Parent or any of its Restricted Subsidiaries, taken as a whole.

3. Subject to paragraphs (A) and (B) above, where obligatory or customary, documents of title relating to the assets charged will be required to be delivered to the Second Lien Collateral Agent.

4. Except as explicitly provided herein, notice, acknowledgement or consent to be obtained from a third party will only be required where the efficacy of the lien requires it or where it is practicable and reasonable having regard to the costs involved, the commercial impact on the Non-U.S. Notes Party in question and the likelihood of obtaining the acknowledgement and, when possible without prejudicing the validity of the lien concerned, such perfecting procedures shall be delayed until an Event of Default has occurred and is continuing.

(L) Liens.

Notwithstanding anything to the contrary contained in the Indenture, no provision contained herein shall prejudice the right of the Non-U.S. Notes Parties to benefit from the permitted exceptions set out in the Indenture regarding the granting of liens over assets.

(M) Proceeds.

The Second Lien Collateral Documents will state that the proceeds of enforcement of such Second Lien Collateral Documents will be applied as specified in the Indenture.

(N) Regulatory Consent.

The enforcement of security over shares and the exercise by the Second Lien Collateral Agent of voting rights in respect of such shares may be subject to regulatory consent. Accordingly, enforcement of any security over any shares subject to such a restriction, and the exercise by the Second Lien Collateral Agent of the voting rights in respect of any such shares, will be expressed to be conditional upon obtaining any consents required by law or regulation.

Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." All references herein to Articles, Sections, Exhibits and Schedules shall be deemed references to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. Except as otherwise expressly provided herein, any reference in this Agreement to any Settlement Document shall mean such document as amended, restated, amended and restated, supplemented or otherwise modified from time to time. Except as otherwise expressly provided herein or therein, any reference herein or in any other Settlement Document to the Opioid Trust shall be construed to include the Opioid Trust's successors and assigns in whole, but not in part. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; provided that, if the Parent notifies the Opioid Trust that the Parent requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date in GAAP or in the application thereof on the operation of such provision (or if the Opioid Trust notifies the Parent that it requests an amendment to any provision hereof for such purpose), and so long as the same request is made under the agreements governing the Takeback Term Loans (and, if applicable, any Permitted Refinancing Indebtedness thereof (to the extent permitted thereunder)), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith. At any time after the Effective Date, the Parent may elect (by written notice to the Opioid Trust) to change its financial reporting (both hereunder and for its audited financial statements generally) from GAAP to International Financial Reporting Standards (as issued by the International Accounting Standards Board and the International Financial Reporting Standards Interpretations Committee and/or adopted by the European Union ("IFRS")), as in effect from time to time, in which case, and so long as the same election is made under the agreements governing the Takeback Term Loans (and, if applicable, any Permitted Refinancing Indebtedness thereof (to the extent permitted thereunder)), all references herein to GAAP (except for historical financial statements theretofore prepared in accordance with GAAP) shall instead be deemed references to the IFRS and the related accounting standards as shown in the first set of audited financial statements prepared in accordance therewith and delivered pursuant to this Agreement; provided that, (x) if the Parent notifies the Opioid Trust that the Parent requests an amendment to any provision hereof to eliminate the effect of any change occurring as a result of the adoption of IFRS or in the application thereof on the operation of such provision, and so long as the same request is made under the agreements governing the Takeback Term Loans (and, if applicable, any Permitted Refinancing Indebtedness thereof), or (y) if the Opioid Trust notifies the Parent that it requests an amendment to any provision hereof for such purpose, then such provision shall be interpreted on the basis of GAAP as otherwise required above (and without regard to this sentence) until such notice shall have been withdrawn or such provision amended in accordance herewith.

Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made (i) without giving effect to any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Parent or any Subsidiary at "fair value", as defined therein, (ii) without giving effect to any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof and (iii) for the avoidance of doubt, except as provided in the definition of "Consolidated Net Income", without giving effect to the financial condition, results and performance of the Unrestricted Subsidiaries. Notwithstanding anything contained in the definition of Applicable Accounting Principles to the contrary, unless a Primary Obligor otherwise elects by delivery of a notice delivered to the Opioid Trust, all obligations under any leases of any person that are or would be characterized as operating lease obligations in accordance with GAAP as in effect in the United States on January 31, 2018 (whether or not such operating lease obligations were in effect on such date) shall continue to be accounted for as operating lease obligations (and not as Capitalized Lease Obligations) for purposes of this Agreement regardless of any change in GAAP following the date that would otherwise require such obligations to be recharacterized as Capitalized Lease Obligations.

Section 1.03 Exchange Rates; Currency Equivalents. Except for purposes of financial statements delivered by Settlement Parties hereunder or calculating financial ratios hereunder or except as otherwise provided herein, the applicable amount of any currency (other than Dollars) for purposes of the Settlement Documents shall be such Dollar Equivalent amount as determined in accordance with this Agreement. No Default or Event of Default shall arise as a result of any limitation or threshold set forth in Dollars in Article VI or Sections 7.01(d) and 7.01(g) hereof (or, in each case, in the definition of any term used therein) being exceeded solely as a result of changes in currency exchange rates from those rates applicable on the first day of the fiscal quarter of the Parent in which such determination occurs or in respect of which such determination is being made.

Section 1.04 Timing of Payment or Performance. Except as otherwise expressly provided herein, when the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment or performance shall extend to the immediately succeeding Business Day.

Section 1.05 Times of Day. Unless otherwise specified herein, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

ARTICLE II
OPIOID DEFERRED CASH PAYMENTS

Section 2.01 Repayment of Opioid Deferred Cash Payments. The Primary Obligors shall pay to the Opioid Trust (and its successors and assigns, in part or in whole, as applicable), to the account(s) most recently specified for such purposes in a written notice delivered by the Opioid Trust (or, if applicable, any successor or assignee thereof) to the Primary Obligors, each of the Opioid Deferred Cash Payments on the dates and in the amounts specified in the Plan of Reorganization.

Section 2.02 Prepayment of Opioid Deferred Cash Payments. The Primary Obligors shall have the right at any time and from time to time to prepay the Opioid Deferred Cash Payments in whole or in part, without premium or penalty; provided that if such prepayment occurs on or prior to the date that is eighteen (18) months after the Effective Date, the amount required to make such prepayment shall be (a) for prepayment in full (and with no prior prepayments having been made) as of the end of each of the 18 months after the Effective Date, the amount set forth on Schedule 1.01(C) hereof in respect of such month or (b) to the extent a prepayment is partial, is made following an earlier prepayment, or occurs other than at the end of a month, an amount equal to the present value of the amounts to be prepaid, at the date of prepayment, discounted at the discount rate that would be required for (i) (A) the present value of the then-remaining scheduled Opioid Deferred Cash Payments at the prepayment date (without giving effect to any prior prepayments), excluding the payment due on the eighth anniversary of the Effective Date, plus (B) $450,000,000 to equal (ii) (A) the present value of the payments that would have been remaining under the Original Payment Schedule at the

prepayment date (excluding the initial $300,000,000 payment provided for in the Original Payment Schedule and any other payments that would have been made by such date, but without giving effect to any prior prepayments), discounted at a discount rate of 12% per annum, plus (B) $300,000,000; provided that to the extent the Primary Obligors or any other Settlement Party seeks to prepay only a portion of the Opioid Deferred Cash Payments in accordance with the Plan of Reorganization and this Section 2.02, such prepayment (x) may not be funded from the proceeds of the incurrence of Indebtedness and (y) shall be applied to prepay Opioid Deferred Cash Payments in accordance with the above in inverse order beginning with the payment due on the eighth anniversary of the Effective Date. For the purposes of this Section 2.02 and the prepayment of any Opioid Deferred Cash Payments, months shall be calculated starting from the Effective Date, not calendar months.

Section 2.03 Payments Generally.

(a) Unless otherwise specified, each Primary Obligor shall make each payment required to be made by it hereunder prior to 3:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off, or counterclaim. All payments made under the Settlement Documents shall be made in Dollars.

(b) Any proceeds received by the Opioid Trust (or any of its successors or assigns, in part or in whole) (whether as a result of any setoff rights, any distribution in connection with any proceeding or other action of any Settlement Party in respect of any Bankruptcy Law or otherwise and whether received in cash or otherwise) (i) not constituting a specific payment of an Opioid Deferred Cash Payment, fees or other sum payable under the Settlement Documents or (ii) after an Event of Default has occurred and is continuing and the Opioid Trust so elects, such funds shall be applied, *first*, to pay any fees, indemnities or expense reimbursements including amounts then due to the Opioid Trust, *second*, to pay any Opioid Deferred Cash Payment, and *third*, to the payment of any other Opioid Obligations due to the Opioid Trust (or any of its successors or assigns, in part or in whole) by the Settlement Parties.

Section 2.04 Taxes.

(a) Any and all payments by or on account of any obligation of the Primary Obligors under this Agreement shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of the Primary Obligors) requires the deduction or withholding of any Tax from any such payment by a Primary Obligor, then such Primary Obligor shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. If such Tax is an Indemnified Tax, then the sum payable by the Primary Obligors (or by any other entity on account of the obligation of the Primary Obligors under this Agreement) shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the Opioid Trust (and its successors and assigns, in part or in whole) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Primary Obligors. The Primary Obligors shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Opioid Trust (and its successors and assigns, in part or in whole) timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by the Primary Obligors. The Primary Obligors shall jointly and severally indemnify the Opioid Trust (and its successors and assigns, in part or in whole), within 15 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Opioid Trust (or any of its successors or assigns, in part or in whole) or required to be withheld or deducted from a payment to the Opioid Trust (or any of its successors or assigns, in part or in whole) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Notwithstanding the foregoing, solely in the case of a successor or assignee pursuant to Section 9.04, if the Primary Obligors assert by written notice within 15 days after receipt of such demand that such Indemnified Taxes were not correctly imposed or asserted by the relevant Governmental Authority (as determined by the Primary Obligors at a "should" level of comfort or greater), such successor or assignee shall use commercially reasonable efforts (at the expense of the Primary Obligors) in contesting the imposition of such Indemnified Taxes and will permit the Primary Obligors to participate in such contest if feasible, so long as such manner of contest would not materially prejudice the legal position of such successor or assignee. A certificate as to the amount of such payment or liability delivered to the Primary Obligors by the Opioid Trust (and its successors and assigns, in part or in whole) shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by the Primary Obligors to a Governmental Authority pursuant to this Section 2.04, the Primary Obligors shall deliver to the Opioid Trust (or any of its successors or assigns, in part or in whole) the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Opioid Trust (or any of its successors or assigns, in part or in whole).

(e) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (e) the payment of which would place the

indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) Survival. Each party's obligations under this Section shall survive any assignment of rights by the Opioid Trust (or any of its successors or assigns, in part or in whole), and the termination, payment, satisfaction or discharge of all obligations under any this Agreement.

(g) Notwithstanding anything to the contrary in this Agreement, except as otherwise required by Change in Law after the Effective Date and in compliance with the provisions of this clause (g), the parties shall not treat or report the arrangements under this Agreement as indebtedness for U.S. federal, state or local income Tax purposes. No party shall take any position that is inconsistent with such treatment for U.S. federal, state or local income Tax purposes unless otherwise required pursuant to a final "determination" within the meaning of Section 1313 of the Code (or corresponding provisions of applicable law with respect to applicable state and local income Tax purposes). If the Primary Obligors determine, based on advice from its U.S. tax advisor, that due to a Change in Law after the Effective Date the arrangements under this Agreement are required to be treated and reported as indebtedness for U.S. federal, state or local income Tax purposes, the Primary Obligors shall provide a prior written notice to the Opioid Trust and such parties shall negotiate in good faith the appropriate treatment of such arrangement. If such parties are unable to reach such an agreement within 20 days, such dispute shall be submitted for resolution to a nationally recognized accounting firm mutually agreed by the parties in a manner that is most consistent with the intention of the parties not to treat such arrangement as debt for U.S. federal, state and local income Tax purposes. For the avoidance of doubt, each reference in this Section 2.04(g) to the Opioid Trust shall be interpreted in accordance with Section 1.02 as a reference to the Opioid Trust and its successors and assigns in whole, but not in part.

Section 2.05 Claim Amount. In the event of any bankruptcy or other proceeding with respect to any Settlement Party under or pursuant to any Bankruptcy Law, the Opioid Trust (together with its successors and assigns, in part or in whole) shall be entitled to assert the full unpaid amount of the Opioid Deferred Cash Payments, without discount or reduction of any kind, including without limitation any discount or reduction that might otherwise be imposed by law, including Bankruptcy Law or any court administering any such proceeding, as a result of, or in connection with, the payment of any of the Opioid Deferred Cash Payments prior to their originally scheduled payment dates.

(b) In connection with the covenants set forth in this Section 5.02, it is understood and agreed that:

(i) the Opioid Trust (and its successors and assigns, in part or in whole) and its and their respective agents or employees shall not be liable for any loss or damage insured by the insurance policies required to be maintained under this Section 5.02, it being understood that (A) the Settlement Parties shall look solely to their insurance companies or any other parties other than the aforesaid parties for the recovery of such loss or damage and (B) such insurance companies shall have no rights of subrogation against the Opioid Trust (or any of its successors or assigns, in part or in whole) or its or their respective agents or employees. during such fiscal period and (y) no later than five (5) days after any financial statements are delivered or required to be delivered under clause (a) above, if the accounting firm is not restricted from providing such a certificate by its policies office, a certificate of the accounting firm opining on or certifying such statements stating whether they obtained knowledge during the course of their examination of such statements of any Default or Event of Default (which certificate may be limited to accounting matters and disclaim responsibility for legal interpretations);

(f) promptly, from time to time, such other information regarding the post-Effective Date operations, business affairs and financial condition of the Parent, the Primary Obligors or any of the Subsidiaries, or compliance with the terms of any Settlement Document, as in each case the Opioid Trust may reasonably request; provided that any request for information related to investigating, preserving or pursuing the Assigned Claims (as defined in the Opioid MDT II Cooperation Agreement) or defending against Opioid Claims (as defined in the Plan of Reorganization) (collectively, "Cooperation Agreement Information") shall be made pursuant to the Opioid MDT II Cooperation Agreement.

The Parent and each Primary Obligor hereby acknowledge and agree that all financial statements furnished pursuant to paragraphs (a), (b) and (d) of this Section 5.04 are hereby deemed to be Settlement Parties' Materials suitable for distribution, and to be made available, to any partial assignee of the Opioid Trust, the Beneficiaries of the Opioid Trust and their respective advisors, as contemplated by Section 9.16, and may be treated by the Opioid Trust and such Beneficiaries and advisors as if the same had been marked "PUBLIC" in accordance with such Section (unless a Primary Obligor otherwise notifies the Opioid Trust in writing on or prior to delivery thereof).

Section 5.06 Compliance with Laws. Comply with all laws, rules, regulations and orders of any Governmental Authority applicable to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 5.09 Further Assurances. Execute any and all further documents, financing statements, agreements and instruments, and take all such further actions, that the Opioid Trust may reasonably request (including, without limitation, those required by applicable law), to satisfy the Guarantee Requirement and to cause the Guarantee Requirement to be and remain satisfied, all at the expense of the Settlement Parties. If (i) any additional direct or indirect Subsidiary of the Parent is formed or acquired after the Effective Date (with any Subsidiary Redesignation resulting in an Unrestricted Subsidiary becoming a Subsidiary being deemed to constitute the acquisition of a Subsidiary) and such Subsidiary qualifies as a Subsidiary Settlement Party or (ii) any person qualifies (but did not previously qualify) as a Subsidiary Settlement Party (including, for the avoidance of doubt, pursuant to the definition of "Subsidiary Settlement Party"), in each case, within 10 Business Days after the date such Subsidiary qualifies as a Subsidiary Settlement Party (or such longer period as the Opioid Trust may agree in its sole discretion), the Primary Obligors shall notify the Opioid Trust thereof and, within 15 Business Days (in the case of a Domestic Subsidiary) or 25 Business Days (in the case of a Foreign Subsidiary) after the date such Subsidiary qualifies as a Subsidiary Settlement Party or such longer period as the Opioid Trust may agree in its sole discretion, cause the Guarantee Requirement to be satisfied with respect to such Subsidiary.

At any time on or prior to the date that is ten (10) Business Days prior to such potential repayment date, the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable) may, in its or their respective sole discretion, decline the Primary Obligors' offer to prepay the applicable remaining Opioid Deferred Cash Payments by delivering written notice to the Primary Obligors of such election. In the event that the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable) fails to timely deliver such notice, the Primary Obligors shall so pay the undiscounted amount of the applicable remaining Opioid Deferred Cash Payments, and the undiscounted amount of the applicable remaining Opioid Deferred Cash Payments shall be due and payable, on the earlier of (x) the potential repayment date set forth in the notice delivered to the Opioid Trust pursuant to this Section 5.10 and (y) ninety (90) days after the occurrence of the Change of Control Triggering Event. For purposes of determining compliance with this Section 6.01 or Section 6.02, the amount of any Indebtedness denominated in any currency other than Dollars shall be calculated based on customary currency exchange rates in effect, in the case of such Indebtedness incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) on or prior to the Effective Date, on the Effective Date and, in the case of such Indebtedness incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) after the Effective Date, on the date on which such Indebtedness was incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness); provided, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other

than Dollars (or in a different currency from the Indebtedness being refinanced), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection with such refinancing.

Further, for purposes of determining compliance with this Section 6.01, (A) Indebtedness need not be permitted solely by reference to one category of permitted Indebtedness (or any portion thereof) described in Sections 6.01(a) through (bb) but may be permitted in part under any relevant combination thereof (and subject to compliance, where relevant, with Section 6.02) and (B) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Indebtedness (or any portion thereof) described in Sections 6.01(a) through (bb), a Primary Obligor may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if incurred at such later time), such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 6.01 and following Section 6.02 and will be entitled to only include the amount and type of such item of Indebtedness (or any portion thereof) in one of the above clauses (or any portion thereof) and such item of Indebtedness (or any portion thereof) shall be treated as having been incurred or existing pursuant to only such clause or clauses (or any portion thereof) without giving pro forma effect to such item (or portion thereof) when calculating the amount of Indebtedness that may be incurred pursuant to any other clause; provided, that (w) all Indebtedness outstanding on the Effective Date under the Existing Secured Indentures (other than the New First Lien Notes Indenture) shall at all times be deemed to have been incurred pursuant to clause (bb) of this Section 6.01, (x) all Indebtedness outstanding on the Effective Date in respect of the Takeback Term Loans and the New First Lien Notes shall at all times be deemed to have been incurred pursuant to clause (v) of this Section 6.01, (y) all Indebtedness described in Schedule 6.01 (and any Permitted Refinancing Indebtedness incurred in respect thereof) shall be deemed outstanding under Section 6.01(a) and (z) all Indebtedness owing to the Parent or any of its Subsidiaries must be justified as incurred (and outstanding) pursuant to one or more of Sections 6.01(a), (e), (m) and (w). In addition, with respect to any Indebtedness that was permitted to be incurred hereunder on the date of such incurrence, any Increased Amount of such Indebtedness shall also be permitted hereunder after the date of such incurrence.

This Agreement will not treat (1) unsecured Indebtedness as subordinated or junior in right of payment to secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior in right of payment to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Section 6.02 Liens. (aa) additional Investments, so long as, at the time any such Investment is made and immediately after giving effect thereto, (x) no Default or Event of Default shall have occurred and is continuing and (y) the Total Net Leverage Ratio on a Pro Forma Basis is not greater than 3.25 to 1.00.

For purposes of determining compliance with this Section 6.04, (A) an Investment need not be permitted solely by reference to one category of permitted Investments (or any portion thereof) described in Sections 6.04(a) through (aa) but may be permitted in part under any relevant combination thereof and (B) in the event that an Investment (or any portion thereof) meets the criteria of one or more of the categories of permitted Investments (or any portion thereof) described in Sections 6.04(a) through (aa), a Primary Obligor may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if made at such later time), such Investment (or any portion thereof) in any manner that complies with this Section 6.04 and will be entitled to only include the amount and type of such Investment (or any portion thereof) in one or more (as relevant) of the above clauses (or any portion thereof) and such Investment (or any portion thereof) shall be treated as having been made or existing pursuant to only such clause or clauses (or any portion thereof); provided, that (1) all Investments described in Schedule 6.04 shall be deemed outstanding under Section 6.04(b) or Section 6.04(h), as applicable, (2) notwithstanding anything to the contrary in this Agreement, no Subsidiary shall make any Investment in Unrestricted Subsidiaries (including Investments arising as a result of the designation of a Subsidiary as an Unrestricted Subsidiary) other than (i) Investments in the ordinary course of business upon terms that are substantially no less favorable than would be obtained in a comparable arm's-length transaction with a non-Affiliate and (ii) Investments pursuant to Section 6.04(j), and (3) no Investment in any Unrestricted Subsidiary made pursuant to Section 6.04(j) (other than any Investment described in clause (2)(i) above) may be reclassified; provided, further, that upon re-designation of an Unrestricted Subsidiary as a Subsidiary, any Investment therein may be permitted pursuant to any category of permitted Investments (or any portion thereof) described in Sections 6.04(a) through (aa).

Any Investment in any person other than the Parent, a Primary Obligor or a Subsidiary Settlement Party that is otherwise permitted by this Section 6.04 may be made through intermediate Investments in Subsidiaries that are not Settlement Parties and such intermediate Investments shall be disregarded for purposes of determining the outstanding amount of Investments pursuant to any clause set forth above. The amount of any Investment made other than in the form of cash or cash equivalents shall be the Fair Market Value thereof valued at the time of the making thereof, and without giving effect to any subsequent write-downs or write-offs thereof.

Notwithstanding anything to the contrary set forth in this Section 6.04, no Settlement Party shall make any Investment in any Subsidiary (other than another Settlement Party) or any Unrestricted Subsidiary if the consideration paid by such Settlement Party to such Subsidiary (other than a Settlement Party) or such Unrestricted Subsidiary in respect of such Investment constitutes or includes Material Intellectual Property; provided that nothing in this sentence shall prohibit any non-exclusive (other than exclusive distribution or other similar within a specified jurisdiction) license or sublicense of Material Intellectual Property to, or use of Material Intellectual Property by, any Subsidiary or Unrestricted Subsidiary.

Section 6.05 Mergers, Consolidations, Sales of Assets and Acquisitions. Merge into, amalgamate with or consolidate with any other person, or permit any other person to merge into, amalgamate with or consolidate with it, or Dispose of (in one transaction or in a series of related transactions) all or any part of its assets (whether now owned or hereafter acquired), or Dispose of any Equity Interests of any Subsidiary, or purchase, lease or otherwise acquire (in one transaction or a series of related transactions) all or substantially all of the assets of any other person or division or line of business of a person, except that this Section 6.05 shall not prohibit:

(a) (i) the purchase and Disposition of inventory in the ordinary course of business by the Parent or any Subsidiary, (ii) the acquisition or lease (pursuant to an operating lease) of any other asset in the ordinary course of business by the Parent or any Subsidiary or, with respect to operating leases, otherwise for Fair Market Value on market terms (as determined in good faith by a Financial Officer of a Primary Obligor), (iii) the Disposition of surplus, obsolete, damaged or worn out equipment or other property in the ordinary course of business by the Parent or any Subsidiary or (iv) the Disposition of Permitted Investments in the ordinary course of business;

merge, amalgamate or consolidate with any other person in order to effect an Investment permitted pursuant to Section 6.04 so long as the continuing or surviving person shall be a Subsidiary (unless otherwise permitted by Section 6.04), which shall be a Settlement Party if the merging, amalgamating or consolidating Subsidiary was a Settlement Party (and organized in a Qualified Jurisdiction if the merging, consolidating or amalgamating Settlement Party was organized in a Qualified Jurisdiction) and which together with each of its Subsidiaries shall have complied with any applicable requirements of Section 5.09 or (vi) any Subsidiary may merge, amalgamate or consolidate with any other person in order to effect an Asset Sale otherwise permitted pursuant to this Section 6.05;

(c) Dispositions to the Parent or a Subsidiary Settlement Party; provided, that any Dispositions by a Settlement Party to a Subsidiary that is not a Subsidiary Settlement Party in reliance on this clause (c) shall be made in compliance with Section 6.04;

(d) Sale and Lease-Back Transactions permitted by Section 6.03;

(e) (i) Investments permitted by Section 6.04, (ii) Permitted Liens, and (iii) Restricted Payments permitted by Section 6.06;

(f) the discount or sale, in each case without recourse and in the ordinary course of business, of past due receivables arising in the ordinary course of business, but only in connection with the compromise or collection thereof consistent with customary industry practice (and not as part of any bulk sale or financing of receivables);

(g) other Dispositions of assets to persons other than the Parent and its Subsidiaries; provided, that any such Dispositions shall comply with the final three paragraphs of this Section 6.05;

(h) Permitted Business Acquisitions (including any merger, consolidation or amalgamation in order to effect a Permitted Business Acquisition); provided, that following any such merger, consolidation or amalgamation pursuant to this clause (h) involving a Primary Obligor or a Subsidiary Settlement Party, a Primary Obligor or a Subsidiary Settlement Party (or a person that becomes a Subsidiary Settlement Party) is the surviving entity or the requirements of Section 6.05(n) are otherwise complied with;

(i) leases, licenses or subleases or sublicenses of any real or personal property in the ordinary course of business;

(j) Dispositions of inventory in the ordinary course of business or Dispositions or abandonment of Intellectual Property of the Parent and its Subsidiaries determined in good faith by the management of a Primary Obligor to be no longer economically practicable to maintain or useful or necessary in the operation of the business of the Parent or any of the Subsidiaries;

(k) acquisitions and purchases made with the proceeds of any Asset Sale or Recovery Event pursuant to clause (a) or (b) of the definition of "Net Proceeds";

(l) the purchase and Disposition (including by capital contribution) of Permitted Receivables Facility Assets including pursuant to Qualified Receivables Facilities;

(m) any exchange or swap of assets (other than cash and Permitted Investments) for services and/or other assets (other than cash and Permitted Investments) of comparable or greater value or usefulness to the business of the Parent and the Subsidiaries as a whole, determined in good faith by the management of a Primary Obligor; and

(n) other transactions effected (including mergers, consolidations or acquisitions of "shell" entities) for the sole purpose of reincorporating or reorganizing the Parent or any Subsidiary under the laws of the United States of America or any State thereof or the District of Columbia, Switzerland, the United Kingdom or any jurisdiction that is a member state of the European Union as of the Effective Date; provided that (i) a Primary Obligor shall have provided the Opioid Trust with reasonable advance notice of any transactions as described above in this clause (n), (ii) if the respective entity subject to any action described above in this clause (n) was a Guarantor, the applicable reincorporated or reorganized entity shall be a Guarantor and (iii) the Opioid Trust shall have concluded (acting reasonably) that, after giving effect to any replacement guarantees to be provided pursuant to preceding clause (ii), such transactions are not adverse to the Opioid Trust (or any of its successors and assigns, in part or in whole) in any material respect (it being understood and agreed that such a reincorporation or reorganization into any Qualified Jurisdiction shall be permitted if the requirements of preceding clauses (i) and (ii) are satisfied).

Notwithstanding anything to the contrary contained above, this Section 6.05 shall not restrict, at any time, the sale of Unrestricted Margin Stock so long as any such sale meets the requirements of the last two paragraphs of this Section 6.05.

Notwithstanding anything to the contrary contained in Section 6.05 above, no Disposition of assets under Section 6.05(g) or, solely with respect to Sale and Lease-Back Transactions referred to in clause (b) of the proviso to Section 6.03, under Section 6.05(d), or pursuant to the immediately preceding paragraph, shall, in each case, be permitted unless (i) such Disposition is for Fair Market Value, and (ii) at least 75% of the proceeds of such Disposition (except if such Disposition is to a Settlement Party) consist of cash or Permitted Investments; provided, that the provisions of this clause (ii) shall not apply to any individual transaction or series of related transactions involving assets with a Fair Market Value of less than $10,000,000 or to other transactions involving assets with a Fair Market Value of not more than $35,000,000 in the aggregate for all such transactions during the term of this Agreement; provided, further, that for purposes of this clause (ii), each of the following shall be deemed to be cash: (a) the amount of any liabilities (as shown on the Parent's or such Subsidiary's most recent balance sheet or in the notes thereto) that are assumed by the transferee of any such assets pursuant to a customary novation agreement or are otherwise cancelled in connection with such transaction, (b) any notes or other obligations or other securities or assets received by the Parent or such Subsidiary from the transferee that are converted by the Parent or such Subsidiary into cash within 180 days after receipt thereof (to the extent of the cash received) and (c) any Designated Non-Cash Consideration received by the Parent or any of its Subsidiaries in such Disposition or any series of related Dispositions, having an aggregate Fair Market Value not to exceed the greater of $120,000,000 and a percentage of Consolidated Total Assets equal to the Applicable CTA Percentage when received (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

Promptly following the receipt by the Parent or any Subsidiary of Net Proceeds of any Disposition permitted pursuant to Section 6.05(g) or of Net Proceeds in respect of any Recovery Event (subject, in each case, to the terms set forth in the definition of "Net Proceeds"), the Parent or such Subsidiary shall apply such Net Proceeds, at its option, to repay, prepay, redeem or repurchase (or offer to do any of the foregoing) Indebtedness of the Parent or any of its Subsidiaries (to the extent outstanding); provided that (x) if the terms of all such Indebtedness permit the lenders thereunder to decline such application of proceeds and such lenders do so with respect to any portion of such Net Proceeds, the Parent and the Subsidiaries shall be entitled to retain such portion of the Net Proceeds and (y) the Parent and the Subsidiaries shall not have any obligations hereunder under the circumstances described in Section 2.09(d) of the Takeback Term Loan Credit Agreement (as in effect on the Effective Date). Notwithstanding anything to the contrary contained in this Agreement, promptly following the receipt by the Parent or any Subsidiary of Net Proceeds of any Disposition to persons other than the Parent and the Subsidiaries of, or in respect of any Recovery Event related to, (i) Mallinckrodt Enterprises Holdings, Inc. and its Subsidiaries (including, for the avoidance of doubt, its successors and assigns) or (ii) a material portion of the assets or businesses of such entities (including as a result of a merger, equity sale, or asset sale, but it being understood that the sale of inventory in the ordinary course of business does not constitute the Disposition of a material portion of their assets or businesses), the Parent and the Subsidiaries shall pay 50% of such Net Proceeds to the Opioid Trust (and its successors and assigns, in part or in whole, as applicable) (to the extent such payment may be made in compliance with the terms of any then-outstanding Indebtedness of the Parent and the Subsidiaries and to extent such Net Proceeds are not required to be otherwise applied in accordance with the terms of such Indebtedness), and the amount of such Net Proceeds actually paid to the Opioid Trust (and its successors and assigns, in part or in whole, as applicable) will be deemed to be a ratable repayment of the Opioid Deferred Cash Payments. Notwithstanding anything to the contrary contained in this Section 6.05 and, solely with respect to Sale and Lease-Back Transactions, Section 6.03, no Settlement Party may make any Disposition of Material Intellectual Property to any Subsidiary (other than another Settlement Party) or any Unrestricted Subsidiary; provided that nothing in this sentence shall prohibit any non-exclusive (other than exclusive distribution or other similar within a specified jurisdiction) license or sublicense of Material Intellectual Property to, or use of Material Intellectual Property by, any Subsidiary or Unrestricted Subsidiary.

Section 6.06 Dividends and Distributions. Declare or pay any dividend or make any other distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof, with respect to any of its Equity Interests (including any repayment by a Subsidiary that is not a Settlement Party of any Indebtedness of a direct or indirect parent company that is a Settlement Party) (other than dividends and distributions on Equity Interests payable solely by the issuance of Qualified Equity Interests of the person paying such dividends or distributions) or directly or indirectly redeem, purchase, retire or otherwise acquire for value (or permit any Subsidiary to purchase or acquire) any of the Parent's Equity Interests or set aside any amount for any such purpose (other than through the issuance of additional Qualified Equity Interests of the person redeeming, purchasing, retiring or acquiring such shares) (all of the foregoing, "Restricted Payments"); provided, however, that:

(a) Restricted Payments may be made to the Parent or any Subsidiary (provided that Restricted Payments made by a non-Wholly Owned Subsidiary to the Parent or any Subsidiary that is a direct or indirect parent of such Subsidiary must be made on a pro rata basis (or more favorable basis from the perspective of the Parent or such Subsidiary) based on its ownership interests in such non-Wholly Owned Subsidiary);

(b) Restricted Payments may be made by the Parent to purchase or redeem the Equity Interests of the Parent (including related stock appreciation rights or similar securities) held by then present or former directors, consultants, officers or employees of the Parent or any of the Subsidiaries or by any Plan or any shareholders' agreement then in effect upon such person's death, disability, retirement or termination of employment or under the terms of any such Plan or any other agreement under which such shares of stock or related rights were issued; provided, that the aggregate amount of such purchases or redemptions under this clause (b) shall not exceed in any fiscal year of the Parent $15,000,000 (plus (x) the amount of net proceeds contributed to the Parent that were received by the Parent during such calendar year from sales of Qualified Equity Interests of the Parent to directors, consultants, officers or employees of the Parent or any Subsidiary in connection with permitted employee compensation and incentive arrangements; provided, that such proceeds are not included in any determination of the Available Amount and (y) the amount of net proceeds of any key-man life insurance policies received during such calendar year, which, if not used in any year, may be carried forward to any subsequent calendar year); and provided, further, that cancellation of Indebtedness owing to the Parent or any Subsidiary from members of management of the Parent or its Subsidiaries in connection with a repurchase of Equity Interests of the Parent will not be deemed to constitute a Restricted Payment for purposes of this Section 6.06;

(c) any person may make non-cash repurchases of Equity Interests deemed to occur upon exercise or settlement of stock options or other Equity Interests if such Equity Interests represent a portion of the exercise price of or withholding obligation with respect to such options or other Equity Interests;

(d) so long as, at the time any such Restricted Payment is made and immediately after giving effect thereto, (x) no Default or Event of Default shall have occurred and be continuing, (y) the aggregate amount of unpaid Opioid Deferred Cash Payments does not exceed $600,000,000 and (z) the Total Net Leverage Ratio on a Pro Forma Basis is less than 3.50 to 1.00 and taking into account any outstanding Investments made pursuant to Section 6.04(j)(Y) utilizing the Available Amount, Restricted Payments may be made in an aggregate amount equal to a portion of the Available Amount on the date of such election that the Parent elects to apply to this Section 6.06(d), which such election shall be set forth in a written notice of a Responsible Officer of a Primary Obligor, which notice shall set forth calculations in reasonable detail the amount of Available Amount immediately prior to such election and the amount thereof elected to be so applied;

(e) Restricted Payments may be made in connection with the consummation of the Transactions;

(f) Restricted Payments may be made to make payments, in cash, in lieu of the issuance of fractional shares, upon the exercise of warrants or upon the conversion or exchange of Equity Interests of any such person;

(g) other Restricted Payments may be made so long as (x) at the time any such Restricted Payment is made and immediately after giving effect thereto, no Default or Event of Default shall have occurred and is continuing and (y) the aggregate amount of such Restricted Payments from and after the Effective Date does not exceed $50,000,000;

(h) [reserved;] and

(i) Restricted Payments may be made with any portion of the Cumulative Parent Qualified Equity Proceeds Amount.

Notwithstanding anything herein to the contrary, the foregoing provisions of Section 6.06 will not prohibit the payment of any Restricted Payment or the consummation of any redemption, purchase, defeasance or other payment within 60 days after the date of declaration thereof or the giving of notice, as applicable, if at the date of declaration or the giving of such notice such payment would have complied with the provisions of this Agreement.

Notwithstanding anything to the contrary set forth in this Section 6.06, no Settlement Party shall make any Restricted Payment to any Subsidiary (other than another Settlement Party) or any Unrestricted Subsidiary in the form of Material Intellectual Property; provided that nothing in this sentence shall prohibit any non-exclusive (other than exclusive distribution or other similar within a specified jurisdiction) license or sublicense of Material Intellectual Property to, or use of Material Intellectual Property by, any Subsidiary or Unrestricted Subsidiary.

(b) The foregoing clause (a) shall not prohibit, to the extent otherwise permitted under this Agreement,

(i) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, equity purchase agreements, stock options and stock ownership plans approved by the Board of Directors of the Parent,

(vi) (A) any employment agreements entered into by the Parent or any of the Subsidiaries in the ordinary course of business, (B) any subscription agreement or similar agreement pertaining to the repurchase of Equity Interests pursuant to put/call rights or similar rights with employees, officers or directors, and (C) any employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers employees, and any reasonable employment contract and transactions pursuant thereto,

(xiv) intercompany transactions undertaken in good faith (as certified by a Responsible Officer of the Parent to the Opioid Trust) for the purpose of improving the consolidated tax efficiency of the Parent and the Subsidiaries and not for the purpose of circumventing any covenant set forth herein,

(xv) payments, loans (or cancellation of loans) or advances to employees or consultants that are (i) approved by a majority of the Disinterested Directors of the Parent in good faith, (ii) made in compliance with applicable law and (iii) otherwise permitted under this Agreement; and

Permit any Material Subsidiary to enter into any agreement or instrument that by its terms restricts the payment of dividends or other distributions or the making of cash advances to the Parent or any Material Subsidiary that is a direct or indirect parent of such Subsidiary, in each case, other than those arising under any Settlement Document and except, in each case, restrictions existing by reason of:

(a) restrictions imposed by applicable law;

(b) contractual encumbrances or restrictions in effect on the Effective Date under Indebtedness existing on the Effective Date and set forth on Schedule 6.09, or any agreements related to any Permitted Refinancing Indebtedness in respect of any such Indebtedness that does not materially expand the scope of any such encumbrance or restriction (as determined in good faith by a Primary Obligor);

(c) any restriction on a Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Equity Interests or assets of a Subsidiary pending the closing of such sale or disposition;

(d) customary provisions in joint venture agreements and other similar agreements applicable to joint ventures entered into in the ordinary course of business;

(k) customary restrictions and conditions contained in the document relating to any Lien, so long as (1) such Lien is a Permitted Lien and such restrictions or conditions relate only to the specific asset subject to such Lien, and (2) such restrictions and conditions are not created for the purpose of avoiding the restrictions imposed by this Section 6.09;

(l) customary net worth provisions contained in Real Property leases entered into by Subsidiaries, so long as a Primary Obligor has determined in good faith that such net worth provisions would not reasonably be expected to impair the ability of the Parent and its Subsidiaries to meet their ongoing obligations;

(m) any agreement in effect at the time such subsidiary becomes a Subsidiary, so long as such agreement was not entered into in contemplation of such person becoming a Subsidiary;

(n) restrictions in agreements representing Indebtedness permitted under Section 6.01 of a Subsidiary that is not a Subsidiary Settlement Party (so long as such restrictions only relate to non-Settlement Parties);

Section 6.10 Fiscal Year. In the case of the Parent, permit any change to its fiscal year; provided that the Parent and its Subsidiaries may change their fiscal quarter and/or fiscal year end one or more times, subject to such adjustments to this Agreement as a Primary Obligor and the Opioid Trust shall reasonably agree are necessary or appropriate in connection with such change (and the parties hereto hereby authorize either Primary Obligor and the Opioid Trust to make any such amendments to this Agreement as they jointly deem necessary to give effect to the foregoing).

Section 6.12 Limitation on Transfers to Mallinckrodt Holdings GmbHSection 6.13 . (i) Dispose (including through the making of any Investment) of any material property or assets to Mallinckrodt Holdings GmbH or any of its Subsidiaries, other than pursuant to the intercompany receivable owned by Mallinckrodt Holdings GmbH and existing on March 9, 2021 (the "Swiss Intercompany Receivable"), (ii) permit Mallinckrodt Holdings GmbH and its Subsidiaries, when taken collectively as if constituting a single Subsidiary (but excluding the Swiss Intercompany Receivable), to constitute a Material Subsidiary, (iii) permit Mallinckrodt Holdings GmbH or its Subsidiaries to incur any material Indebtedness owed to unaffiliated third parties, or guarantee any material Indebtedness owed to any unaffiliated third-parties, in each of clauses (i) through (iii), unless Mallinckrodt Holdings GmbH shall become a Settlement Party or (iv) unless the Co-Borrower is a Settlement Party, (A) Dispose (including through the making of any Investment) of any property or assets (other than de minimis property and assets) to the Co-Borrower or (B) permit the Co-Borrower to hold any assets, engage in any trade or business, or conduct any business activities or acquire any Equity Interests of any other person, other than, with respect to this clause (iv)(B), (w) de minims property and assets, (x) the issuance of its Equity Interests to the Parent or any Wholly Owned Subsidiary, (y) the incurrence of Indebtedness as a co-obligor or guarantor that is permitted under this Agreement, and (z) activities incidental to the foregoing.

(c) there is a failure by the Parent or any Subsidiary for 60 days after written notice given by the Opioid Trust to comply with its other obligations, covenants or agreements (other than a default referred to in clauses (a) and (b) above) contained in this Agreement,

(d) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay any Indebtedness (other than Indebtedness owing to the Parent or a Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds $125,000,000 or its foreign currency equivalent,

(e) the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency,

(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(h) the Guarantee by the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) with respect to the Opioid Obligations ceases to be in full force and effect (except as contemplated by the terms thereof) or the Parent or any other Guarantor that qualifies as a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) denies or disaffirms its obligations under this Agreement or any Guarantee with respect to the Opioid Obligations and, in each case, such Default continues for 10 days.

then, and in every such event (other than an event with respect to the Parent or a Primary Obligor described in clause (e) or (f) above), and at any time thereafter during the continuance of such event, the Opioid Trust may, by notice to the Primary Obligors, take any or all of the following actions, at the same or different times: declare the unpaid Opioid Obligations then outstanding to be forthwith due and payable in whole or in part (in which case any Opioid Obligations not so declared to be due and payable may thereafter be declared to be due and payable), whereupon the unpaid Opioid Obligations so declared to be due and payable, together with any unpaid accrued fees and all other liabilities of the Settlement Parties accrued hereunder and under any other Settlement Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Parent and each Settlement Party, anything contained herein or in any other Settlement Document to the contrary notwithstanding; and in any event with respect to the Parent or a Settlement Party described in clause (e) or (f) above, the unpaid Opioid Obligations then outstanding, together with any unpaid accrued fees and all other liabilities of the Settlement Parties accrued hereunder and under any other Settlement Document, shall automatically become due and payable, anything contained herein or in any other Settlement Document to the contrary notwithstanding. For the avoidance of doubt, each reference in this Section 7.01 to the Opioid Trust shall be interpreted in accordance with Section 1.02 as a reference to the Opioid Trust and its successors and assigns in whole, but not in part.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier or other electronic means (including by electronic mail) as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, address, telecopier number or electronic mail address set forth on Schedule 9.01.

(b) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by telecopier and electronic mail shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient).

(c) Any party hereto may change its address (including electronic mail address) or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(d) Documents required to be delivered pursuant to Section 5.04 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (i) on which the Parent posts such documents, or provides a link thereto on the Parent's website on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Parent's or a Primary Obligor's behalf on an Internet or intranet website, if any, to which the Opioid Trust has access (whether a commercial, third-party website or whether sponsored by the Opioid Trust).

Section 9.02 Survival of the Agreement. All covenants, agreements, representations and warranties made by the Settlement Parties herein, in the other Settlement Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Settlement Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Settlement Documents, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, the provisions of Section 2.05, 9.05, 9.19(d), 9.23(d) and 10.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Opioid Obligations, the occurrence of the Termination Date or the termination of this Agreement or any other Settlement Document or any provision hereof or thereof.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by the Parent and the Primary Obligors, the Approval Order shall have been entered by the Bankruptcy Court and the other conditions to effectiveness set forth in Section 3.01 shall have been satisfied or waived.

Section 9.04 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Parent and the Primary Obligors shall not assign or otherwise transfer any of their respective rights or obligations hereunder without the prior written consent of the Opioid Trust (and any attempted assignment or transfer by the Parent or a Primary Obligor shall be null and void). The Opioid Trust (or any of its successors or assigns, in part or in whole) may assign to one or more assignees all or a ratable portion of its rights and obligations under this Agreement, subject to (i) the requirements of the Notice Side Letter, (ii) any such assignee becoming a party to this Agreement and the Subsidiary Guarantee Agreement pursuant to a joinder in form and substance reasonably acceptable to the Primary Obligors and (iii) any limitations set forth in this Agreement on the assignments of rights and obligations by the Opioid Trust (or any of its successors or assigns, in part or in whole), including any specification that certain references herein to the Opioid Trust refer to (x) the Opioid Trust and its successors and assigns in whole, but not in part or (y) to the Opioid Trust, but not any of its successors or assigns, in part or in whole; provided, however, that while the Primary Obligors agree that any such successor or assign shall be entitled to the benefits of Section 2.04 (subject to the

requirements and limitations therein) to the same extent as the Opioid Trust (but not any of its successors or assigns, in part or in whole), no such successor or assign shall be entitled to receive any greater payment under such Section in respect of any payment of Opioid Deferred Cash Payments (or any portion thereof) than the Opioid Trust (but not any of its successors or assigns, in part or in whole) would have been entitled to receive in respect of any such payment. Any attempted assignment or transfer by the Opioid Trust (or any of its successors or assigns, in part or in whole) of any of its rights or obligations in violation of the preceding sentence shall be null and void. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, and, to the extent expressly contemplated hereby, the Related Parties of the Opioid Trust) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Settlement Documents.

Section 9.05 Expense; Indemnity.

(a) The Parent and the Primary Obligors hereby jointly and severally agree to pay (i) all reasonable and documented out-of-pocket expenses (including, subject to Section 9.05(c), Other Taxes) incurred by the Opioid Trust and its Affiliates in connection with the preparation of this Agreement and the other Settlement Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including the reasonable fees, charges and disbursements of counsel for the Opioid Trust and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (ii) all out-of-pocket expenses (including Other Taxes) incurred by the Opioid Trust in connection with the enforcement of its rights in connection with this Agreement and any other Settlement Document, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Opioid Obligations and including the fees, charges and disbursements of a single counsel and, if necessary, a single local counsel in each appropriate jurisdiction and (if appropriate) a single regulatory counsel.

(b) The Parent and the Primary Obligors agree, jointly and severally, to indemnify the Opioid Trust, its trustees, each of their respective Affiliates, successors and assignors, and each of their respective Related Parties (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for the Opioid Trust (and its successors or assigns, in part or in whole) and its and their respective Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction and (if appropriate) a single regulatory counsel for the Opioid Trust (and its successors or assigns, in part or in whole) and its and their respective Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs a Primary Obligor of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Settlement Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations hereunder and thereunder and the transactions expressly set forth

herein and in the Subsidiary Guarantee Agreement, (ii) [reserved], (iii) any violation of or liability under Environmental Laws by the Parent or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Parent or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Parent, a Primary Obligor or any of their subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims damages, liabilities or related expenses (w) arose prior to the Effective Date or relate to any transactions contemplated by the Plan of Reorganization (including investigating, preserving or pursuing the Assigned Claims (as defined in the Opioid MDT II Cooperation Agreement) or defending against Opioid Claims (as defined in the Plan of Reorganization)) other than the transactions expressly set forth herein and in the Subsidiary Guarantee Agreement, (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties, (y) arose from a material breach in bad faith of such Indemnitee's or any of its Related Parties' obligations under any Settlement Document (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or (z) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Parent, a Primary Obligor or any of their subsidiaries or Affiliates and is brought by an Indemnitee against another Indemnitee. None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Parent, any Primary Obligor or any of their respective subsidiaries, Affiliates or stockholders for any special, indirect, consequential or punitive damages, which may be alleged as a result of the transactions set forth herein and in the other Settlement Documents. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Opioid Obligations, the occurrence of the Termination Date, the invalidity or unenforceability of any term or provision of this Agreement or any other Settlement Document, or any investigation made by or on behalf of the Opioid Trust. All amounts due under this Section 9.05 shall be payable within 15 days after written demand therefor delivered to each Primary Obligor in accordance with Section 9.01 and accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.03, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.03.

(d) To the fullest extent permitted by applicable law, neither the Parent nor any Primary Obligor shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Settlement Document or any agreement or instrument contemplated hereby, or the transactions contemplated hereby or thereby. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems (including the internet) in connection with this Agreement or the other Settlement Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the repayment, satisfaction or discharge of the Opioid Obligations, the occurrence of the Termination Date and the termination of this Agreement, any other Settlement Document or any provision hereof or thereof. For the avoidance of doubt, nothing in this Section 9.05 shall modify the fact that the Plan of Reorganization shall constitute a Settlement Document only to the extent provided in the definition of that term.

Section 9.06 Relationship to Plan of Reorganization. As to the matters provided for herein and therein, the provisions of this Agreement and the Subsidiary Guarantee Agreement constitute a more detailed recitation of the rights and obligations of the parties hereto set forth in abbreviated form in the Plan of Reorganization.

Section 9.07 Applicable Law. THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 9.08 Waivers; Amendments.

(a) No failure or delay of the Opioid Trust (or any of its successors or assigns, in part or in whole) in exercising any right or power hereunder or under any Settlement Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Opioid Trust (or any of its successors or assigns, in part or in whole) hereunder and under the other Settlement Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Settlement Document or consent to any departure by a Primary Obligor or any other Settlement Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on a Primary Obligor or any other Settlement Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Settlement Document nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Parent, each Primary Obligor and the Opioid Trust. For the avoidance of doubt, the reference in this Section 9.08(b) to the Opioid Trust shall be interpreted in accordance with Section 1.02 as a reference to the Opioid Trust and its successors and assigns in whole, but not in part.

Section 9.09 [Reserved].

Section 9.10 Entire Agreement. This Agreement and the other Settlement Documents constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Settlement Documents. Nothing in this Agreement or in the other Settlement Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto (and the Indemnitees) rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Settlement Documents.

Section 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER SETTLEMENT DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER SETTLEMENT DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Settlement Document should be held invalid, illegal or unenforceable in any respect in any jurisdiction, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby as to such jurisdiction, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provision with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by facsimile transmission or other electronic transmission (including by delivery of .pdf) shall be as effective as delivery of a manually signed original. The words “execution”, “execute”, “signed”, “signature”, and words of like import in or related to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process.

(a) Each party hereto irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any other party hereto or any Affiliate thereof in any way relating to this Agreement or any other Settlement Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court of the Southern District of New York, sitting in New York County, Borough of Manhattan, and of the Bankruptcy Court, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court or Bankruptcy Court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Settlement Documents in any court referred to in paragraph (a) of this Section 9.15. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement or any other Settlement Document to serve process in any other manner permitted by law.

(d) Each of the Parent and each Primary Obligor hereby irrevocably and unconditionally appoints ST Shared Services LLC, with an office on the Effective Date at 675 McDonnell Blvd., Hazelwood, MO 63042, and its successors hereunder (the "Process Agent"), as its agent to receive on behalf of the Parent and such Primary Obligor and their respective property all writs, claims, process and summonses in any action or proceeding brought against it in the State of New York. Such service may be made by mailing or delivering a copy of such process to the Parent or the respective Primary Obligor (as applicable) in care of the Process Agent at the address specified above for the Process Agent, and each of the Parent and each Primary Obligor irrevocably authorizes and directs the Process Agent to accept such service on its behalf. Failure by the Process Agent to give notice to the Parent or any or all Primary Obligors or failure of the Parent or any or all Primary Obligors to receive notice of such service of process shall not impair or affect the validity of such service on the Process Agent or the Parent or any Primary Obligor, or of any judgment based thereon. The Parent and each Primary

Obligor each covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the delegation of the Process Agent above in full force and effect, and to cause the Process Agent to act as such. Nothing herein shall in any way be deemed to limit the ability to serve any such writs, process or summonses in any other manner permitted by applicable law.

Section 9.16 Confidentiality. The Opioid Trust (and its successors and assigns, in part or in whole) shall maintain in confidence (and shall use solely for the purposes of determining compliance with the terms of the Settlement Documents or evaluating the financial condition of the Parent and its Subsidiaries) any information relating to the Parent, each Primary Obligor and any of their respective Subsidiaries or their respective businesses furnished to it by or on behalf of the Parent, each Primary Obligor or any of their respective Subsidiaries (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by the Opioid Trust (or such successor or assign, in part or in whole) without utilizing any information received from the Parent or any Subsidiary or violating this Section 9.16 or (c) was available to the Opioid Trust (or such successor or assign, in part or in whole) from a third party having, to the Opioid Trust's (or such successor's or assign's, in part or in whole) knowledge, no obligations of confidentiality to the Parent, any Primary Obligor or any other Subsidiary) and shall not reveal the same except: (A) to the extent necessary to comply with applicable laws or any legal process or the requirements of any Governmental Authority purporting to have jurisdiction over such the Opioid Trust (or such successor or assign, in part or in whole) or its Related Parties, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, (C) to its Beneficiaries and Related Parties, including auditors, accountants, legal counsel and other advisors (so long as each such person shall have agreed to keep the same confidential in accordance with this Section 9.16), (D) in connection with the exercise of any remedies under this Agreement or any other Settlement Document or any suit, action or proceeding relating to this Agreement or any other Settlement Document or the enforcement of rights hereunder or thereunder, (E) to any prospective assignee of any of its rights under this Agreement (so long as such person shall have agreed to keep the same confidential in accordance with this Section 9.16), (F) [reserved,] (G) with the prior written consent of the Parent, and (H) to the extent required by a potential or actual insurer or reinsurer in connection with providing insurance, reinsurance or credit risk mitigation coverage under which payments are to be made or may be made by reference to this Agreement (so long as such person shall have agreed to keep the same confidential in accordance with this Section 9.16). For the avoidance of doubt, the confidentiality obligations of the Opioid Trust and its Related Parties and Beneficiaries with respect to any Cooperation Agreement Information shall be governed by the Opioid MDT II Cooperation Agreement and not by this Section 9.16.

Section 9.17 Settlement Parties' Materials. The Parent and each Primary Obligor hereby acknowledges and agrees that (a) the Opioid Trust may make available to its successors and assigns, in part or in whole, as applicable, and its Beneficiaries and/or their respective advisors materials and/or information provided by or on behalf of the Parent and any other Settlement Party hereunder, in each case subject to the requirements of Section 9.16 (collectively, "Settlement Parties' Materials"), (b) the Parent and each Primary Obligor will identify that portion of the Settlement Parties' Materials that includes material non-public information with respect to the Parent, the Primary Obligors or their respective Subsidiaries or

any of their respective securities, and (c) the Parent and each Primary Obligor will clearly and conspicuously mark "PUBLIC" all other Settlement Parties' Materials that do not contain such material non-public information, which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, and by marking Settlement Parties' Materials "PUBLIC," the Parent and each Primary Obligor shall be deemed to have authorized the Opioid Trust, its successors and assigns, in whole or in part, as applicable, the Beneficiaries of the Opioid Trust and their respective advisors to treat such Settlement Parties' Materials as solely containing information that is either (x) publicly available information or (y) not material (although it may be sensitive and proprietary) with respect to the Parent, the Primary Obligors or their respective Subsidiaries or any of their respective securities for purposes of United States Federal securities laws (provided, however, that such Settlement Parties' Materials shall be treated as set forth in Section 9.16, to the extent such Settlement Parties' Materials constitute information subject to the terms thereof).

Section 9.18 [Reserved].

Section 9.19 Release of Obligations.

(a) The Opioid Trust (and its successors and assigns, in part or in whole) hereby irrevocably agree that any Subsidiary Settlement Party shall automatically be released from its obligations hereunder and its Guarantee and cease to be a Subsidiary Settlement Party upon (x) consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Subsidiary or (y) the release or discharge (giving effect to any concurrent release of any Indebtedness) of its primary obligations and guarantees by such Subsidiary Settlement Party in respect of all Reference Indebtedness, in each case following a written request by a Primary Obligor to the Opioid Trust requesting that such person no longer constitutes a Subsidiary Settlement Party and certifying its entitlement to the requested release and, in the case of a release pursuant to clause (y), setting forth the details of its compliance with the following clauses (A) through (E); provided that any such release pursuant to preceding clause (y) shall only be effective if (A) no Event of Default has occurred and is continuing or would result therefrom, (B) at the time of such release (and after giving effect thereto), all outstanding Indebtedness of such Subsidiary would then be permitted to be made in accordance with the relevant provisions of Section 6.01 (for purposes of this clause (B), with the Primary Obligors being required to reclassify any such Indebtedness made in reliance upon such Subsidiary being a Subsidiary Settlement Party on another basis as would be permitted by such Section) (and all items described above in this clause (B) shall thereafter be deemed recharacterized as provided above in this clause (B)), (C) if such Subsidiary is a person described in Section 9.18(b)(i)(y)(1) of the Takeback Term Loan Credit Agreement (as in effect on the Effective Date) or such Subsidiary guaranteed Reference Indebtedness even though it was not required at such time to do so, then at the time of such release (and after giving effect thereto), all Investments previously made in such Subsidiary after the Effective Date would then would then be permitted to be made in accordance with Section 6.04 (for purposes of this clause (C), with the Primary Obligors being required to reclassify any such Investments made in reliance upon such Subsidiary being a Subsidiary Settlement Party on another basis as would be permitted by such Section), and any Dispositions previously made to such Subsidiary after the Effective Date would then be permitted to be made in accordance with the relevant provisions of Section 6.05 as if the same were made to a Subsidiary that was not a Subsidiary Settlement Party

(and all items described above in this clause (C) shall thereafter be deemed recharacterized as provided above in this clause (C)), (D) to the extent that the release from obligations in respect of Reference Indebtedness relies upon such Subsidiary ceasing to be a Wholly Owned Subsidiary, the transaction pursuant to which such Subsidiary ceases to be a Wholly Owned Subsidiary arises from legitimate business transactions with third parties and (E) such Subsidiary shall not be (or shall be concurrently be released as) a primary obligor or a guarantor with respect to any Reference Indebtedness.

(b) In connection with a release under this Section 9.19, the Opioid Trust shall be entitled to receive a certificate from Parent and the Primary Obligors stating that the sale, merger, consolidation or other Disposition of such Subsidiary is permitted in accordance with this Agreement and the other Settlement Documents and the Opioid Trust (and its successors and assigns, in whole or part) may conclusively rely on such certificate.

(c) The Opioid Trust (and its successors and assigns, in part or in whole) shall execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Subsidiary Settlement Party pursuant to the foregoing provisions of this Section 9.19. Upon the effectiveness of any such release, any representation, warranty or covenant contained in any Settlement Document relating to any such Subsidiary Settlement Party shall no longer be deemed to be made. In connection with any release hereunder, the Opioid Trust (and its successors and assigns, in part or in whole) shall promptly take such action and execute any such documents as may be reasonably requested by a Primary Obligor, and at such Primary Obligor's expense, in connection with such release; provided, that (i) the Opioid Trust shall have received a certificate of a Responsible Officer of such Primary Obligor containing such certifications as the Opioid Trust shall reasonably request, (ii) the Opioid Trust (and its successors and assigns, in part or in whole) shall not be required to execute any such document on terms which, in the reasonable opinion of the Opioid Trust (or any of its successors or assigns, in part or in whole), would expose the Opioid Trust (or any of its successors or assigns, in part or in whole) to liability or create any obligation or entail any consequence other than such release without recourse or warranty, and (iii) such release shall not in any manner discharge, affect or impair the Opioid Obligations of the Parent or any other Subsidiary.

(d) Notwithstanding anything to the contrary contained herein or any other Settlement Document, on the Termination Date, upon request of a Primary Obligor, the Opioid Trust (and its successors and assigns, in part or in whole) shall take such actions as shall be required to release all obligations under any Settlement Document, whether or not on the date of such release there may be any contingent obligations or claims not then due; provided, that the Opioid Trust shall have received a certificate of a Responsible Officer of such Primary Obligor containing such certifications as the Opioid Trust shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the relevant obligations shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of a Primary Obligor or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, a Primary Obligor or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Primary Obligors agree, jointly and severally, to pay all reasonable and documented out-of-pocket expenses incurred by the Opioid Trust (and its representatives) in connection with taking such actions to release all obligations under the Settlement Documents as contemplated by this Section 9.19.

Section 9.20 Judgement Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Settlement Document in the currency denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency") into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Opioid Trust could purchase the Agreement Currency with such other currency on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of each Settlement Party in respect of any such sum due from it to the Opioid Trust (or any of its successors or assigns, in part or in whole) hereunder or under the other Settlement Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the Agreement Currency, be discharged only to the extent that on the Business Day following receipt by the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable) of any sum adjudged to be so due in the Judgment Currency, the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable) may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable), in the Agreement Currency, the Settlement Parties agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable), or such other person to whom such obligation was owing, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Opioid Trust (or any of its successors or assigns, in part or in whole, as applicable) in the Agreement Currency, the Opioid Trust (or its applicable successors or assigns, in part or in whole) agrees to return the amount of any excess to the respective Settlement Party.

Section 9.21 USA PATRIOT Act Notice. To the extent the Opioid Trust (or any of its successors or assigns, in part or in whole) is subject to the USA PATRIOT Act, the Opioid Trust (and its successors and assigns, in part or in whole) hereby notifies each Settlement Party that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Settlement Party, which information includes the name and address of such Settlement Party and other information that will allow the Opioid Trust (and its successors and assigns, in part or in whole) to identify each Settlement Party in accordance with the USA PATRIOT Act.

Section 9.22 [Reserved.]

Section 9.23 Joint Obligors.

(a) Notwithstanding anything else in this Agreement or any other Settlement Documents to the contrary, each Primary Obligor, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Primary Obligors, with respect to the payment and performance of all of the

Opioid Obligations, it being the intention of the parties hereto that all of the Opioid Obligations shall be the joint and several obligations of each Primary Obligor without preferences or distinction among them. The Primary Obligors shall be liable for all amounts due to Opioid Trust (or any of its successors or assigns, in part or in whole) under this Agreement. The Opioid Obligations of the Primary Obligors with respect to Opioid Deferred Cash Payments and the Opioid Obligations arising as a result of the joint and several liability of one of the Primary Obligors hereunder with respect to the Opioid Deferred Cash Payments, shall be separate and distinct obligations, but all such other Opioid Obligations shall be primary obligations of each Primary Obligor.

(b) If and to the extent that any Primary Obligor shall fail to make any payment with respect to any of the Opioid Obligations as and when due or to perform any of the Opioid Obligations in accordance with the terms thereof, then in each such event, each other Primary Obligor will make such payment with respect to, or perform, such Opioid Obligation.

(c) The obligations of each Primary Obligor under this Section 9.23 shall not be diminished or rendered unenforceable by any winding up, reorganization, arrangement, liquidation, reconstruction or similar proceeding with respect to any Primary Obligor. The joint and several liability of the Primary Obligors hereunder shall continue in full force and effect notwithstanding any absorption, merger, amalgamation or any other change whatsoever in the name, membership, constitution or place of formation of any Primary Obligor or the Opioid Trust (or any of its successors or assigns, in part or in whole).

(d) The provisions of this Section 9.23 are made for the benefit of the Opioid Trust and its successors and assigns, in part or in whole, and subject to Article VII hereof, may be enforced by them from time to time against any Primary Obligor as often as occasion therefor may arise and without requirement on the part of Opioid Trust (or any of its successors or assigns, in part or in whole) first to marshal any of its claims or to exercise any of its rights against any other Primary Obligor or to exhaust any remedies available to it against any other Primary Obligor or to resort to any other source or means of obtaining payment of any of the Opioid Obligations hereunder or to elect any other remedy. If at any time, any payment, or any part thereof, made in respect of any of the Opioid Obligations is rescinded or must otherwise be restored or returned by the Opioid Trust (or any of its successors or assigns, in part or in whole) or any subsequent transferee upon the insolvency, bankruptcy or reorganization of any Primary Obligor, or otherwise, the provisions of this Section 9.23 will forthwith be reinstated and in effect as though such payment had not been made.

(e) Notwithstanding any provision to the contrary contained herein or in any of the other Settlement Documents, to the extent the obligations of a Primary Obligor shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state, federal or foreign law relating to fraudulent conveyances or transfers) then the obligations of such Primary Obligor hereunder shall be limited to the maximum amount that is permissible under applicable law (whether federal, state, provincial or foreign and including, without limitation, the Bankruptcy Code).

ARTICLE X

PARENT GUARANTY

Section 10.01 Parent Guaranty. The Parent hereby guarantees to the Opioid Trust (and its successors and assigns, in part or in whole) and each holder of the Opioid Obligations as hereinafter provided, as primary obligor and not as surety, the payment of the Opioid Obligations in full in cash when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise) strictly in accordance with the terms thereof. The Parent hereby further agrees that if any of the Opioid Obligations are not paid in full in cash when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise), the Parent will promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Opioid Obligations, the same will be promptly paid in full in cash when due (whether at extended maturity, as a mandatory prepayment, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 10.02 Obligations Unconditional. (a) The obligations of the Parent under Section 10.01 are absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Settlement Documents or other documents relating to the Opioid Obligations, or any substitution, release, impairment or exchange of any other guarantee of any of the Opioid Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor (other than payment in full in cash of the Opioid Obligations, other than contingent obligations not then due), it being the intent of this Section 10.02 that the obligations of the Parent hereunder shall be absolute and unconditional under any and all circumstances. The Parent agrees that it shall have no right of subrogation, indemnity, reimbursement or contribution against a Primary Obligor or any other Guarantor for amounts paid under this Article X until such time as the Opioid Obligations (other than contingent obligations not then due) have been paid in full in cash.

(b) Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of the Parent hereunder, which shall remain absolute and unconditional as described above:

(i) at any time or from time to time, without notice to the Parent, the time for any performance of or compliance with any of the Opioid Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of any of the Settlement Documents or other documents relating to the Opioid Obligations shall be done or omitted;

(iii) the due date of any of the Opioid Obligations shall be accelerated, or any of the Opioid Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Settlement Documents or other documents relating to the Opioid Obligations shall be waived or any other guarantee of any of the Opioid Obligations shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(iv) any of the Opioid Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of the Parent) or shall be subordinated to the claims of any person (including, without limitation, any creditor of the Parent); or

(v) the lack of enforceability or validity of the Opioid Obligations or any part thereof or the genuineness, enforceability or validity of any agreement relating thereto, or any other invalidity or unenforceability relating to or against the Parent, any Primary Obligor or any other Guarantor of any of the Opioid Obligations, for any reason related to this Agreement, any other Settlement Document or any provision of applicable law, decree, order or regulation of any jurisdiction purporting to prohibit the payment by the Parent, any Primary Obligor or any other Guarantor of the Opioid Obligations, of any of the Opioid Obligations or otherwise affecting any term of any of the Opioid Obligations.

(c) With respect to its obligations hereunder, the Parent hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Opioid Trust (or any of its successors or assigns, in part or in whole) exhaust any right, power or remedy or proceed against any person under any of the Settlement Documents or other documents relating to the Opioid Obligations, or against any other person under any other guarantee of any of the Opioid Obligations.

Section 10.03 Reinstatement. The obligations of the Parent under this Article X shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any person in respect of the Opioid Obligations is rescinded or must be otherwise restored by any holder of any of the Opioid Obligations or any subsequent transferee, whether as a result of any proceedings under any Bankruptcy Law or otherwise, and the Parent agrees that it will indemnify the Opioid Trust (and its successors and assigns, in part or in whole) on demand for all reasonable costs and expenses (including, without limitation, the fees, charges and disbursements of counsel) incurred by the Opioid Trust (or its successors and assigns, in part or in whole) in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any proceedings under any Bankruptcy Law or otherwise.

Section 10.04 Certain Additional Waivers. The Parent further agrees that it shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 10.02 and through the exercise of rights of contribution pursuant to Section 10.06.

Section 10.05 Remedies. The Parent agrees that, to the fullest extent permitted by law, as between the Parent, on the one hand, and the Opioid Trust (and its successors and assigns, in part or in whole), on the other hand, the Opioid Obligations may be declared to be forthwith due and payable as provided in Article VII (and shall be deemed to have become

automatically due and payable in the circumstances provided in said Article VII) for purposes of Section 10.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Opioid Obligations from becoming automatically due and payable) as against any other person and that, in the event of such declaration (or the Opioid Obligations being deemed to have become automatically due and payable), the Opioid Obligations (whether or not due and payable by any other person) shall forthwith become due and payable by the Parent for purposes of Section 10.01.

Section 10.06 Rights of Contribution. The Parent agrees that, in connection with payments made hereunder, the Parent and each other Guarantor shall have contribution rights against the other Guarantors as permitted under applicable law. Such contribution rights shall be subordinate and subject in right of payment to the obligations of such Guarantors under the Settlement Documents and no Guarantor shall exercise such rights of contribution until all Opioid Obligations (other than contingent obligations not then due) have been paid in full in cash.

Section 10.07 Guarantee of Payment; Continuing Guarantee. The guarantee given by the Parent in this Article X is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to all Obligations whenever arising.

Section 10.08 New Parent. If, at any time, (a) the Parent becomes a Wholly Owned Subsidiary of an entity (x) that is an entity organized in a Qualified Jurisdiction and (y) at least a majority of the Equity Interests of which are owned by persons who were, immediately prior to its acquisition of the Parent, shareholders of the Parent, and (b) no Default or Event of Default has occurred and is continuing (or would exist upon such New Parent becoming the Parent), then a Primary Obligor may, by notice to the Opioid Trust, designate such person (the "New Parent") as the Parent. Following any such designation, and effective upon (i) the execution by such person of a joinder to this Agreement in form and substance reasonably satisfactory to the Opioid Trust by which it agrees to be bound by the terms hereof and assume all obligations of the Parent hereunder and (ii) the prior Parent becoming party to the Subsidiary Guarantee Agreement, such person shall become the Parent and shall assume all rights and obligations of the Parent hereunder; provided that (x) nothing in this Section 10.08 shall discharge or release the previous Parent from its obligations hereunder until such time as the previous Parent shall become a party to the Subsidiary Guarantee Agreement as a Subsidiary Settlement Party and (y) from and after the date upon which the New Parent satisfies the above requirements and becomes the "Parent", the previous Parent shall be deemed to be a Subsidiary Settlement Party for purposes hereof. Any New Parent and any previous Parent shall take all actions reasonably requested by the Opioid Trust to effectuate the foregoing.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first written above.

If the Company files a Form S-1 Shelf, then as soon as reasonably practicable after the Company becomes eligible to use Form S-3, the Company shall convert the Form S-1 Shelf to a Form S-3 Shelf (or other appropriate short form registration statement then permitted by the Commission's rules and regulations) covering the resale of all applicable Registrable Securities beneficially owned by the Holders (which shall be an Automatic Shelf Registration Statement if the Company is a WKSI). Subject to the terms of this Agreement, including any applicable Grace Period, the Company shall use commercially reasonable efforts to cause the Shelf Registration Statement to be declared effective under the Securities Act as promptly as reasonably practicable following the filing of the Shelf Registration Statement. The Company shall use commercially reasonable efforts to keep such Shelf Registration Statement continuously effective under the Securities Act until the date that all Registrable Securities covered by such Registration Statement are no longer Registrable Securities, including, to the extent a Form S-1 Shelf is converted to a Form S-3 Shelf and the Company thereafter becomes ineligible to use Form S-3, by using commercially reasonable efforts to file a Form S-1 Shelf or other appropriate form specified by the Commission's rules and regulations as promptly as reasonably practicable after the date of such ineligibility and using its commercially reasonable efforts to have such Shelf Registration Statement declared effective as promptly as reasonably practicable after the filing thereof (the period during which the Company is required to keep the Shelf Registration Statement continuously effective under the Securities Act in accordance with this clause (a), the "*Shelf Period*"). For so long as any Registrable Securities covered by any Form S-1 Shelf remain unsold, the Company will file any supplements to the Prospectus or post-effective amendments required to be filed by applicable law in order to incorporate into such Prospectus any Current Reports on Form 8-K necessary or required to be filed by applicable law, any Quarterly Reports on Form 10-Q or any Annual Reports on Form 10-K filed by the Company with the Commission, or any other information necessary to the extent required so that (x) such Form S-1 Shelf shall not include any untrue statement of material fact or omit to state any material fact necessary in order to make the statements therein not misleading, and (y) the Company complies with its obligations under Item 512(a)(1) of Regulation S-K promulgated under the Exchange Act. The Company shall as promptly as reasonably practicable notify the Holders named in the Shelf Registration Statement via e-mail to the addresses set forth on Schedule I hereof of the effectiveness of a Shelf Registration Statement (it being understood that no notice other than to such e-mail addresses is required to be given). The Company shall file a final Prospectus in respect of such Shelf Registration Statement with the Commission to the extent required by Rule 424. The "Plan of Distribution" section of such Shelf Registration Statement shall include a plan of distribution section in customary form, as reasonably agreed by the Holders and the Company.

(b) *Holder Information*. Notwithstanding any other provision hereof, no Holder of Registrable Securities shall be entitled to include any of its Registrable Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder agrees in writing to be bound by all of the provisions of this Agreement applicable to

such Holder, and the Holder furnishes to the Company a fully completed notice and questionnaire in customary form (the "*Selling Stockholder Questionnaire*") and such other information in writing as the Company may reasonably request in writing for use in connection with the Shelf Registration Statement or Prospectus included therein and in any application to be filed with or under state securities laws. In order to be named as a selling shareholder in the Shelf Registration Statement at the time it is first made available for use, a Holder must furnish the completed Selling Stockholder Questionnaire and such other information that the Company may reasonably request in writing, if any, to the Company in writing no later than the fifth (5th) Business Day prior to the anticipated filing date of the Shelf Registration Statement (the "*Targeted Filing Date*"); provided that any Holder providing a completed Selling Stockholder Questionnaire within that time period may provide updated information regarding such Holder's beneficial ownership and the number of shares requested to be included up to the second (2nd) Business Day prior to the Targeted Filing Date. Each Holder of Registrable Securities included in a Shelf Registration Statement agrees to furnish to the Company all information with respect to such Holder necessary to make the information previously furnished to the Company by such Holder not materially misleading.

(c) *Supplements*. From and after the Effective Date of the Shelf Registration Statement, upon receipt of a completed Selling Stockholder Questionnaire and such other information that the Company may reasonably request in writing, if any, the Company will use its commercially reasonable efforts to file as promptly as reasonably practicable, but in any event on or prior to the tenth (10th) Business Day after receipt of such information (or, if a Grace Period is then in effect or initiated within five (5) Business Days following the date of receipt of such information, the tenth (10th) Business Day following the end of such Grace Period) either (i) if then permitted by the Securities Act or the rules and regulations thereunder (or then-current Commission interpretations thereof), a supplement to the Prospectus contained in the Shelf Registration Statement naming such Holder as a selling shareholder and containing such other information as necessary to permit such Holder to deliver the Prospectus to purchasers of the Holder's Registrable Securities, or (ii) if it is not then permitted under the Securities Act or the rules and regulations thereunder (or then-current Commission interpretations thereof) to name such Holder as a selling shareholder in a supplement to the Prospectus, a post-effective amendment to the Shelf Registration Statement or an additional Shelf Registration Statement as necessary for such Holder to be named as a selling shareholder in the Prospectus contained therein to permit such Holder to deliver the Prospectus to purchasers of the Holder's Registrable Securities (subject, in the case of either clause (i) or clause (ii), to the Company's right to delay filing or suspend the use of the Shelf Registration Statement as described in Section 6 hereof).

(d) *Underwritten Shelf Takedown*. At any time during the Shelf Period (subject to any Grace Period), the Holders of a Majority of Registrable Securities (each such Holder, a "*Shelf Public Offering Requesting Holder*") may request to sell all or any portion of their Registrable Securities in an underwritten public offering that is registered pursuant to the Shelf Registration Statement (each, an "*Underwritten Shelf Takedown*"); provided, that the Company shall not be obligated to effect (x) more than two (2) Underwritten Shelf Takedowns in any twelve-month period; or (y) any Underwritten Shelf Takedown unless either (i) the number of Registrable Securities requested to be offered and sold in such Underwritten Offering exceeds at least ten percent (10%) of the number of Registrable Securities outstanding on the date hereof or (ii) the aggregate proceeds expected to be received from the sale of the Registrable Securities requested to be sold in such Underwritten Shelf Takedown, in the good faith judgment of the managing underwriter(s) therefor, exceed $50.0 million as of the date the Company receives a Shelf Takedown Request.

(e) *Notice of Underwritten Shelf Takedown*. All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company (the "*Shelf Takedown Request*"). Each Shelf Takedown Request shall specify the approximate number of Registrable Securities to be sold in the Underwritten Shelf Takedown and the expected price range (net of underwriting discounts and commissions) of such Underwritten Shelf Takedown. Subject to Section 6 below, after receipt of any Shelf Takedown Request, the Company shall give written notice (the "*Shelf Takedown Notice*") of such requested Underwritten Shelf Takedown (which notice shall state the material terms of such proposed Underwritten Shelf Takedown, to the extent known) to all other Holders of Registrable Securities that have Registrable Securities registered for sale under a Shelf Registration Statement ("*Shelf Registrable Securities*"). Such notice shall be given not more than ten (10) Business Days and not less than five (5) Business Days, in each case prior to the expected date of commencement of marketing efforts for such Underwritten Shelf Takedown. The Company shall include in such Underwritten Shelf Takedown all Shelf Registrable Securities with respect to which the Company has received written requests for inclusion therein within (x) in the case of a "bought deal" or "overnight transaction", two (2) Business Days; (y) in the case any other Underwritten Shelf Takedown, five (5) Business Days, in each case after the giving of the Shelf Takedown Notice. For the avoidance of doubt, the Company shall not be required to provide a Shelf Takedown Notice with respect to a public offering utilizing a Shelf Registration Statement other than an Underwritten Shelf Takedown, and Holders shall not have rights to participate therein under this Section 2(e).

(f) *Priority of Registrable Shares*. If the managing underwriters for such Underwritten Shelf Takedown advise the Company and the Holders of Shelf Registrable Securities proposed to be included in such Underwritten Shelf Takedown that in their reasonable view the number of Shelf Registrable Securities proposed to be included in such Underwritten Shelf Takedown exceeds the number of Shelf Registrable Securities which can be sold in an orderly manner in such offering within a price range acceptable to the Holders of a Majority of Registrable Securities requested to be included in the Underwritten Shelf Takedown (the "*Maximum Offering Size*"), then the Company shall promptly give written notice to all Holders of Shelf Registrable Securities proposed to be included in such Underwritten Shelf Takedown of such Maximum Offering Size, and shall include in such Underwritten Shelf Takedown the number of Shelf Registrable Securities which can be so sold in the following order of priority, up to the Maximum Offering Size: (A) first, the Shelf Registrable Securities requested to be included in such Underwritten Shelf Takedown by the Holders of such Shelf Registrable Securities, allocated, if necessary for the offering not to exceed the Maximum Offering Size, pro rata among such Holders on the basis of the number of Shelf Registrable Securities requested to be included therein by each such Holder, (B) second, any securities proposed to be offered by the Company, and (C) other securities requested to be included in such Underwritten Shelf Takedown to the extent permitted hereunder, allocated, if necessary for the offering not to exceed the Maximum Offering Size, pro rata among the respective holders of such other securities on the basis of the number of securities requested to be included therein by each such holder.

(g) *Restrictions on Timing of Underwritten Shelf Takedowns*. The Company shall not be obligated to effect an Underwritten Shelf Takedown (A) within sixty (60) days (or such longer period specified in any applicable lock-up agreement entered into with underwriters) after the consummation of a previous Underwritten Shelf Takedown or Demand Registration or consummation of a Company-initiated public offering or (B) within sixty (60) days prior to the Company's good faith estimate of the date of filing of a Company-initiated registration statement.

(h) *Selection of Bankers and Counsel*. The Holders of a Majority of Registrable Securities requested to be included in an Underwritten Shelf Takedown shall have the right to: (A) select the investment banker(s) and manager(s) to administer the offering (which shall consist of one (1) or more reputable nationally recognized investment banks, subject to the Company's approval (which shall not be unreasonably withheld, conditioned or delayed)) and one (1) firm of legal counsel to represent all of the Holders (along with one local counsel, to the extent reasonably necessary, for any applicable jurisdiction), in connection with such Underwritten Shelf Takedown, and (B) determine the price, underwriting discount and other financial terms of the related underwriting agreement for the Registrable Securities included in such Underwritten Shelf Takedown; provided that the Company shall select such investment banker(s), manager(s) and counsel (including local counsel) if the Holders of such Majority of Registrable Securities cannot so agree on the same within a reasonable time period.

(i) *Withdrawal from Registration*. Any Holder whose Registrable Securities were to be included in any such registration pursuant to Section 2(d) may elect to withdraw any or all of its Registrable Securities therefrom, without liability to any of the other Holders and without prejudice to the rights of any such Holder or Holders to include Registrable Securities in any future registration (or registrations), by written notice to the Company delivered prior to the effective date (*i.e.,* the date of execution of the corresponding underwriting agreement) of the relevant Underwritten Shelf Takedown. If, pursuant to the preceding sentence, the entire Underwritten Shelf Takedown is cancelled, then, either (i) the requesting Holders shall reimburse the Company for all of its reasonable and documented out-of-pocket expenses incurred prior to the cancellation of the Underwritten Shelf Takedown request (and the Company shall not be required to reimburse the Holders for expenses of their counsel pursuant to Section 9 hereof), which out-of-pocket expenses, for the avoidance of doubt, shall not include overhead expenses, and the requested takedown shall not count as one of the permitted Underwritten Shelf Takedowns hereunder or (ii) within 10 Business Days from the date of revocation, Holders of a Majority of Registrable Securities may consent, by written notice to the Company, to the cancelled Underwritten Shelf Takedown being deemed to have been effected for purposes of Section 2(d); *provided, however,* that the Company shall not have the right to be reimbursed as provided in clause (i) above (and the Company shall reimburse the Holders for expenses of their counsel pursuant to Section 9 hereof), and the cancelled Underwritten Shelf Takedown may not be deemed to have been effected pursuant to clause (ii) above if the reason for the requesting Holders' cancellation of the Underwritten Shelf Takedown request was either (a) the Company's failure to comply in any material respect with its obligations hereunder, or (b) the commencement of a Grace Period.

(j) *WKSI Filing*. Upon the Company first becoming a WKSI, the Company may, and, if requested by the Holders of a Majority of Registrable Securities with securities registered on an existing Shelf Registration Statement, the Company will convert such existing Shelf Registration Statement to an Automatic Shelf Registration Statement.

3. [Reserved].

4. Demand Registration

(a) If (i) a Shelf Registration Statement has not been timely filed as provided in Section 2(a) or (ii) following the effectiveness of the Shelf Registration Statement contemplated by Section 2(a), the Company thereafter ceases to have an effective Shelf Registration Statement during the Shelf Period (other than during any Grace Period), subject to the terms and conditions of this Agreement, the Holders of a Majority of Registrable Securities may request in writing ("*Demand Registration Request*") that the Company facilitate an Underwritten Offering in the manner and subject to the conditions described in this Section 4 and Section 5 hereof. If a Shelf Registration Statement has previously been filed pursuant to Section 2 hereof, then the Company shall facilitate such Underwritten Offering as a "shelf takedown" pursuant to such Shelf Registration Statement. If no Shelf Registration Statement has previously been filed pursuant to Section 2 hereof, then the Company will file a Registration Statement covering the Holder's Registrable Securities requested to be registered, and shall use its commercially reasonable efforts to cause such Registration Statement to be declared effective, as promptly as practicable after receipt of such request (but in any event no later than the deadlines provided for a Shelf Registration Statement pursuant to Section 2 hereof); *provided*, *however*, that the Company will not be required to file a Registration Statement pursuant to this Section 4(a) or effect an Underwritten Offering:

(A) unless either (i) the number of Registrable Securities requested to be offered and sold in such Underwritten Offering equals at least ten percent (10%) of the outstanding Registrable Securities or (ii) the Registrable Securities requested to be sold by the Holders pursuant to such Registration Statement have an anticipated aggregate gross offering price (before deducting underwriting discounts and commission) of at least $50.0 million;

(B) if an Underwritten Offering pursuant to this Section 4 shall previously have been consummated within the one-hundred twenty (120) days preceding the date such Demand Registration Request is made; or

(C) if the number of Demand Registration Requests previously made pursuant to this Section 4(a) shall equal or exceed two (2) in any 12-month period; provided, however, that a Demand Registration Request shall not be considered made for purposes of this clause (C) unless the requested Registration Statement has been declared effective by the Commission for more than seventy-five percent (75.0%) of the full amount of Registrable Securities for which registration has been requested.

(b) A Demand Registration Request shall specify (i) the then-current name and address of the requesting Holders, (ii) the aggregate number of Registrable Securities requested to be registered and sold in an Underwritten Offering, (iii) the total number of Registrable Securities then beneficially owned by the requesting Holders, and (iv) the intended means of distribution for such Underwritten Offering (including whether such Underwritten Offering will be accomplished as an underwritten "block trade").

(c) The Company may satisfy its obligations under Section 4(a) hereof by amending (to the extent permitted by applicable law) any registration statement previously filed by the Company under the Securities Act, so that such amended registration statement will permit the disposition of all of the Registrable Securities for which a Demand Registration Request has been properly made under Section 4(b) hereof in an Underwritten Offering. If the Company so amends a previously filed registration statement, the Effective Date of the amended registration statement, as amended pursuant to this Section 4(c) shall be the "the first day of effectiveness" of such Registration Statement for purposes of determining the period during which the Registration Statement is required to be maintained effective in accordance with Section 4(d) hereof.

(d) The Company will use its commercially reasonable efforts to keep a Registration Statement that has become effective as contemplated by this Section 4 continuously effective, and not subject to any stop order, injunction or other similar order or requirement of the Commission:

(A) in the case of a Registration Statement other than a Shelf Registration Statement, until all Registrable Securities registered thereunder have been sold pursuant to such Registration Statement, but in no event later than 270 days from the Effective Date of such Registration Statement; and

(B) in the case of a Shelf Registration Statement, until all Registrable Securities covered by such Shelf Registration Statement shall cease to be Registrable Securities.

(f) The requesting Holders may, in connection with making a Demand Registration Request, at any time prior to the Effective Date of the Registration Statement relating to such registration, revoke their request for the Company to effect an Underwritten Offering of all or part of the requesting Holders' Registrable Securities by providing a written notice to the Company. If, pursuant to the preceding sentence, the entire Demand Registration Request is revoked, then, either (i) the requesting Holders shall reimburse the Company for all of its reasonable and documented out-of-pocket expenses incurred in the preparation, filing and processing of the Registration Statement (and the Company shall not be required to reimburse the Holders for expenses of their counsel pursuant to Section 9 hereof), which out-of-pocket expenses, for the avoidance of doubt, shall not include overhead expenses, and the requested registration shall not count as one of the permitted Demand Registration Requests hereunder or (ii) within 10 Business Days from the date of revocation, the Holders of a Majority of Registrable Securities may consent, by written notice to the Company, to the requested Underwritten Offering that has been revoked being deemed to have been effected for purposes of Section 4(a); *provided, however,* that the Company shall not have the right to be reimbursed as provided in clause (i) above (and shall be required to reimburse the Holders for expenses of their counsel pursuant to Section 9 hereof), and the cancelled Underwritten Offering may not be deemed to have been effected pursuant to clause (ii) above if the reason for the requesting Holders' revocation of the Demand Registration Request was either (a) the Company's failure to comply in any material respect with its obligations hereunder, or (b) the commencement of a Grace Period.

5. Procedures for Underwritten Offerings. The following procedures shall govern Underwritten Offerings pursuant to Section 4.

(a) The requesting Holders shall select one or more investment banking firm(s) of national standing to be the managing underwriter or underwriters for any Underwritten Offering pursuant to a Demand Registration Request with the consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) As a condition for inclusion of the requesting Holders' Registrable Securities in any Underwritten Offering, the requesting Holders shall agree to enter into an underwriting agreement with the underwriters; *provided, however* that the underwriting agreement is in customary form and reasonably acceptable to the requesting Holders and *provided*, *further, however* that the requesting Holders shall not be required to make any representations or warranties to the Company or the underwriters (other than representations and warranties regarding (i) the requesting Holders' ownership of its Registrable Securities to be sold or transferred, (ii) the requesting Holders' power and authority to effect such transfer and (iii) such matters pertaining to compliance with securities laws as may be reasonably requested).

(c) If the managing underwriter or underwriters for an Underwritten Offering pursuant to a Demand Registration Request advises the requesting Holders that the total number of Registrable Securities permitted to be registered is such as to materially adversely affect the success of such Underwritten Offering, the number of Registrable Securities or other Ordinary Shares to be registered on such Registration Statement will be reduced as follows: *first*, the Company shall reduce or eliminate the securities of the Company to be included by any Person other than a Holder or the Company; *second*, the Company shall reduce or eliminate any securities of the Company to be included by the Company; and *third*, the Company shall reduce the number of Registrable Securities to be included by the Holder.

6. Grace Periods.

(a) Notwithstanding anything to the contrary herein:

(A) the Company shall be entitled to postpone the filing or effectiveness of, or, at any time after a Registration Statement has been declared effective by the Commission suspend the use of, a Registration Statement (including the Prospectus included therein) or postpone any Underwritten Offering pursuant to a Demand Registration Request or Underwritten Shelf Takedown pursuant to a Shelf Takedown Request, in

each case if in the good faith judgment of the Board, such registration, offering or use would reasonably be expected to materially affect in an adverse manner or materially interfere with any bona fide material financing of the Company or any material transaction under consideration by the Company or would require the disclosure of information that has not been, and is not otherwise required to be, disclosed to the public and the premature disclosure of which would reasonably be expected, in the good faith judgment of the Board, to materially affect the Company in an adverse manner; *provided however*, that the requesting Holders of such Underwritten Offering or Underwritten Shelf Takedown shall be entitled to withdraw the applicable request and, if such request is withdrawn, it shall not count against the limits imposed pursuant to Sections 4(a)(C) or 2(d), as applicable, and the Company shall pay all registration expenses in connection with such registration; and

(B) at any time after a Registration Statement has been declared effective by the Commission and there is no duty to disclose under applicable law, the Company may delay the disclosure of material non-public information concerning the Company if the disclosure of such information at the time would, in the good faith judgment of the Board, reasonably be expected to materially affect the Company in an adverse manner,

(the period of a postponement or suspension as described in clause (A) and/or a delay described in this clause (B), a "*Grace Period*").

(b) The Company shall promptly (i) notify the Holders in writing of the existence of the event or material non-public information giving rise to a Grace Period (provided that the Company shall not disclose the content of such material non-public information to the Holder, without the express consent of the Holder) or the need to file a post-effective amendment, as applicable, and the date on which such Grace Period will begin, (ii) use commercially reasonable efforts to terminate a Grace Period as promptly as practicable and (iii) notify the Holders in writing of the date on which the Grace Period ends.

(c) A Grace Period may not be called by the Company more than three (3) times in any three hundred sixty-five (365) day period, the duration of any one Grace Period shall not exceed forty-five (45) days, and the aggregate of all Grace Periods in total during any three hundred sixty-five (365) day period shall not exceed ninety (90) days. For purposes of determining the length of a Grace Period, the Grace Period shall be deemed to begin on and include the date the Holder receives the notice referred to in clause (i) of Section 6(b) and shall end on and include the later of the date the Holder receives the notice referred to in clause (iii) of Section 6(b) and the date referred to in such notice. In the event the Company declares a Grace Period, the period during which the Company is required to maintain the effectiveness of a Registration Statement filed pursuant to a Demand Registration Request shall be extended by the number of days during which such Grace Period is in effect.

7. Piggyback Registration

(a) If at any time, and from time to time, the Company proposes to:

(A) file a registration statement under the Securities Act with respect to an underwritten offering of Ordinary Shares or any other securities of the Company for which the Warrants have become exercisable (other than with respect to a registration statement (i) on Form S-8, (ii) on Form S-4 or (iii) another form not available for registering the Registrable Securities for sale to the public), whether or not for its own account; or

(B) conduct an underwritten offering constituting a "takedown" of Ordinary Shares or any other securities for which the Warrants have become exercisable registered under a shelf registration statement previously filed by the Company;

the Company shall give written notice (the "*Piggyback Notice*") of such proposed filing or underwritten offering to each Holder at least twenty (20) Business Days before the anticipated filing date. Such notice shall include the number and class of securities proposed to be registered or offered, the proposed date of filing of such registration statement or the conduct of such underwritten offering and any proposed means of distribution of such securities, and shall offer the Holder the opportunity to register such amount of Registrable Securities as the Holder may request on the same terms and conditions as the registration of the Company's and/or the holders of other of the Company's securities, as the case may be (a "*Piggyback Offering*"), in each case to the extent such Registrable

Securities are the same class of security having the same terms as the securities originally proposed by the Company to be offered in such underwritten offering. Subject to Section 7(b), the Company will include in each Piggyback Offering all such Registrable Securities for which the Company has received written request for inclusion within ten (10) Business Days after the date the Piggyback Notice is given; *provided*, *however*, that in the case of the filing of a registration statement, such Registrable Securities are not otherwise registered pursuant to an existing and effective Shelf Registration Statement under this Agreement pursuant to which such Registrable Securities may be included in such Piggyback Offering.

(b) The Company will cause the managing underwriter or underwriters of the proposed offering to permit the requesting Holders to include all such Registrable Securities in the Piggyback Offering on the same terms and conditions as the securities originally proposed by the Company to be offered in such underwritten offering. Notwithstanding the foregoing, if the managing underwriter or underwriters of such underwritten offering advises the Company and the requesting Holders in writing that, in its view, the total amount of securities that the Company, the requesting Holders and any other holders of the Company's securities entitled to participate in such offering pursuant to registration rights or similar rights granted by the Company to such holders ("*Other Holders*") propose to include in such offering is such as to adversely affect the success of such underwritten offering, then:

(A) if such Piggyback Offering is an underwritten primary offering by the Company for its own account, the Company will include in such Piggyback Offering: (i) *first*, all securities to be offered by the Company; and (ii) *second*, up to the full amount of securities requested to be included in such Piggyback Offering by the requesting Holders and the Other Holders entitled to participate in such offering, allocated pro rata among such holders on the basis of the amount of securities requested to be included therein by each such holder;

(B) if such Piggyback Offering is an underwritten secondary offering for the account of Other Holders exercising "demand" rights pursuant to another registration rights agreement with the Company, the Company will include in such registration: (i) *first*, all securities that the Other Holders exercising "demand" rights requested to be included therein; (ii) *second*, up to the full amount of securities requested to be included in such Piggyback Offering by the requesting Holders; and (iii) *third*, up to the full amount of securities proposed to be included in the registration by the Company;

such that, in each case, the total amount of securities to be included in such Piggyback Offering is the full amount that, in the view of such managing underwriter, can be sold without adversely affecting the success of such Piggyback Offering.

(c) If at any time after giving the Piggyback Notice and prior to the time sales of securities are confirmed pursuant to the Piggyback Offering, the Company determines for any reason not to register or delay the registration of the Piggyback Offering, the Company may, at its election, give notice of its determination to the requesting Holders, and in the case of such a determination, will be relieved of its obligation to register any Registrable Securities in connection with the abandoned or delayed Piggyback Offering, without prejudice.

(d) Any Holder may withdraw its request for inclusion in a Piggyback Offering by giving written notice to the Company, at least three (3) Business Days prior to the anticipated Effective Date of the Registration Statement filed in connection with such Piggyback Offering, or, in the case of a Piggyback Offering constituting a "takedown" off of a shelf registration statement, at least three (3) Business Days prior to the anticipated date of the filing by the Company under Rule 424 of a supplemental prospectus (which shall be the preliminary supplemental prospectus, if one is used in the "takedown") with respect to such offering, of its intention to withdraw from that registration; *provided*, *however*, that (i) the Holder's request be made in writing and (ii) the withdrawal will be irrevocable and, after making the withdrawal, such Holder will no longer have any right to include its Registrable Securities in that Piggyback Offering.

8. Registration Procedures. If and when the Company is required to effect any registration under the Securities Act as provided in Sections 2, 4 or 7 of this Agreement, the Company shall use its commercially reasonable efforts to:

(a) prepare and file with the Commission the requisite Registration Statement to effect such registration and thereafter use its commercially reasonable efforts to cause such Registration Statement to become and remain effective, subject to the limitations contained herein;

(b) prepare and file with the Commission such amendments and supplements to such Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such Registration Statement effective and to comply with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by such Registration Statement until such time as all of such Registrable Securities have been disposed of in accordance with the method of disposition set forth in such Registration Statement, subject to the limitations contained herein;

(c) (i) before filing a Registration Statement or Prospectus or any amendments or supplements thereto, at the Company's expense, furnish to the Holders copies of all such documents, other than documents that are incorporated by reference into such Registration Statement or Prospectus, proposed to be filed and such other documents reasonably requested by the Holders (which may be furnished by email), and afford Counsel to the Holders a reasonable opportunity to review and comment on such documents; and (ii) in connection with the preparation and filing of each such Registration Statement pursuant to this Agreement, (A) upon reasonable advance notice to the Company, give each of the foregoing such reasonable access to all financial and other records, corporate documents and properties of the Company as shall be necessary, in the reasonable opinion of Counsel to the Holders and such underwriters, to conduct a reasonable due diligence investigation for purposes of the Securities Act and Exchange Act, and (B) upon reasonable advance notice to the Company and during normal business hours, provide such reasonable opportunities to discuss the business of the Company with its officers, directors, employees and the independent public accountants who have certified its financial statements as shall be necessary, in the reasonable opinion of Counsel to the Holders and such underwriters, to conduct a reasonable due diligence investigation for purposes of the Securities Act and the Exchange Act;

(d) notify the Holders, promptly after the Company receives notice thereof, of the time when such Registration Statement has been declared effective or a supplement to any Prospectus forming a part of such Registration Statement has been filed;

(e) with respect to any offering of Registrable Securities, furnish to the Holders, and the managing underwriters for such Underwritten Offering, if any, without charge, such number of copies of the applicable Registration Statement, each amendment and supplement thereto, the Prospectus included in such Registration Statement (including each preliminary Prospectus, final Prospectus, and any other Prospectus (including any Prospectus filed under Rule 424, Rule 430A or Rule 430B promulgated under the Securities Act and any "issuer free writing prospectus" as such term is defined under Rule 433 promulgated under the Securities Act), all exhibits and other documents filed therewith and such other documents as such seller or such underwriters may reasonably request including in order to facilitate the disposition of the Registrable Securities owned by such seller, and upon request, a copy of any and all transmittal letters or other correspondence to or received from, the Commission or any other governmental authority relating to such offer;

(f) (i) register or qualify all Registrable Securities covered by such Registration Statement under such other securities or blue sky laws of such states or other jurisdictions of the United States of America as the Holders shall reasonably request in writing, (ii) keep such registration or qualification in effect for so long as such Registration Statement remains in effect and (iii) take any other action that may be necessary or reasonably advisable to enable the Holder to consummate the disposition in such jurisdictions of the securities to be sold by the Holders, except that the Company shall not for any such purpose be required to qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this subsection (f) be obligated to be so qualified, to subject itself to taxation in such jurisdiction or to consent to general service of process in any such jurisdiction;

(g) cause all Registrable Securities included in such Registration Statement to be registered with or approved by such other federal or state governmental agencies or authorities as necessary upon the opinion of counsel to the Company or Counsel to the Holder of Registrable Securities included in such Registration Statement to enable the Holder to consummate the disposition of such Registrable Securities in accordance with their intended method of distribution thereof;

(h) with respect to any Underwritten Offering, obtain a signed

(A) opinion of outside counsel for the Company (including a customary 10b-5 statement), dated the date of the closing under the underwriting agreement and addressed to the underwriters, reasonably satisfactory (based on the customary form and substance of opinions of issuers' counsel customarily given in such an offering) in form and substance to such underwriters, if any, and

(B) "comfort" letter, dated the date of the Underwriting Agreement and a "bring-down" comfort letter dated the date of the closing under the underwriting agreement and addressed to the underwriters and signed by the independent public accountants who have certified the Company's financial statements included or incorporated by reference in such registration statement, reasonably satisfactory (based on the customary form and substance of "cold comfort" letters of issuers' independent public accountant customarily given in such an offering) in form and substance to such underwriters, if any,

in each case, covering substantially the same matters with respect to such Registration Statement (and the Prospectus included therein) and, in the case of the accountants' comfort letter, with respect to events subsequent to the date of such financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to underwriters in such types of offerings of securities;

(i) notify each Holder at any time when a Prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the happening of any event as a result of which, the Prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made and for which the Company believes in its reasonable good faith judgement it must suspend the use of the Registration Statement and Prospectus until an amendment or supplement to such Registration Statement necessary to keep such Registration Statement effective and to comply with the provisions of the Securities Act and the Exchange Act may be filed (which the Company shall use its commercially reasonable efforts to file and have declared effective as soon as possible), and promptly prepare and furnish to it a reasonable number of copies of a supplement to or an amendment of such Prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such Prospectus, as supplemented or amended, shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made;

(j) notify each Holder promptly of any request by the Commission for the amending or supplementing of the applicable Registration Statement or Prospectus or for additional information;

(k) advise each Holder promptly after the Company receives notice or obtains knowledge of any order suspending the effectiveness of a registration statement relating to the Registrable Securities at the earliest practicable moment and promptly use its commercially reasonable efforts to obtain the withdrawal;

(l) otherwise comply with all applicable rules and regulations of the Commission and any other governmental agency or authority having jurisdiction over the offering of Registrable Securities, and make available to its stockholders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months, but not more than eighteen (18) months, beginning with the first (1st) full calendar month after the Effective Date of such Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 and which requirement will be deemed satisfied if the Company timely files complete and accurate information on Form 10-Q and 10-K and Current Reports on Form 8-K under the Exchange Act and otherwise complies with Rule 158;

(m) provide and cause to be maintained a transfer agent and registrar for the Registrable Securities included in a Registration Statement no later than the Effective Date thereof;

(n) enter into such agreements (including an underwriting agreement in customary form) and take such other actions as the Holders or the underwriters, if any, shall reasonably request in order to expedite or facilitate the disposition of the Registrable Securities, including customary indemnification; and provide reasonable cooperation, including causing at least one (1) executive officer and a senior financial officer to attend and participate in "road shows" and other information meetings organized by the underwriters, if any, as reasonably requested; *provided*, *however,* that nothing in this Agreement shall require the Company to participate in more than two (2) "road shows" in any twelve (12)-month period and such participation shall not unreasonably interfere with the business operations of the Company;

(o) if requested by the managing underwriter(s) or the Holders in connection with an Underwritten Offering, promptly incorporate in a prospectus supplement or post-effective amendment such information relating to the plan of distribution for the applicable Registrable Securities provided to the Company in writing by the managing underwriters and the Holders and that is required to be included therein relating to the plan of distribution with respect to such Registrable Securities, including without limitation, information with respect to the number of

Registrable Securities being sold to such underwriters, the purchase price being paid therefor by such underwriters and with respect to any other terms of the Underwritten Offering of the Registrable Securities to be sold in such offering, and make any required filings with respect to such information relating to the plan of distribution as soon as practicable after being notified of the information;

(p) cooperate with the Holders and the managing underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends, and enable such Registrable Securities to be in such amounts and registered in such names as the managing underwriters, if any, or the Holders, may reasonably request at least three (3) Business Days prior to any sale of Registrable Securities to the underwriters;

(q) cause all Registrable Securities (including, with respect to any Warrants, the Warrant Shares exercisable for such Warrants) included in a Registration Statement to be listed on a national securities exchange on which similar securities issued by the Company are then listed, if at all (it being understood that the Company shall have no obligation to list the Warrants on any national securities exchange if no warrants of the Company are then-listed on a national securities exchange); and

(r) otherwise use its commercially reasonable efforts to take all other steps necessary to effect the registration of such Registrable Securities contemplated hereby.

In addition, at least ten (10) Business Days prior to the first anticipated filing date of a Registration Statement for any registration under this Agreement, the Company will notify each Holder of the information the Company requires from such Holder, including any update to or confirmation of the information contained in the Selling Stockholder Questionnaire, if any, which shall be completed and delivered to the Company promptly upon request and, in any event, within five (5) Business Days prior to the applicable anticipated filing date. Each Holder further agrees that it shall not be entitled to be named as a selling securityholder in the Registration Statement or use the Prospectus for offers and resales of Registrable Securities at any time, unless the Holder has returned to the Company a completed and signed Selling Stockholder Questionnaire and a response to any requests for further information as described in the previous sentence and, if an Underwritten Offering, entered into an underwriting agreement with the underwriters in accordance with Section 5(b). If a Holder of Registrable Securities returns a Selling Stockholder Questionnaire or a request for further information, in either case, after its respective deadline, the Company shall be permitted to exclude the Holder from being a selling security holder in the Registration Statement or any pre-effective amendment thereto. Each Holder acknowledges and agrees that the information in the Selling Stockholder Questionnaire or request for further information as described in this Section 8 will be used by the Company in the preparation of the Registration Statement and hereby consents to the inclusion of such information in the Registration Statement. As used in this Section 8, the words “Holder” and “Holders” shall be limited to Holders of Registrable Securities expected to be included, in compliance with the provisions of this Agreement, in a Registration Statement referred to herein.

For the avoidance of doubt, nothing in this Agreement shall be deemed to create any obligation by the Company to cause the Warrants to be eligible for book-entry transfer, or otherwise transferable, via the facilities of The Depository Trust Company.

9. Registration Expenses. Except as otherwise specifically provided herein, all fees and expenses incident to the Company’s performance of or compliance with its obligations under this Agreement (excluding any underwriting discounts, fees or selling commissions or broker or similar commissions or fees, or transfer taxes of the Holder) shall be borne by the Company whether or not any Registrable Securities are sold pursuant to a Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses (A) with respect to filings required to be made with any stock exchange on which any Registrable Securities are then listed for trading, (B) with respect to compliance with applicable state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel for the Company in connection with Blue Sky qualifications or exemptions of the Registrable Securities and determination of the eligibility of the Registrable Securities for investment under the laws of such jurisdictions as requested by the Holder) and (C) if not previously paid by the Company in connection with an issuer filing, with respect to any filing that may be required to be made by any broker through which a Holder intends to make sales of Registrable Securities with the Financial Industry Regulatory Authority (“*FINRA*”) pursuant to the FINRA Rule 5110, so long as the broker is receiving no more than a customary brokerage commission in connection with such

sale, (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is reasonably requested by the Holder), (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Company, (v) the reasonable fees and expenses incurred in connection with any road show for underwritten offerings, (vi) Securities Act liability insurance, if the Company so desires such insurance, and (vii) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement. In addition, the Company will pay the reasonable and documented fees and disbursements of the Counsel to the Holders (not to exceed $75,000 per offering), including, for the avoidance of doubt, any expenses of Counsel to the Holders in connection with the filing or amendment of any Registration Statement, Prospectus or free writing prospectus hereunder. The Holder shall bear and pay all underwriting discounts, fees and commissions applicable to the Registrable Securities sold for the Holder's account.

10. Lockups.

(a) In connection with any Underwritten Shelf Takedown, Underwritten Offering pursuant to Section 4, Piggyback Offering or other underwritten public offering of equity securities by the Company, except with the written consent of the underwriters managing such offering, if a Holder either participates in such offering or beneficially owns five percent (5%) or more of the outstanding Ordinary Shares at such time, such Holder shall not effect any public sale or distribution (including sales pursuant to Rule 144) of equity securities of the Company, or any securities convertible into or exchangeable or exercisable for such securities, without prior written consent from the Company, during the seven (7) days prior to and the ninety (90)-day period beginning on the date of the closing of such Offering (the "Lockup Period"), except as part of such offering, provided, that such Lockup Period restrictions are applicable on substantially similar terms to the Company and all of its and its subsidiaries' executive officers and directors and any other stockholder participating in such offering or such persons are otherwise obligated pursuant to an agreement with the Company to enter into a lock-up agreement, without giving effect to any waiver or amendment thereof.

(b) In connection with any Underwritten Shelf Takedown or Underwritten Offering, the Company shall not effect any public sale or distribution of equity securities of the Company, or any securities convertible into or exchangeable or exercisable for such securities, without prior written consent from the Holders of a Majority of the Registrable Securities, during the Lockup Period, except as part of such offering, *provided*, that such Lockup Period restrictions are applicable on substantially similar terms to the Holders. The Company agrees to execute a lock-up agreement in favor of the Holders' underwriters to such effect and, in any event, that the Holder's underwriters in any relevant offering shall be third party beneficiaries of this Section 10(b). Notwithstanding the foregoing, the Company may effect a public sale or distribution of securities of the type described above and during the periods described above if such sale or distribution is made pursuant to registrations on Form S-4 or Form S-8 or as part of any registration of securities or offering and sale to employees, directors or consultants of the company and its subsidiaries pursuant to any employee stock plan or other employee benefit plan arrangement.

11. Indemnification.

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify, defend and hold harmless each Holder, the officers, directors, agents, partners, members, trustees, trust beneficiaries, managers, investment managers, stockholders, Affiliates and employees of such Holder, each Person who controls such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, trustees, trust beneficiaries, investment managers, stockholders, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable costs of preparation and investigation and reasonable attorneys' fees) and expenses (collectively, "*Losses*"), to which any of them may become subject, that arise out of or are based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus or (ii) any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (A) such untrue statements, alleged untrue statements, omissions or alleged omissions are based upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such

Holder or such Holder's proposed method of distribution of Registrable Securities and was provided by such Holder in writing to the Company expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto, or (B) in the case of an occurrence of an event of the type specified in Section 8(i), related to the use by a Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by the Holder of the Advice contemplated and defined in Section 17(c) below, but only if and to the extent that following the receipt of the Advice the misstatement or omission giving rise to such Loss would have been corrected. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 11(c)), shall survive the transfer of the Registrable Securities by the Holder, and shall be in addition to any liability which the Company may otherwise have.

(b) Indemnification by Holder. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its respective directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, arising out of or based solely upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, or any form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading (i) to the extent, but only to the extent, that such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein or (ii) to the extent, but only to the extent, that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was provided by such Holder in writing to the Company expressly for use in a Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto or (iii) in the case of an occurrence of an event of the type specified in Section 8(i), to the extent, but only to the extent, related to the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 17(c), but only if and to the extent that following the receipt of the Advice the misstatement or omission giving rise to such Loss would have been corrected. In no event shall the liability of a Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 11(c)), shall survive the transfer of the Registrable Securities by the Holder, and shall be in addition to any liability which the Holder may otherwise have.

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "*Indemnified Party*"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "*Indemnifying Party*") in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all reasonable fees and expenses incurred in connection with defense thereof; *provided*, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that such failure shall have materially and adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel (and one local counsel in each relevant jurisdiction) in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that in the reasonable judgment of such counsel a conflict of interest exists if the same counsel were to represent such Indemnified Party and the Indemnifying Party; *provided*, that the Indemnifying Party shall not be liable for the reasonable and documented fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties (and more than one local counsel in each relevant jurisdiction). The Indemnifying Party shall

not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

Subject to the terms of this Agreement, all reasonable and documented fees and expenses of the Indemnified Party (including reasonable and documented fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section 11(c)) shall be paid to the Indemnified Party, as incurred, with reasonable promptness after receipt of written notice thereof to the Indemnifying Party; *provided*, that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is finally judicially determined to not be entitled to indemnification hereunder. The failure to deliver written notice to the Indemnifying Party within a reasonable time of the commencement of any such action shall not relieve such Indemnifying Party of any liability to the Indemnified Party under this Section 11, except to the extent that the Indemnifying Party is materially and adversely prejudiced in its ability to defend such action.

(d) Contribution. If the indemnification provided for in Section 11(a) or (b) is held by a court of competent jurisdiction to be unavailable to an Indemnified Party in respect of any Losses, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 11(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 11(d), a Holder shall not be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that the Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

12. Section 4(a)(7); Rule 144 and Rule 144A; Other Exemptions. With a view to making available to the Holder the benefits of Section 4(a)(7) of the Securities Act and Rule 144 and Rule 144A promulgated under the Securities Act and other rules and regulations of the Commission that may at any time permit the Holders of Registrable Securities to sell securities of the Company without registration, until such time as when no Registrable Securities remain outstanding, the Company covenants that it will (i) file in a timely manner all reports and other documents required, if any, to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted thereunder and (ii) make available information necessary to comply with Section 4(a)(7) of the Securities Act, Rule 144 and Rule 144A, if available with respect to resales of the Registrable Securities under the Securities Act, at all times, all to the extent required from time to time to enable the Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (x) Section 4(a)(7) of the Securities Act, Rule 144 and Rule 144A promulgated under the Securities Act (if available with respect to resales of the Registrable Securities), as such rules may be amended from time to time or (y) any other rules or regulations now existing or hereafter adopted by the Commission. Upon the reasonable request of a Holder of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such information requirements, and, if not, the specific reasons for non-compliance.

13. Transfer of Registration Rights. The Initial Holder, or any Affiliate of the Initial Holder that becomes a Holder in accordance with this Section 13, may assign its rights hereunder on a pro rata basis in connection with any sale, transfer, assignment, or other conveyance (any of the foregoing, a "*Transfer*") of Registrable Securities to any transferee or assignee (a "*Transferee*"), including any Affiliate of the Holder; *provided*, that all of the following additional conditions are satisfied: (a) such Transfer is effected in accordance with applicable securities laws; (b) such Transferee agrees in writing to become subject to the terms of this Agreement pursuant to a joinder agreement executed in accordance with Section 17(h) hereof; (c) the Company is given written notice by the Holder of such Transfer, stating the name and address of the Transferee and identifying the Registrable Securities with respect to which such rights are being assigned and (d) either (1) the Transferee is an Affiliate of the Initial Holder, or (2) after giving effect to such Transfer, the Transferee, together with any Affiliates of the Transferee, owns at least ten percent (10%) of the aggregate amount of Registrable Securities outstanding on the date hereof (calculated assuming all Warrants have been exercised). Each Holder (other than the Initial Holder or any Affiliate thereof) that becomes a Holder in accordance with this Section 13 may assign its rights hereunder in connection with any Transfer of Registrable Securities to any Affiliate of such Holder; *provided*, that all of the conditions of clauses (a), (b) and (c) of the immediately preceding sentence are satisfied. Notwithstanding any of the foregoing, with respect to any Transfer, (i) any rights assigned hereunder shall apply only in respect of the Registrable Securities that are Transferred and not in respect of any other securities that the Transferee may hold, and (ii) any Registrable Securities that are Transferred may cease to constitute Registrable Securities following such Transfer in accordance with the definition of Registrable Securities.

14. Cooperation to Complete Private Sales. So long as the Initial Holder (including for purposes of this Section 14 any Affiliates of the Initial Holder) beneficially owns, in the aggregate, Registrable Securities representing at least 20% of the Registrable Securities outstanding on the date hereof (calculated assuming all Warrants have been exercised), upon request by the Initial Holder on reasonable notice and subject to reimbursement by the Initial Holder of the Company's reasonable and documented out-of-pocket costs and expenses (including reasonable and documented out-of-pocket costs and expenses of one firm of outside counsel and one firm of local counsel), the Company shall reasonably cooperate in good faith with any private sale by the Initial Holder of its Registrable Securities, including by (i) making information regarding the Company and its business that is reasonably requested by the Initial Holder available to prospective purchasers and (ii) causing appropriate officers and representatives of the Company to meet with such prospective purchasers (which meetings shall be telephonic or conducted via videoconference or similar means unless otherwise agreed by the Company, such consent not to be unreasonably withheld) at reasonable times and upon reasonable notice to discuss the Company and its business, in the case of each of clauses (i) and (ii), subject to the execution and delivery by any such prospective purchaser of a customary confidentiality agreement reasonably satisfactory to the Company. In no event shall the Company or any of its officers or employees be required to enter into any agreement or deliver any certification in connection with any private sale. For the avoidance of doubt, this Section 14 shall be solely for the benefit of the Initial Holder and its Affiliates who become a Holder in accordance with Section 13 hereof, and no other Holder shall have any rights under, or shall have any right to enforce, this Section 14.

15. Information Rights of the Initial Holder.

(a) So long as the Initial Holder (including for purposes of this Section 15 any Affiliates of the Initial Holder) beneficially owns, in the aggregate, Registrable Securities representing at least 50% of the Registrable Securities outstanding on the date hereof (calculated assuming all Warrants have been exercised), (i) the Company shall upon request provide the Initial Holder with (A) quarterly financial statements (as soon as reasonably practicable after they become available but no later than forty-five (45) days after the end of each of the first three quarters, respectively of each fiscal year of the Company); *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date, the Company files its quarterly report on Form 10-Q for the applicable fiscal quarter with the Commission, (B) audited (by a nationally recognized accounting firm) annual financial statements (as soon as reasonably practicable after they become available but no later than ninety (90) days after the end of each fiscal year of the Company); *provided* that this requirement shall be deemed to have been satisfied if on or prior to such date, the Company files its annual report on Form 10-K for the applicable fiscal year with the Commission, in the case of each of clauses (A) and (B), prepared in accordance with GAAP, which statements shall include the consolidated balance sheets of the Company and the related consolidated statements of income, shareholders' equity and cash flows, and (C) such other information relating to the financial condition, business, prospects, or corporate affairs of the Company as such Holder may from time to time reasonably request, and (ii) the Company shall permit the Initial Holder or any authorized representatives designated by the Initial Holder reasonable access to visit and inspect any of the properties of the Company or any of its subsidiaries, including

its and their books of accounting and other records, and to discuss its and their affairs, finances and accounts with its and their officers, all upon reasonable notice and at such reasonable times as the Initial Holder may reasonably request; *provided* that any such request may not be made more frequently than once per fiscal quarter of the Company. Any visit or inspection pursuant to this Section 15 shall be conducted during normal business hours and in such manner as not to interfere unreasonably with the conduct of the business of the Company and its subsidiaries. Notwithstanding any of the foregoing, nothing herein shall require the Company to provide access to or disclose any information if such access or disclosure would jeopardize any attorney-client privilege of the Company or any of its subsidiaries or violate any agreement, law or order (provided that the Company shall use its commercially reasonable efforts to cause such information to be provided in a manner that would not result in such jeopardy or violation). For the avoidance of doubt, this Section 15 shall be solely for the benefit of the Initial Holder and its Affiliates who become a Holder in accordance with Section 13 hereof, and no other Holder shall have any rights under, or shall have any right to enforce, this Section 15.

(b) The Initial Holder will, and will direct its representatives who actually receive Confidential Information to, keep confidential such Confidential Information and to use such Confidential Information solely for the purposes of monitoring, administering or managing the Initial Holder's investment in the Company; *provided* that the Initial Holder may disclose Confidential Information (i) to its attorneys, agents, accountants, consultants and financial and other professional advisors to the extent reasonably necessary to obtain their services in connection with its investment in the Company, (ii) as may be reasonably determined by the Initial Holder to be necessary in connection with the Initial Holder's enforcement of its rights in connection with this Agreement or its investment in the Company, or (iii) as may otherwise be required by applicable law, rule, regulation, or any legal, judicial or regulatory process (*provided* to the extent practicable and permitted by applicable law or regulation, the Initial Holder shall provide the Company with prior notice of any disclosure in connection with such process); and *provided, further*, that (x) any breach of the confidentiality and use terms herein by any Person to whom the Initial Holder may disclose Confidential Information pursuant to clause (i) of the preceding proviso shall be attributable to the Holder for purposes of determining the Initial Holder's compliance with this Section 15, except those who have entered into a separate confidentiality or non-disclosure agreement or obligation with the Company and (y) the Initial Holder takes commercially reasonable steps to minimize the extent of any required disclosure described in clause (iii) of the preceding proviso.

16. Further Assurances. Each of the parties hereto shall execute all such further instruments and documents and take all such further action as any other party hereto may reasonably require in order to effectuate the terms and purposes of this Agreement.

17. Miscellaneous.

(a) Remedies. Any Person having rights under any provision of this Agreement shall be entitled to enforce such rights specifically to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may in its sole discretion apply to any court of law or equity of competent jurisdiction (without posting any bond or other security) for specific performance and for other injunctive relief in order to enforce or prevent violation of the provisions of this Agreement.

(b) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it (unless an exemption therefrom is available) in connection with sales of Registrable Securities pursuant to any Registration Statement and shall sell the Registrable Securities only in accordance with a method of distribution described in each Registration Statement.

(c) Discontinued Disposition. Each Holder agrees that, upon receipt of a notice from the Company of the occurrence of a Grace Period or any event of the kind described in Section 8(i), such Holder will forthwith discontinue disposition of Registrable Securities under a Registration Statement until it is advised in writing (the "*Advice*") by the Company that the use of the applicable Prospectus (as it may have been supplemented or amended) may be resumed. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.

(d) Preservation of Rights. The Company shall not grant any registration rights to third parties which are more favorable than or inconsistent with the rights granted hereunder unless any such more favorable rights are concurrently added to the rights granted hereunder.

(e) No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to its securities which is inconsistent with or violates the rights granted to the Holder in this Agreement.

(f) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, or waived unless the same shall be in writing and signed by (i) the Company and (ii) the Holders of a Majority of Registrable Securities then outstanding; *provided* that in no event shall this Agreement be amended, modified or supplemented or the observance of any term hereof be waived with respect to any Holder of Registrable Securities without the written consent of such Holder of Registrable Securities, unless such amendment, modification, supplement, or waiver applies to all Holders of Registrable Securities in substantially the same fashion. Notwithstanding the foregoing, the provisions of Sections 14 and 15, and this second sentence of Section 17(f), may be amended, modified, supplemented or waived (either generally or in a particular instance and either retroactively or prospectively) with the written consent of the Company and the Initial Holder only. No waiver of any terms or conditions of this Agreement shall operate as a waiver of any other breach of such terms and conditions or any other term or condition, nor shall any failure to enforce any provision hereof operate as a waiver of such provision or of any other provision hereof. No written waiver hereunder, unless it by its own terms explicitly provides to the contrary, shall be construed to effect a continuing waiver of the provisions being waived and no such waiver in any instance shall constitute a waiver in any other instance or for any other purpose or impair the right of the party against whom such waiver is claimed in all other instances or for all other purposes to require full compliance with such provision. The failure of any party to enforce any provision of this Agreement shall not be construed as a waiver of such provision and shall not affect the right of such party thereafter to enforce each provision of this Agreement in accordance with its terms. Notwithstanding the foregoing, Schedule I hereto may be amended by the Company from time to time to add transferees of any Registrable Securities in compliance with the terms of this Agreement without the consent of the other parties. Any amendment, modification, termination, or waiver effected in accordance with this Section 17(f) shall be binding on all parties hereto, regardless of whether any such party has consented thereto.

(g) Notices. Any notice or other communication required or which may be given hereunder shall be in writing and shall be sent by certified or regular mail, by private national courier service (return receipt requested, postage prepaid), by personal delivery, by electronic mail or by facsimile transmission. Such notice or communication shall be deemed given (i) if mailed, two days after the date of mailing, (ii) if sent by national courier service, one Business Day after being sent, (iii) if delivered personally, when so delivered, (iv) if sent by electronic mail, on the Business Day such electronic mail is transmitted, or (v) if sent by facsimile transmission, on the Business Day such facsimile is transmitted, in each case as follows:

This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns (including any trustee in bankruptcy). In addition, and whether or not any express assignment shall have been made, the provisions of this Agreement which are for the benefit of the Holder as such shall be for the benefit of and enforceable by any Transferee of any Registrable Securities (or any portion thereof) pursuant to Section 13 hereof who shall have executed a joinder to this Agreement in the form of Exhibit A hereto. No assignment or delegation of this Agreement by the Company of any of the Company's rights, interests or obligations hereunder shall be effective against a Holder without the prior written consent of such Holder. The parties hereby agree that mailing of process or other papers in connection with any such action or Proceeding to an address provided in writing by the recipient of such mailing, or in compliance with the notice provisions of this Agreement, or in such other manner as may be permitted by law, shall be valid and sufficient service thereof and hereby waive any objections to service in the manner herein provided.

Each party hereto acknowledges that this waiver is a material inducement to enter into this Agreement, that each has already relied on this waiver in entering into this Agreement, and that each will continue to rely on this waiver in their related future dealings. Each party hereto further warrants and represents that it has reviewed this waiver with its legal counsel and that it knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 17(l) AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

(m) Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or the effectiveness or validity of any provision in any other jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

(n) Descriptive Headings; Interpretation; No Strict Construction. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular forms of nouns, pronouns, and verbs shall include the plural and vice versa. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. All references to laws, rules, regulations and forms in this Agreement shall be deemed to be references to such laws, rules, regulations and forms, as amended from time to time or, to the extent replaced, the comparable successor thereto in effect at the time. Section 2.01 Commitments. Subject to the terms and conditions set forth herein:

(a) On the Closing Date, pursuant to the terms of the Plan of Reorganization and this Agreement, each Lender with a 2017 Replacement Term Commitment will receive 2017 Replacement Term Loans in an amount equal to its 2017 Replacement Term Commitment in partial satisfaction of its claims in respect of the 2017 Term B Loans (under, and as defined in, the Existing Credit Agreement). On the Closing Date and after giving effect to the transactions described in the preceding sentence, the aggregate outstanding principal amount of the 2017 Replacement Term Loans is $1,392,895,288.08. 2017 Replacement Term Loans borrowed under this Section 2.01(a) that are repaid or prepaid may not be reborrowed.

(b) On the Closing Date, pursuant to the terms of the Plan of Reorganization and this Agreement, each Lender with a 2018 Replacement Term Commitment will receive 2018 Replacement Term Loans in an amount equal to its 2018 Replacement Term Commitment in partial satisfaction of its claims in respect of the 2018 Incremental Term Loans (under, and as defined in, the Existing Credit Agreement). On the Closing Date and after giving effect to the transactions described in the preceding sentence, the aggregate outstanding principal amount of the 2018 Replacement Term Loans is $369,739,612.33. 2018 Replacement Term Loans borrowed under this Section 2.01(b) that are repaid or prepaid may not be reborrowed.

(c) Each Lender having an Incremental Term Loan Commitment agrees, severally and not jointly, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the applicable Borrowers, in an aggregate principal amount not to exceed its Incremental Term Loan Commitment.

Section 2.02 Loans and Borrowings(a) . (a) Each Loan shall be made as part of a Borrowing consisting of Loans under the same Facility and of the same Type and currency made by the Lenders ratably in accordance with their respective Commitments under the applicable Facility. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.12, each Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the applicable Borrower may request in accordance herewith; provided that each Loan shall only be made in Dollars. Each Lender at its option may make any ABR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and in the case of an Affiliate, the provisions of Sections 2.13, 2.14 and 2.15 shall apply to such Affiliate to the same extent as to such Lender); provided, that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement and such Lender shall not be entitled to any amounts payable under Section 2.13 or 2.15 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise.

(c) [Reserved.]

(d) Borrowings of more than one Type and Class may be outstanding at the same time; provided, however, that the Borrowers shall not be entitled to request any Borrowing that, if made, would result in more than ten (10) Eurocurrency Borrowings outstanding under all Term Facilities at any time. Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(e) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Term Facility Maturity Date for such Class, as applicable.

Section 2.03 Requests for Borrowings. To request a Term Borrowing, the applicable Borrower shall notify the Administrative Agent of such request (a) in the case of a Eurocurrency Borrowing, not later than 12:00 noon, Local Time, one Business Day before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, by telephone, not later than 10:00 a.m. Local Time, on the Business Day of the proposed Borrowing; provided, that, to request a Eurocurrency or ABR Borrowing on the Closing Date, the applicable Borrower shall notify the Administrative Agent of such request by telephone no later than 5:00 p.m., Local Time, one Business Day prior to the Closing Date (or such later time as the Administrative Agent may agree). Each such Borrowing Request shall be irrevocable (other than in the case of any notice given in respect of the Closing Date, which may be conditioned upon the consummation of the Transactions) and (in the case of telephonic requests) shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Borrowing Request signed by the applicable Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be a Borrowing of 2017 Replacement Term Loans, 2018 Replacement Term Loans or Other Term Loans, as applicable;

(ii) the aggregate amount of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;

(v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; and

(vi) the location and number of the account of the applicable Borrower to which funds are to be disbursed.

If no election as to the Type of Borrowing is specified, then in the case of a Borrowing denominated in Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Funding of Borrowings(a) . (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Lux Borrower by promptly crediting the amounts so received, in like funds, to an account of the Lux Borrower as specified in the applicable Borrowing Request. The 2017 Replacement Term Loan and the 2018 Replacement Term Loans deemed made on the Closing Date pursuant to Sections 2.01(a) and (b) (as applicable) shall be deemed made pursuant to the Plan of Reorganization without any actual funding.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with clause (a) of this Section and may, in reliance upon such assumption, make available to the Lux Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally (and jointly and severally with respect to the Borrowers) agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) the Federal Funds Effective Rate and (B) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of a payment to be made by a Borrower, the interest rate then applicable to ABR Loans at such time. If a Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any payment by a Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.05 Interest Elections(a) . (a) Each Borrowing initially shall be of the Type, and under the applicable Class, specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Lux Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.05. The Lux Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding any other provision of this Section 2.05, the Borrowers shall not be permitted to change the Class of any Borrowing.

(b) To make an election pursuant to this Section 2.05, the Lux Borrower shall notify the Administrative Agent of such election (by telephone or irrevocable written notice), by the time that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Borrowing of the Type and Class resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request signed by the Lux Borrower. Notwithstanding any contrary provision herein, this Section 2.05 shall not be construed to permit any Borrower to (i) change the currency of any Borrowing, (ii) elect an Interest Period for Eurocurrency Loans that does not comply with Section 2.02(d) or (iii) convert any Borrowing to a Borrowing of a Type not available under the Class of Commitments or Loans pursuant to which such Borrowing was made.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which Interest Period shall be a period contemplated by the definition of the term “Interest Period.”

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month’s duration. If less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall be in an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum and satisfy the limitations specified in Section 2.02(d) regarding the maximum number of Borrowings of the relevant Type.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If no timely Interest Election Request is delivered by the Lux Borrower with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period, such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrowers, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.06 Termination and Reduction of Commitments. On the Closing Date (after giving effect to the funding of the 2017 Replacement Term Loans and 2018 Replacement Term Loans to be made on such date), the Commitments of each Term Lender as of the Closing Date will automatically and permanently terminate.

Section 2.07 Repayment of Loans; Evidence of Debt(a) . (a) The Borrowers hereby unconditionally promise, jointly and severally, to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.08.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility, Class, Type and currency thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to clause (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent and reasonably acceptable to the Lux Borrower. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

Section 2.08 Repayment of Term Loans. (a) Subject to the other clauses of this Section 2.08 and to Section 9.08(e),

(i) (A) the Borrowers shall repay principal of outstanding 2017 Replacement Term Loans on the last day of each March, June, September and December of each year (commencing on the last day of the first fiscal quarter of the Parent beginning after the Closing Date; provided that for such first fiscal quarter after the Closing Date, the amount of such payment shall be prorated based on the number of days elapsed between the Closing Date and the last day of such fiscal quarter) and on the 2017 Replacement Term Facility Maturity Date or, if any such date is not a Business Day, on the immediately preceding Business Day (each such date, together with the 2018 Replacement Term Facility Maturity Date, being referred to as a "Initial Term Loan Installment Date"), in an aggregate principal amount equal to (x) in the case of quarterly payments due prior to the 2017 Replacement Term Facility Maturity Date, an amount equal to 0.625% of the initial aggregate principal amount of such 2017 Replacement Term Loans as of the Closing Date, and (y) in the case of such payment due on the 2017 Replacement Term Facility Maturity Date, an amount equal to the then unpaid principal amount of such 2017 Replacement Term Loans outstanding, and (B) the Borrowers shall repay principal of outstanding 2018 Replacement Term Loans on each Initial Term Loan Installment Date (provided that for the first fiscal quarter after the Closing Date, the amount of such payment shall be prorated based on the number of days elapsed between the Closing Date and the last day of such fiscal quarter), in an aggregate principal amount equal to (x) in the case of quarterly payments due prior to the 2018 Replacement Term Facility Maturity Date, an amount equal to 0.625% of the initial aggregate principal amount of such 2018 Replacement Term Loans as of the Closing Date, and (y) in the case of such payment due on the 2018 Replacement Term Facility Maturity Date, an amount equal to the then unpaid principal amount of such 2018 Replacement Term Loans outstanding.

(ii) in the event that any Other Term Loans are made, the Borrowers shall repay such Other Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement, Extension Amendment or Refinancing Amendment (each such date being referred to as an "Other Term Loan Installment Date");

(iii) to the extent not previously paid, all outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) [Reserved.]

(c) Prepayment of the Loans from:

(i) subject to Section 2.08(d), all Net Proceeds pursuant to Section 2.09(b) and Excess Cash Flow pursuant to Section 2.09(c) shall be allocated to the Class or Classes of Term Loans determined pursuant to Section 2.08(d), with the application thereof to reduce, on a pro rata basis, amounts due on the succeeding Term Loan Installment Dates under such Classes as provided in the remaining scheduled amortization payments under such Classes, and

(ii) any optional prepayments of the Term Loans pursuant to Section 2.09(a) shall be applied to the remaining installments of the Term Loans under the applicable Class or Classes as the Lux Borrower may in each case direct.

Any mandatory prepayment of Term Loans pursuant to Section 2.09(b) or (c) shall be applied so that the aggregate amount of such prepayment is allocated among the 2017 Replacement Term Loans, the 2018 Replacement Term Loans and the Other Term Loans, if any, pro rata based on the aggregate principal amount of outstanding 2017 Replacement Term Loans, the 2018 Replacement Term Loans and Other Term Loans, if any; provided, that, subject to the pro rata application to Loans outstanding within any respective Class of Loans, (x) with respect to mandatory prepayments of Term Loans pursuant to Section 2.09(b)(1) and 2.09(c), any Class of other Incremental Term Loans may receive less than its pro rata share thereof so long as the amount by which its pro rata share exceeds the amount actually applied to such Class is applied to repay (on a pro rata basis) the outstanding 2017 Replacement Term Loans, the 2018 Replacement Term Loans and any other Classes of then outstanding Other Incremental Term Loans, in each case to the extent the respective Class receiving less than its pro rata share has consented thereto and (y) the Lux Borrower shall allocate any repayments pursuant to Section 2.09(b)(2) to repay the respective Class or Classes being refinanced, as provided in said Section 2.09(b)(2). Prior to any prepayment of any Loan under any Facility hereunder, the Lux Borrower shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than 2:00 p.m., Local Time, (i) in the case of an ABR Borrowing, at least one Business Day before the scheduled date of such prepayment and (ii) in the case of a Eurocurrency Borrowing, at least three Business Days before the scheduled date of such prepayment. Each such notice shall be irrevocable; provided, that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Lux Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Loans shall be accompanied by (1) accrued interest on the amount repaid to the extent required by Section 2.11(d) and (2) break funding payments pursuant to Section 2.14.

(d) The Lux Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made (i) pursuant to Section 2.09(b)(1) at least four (4) Business Days prior to the date of such prepayment and (ii) pursuant to Section 2.09(c) no later than the earlier of (x) five (5) days after any delivery of financial statements under Section 5.04(a) with respect to any fiscal year and (y) one (1) Business Day after the latest date on which financial statements may be delivered with respect to such fiscal year pursuant to Section

5.04(a) (each notice pursuant to this clause (ii), an "ECF Notice"). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Term Lender of the contents of any such prepayment notice and of such Term Lender's ratable portion of such prepayment (based on such Lender's pro rata share of each relevant Class of the Term Loans). Any Term Lender (a "Declining Term Lender," and any Term Lender which is not a Declining Term Lender, an "Accepting Term Lender") may elect, by delivering written notice to the Administrative Agent and the Lux Borrower no later than 5:00 p.m. one (1) Business Day after the date of such Term Lender's receipt of notice from the Administrative Agent regarding such prepayment, that the full amount of any mandatory prepayment otherwise required to be made with respect to the Term Loans held by such Term Lender pursuant to Section 2.09(b)(1) or 2.09(c) not be made (the aggregate amount of such prepayments declined by the Declining Term Lenders, the "Declined Prepayment Amount"). If a Term Lender fails to deliver notice setting forth such rejection of a prepayment to the Administrative Agent within the time frame specified above or such notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. In the event that the Declined Prepayment Amount is greater than $0, the Administrative Agent will promptly notify each Accepting Term Lender of the amount of such Declined Prepayment Amount and of any such Accepting Term Lender's ratable portion of such Declined Prepayment Amount (based on such Lender's pro rata share of the Term Loans (excluding the pro rata share of Declining Term Lenders)). Any such Accepting Term Lender may elect, by delivering, no later than 5:00 p.m. one (1) Business Day after the date of such Accepting Term Lender's receipt of notice from the Administrative Agent regarding such additional prepayment, a written notice, that such Accepting Term Lender's ratable portion of such Declined Prepayment Amount not be applied to repay such Accepting Term Lender's Term Loans, in which case the portion of such Declined Prepayment Amount which would otherwise have been applied to such Term Loans of the Declining Term Lenders shall instead be retained by the Lux Borrower. Each Term Lender's ratable portion of such Declined Prepayment Amount (unless declined by the respective Term Lender as described in the preceding sentence) shall be applied to the respective Term Loans of such Lenders. For the avoidance of doubt, the Borrowers may, at their option, apply any amounts retained in accordance with the immediately preceding sentence to prepay loans in accordance with Section 2.09(a) below.

Section 2.09 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Sections 2.10(b) and (c) and Section 2.14 and subject to prior notice in accordance with the provisions of Section 2.08(c)), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding.

(b) The Borrowers shall apply (1) all Net Proceeds (other than Net Proceeds of the kind described in the following clause (2)) within 5 Business Days after receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.08 and (2) all Net Proceeds from any issuance or incurrence of Refinancing Notes and Refinancing Term Loans (other than solely by means of extending or renewing then existing Refinancing Notes and Refinancing Term Loans without resulting in any Net Proceeds), no later than three Business Days after the date on which such Refinancing Notes and Refinancing Term Loans are issued or incurred, to prepay Term Loans in accordance with Section 2.21 and the definition of "Refinancing Notes" (as applicable).

(c) Not later than four (4) Business Days after the date on which any ECF Notice is, or is required to be, delivered pursuant to Section 2.08(d) with respect to each Excess Cash Flow Period, the Borrowers shall calculate Excess Cash Flow for such Excess Cash Flow Period and, if and to the extent the amount of such Excess Cash Flow exceeds $0, the Borrowers shall apply an amount equal to (i) the Required Percentage of such Excess Cash Flow minus (ii) to the extent not financed using the proceeds of funded Indebtedness (i.e., indebtedness with a maturity of one year or more at the time of incurrence thereof), the amount of any voluntary payments of Term Loans and amounts used to repurchase outstanding principal of Term Loans during such Excess Cash Flow Period (plus, without duplication of any amounts previously deducted under this clause (ii), the amount of any such voluntary payments and amounts so used to repurchase principal of Term Loans after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) pursuant to Section 2.09(a) and Section 2.23 (it being understood that the amount of any such payments pursuant to Section 2.23 shall be calculated to equal the amount of cash used to repay principal and not the principal amount deemed prepaid therewith). Such calculation will be set forth in a certificate signed by a Financial Officer of the Lux Borrower delivered to the Administrative Agent setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail (which may be the applicable ECF Notice).

(d) Notwithstanding any other provisions of this Section 2.09 to the contrary, with respect to the Net Proceeds of any Asset Sale by, or Recovery Event applicable to, any Subsidiary organized outside of (x) Luxembourg (or any subdivisions thereof), if at the time the respective Net Proceeds would otherwise have first been required to be applied pursuant to Section 2.09(b) the Total Net Leverage Ratio for the last period of four consecutive fiscal quarters for which financial statements have been (or were required to be) delivered is 3.50 to 1.00 or less, or (y) Luxembourg, Switzerland and the United States (or any subdivisions thereof) in respect of all other Net Proceeds, that would otherwise be required to be applied pursuant to Section 2.09(d), the respective Subsidiary receiving the Net Proceeds (and organized outside of a jurisdiction described in preceding clause (x) or (y), as applicable) (i) is prohibited, restricted or delayed by applicable local law from repatriating the respective Net Proceeds to the Lux Borrower, the portion of such Net Proceeds so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.09(b) but may be retained by the applicable Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the Lux Borrower, and once such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, such repatriation will be effected and such repatriated Net Proceeds will be promptly applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to Section 2.09(b) to the extent provided therein or (ii) cannot repatriate such funds to the Lux Borrower without (in the good faith determination of the Lux Borrower) the repatriation of such Net Proceeds (or a portion thereof) that would otherwise be required to be applied pursuant to Section 2.09(b) resulting in material adverse tax consequences, the Net Proceeds (or portion thereof) so affected may be retained by the applicable Subsidiary (the Parent and the Borrowers hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Borrowers that are reasonably required to eliminate such tax effects) until such time as such material adverse costs would not apply to the repatriation thereof, at which time the mandatory prepayments otherwise required by Section 2.09(b) with respect to such Net Proceeds shall be made.

Section 2.10 Fees. (a) The Borrowers jointly and severally agree to pay (i) to the Administrative Agent, for the account of the Administrative Agent, the "Agency Fee" as set forth in the Administrative Agent Fee Letter, in the amounts and, at the times specified therein (the "Administrative Agent Fees") and (ii) to the Collateral Agent, for the account of the Collateral Agent, the "Agency Fee" as set forth in the DB Fee Letter, in the amounts and, at the times specified therein (the "Collateral Agent Fees").

(b) If any Repricing Event occurs with respect to the 2017 Replacement Term Loans prior to the date occurring nine (9) months after the Closing Date, the Borrowers jointly and severally agree to pay to the Administrative Agent, for the ratable account of each Term Lender with 2017 Replacement Term Loans that are subject to such Repricing Event (including any Term Lender which is replaced pursuant to Section 2.17(c) as a result of its refusal to consent to an amendment giving rise to such Repricing Event), a fee in an amount equal to 1.00% of the aggregate principal amount of the 2017 Replacement Term Loans subject to such Repricing Event. Such fees shall be earned, due and payable upon the date of the occurrence of the respective Repricing Event.

(c) If any Repricing Event occurs with respect to the 2018 Replacement Term Loans prior to the date occurring nine (9) months after the Closing Date, the Borrowers jointly and severally agree to pay to the Administrative Agent, for the ratable account of each Term Lender with 2018 Replacement Term Loans that are subject to such Repricing Event (including any Term Lender which is replaced pursuant to Section 2.17(c) as a result of its refusal to consent to an amendment giving rise to such Repricing Event), a fee in an amount equal to 1.00% of the aggregate principal amount of the 2018 Replacement Term Loans subject to such Repricing Event. Such fees shall be earned, due and payable upon the date of the occurrence of the respective Repricing Event.

(d) All fees shall be paid on the dates due, in Dollars and immediately available funds, to the Administrative Agent or the Collateral Agent (as applicable) for distribution, if and as appropriate, among the Lenders. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.11 Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.11 or (ii) in the case of any other overdue amount, 2% plus the rate applicable to ABR Loans as provided in clause (a) of this Section 2.11; provided, that this clause (c) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(d) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan and (ii) on the applicable Term Facility Maturity Date; provided, that (A) interest accrued pursuant to clause (c) of this Section 2.11 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). The applicable ABR, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) When entering into this Agreement, the parties have assumed that the interest payments under this Agreement are not and will not become subject to any tax deduction on account of Swiss Withholding Tax. Notwithstanding the foregoing, if a tax deduction is required by Swiss law in respect of any payment by a Borrower and if Section 2.15 is unenforceable for any reason in respect of such tax deduction, the applicable interest rate in relation to that interest payment shall be the interest rate which would have applied to that interest payment as provided for in this Section 2.11 divided by one minus the rate at which the relevant deduction or withholding of Swiss Withholding Tax is required to be made (where the rate at which the relevant deduction or withholding of Swiss Withholding Tax is required to be made is for this purpose expressed as a fraction of one rather than as a percentage), and that Borrower shall be obliged to pay the relevant interest at the adjusted rate in accordance with this Section 2.11(f) and shall make the deduction or withholding of Swiss Withholding Tax on the recalculated interest and all references to a rate of interest in this Agreement shall be construed accordingly. In addition, the relevant Borrower shall as soon as possible after a tax deduction on the account of Swiss Withholding Tax ensure that any person which is entitled to a full or partial refund of said tax deduction is in a position to apply for such refund under Swiss domestic tax law and/or any applicable tax treaty.

Section 2.12 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate for the applicable Interest Period (including because the Screen Rate is not available or published on a current basis); provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Eurocurrency Borrowing for such Interest Period;

then the Administrative Agent shall give notice (which may be telephonic) thereof to the Borrowers and the Lenders as promptly as practicable thereafter. If such notice is given, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing for such Interest Period shall be ineffective, (B) the affected Eurocurrency Borrowing that was requested to be converted or continued shall on the last day of the then current Interest Period applicable thereto, unless repaid, be continued as or converted to an ABR Borrowing and (C) any Borrowing Request for a Eurocurrency Borrowing for such Interest Period shall be treated as a request for an ABR Borrowing.

(b) (i) Notwithstanding anything to the contrary herein, if a Benchmark Transition Event and its Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(ii) Notwithstanding anything to the contrary herein and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement; provided that, this clause (ii) shall not be effective unless the Administrative Agent (at the direction of the Required Lenders) has delivered to the Lenders and the Borrowers a Term SOFR Notice.

(c) In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(i) The Administrative Agent will promptly notify the Borrowers and the Lenders of (A) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event and its related Benchmark Replacement Date, (B) the implementation of any Benchmark Replacement, (C) the effectiveness of any Benchmark Replacement Conforming Changes, (D) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.12(c)(iii) and (E) the commencement or conclusion of any Benchmark Unavailability Period.

(ii) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period (until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist), the Borrowers may revoke any request for a borrowing of, conversion to, or continuation of Eurocurrency Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective, and, on the last day of the then current Interest Period applicable thereto, unless repaid, such Borrowing shall be continued as or converted to an ABR Borrowing and (B) any Borrowing Request for a Eurocurrency Borrowing shall be treated as a request for an ABR Borrowing.

(iii) Notwithstanding anything to the contrary herein, at any time (including in connection with the implementation of a Benchmark Replacement), (x) if the then-current Benchmark is a term rate (including Term SOFR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (y) if a tenor that was removed pursuant to clause (x) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(iv) Any determination, decision or election that may be made by the Administrative Agent or the Lenders pursuant to this Section 2.12, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.12.

Section 2.13 Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) subject the Administrative Agent or any Lender to any Tax with respect to any Loan Document (other than (i) Taxes indemnifiable under Section 2.15 (whether or not any additional amount is payable by any of the Loan Parties pursuant to Section 2.15) or (ii) Excluded Taxes); or

(iii) impose on any Lender or the London or other relevant interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan or of maintaining its obligation to make any such Loan or to reduce the amount of any sum received or receivable by such Lender hereunder, whether of principal, interest or otherwise, then the applicable Borrower will pay to the Administrative Agent or such Lender, as applicable, such additional amount or amounts as will compensate the Administrative Agent or such Lender, as applicable, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans or Commitments made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's or holding company with respect to capital adequacy and liquidity), then from time to time the Borrowers shall (and shall be jointly and severally obligated to) pay to such Lender, as applicable, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in clause (a) or (b) of this Section 2.13 shall be delivered to the applicable Borrower and shall be conclusive absent manifest error; provided, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers, which as a credit matter, are similarly situated to the Borrowers and which are subject to similar provisions. The Borrowers shall pay such Lender, as applicable, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.13, such Lender shall notify the Borrowers thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.13 shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrowers shall not be required to compensate a Lender pursuant to this Section 2.13 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.14 Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 2.08 or 2.09), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.08(c) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by a Borrower pursuant to Section 2.17, then, in any such event, the Borrowers shall (and shall be jointly and severally obligated to) compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued or has been payable on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the relevant currency of a comparable amount and period from other banks in the eurocurrency market or other applicable market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.14 shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.15 Taxes. (a) Any and all payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided, that if a Loan Party, the Administrative Agent or any other applicable withholding agent shall be required by applicable Requirement of Law to deduct or withhold any Taxes from such payments, then (i) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any applicable Requirement of Law, (ii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with applicable Requirement of Law, and (iii) to the extent withholding or deduction is required to be made on account of Indemnified Taxes, the sum payable by the Loan Party shall be increased as necessary so that after

all required deductions and withholdings have been made (including deductions or withholdings applicable to additional sums payable under this Section 2.15) the Administrative Agent or any Lender, as applicable, receives an amount equal to the sum it would have received had no such deductions or withholdings been made. Whenever any Indemnified Taxes are payable by a Loan Party, as promptly as possible thereafter, such Loan Party shall send to the Administrative Agent for its own account or for the account of a Lender, as the case may be, a copy of an official receipt (or other evidence acceptable to the Administrative Agent or such Lender, acting reasonably) received by the Loan Party showing payment thereof. Without duplication, after any payment of Taxes by any Loan Party or the Administrative Agent to a Governmental Authority as provided in this Section 2.15, the Borrowers shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrowers, as the case may be, a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by applicable Requirements of Law to report such payment or other evidence of such payment reasonably satisfactory to the Borrowers or the Administrative Agent, as the case may be.

(b) The Borrowers shall timely pay any Other Taxes imposed on or incurred by the Administrative Agent or any Lender to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c) The Borrowers shall, without duplication of any additional amounts paid pursuant to Section 2.15(a)(iii), indemnify and hold harmless the Administrative Agent and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on the Administrative Agent or such Lender, as applicable, as the case may be (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to a Borrower by a Lender or by the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which a Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the applicable Borrower (with a copy to the Administrative Agent), at the time(s) and in the manner(s) prescribed by applicable law or reasonably requested by such Borrower such properly completed and executed documentation prescribed by applicable law or reasonably requested by such Borrower as will permit such payments to be made without withholding or at a reduced rate. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation shall only be required to the extent the relevant Lender is legally eligible to do so.

Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.15(d) and Section 2.15(e); provided that a Participant shall furnish all such required forms and statements to the person from which the related participation shall have been purchased.

(e) Each Lender and Administrative Agent that is a "United States person", as defined in section 7701(a)(30) of the Code, shall deliver, at the time(s) and in the manner(s) prescribed by applicable law or reasonably requested by any Borrower, to the Borrower and the Administrative Agent (as applicable) a properly completed and duly executed United States Internal Revenue Form W-9 or any successor form, certifying that such person is exempt from United States backup withholding Tax. Each Lender and Administrative Agent that is not a "United States person", as defined in section 7701(a)(30) of the Code, shall, if it is entitled to an exemption from or reduction in the rate of U.S. federal withholding Tax under the Code or any treaty to which the United States is a party with respect to payments under this Agreement, deliver, on or prior to the date on which such person becomes a Lender and at the time(s) and manner prescribed by applicable law, to the Borrower and the Administrative Agent (as applicable) a properly completed and duly executed applicable United States Internal Revenue Form(s) W-8 (or any successor form) and any related documentation establishing its entitlement to such exemption or reduction.

(f) If any Lender or the Administrative Agent, as applicable, determines, in its sole discretion, that it has received a refund of an Indemnified Tax for which a payment has been made by a Loan Party pursuant to this Agreement or any other Loan Document, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Loan Party, then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in its sole discretion to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax giving rise to such refund had not been imposed in the first instance; provided that the Loan Party, upon the request of the Lender or the Administrative Agent agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrowers' request, provide the Borrowers with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided, that such Lender or the Administrative Agent may delete any information therein that it deems confidential). A Lender or the Administrative Agent shall claim any refund that it determines is available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. No Lender nor the Administrative Agent shall be obliged to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party in connection with this clause (f) or any other provision of this Section 2.15.

(g) Each Lender shall severally indemnify (x) the Administrative Agent for any Taxes (but, in the case of any Indemnified Taxes, only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of each Loan Party to do so), including any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04 relating to the maintenance of a Participant Register and (y) each Loan Party, for any Excluded Taxes, in each case attributable to such Lender that are paid or payable by the Administrative Agent or a Loan Party, in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 2.15(g) shall be paid within ten (10) days after the Administrative Agent or a Loan Party delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by the Administrative Agent or such Loan Party. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.15(g).

(h) If a payment made to any Lender or any Agent under this Agreement or any other Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender or such Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or such Agent shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.15(h), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(i) Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

For purposes of this Section 2.15, the term "applicable Requirement of Law" includes FATCA.

Section 2.16 Payments Generally; Pro Rata Treatment; Sharing of Set-offs. (a) Unless otherwise specified, each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest or fees, or of amounts payable under Sections 2.13, 2.14 or 2.15, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds, without condition or deduction for any defense, recoupment, set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made (i) in the same currency in which the applicable Credit Event was made and (ii) to the Administrative Agent to the

applicable account designated to the Borrowers by the Administrative Agent, except that payments pursuant to Sections 2.13, 2.14, 2.15 and 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments denominated in the same currency received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) Any proceeds of Collateral received by the Administrative Agent (whether as a result of any realization on the Collateral, any setoff rights, any distribution in connection with any proceedings or other action of any Loan Party in respect of Debtor Relief Laws or otherwise and whether received in cash or otherwise) (i) not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied on a pro rata basis among the relevant Lenders under the Class of Loans being prepaid as specified by the Borrowers) or (B) a mandatory prepayment (which shall be applied in accordance with Section 2.09) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, such funds shall be applied, subject to the provisions of the Intercreditor Agreement, ratably first, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent and the Collateral Agent from the Borrowers, second, to pay any fees or expense reimbursements then due to the Lenders (in their capacities as such) from the Borrowers, third, to pay interest (including post-petition interest, whether or not an allowed claim in any claim or proceeding under any Debtor Relief Laws) then due and payable on the Loans ratably, fourth, to repay principal on the Loans and any other amounts owing with respect to Secured Cash Management Agreements and Secured Hedge Agreements ratably, and fifth, to the payment of any other Obligation due to any Secured Party by the Borrowers.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Term Loans of a given Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans of such Class and accrued interest thereon than the proportion received by any other Lender entitled to receive the same proportion of such payment, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans of such Class of such other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders ratably in accordance with the principal amount of each such Lender's respective Term Loans of such Class and accrued interest thereon; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment

of or sale of a participation in any of its Loans to any assignee or participant, other than, except as provided in Section 2.23, to the Parent or any Subsidiary thereof (as to which the provisions of this paragraph shall apply) and (iii) nothing in this Section 2.16(c) shall be construed to limit the applicability of Section 2.16(b) in the circumstances where Section 2.16(b) is applicable in accordance with its terms. The Borrowers consent to the foregoing and agree, to the extent they may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against any Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the applicable Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Lux Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the relevant Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Lux Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the relevant Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of relevant Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(b), 2.03(d) or (e), 2.04, or 2.16(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section 2.16; in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

Section 2.17 Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.13, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15 or mitigate the applicability of Section 2.18 or any event that gives rise to the operation of Section 2.18, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.13 or 2.15, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby jointly and severally agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.13 (in a material amount in excess of that being changed by other Lenders) or gives notice under Section 2.18 or (ii) a Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15 (in a material amount in excess of that being charged by other Lenders), then the respective Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under the Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent, to the extent consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent, in each case, shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.13, payments required to be made pursuant to Section 2.15 or a notice given under Section 2.18, such assignment will result in a reduction in such compensation or payments and (iv) such assignment does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrowers, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04, provided, that if such removed Lender does not comply with Section 9.04 within one Business Day after the applicable Borrower's request, compliance with Section 9.04 (but only on the part of the removed Lender) shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver or consent which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected thereby and with respect to which the Required Lenders shall have granted their consent, then any Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(C)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the applicable Borrower's request) assign its Loans and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund); provided, that: (i) all Loan Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full in same day funds to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and the replacement Lender or, at the option of the Borrowers, the Borrowers shall pay any amount required by Section 2.10(b) or (c), if applicable, and (iii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver or consent. No action by or consent of the Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrowers, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the applicable Borrower's request, compliance with Section 9.04 (but only on the part of the Non-Consenting Lender) shall not be required to effect such assignment.

(d) Each party hereto agrees that (a) an assignment required pursuant to this Section 2.17 may be effected pursuant to an Assignment and Acceptance executed by the Lux Borrower, the Administrative Agent and the Assignee and (b) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to an be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender; provided, further that any such documents shall be without recourse to or warranty by the parties thereto.

Section 2.18 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund any Eurocurrency Loans, or to determine or charge interest rates based upon the LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market then, on notice thereof by such Lender to the Lux Borrower through the Administrative Agent, (i) any obligations of such Lender to make or continue Eurocurrency Loans or to convert ABR Borrowings to Eurocurrency Borrowings shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Adjusted LIBO Rate component of the ABR, the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the ABR, in each case until such Lender notifies the Administrative Agent and the Lux Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall upon demand from such Lender (with a copy to the Administrative Agent), convert all Eurocurrency Borrowings of such Lender to ABR Borrowings (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted LIBO Rate component of the ABR), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the LIBO Rate, the Administrative Agent shall during the period of such suspension compute the ABR applicable to such Lender without reference to the Adjusted LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the LIBO Rate. Upon any such prepayment or conversion, the Borrowers shall also pay (and shall be jointly and severally obligated to pay) accrued interest on the amount so prepaid or converted.

Section 2.19 Incremental Commitments. (a) The Borrowers may, by written notice to the Administrative Agent from time to time, request Incremental Term Loan Commitments in an amount not to exceed the Incremental Amount available immediately prior to the time such Incremental Term Loan Commitments are established from one or more Incremental Term Lenders (which may include any existing Lender, but shall be required to be persons which would qualify as assignees of a Lender in accordance with Section 9.04) willing to provide such Incremental Term Loans in their own discretion. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments requested (which shall be in minimum increments of $5,000,000 and a minimum amount of $10,000,000, or equal to the remaining Incremental Amount or, in each case, such lesser amount approved by the Administrative Agent), (ii) the date on which such Incremental Term Loan Commitments are requested to become effective, and (iii) whether such Incremental Term Loan Commitments are to be (x) commitments to make term loans with terms identical to (and which shall together with any then outstanding 2017 Replacement Term Loans or 2018 Replacement Term Loans, as applicable, form a single Class of) the 2017 Replacement Term Loans or the 2018 Replacement Term Loans, as applicable, or (y) commitments to make term loans with pricing, maturity, amortization, participation in mandatory prepayments and/or other terms different from the 2017 Replacement Term Loans and the 2018 Replacement Term Loans ("Other Incremental Term Loans").

(b) The Borrowers and each Incremental Term Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans; provided, that:

(i) any commitments to make additional 2017 Replacement Term Loans or 2018 Replacement Term Loans shall have the same terms as the 2017 Replacement Term Loans or the 2018 Replacement Term Loans, as applicable, and shall form part of the same Class of 2017 Replacement Term Loans or 2018 Replacement Term Loans, as applicable,

(ii) the Other Incremental Term Loans incurred pursuant to clause (a) of this Section 2.19 shall rank equally and ratably in right of security with the Initial Term Loans or, at the option of the Lux Borrower, shall rank junior in right of security with the Initial Term Loans (provided, that if such Other Incremental Term Loans rank junior in right of security with the Initial Term Loans, such Other Incremental Term Loans shall be subject to a Permitted Junior Intercreditor Agreement and, for the avoidance of doubt, shall not be subject to clause (v) below),

(iii) the final maturity date of any such Other Incremental Term Loans shall be no earlier than the Latest Maturity Date applicable to Term Loans in effect at the date of incurrence of such Other Incremental Term Loans and, except as to pricing, amortization, final maturity date, participation in mandatory prepayments and ranking as to security (which shall, subject to the other clauses of this proviso, be determined by the Borrowers and the Incremental Term Lenders in their sole discretion), shall have (x) the same terms as the 2017 Replacement Term Loans and the 2018 Replacement Term Loans Term Loans or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent,

(iv) the Weighted Average Life to Maturity of any such Other Incremental Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans with the Latest Maturity Date,

(v) [reserved],

(vi) such Other Incremental Term Loans may participate on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) than the Initial Term Loans in any mandatory prepayment hereunder,

(vii) there shall be no borrower (other than the Borrowers) or guarantor (other than the Guarantors) in respect of any Incremental Term Loan Commitments, and

(viii) Other Incremental Term Loans shall not be secured by any asset of the Parent or its Subsidiaries other than the Collateral.

Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments evidenced thereby as provided for in Section 9.08(e). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.19 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment shall become effective under this Section 2.19 unless (i) no Default or Event of Default shall exist; provided that, in the event that any tranche of Incremental Term Loans is used to finance a Permitted Business Acquisition and to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (i) shall be tested at the time of the execution of the acquisition agreement related to such Permitted Business Acquisition (provided that such Incremental Term Lenders shall not be permitted to waive any Default or Event of Default then existing or existing after giving effect to such tranche of Incremental Term Loans); (ii) the representations and warranties of the Parent and the Borrowers set forth in this Agreement shall be true and correct in all material respects (other than to the extent qualified by materiality or "Material Adverse Effect," in which case, such representations and warranties shall be true and correct); provided that, in the event that the tranche of Incremental Term Loans is used to finance a Permitted Business Acquisition and to the extent the Incremental Term Lenders participating in such tranche of Incremental Term Loans agree, the foregoing clause (ii) shall be limited to customary "specified representations" and those representations of the seller or the target company (as applicable) included in the acquisition agreement related to such Permitted Business Acquisition that are material to the interests of the Lenders and only to the extent that the Parent or its applicable Subsidiary has the right to terminate its obligations under such acquisition agreement as a result of a breach of such representations; and (iii) the Administrative Agent shall have received documents and legal opinions consistent with those delivered on the Closing Date as to such matters as are reasonably requested by the Administrative Agent. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Assumption Agreement.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that all Incremental Term Loans (other than Other Incremental Term Loans), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a pro rata basis. The Borrowers agree that Section 2.14 shall apply to any conversion of Eurocurrency Loans to ABR Loans reasonably required by the Administrative Agent to effect the foregoing.

Section 2.20 Extensions of Loans. (a) Notwithstanding anything to the contrary in this Agreement, including Section 2.16(c) (which provisions shall not be applicable to this Section 2.20), pursuant to one or more offers made from time to time by the Borrowers to all Lenders of any Class of Term Loans, having a like Term Facility Maturity Date on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class) and on the same terms to each such Lender ("Pro Rata Extension Offers"), the Borrowers are hereby permitted to consummate transactions with individual Lenders from time to time to extend the maturity date of such Lender's Loans of such Class and to otherwise modify the terms of such Lender's Loans of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including, without limitation, increasing the interest rate or fees payable in respect of such Lender's Loans and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean that all of the Term Loans of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "Extension") agreed to between the Borrowers and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Other Term Loan for such Lender if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan"). Each Pro Rata Extension Offer shall specify the date on which the Borrowers propose that the Extended Term Loan shall be made, which shall be a date not earlier than five Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(b) The Borrowers and each Extending Lender shall execute and deliver to the Administrative Agent an amendment to this Agreement (an "Extension Amendment") and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans of such Extending Lender. Each Extension Amendment shall specify the terms of the applicable Extended Term Loans; provided, that (i) except as to interest rates, fees and any other pricing terms, and amortization, final maturity date and participation in prepayments and commitment reductions (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Borrowers and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have (x) the same terms as the existing Class of Term Loans from which they are extended or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Extended Term Loans shall be no earlier than the latest Term Facility Maturity Date in effect on the date of incurrence, (iii) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates, and (iv) any Extended

Term Loans may participate on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) than the Initial Term Loans in any mandatory prepayment hereunder. Upon the effectiveness of any Extension Amendment, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Borrowers' consent (not to be unreasonably withheld) and furnished to the other parties hereto.

(c) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan. For purposes of this Agreement and the other Loan Documents, such Extending Lender will be deemed to have an Other Term Loan having the terms of such Extended Term Loan.

(d) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.20), (i) [reserved,] (ii) no Extended Term Loan is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend all or any portion of its Term Loans pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan), (iv) there shall be no condition to any Extension of any Loan at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan implemented thereby, (v) all Extended Term Loans and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that rank equally and ratably in right of security with all other Obligations of the Class being extended (and all other Obligations secured by Other First Liens), and (vi) there shall be no obligor in respect of any such Extended Term Loans except (x) the borrowers shall be comprised solely of any or all of the Lux Borrower and the Co-Borrower (on a joint and several basis as provided in this Agreement) and (y) the guarantors shall constitute the Guarantors hereunder.

(e) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided, that the Borrowers shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

Section 2.21 Refinancing Amendments. (a) Notwithstanding anything to the contrary in this Agreement, including Section 2.16(c) (which provisions shall not be applicable to this Section 2.21), the Borrowers may by written notice to the Administrative Agent establish one or more additional tranches of term loans under this Agreement (such loans, "Refinancing Term Loans"), all Net Proceeds of which are used to Refinance in whole or in part any Class of Term Loans pursuant to Section 2.09(b)(2). Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Borrowers propose that the Refinancing Term Loans shall be made, which shall be a date not earlier than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its sole discretion); provided, that:

(i) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.01 shall be satisfied;

(ii) the final maturity date of the Refinancing Term Loans shall be no earlier than the Term Facility Maturity Date of the refinanced Term Loans;

(iii) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the then-remaining Weighted Average Life to Maturity of the refinanced Term Loans;

(iv) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Term Loans plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith;

(v) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and any other pricing terms and optional prepayment or mandatory prepayment or redemption terms, which in each case shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans) taken as a whole shall (as determined by the Lux Borrower in good faith) be substantially similar to, or not materially less favorable to the Parent and its Subsidiaries than, the terms, taken as a whole, applicable to the Term Loans being refinanced (except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date or are otherwise reasonably acceptable to the Administrative Agent);

(vi) with respect to Refinancing Term Loans secured by Liens on the Collateral that rank junior in right of security to the Initial Term Loans, such Liens will be subject to a Permitted Junior Intercreditor Agreement;

(vii) there shall be no direct or contingent obligor in respect of such Refinancing Term Loans except (x) the borrowers shall be comprised solely of any or all of the Lux Borrower and the Co-Borrower (on a joint and several basis as provided in this Agreement) and (y) the guarantors shall constitute the Guarantors hereunder;

(viii) Refinancing Term Loans shall not be secured by any asset of the Parent and its subsidiaries other than the Collateral; and

(ix) Refinancing Term Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any mandatory prepayments (other than as provided otherwise in the case of such prepayments pursuant to Section 2.09(b)(2)) hereunder, as specified in the applicable Refinancing Amendment.

(b) The Borrowers may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; provided, that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; provided, further, that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Amendment governing such Refinancing Term Loans, be designated as an increase in any previously established Class of Term Loans made to the Borrowers.

(c) [Reserved.]

(d) [Reserved.]

(e) The Borrowers and each Lender providing the applicable Refinancing Term Loans shall execute and deliver to the Administrative Agent an amendment to this Agreement (a "Refinancing Amendment") and such other documentation as the Administrative Agent shall reasonably specify to evidence such Refinancing Term Loans. For purposes of this Agreement and the other Loan Documents, if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Other Term Loan having the terms of such Refinancing Term Loan. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including without limitation this Section 2.21), (i) [reserved,] (ii) no Refinancing Term Loan is required to be in any minimum amount or any minimum increment, (iii) there shall be no condition to any incurrence of any Refinancing Term Loan at any time or from time to time other than those set forth in clauses (a) or (c) above, as applicable, and (iv) all Refinancing Term Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that rank equally and ratably in right of security with the Initial Term Loans and other Loan Obligations (other than Other Incremental Term Loans that rank junior in right of security with the Initial Term Loans, and except to the extent any such Refinancing Term Loans are secured by the Collateral on a junior lien basis in accordance with the provisions above).

Section 2.22 [Reserved.]

Section 2.23 Loan Repurchases. (a) Subject to the terms and conditions set forth or referred to below, the Lux Borrower may from time to time, at its discretion, conduct modified Dutch auctions in order to purchase its Term Loans of one or more Classes (as determined by the Lux Borrower) (each, a "Purchase Offer"), each such Purchase Offer to be managed exclusively by the Administrative Agent (or such other financial institution chosen by the Parent and reasonably acceptable to the Administrative Agent) (in such capacity, the "Auction Manager"), so long as the following conditions are satisfied:

(i) each Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.23 and the Auction Procedures and the consideration given by the Lux Borrower in any such Purchase Offer shall consist solely of cash;

(ii) no Default or Event of Default shall have occurred and be continuing on the date of the delivery of each notice of an auction and at the time of (and immediately after giving effect to) the purchase of any Term Loans in connection with any Purchase Offer;

(iii) the principal amount (calculated on the face amount thereof) of each and all Classes of Term Loans that the Lux Borrower offers to purchase in any such Purchase Offer shall be no less than U.S. $25,000,000 (unless another amount is agreed to by the Administrative Agent) (across all such Classes);

(iv) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans of the applicable Class or Classes so purchased by the Lux Borrower shall automatically be cancelled and retired by the Lux Borrower on the settlement date of the relevant purchase (and may not be resold), and in no event shall the Lux Borrower be entitled to any vote hereunder in connection with such Term Loans;

(v) no more than one Purchase Offer with respect to any Class may be ongoing at any one time;

(vi) the Lux Borrower represents and warrants that no Loan Party shall have any material non-public information with respect to the Loan Parties or their Subsidiaries, or with respect to the Loans or the securities of any such person, that (A) has not been previously disclosed in writing to the Administrative Agent and the Lenders (other than because such Lender does not wish to receive such material non-public information) prior to such time and (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to participate in the Purchase Offer;

(vii) at the time of each purchase of Term Loans through a Purchase Offer, the Lux Borrower shall have delivered to the Auction Manager an officer's certificate of a Responsible Officer certifying as to compliance with the preceding clause (vi); and

(viii) any Purchase Offer with respect to any Class shall be offered to all Term Lenders holding Term Loans of such Class on a pro rata basis.

(b) The Lux Borrower must terminate any Purchase Offer if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Purchase Offer. If the Lux Borrower commences any Purchase Offer (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Purchase Offer have in fact been satisfied), and if at such time of commencement the Lux Borrower reasonably believes that all required conditions set forth above which are required to be satisfied at the time of the consummation of such Purchase Offer shall be satisfied, then the Lux Borrower shall have no liability to any Term Lender for any termination of such Purchase Offer as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of consummation of such Purchase Offer, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of

Term Loans of any Class or Classes made by the Lux Borrower pursuant to this Section 2.23, (x) the Lux Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans of the applicable Class or Classes up to the settlement date of such purchase and (y) such purchases (and the payments made by the Lux Borrower and the cancellation of the purchased Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.09 hereof.

(c) The Administrative Agent and the Lenders hereby consent to the Purchase Offers and the other transactions effected pursuant to and in accordance with the terms of this Section 2.23; provided that, notwithstanding anything to the contrary contained herein, no Lender shall have an obligation to participate in any such Purchase Offer. For the avoidance of doubt, it is understood and agreed that the provisions of Sections 2.14, 2.16 and 9.04 will not apply to the purchases of Term Loans pursuant to Purchase Offers made pursuant to and in accordance with the provisions of this Section 2.23. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Article VIII and Section 9.05 to the same extent as if each reference therein to the "Agents" were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Purchase Offer.

(d) This Section 2.23 shall supersede any provisions in Section 2.16 or 9.06 to the contrary.

ARTICLE III

Except as, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, the consummation of the Transactions will not give rise to a right of termination or right of renegotiation on the part of any union under any material collective bargaining agreement to which the Parent or any of the Subsidiaries (or any predecessor) is a party or by which the Parent or any of the Subsidiaries (or any predecessor) is bound.

Section 3.20 Insurance. Section 4.02 First Credit Event. In addition to the relevant conditions specified in preceding Section 4.01, on or prior to the Closing Date:

(h) Except as set forth in the last paragraph of Section 5.10 and in Schedule 5.12 (which, for the avoidance of doubt, shall override the applicable clauses of the definition of "Collateral and Guarantee Requirement" for the purposes of this Section 4.02) and subject to the grace periods and post-closing periods set forth in such definition, the Collateral and Guarantee Requirement shall be satisfied (or waived in accordance with Section 9.08) as of the Closing Date.

Notwithstanding anything to the contrary, it is understood that to the extent any Collateral may not be perfected by (A) the filing of a Uniform Commercial Code financing statement, (B) taking delivery and possession of a stock certificate of each Borrower and any Guarantor organized or incorporated in Luxembourg, Switzerland, the United Kingdom, Ireland, the Netherlands or the United States or any State thereof, the Equity Interests of which are certificated and are required to be pledged pursuant this Agreement or (C) the filing of a short-form security agreement with the United States Patent and Trademark Office or the United States Copyright Office, if the perfection of the Collateral Agent's security interest in such Collateral may not be accomplished prior to the Closing Date after the use of commercially reasonable efforts by the Parent and each Borrower to do so and without undue burden and expense, then the perfection of the security interest in such Collateral shall not constitute a condition precedent to the initial Credit Event but, instead, shall be delivered after the Closing Date in accordance with Section 5.12.

ARTICLE V

Affirmative Covenants

The Parent and each Borrower covenants and agrees with each Lender that, until the Termination Date, unless the Required Lenders shall otherwise consent in writing, the Parent and each Borrower will, and will cause each of the Subsidiaries to:

Section 5.01 Existence; Business and Properties. (a) Do or cause to be done all things necessary to preserve, renew and keep in full force and effect its legal existence, except (i) in the case of a Subsidiary (other than any Borrower or a Material Subsidiary), where the failure to do so would not reasonably be expected to have a Material Adverse Effect, (ii) as otherwise permitted under Section 6.05, and (iii) for the liquidation or dissolution of Subsidiaries (other than any Borrower) if the assets of such Subsidiaries to the extent they exceed estimated liabilities are acquired by the Parent or a Wholly Owned Subsidiary of the Parent in such liquidation or dissolution; provided that (x) Subsidiary Loan Parties may not be liquidated into Subsidiaries that are not Loan Parties, and (y) Domestic Subsidiaries may not be liquidated into Foreign Subsidiaries (except in each case as permitted under Section 6.05(n)).

Notwithstanding the foregoing, the Parent and the Subsidiaries may self-insure with respect to such risks with respect to which companies of established reputation engaged in the same general line of business in the same general area usually self-insure.

With respect to any DDA (other than an Excluded Account) described in clause (ii)(A) of the definition thereof maintained by an Irish Loan Party, cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. For purposes of determining compliance with this Section 6.01 or Section 6.02, the amount of any Indebtedness denominated in any currency other than Dollars shall be calculated based on customary currency exchange rates in effect, in the case of such Indebtedness incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) on or prior to the Closing Date, on the Closing Date and, in the case of such Indebtedness incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness) after the Closing Date, on the date on which such Indebtedness was incurred (in respect of term Indebtedness) or committed (in respect of revolving Indebtedness); provided, that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than Dollars (or in a different currency from the Indebtedness being refinanced), and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums (including tender premiums), defeasance costs and other costs and expenses incurred in connection with such refinancing.

Further, for purposes of determining compliance with this Section 6.01, (A) Indebtedness need not be permitted solely by reference to one category of permitted Indebtedness (or any portion thereof) described in Sections 6.01(a) through (bb) but may be permitted in part under any relevant combination thereof (and subject to compliance, where relevant, with Section 6.02) and (B) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Indebtedness (or any portion thereof) described in Sections 6.01(a) through (bb), a Borrower may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if incurred at such later time), such item of Indebtedness (or any portion thereof) in any manner that complies with this Section 6.01 and following Section 6.02 and will be entitled to only include the amount and type of such item of Indebtedness (or any portion thereof) in one of the above clauses (or any portion thereof) and such item of Indebtedness (or any portion thereof) shall be treated as having been incurred or existing pursuant to only such clause or clauses (or any portion thereof) without giving pro forma effect to such item (or portion thereof) when calculating the amount of Indebtedness that may be incurred pursuant to any other clause; provided, that (v) all Indebtedness outstanding under this Agreement shall at all times be deemed to have been incurred pursuant to clause (b) of this Section 6.01, (w) all Indebtedness outstanding on the Closing Date under the Existing Secured Indentures (other than the Existing First Lien Notes and the New First Lien Notes) shall at all times be deemed to have been incurred pursuant to clause (bb) of this Section 6.01, (x) all Indebtedness outstanding on the Closing Date in respect of the Existing First Lien Notes and the New First Lien Notes shall at all times be deemed to have been incurred pursuant to clause (v) of this Section 6.01, (y) all Indebtedness described in Schedule 6.01 (and any Permitted Refinancing Indebtedness incurred in respect thereof) shall be deemed outstanding under Section 6.01(a) and (z) all Indebtedness owing to the Parent or any of its Subsidiaries must be justified as incurred (and outstanding) pursuant to one or more of Sections 6.01(a), (e), (m) and (w). In addition, with respect to any Indebtedness that was permitted to be incurred hereunder on the date of such incurrence, any Increased Amount of such Indebtedness shall also be permitted hereunder after the date of such incurrence.

This Agreement will not treat (1) unsecured Indebtedness as subordinated or junior in right of payment to secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior in right of payment to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Section 6.10 Fiscal Year. In the case of the Parent, permit any change to its fiscal year; provided that the Parent and its Subsidiaries may change their fiscal quarter and/or fiscal year end one or more times, subject to such adjustments to this Agreement as a Borrower and Administrative Agent shall reasonably agree are necessary or appropriate in connection with such change (and the parties hereto hereby authorize either Borrower and the Administrative Agent to make any such amendments to this Agreement as they jointly deem necessary to give effect to the foregoing).

(g) there shall have occurred a Change of Control;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Parent or any of the Material Subsidiaries, or of a substantial part of the property or assets of the Parent or any Material Subsidiary, under the Bankruptcy Code, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner, liquidator or similar official for the Parent or any of the Material Subsidiaries or for a substantial part of the property or assets of the Parent or any of the Material Subsidiaries, (iii) the winding-up, liquidation, reorganization, dissolution, compromise, arrangement or other relief of the Parent or any Material Subsidiary (except in a transaction permitted hereunder) or (iv) in the case of a Lux Loan Party, become subject to a court ordered liquidation (*liquidation judiciaire*); and in each case such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

1990), but not (for the avoidance of doubt) where such notice is (deemed) filed by reason of a request by that person for the postponement of its tax liability payments made – and the authorities' consent to and actual postponement of such payments – in accordance with the Decree of the Dutch State Secretary of Finance dated 16 December 2021, Decree nr. 2021 – 258581 (*Besluit noodmaatregelen coronacrisis*) (as amended from time to time);

(j) the failure by any Borrower or any Material Subsidiary to pay one or more final judgments aggregating in excess of $75,000,000, which judgments are not discharged or effectively waived or stayed for a period of 45 consecutive days, or any action shall be legally taken by a judgment creditor to attach or levy upon assets or properties of the Parent or any Material Subsidiary to enforce any such judgment;

(k) (i) an ERISA Event shall have occurred, (ii) the PBGC shall institute proceedings (including giving notice of intent thereof) to terminate any Plan or Plans, (iii) the Parent or any Subsidiary or any ERISA Affiliate shall have been notified by the sponsor of a Multiemployer Plan that such Multiemployer Plan is being terminated, within the meaning of Title IV of ERISA; and in each case in clauses (i) through (iii) above, such event or condition, together with all other such events or conditions, if any, would reasonably be expected to have a Material Adverse Effect;

(l) (i) any Loan Document shall for any reason be asserted in writing by the Parent, any Borrower or any Subsidiary Loan Party not to be a legal, valid and binding obligation of any party thereto, (ii) any security interest purported to be created by any Security Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by the Parent or any other Loan Party not to be, a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations as they apply to pledges of Equity Interests in Foreign Subsidiaries or the application thereof, or from failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the U.S. Collateral Agreement or to file Uniform Commercial Code continuation statements or take actions described in on Schedule 3.04 (or their equivalent in any applicable jurisdiction) (so long as such failure does not result from the breach or non-compliance with the Loan Documents by any Loan Party), or (iii) the Guarantee of the Parent, or a material portion of the Guarantees pursuant to the Loan Documents by the Subsidiary Loan Parties guaranteeing the Obligations, shall cease to be in full force and effect (other than in accordance with the terms thereof), or shall be asserted in writing by the Parent or any Subsidiary Loan Party not to be in effect or not to be legal, valid and binding obligations (other than in accordance with the terms thereof); provided, that no Event of Default shall occur under this Section 7.01(l) if the Loan Parties cooperate with the Collateral Agent to replace or perfect such security interest and Lien, such security interest and Lien is promptly replaced or perfected (as needed) and the rights, powers and privileges of the Secured Parties are not materially adversely affected by such replacement; or

(m) any Loan Party shall fail to make any payment of deferred settlement obligations or interest (but not professional fees or expenses) required by, or shall otherwise materially breach (in a fashion that would reasonably be expected to cause the termination of), the DOJ Settlement and such failure or breach shall be continuing without having been cured promptly;

then, and in every such event (other than an event with respect to the Parent or a Borrower described in clause (h) or (i) above), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Borrowers, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part (in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document with respect thereto, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Parent and each Borrower, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event with respect to the Parent or a Borrower described in clause (h) or (i) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall automatically become due and payable, anything contained herein or in any other Loan Document to the contrary notwithstanding.

ARTICLE VIII

The Agents

Section 8.01 Appointment. (a) Each Lender (in its capacity as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints each Co-Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents (other than the Security Documents) and the Collateral Agent as the agent of such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent and the Collateral Agent, in such respective capacities, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent and the Collateral Agent, as applicable, by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto, including for the avoidance of doubt the entering into of any parallel obligations provisions under any Loan Documents for purpose of holding security governed by the law of any jurisdiction outside the United States; provided, that the appointment of Seaport as a Co-Administrative Agent is solely with respect to its capacity in processing assignments of the Term Loans under this Agreement (and Seaport shall not be required to, or have any duty to or responsibility for, acting in any other capacities, without its prior written consent). In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders hereby grants to each of the Administrative Agent and the Collateral Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such

Lender's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, neither the Administrative Agent nor the Collateral Agent shall have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent. The provisions of this Article (other than the final paragraph of Section 8.12 hereof) are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders, and neither the Borrowers nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions.

(b) In furtherance of the foregoing, each Lender (in its capacity as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements) hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.07) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto.

Section 8.02 Delegation of Duties. The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any such agents, employees or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided, that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent. Should any instrument in writing from the Parent or any Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, the Parent or such Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, attorney-in-fact or Subagent that it selects with reasonable care.

Section 8.03 Exculpatory Provisions. None of the Agents, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that the respective Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability (unless such Agent receives an indemnification and is exculpated in a manner satisfactory to it from the applicable Lenders with respect to such action) or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Laws, provided, that such Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided and (c) no Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall be liable for the failure to disclose, any information relating to the Parent or any of its Subsidiaries or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to such Agent in accordance with Section 8.05. No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received notice to the contrary from such Lender prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to Parent or the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent in accordance with Section 9.04. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless (a) it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), in each case as it deems appropriate or (b) it shall first be indemnified to its satisfaction by the Lenders of the relevant Class or Classes requesting such action against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.05 Notice of Default. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender, the Parent or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent and the Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided, that unless and until the Administrative Agent or the Collateral Agent, as applicable, shall have received such directions, the Administrative Agent or the Collateral Agent, as applicable, may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.06 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective Related Parties have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender as to any matter, including whether such Agent have disclosed material information in their (or their Related Parties') possession. Each Lender represents to the Agents and their respective Related Parties that it has, independently and

without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of, the Loan Parties and their affiliates and all applicable bank or other regulatory laws relating to the transactions contemplated hereby, and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents or any related agreement or any document furnished hereunder or thereunder, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender or any of their respective Related Parties, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents or any related agreement or any document furnished hereunder or thereunder, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Each Lender represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent or the Collateral Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of such Agent or any of their Related Parties.

Section 8.07 Indemnification. The Lenders agree to indemnify each Agent in its capacity as such (to the extent not reimbursed by Parent or the Borrowers and without limiting the obligation of Parent or the Borrowers to do so), in the amount of its *pro rata* share (based on its outstanding Term Loans) (determined at the time such indemnity is sought or, if the respective Obligations have been repaid in full, as determined immediately prior to such repayment in full), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the
