Explanatory Note

As previously disclosed, on October 12, 2020, Mallinckrodt plc, an Irish public limited company ("**Mallinckrodt**"), and certain of its subsidiaries voluntarily initiated proceedings under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") in the U.S. Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**"). Also as previously disclosed, on February 3, 2022, the Bankruptcy Court issued an opinion (which was subsequently revised on February 8, 2022 to make minor corrections) stating its intention to confirm Mallinckrodt's Fourth Amended Joint Plan of Reorganization of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code. Also as previously disclosed, on March 2, 2022, the Bankruptcy Court entered an order (the "**Confirmation Order**") confirming the Fourth Amended Joint Plan of Reorganization (with Technical Modifications) of Mallinckrodt Plc and Its Debtor Affiliates Under Chapter 11 of the Bankruptcy Code (as amended, supplemented or otherwise modified, the "**Plan**").

Also as previously disclosed, on February 14, 2022, the directors of Mallinckrodt initiated examinership proceedings before the High Court of Ireland (the "**Irish High Court**"), and on February 28, 2022, the Irish High Court made an order appointing Mr. Michael McAteer of Grant Thornton Ireland as examiner of Mallinckrodt (the "**Examiner**"). Subsequently, on April 27, 2022, the Irish High Court made an order pursuant to Section 541(3) of the Companies Act of Ireland confirming a scheme of arrangement proposed by the Examiner between Mallinckrodt, its creditors and members, which is based on and consistent in all respects with the Plan (the "**Scheme of Arrangement**"). Also as previously disclosed, on April 27, 2022, the Irish High Court also made an order pursuant to Section 542(3) of the Companies Act of Ireland that the Scheme of Arrangement would become effective on the same date that the Plan becomes effective. At such time, the Scheme of Arrangement would become binding on Mallinckrodt, its creditors and members as a matter of the laws of Ireland, the examinership proceedings would conclude, and Mallinckrodt would cease to be under the protection of the Irish High Court. On June 8, 2022, the Bankruptcy Court entered an order approving a minor modification to the Plan, which is reflected in the final Plan filed at Docket No. 7670 and filed as Exhibit 2.1 to this Current Report on Form 8-K.

On June 16, 2022 (the "**Effective Date**"), the Plan and the Scheme of Arrangement became effective and Mallinckrodt emerged from the chapter 11 and Irish examinership proceedings.

Additionally, on the Effective Date, Mallinckrodt issued a press release announcing the consummation of the Plan and the emergence from the chapter 11 and Irish examinership proceedings. A copy of the press release is furnished as Exhibit 99.1 hereto and incorporated herein by reference. The information contained in Exhibit 99.1 shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), and shall not be incorporated by reference into any filings made by Mallinckrodt under the Securities Act of 1933, as amended (the "**Securities Act**"), or the Exchange Act, except as may be expressly set forth by specific reference in such filing.

Item 1.01. Entry into a Material Definitive Agreement.

Resolution of Opioid-Related Claims

Pursuant to the Plan and the Scheme of Arrangement, on the Effective Date all opioid claims against Mallinckrodt and its subsidiaries were deemed to have been settled, discharged, waived, released and extinguished in full against Mallinckrodt and its subsidiaries, and Mallinckrodt and its subsidiaries ceased to have any liability or obligation with respect to such claims, which were treated in accordance with the Plan as follows:

- Opioid claims will be channeled to certain trusts, which will receive $1,725.0 million in deferred payments from Mallinckrodt and certain of its subsidiaries consisting of (i) a $450.0 million payment on the Effective Date; (ii) a $200.0 million payment upon each of the first and second anniversaries of the Effective Date; (iii) a $150.0 million payment upon each of the third through seventh anniversaries of the Effective Date; and (iv) a $125.0 million payment upon the eighth anniversary of the Effective Date (collectively, the "**Opioid Deferred Payments**"), with Mallinckrodt retaining an eighteen-month option to prepay outstanding Opioid Deferred Payments (other than the initial Effective Date payment) at a discount (and to prepay the Opioid Deferred Payments at their undiscounted value even after expiration of such eighteen-month period). The terms of the Opioid Deferred Payments are set forth in the Plan and an Opioid Deferred Cash Payments Agreement, dated as of the Effective Date and incorporated into the Confirmation Order (such agreement,

the "**Opioid Deferred Cash Payments Agreement**"). The Opioid Deferred Payments are unsecured and are guaranteed by Mallinckrodt and its subsidiaries that are borrowers, issuers or guarantors under the Takeback Term Loans and the New 1L Notes, Existing 1L Notes, New 2L Notes and Takeback 2L Notes (such notes collectively, the "**Effective Date Notes**") (except for the Effective Date Notes, as defined and described further below), and certain future indebtedness (subject to certain exceptions). The Opioid Deferred Cash Payments Agreement contains affirmative and negative covenants (including an obligation to offer to pay the Opioid Deferred Payments without discount upon the occurrence of certain change of control triggering events) and events of default (subject in certain cases to customary grace and cure periods). The occurrence of an event of default under the Opioid Deferred Cash Payments Agreement could result in the required repayment of all outstanding Opioid Deferred Payment and could cause a cross-default that could result in the acceleration of certain indebtedness of Mallinckrodt and its subsidiaries.

- Opioid claimants also received, in addition to other potential consideration, Warrants (as defined and described further below) for approximately 19.99% of reorganized Mallinckrodt's new ordinary shares, nominal value $0.01 per share ("**Ordinary Shares**"), after giving effect to the exercise of the Warrants, but subject to dilution from equity reserved under Mallinckrodt's MIP (as defined and described further below), exercisable at any time on or prior to the sixth anniversary of the effectiveness of the Plan, at a strike price of $103.40 per Ordinary Share. The Warrants were issued in reliance upon the exemption from the registration requirements of the Securities Act provided by Section 1145 of the Bankruptcy Code, which generally exempts from such registration requirements the issuance of certain securities under a plan of reorganization.
- Pursuant to the Plan, certain Mallinckrodt subsidiaries will remain subject to an agreed-upon operating injunction with respect to the operation of their opioid business.

The foregoing descriptions of the Opioid Deferred Cash Payments Agreement and Warrants do not purport to be complete and are subject to, and qualified in their entirety by reference to, the full text of the Opioid Deferred Cash Payments Agreement and the Warrant Agreement (as defined and described further below), which are filed as Exhibit 10.1 and Exhibit 4.1, respectively to this Current Report on Form 8-K and incorporated herein by reference.

Governmental Acthar Settlement

Pursuant to the Plan and the Scheme of Arrangement, on the Effective Date, all claims of the U.S. Department of Justice ("**DOJ**") and other governmental parties relating to Acthar Gel against Mallinckrodt were deemed to have been settled, discharged, waived, released and extinguished in full against Mallinckrodt, and Mallinckrodt ceased to have any liability or obligation with respect to such claims, which will be treated in accordance with the Plan and the terms of the settlement that is summarized below:

- Mallinckrodt entered into an agreement with DOJ and other governmental parties to settle a range of litigation matters and disputes relating to Acthar Gel (the "**Governmental Acthar Settlement**"), including a Medicaid lawsuit with the Centers for Medicare and Medicaid Services, a related False Claims Act ("**FCA**") lawsuit in Boston, and an Eastern District of Pennsylvania ("**EDPA**") FCA lawsuit principally relating to interactions of Acthar Gel's previous owner (Questcor Pharmaceuticals Inc.) with an independent charitable foundation. To implement the Governmental Acthar Settlement, Mallinckrodt entered into two settlement agreements (the "**Settlement Agreements**") with the United States and certain relators. Under the Governmental Acthar Settlement, which was conditioned upon Mallinckrodt commencing its chapter 11 proceeding and provides the distributions the applicable claimants will receive under the Plan, Mallinckrodt will pay $260.0 million to the DOJ and other parties over seven years and reset Acthar Gel's Medicaid rebate calculation as of July 1, 2020, such that state Medicaid programs will receive 100% rebates on Acthar Gel Medicaid sales, based on current Acthar Gel pricing. Also in connection with the Governmental Acthar Settlement, Mallinckrodt has entered into a five-year corporate integrity agreement with the Office of Inspector General of the U.S. Department of Health and Human Services in March 2022. As a result of these agreements, upon effectiveness of the Governmental Acthar Settlement in connection with the effectiveness of the Plan, the U.S. Government has dropped its demand for approximately $640 million in retrospective Medicaid rebates for Acthar Gel and agreed to dismiss the FCA lawsuit in Boston and the EDPA FCA lawsuit. Similarly, state and territory Attorneys General have also dropped related lawsuits. In turn, Mallinckrodt has dismissed its appeal of the U.S. District Court for the District of Columbia's adverse decision in the Medicaid lawsuit, which was filed in the U.S. Court of Appeals for the District of Columbia Circuit.

- Mallinckrodt has entered into the Governmental Acthar Settlement with the DOJ and other governmental parties solely to move past these litigation matters and disputes and does not make any admission of liability or wrongdoing.

The foregoing description of the Governmental Acthar Settlement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Settlement Agreements, which are filed as Exhibit 10.2 and Exhibit 10.3 to this Current Report on Form 8-K and incorporated herein by reference.

New Warrant Agreement

On the Effective Date and pursuant to the Plan, Mallinckrodt entered into a warrant agreement (the "**Warrant Agreement**") with Computershare Inc. and Computershare Trust Company, N.A., collectively as warrant agent. Pursuant to the Warrant Agreement, in accordance with the terms of the Plan and in reliance upon the exemption from the registration requirements of the Securities Act provided by Section 1145 of the Bankruptcy Code, which generally exempts from such registration requirements the issuance of certain securities under a plan of reorganization, on the Effective Date, Mallinckrodt issued 3,290,675 warrants ("**Warrants**") to purchase the Mallinckrodt Ordinary Shares to MNK Opioid Abatement Fund, LLC (the "**Initial Holder**"), a wholly owned subsidiary of Opioid Master Disbursement Trust II, a master disbursement trust established in accordance with the Plan.

Each Warrant is initially exercisable for one Ordinary Share at an initial exercise price of $103.40 per Ordinary Share (the "**Exercise Price**"), subject to the cashless exercise provisions contained in the Warrant Agreement. The Warrants are exercisable from the date of issuance until the sixth anniversary of the Effective Date.

The Exercise Price is subject to adjustment from time to time upon the occurrence of certain dilutive events, including (a) share dividends, share splits and share combinations, (b) certain other dividends or distributions, (c) the issuance of options or other convertible securities in certain circumstances, (d) the issuance of additional Ordinary Shares in certain circumstances, (e) the issuance of rights pursuant to a rights offering in certain circumstances, (f) a tender or exchange offer by Mallinckrodt to purchase or redeem Ordinary Shares in certain circumstances and (g) certain reclassification or reorganization events in respect of the Ordinary Shares. Other than in the case of an adjustment described in clause (b) above, whenever the Exercise Price is adjusted as provided above, the number of Warrant Shares for which a Warrant is exercisable (the "**Warrant Number**") shall simultaneously be adjusted by multiplying the Warrant Number for which a Warrant is exercisable immediately prior to such adjustment by a fraction, the numerator of which shall be the Exercise Price immediately prior to such adjustment, and the denominator of which shall be the Exercise Price immediately thereafter.

In the event of a Fundamental Transaction (as defined in the Warrant Agreement) where the consideration to holders of Ordinary Shares consists in whole or in part of (i) cash, (ii) equity securities listed on a U.S. national securities exchange or (iii) other consideration, the holders of Warrants will receive cash and/or other consideration in an amount and as determined in accordance with the Warrant Agreement.

Subject to limited exceptions, a holder of Warrants will not have the right to exercise any portion of its Warrants if the holder (together with such holder's affiliates, and any persons whose beneficial ownership of Ordinary Shares would be aggregated with the holder's for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the SEC, including any group, within the meaning of the Exchange Act, of which such holder or such holder's affiliates is a member) would beneficially own a number of Ordinary Shares in excess of 9.9% of the Ordinary Shares then outstanding after giving effect to such exercise (the "**Beneficial Ownership Limitation**"); *provided*, *however*, that upon 65 days' notice to Mallinckrodt, the holder may waive the application of the Beneficial Ownership Limitation, and provided further that the Beneficial Ownership Limitation shall not apply in any Fundamental Transaction.

Pursuant to the Warrant Agreement, no holder of a Warrant, by virtue of holding or having a beneficial interest in the Warrant, will have the right to vote, receive dividends, receive notice as stockholders with respect to any meeting of stockholders for the election of Mallinckrodt's directors or any other matter, or exercise any rights whatsoever as a stockholder of Mallinckrodt unless, until and only to the extent such holders become holders of record of Ordinary Shares issued upon exercise of Warrants.

The foregoing description of the Warrant Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Warrant Agreement, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.

New Registration Rights Agreement

On the Effective Date and pursuant to the Plan, Mallinckrodt entered into a registration rights agreement (the "**Registration Rights Agreement**") with the Initial Holder. The Registration Rights Agreement provides certain resale and other registration rights for the Registrable Securities (as defined in the Registration Rights Agreement), including the Warrants and the Warrant Shares, held by the Initial Holder and its permitted transferees and assignees.

Pursuant to the Registration Rights Agreement, Mallinckrodt has agreed to prepare and file with the SEC a registration statement by no later than (x) 90 days after the Effective Date if Mallinckrodt is then eligible to register the Registrable Securities on a registration statement on Form S-3 or (y) 180 days after the Effective Date if Mallinckrodt is not then eligible to register the Registrable Securities on a registration statement on Form S-3, in each case, covering the resale pursuant to the Securities Act of all Registrable Securities held by the Initial Holder and its permitted transferees and assignees. Following the effectiveness of such registration statement, Mallinckrodt has agreed to use commercially reasonable efforts to keep such registration statement continuously effective under the Securities Act until the date that all Registrable Securities covered by such registration statement are no longer Registrable Securities. In addition, during the effectiveness of such registration statement, the holders of a majority of Registrable Securities then outstanding may request to sell all or any portion of their Registrable Securities in an underwritten public offering that is registered pursuant to such registration statement, subject to the limitations provided in the Registration Rights Agreement.

In the event that a registration statement has not been timely filed as described in the preceding paragraph or, following the effectiveness of the registration statement described in the preceding paragraph, such registration statement ceases to be effective, the holders of a majority of the Registrable Securities then outstanding may demand that Mallinckrodt facilitate an underwritten offering of the Registrable Securities in the manner and subject to the conditions described in the Registration Rights Agreement. In addition, Mallinckrodt has agreed to provide the Initial Holder and its permitted transferees and assignees customary "piggyback registration rights" with respect to certain underwritten offerings, subject to the limitations set forth in the Registration Rights Agreement.

The foregoing registration rights are subject to certain conditions and limitations, including customary grace periods, Mallinckrodt's right to delay or withdraw a registration statement under certain circumstances and, if an underwritten offering is contemplated, the right of underwriters to limit the number of securities to be included in a registration statement.

Mallinckrodt will generally pay all registration expenses in connection with its obligations under the Registration Rights Agreement, regardless of whether a registration statement is filed or becomes effective. The registration rights granted in the Registration Rights Agreement are subject to customary indemnification and contribution provisions. The Registration Rights Agreement will terminate, with respect to each Holder, at such time as such Holder no longer owns any Registrable Securities, and in full and be of no further effect, at such time as there are no Registrable Securities held by any Holders.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Registration Rights Agreement, which is filed as Exhibit 10.4 to this Current Report on Form 8-K and incorporated herein by reference.

Takeback Term Loans

On the Effective Date and pursuant to the Plan, Mallinckrodt International Finance S.A. ("**MIFSA**") and Mallinckrodt CB LLC ("**MCB**" and together with MIFSA, the "**Issuers**"), each of which is a subsidiary of Mallinckrodt, entered into a senior secured term loan facility with an aggregate principal amount of approximately $1,393 million (the "**2017 Replacement Term Loans**") and a senior secured term loan facility with an aggregate principal amount of approximately $370 million (the "**2018 Replacement Term Loans**" and, together with the 2017 Replacement Term Loan, the "**Takeback Term Loans**"), each pursuant to a Credit Agreement, dated as of the Effective Date (the "**Credit Agreement**"), among Mallinckrodt, the Issuers, the lenders party thereto from time to time, Acquiom Agency Services LLC and Seaport Loan Products LLC, as co-administrative agents, and Deutsche Bank AG New York Branch, as collateral agent, which were issued to the holders of the existing senior secured term loans incurred by the Issuers in satisfaction thereof.

All obligations under the Takeback Term Loans are unconditionally guaranteed by Mallinckrodt, certain of its direct or indirect wholly owned U.S. subsidiaries, each of its direct or indirect wholly owned subsidiaries that owns directly or indirectly any such wholly owned U.S. subsidiary, and certain other subsidiaries, subject to certain exceptions (collectively, the "**Guarantors**") and are secured by a security interest in certain assets of the Issuers and the Guarantors.

The 2017 Replacement Term Loans bear interest at a rate equal to, at the option of the borrowers thereunder, adjusted LIBOR, subject to a floor of 0.75%, plus a spread equal to 5.25% or an alternate base rate, subject to a floor of 1.75%, plus a spread equal to 4.25%. The 2018 Replacement Term Loans bear interest at a rate equal to, at the option of the borrowers thereunder, adjusted LIBOR, subject to a floor of 0.75%, plus a spread equal to 5.50% or an alternate base rate, subject to a floor of 1.75%, plus a spread equal to 4.50%. Interest on the Takeback Term Loans is payable at the end of each applicable interest period, but in no event less frequently than quarterly.

The Credit Agreement contains certain customary affirmative and negative covenants, representations and warranties and events of default (subject in certain cases to customary grace and cure periods). The occurrence of an event of default under the Credit Agreement could result in the acceleration of all outstanding borrowings under the Takeback Term Loans and could cause a cross-default that could result in the acceleration of other indebtedness of Mallinckrodt and its subsidiaries.

The Takeback Term Loans mature on September 30, 2027. Amounts outstanding under the Takeback Term Loan may be prepaid at any time, subject, under certain circumstances, to a 1.00% prepayment premium.

The foregoing summary of the Takeback Term Loans does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement, which is filed as Exhibit 10.5 to this Current Report on Form 8-K and incorporated herein by reference.

11.500% First Lien Senior Secured Notes due 2028

Purchase Agreement

On June 15, 2022, the Issuers and Mallinckrodt entered into a purchase agreement (the "**Note Purchase Agreement**") with certain Purchasers (as defined in the Note Purchase Agreement) with respect to the issuance and sale of $650.0 million aggregate principal amount of 11.500% First Lien Senior Secured Notes due 2028 (the "**New 1L Notes**"). The Note Purchase Agreement contains customary representations, warranties and covenants and includes the terms and conditions for the sale of the New 1L Notes, and other terms and conditions customary in agreements of this type. The net proceeds of the issuance of the New 1L Notes were applied to repay in part the existing senior secured revolving credit facility incurred by the Issuers and certain of their respective subsidiaries. The issuance of the New 1L Notes was exempt from registration under the Securities Act.

The foregoing summary of the Note Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Note Purchase Agreement, which is filed as Exhibit 10.6 to this Current Report on Form 8-K and incorporated herein by reference.

Indenture

The New 1L Notes were issued by the Issuers on the Effective Date pursuant to an Indenture, dated as of the Effective Date (the "**New 1L Notes Indenture**") among the Issuers, Mallinckrodt, the Subsidiary Note Guarantors (as defined below), Wilmington Savings Fund Society, FSB, as first lien trustee, and Deutsche Bank AG New York Branch, as first lien collateral agent. The New 1L Notes mature on December 15, 2028.

Interest on the New 1L Notes is payable semi-annually in cash on June 15 and December 15 of each year, commencing on December 15, 2022. The initial interest rate on the New 1L Notes of 11.500% per annum is subject to increase to cause the yield to maturity of the New 1L Notes to match, to the extent greater, the yield to maturity of certain additional first lien indebtedness incurred during the six months following the Effective Date.

The Issuers may redeem some or all of the New 1L Notes prior to June 15, 2027 by paying a "make-whole" premium, plus accrued and unpaid interest, if any. The Issuers may redeem some or all of the New 1L Notes on or after June 15, 2027 at par, plus accrued and unpaid interest, if any.

The Issuers may also redeem all, but not less than all, of the New 1L Notes at any time at a price of 100% of their principal amount, plus accrued and unpaid interest, if any, in the event the Issuers become obligated to pay additional amounts as a result of changes affecting certain withholding tax laws applicable to payments on the New 1L Notes.

The Issuers are obligated to offer to repurchase the New 1L Notes (a) at a price of 101% of their principal amount plus accrued and unpaid interest, if any, as a result of certain change of control events and (b) at a price of 100% of their principal amount plus accrued and unpaid interest, if any, in the event of certain net asset sales. These obligations are subject to certain qualifications and exceptions.

The New 1L Notes Indenture contains certain customary covenants and events of default (subject in certain cases to customary grace and cure periods). The occurrence of an event of default under the New 1L Notes Indenture could result in the acceleration of the New 1L Notes and could cause a cross-default that could result in the acceleration of other indebtedness of Mallinckrodt and its subsidiaries.

The New 1L Notes are jointly and severally guaranteed on a secured, unsubordinated basis by Mallinckrodt and each of its subsidiaries (other than the Issuers) that guarantees the obligations under the Takeback Term Loans (the "**Subsidiary Note Guarantors**").

The New 1L Notes and the guarantees thereof are secured by liens on the same assets of the Issuers, Mallinckrodt and the Subsidiary Note Guarantors that are subject to liens securing the Takeback Term Loans, subject to certain exceptions.

The foregoing summary of the New 1L Notes and the New 1L Notes Indenture does not purport to be complete and is qualified in its entirety by reference to the New 1L Notes Indenture and the form of New 1L Notes, which are filed as Exhibit 4.2 and Exhibit 4.3, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

In addition, pursuant to the terms of the indenture governing the Existing First Lien Notes, the Issuers, Mallinckrodt, the Subsidiary Note Guarantors, Wilmington Savings Fund Society, FSB, as first lien trustee, and Deutsche Bank AG New York Branch, as first lien collateral agent, entered into a supplemental indenture, dated of the Effective Date (the "**Supplemental Indenture**"), pursuant to which certain additional assets were added to the collateral securing the Existing 1L Notes and the guarantees thereof.

The foregoing summary of the Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the Supplemental Indenture, which is filed as Exhibit 4.4 to this Current Report on Form 8-K and incorporated herein by reference.

The Issuers may also redeem all, but not less than all, of the New 2L Notes at any time at a price of 100% of their principal amount, plus accrued and unpaid interest, if any, in the event the Issuers become obligated to pay additional amounts as a result of changes affecting certain withholding tax laws applicable to payments on the New 2L Notes.

The Issuers are obligated to offer to repurchase the New 2L Notes (a) at a price of 101% of their principal amount plus accrued and unpaid interest, if any, as a result of certain change of control events and (b) at a price of 100% of their principal amount plus accrued and unpaid interest, if any, in the event of certain net asset sales. These obligations are subject to certain qualifications and exceptions.

The New 2L Notes Indenture contains certain customary covenants and events of default (subject in certain cases to customary grace and cure periods). The Issuers may also redeem all, but not less than all, of the Takeback 2L Notes at any time at a price of 100% of their principal amount, plus accrued and unpaid interest, if any, in the event the Issuers become obligated to pay additional amounts as a result of changes affecting certain withholding tax laws applicable to payments on the Takeback 2L Notes.

The Issuers are obligated to offer to repurchase the Takeback 2L Notes (a) at a price of 101% of their principal amount plus accrued and unpaid interest, if any, as a result of certain change of control events and (b) at a price of 100% of their principal amount plus accrued and unpaid interest, if any, in the event of certain net asset sales. These obligations are subject to certain qualifications and exceptions.

The Takeback 2L Notes Indenture contains certain customary covenants and events of default (subject in certain cases to customary grace and cure periods). The occurrence of an event of default under the Takeback 2L Notes Indenture could result in the acceleration of the Takeback 2L Notes and could cause a cross-default that could result in the acceleration of other indebtedness of Mallinckrodt and its subsidiaries.

The Takeback 2L Notes are jointly and severally guaranteed, subject to certain exceptions, on a secured, unsubordinated basis by Mallinckrodt and the Subsidiary Note Guarantors.

The Takeback 2L Notes and the guarantees thereof are secured by liens on the same assets of the Issuers, Mallinckrodt and the Subsidiary Note Guarantors that are subject to liens securing the Takeback Term Loans, subject to certain exceptions.

The foregoing summary of the Takeback 2L Notes and the Takeback 2L Notes Indenture does not purport to be complete and is qualified in its entirety by reference to the Takeback 2L Notes Indenture and the form of Takeback 2L Notes, which are filed as Exhibit 4.7 and Exhibit 4.8, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

Mallinckrodt Pharmaceuticals 2022 Stock and Incentive Plan

On the Effective Date and pursuant to the Plan, Mallinckrodt adopted the Mallinckrodt Pharmaceuticals 2022 Stock and Incentive Plan (the "**MIP**") and reserved an aggregate of 1,829,068 Ordinary Shares (subject to adjustment in accordance with the terms of the MIP) for the issuance of equity awards thereunder to Mallinckrodt's employees, consultants and directors. The Ordinary Shares issuable under the MIP will be authorized but unissued Ordinary Shares and, to the extent permitted by applicable law, Ordinary Shares acquired by Mallinckrodt or any of its subsidiaries or designees and held as treasury shares, and no more than 1,829,068 Ordinary Shares (subject to adjustment in accordance with the terms of the MIP) may be granted as incentive stock options.

Awards under the MIP may be made, among other forms, in the forms of stock options, stock appreciation rights, restricted stock, restricted stock units, performance stock units, and deferred stock units. The MIP will be administered by the Human Resources and Compensation Committee or its delegate with respect to awards to employees and consultants, and will be administered by the Governance Committee with respect to awards to directors. Equity awards granted pursuant to the MIP will be subject to the terms of the MIP and individual written award agreements thereunder. Awards granted under the MIP are subject to forfeiture and recoupment upon a termination of the holder's employment for Cause (as defined in the MIP) or the holder's engagement in certain significant misconduct. The MIP provides that, in the event of an award holder's termination of service by Mallinckrodt without Cause or by the holder for Good Reason (each as defined in the MIP), unvested awards that would have otherwise vested during the 12-month period following such termination will vest upon such termination, subject to the holder's release of claims and continued material compliance with applicable restrictive covenants. The MIP further provides that in the event of a Change in Control (as defined in the MIP), awards that are not assumed or substituted will become fully vested and payable.

The foregoing description of the MIP does not purport to be complete and is qualified in its entirety by reference to the MIP, which is filed as Exhibit 10.13 to this Current Report on Form 8-K and incorporated herein by reference.

Termination of Stock Option and Equity Incentive Plans

As of the Effective Date, in connection with emergence and the cancellation of all the existing ordinary shares of Mallinckrodt described under Items 1.02 and 3.03, all outstanding equity-based awards under the following stock option and equity incentive plans (collectively, the "**Prior Stock Option and Equity Incentive Plans**") were automatically cancelled without consideration and the Prior Stock Option and Equity Incentive Plans were of no further force and effect with respect to any equity-based awards thereunder. On June 17, 2022 Mallinckrodt filed post-effective amendments to the associated registration statements on Form S-8 for the Prior Stock Option and Equity Incentive Plans to reflect the deregistration of any and all unsold securities reserved for issuance and registered for sale under such plans:

- Mallinckrodt Pharmaceuticals Employee Stock Purchase Plan
- Mallinckrodt Pharmaceuticals Savings Related Share Plan

- Mallinckrodt Pharmaceuticals Stock and Incentive Plan
- Employee Matters Agreement Equity Awards
- Questcor Pharmaceuticals, Inc. 2006 Equity Incentive Award Plan
- Questcor Pharmaceuticals, Inc. 1992 Employee Stock Option Plan
- Mallinckrodt Pharmaceuticals 2016 Employee Stock Purchase Plan

As of the Effective Date, securities were no longer offered under the Prior Stock Option and Equity Incentive Plans.

Indemnification Arrangements

As of the Effective Date, the Board approved (i) Mallinckrodt's entry into a (A) form of deed of indemnification with each of Mallinckrodt's directors and Secretary and (B) form of deed of indemnification with each of Mallinckrodt's officers (other than the Secretary), including its named executive officers (all of the foregoing, collectively, the "**Deeds of Indemnification**"), and (ii) a form of indemnification agreement entered into by and between Sucampo Pharmaceuticals, Inc., a Delaware corporation and a wholly owned subsidiary of Mallinckrodt ("**Sucampo**"), and each of Mallinckrodt's directors and Secretary (the "**Indemnification Agreements**"), substantially in the forms filed as Exhibit 10.14, Exhibit 10.15, and Exhibit 10.16 respectively, to this Current Report on Form 8-K. With respect to the foregoing agreements with Mark Casey and each of Mallinckrodt's officers, the Deeds of Indemnification and Indemnification Agreements amend and restate and supersede and replace the previous deeds of indemnification entered into with Mallinckrodt as well as the related indemnification agreements entered into with Sucampo and Mallinckrodt Brand Pharmaceuticals, Inc.

The Deeds of Indemnification and Indemnification Agreements (together, the "**Indemnification Arrangements**") provide, respectively, that Mallinckrodt and Sucampo will, to the fullest extent permitted by law, indemnify each indemnitee on the terms and conditions set forth in the Indemnification Arrangements against all expenses, liabilities or losses incurred by the indemnitee as a result of or in connection with the indemnitee being, or threatened to be made, a party, witness or other participant in any action, suit, litigation, proceeding or arbitration or any alternative dispute resolution mechanism (or any inquiry, hearing, tribunal or investigation, whether conducted by Mallinckrodt or any other party, that the indemnitee in good faith believes might lead to the institution of any of the foregoing or otherwise might give rise to adverse consequences or findings in respect of the indemnitee) (any of the foregoing, a "**Proceeding**") in whole or in part by reason of (or arising in whole or in part out of) an event or occurrence related to such indemnitee's service to Mallinckrodt. However, Mallinckrodt and Sucampo will not indemnify the indemnitees pursuant to the Indemnification Arrangements (i) on account of any Proceeding in which a final and non-appealable judgment is rendered against the indemnitee for an accounting of profits made from the purchase or sale by such indemnitee of securities of Mallinckrodt pursuant to the provisions of Section 16(b) of the Exchange Act, or similar provision of any federal, state or local laws; (ii) if a court of competent jurisdiction has determined in a final and non-appealable judgment that such indemnification is not permitted under applicable law; (iii) on account of any such Proceeding as to which the indemnitee has been convicted of a crime constituting a felony under the laws of the jurisdiction where the criminal action was brought (or, where a jurisdiction does not classify any crime as a felony, a crime for which the indemnitee is sentenced to death or imprisonment for a term exceeding one year); or (iv) on account of any Proceeding brought by Mallinckrodt or any of its subsidiaries against the indemnitee.

Because Mallinckrodt is an Irish public limited company, the Irish Companies Act 2014 only permits Mallinckrodt to pay the costs or discharge the liability of a director or the Secretary where judgment is given in his/her favor in any civil or criminal action in respect of such costs or liability, or where an Irish court grants relief because the director or Secretary acted honestly and reasonably and ought fairly to be excused. The Indemnification Agreements provide for Sucampo to advance the indemnitee's expenses subject to an undertaking by the indemnitee to repay amounts advanced if and to the extent it is ultimately determined that such person is not entitled to indemnification by Sucampo on the terms and conditions set forth in the Indemnification Agreements. The Deeds of Indemnification provide that in the event the indemnitee receives judgment in his or her favor or the Proceeding is otherwise disposed of in a manner that allows Mallinckrodt to indemnify such indemnitee under its articles of association as then in effect, Mallinckrodt will reimburse Sucampo for any indemnification payments or expense advancements previously made by Sucampo. Indemnification and advancement of expenses will not be made under the Indemnification Arrangements in connection with Proceedings initiated by the indemnitee against Mallinckrodt or any of its subsidiaries or any director, officer or employee of Mallinckrodt or any of its subsidiaries, except in specified circumstances.

The foregoing is only a general summary of certain aspects the Deeds of Indemnification and the Indemnification Agreements and does not purport to be complete. It is qualified in its entirety by reference to the respective form of Deed of Indemnification and the form of Indemnification Agreement filed as Exhibit 10.14, Exhibit 10.15, and Exhibit 10.16, respectively, to this Current Report on Form 8-K, each of which is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws.

Effective as of the Effective Date, and pursuant to the Scheme of Arrangement, the new memorandum and articles of association (together, the "**New Articles of Association**") were adopted, which replaced and superseded the prior Amended and Restated Memorandum and Articles of Association (together, the "**Prior Articles of Association**"), respectively. Set forth below are the principal changes to the Prior Articles of Association, as reflected in the New Articles of Association.

Share Capitalization

The New Articles of Association provide that the authorized share capital of Mallinckrodt is US$10,000,000 and €40,000 divided into 500,000,000 Ordinary Shares, par value US$0.01 each, 500,000,000 preferred shares, par value US$0.01 each, and 40,000 ordinary A shares, par value €1.00 each. They further provide that, pursuant to Section 1123(a)(6) of the Bankruptcy Code, Mallinckrodt will not issue non-voting equity securities, *provided that* this restriction (i) will have no further force or effect beyond that required under Section 1123 of the Bankruptcy Code, (ii) will have such force and effect, if any, only for so long as Section 1123 is in effect and applicable to Mallinckrodt, and (iii) in all events may be amended or eliminated in accordance with applicable law as from time to time in effect.

The Prior Articles of Association provided that the authorized share capital of Mallinckrodt was US$200,000,000 and €40,000 divided into 500,000,000 ordinary shares of US$0.20 each, 500,000,000 Preferred Shares, par value US$0.20 each, and 40,000 Ordinary A Shares, par value €1.00 each, and did not include restrictions on the issuance of non-voting equity securities.

Record Date for Dividends and Other Distributions

The New Articles of Association provide that the record date for determining the shareholders entitled to receive payments of dividends and other distributions or allotment of any rights, or for determining the shareholders entitled to exercise any rights in respect of any change, conversion or exchange of shares, or any other lawful action, must be not more than 60 days prior to such action.

The Prior Articles of Association provided that the record date for determining the shareholders entitled to receive payments of dividends and other distributions or allotment of any rights, or for determining the shareholders entitled to exercise any rights in respect of any change, conversion or exchange of shares, or any other lawful action, was required to be not more than 30 nor less than two days prior to such action.

Chairman of General Meetings of Mallinckrodt

The New Articles of Association provide that, if there is no chairman of the Board, or if he or she is not present within 15 minutes after the time appointed for the holding of a general meeting or is unwilling to act, any director or other person designated by the Board (or, if the Board has not designated any such person prior to the meeting or such person is not present within 15 minutes after the time appointed for the holding of the meeting or is unwilling to act, such an officer or director or any other person elected by the directors present at the meeting) will preside as chairman of the meeting.

The New Articles of Association further provide that, if at any general meeting no person designated in accordance with the above-described article is willing to act as chairman or if no such person is present within 15 minutes after the time appointed for holding the meeting, the shareholders present at the meeting will choose one of their number to be chairman of the meeting.

The Prior Articles of Association provided that, if there was no chairman of the Board, or if he or she was not present within 15 minutes after the time appointed for the holding of the meeting or was unwilling to act, the directors present would elect one of their number to serve as chairman of the meeting.

The Prior Articles of Association further provided that, if at any general meeting no director designated in accordance with the above-described article was willing to act as chairman or if no director was present within 15 minutes after the time appointed for holding the meeting, the shareholders present at the meeting would choose one of their number to be chairman of the meeting.

Disqualification of Directors

The New Articles of Association no longer provide for the automatic disqualification of a director if he or she is requested to resign in writing by not less than three-quarters of the other directors.

Business Combinations

The New Articles of Association no longer prohibit Mallinckrodt from engaging in business combinations with interested shareholders.

Directors' Authority to Allot Shares and Waiver of Statutory Pre-Emption Rights

The New Articles of Association provide the Board with a renewed authority to allot and issue shares (including rights to subscribe for, convert into or otherwise acquire any shares), without shareholder approval and without first offering those shares on the same or more favorable terms to existing shareholders on a pro rata basis, for a period of five years from the Effective Date and up to the maximum amount of Mallinckrodt's authorized share capital.

The Prior Articles of Association included the same provision by reference to their adoption date; however, the five years since their adoption expired on June 27, 2018, and the effectiveness of the New Articles of Association with the same provision will operate as a renewal of the authority.

The foregoing descriptions of the New Articles of Association do not purport to be complete and are qualified in their entirety by reference to the New Articles of Association, which are filed as Exhibit 3.1 to this Current Report on Form 8-K and are incorporated herein by reference. The foregoing descriptions of the Prior Articles of Association do not purport to be complete and are qualified in their entirety by reference to the Prior Articles of Association, which are filed as Exhibit 3.2 to Mallinckrodt's Annual Report on Form 10-K for the period ended December 31, 2021, filed with the Securities and Exchange Commission (the "**SEC**") on March 15, 2022, and are incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

In connection with its emergence from the chapter 11 and Irish examinership proceedings, Mallinckrodt issued a press release on the Effective Date, a copy of which is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.

The information contained in this Item 7.01, including Exhibit 99.1, shall be deemed to be "furnished" and shall not be deemed "filed" for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that Section, nor shall such information be deemed incorporated by reference into any filing under the Securities Act, or the Exchange Act.

Item 8.01. Other Events.

The foregoing summary of the modification to the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan (which includes such modification), which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated into this Item 8.01 herein by reference.

Article III.

CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

A. *Classification of Claims*

The Plan constitutes a separate chapter 11 Plan of reorganization for each Debtor. The provisions of this Article III govern Claims against and Interests in the Debtors. Except for the Claims addressed in Article II above (or as otherwise set forth herein), all Claims and Interests are placed in Classes for each of the applicable Debtors. For all purposes under this Plan, each Class will exist for each of the Debtors; *provided*, that any Class that is vacant as to a particular Debtor will be treated in accordance with Article III.G below. In accordance with section 1123(a)(1) of the Bankruptcy Code, the Debtors have not classified Administrative Claims, Priority Tax Claims, and Other Priority Claims as described in Article II.

The categories of Claims and Interests listed below classify Claims and Interests for all purposes, including voting, Confirmation and distribution pursuant hereto and pursuant to sections 1122 and 1123(a)(1) of the Bankruptcy Code. The Plan deems a Claim or Interest to be classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of such Claim or Interest qualifies within the description of such different Class. A Claim or an Interest is in a particular Class only to the extent that any such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled prior to the Effective Date.

5 Holders of Claims in Class 2(b), Class 2(c), and Class 3 are entitled to vote, but the Plan provides for potential treatment which would render these Claims Unimpaired, in which case such Claims would be conclusively presumed to accept the Plan, and any votes by Holders of such Claims will be moot and disregarded.

The Debtors reserve the right to modify the Plan in accordance with Article XI of the Plan to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and Bankruptcy Rules.

E. *Subordinated Claims*

The allowance, classification, and treatment of all Allowed Claims and Interests, and the respective distributions and treatments under the Plan, shall take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510 of the Bankruptcy Code, or otherwise; *provided* that, notwithstanding the foregoing, such Allowed Claims or Interests and their respective treatments set forth herein shall not be subject to setoff, demand, recharacterization, turnover, disgorgement, avoidance, or other similar rights of recovery asserted by any Person. Moreover, any Class of Claims that is occupied as of the commencement of the Confirmation Hearing by an Allowed Claim or a Claim temporarily Allowed under Bankruptcy Rule 3018, but as to which no vote is cast, shall be deemed to accept the Plan pursuant to section 1129(a)(8) of the Bankruptcy Code.

H. *Intercompany Interests and Intercompany Claims*

To the extent Intercompany Interests and Intercompany Claims are Reinstated under the Plan, distributions on account of such Intercompany Interests and Intercompany Claims are not being received by Holders of such Intercompany Interests or Intercompany Interests on account of their Intercompany Interests or Intercompany Claims, but for the purposes of administrative convenience and to maintain the Debtors' (and their Affiliate-subsidiaries) corporate structure, for the ultimate benefit of the Holders of New Mallinckrodt Ordinary Shares, to preserve ordinary course intercompany operations, and in exchange for the Debtors' and Reorganized Debtors' agreement under the Plan to make certain distributions to the Holders of Allowed Claims.

The Confirmation Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate Restructuring Transactions (including any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan).

M. *Directors and Officers of the Reorganized Debtors*

1. The Reorganized Board

Prior to the Effective Date, the Debtors will undertake any necessary or advisable steps to have the Reorganized Board in place immediately prior to the Effective Date. The occurrence of the Effective Date will serve as ratification of the appointment of the Reorganized Board.

The Reorganized Board will initially consist of at least seven (7) members, which shall be comprised of the Chief Executive Officer of the Reorganized Debtors, and six (6) other directors, which shall be designated by the Required Supporting Unsecured Noteholders and approved by the then existing board of directors, or if the then existing board of directors does not so approve, the Reorganized Board will be deemed duly appointed pursuant to the Plan; *provided*, that, the members of the Reorganized Board, other than the Reorganized Debtors' Chief Executive Officer, shall be independent under applicable listing standards and shall be independent of the Supporting Unsecured Noteholders, unless the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Debtors otherwise consent. Pursuant to section 1129(a)(5) of the Bankruptcy Code, the Debtors will disclose in advance of Confirmation, solely to the extent such Persons are known and determined, the identity and affiliations of any Person proposed to serve on the Reorganized Board. The occurrence of the Effective Date shall have no effect on the composition of the board of directors or managers of each of the subsidiary Debtors.

2. Senior Management

The existing officers of the Debtors as of the Effective Date shall remain in their current capacities as officers of the Reorganized Debtors, subject to the ordinary rights and powers of the Reorganized Board to remove or replace them in accordance with the New Governance Documents and any applicable employment agreements that are assumed pursuant to the Plan.

3. Management Incentive Plan

On the Effective Date, equity grants under the Management Incentive Plan shall be reserved for management, key employees, and directors of the Reorganized Debtors.

4. Disinterested Managers

Following the Effective Date, the Disinterested Managers shall retain authority solely with respect to matters related to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The Disinterested Managers, in such capacity, shall not have any of their respective privileged and confidential documents, communications or information transferred (or deemed transferred) to the Reorganized Debtors.

N. *Directors and Officers Insurance Policies*

On the Effective Date the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Liability Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date pursuant to sections 105 and 365(a) of the Bankruptcy Code, without the need for any further notice to or action, order, or approval of the Bankruptcy Court. Confirmation of the Plan shall not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Liability Insurance Policies, and each such indemnity obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under the Plan as to which no Proof of Claim need be Filed. The Debtors and, after the Effective Date, the Reorganized Debtors shall retain the ability to supplement such D&O Liability Insurance Policies as the Debtors or Reorganized Debtors, as applicable, may deem necessary and in consultation with the Required Supporting Unsecured Noteholders. For the avoidance of doubt, entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies.

In addition, on or after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, with respect to conduct occurring prior thereto, and all current and former directors, officers, and managers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policies for the full term of such policies regardless of whether such current and former directors, officers, and managers remain in such positions after the Effective Date, all in accordance with and subject in all respects to the terms and conditions of the D&O Liability Insurance Policies, which shall not be altered.

O. *Preservation of Rights of Action*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to the releases set forth in this section and in Article IX below, all Causes of Action other than the Assigned Third-Party Claims, the Assigned Insurance Rights, and the Share Repurchase Claims that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor on the Effective Date. Thereafter, the Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action other than the Assigned Third-Party Claims, the Assigned Insurance Rights, and the Share Repurchase Claims, whether arising before or after the Petition Date, and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any specific Cause of Action as any indication that the Debtors, the Reorganized Debtors, or the Opioid MDT II will not pursue any and all available Causes of Action. The Debtors, the Reorganized Debtors, and the Opioid MDT II expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan,** and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to any Cause of Action upon, after, or as a consequence of the Confirmation or the occurrence of the Effective Date. Notwithstanding the foregoing, (a) any and all Causes of Action belonging to the Estates against any Released Co-Defendant or their Co-Defendant Related Parties (other than any Estate Surviving Pre-Effective Date Claim) are not Assigned Third Party-Claims and are released under the Plan and (b) any Estate Surviving Pre-Effective Date Claims are not Assigned Third Party-Claims, are not released, and shall belong to Reorganized Mallinckrodt.

Notwithstanding any provision in the Plan or any order entered in these Chapter 11 Cases, as of and after the Effective Date, the Debtors and Reorganized Debtors forever waive, relinquish, and release any and all Causes of Action the Debtors and their Estates had, have, or may have (1) against any Released Party, or (2) that arise under section 547 of the Bankruptcy Code (and analogous non-bankruptcy law) against any Holder of a Trade Claim on account of such Trade Claims.

P. *Corporate Action*

1. Upon the Effective Date, all actions contemplated by the Plan and the Scheme of Arrangement shall be deemed authorized, approved, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, the Reorganized Debtors, or any other Entity, including: (1) assumption and rejection (as applicable) of Executory Contracts and Unexpired Leases; (2) selection of the directors, managers, and officers for the Reorganized Debtors; (3) the execution of the New Governance Documents, the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the New Opioid Warrant Agreement, the Federal/State Acthar Settlement Agreements, the New Term Loan Documentation, the New AR Revolving Facility Documentation, the Takeback Second Lien Notes Documentation, the New Second Lien Notes Documentation, the Management Incentive Plan, the Opioid Operating Injunction, the Registration Rights Agreement and, if applicable, the New Takeback Term Loans Documentation, and the Cram-Down First Lien Notes Documentation; (4) the issuance and delivery of the New Mallinckrodt Ordinary Shares, Takeback Second Lien Notes, New Second Lien Notes, New Opioid Warrants, and, if applicable, the New Takeback Term Loans and the Cram-Down First Lien Notes; (5) implementation of the Restructuring Transactions, (6) the Opioid MDT II Cooperation Agreement and the GUC Trust Cooperation Agreement, and (7) all other acts or actions contemplated, or reasonably necessary or appropriate to promptly consummate the transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the company structure of the Debtors, and any company action required by the Debtors in connection therewith, shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors.

2. Prior to, on and after the Effective Date, the appropriate officers, directors, managers, or authorized persons of the Debtors, Reorganized Mallinckrodt, or any direct or indirect subsidiaries of Reorganized Mallinckrodt (including any president, vice-president, chief executive officer, treasurer, general counsel, secretary, or chief financial officer thereof) shall be authorized and directed to issue, execute, and deliver the agreements, documents, securities, memoranda and articles of association, certificates of incorporation, certificates of formation, bylaws, operating agreements, other organization documents, and instruments contemplated by the Plan (or necessary or desirable to effect the transactions contemplated by the Plan) in the name of and on behalf of the applicable Debtors or applicable Reorganized Debtors, including the (1) New Governance Documents, (2) Opioid MDT II Documents and Opioid Creditor Trust Documents, (3) New Opioid Warrant Agreement, (4) Takeback Second Lien Notes Documentation, (5) New Term Loan Documentation, (6) New AR Revolving Facility Documentation, (7) New Takeback Term Loans Documentation, (8) Cram-Down First Lien Notes Documentation, if applicable, (9) New Second Lien Notes Documentation, (10) the Opioid MDT II Cooperation Agreement and the GUC Trust Cooperation Agreement, and (11) any and all other agreements, documents, securities, and instruments relating to or contemplated by the foregoing. Prior to or on the Effective Date, each of the Debtors is authorized, in its sole discretion, to change its name or corporate form and to take such other action as required to effectuate a change of name or corporate form in the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor. To the extent the Debtors change their names or corporate form prior to the closing of the Chapter 11 Cases, the Debtors shall change the case captions accordingly.

Q. *Effectuating Documents; Further Transactions*

Prior to, on, and after the Effective Date, the Debtors and Reorganized Debtors and the directors, managers, officers, authorized persons, and members of the boards of directors or managers and directors thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, notes, instruments, certificates, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and provisions of the Plan, the New Governance Documents, the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the New Opioid Warrant Agreement, the Federal/State Acthar Settlement Agreements, the Opioid MDT II Cooperation Agreement, the GUC Trust Cooperation Agreement and any Securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, actions, or consents except for those expressly required pursuant to the Plan or the Restructuring Support Agreement.

R. *Listing of New Mallinckrodt Ordinary Shares*

The Debtors' board of directors shall use commercially reasonable efforts to list the New Mallinckrodt Ordinary Shares for trading on the NASDAQ Capital Market, the NASDAQ Global Market, or the New York Stock Exchange on the Effective Date. If no such listing has occurred as of the Effective Date, following the Effective Date and subject to the terms and conditions of the New Governance Documents, the Reorganized Board will direct the Reorganized Debtors to list the New Mallinckrodt Ordinary Shares for trading on the NASDAQ Capital Market, the NASDAQ Global Market, or the New York Stock Exchange as soon as reasonably practicable after the Effective Date.

S. *Payment of Fees and Expenses of the Supporting Parties and Indenture Trustee Fees*

Notwithstanding anything to the contrary contained in the Restructuring Expenses Order, on the Effective Date, the Reorganized Debtors shall pay the Noteholder Consent Fee and the Term Loan Exit Payment pursuant to the terms of the Restructuring Support Agreement.

On the Effective Date with respect to invoices delivered prior to the Effective Date in accordance with the procedures in the following sentence (the "***Invoiced Restructuring Expenses***") or as soon as reasonably practicable thereafter (with respect to all other Restructuring Expenses other than the Invoiced Restructuring Expenses), the Reorganized Debtors shall pay in Cash the Restructuring Expenses. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date and such estimates shall be delivered to the Debtors at least five (5) Business Days before the anticipated Effective Date; *provided, however,* that such estimates shall not be considered an admission by any party or limitation with respect to such Restructuring Expenses. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay pre- and post-Effective Date, when due and payable in the ordinary course, Restructuring Expenses and Post Effective Date Implementation Expenses, as applicable, related to implementation, consummation, and defense of the Plan, whether incurred before, on, or after the Effective Date. Notwithstanding anything to the contrary in the Plan, the Restructuring Expenses shall not be subject to the Administrative Claims Bar Date. To the extent any person entitled to reimbursement of Restructuring Expenses or Post Effective Date Implementation Expenses is holding a retainer, such person shall be entitled to continue to hold such retainer until payment in full in Cash by the Reorganized Debtors of such person's Restructuring Expenses and Post Effective Date Implementation Expenses; *provided* that such retainer shall be applied to pay for such Restructuring Expenses unless such person elects, in its sole discretion, to keep a portion of such retainer solely to the extent needed to cover Restructuring Expenses in excess of any estimates provided in accordance with this paragraph and any reasonably expected Post Effective Date Implementation Expenses, and following the payment of Restructuring Expenses and Post Effective Date Implementation Expenses (if any), on reasonable request of the Debtors, the professionals shall return the remainder of the retainer to the Debtors.

On the Effective Date or as soon as reasonably practicable thereafter and upon the presentment of invoices in customary form (which may be redacted to preserve any confidential or privileged information), the Reorganized Debtors shall pay in Cash the Indenture Trustee Fees (whether accrued prepetition or postpetition, whether before or after the Effective Date of this Plan and to the extent not otherwise paid during the Chapter 11 Cases), without the need for application by any party to the Bankruptcy Court, and without notice and a hearing pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. From and after the Effective Date, the Reorganized Debtors will pay any Indenture Trustee Fees in full in Cash without further court approval.

T. *Creation of the Opioid MDT II*

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the Opioid MDT II in accordance with the Plan and the Opioid MDT II Documents. As of the Effective Date, the Opioid MDT II Documents shall be executed by the Debtors and the Opioid MDT II Trustee(s), and the Opioid MDT II shall be created. The Opioid MDT II is intended to be a "qualified settlement fund" within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code. The purpose of the Opioid MDT II shall be to, among other things: (1) resolve all asserted Opioid Claims (including Opioid Demands) channeled to the Opioid MDT II in accordance with the Plan, Opioid MDT II Documents, and the Confirmation Order; (2) preserve, hold, collect, manage, maximize, and liquidate the assets of the Opioid MDT II for use in resolving Opioid Claims (including Opioid Demands) channeled to the Opioid MDT II and funding the Opioid Creditor Trusts; (3) enforce, pursue, prosecute, compromise, and/or settle the Assigned Third-Party Claims and Assigned Insurance Rights; (4) pay all Trust Expenses as provided, and defined, in the Opioid MDT II Documents (for which the Reorganized Debtors and the Released Parties shall have no responsibility or liability); (5) pay any and all administration and operating expenses of the Opioid MDT II, including the fees and expenses of any professionals retained by the Opioid MDT II; and (6) qualify at all times as a qualified settlement fund.

U. *Appointment and Obligations of Opioid MDT II Trustee(s)*

1. Appointment of the Opioid MDT II Trustee(s)

The appointment of the initial Opioid MDT II Trustee(s) will be approved in the Confirmation Order, and effective as of the Effective Date, in accordance with the Opioid MDT II Documents, the individual(s) selected as the Opioid MDT II Trustee(s) shall be appointed to serve as the Opioid MDT II Trustee(s) for the Opioid MDT II.

There will be three initial Opioid MDT II Trustee(s), which shall be selected by the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Official Committee of Opioid-Related Claimants in consultation with the Debtors and the Future Claimants' Representative; *provided*, that if the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Official Committee of Opioid-Related Claimants cannot agree on the identity of the three initial Opioid MDT II Trustees, (i) one of the initial Opioid MDT II Trustees shall be selected by the Official Committee of Opioid-Related Claimants, and (ii) the remaining two of the initial Opioid MDT II Trustees shall be selected by the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, in all cases in consultation with the Debtors. The identity of the initial Opioid MDT II Trustee(s) shall be disclosed in an amendment to the Plan Supplement filed prior to or concurrently with entry of the Confirmation Order.

2. Obligations of the Opioid MDT II Trustee(s)

The Opioid MDT II Trustees shall take into account the interests of, and owe fiduciary duties to, each of the Opioid Creditor Trusts (including the Private Opioid Creditor Trusts and the Public Opioid Creditor Trusts) in making all decisions on behalf of the Opioid MDT II. In furtherance thereof:

a. to the extent there are any disputes raised by any Opioid Creditor Trust regarding the operation of the Opioid MDT II or the actions of the Opioid MDT II Trustees, (A) any Opioid Creditor Trustee shall have the right to seek resolution by the Bankruptcy Court of such a dispute, including seeking to enjoin any disputed action by the Opioid MDT II, and all Opioid MDT II Trustees and Opioid Creditor Trustees shall have the right to be heard with regard to any such dispute, including by filing objections, declarations, statements in support or other pleadings (including with supporting evidence) or providing witness testimony at any hearing and (B) the Bankruptcy Court shall have exclusive jurisdiction to hear and resolve any such disputes, and shall be authorized to order appropriate relief (subject to the provisions of this Article IV.U.2 and make a determination in an expedited manner, and in all events, shall make such a decision within thirty (30) days from the request for relief;

b. upon the payment in full in Cash of a Private Opioid Creditor Trust's respective distribution, the Opioid MDT II shall have no further fiduciary duties to such Private Opioid Creditor Trust, and the Opioid Creditor Trustees of such Private Opioid Creditor Trust shall have no further rights to commence or participate in any action relating to the operations of the Opioid MDT II or the actions of the Opioid MDT II Trustees;

c. Opioid MDT II Trustees shall (A) provide reasonable reporting to each of the Opioid Creditor Trusts regarding the Opioid MDT II Trustees' activities at least every four (4) months (both cumulatively and in the period just ended), any insurance proceedings, assets (including the value thereof), expenditures, distributions and forward-looking projections (subject to appropriate limitations to

be agreed by the Debtors, the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, and the Official Committee of Opioid-Related Claimants) and (B) make themselves reasonably available (in addition to holding at least one (1) call every four (4) months for the Opioid Creditor Trustees) to answer questions of Opioid Creditor Trustees relating to the Opioid MDT II's activities;

d. the Opioid MDT II Trustees shall be obligated to comply with the terms of the Plan, including this Article IV.U.2, and Opioid MDT II Documents; and

e. in the event of any inconsistency between the terms of this Article IV.U.2 and any other provision of this Plan or Opioid MDT II Documents, the terms of this Article IV.U.2 shall govern unless the Opioid MDT II Trustees and the Opioid Creditor Trustees for each of the Opioid Creditor Trusts mutually agree.

V. *Settlements of Opioid Claims*

1. Non-Precedential Effect for Holders of Opioid Claims

This Plan, the Plan Supplement, and the Confirmation Order constitute a good faith full and final comprehensive compromise and settlement of Opioid Claims and controversies based upon the unique circumstances of these Chapter 11 Cases (such as the unique facts and circumstances relating to these Debtors as compared to other defendants in the general opioid litigations, and the need for an accelerated resolution without litigation) such that (i) none of the foregoing documents, nor any materials used in furtherance of Confirmation (including, but not limited to, the Disclosure Statement, and any notes related to, and drafts of, such documents and materials), may be offered into evidence, deemed an admission, used as precedent, or used by any party or Person in any context whatsoever beyond the purposes of this Plan, in any other litigation or proceeding except as necessary, and as admissible in such context, to enforce their terms and to evidence the terms of the Plan before the Bankruptcy Court or any other court of competent jurisdiction, and (ii) any obligation by any party, in furtherance of such compromise and settlement, to not exercise rights that might be otherwise applicable to such party shall be understood to be an obligation solely in connection with this specific compromise and settlement and to be inapplicable in the absence of such compromise and settlement. This Plan, the Plan Supplement, and the Confirmation Order will be binding as to the matters and issues described therein, but will not be binding with respect to similar matters or issues that might arise in any other litigation or proceeding involving Opioid Claims in which none of the Debtors, the Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts is a party; *provided* that such litigation or proceeding is not to enforce or evidence the terms of the Plan, the Plan Supplement, or the Confirmation Order. Any Opioid Claimants' support of, or position or action taken in connection with, this Plan, the Plan Supplement, and the Confirmation Order may differ from his position or testimony in any other litigation or proceeding except in connection with these Chapter 11 Cases. Further, the treatment of Opioid Claims as set forth in this Plan is not intended to serve as an example for, or represent the parties' respective positions or views concerning any other chapter 11 cases relating to opioid products, nor shall it be used as precedent by any Entity or party in any other chapter 11 cases related to opioid products.

2. Transferability of Opioid Claim Distribution Rights

Any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Opioid MDT II or the Opioid Creditor Trusts on account of an Opioid Claim shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts, as applicable. Further, any right of a Holder of an Opioid Claim to receive a distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of an Opioid Claim

shall be nontransferable and nonassignable except by will, intestate, succession or operation of law or as otherwise provided in the Plan or any of the Opioid Creditor Trust Documents. Any rights of Holders of Opioid Claims to receive a Distribution or other payment from the Debtors, Reorganized Debtors, the Opioid MDT II, or the Opioid Creditor Trusts on account of Opioid Claims shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

W. *Transfers of Property to and Assumption of Certain Liabilities by the Opioid MDT II*

1. Transfer of Books and Records to the Opioid MDT II

On the Effective Date or as soon thereafter as is reasonably practicable, the Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of all books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the defense of Opioid Claims (including Opioid Demands) in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided*, that, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. The transfer of any privileged books and records provided to the Opioid MDT II necessary for the defense of Opioid Claims (including Opioid Demands) shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to defend the Opioid Claims (including Opioid Demands) as more fully set forth in the Opioid MDT II Cooperation Agreement. Further, pursuant to the Plan and the Confirmation Order, none of the Debtors, the Reorganized Debtors, any of the Debtors' or the Reorganized Debtors' Affiliates or the Disinterested Managers shall be liable for violating any confidentiality or privacy protections as a result of transferring the books and records to the Opioid MDT II in accordance with the Opioid MDT II Cooperation Agreement, and the Opioid MDT II, upon receipt of the books and records, shall take appropriate steps to comply with any such applicable protections.

2. Funding the Opioid MDT II

a. *Opioid MDT II Funding Amount*

The Opioid MDT II shall be funded solely by the Opioid MDT II Consideration. On the Effective Date, the obligations to provide the Opioid MDT II Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the Opioid MDT II Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

b. *Payments to the Opioid MDT II and to the Public Schools' Special Education Initiative*

On the Effective Date, the Debtors and/or the Reorganized Debtors will make the Initial Opioid MDT II Payment, and thereafter, the Reorganized Debtors or Reorganized Mallinckrodt will make each of the Opioid Deferred Cash Payments subject to the Prepayment Option; *provided* after any sale of (i) Mallinckrodt Enterprises Holdings, Inc. and its subsidiaries (including, for the avoidance of doubt, its successors and assigns) or (ii) a material portion of their assets or businesses (including as a result of a merger, equity sale, or asset sale), subject to compliance with the Debtors' covenants under the agreements governing their funded indebtedness (as may be modified from time to time), 50% of the "net proceeds" of such sale (after, for the avoidance of doubt, compliance with then-existing covenants) shall be paid to the Opioid MDT II; and the amount of such net proceeds actually conveyed to the Opioid MDT II will be deemed a ratable repayment against the remaining Opioid Deferred Cash Payments that the Opioid MDT II is entitled to receive. For the avoidance of doubt, the Debtors will not be under any obligation to undertake any such sale on any particular timeframe. The Debtors intend that payments to the Opioid MDT II (whenever made, and from whatever source) will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of payments to the Opioid MDT II on account of Opioid Claims, and such tax characterization shall not be construed to be dispositive for any non-tax purpose. Nor shall such tax characterization be construed to mean that Debtors' payments satisfy the full extent of the liability associated with Opioid Claims, the satisfaction of which remains a valuable right assigned to the Opioid MDT II, nor that the remaining liability associated with Opioid Claims seeks restitution as a form of relief.

In addition, the Debtors and the Public Schools' Special Education Initiative intend that the Public Schools' Special Education Initiative Contribution will constitute "restitution . . . for damage or harm" within the meaning of Section 162(f) of the Internal Revenue Code, and will be so characterized for U.S. federal income tax purposes to the extent such payments are made to or at the direction of a government or governmental entity, and such payments are hereby, based on the origin of the liability and the nature and purpose of such payments, so identified in accordance with Section 162(f)(2)(A)(ii) of the Internal Revenue Code. For the avoidance of doubt, the foregoing sentence is intended to apply to the tax characterization of the Public Schools' Special Education Initiative Contribution, and such tax characterization shall not be construed to be dispositive for any non-tax purpose.

Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, on the one hand, and the Reorganized Debtors, on the other, shall reasonably cooperate in good faith with each other and their respective representatives with respect to the reporting required pursuant to Section 6050X of the Internal Revenue Code regarding the payments or transfers of property required under the Plan, with the goal of eliminating redundancies and complying with their reporting requirements, if any, in an efficient manner, including, if permitted under applicable law, appointing a single appropriate official to file a single information return in accordance with Treasury Regulation Sections 1.6050X-1(b)(3) and 1.6050X-1(f)(1)(ii)(B). Each of the Opioid MDT II, NOAT II, and the Public Schools' Special Education Initiative, as applicable, shall, no later than thirty (30) days prior to the date on which each such information return, if any, is required to be filed, provide to the Reorganized Debtors a draft of any such information return it has determined that it is required to file with the IRS with respect to payments or transfer of property to it under the Plan and, prior to filing, shall consider in good faith any and all comments timely received from the Reorganized Debtors with respect thereto. If, after consultation with its tax advisors, the Trustees or other authorized persons of the Opioid MDT II, NOAT II or the Public Schools' Special Education Initiative reasonably determine in good faith that any such comments should not be reflected in such filing, the parties shall use reasonable best efforts to negotiate in good faith so as to reach a mutually agreeable resolution. If the parties are unable to reach a mutually agreeable resolution, the matter shall be resolved as directed by the Bankruptcy Court.

In addition, each of the Opioid MDT II and the Public Schools' Special Education Initiative shall use reasonable best efforts to provide to the Reorganized Debtors, no later than fifteen (15) days following the end of each calendar quarter, an estimate of the aggregate payments to any attorneys' fee funds established pursuant to Article IV.X.9.

c. *New Opioid Warrants*

On the Effective Date, Reorganized Mallinckrodt shall issue, and the Debtors shall cause to be transferred, the New Opioid Warrants to the Opioid MDT II or to a newly formed limited liability company formed and wholly owned by the Opioid MDT II.[7]

d. *Assigned Third-Party Claims, Share Repurchase Claims, and Assigned Insurance Rights*

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights to the Opioid MDT II; *provided*, *that* the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the Opioid MDT II) on account of any Assigned Third-Party Claims shall be enjoined and barred. Subject to the foregoing, nothing contained in the Plan, the Plan Supplement, or the Confirmation Order shall operate to require any Opioid Insurer to pay under any Opioid Insurance Policy the liability of any Person that was not an insured prior to the Petition Date..

The Reorganized Debtors shall transfer and assign, or cause to be transferred and assigned, to the Opioid MDT II copies of books and records necessary for, and for the sole purpose of enabling and to the extent necessary to enable, the prosecution of the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights in accordance with the Opioid MDT II Cooperation Agreement, including, for the avoidance of doubt, both privileged and non-privileged documents; *provided*, that, after the transfer of such books and records the Debtors or the Reorganized Debtors may destroy copies of such books and records in accordance with their record management policies. Such transfer shall not result in the destruction or waiver of any applicable privileges pertaining to such books and records. Subject to the terms of the Opioid MDT II Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the Opioid MDT II or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to preserve, secure, prosecute, or obtain the benefit of the Assigned Third-Party Claims, the Share Repurchase Claims, and Assigned Insurance Rights as more fully set forth in the Opioid MDT II Cooperation Agreement.

The Opioid MDT II shall be authorized to conduct Rule 2004 examinations, to the fullest extent permitted thereunder, to investigate the Assigned Third-Party Claims, the Share Repurchase Claims, and the Assigned Insurance Rights, without the requirement of filing a motion for such authorization; *provided*, however, that no such Rule 2004 examinations shall be taken of the Debtors, the Reorganized Debtors, Medtronic plc (and/or its subsidiaries and affiliates, including Covidien Limited), or any of their respective predecessors, successors, assigns and each of their respective then-current or former employees, officers,

---

7 The Debtors and the Supporting Parties are discussing the original issuance of the New Opioid Warrants to a newly formed limited liability company ("LLC)" formed by and initially owned by Opioid MDT II. At emergence, Reorganized Debtor will issue the warrants to LLC directly. The NAS Monitoring Attorney Fee Fund shall be administered by the NAS Monitoring Trust on terms acceptable to the NAS Committee. Such compensation, costs and fees paid or reimbursed, as applicable, by the PI Trust shall be deducted from distributions from the PI Trust Holders of Allowed PI Opioid Claims and Allowed NAS PI Opioid Claims, in each case pursuant to the PI Trust Documents. In this regard, the payment of the assessments described in this Article IV.X.8 shall be the only payment that such Holders (or their counsel) shall ever have to make to the Common Benefit Fund with respect to amounts distributed under this Plan, and shall not be subject to any further or other common benefit or similar assessments with respect to amounts distributed pursuant to the Plan or payments to attorneys in respect thereof.

Y. *Administration of Opioid Claims*

All Opioid Claims will be administered, processed, and resolved pursuant to the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The Opioid MDT II Trustee(s) and Opioid Creditor Trustee(s), as applicable, shall determine the eligibility, amount and Allowance of the applicable Opioid Claims in accordance with the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents. The determination by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s) of the eligibility, amount and Allowance of each Opioid Claim (except for any Other Opioid Claims) shall be final and binding, and shall not be subject to any challenge or review of any kind, by any court or other Person, except as set forth herein and in the Opioid MDT II Documents and Opioid Creditor Trust Documents. Distributions in respect of Allowed Opioid Claims shall be made by the applicable Opioid MDT II Trustee(s) or Opioid Creditor Trustee(s), in accordance with the trust distribution procedures and other provisions of the applicable Opioid MDT II Documents or Opioid Creditor Trust Documents, from the applicable Opioid MDT II or Opioid Creditor Trust. Distributions from the Opioid MDT II, Opioid Creditor Trusts, and the Ratepayer Account shall be the sole source of recovery for Holders of Allowed Opioid Claims, and no Holder of an Opioid Claim shall have any other or further recourse to the Opioid Creditor Trusts, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Opioid Claims shall have no recourse to the Opioid Creditor Trusts, the Ratepayer Account, the Opioid MDT II, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

1. Administration of Other Opioid Claims

On the Effective Date or as soon as reasonably practicable thereafter, the Opioid MDT II Administrator will (i) file the notice of the Other Opioid Claims Bar Date with the Bankruptcy Court and (ii) publish the notice of the Other Opioid Claims Bar Date, the form of which shall be reasonably acceptable to the Reorganized Debtors. The notice shall be served on all known Other Opioid Claimants who were served with ballots for Class 9(h) or submitted ballots for Class 9(h). Any Other Opioid Claim for which no timely proof of claim form is submitted shall be deemed disallowed, subject to Bankruptcy Rule 9006.

All Other Opioid Claims shall be Disputed Claims under the Plan. Only Other Opioid Claims that become Allowed Claims pursuant to the procedures contained in Article IV.Y.2 herein shall be entitled to receive distributions on account of their respective Other Opioid Claimant Pro Rata Share. For the avoidance of doubt, Other Opioid Claims, whether Allowed or disallowed, shall not be entitled to any distributions from any Abatement Trust or other Opioid Creditor Trust.

After Other Opioid Claims are Allowed and in the course of making any Opioid MDT II Subsequent Distribution, the Opioid MDT II Administrator will calculate the Other Opioid Claimant Pro Rata Share for the Allowed Other Opioid Claims, and shall make distributions to Holders of Allowed Other Opioid Claims accordingly.

The Opioid MDT II Administrator may, in its discretion, elect to implement procedures for the establishment and release of a reserve for Other Opioid Claims that may be allowed in the future. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary, the Opioid MDT II shall treat any such reserve as a "disputed ownership fund" governed by Treasury Regulation section 1.468B-9 and to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. All parties (including, to the extent applicable, the Opioid MDT II and Holders of Other Opioid Claims) shall be required to report for tax purposes consistently with the foregoing.

2. Objections to Other Opioid Claims

The Opioid MDT II Administrator shall be entitled to object to Other Opioid Claims. Any objections to Other Opioid Claims shall be served and filed on or before the later of (i) two-hundred and seventy (270) days after the Other Opioid Claims Bar Date and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown); any Disputed Other Opioid Claim to which no objection is served and filed within such time shall become an Allowed Other Opioid Claim after the expiration of such time. The Opioid MDT II Administrator shall be entitled to use omnibus objections in compliance with Local Rule 3007-1 and may seek Bankruptcy Court approval to establish additional objection or estimation procedures as the Opioid MDT II Administrator believes appropriate. Other Opioid Claims shall be Allowed or disallowed in accordance with the Bankruptcy Code, and any objection to, or other dispute regarding, the Allowance of an Other Opioid Claim shall (absent consensual resolution) be determined by the Bankruptcy Court. Notwithstanding anything to the contrary contained in the Plan, any disallowance of any Other Opioid Claim pursuant to any objection filed under this section of the Plan or otherwise shall be subject to reconsideration upon the filing, at any time, of a motion by the holder of such Claim under section 502(j) of the Bankruptcy Code.

3. Resolution of Disputed Other Opioid Claims

On and after the Effective Date the Opioid MDT II Administrator shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Disputed Other Opioid Claims and to compromise, settle, or otherwise resolve any Disputed Other Opioid Claims without approval of the Bankruptcy Court.

4. Disallowance of Other Opioid Claims

Any Other Opioid Claims held by an Entity from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Other Opioid Claims may not receive any distributions on account of such Other Opioid Claims until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Reorganized Debtors.

5. Estimation of Other Opioid Claims

The Opioid MDT II Administrator may at any time request that the Bankruptcy Court estimate any Other Opioid Claims pursuant to section 502(c) of the Bankruptcy Code for any reason or purpose, regardless of whether the Opioid MDT II Administrator has previously objected to such Other Opioid Claim or whether the Bankruptcy Court has ruled on any such objection; *provided*, however, any estimation of any Other Opioid Claim shall be subject to reconsideration upon the filing, at any time, of a motion by the holder of such Claim under section 502(j) of the Bankruptcy Code. The Bankruptcy Court shall retain jurisdiction to estimate any Other Opioid Claim at any time during litigation concerning any objection to any Other Opioid Claim, including, during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates any Other Opioid Claim, that estimated amount shall constitute the maximum limitation on such Other Opioid Claim (unless such Other Opioid Claim is subsequently Allowed in a greater amount pursuant to section 502(j) of the Bankruptcy Code), and the Opioid MDT II Administrator may pursue supplementary proceedings to object to the ultimate allowance of such Other Opioid Claim. All of the aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of one another. Other Opioid Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

Z. *Authority of the Debtors*

Effective on the Confirmation Date, the Debtors shall be empowered and authorized to take or cause to be taken, prior to the Effective Date, all actions necessary or appropriate to achieve the Effective Date and enable the Reorganized Debtors to implement effectively the provisions of the Plan, the Confirmation Order, the Scheme of Arrangement, the Irish Confirmation Order, the Restructuring Transactions, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents.

AA. *Industry-Wide Document Disclosure Program*

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall participate in an industry-wide document disclosure program by disclosing publicly a subset of its litigation documents, subject to scope and protocols described below.

1. Documents Subject to Public Disclosure

The following documents shall be produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to the Minnesota State Attorney General, on behalf of the Settling States, and are subject to public disclosure in perpetuity as part of an industry-wide document disclosure program, except for the redactions authorized by Article IV.AA.2:

(a) All documents, indices, and privilege logs the VI-Specific Debtors produced to any of the Settling States prior to the Petition Date, including in litigation and in response to investigative demands or other formal or informal requests related to opioids.

(b) All documents, indices, and privilege logs the VI-Specific Debtors produced in the Opioid Multi-District Litigation (*In re Nat'l Prescription Opiate Litig.*, No. 1:17-MD-2804 (N.D. Ohio)) and the New York litigation (*In re Opioid Litigation*, 400000/2017 (Suffolk County)) prior to the Petition Date.

(c) All documents, indices, and privilege logs the VI-Specific Debtors have produced in other litigation related to opioids, excluding patent litigation.

(d) All filings, motions, orders, court transcripts, deposition transcripts, and exhibits in the possession, custody, or control of the VI-Specific Debtors and/or Reorganized VI-Specific Debtors from litigation related to opioids, excluding patent litigation.

All documents produced under this provision shall be provided in electronic format with all related metadata. The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors and the Minnesota State Attorney General, on behalf of the Settling States, will work cooperatively to develop technical specifications for the productions.

2. Information That May Be Redacted

The following categories of information are exempt from public disclosure:

(a) Information subject to trade secret protection. A "trade secret" is information, including a formula, pattern, compilation, program, device, method, technique or process, that (i) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure and use; and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Even if the information falls within the definition, "trade secret" does not include information reflecting sales or promotional strategies, tactics, targeting, or data, or internal communications related to sales or promotion.

(b) Confidential personal information. "Confidential personal information" means individual Social Security or tax identification numbers, personal financial account numbers, passport numbers, driver license numbers, home addresses, home telephone numbers, personal email addresses, and other personally identifiable information protected by law from disclosure. "Confidential personal information" does not include the names of the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' officers, directors, employees, agents, or attorneys.

(c) Information that is inappropriate for public disclosure because it is subject to personal privacy interests recognized by law (e.g., HIPAA), or contractual rights of third parties that the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may not abrogate.

(d) Information regarding the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' employees' personal matters unrelated to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors, including emails produced by the VI-Specific Debtors' custodians discussing vacation or sick leave, family, or other personal matters.

3. Redaction of Documents Containing Protected Information

Whenever a document contains information subject to a claim of exemption pursuant to Article IV.AA.2, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce the document in redacted form. Such redactions shall indicate that trade secret and/or private information, as appropriate, has been redacted. Redactions shall be limited to the minimum redactions possible to protect the legally recognized individual privacy interests and trade secrets identified above.

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, a log noting each document redacted. The log shall also provide fields stating the basis for redacting the document, with sufficient detail to allow an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be produced simultaneously with the production of documents required by Article IV.AA.7.

In addition to the redacted documents, the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall, upon any Settling State's request, also produce all documents identified in Article IV.AA.1 in unredacted form to such Settling State at the same time. The redacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors may be publicly disclosed in accordance with Article IV.AA.6. The unredacted documents produced by the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to a Settling State shall be available only to such Settling State unless the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' claim of exemption under Article IV.AA.2 is successfully challenged in accordance with Article IV.AA.4 or the trade secret designation expires in accordance with Article IV.AA.5.

4. Challenges to Redaction

Anyone, including members of the public and the press, may challenge the appropriateness of redactions by providing notice to the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors. If the challenge is not resolved by agreement, it must be resolved in the first instance by a third party jointly appointed by the Minnesota State Attorney General, on behalf of the Settling States, and the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors to resolve such challenges. The decision of the third party may be appealed to a court with enforcement authority over the Opioid Operating Injunction. If not so appealed, the third party's decision is final. In connection with such challenge, a Settling State may provide copies of relevant unredacted documents to the parties or the decisionmaker, subject to appropriate confidentiality and/or in camera review protections, as determined by the decisionmaker.

5. Review of Trade Secret Redactions

Ten years after the VI-Specific Debtors and/or the Reorganized VI-Specific Debtors complete the production of documents in accordance with this Article IV.AA, the Reorganized VI-Specific Debtors shall review all trade secret assertions made in accordance with Article IV.AA.2 and all non-manufacturing trade secret designations shall expire. The newly unredacted documents may then be publicly disclosed by the Minnesota State Attorney General, on behalf of the Settling States, in accordance with Article IV.AA.6. The Reorganized VI-Specific Debtors shall produce to the Minnesota State Attorney General, on behalf of the Settling States, an updated redaction log justifying its designations of the remaining trade secret redactions as manufacturing trade secrets.

6. Public Disclosure through a Document Repository

The Minnesota State Attorney General, on behalf of the Settling States, may publicly disclose all documents covered by this Article IV.AA through a public repository maintained by a governmental, non-profit, or academic institution. The Minnesota State Attorney General, on behalf of the Settling States, may specify the terms of any such repository's use of those documents, including allowing the repository to index and make searchable all documents subject to public disclosure, including the metadata associated with those documents. When providing the documents covered by this Article IV.AA to a public repository, no Settling State shall include or attach within the document set any characterization of the content of the documents. For the avoidance of doubt, nothing in this paragraph shall prohibit any Settling State from publicly discussing the documents covered by this Article IV.AA.

7. Timeline for Production

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall produce all documents required by Article IV.AA.1 within nine months from the Petition Date.

8. Costs

The VI-Specific Debtors and/or the Reorganized VI-Specific Debtors shall be responsible for their allocable share of all reasonable costs and expenses associated with the public disclosure and storage of the VI-Specific Debtors' and/or the Reorganized VI-Specific Debtors' documents through any public repository.

BB. *Monitor*[8]

1. Appointment and Term

The Confirmation Order will provide for the appointment of the Monitor for a term of five years from the Petition Date. If, at the conclusion of the Monitor's five-year term, the Settling States determine in good faith and in consultation with the Monitor that the Reorganized VI-Specific Debtors have failed to achieve and maintain substantial compliance with the substantive provisions of the Opioid Operating Injunction, the Monitor's engagement shall be extended for an additional term of up to two years, subject to the right of the Reorganized VI-Specific Debtors to commence legal proceedings for the purpose of challenging the decision of the Settling States and to seek preliminary and permanent injunctive relief with respect thereto.

2. Identity

The Monitor for the full term shall be the Chapter 11 Monitor in place as of the Effective Date unless justifiable cause exists and the Monitor Agreement shall remain in full force and effect upon the Effective Date, unless amended or superseded by further order of the Bankruptcy Court, which order may be the Confirmation Order. For purposes of this paragraph, justifiable cause exists if the Monitor resigns or a court finds that the Monitor: (a) develops a conflict of interest that would undermine public confidence in the objectivity of his or her work; (b) has unreasonably failed to fulfill his or her material obligations under the Opioid Operating Injunction or pursuant to his or her work plan, (c) has engaged in any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct; or (d) has engaged in an intentional act of bias or prejudice in favor or against either party. Justifiable cause shall not include the Reorganized VI-Specific Debtors' or the Settling States' disagreements with the decisions of the Monitor, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Monitor has not been acting as an independent third party in rendering decisions.

If a new Monitor must be appointed during the term, the Reorganized VI-Specific Debtors and the Settling States shall exchange pools of recommended candidates within 30 days of the Monitor's departure. The pools shall each contain the names of three individuals, groups of individuals or firms and shall be based in part on experience with internal investigations or the investigative process (which may include prior monitorship or oversight experience) and expertise in the pharmaceutical industry, relevant regulatory regimes, and internal controls and compliance systems.

After receiving the pools of Monitor candidates, the Reorganized VI-Specific Debtors and the Settling States shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The Reorganized VI-Specific Debtors and the Settling States may veto any of the candidates, and must do so in writing within 30 days of receiving the pool of candidates. If all three candidates within a pool are rejected by either the Reorganized VI-Specific Debtors or the Settling States, the party who rejected the three candidates may direct the other party to provide up to three additional qualified candidates within 15 days of receipt of said notice.

If the Reorganized VI-Specific Debtors or the Settling States do not object to a proposed candidate, the Reorganized VI-Specific Debtors or the Settling States shall so notify the other in writing within 30 days of receiving the pool of candidates. If more than one candidate remains, the Settling States shall select the Monitor from the remaining candidates.

---

8 This section is qualified in its entirety by the Voluntary Injunction and the Opioid Operating Injunction, and for any inconsistency between this section and the Voluntary Injunction and the Opioid Operating Injunction, the Voluntary Injunction and the Opioid Operating Injunction, as applicable, will govern.

3. Duties and Reporting

The Monitor shall be responsible for ensuring that the Reorganized VI-Specific Debtors (and any successors during the Monitor's term to the Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories) are in compliance with the Opioid Operating Injunction. The Reorganized VI-Specific Debtors and their professionals and representatives shall cooperate and reasonably respond to requests by the Monitor in the performance of its responsibilities, including reasonable requests for access to relevant books and records of the Reorganized VI-Specific Debtors. Subject to any legally recognized privilege and as reasonably necessary to perform his or her duties, the Monitor shall have full and complete access to the Reorganized VI-Specific Debtors' personnel, books, records, and facilities, and to any other relevant information, as the Monitor may request. The Reorganized VI-Specific Debtors shall develop such information as the Monitor may request and shall fully, completely and promptly cooperate with the Monitor.

The manner in which the Monitor will carry out his or her responsibilities, the general scope of information that the Monitor will seek to review in fulfilling his or her duties and, where applicable, the methodologies to be utilized shall be consistent with the work plan used by the Chapter 11 Monitor as of the Effective Date (the "Work Plan"). The Reorganized VI-Specific Debtors, the Settling States, and the Monitor may jointly agree to revisions to the Work Plan.

The Monitor shall file a report with the Settling States regarding compliance by the Reorganized VI-Specific Debtors with the terms of the Opioid Operating Injunction every 90 days after the Effective Date (the "***Monitor Reports***"). The Reorganized VI-Specific Debtors and the Settling States may jointly agree to decrease the frequency of Monitor Reports to every 180 days. To the extent permissible by state public record laws, these reports (in whole or in part) may be filed subject to restriction from public disclosure. The content of Monitor Reports shall be set forth in the Work Plan.

Prior to issuing a Monitor Report, the Monitor shall confer with Reorganized VI-Specific Debtors and the Settling States, either jointly or separately (in the discretion of the Monitor), regarding his or her preliminary findings and the reasons for those findings. The Reorganized VI-Specific Debtors shall have the right to submit written comments to the Monitor, which shall be appended to the final version of the Monitor Report.

4. Relief and Cure

In furtherance of the responsibilities of the Monitor, the Monitor shall be authorized to seek relief from the Bankruptcy Court, to the extent necessary to carry out its obligations hereunder.

In the event a Monitor Report identifies a potential violation of the Opioid Operating Injunction, the Reorganized VI-Specific Debtors shall have the right to cure any potential violation within 30 days.

5. Professionals and Costs

The Monitor shall have the authority to employ, upon written consent from the Reorganized VI-Specific Debtors, such consent not to be unreasonably withheld, delayed or conditioned, such consultants, accountants, attorneys, and other representatives and assistants as are reasonably necessary to carry out the Monitor's responsibilities. Requests to employ such individuals will be decided upon no later than ten (10) days from their receipt.

All compensation, costs and fees of the Monitor and any professionals retained by the Monitor shall be paid by the Reorganized VI-Specific Debtors.

6. Liability

The Monitor shall serve without bond or other security. The Monitor shall have no obligation, responsibility, or liability for the operations of the Reorganized VI-Specific Debtors.

CC. *Trade Claimant Agreements*

As to any Trade Claimant that agrees by so indicating on its Ballot to maintain with the Debtors Favorable Trade Terms, the Plan shall constitute (i) if applicable, an amendment to such Trade Claimant's assumed or assumed and assigned Executory Contract between any Debtor and such Trade Claimant, instituting the foregoing trade terms in such Executory Contract, or (ii) otherwise, a contractual agreement by such Trade Claimant to maintain such trade terms for at least twelve (12) months after the Effective Date.

DD. *Federal/State Acthar Settlement*

As of the Effective Date, the Federal/State Acthar Settlement Agreements shall be executed by Parent, Mallinckrodt ARD LLC, the U.S. Government, and the States. On the Effective Date or as soon as reasonably practicable thereafter, the Debtors and/or the Reorganized Debtors will make the Initial Federal/State Acthar Settlement Payment, and thereafter, the Reorganized Debtors will make each of the Federal/State Acthar Deferred Cash Payments; *provided*, that except as otherwise expressly set forth in any of the Federal/State Acthar Settlement Agreements executed by any State, the Initial Federal/State Acthar Settlement Payment and Federal/State Acthar Deferred Cash Payments shall bear interest accruing at an annual rate of 0.6255%, running from September 21, 2020, in eight installments.

EE. *Retainers of Ordinary Course Professionals*

Upon the Effective Date, each Ordinary Course Professional may apply its retainer, if any, against any outstanding prepetition balances owed by the Debtors to such Ordinary Course Professional.

FF. *No Substantive Consolidation*

This Plan is being proposed as a joint chapter 11 plan of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan for each Debtor. This Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in this Plan.

GG. *No Claims Under First Lien Notes/Second Lien Notes Intercreditor Agreement*

As the holders of First Lien Notes Claims shall have received recovery in full pursuant to the terms of this Plan, the holders of First Lien Notes shall not have any claims (including, without limitation, for turnover of payments) against the holders of Second Lien Notes (or the Second Lien Indenture Trustee or the Second Lien Collateral Agent) under the existing Intercreditor Agreement in any way arising from, relating to or as a result of the Debtors' restructuring (including, without limitation, of the First Lien Notes and Second Lien Notes), the Plan (including, without limitation, the treatment of the existing First Lien Notes Claims or Second Lien Notes Claims under the Plan or the making of distributions to the holders of the existing First Lien Notes Claims or Second Lien Notes Claims in accordance with the Plan), the distribution of property by the Debtors under the Plan, any related document or any order of the Bankruptcy Court, or any other transaction, agreement, event, omission or other occurrence taking place on or before the Effective Date related or relating to any of the foregoing, including without limitation the payment of any reasonable and documented out-of-pocket fees or expenses of the advisors to the Ad Hoc Second Lien Notes Group or the payment of the Second Lien Notes Indenture Trustee Fees, which payments shall be final and not subject to disgorgement, turnover, recovery, avoidance, recharacterization or any other similar claim.

Prior to Effective Date, the Debtors shall not agree to any settlement with holders of the First Lien Notes Claims as to the treatment of such First Lien Notes Claims under this Plan that does not provide for a full release from any and all claims (including, without limitation, for turnover of payments) held by such settling holders of such First Lien Notes Claims against the holders of the Second Liens Notes Claims pursuant to the applicable Intercreditor Agreement.

HH. *General Unsecured Claims Trust*

1. Creation of General Unsecured Claims Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the General Unsecured Claims Trust in accordance with the Plan and the General Unsecured Claims Trust Documents. As of the Effective Date, the General Unsecured Claims Trust Documents shall be executed by the Debtors and the General Unsecured Claims Trustee, as applicable, and the General Unsecured Claims Trust shall be created. The General Unsecured Claims Trust will satisfy any applicable requirements to constitute a "qualified settlement fund" within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the General Unsecured Claims Trust and implementation of the UCC Settlement shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of General Unsecured Claims and Trade Claims to be assumed by the General Unsecured Claims Trust. The purpose of the General Unsecured Claims Trust shall be to, among other things: (1) resolve all Claims assumed thereby in accordance with the Plan, the General Unsecured Claims Trust Documents, and the Confirmation Order (but not, for the avoidance of doubt, (a) the Share Repurchase Claims, which will be liquidated by the Opioid MDT II or (b) any Claims to the extent and for so long as they are asserted as any other classification or status of Claims except General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust under Article IV.HH.7 of the Plan); (2) preserve, hold, collect, manage, maximize, and liquidate the assets of the General Unsecured Claims Trust for use in resolving Claims assumed thereby; (3) enforce, pursue, prosecute, compromise, and/or settle the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims; (4) pay all GUC Trust Expenses as provided in the General Unsecured Claims Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (5) pay any and all administration and operating expenses of the General Unsecured Claims Trust, including the fees and expenses of any professionals retained by the General Unsecured Claims Trust; and (6) qualify at all times as a qualified settlement fund.

2. Appointment General Unsecured Claims Trustee(s)

The appointment of the initial General Unsecured Claims Trustee will be approved in the Confirmation Order, and effective as of the Effective Date, in accordance with the General Unsecured Claims Trust Documents, the individual(s) selected as the General Unsecured Claims Trustee(s) shall be appointed to serve as the General Unsecured Claims Trustee(s) for the General Unsecured Claims Trust.

3. Transferability of General Unsecured Claim Trust Distribution Rights

Any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, or the General Unsecured Claims Trust, as applicable. Further, any right of a Holder of any Claim to receive a distribution or other payment from the General Unsecured Claims Trust shall be nontransferable and nonassignable

except by will, intestate, succession, or operation of law or as otherwise provided in the Plan or any of the General Unsecured Claims Trust Documents. Any rights to receive a Distribution or other payment from the General Unsecured Claims Trust shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the General Unsecured Claims Trust

The General Unsecured Claims Trust shall be funded solely by the General Unsecured Claims Trust Consideration. On the Effective Date, the obligations to provide the General Unsecured Claims Trust Consideration shall constitute legal, valid, binding, and authorized obligations of the applicable Reorganized Debtors, enforceable in accordance with the terms hereof. The financial accommodations to be extended in connection with the General Unsecured Claims Trust Consideration are being extended, and shall be deemed to have been extended, in good faith, for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. Other than the obligation to provide the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust, the Debtors, the Reorganized Debtors, and the Estates shall have no obligation to make any payment on account of any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust.

The Reorganized Debtors shall market the StrataGraft priority review voucher at a time to be determined by the Reorganized Debtors' board of directors. The Reorganized Debtors shall have sole discretion and control over the marketing and sale of the Stratagraft priority review voucher but shall provide the General Unsecured Claims Trustee with timely updates regarding all aspects of the marketing of the StrataGraft priority review voucher, and the General Unsecured Claims Trustee shall be entitled to reasonable consultation rights in respect of such marketing.

5. GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims

As of the Effective Date, the Debtors and/or the Reorganized Debtors shall be deemed to have assigned the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims to the General Unsecured Claims Trust; *provided*, that the exercise of remedies (including rights of setoff and/or recoupment) by non-Debtor third parties against the Debtors or Reorganized Debtors (but not the General Unsecured Claims Trust) on account of any GUC Assigned Preference Claims or GUC Assigned Sucampo Avoidance Claims shall be enjoined and barred. In addition, the General Unsecured Claims Trust may obtain other consideration from third parties post-emergence, including but not limited to claims assigned by creditors, subject to the reasonable consent right of the Debtors or Reorganized Debtors, and the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with such other third-party consideration on the same terms as set forth in this Article IV.HH.

On and after the Effective Date, the Reorganized Debtors shall use reasonable best efforts to cooperate with the General Unsecured Claims Trust in connection with the General Unsecured Claims Trust's investigation, preservation, pursuit, and securing of the GUC Assigned Sucampo Avoidance Claims, including by providing non-privileged information (including, without limitation, data, documents, emails, and access to individuals with information) related to the GUC Assigned Sucampo Avoidance Claims, at the reasonable request of the General Unsecured Claims Trust. The General Unsecured Claims Trust shall reimburse the Reorganized Debtors for their documented and reasonable out-of-pocket costs and expenses incurred in connection with such reasonable cooperation from and after the Effective Date.

Any request by the General Unsecured Claims Trust for cooperation by the Reorganized Debtors shall be on reasonable advance notice, and provided during normal business hours and otherwise in a manner that does not disrupt commercial operations.

6. Vesting of the General Unsecured Claims Trust Consideration in the General Unsecured Claims Trust

On the Effective Date, pursuant to the Plan and in accordance with the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust Consideration shall be transferred or issued to and vest in the General Unsecured Claims Trust free and clear of all Claims, Interests, Liens, other encumbrances and liabilities of any kind (other than the Claims assumed by the General Unsecured Claims Trust). The General Unsecured Claims Trust shall have no liability for, and the General Unsecured Claims Trust Consideration shall vest in the General Unsecured Claims Trust free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Claims assumed by the General Unsecured Claims Trust. From and after the Effective Date, all proceeds of the General Unsecured Claims Trust Consideration shall be paid to the General Unsecured Claims Trust to be applied in accordance with the General Unsecured Claims Trust Documents. For the avoidance of doubt, the Asbestos Cost Sharing Agreement shall be excluded from the General Unsecured Claims Trust and remain with the Reorganized Debtors.

7. Assumption of Certain Liability and Responsibility by the General Unsecured Claims Trust

In consideration for the property transferred to the General Unsecured Claims Trust and in furtherance of the purposes of the General Unsecured Claims Trust and the Plan, the General Unsecured Claims Trust shall assume all liability and responsibility, financial and otherwise, for (a) all General Unsecured Claims and (b) any Trade Claim, the Holder of which votes to reject the Plan or does not agree to maintain Favorable Trade Terms in accordance with the requirements set forth in the Disclosure Statement Order. The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the General Unsecured Claims Trust. Except as otherwise provided in the Plan and the General Unsecured Claims Trust Documents, the General Unsecured Claims Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

8. Administration of General Unsecured Claims and Trade Claims Assumed by the General Unsecured Claims Trust

All Claims assumed by the General Unsecured Claims Trust will be administered, liquidated and discharged pursuant to the applicable General Unsecured Claims Trust Documents. Distributions in respect of Allowed Claims assumed by the General Unsecured Claims Trust shall be made by the General Unsecured Claims Trustee(s), in accordance with the General Unsecured Claims Trust Documents from the General Unsecured Claims Trust. Distributions from the General Unsecured Claims Trust shall be the sole source of recovery for Holders of Allowed Claims assumed by the General Unsecured Claims Trust pursuant to the Plan, and no Holder of any such Claim shall have any other or further recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Claims shall have no recourse to the General Unsecured Claims Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Claims.

Other than as described below, only the General Unsecured Claims Trustee shall be entitled to object to the General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. Any objections to such Claims shall be served and filed by the General Unsecured Claims Trustee on or before the later of (a) two-hundred and seventy (270) days after the Effective Date and (b) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). The General Unsecured Claims Trustee shall be entitled to use omnibus objections in compliance with Local Rule 3007-1, in addition to any procedures set forth in the General Unsecured Claims Trust Documents, and may seek Bankruptcy Court approval to establish additional objection, estimation, or other claims reconciliation procedures as the General Unsecured Claims Trustee believes appropriate.

Notwithstanding anything to the contrary in the foregoing paragraph: (x) any settlement that results in allowance of any Acthar Claims shall require the consent of the Debtors (such consent not to be unreasonably withheld, conditioned, or delayed) and shall not include any direct or indirect admission of fault or liability as to the Debtors, the Reorganized Debtors, or any Released Party and shall not include any terms that allow for, establish, or tend to establish any legal or factual predicate for postpetition or post-Effective Date claims, liabilities, or obligations, including as to any form of legal or equitable relief, against the Debtors, the Reorganized Debtors, or any Released Party; (y) if, after the Effective Date, the merits of any Acthar Claim are to be the subject of litigation (as opposed to being settled or resolved without litigation), the Reorganized Debtors shall have the right to control the defense of any such Acthar Claim, as well as any settlement thereof (with the reasonable consent and at the expense of the General Unsecured Claims Trust); and (z) (i) all administrative, secured, and priority claims, including any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust a portion of which is asserted to be an administrative, secured, or priority claim and (ii) any General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust that seeks injunctive relief shall be resolved by the Debtors in accordance with the terms, provisions, and procedures of the Plan, provided, however, that if such General Unsecured Claim or Trade Claim assumed by the General Unsecured Claims Trust is later determined not to be an administrative, secured, or priority claim, or any request for injunctive relief therein has been dismissed, such Claim shall be resolved by the General Unsecured Claims Trust in accordance with the terms, provisions, and procedures of the General Unsecured Claims Trust Documents and shall be controlled by the General Unsecured Claims Trustee(s), with the reasonable consent of the Debtors' *provided*, that the Debtors or the Reorganized Debtors shall not seek to allow a General Unsecured Claim that has been reclassified in accordance with clause (z).

9. Institution of Maintenance of Legal and Other Proceedings by General Unsecured Claims Trust; Cooperation

As of the date upon which the General Unsecured Claims Trust is established, the General Unsecured Claims Trust shall be empowered to initiate, prosecute, defend and resolve all legal actions and other proceedings related to any asset, liability, or responsibility of the General Unsecured Claims Trust, including in respect of the GUC Assigned Preference Claims and the GUC Assigned Sucampo Avoidance Claims. The General Unsecured Claims Trust shall be empowered to initiate, prosecute, defend and resolve all such actions in the name of the Debtors or their Estates, in each case if deemed necessary or appropriate by the General Unsecured Claims Trust Trustee(s). The General Unsecured Claims Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees, and other charges incurred subsequent to the date upon which the General Unsecured Claims Trust is established arising from, or associated with, any legal action or other proceeding brought pursuant to the foregoing.

The General Unsecured Claims Trust shall be authorized to conduct examinations under Bankruptcy Rule 2004, to the fullest extent permitted thereunder, to investigate the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, without the requirement of filing a motion for such authorization; *provided*, *however*, that no such examinations shall be taken of the Debtors, the Reorganized Debtors, any Released Party, or any of their respective then-current employees, officers, directors, representatives, or agents, without further order of the Bankruptcy Court after notice and an opportunity to object and be heard.

Before and after the Effective Date, the Debtors or the Reorganized Debtors (as applicable) shall provide reasonable cooperation to the Official Committee of Unsecured Creditors or the General Unsecured Claims Trust (as applicable) in connection with the investigation and preservation of the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims, including by providing information (including, without limitation, documents, emails, and access to individuals with information), at the reasonable request of professionals retained by the Official Committee of Unsecured Creditors or the General Unsecured Claims Trust on the terms set forth in the GUC Trust Cooperation Agreement.

Any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications (whether written or oral) associated with the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims shall be transferred to the General Unsecured Claims Trust and shall vest in the General Unsecured Claims Trust, and the Debtors or the Reorganized Debtors, as the case may be, and the General Unsecured Claims Trust shall take all necessary actions to effectuate the transfer of such privileges; *provided*, that (a) such privileges shall be transferred to the General Unsecured Claims Trust for the sole purpose of enabling, and to the extent necessary to enable, the General Unsecured Claims Trust to investigate and/or pursue such GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims and (b) subject to the terms of the GUC Trust Cooperation Agreement, no documents or communications subject to a privilege shall be publicly disclosed by the General Unsecured Claims Trust or communicated to any person not entitled to receive such information or in a manner that would diminish the protected status of such information, unless such disclosure or communication is reasonably necessary to preserve, secure, prosecute, or obtain the benefit of the GUC Assigned Preference Claims and GUC Assigned Sucampo Avoidance Claims as more fully set forth in the GUC Trust Cooperation Agreement; *provided*, *further*, that the Confirmation Order shall provide that the General Unsecured Claim Trusts' receipt of transferred privileges shall be without waiver in recognition of the joint and/or successorship interest in prosecuting claims on behalf of the Estates.

II. *Asbestos Trust*

1. Creation of Asbestos Trust

On or prior to the Effective Date, the Debtors shall take all necessary steps to establish the Asbestos Trust in accordance with the Plan and the Asbestos Trust Documents. As of the Effective Date, the Asbestos Trust Documents shall be executed by the Debtors and the Asbestos Trustee, as applicable, and the Asbestos Trust shall be created. The Asbestos Trust will satisfy any applicable requirements to constitute a "qualified settlement fund" within the meaning of the Treasury Regulations issued under section 468B of the Internal Revenue Code, and otherwise the establishment of the Asbestos Trust shall be implemented with an objective of maximizing tax efficiency to the Debtors and the Reorganized Debtors, including with respect to the availability, location, and timing of tax deductions, and to the Holders of Asbestos Claims. The purpose of the Asbestos Trust shall be to, among other things: (1) resolve all Asbestos Claims assumed thereby in accordance with the Plan, the Asbestos Trust Documents, and the Confirmation Order; (2) preserve, hold, collect, manage, and maximize the assets of the Asbestos Trust for use in resolving Asbestos Claims; (3) pay all Asbestos Trust Expenses as provided in the Asbestos Trust Documents (for which the Estates, the Reorganized Debtors, and the Released Parties shall have no responsibility or liability); (4) pay any and all administration and operating expenses of the Asbestos Trust, including the fees and expenses of any professionals retained by the Asbestos Trust; and (5) qualify at all times as a qualified settlement fund.

2. Appointment Asbestos Trustee(s)

The appointment of the initial Asbestos Trustee will be approved in the Confirmation Order, and effective as of the Effective Date, in accordance with the Asbestos Trust Documents, the individual(s) selected as the Asbestos Trustee(s) shall be appointed to serve as the Asbestos Trustee(s) for the Asbestos Trust.

3. Transferability of Asbestos Trust Distribution Rights

Any right of a Holder of any Asbestos Claim to receive a distribution or other payment from the Asbestos Trust shall not be evidenced by any certificate, security, receipt or in any other form or manner whatsoever, except on the books and records of the Debtors, Reorganized Debtors, or the Asbestos Trust, as applicable. Further, any right of a Holder of any Asbestos Claim to receive a distribution or other payment from the Asbestos Trust shall be nontransferable and nonassignable except by will, intestate, succession, or operation of law. Any rights to receive a Distribution or other payment from the Asbestos Trust shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code would be satisfied and such securities would be exempt from registration.

4. Funding the Asbestos Trust

The Asbestos Trust shall be funded solely by the Asbestos Trust Consideration, which shall be funded by the General Unsecured Claims Trust. On the Effective Date, the obligations of the General Unsecured Claims Trust to provide the Asbestos Trust Consideration shall constitute legal, valid, binding, and authorized obligations, enforceable in accordance with the terms hereof. Other than the obligation to provide the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust, the Debtors, the Reorganized Debtors, and the Estates shall have no obligation to make any payment on account of any Asbestos Claim or any payment to the Asbestos Claims Trust.

5. Vesting of the Asbestos Trust Consideration in the Asbestos Trust

On the Effective Date, pursuant to the Plan and in accordance with the Asbestos Trust Documents, the initial payment of the Asbestos Trust Consideration shall be transferred or issued to and vest in the Asbestos Trust free and clear of all Claims, Interests, Liens, other encumbrances and liabilities of any kind (other than the Asbestos Claims). The Asbestos Trust shall have no liability for, and the Asbestos Trust Consideration shall vest in the Asbestos Trust free and clear of, any pre-petition and post-petition Claims, Causes of Action or liabilities of any kind, in each case that have been or could have been asserted against the Debtors, their Estates or their property (including, but not limited to, Claims based on successor liability) based on any acts or omissions prior to the Effective Date, except for the Asbestos Claims. From and after the Effective Date, all Asbestos Trust Consideration paid to the Asbestos Trust shall be applied in accordance with the Asbestos Trust Documents. For the avoidance of doubt, the Asbestos Cost Sharing Agreement and the Asbestos Insurance Policies shall be excluded from the Asbestos Trust and shall be assumed by the Reorganized Debtors and/or assigned to the Opioid MDT II, as the case may be, including but not limited to in accordance with the definition and treatment of Opioid Insurance Policies and Excluded Insurance Policies herein.

6. Assumption of Certain Liability and Responsibility by the Asbestos Claims Trust

In consideration for the property transferred to the Asbestos Trust and in furtherance of the purposes of the Asbestos Trust and the Plan, the Asbestos Trust shall assume all liability and responsibility, financial and otherwise, for all Asbestos Claims (but not, for the avoidance of doubt, Asbestos Late Claims, which shall be assumed by the General Unsecured Claims Trust). The Debtors, the Reorganized Debtors, and the Released Parties shall have no liability or responsibility, financial or otherwise, for any such Claims assumed by the Asbestos Trust. Except as otherwise provided in the Plan and the Asbestos Trust Documents, the Asbestos Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such assumed Asbestos Claims that the Debtors or the Reorganized Debtors has or would have had under applicable law.

7. Administration of Asbestos Claims and by the Asbestos Trust

All Asbestos Claims will be administered, liquidated, and discharged pursuant to the applicable Asbestos Trust Documents. Distributions in respect of Allowed Asbestos Claims shall be made by the Asbestos Trustee(s), in accordance with the Asbestos Trust Documents from the Asbestos Trust. Distributions from the Asbestos Trust shall be the sole source of recovery for Holders of Allowed Asbestos Claims, and no Holder of any such Claim shall have any other or further recourse to the Asbestos Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties. Holders of disallowed Asbestos Claims shall have no recourse to the Asbestos Trust, the Debtors or their Estates, the Reorganized Debtors, NewCo, any NewCo Subsidiaries, or the Released Parties in respect of such disallowed Asbestos Claims.

Only the Asbestos Trustee shall be entitled to object to the Asbestos Claims, and, for the avoidance of doubt, only the General Unsecured Claims Trustee is entitled to object to the Asbestos Late Claims in the manner set forth in Article IV.HH.8 herein.

For the avoidance of doubt, the defense of any new litigations or claims concerning asbestos commenced against the Reorganized Debtors after the Effective Date will be the responsibility of the Reorganized Debtors, *provided* that the foregoing should not be construed as a waiver of any defense the Reorganized Debtors may have thereto, including that any liability in such litigations or claims are discharged pursuant to the Plan and the Confirmation Order. If any such new litigations or claims result in the filing of Proofs of Claim in the Bankruptcy Court, such Proofs of Claim shall be Asbestos Late Claims, and not Asbestos Claims.

JJ. *Other Terms of Settlement With Official Committee of Unsecured Creditors*

On the Effective Date or as soon as reasonably practicable thereafter and upon presentment of invoices in customary form (which may be redacted to preserve any confidential or privileged information), the Reorganized Debtors shall pay in Cash all reasonable, documented, out-of-pocket fees, expenses, and disbursements incurred by the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee (including reasonable and documented professional fees, expenses, and disbursements) whether prior to or after the Petition Date, but on or prior to the Effective Date in connection with the consummation of the Plan and occurrence of the Effective Date, without the need for application by any party to the Bankruptcy Court, and without notice and a hearing pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. For the avoidance of doubt, the reasonable, documented, out-of-pocket fees, expenses and disbursements of the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee incurred for Additional GUC Trust Distributions made to Holders of Allowed 4.75% Unsecured Notes Claims and Holders of Allowed Legacy Unsecured Notes Claims shall be satisfied by exercise of any lien in favor of the 4.75% Unsecured Notes Indenture Trustee and the Legacy Unsecured Notes Indenture Trustee, as applicable.

Article V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES; EMPLOYEE BENEFITS; AND INSURANCE POLICIES

A. *Assumption of Executory Contracts and Unexpired Leases*

On the Effective Date, except as otherwise provided in the Plan, each of the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned pursuant to an order of the Bankruptcy Court will be deemed assumed as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code *except* any Executory Contract or Unexpired Lease (1) identified on the Rejected Executory Contract/Unexpired Lease List (which shall initially be filed with the Bankruptcy Court on the Plan Supplement Filing Date) as an Executory Contract or Unexpired Lease to be rejected, (2) that is the subject of a separate motion or notice to reject pending as of the Effective Date, or (3) that previously expired or terminated pursuant to its own terms (disregarding any terms the effect of which is invalidated by the Bankruptcy Code).

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumption of the Restructuring Support Agreement pursuant to sections 365 and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. The Restructuring Support Agreement shall be binding and enforceable against the parties to the Restructuring Support Agreement in accordance with its terms. For the avoidance of doubt, the assumption of the Restructuring Support Agreement herein shall not otherwise modify, alter, amend, or supersede any of the terms or conditions of the Restructuring Support Agreement including, without limitation, any termination events or provisions thereunder.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute an order approving the assumptions of the Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code and effective on the occurrence of the Effective Date. Each Executory Contract and Unexpired Lease assumed pursuant to the Plan or by Bankruptcy Court order, and not assigned to a third party on or prior to the Effective Date, shall re-vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as such terms may have been modified by order of the Bankruptcy Court. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease or the execution of any other Restructuring Transaction (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. For the avoidance of doubt, consummation of the Restructuring Transactions shall not be deemed an assignment of any Executory Contract or Unexpired Lease of the Debtors, notwithstanding any change in name, organizational form, or jurisdiction of organization of any Debtor in connection with the occurrence of the Effective Date.

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the Debtors or Reorganized Debtors, as applicable, reserve the right to amend or supplement the Rejected Executory Contract/Unexpired Lease List in their discretion prior to the Confirmation Date (or such later date as may be permitted by Article V.B or Article V.E below), *provided* that the Debtors shall give prompt notice of any such amendment or supplement to any affected counterparty and such counterparty shall have no less than seven (7) days to object thereto on any grounds.

B. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Cost in Cash on the Effective Date or as soon as reasonably practicable, subject to the limitation described below, or on such other terms as the parties to such Executory Contract or Unexpired Lease may otherwise agree. No later than the Plan Supplement Filing Date, to the extent not previously Filed with the Bankruptcy Court and served on affected counterparties, the Debtors shall provide notices of the proposed assumption and proposed Cure Costs to be sent to applicable counterparties, together with procedures for objecting thereto and for resolution of disputes by the Bankruptcy Court. Any objection by a contract or lease counterparty to a proposed assumption or related Cure Cost must be Filed, served, and actually received by the Debtors by the date on which objections to confirmation are due (or such other date as may be provided in the applicable assumption notice).

Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure Cost will be deemed to have assented to such assumption and Cure Cost. Any timely objection to a proposed assumption or Cure Cost will be scheduled to be heard by the Bankruptcy Court at the Reorganized Debtors' first scheduled omnibus hearing after the date that is ten (10) days after the date on which such objection is Filed. In the event of a dispute regarding (1) the amount of any Cure Cost, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365(b) of the Bankruptcy Code under any Executory Contract or the Unexpired Lease, and/or (3) any other matter pertaining to assumption and/or assignment, then such dispute shall be resolved by a Final Order; *provided* that the Debtors or Reorganized Debtors may settle any such dispute and shall pay any agreed upon Cure Cost without any further notice to any party or any action, order, or approval of the Bankruptcy Court; *provided*, *further*, that notwithstanding anything to the contrary herein (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors reserve the right to reject any Executory Contract or Unexpired Lease previously designated for assumption within forty five (45) days after the entry of a Final Order resolving an objection to the assumption or to the proposed Cure Cost.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full satisfaction and cure of any Claims and defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, under any assumed Executory Contract or Unexpired Lease arising at any time prior to the effective date of assumption. Notwithstanding the foregoing, the Debtors and the Reorganized Debtors, as applicable, will continue to honor all postpetition and post-Effective Date obligations under any assumed Executory Contracts and Unexpired Leases in accordance with their terms, regardless of whether such obligations are listed as a Cure Cost, and whether such obligations accrued prior to or after the Effective Date, and neither the payment of Cure Costs nor entry of the Confirmation Order shall be deemed to release the Debtors or the Reorganized Debtors, as applicable, from such obligations.

C. *Claims Based on Rejection of Executory Contracts and Unexpired Leases*

Unless otherwise provided by a Bankruptcy Court order, and except as otherwise provided in this section of or otherwise in the Plan, any Proofs of Claim asserting Claims arising from the rejection of the Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise must be filed with the Notice and Claims Agent within thirty (30) days of the effective date of the rejection of the applicable Executory Contract or Unexpired Lease (which shall be the Effective Date unless otherwise provided in an order of the Bankruptcy Court providing for the rejection of an Executory Contract or Unexpired Lease). **Any Proofs of Claim arising from the rejection of the Executory Contracts and Unexpired Leases that are not timely filed shall be automatically disallowed without further order of the Bankruptcy Court.** All Allowed Claims arising from the rejection of the Executory Contracts and Unexpired Leases shall constitute

General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan; *provided*, however, as set forth in Article V.G. of this Plan, any Claims arising out of the rejection of an Executory Contract that are Co-Defendant Claims shall be either Other Opioid Claims or No Recovery Opioid Claims, and shall be treated in accordance with the Plan, and the deadline for the filing of Proofs of Claim arising out of the rejection of an Executory Contract or Unexpired Lease set forth in this Article V.C. shall not apply with respect to any Co-Defendant Claim.

D. *Contracts and Leases Entered into After the Petition Date*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by any Debtor, will be performed by such Debtor or Reorganized Debtor, as applicable, liable thereunder in the ordinary course of business. Accordingly, such contracts and leases (including any Executory Contracts and Unexpired Leases assumed or assumed and assigned pursuant to section 365 of the Bankruptcy Code) will survive and remain unaffected by entry of the Confirmation Order.

E. *Reservation of Rights*

Neither anything contained in the Plan nor the Debtors' delivery of a notice of proposed assumption and proposed Cure Cost to any contract and lease counterparties shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption, the Debtors or Reorganized Debtors, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease. If there is a dispute regarding a Debtor's or Reorganized Debtor's liability under an assumed Executory Contract or Unexpired Lease, the Reorganized Debtors shall be authorized to move to have such dispute heard by the Bankruptcy Court pursuant to Article X.C of the Plan.

F. *Indemnification Provisions and Reimbursement Obligations*

On and as of the Effective Date, and except as prohibited by applicable law and subject to the limitations set forth herein, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the New Governance Documents will provide to the fullest extent provided by law for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, equity holders, managers, members, employees, accountants, investment bankers, attorneys, other professionals, agents of the Debtors, and such current and former directors', officers', equity holders', managers', members' and employees' respective Affiliates (each of the foregoing solely in their capacity as such) at least to the same extent as the Indemnification Provisions, against any Claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and, notwithstanding anything in the Plan to the contrary, none of the Reorganized Debtors will amend and/or restate the New Governance Documents before or after the Effective Date to terminate or adversely affect any of the Indemnification Provisions.

G. *Co-Defendant Contracts*

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), the assumption of any contract or lease under the Plan, the non-Debtor counterparty to which is a Released Co-Defendant, shall (a) release any Causes of Action on account of any and all terms or provisions of such contract or lease solely to the extent such terms or provisions create an obligation of any

party thereto (or any assignee thereof), or give rise to a right in favor of any non-Debtor under any Opioid Insurance Policy or any other insurance policy of any Protected Party, for the indemnification or reimbursement of any Person for costs, losses, damages, fees, expenses or any other amounts whatsoever relating to or arising from any actual or potential opioid-related litigation or dispute, whether accrued or unaccrued, asserted or unasserted, existing or hereinafter arising, based on or relating to, or in any manner arising from, in whole or in part, Opioid-Related Activities or other conduct occurring prior to the Effective Date; and (b) constitute (i) a release by each party of each other counterparty (and any assignee thereof or successor thereto), including a mutual release between (x) each non-Debtor counterparty to the contract and its Co-Defendant Related Parties and (y) the Debtor counterparty to the contract and the Protected Parties, (ii) a release by each non-Debtor party of all Insurers, in the case of (i) and (ii), from any and all Causes of Action and other rights of recovery arising under or relating to such indemnification and reimbursement rights to the extent relating to any conduct occurring prior to the Effective Date, and (iii) an agreement by each non-Debtor counterparty to the contract and its Co-Defendant Related Parties to release any and all Co-Defendant Claims held by such parties against any Protected Parties. On the Effective Date, all Co-Defendant Claims arising under or related to any such assumed or assumed and assigned contract or lease, the non-Debtor counterparty to which is a Released Co-Defendant, shall be released and discharged with no consideration on account thereof, and all Proofs of Claim in respect thereof shall be deemed expunged, without further notice, or action, order or approval of the Bankruptcy Court or any other Person. To the extent that any court of competent jurisdiction later determines that the releases granted by any Released Co-Defendant or its Co-Defendant Related Parties hereunder are unenforceable, such Person shall not be considered a Released Co-Defendant or Co-Defendant Related Party and shall not be Released Parties for any purpose under this Plan. Any and all Claims and Causes of Action against such Co-Defendant and its Co-Defendant Related Parties shall be Assigned Third-Party Claims, in such event.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), if the Debtors assume any contract or lease under the Plan and the non-Debtor counterparty to such contract or lease is a Co-Defendant other than a Released Co-Defendant, (i) such Co-Defendant's Co-Defendant Claims shall not be channeled to the Opioid MDT II or the Opioid Creditor Trusts and (ii) the Debtors' Claims and Causes of Action against such Co-Defendant shall be Retained Causes of Action and vest in the Reorganized Debtors and, for the avoidance of doubt, will not be Assigned Third-Party Claims or otherwise assigned to the Opioid MDT II.

Except as otherwise provided in the Plan or agreed by any counterparty and the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Governmental Plaintiff Ad Hoc Committee and the MSGE Group, and after consultation with the Official Committee of Unsecured Creditors), if the Debtors reject any contract or lease under the Plan and the non-Debtor counterparty to such contract or lease is a Co-Defendant other than a Released Co-Defendant, (i) such Co-Defendant's Opioid Claims shall be channeled to the Opioid MDT II as either No-Recovery Opioid Claims or Other Opioid Claims, unless such Opioid Claims are correctly classified in another class of Opioid Claims, and (ii) all Claims and Causes of Action against such Co-Defendant that would otherwise be considered Assigned Third-Party Claims shall be Assigned Third-Party Claims.

For the avoidance of doubt, unless otherwise agreed by the counterparty to any assumed or assumed and assigned contract or lease, the foregoing shall not release or otherwise modify any term or provision of such contract or lease to the extent of any indemnification or reimbursement rights (i) accruing after the Effective Date for conduct occurring after the Effective Date, (ii) for any amounts, if any, due to a Co-Defendant as a result of the New York Opioid Stewardship Act (2018 N.Y. Sess. Laws, ch. 57, pt. NN 7 (codified at N.Y. Pub. Health Law § 3323 and N.Y. State Fin. Law § 97-aaaaa)) or (iii) for any Co-Defendant Surviving Pre-Effective Date Claim. Notwithstanding the release, satisfaction, expungement

and extinguishment of Co-Defendant Claims, a Co-Defendant retains its Co-Defendant Defensive Rights, which includes the ability to recover from Persons that are not Protected Parties or from any insurance policies that are not Opioid Insurance Policies or other insurance policies of Protected Parties. The counterparty to such contract or lease and all other applicable Persons shall be bound by the terms set forth in this Article V.G.

H. *Employee Compensation and Benefits*

1. Compensation and Benefits Programs

Subject to the provisions of the Plan, all Compensation and Benefits Programs (other than awards of stock options, restricted stock, restricted stock units, and other equity awards) shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code. All Proofs of Claim Filed for amounts due under any Compensation and Benefits Program shall be considered satisfied by the applicable agreement and/or program and agreement to assume and cure in the ordinary course as provided in the Plan. All collective bargaining agreements to which any Debtor is a party, and all Compensation and Benefits Programs which are maintained pursuant to such collective bargaining agreements or to which contributions are made or benefits provided pursuant to a current or past collective bargaining agreement, will be deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code and the Reorganized Debtors reserve all of their rights under such agreements. For the avoidance of doubt, the Debtors and Reorganized Debtors, as applicable, shall honor all their obligations under section 1114 of the Bankruptcy Code.

None of the Restructuring, the Restructuring Transactions, or any assumption of Compensation and Benefits Programs pursuant to the terms herein shall be deemed to trigger any applicable change of control, vesting, termination, acceleration or similar provisions therein. No counterparty shall have rights under a Compensation and Benefits Program assumed pursuant to the Plan other than those applicable immediately prior to such assumption.

2. Workers' Compensation Programs

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable state workers' compensation laws; and (b) the Workers' Compensation Contracts. All Proofs of Claims filed by the Debtors' current or former employees on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court based upon the treatment provided for herein; *provided* that nothing in the Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to the Workers' Compensation Contracts; *provided*, *further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable non-bankruptcy law and/or the Workers' Compensation Contracts.

Article VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. *Distribution on Account of Claims Other than Opioid Claims Allowed as of the Effective Date*

Except as otherwise provided in the Plan or a Final Order, or as agreed to by the relevant parties, distributions under the Plan on account of Claims other than Opioid Claims Allowed on or before the Effective Date shall be made on the Initial Distribution Date; *provided* that (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business or industry practice, (2) Allowed Priority Tax Claims shall be satisfied in accordance with Article II.B herein, (3) Allowed Other Priority Claims shall be satisfied in accordance with Article II.C herein, and (4) Allowed General Unsecured Claims and Allowed Trade Claims that would not come due in the ordinary course of the Debtors' business until after the Initial Distribution Date shall be paid by the Reorganized Debtors in the ordinary course of business; *provided*, *further*, that all Initial Distribution Date distributions are subject to the Disputed General Unsecured Claims Reserve in accordance with Article VII.H of the Plan. For the avoidance of doubt, the Debtors' obligation to make any distributions on account of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust will be satisfied by the transfer of the General Unsecured Claims Trust Consideration to the General Unsecured Claims Trust.

B. *Distributions on Account of Claims Other than Opioid Claims Allowed After the Effective Date*

1. Payments and Distributions on Disputed Claims

Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, distributions on account of Disputed Claims other than Opioid Claims that become Allowed after the Effective Date shall be made on the next Periodic Distribution Date that is at least thirty (30) days after the Disputed Claim becomes an Allowed Claim; *provided* that (a) Disputed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business that become Allowed after the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (b) Disputed Priority Tax Claims that become Allowed Priority Tax Claims after the Effective date shall be treated as Allowed Priority Tax Claims in accordance with Article II.B of the Plan, and (c) Disputed Other Priority Claims that become Allowed Other Priority Claims after the Effective Date shall be treated as Allowed Other Priority Claims in accordance with Article II.C of the Plan.

2. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order.

C. *Timing and Calculation of Amounts to Be Distributed*

Except as otherwise provided herein, on the Initial Distribution Date each Holder of an Allowed Claim other than an Opioid Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. If and to the extent that any Disputed Claims exist, distributions on account of such Disputed Claims shall be made pursuant to Article VI.B and Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

D. *Delivery of Distributions*

1. Record Date for Distributions

For purposes of making distributions on the Initial Distribution Date only, the Distribution Agent shall be authorized and entitled to recognize only those Holders of Claims other than Opioid Claims reflected in the Debtors' books and records as of the close of business on the Confirmation Date; *provided*, *however*, that such record date will not apply to any distributions related to the First Lien Notes, Second Lien Notes, or Guaranteed Unsecured Notes maintained through DTC, and the record date for Holders of Allowed First Lien Term Loan Claims shall be the Effective Date. Subject to the foregoing sentence, if a Claim other than an Opioid Claim is transferred (a) twenty-one (21) or more days before the Confirmation Date and reasonably satisfactory documentation evidencing such transfer is Filed with the Bankruptcy Court before the Confirmation Date, the Distribution Agent shall make the applicable distributions to the applicable transferee, or (b) twenty (20) or fewer days before the Confirmation Date, the Distribution Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form is Filed with the Bankruptcy Court before the Confirmation Date and contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General

Except as otherwise provided in the Plan, the Distribution Agent shall make distributions to Holders of Allowed Claims other than Opioid Claims at the address for each such Holder as indicated in the Debtors' records as of the date of any such distribution, including the address set forth in any Proof of Claim Filed by that Holder or, with respect to Holders of Allowed First Lien Term Loan Claims, the address recorded as of the Effective Date in the register maintained by the First Lien Agent, as applicable; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Distributions by Distribution Agents

The Debtors and the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Distribution Agents to facilitate the distributions required hereunder. Except in the case of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee, each serving as a Distribution Agent, to the extent the Debtors and the Reorganized Debtors, as applicable, determine to utilize a Distribution Agent to facilitate the distributions under the Plan to Holders of Allowed Claims other than Opioid Claims, Guaranteed Unsecured Notes Claims, 4.75% Unsecured Notes Claims, and Legacy Unsecured Notes Claims, any such Distribution Agent would first be required to: (a) affirm its obligation to facilitate the prompt distribution of any documents; (b) affirm its obligation to facilitate the prompt distribution of any recoveries or distributions required under the Plan; and (c) waive any right or ability to setoff, deduct from or assert any lien or encumbrance against the distributions required under the Plan to be distributed by such Distribution Agent; *provided*, that no Distribution Agent (including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy Unsecured Notes Indenture Trustee) will be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

Distributions on account of the Allowed First Lien Term Loan Claims will be made to the First Lien Agent or the New Takeback Term Loan Agent, as applicable, and the First Lien Agent or the New Takeback Term Loan Agent (as applicable) will be, and will act as, the Distribution Agent with respect to the Allowed First Lien Term Loan Claims in accordance with the terms and conditions of this Plan and the applicable debt documents. Distributions on account of the Allowed Second Lien Notes Claims will be made to or at the direction of the Second Lien Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee will be, and will act as, the Distribution Agent with respect to the Allowed Second Lien Notes Claims in accordance with the terms and conditions of this Plan and the Second Lien Notes Indenture.

The Debtors or the Reorganized Debtors, as applicable, shall pay to the Distribution Agents all reasonable and documented fees and expenses of the Distribution Agents without the need for any approvals, authorizations, actions, or consents. The Distribution Agents (other than the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, and the Legacy

Unsecured Notes Indenture Trustee) shall submit detailed invoices to the Debtors or the Reorganized Debtors, as applicable, for all fees and expenses for which the Distribution Agent seeks reimbursement and the Debtors or the Reorganized Debtors, as applicable, shall promptly pay those amounts that they, in their sole discretion, deem reasonable, and shall object in writing to those fees and expenses, if any, that the Debtors or the Reorganized Debtors, as applicable, deem to be unreasonable. In the event that the Debtors or the Reorganized Debtors, as applicable, object to all or any portion of the amounts requested to be reimbursed in a Distribution Agent's invoice, the Debtors or the Reorganized Debtors, as applicable, and such Distribution Agent shall endeavor, in good faith, to reach mutual agreement on the amount of the appropriate payment of such disputed fees and/or expenses. In the event that the Debtors or the Reorganized Debtors, as applicable, and a Distribution Agent are unable to resolve any differences regarding disputed fees or expenses, either party shall be authorized to move to have such dispute heard by the Bankruptcy Court.

4. Distributions to Holders of Second Lien Notes Claims, Guaranteed Unsecured Notes Claims, 4.75% Notes Claims, and Legacy Unsecured Notes Claims

The distributions of Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be made under this Plan to Holders of Guaranteed Unsecured Notes Claims shall be deemed made by the Debtors or Reorganized Debtors, as applicable, to the Guaranteed Unsecured Notes Indenture Trustee which shall transmit (or cause to be transmitted) such distributions to such Holders as set forth below. Notwithstanding anything to the contrary in this Plan, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, may transfer or facilitate the transfer of such distributions through the facilities of DTC in exchange for the relevant Guaranteed Unsecured Notes. If it is necessary to adopt alternate, additional or supplemental distribution procedures for any reason including because such distributions cannot be made through the facilities of DTC, to otherwise effectuate the distributions under this Plan, the Debtors or Reorganized Debtors, as applicable, shall implement the Alternate/Supplemental Distribution Process. The Debtors or Reorganized Debtors (as applicable) shall use their best efforts to make the Takeback Second Lien Notes and New Mallinckrodt Ordinary Shares to be distributed to Holders of the Guaranteed Unsecured Notes eligible for distribution through the facilities of DTC.

Distributions on account of the Guaranteed Unsecured Notes Claims, the 4.75% Unsecured Notes Claims, and the Legacy Unsecured Notes Claims will be made to or at the direction of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee, as applicable. As soon as practicable, each of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall arrange to deliver such distributions to or on behalf of such Holders in accordance with the Plan and the applicable debt documents, subject to the rights of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee to exercise any charging lien granted under the Guaranteed Unsecured Notes Indenture, the 4.75% Unsecured Notes Indenture, or Legacy Unsecured Notes Indenture, as applicable. None of the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, or Legacy Unsecured Notes Indenture Trustee shall incur any liability whatsoever on account of making any distributions in accordance with the Plan, whether such distributions are made by it, or by the Distribution Agent at its reasonable direction and whether made on or after the Effective Date.

The obligations of the Guaranteed Unsecured Notes Indenture Trustee under or in connection with this Plan, the Guaranteed Unsecured Notes Indentures, the Guaranteed Unsecured Notes, and any related notes, stock, instruments, certificates, agreements, side letters, fee letters, and other documents, shall be discharged and deemed fully satisfied upon the Effective Date. On and after the Effective Date, the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as trustee, shall be appointed and act as a Distribution Agent with respect to the applicable Guaranteed Unsecured Notes Claims to facilitate the

distributions provided for in this Plan to the applicable Holders of Allowed Guaranteed Unsecured Notes Claims. The obligations of the Guaranteed Unsecured Notes Indenture Trustee, in its capacity as Distribution Agent, under or in connection with this Plan shall be discharged and deemed fully satisfied (as applicable) upon either: (i) DTC's receipt of the distributions with respect to the Allowed Guaranteed Unsecured Notes Claims; or (ii) if the Alternate/Supplemental Distribution Process is utilized, upon the earlier of the completion of the Guaranteed Unsecured Notes Indenture Trustee's role in such process or in accordance with the terms of the Alternate/Supplemental Distribution Process and, in either case, the Guaranteed Unsecured Notes Indenture Trustee shall not, in any capacity, have liability to any person for having made, or facilitating the making of, the distributions through the foregoing items (i) and (ii). The Guaranteed Unsecured Notes Indenture Trustee, as a Distribution Agent under this Plan, will be entitled to recognize and deal with for all purposes the Holders of the Guaranteed Unsecured Notes to the extent necessary to facilitate the distributions with respect to Allowed Guaranteed Unsecured Notes Claims to such Holders. Regardless of in which capacity it is acting, the Guaranteed Unsecured Notes Indenture Trustee in any capacity shall not be responsible for, and may conclusively rely on, the Alternate/Supplemental Distribution Process.

The distributions to be made under this Plan to Holders of Second Lien Notes Claims shall be deemed completed when made to or at the direction of the Second Lien Notes Indentures Trustee, which shall be deemed to be the Holder of all Second Lien Notes Claims for purposes of distributions to be made hereunder, and the Second Lien Notes Indenture Trustee shall hold or direct such distributions for the benefit of the Holders of Second Lien Notes Claims. The Second Lien Notes Indenture Trustee may transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of book-entry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with Holders of the Second Lien Notes Claims, to the extent consistent with the customary practices of DTC. If the Second Lien Notes Indenture Trustee is unable to make, or consents to the Reorganized Debtors making, such distributions, the Reorganized Debtors, with the Second Lien Notes Indenture Trustee's cooperation, shall make such distributions to the extent practicable to do so. The Second Lien Notes Indenture Trustee shall have no duties or responsibilities relating to any form of distribution that is not DTC eligible and the Debtors or the Reorganized Debtors, as applicable, shall seek the cooperation of DTC so that any distribution on account of a Second Lien Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter. Regardless of whether distributions to Holders of Second Lien Notes Claims are made by the Second Lien Notes Indenture Trustee, or at the reasonable direction of the Second Lien Notes Indenture Trustee, the Second Lien Notes Indenture Trustee's charging lien shall attach to such distributions in the same manner as if such distributions were made through the Second Lien Notes Indenture Trustee. The Second Lien Notes Indenture Trustee shall not incur any liability whatsoever on account of any distributions under the Plan except for gross negligence or willful misconduct.

Notwithstanding any policies, practices or procedures of DTC or any other applicable clearing system, DTC and all other applicable clearing systems shall cooperate with and take all actions reasonably requested by the Notice and Claims Agent, the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee to facilitate distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, and Allowed Second Lien Notes Claims, including without requiring that such distributions be characterized as repayments of principal or interest. No Distribution Agent, including the Guaranteed Unsecured Notes Indenture Trustee, the 4.75% Unsecured Notes Indenture Trustee, the Legacy Unsecured Notes Indenture Trustee, and the Second Lien Notes Indenture Trustee in any capacity, shall be required to provide indemnification or other security to DTC in connection with any distributions to Holders of Allowed Guaranteed Unsecured Notes Claims, Allowed 4.75% Unsecured Notes Claims, Allowed Legacy Unsecured Notes Claims, or Allowed Second Lien Notes Claims through the facilities of DTC.

5. Minimum Distributions

Notwithstanding anything herein to the contrary, other than on account of Unimpaired Claims, the Reorganized Debtors and the Distribution Agents shall not be required to make distributions or payments of less than $100 (whether Cash or otherwise) and shall not be required to make partial distributions or payments of fractions of dollars or distributions of fractions of a New Mallinckrodt Ordinary Share. Whenever any payment or distribution of a fraction of a dollar or a fraction of a New Mallinckrodt Ordinary Share would otherwise be called for, the actual payment or distribution will reflect a rounding down of such fraction to the nearest whole dollar or nearest whole New Mallinckrodt Ordinary Share.

6. Undeliverable Distributions

a. Holding of Certain Undeliverable Distributions

Undeliverable distributions shall remain in the possession of the Reorganized Debtors, subject to Article VI.D.5.b of the Plan, until such time as any such distributions become deliverable or are otherwise disposed of in accordance with applicable nonbankruptcy law. Undeliverable distributions shall not be entitled to any additional interest, dividends, or other accruals of any kind on account of their distribution being undeliverable. Nothing contained herein shall require the Reorganized Debtors to attempt to locate any Holder of an Allowed Claim.

b. Failure to Present Checks

Checks issued by the Reorganized Debtors (or their Distribution Agent) on account of Allowed Claims shall be null and void if not negotiated within 90 days after the issuance of such check. Requests for reissuance of any check shall be made directly to the Distribution Agent by the Holder of the relevant Allowed Claim with respect to which such check originally was issued.

E. *Compliance with Tax Requirements/Allocations*

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary (except for the *Consent Rights of Supporting Parties* in Article I.C), the Reorganized Debtors and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, including requiring as a condition to the receipt of a distribution, that the Holders of an Allowed Claim complete an IRS Form W-8 or W-9, as applicable. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, Liens, and encumbrances.

F. *Applicability of Insurance Contracts Other than Opioid Insurance Policies*

Notwithstanding anything to the contrary in the Plan, the Plan Supplement, the Disclosure Statement or the Confirmation Order (including, without limitation, any provision that purports to be preemptory or supervening, confers Bankruptcy Court jurisdiction, or requires a party to opt out of any releases):

(a) on and after the Effective Date, all Insurance Contracts that are not the Opioid Insurance Policies (i) are found to be and shall be treated as, Executory Contracts under the Plan and shall be assumed pursuant to sections 105 and 365 of the Bankruptcy Code by the applicable Debtor, and/or (ii) shall vest in

the Reorganized Debtors and ride through and continue in full force and effect in accordance with their respective terms in either case such that the Reorganized Debtors shall become and remain jointly and severally liable in full for, and shall satisfy, any premiums, deductibles, self-insured retentions and/or any other amounts or obligations arising in any way out of the receipt of payment from an Insurer in respect of the Insurance Contracts that are not the Opioid Insurance Policies and as to which no Proof of Claim, Administrative Claim or Cure Cost claim need be filed; and

(b) solely with respect to Insurance Contracts that are not Opioid Insurance Policies, the automatic stay of section 362(a) of the Bankruptcy Code and the injunctions set forth in the Plan, if and to the extent applicable, shall be deemed lifted without further order of this Bankruptcy Court, solely to permit (i) claimants with valid workers' compensation claims or direct action claims against Insurers under applicable non-bankruptcy law to proceed with their claims; (ii) Insurers to administer, handle, defend, settle and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (A) workers' compensation claims, (B) claims where a claimant asserts a direct claim against an Insurer under applicable non-bankruptcy law, or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in the Plan to proceed with its claim, and (C) all costs in relation to each of the foregoing; and (iii) the Insurers to collect from any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (or the Reorganized Debtors) and/or apply such proceeds to the obligations of the Debtors (or the Reorganized Debtors) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine.

Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including Insurers under any Insurance Contracts other than Opioid Insurance Policies, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts other than Opioid Insurance Policies and/or applicable non-bankruptcy law. For the avoidance of doubt, this Article VI.F shall not apply to Opioid Insurance Policies and Opioid Claims.

G. *Distributions on Account of Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VI.A through VI.F (except as set forth in the last sentence of Article VI.E) shall not apply to any Opioid Claims, and all distributions to Holders of Opioid Claims (including Opioid Demands) shall be made by and from the Opioid MDT II and the Opioid Creditor Trusts in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

H. *Allocation of Distributions Between Principal and Interest*

Except with respect to the 2024 First Lien Term Loan Claims and the 2025 First Lien Term Loan Claims and as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

I. *Postpetition Interest on Claims*

Notwithstanding anything else in this Plan or the Confirmation Order, postpetition interest shall accrue and be paid on the First Lien Revolving Credit Facility Claims, the First Lien Term Loan Claims, the First Lien Notes Claims, and the Second Lien Notes Claims as set forth in the Plan. Unless otherwise specifically provided for in this Plan (including the preceding sentence and Article II.B.2 of the Plan), the

Confirmation Order, the Cash Collateral Order, or Final Order of the Bankruptcy Court, or required by applicable bankruptcy law (including, without limitation, as required pursuant to section 506(b) or section 511 of the Bankruptcy Code), postpetition interest shall not accrue or be paid on any other Claims and no Holder of any other Claims shall be entitled to interest accruing on or after the Petition Date on any Claim.

Article VII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. *Allowance and Disallowance of Claims Other than Opioid Claims*

After the Effective Date, and except as otherwise provided in this Plan, the Reorganized Debtors shall have and shall retain any and all available rights and defenses that the Debtors had with respect to any Claim other than Opioid Claims and any other Claims Allowed under this Plan (including the First Lien Term Loan Claims), including the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code. The Debtors and the Reorganized Debtors may, but are not required to, contest the amount and validity of any Disputed Claim other than Opioid Claims or contingent or unliquidated Claim other than Opioid Claims in the ordinary course of business in the manner and venue in which such Claim would have been determined, resolved or adjudicated if the Chapter 11 Cases had not been commenced. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

B. *Prosecution of Objections to Claims other than Opioid Claims*

After the Confirmation Date but before the Effective Date, the Debtors, and after the Effective Date, the Reorganized Debtors shall have the authority to File objections to Claims (other than Claims that are Allowed under this Plan or Opioid Claims) and settle, compromise, withdraw, or litigate to judgment objections to any and all such Claims, regardless of whether such Claims are in an Unimpaired Class or otherwise; *provided*, *however*, this provision shall not apply to Professional Fee Claims, which may be objected to by any party-in-interest in these Chapter 11 Cases. From and after the Effective Date, the Reorganized Debtors may settle or compromise any Disputed Claim other than Opioid Claims without any further notice to or action, order, or approval of the Bankruptcy Court. The Reorganized Debtors shall have the sole authority to administer and adjust the Claims Register and their respective books and records to reflect any such settlements or compromises without any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust. The General Unsecured Claims Trustee shall be required to notify the Reorganized Debtors simultaneously with the Notice and Claims Agent of any adjustments to be made to the Claims Register.

C. *Estimation of Claims and Interests other than Opioid Claims*

Before or after the Effective Date, the Debtors or Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim other than any Opioid Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection; and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or during the appeal relating to such objection; *provided* that if the Bankruptcy Court resolves the Allowed amount of a Claim, the Debtors and Reorganized Debtors, as applicable, shall not be permitted to seek an estimation of such Claim. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the

Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim subject to applicable law. For the avoidance of doubt, this section of the Plan is subject to the provisions regarding resolution of General Unsecured Claims and Trade Claims assumed by the General Unsecured Claims Trust.

D. *No Distributions Pending Allowance*

If any portion of a Claim other than an Opioid Claim is Disputed, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Claim becomes an Allowed Claim.

E. *Time to File Objections to Administrative Claims*

Any objections to Administrative Claims shall be Filed on or before the Administrative Claims Objection Deadline, subject to any extensions thereof approved by the Bankruptcy Court.

F. *Procedures Regarding Opioid Claims*

Notwithstanding anything to the contrary herein, Articles VII.A through VII.E shall not apply to any Opioid Claims, and all procedures for resolving contingent, unliquidated, and disputed Opioid Claims (including Opioid Demands) shall be governed by the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable.

G. *No Filing of Proofs of Claim for Opioid Claims or VI Opioid Claims*

Except as otherwise provided in the Plan, Holders of Opioid Claims or VI Opioid Claims shall not be required to File a Proof of Claim or a request for payment of an Administrative Claim on account of such Holder's Opioid Claims or VI Opioid Claims, and no such Holders should File such a Proof of Claim or such request for payment; *provided*, *however*, that a Holder of an Opioid Claim or VI Opioid Claim that wishes to assert Claims against the Debtors that are not Opioid Claims or VI Opioid Claims must File a Proof of Claim or a request for payment of an Administrative Claim with respect to such Claims which are not Opioid Claims or VI Opioid Claims on or before the applicable Claims Bar Date. The Opioid MDT II and Opioid Creditor Trusts will make distributions on account of Opioid Claims in accordance with and resolved pursuant to the Opioid MDT II Documents and Opioid Creditor Trust Documents, as applicable. Within sixty (60) days after the Effective Date, the Reorganized Debtors shall File a report identifying all Proofs of Claim that are reasonably determined by the Debtors, in consultation with the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, and the Opioid MDT II Trustee(s), to be on account of any Opioid Claim, and upon the Filing of such report and notice to the Holders of such Proofs of Claim who shall have 14 days to object to such determination, all identified Proofs of Claim shall be deemed withdrawn and removed from the applicable claims register; *provided* that Proofs of Claim on account of Opioid Claims filed after the Effective Date shall automatically be deemed withdrawn and expunged; *provided*, *further*, that upon a motion and hearing with notice to the Governmental Plaintiff Ad Hoc Committee, the MSGE Group, the Future Claimants' Representative, the Opioid MDT II Trustee(s), and, solely in the case of clause (b) below, the Holders of affected Proofs of Claim, the Debtors (a) may seek an extension to the deadline to File such report from the Bankruptcy Court and (b) may seek determination by the Bankruptcy Court that any Proof of Claim is on account of any Opioid Claim.

H. *Distributions After Allowance*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of this Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any postpetition interest to be paid on account of such Claim. For the avoidance of doubt, this section of the Plan does not apply to General Unsecured Claims or Trade Claims assumed by the General Unsecured Claims Trust. The Debtors will retain the Trade Claim Cash Pool Unallocated Amount once all Allowed Trade Claims are satisfied in full.

I. *Disallowance of Certain First Lien Credit Agreement Claims, First Lien Notes Claims, and Second Lien Notes Claims.*

Notwithstanding anything to the contrary in the Plan (except for the *Consent Rights of Supporting Parties* in Article I.C), the following Claims shall be disallowed on the Effective Date except as otherwise ordered by a Final Order of the Bankruptcy Court before the Effective Date: (a) any First Lien Credit Agreement Claims (i) for default rate interest under Section 2.13(c) of the First Lien Credit Agreement in excess of the non-default rate applicable under Sections 2.13(a) or (b) of the First Lien Credit Agreement, or (ii) for interest based on the asserted conversion of any "Eurocurrency Borrowing" to an "ABR Borrowing" (each as defined in the First Lien Credit Agreement) under Section 2.07(e) of the First Lien Credit Agreement, to the extent such interest exceeds the interest payable on such borrowing as a Eurocurrency Borrowing; *provided* that, notwithstanding the foregoing, the Allowed First Lien Revolving Credit Facility Claims and the Allowed First Lien Term Loan Claims shall include the applicable amount of First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest, respectively, and such First Lien Revolving Credit Facility Accrued and Unpaid Interest and First Lien Term Loans Accrued and Unpaid Interest shall not be subject to disallowance; *provided further* that notwithstanding anything to the contrary in the Plan, the Cash Collateral Order or the First Lien Credit Agreement, all adequate protection payments made by the Debtors pursuant to the Cash Collateral Order during the Chapter 11 Cases to the First Lien Revolving Lenders, the First Lien Term Lenders and their respective agents and professionals shall be retained by the First Lien Revolving Lenders, the First Lien Term Lenders and such agents and professionals, as applicable, and not recharacterized as principal payments (other than payments of principal made on or prior to April 23, 2021 and First Lien Term Loan Principal Payments) or otherwise subject to disgorgement, recovery, or avoidance by any party under any legal or equitable theory regardless of whether such payments arguably exceed the Allowed amount of the First Lien Revolving Credit Facility Claims or the First Lien Term Loan Claims, as applicable (b) any First Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any "Applicable Premium" (as defined in the First Lien Notes Indenture) or optional redemption premium, (ii) for any "Additional Amounts" (as defined in the First Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the First Lien Notes Indenture; (c) any Second Lien Notes Claims (i) for any principal premium in excess of the principal amount of such Claims outstanding immediately before the Petition Date, including for any "Applicable Premium" (as defined in the Second Lien Notes Indenture) or optional redemption premium, (ii) for any "Additional Amounts" (as defined in the Second Lien Notes Indenture), or (iii) for default rate interest under Section 2.11 of the Second Lien Notes Indenture; and (d) any Claims for payment of any amounts payable pursuant to the Cash Collateral Order arising after the Effective Date. The Debtors will file an objection to such Claims consistent with the foregoing in advance of the Confirmation Hearing, and the Bankruptcy Court's determination of such objection shall be set forth in the Confirmation Order.

Article VIII.

RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Discharge of Claims, Opioid Demands, and Interests; Compromise and Settlement of Claims, Opioid Demands, and Interests.*

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of all Claims, Opioid Claims, Opioid Demands, and Interests of any nature whatsoever, whether known or unknown, against, liabilities of, demands against, Liens on, obligations of, or rights against the Debtors, the Reorganized Debtors, or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, Opioid Claims, Opioid Demands, or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim, Opioid Claim, Opioid Demand, or Interest is Allowed; or (3) the Holder of such Claim, Opioid Claim, Opioid Demand, or Interest has accepted the Plan. For the avoidance of doubt, the Claims against the Debtors, the Reorganized Debtors, and any of their assets and properties discharged pursuant to the Plan shall include (y) any Claims to the extent based on any assertion that the *Wholesale Product Purchase Agreement* (as in effect immediately prior to the Effective Date and including any prior versions of such agreement) between Mallinckrodt ARD LLC and Priority Healthcare Distribution, Inc., and/or the Debtors' (or any predecessor's) pre-Effective Date performance thereunder consistent with its terms, constitute an anticompetitive agreement or other anticompetitive conduct under applicable law, and (z) any Claims based on pre-Effective Date sales of Acthar Gel to the extent based on any assertion that the Debtors' (or any predecessor's) acquisition by license and maintenance of any rights to Synacthen Depot and related assets constitute anticompetitive conduct under applicable law. Except as otherwise provided herein, any default by the Debtors with respect to any Claim, Opioid Claim, or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims, Opioid Demands, and Interests subject to the Effective Date occurring, except as otherwise expressly provided in the Plan. For the avoidance of doubt, nothing in this Article IX.A shall affect the rights of Holders of Claims and Interests to seek to enforce the Plan, including the distributions to which Holders of Allowed Claims and Interests may be entitled to under the Plan.

In consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Opioid Demands, Interests and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Opioid Demands, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromises or settlements are in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and are fair, equitable, and reasonable. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Protected Parties before and during the Chapter 11 Cases to facilitate the Opioid Settlement (as defined in the Restructuring Support Agreement) and restructuring, each Opioid Claimant (in its capacity as such) is deemed to have released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, each Debtor, Reorganized Debtor, and Protected Party from any and all Claims (including Opioid Claims and Opioid Demands), counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, or attorneys' fees and expenses whatsoever, including any derivative claims asserted, or assertable on behalf of the Debtors, or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such entity would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of any other person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Opioid Claims (including Opioid Demands), the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), intercompany transactions between or among a Debtor and another Debtor, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, or any contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract,

instrument, document, or other agreement contemplated by the Plan or the reliance by any Protected Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon the business or contractual arrangements between any Debtor and any Protected Party, or upon any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above (a) do not release any post-Effective Date obligations of any party or Entity under the Plan, any post-Effective Date transaction contemplated by the restructuring, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any claims or causes of actions against any co-defendant of the Debtors (other than any Protected Party) in any opioid-related litigation and (b) with respect to Co-Defendants and their Co-Defendant Related Parties, do not affect or alter (x) any treatment expressly set forth in Article III or Article V.G. of the Plan, (y) the preservation of Co-Defendant Defensive Rights as set forth in the Plan, including, without limitation, in Article IX.N of the Plan, or (z) any related substantive language set forth in the defined terms applicable to the foregoing clauses (x) or (y), as set forth in Article I of the Plan. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person, and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the foregoing release by Opioid Claimants. Notwithstanding anything herein to the contrary, Released Co-Defendants shall not be Protected Parties under the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of this release by Opioid Claimants, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that this release is: (1) essential to the confirmation of the Plan; (2) given in exchange for the good and valuable consideration provided by the Protected Parties; (3) a good-faith settlement and compromise of the Claims released by Article IX.D of the Plan; (4) in the best interests of the Debtors, their Estates, and all Opioid Claimants; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any Opioid Claimant asserting any Claim or Cause of Action released pursuant to Article IX.D of the Plan.

For the avoidance of doubt, Claims or Causes of Action arising out of, or related to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct, including findings after the Effective Date, are not released pursuant to article IX.D of the Plan. Notwithstanding anything to the contrary in the foregoing, the releases by the Opioid Claimants set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall (x) release, discharge, or preclude the enforcement of any liability of a Protected Party to a Governmental Unit arising out of, or relating to, any act or omission of a Protected Party prior to the Effective Date that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted a criminal act perpetrated by the applicable Protected Party; or (y) release or discharge a consultant or expert having been retained to provide strategic advice for sales and marketing of opioid products who has received a civil investigative demand or other subpoena related to sales and marketing of opioid products from any state attorney general on or after January 1, 2019 through the Petition Date.

E. ***Release of Opioid Claimants***

Pursuant to section 1123(b) of the Bankruptcy Code (and any other applicable provisions of the Bankruptcy Code), as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise explicitly provided in the Plan or in the Confirmation Order, the Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties, in each case solely in their respective capacities as such, shall be deemed conclusively, absolutely, unconditionally, irrevocably, fully, finally, forever and permanently released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Protected Parties from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors or their Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Protected Parties are, were, would have been, or will be legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other person, notwithstanding section 1542 of the California Civil Code or any law of any jurisdiction that is similar, comparable or equivalent thereto (which shall conclusively be deemed waived) based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof and as such Entities existed prior to or after the Petition Date), their Estates, the Debtors' in- or out-of-court restructuring efforts (including the Chapter 11 Cases), the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, the restructuring of any Claim or Equity Interest before or during the Chapter 11 Cases, any Avoidance Actions, the negotiation, formulation, preparation, dissemination, filing, or implementation of, prior to the Effective Date, the Definitive Documents, the Opioid MDT II, the Opioid MDT II Documents, the Opioid Creditor Trusts, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020 and all matters and potential transactions described therein, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition and postpetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, any Restructuring Transaction, any agreement, instrument, release, and other documents created or entered into prior to the Effective Date in connection with the creation of the Opioid MDT II, the Opioid Creditor Trusts, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto) and related prepetition transactions, the Disclosure Statement, the Plan, the Plan Supplement, the Chapter 11 Cases, the filing of the Chapter 11 Cases, the pursuit of

confirmation (including the solicitation of votes on the Plan), the pursuit of consummation, the administration and implementation of the Plan, or the distribution of property under the Plan or any other related agreement, Pending Opioid Actions, the development, production, manufacture, licensing, labeling, marketing, advertising, promotion, distribution or sale of opioid-related products, any past use or misuse of any opioid sold by the Debtors or any of its affiliates, and any other act or omission, transaction, agreement, event, or other occurrence or circumstance taking place on or before the Effective Date related or relating to any of the foregoing; *provided*, *however*, that the Debtors do not release, and the Opioid MDT II shall retain, all Assigned Third-Party Claims, Assigned Insurance Rights, and Share Repurchase Claims; *provided*, *further*, that the Protected Parties do not release, Claims or Causes of Action arising out of, or related to, any act or omission of a Holder of an Opioid Claim, Released Co-Defendant, or Co-Defendant Related Party that is determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction to have constituted actual fraud, gross negligence, or willful misconduct; *provided, further*, that nothing in this Article IX.E shall (a) release any Cause of Action the Protected Parties are entitled to assert that is both (i) contractual or commercial in nature and (ii) unrelated to the subject matter of Pending Opioid Actions, (b) release any Cause of Action the Debtors are entitled to assert, to the extent such Cause of Action is necessary for the administration and resolution of a Claim against a Debtor solely in accordance with the Plan, *provided, however*, that the forgoing clause (b) shall not apply to any Holder of a Co-Defendant Claim solely with respect to such Co-Defendant Claim, (c) release any claim or right of the Debtors or the Reorganized Debtors arising in the ordinary course of the Debtors' or Reorganized Debtors' business, including, without limitation, any such claim with respect to taxes, (d) be construed to impair in any way the Effective Date or post-Effective Date rights and obligations of any Person under the Plan, the Definitive Documents, the Confirmation Order or the Restructuring Transactions, or (e) with respect to the Released Co-Defendants and their Co-Defendant Related Parties, nothing in this Article IX.E shall release any Estate Surviving Pre-Effective Date Claim. The foregoing release will be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any person and the Confirmation Order shall permanently enjoin the commencement or prosecution by any person, whether directly, derivatively or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this release of Holders of Opioid Claims and Released Co-Defendants and each of their Co-Defendant Related Parties, solely in their capacity as such, by the Protected Parties. Notwithstanding anything to the contrary in the foregoing, the releases by the Protected Parties set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any restructuring, any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan, or any Claims which are reinstated pursuant to the Plan. For the avoidance doubt, the releases by the Protected Parties set forth in this Section IX.E shall not release any Holder of Opioid Claims from any specific Claim, counterclaim, dispute, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, lien, remedy, loss, contribution, indemnity, cost, liability, attorneys' fee or expense if such Holder of Opioid Claims, in its capacity other than as a Holder of Opioid Claims, has not released the applicable Protected Party from Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses arising from a common nucleus of operative facts.

The Reorganized Debtors, the Opioid MDT II, and the Opioid Creditor Trusts shall be bound, to the same extent the Debtors are bound, by the releases set forth in Article IX.E of the Plan.

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan or Confirmation Order, no provision shall (i) preclude the SEC from enforcing its police or regulatory powers; or, (ii) enjoin, limit, impair or delay the SEC from commencing or continuing any claims, causes of action, proceeding or investigations against any non-Debtor person or non- Debtor entity in any forum.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Protected Parties set forth in Article IX.E of the Plan, which includes by reference each of the related provisions and definitions contained herein, and further shall constitute the Bankruptcy Court's finding that such release is: (a) in exchange for the good and valuable consideration provided by the Holders of Opioid Claims; (b) a good faith settlement and compromise of the Claims against the Holders of Opioid Claims released by the Protected Parties; (c) in the best interests of the Debtors, their Estates and all Holders of Claims and Equity Interests; (d) fair, equitable and reasonable; (e) given and made after due notice and opportunity for hearing; (f) a bar to any Entity or person asserting any Claim or Cause of Action released by Article IX.E of the Plan; and (g) essential to the confirmation of the Plan.

F. ***Exculpation***

Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any person for any Claims or Causes of Action arising on or after the Petition Date and prior to or on the Effective Date for any act taken or omitted to be taken in connection with, related to, or arising out of, the Chapter 11 Cases, formulating, negotiating, preparing, disseminating, implementing, filing, administering, confirming or effecting the confirmation or consummation of the Plan, the Disclosure Statement, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, the Opioid Creditor Trust Documents, the "agreement in principle for global opioid settlement and associated debt refinancing activities" announced by the Parent on February 25, 2020, the Restructuring Support Agreement (including any amendments and/or joinders thereto), or any contract, instrument, release or other agreement or document created or entered into in connection with any of the foregoing, or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors, the Disclosure Statement or confirmation or consummation of the Plan, the Opioid Settlement (as defined in the Restructuring Support Agreement), the Opioid MDT II Documents, or the Opioid Creditor Trust Documents, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; *provided*, *however*, that the foregoing provisions of this exculpation shall not operate to waive or release: (a) any Causes of Action arising from actual fraud, gross negligence, or willful misconduct of such applicable Exculpated Party as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction; and/or (b) the rights of any person or Entity to enforce the Plan and the contracts, instruments, releases, indentures, and other agreements and documents delivered under or in connection with the Plan or assumed pursuant to the Plan or Final Order of the Bankruptcy Court; *provided*, *further*, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning its respective duties pursuant to, or in connection with, the above referenced documents, actions or inactions.

The Exculpated Parties have, and upon consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

The foregoing exculpation shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization, or approval of any person or Entity.

G. ***Permanent Injunction***

Except as otherwise expressly provided in the Confirmation Order or Plan, from and after the Effective Date all persons are, to the fullest extent provided under section 524 and other applicable provisions of the Bankruptcy Code, permanently enjoined from: (a) commencing or continuing, in any manner or in any place, any suit, action or other proceeding of any kind; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order; (c) creating, perfecting, or enforcing any encumbrance of any kind; (d) asserting any right of setoff, or subrogation of any kind; and (e) commencing or continuing in any manner any action or other proceeding of any kind, in each case on account of or with respect to any Claim, demand, liability, obligation, debt, right, Cause of Action, Equity Interest or remedy released or to be released, exculpated or to be exculpated, settled or to be settled, or discharged or to be discharged pursuant to the Plan or the Confirmation Order against any person so released, discharged or exculpated (or the property or estate of any person so released, discharged or exculpated). All injunctions or stays provided in the Chapter 11 Cases under section 105 or section 362 of the Bankruptcy Code, or otherwise, and in existence on the confirmation date, shall remain in full force until the Effective Date. Article IX.G of the Plan shall not apply to Opioid Claims, which shall be subject to Article IX.H of the Plan.

H. ***Opioid Permanent Channeling Injunction***

TERMS. **Pursuant to section 105(a) of the Bankruptcy Code, from and after the Effective Date, the sole recourse of any Opioid Claimant on account of its Opioid Claims (including Opioid Demands) based upon or arising from the Debtors' pre-Effective Date conduct or activities shall be to the Opioid MDT II or the Opioid Creditor Trusts, as applicable, pursuant to this Article IX.H of the Plan and the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable, and such Opioid Claimant shall have no right whatsoever at any time to assert its Opioid Claims (including Opioid Demands) against any Protected Party or any property or interest in property of any Protected Party. On and after the Effective Date, all Opioid Claimants, including Future Opioid PI Claimants, shall be permanently and forever stayed, restrained, barred, and enjoined from taking any of the following actions for the purpose of, directly or indirectly or derivatively collecting, recovering, or receiving payment of, on, or with respect to any Opioid Claim (including Opioid Demand) based upon or arising from the Debtors' pre-Effective Date conduct or activities other than from the Opioid MDT II or the Opioid Creditor Trusts pursuant to the Opioid MDT II Documents or the Opioid Creditor Trust Documents, as applicable:**

- **Commencing, conducting, or continuing in any manner, directly, indirectly or derivatively, any suit, action, or other proceeding of any kind (including a judicial, arbitration, administrative, or other proceeding) in any forum in any jurisdiction around the world against or affecting any Protected Party or any property or interests in property of any Protected Party;**

- **Creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance against any Protected Party or any property or interests in property of any Protected Party;**
- **Setting off, seeking reimbursement of, contribution from, or subrogation against, or otherwise recouping in any manner, directly or indirectly, any amount against any liability owed to any Protected Party or any property or interests in property of any Protected Party; or**
- **Proceeding in any manner in any place with regard to any matter that is within the scope of the matters designated by the Plan to be subject to resolution by the Opioid MDT II or the Opioid Creditor Trusts, as applicable, except in conformity and compliance with the applicable Opioid MDT II Documents and Opioid Creditor Trust Documents.**

RESERVATIONS. **The foregoing injunction shall not stay, restrain, bar, or enjoin (a) the rights of Opioid Claimants to assert Opioid Claims (including Opioid Demands) against the Opioid MDT II or the Opioid Creditor Trusts, as applicable, solely in accordance with the Plan, the Opioid MDT II Documents, and the Opioid Creditor Trust Documents, as applicable; and (b) the rights of Entities to assert any Claim, debt, obligation, or liability for payment of Trust Expenses against the Opioid MDT II.**

MODIFICATIONS. **There can be no modification, dissolution, or terminations of this Opioid Permanent Channeling Injunction, which shall be a permanent injunction.**

NON-LIMITATION OF CHANNELING INJUNCTION. **Nothing in the Plan, the Opioid MDT II Documents, or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability, or effectiveness of the Opioid Permanent Channeling Injunction issued in connection with the Plan.**

BANKRUPTCY RULE 3016 COMPLIANCE. **The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.**

I. ***Opioid Insurer Injunction.***

TERMS. **In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Opioid Insurer, including:**

a. **commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;**

b. **enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;**

c. creating, perfecting or enforcing in any manner any Lien of any kind against any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy;

d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any Opioid Insurer, or against the property of any Opioid Insurer, on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy; and

e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to any such Claim based on, arising under or attributable to an Opioid Insurance Policy.

2. ***RESERVATIONS.*** **The provisions of this Opioid Insurer Injunction do not apply to the Opioid MDT II and shall not preclude the Opioid MDT II from pursuing any Claim based on, arising under, or attributable to an Opioid Insurance Policy (including the Assigned Insurance Rights) or any other Claim that may exist under any Opioid Insurance Policy against any Opioid Insurer, nor shall it enjoin the Opioid MDT II from prosecuting any action based on, arising from, or attributable to any Opioid Insurance Policy or from asserting any claim, debt, obligation, cause of action, or liability for payment against a Opioid Insurer based on, arising from, or attributable to any Opioid Insurance Policy (including the Assigned Insurance Rights). The provisions of this Opioid Insurer Injunction are not issued for the benefit of any Opioid Insurer, and no such insurer is a third-party beneficiary of this Opioid Insurer Injunction. For the avoidance of doubt, with respect to a Person that purports to be insured under any Opioid Insurance Policy, the Opioid Insurer Injunction shall enjoin only derivative claims and rights. Nothing in this Plan shall determine whether any Claim or right under any Opioid Insurance Policy is either derivative or direct, or otherwise would be disallowed or subordinated under the Bankruptcy Code, which determination shall be made, as necessary, to the extent such Claim or right is not otherwise released under this Plan, in accordance with applicable law.**

3. ***MODIFICATIONS.*** **To the extent the Opioid MDT II Trustees determine that some or all of the proceeds under the Opioid Insurance Policies are substantially unrecoverable by the Opioid MDT II, the Opioid MDT II shall have the sole and exclusive authority, upon written notice to any affected Opioid Insurer, to terminate, reduce, or limit the scope of this Opioid Insurer Injunction with respect to any Opioid Insurer, *provided* that any termination, reduction, or limitation of the Opioid Insurer Injunction (i) shall apply equally to all Classes of Opioid Claims, and (ii) shall comply with any procedures set forth in the Opioid MDT II Documents.**

4. ***NON-LIMITATION OF INSURER INJUNCTION*. Except as set forth in paragraph 2 and 3 of this Article, nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Opioid Insurer Injunction issued in connection with the Plan**.

J. *Settling Opioid Insurer Injunction*.

1. **Terms. In accordance with section 105(a) of the Bankruptcy Code, upon the occurrence of the Effective Date, all Persons that have held or asserted, that hold or assert or that may in the future hold or assert any Claim based on, arising under or attributable to an Opioid Insurance Policy shall be, and hereby are, permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering or receiving payment or recovery on account of any such Claim based on, arising under or attributable to an Opioid Insurance Policy from or against any Settling Opioid Insurer, solely to the extent that such Settling Opioid Insurer has been released from such Claim under such Opioid Insurance Policy pursuant to an Opioid Insurance Settlement, including:**

- **a. commencing, conducting or continuing, in any manner any action or other proceeding of any kind (including an arbitration or other form of alternate dispute resolution) against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;**
- **b. enforcing, attaching, levying, collecting or otherwise recovering, by any manner or means, any judgment, award, decree or other order against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;**
- **c. creating, perfecting or enforcing in any manner any Lien of any kind against any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy;**
- **d. asserting or accomplishing any setoff, right of subrogation, indemnity, contribution or recoupment of any kind, whether directly or indirectly, against any obligation due to any such Settling Opioid Insurer, or against the property of such Settling Opioid Insurer, on account of such Claim based on, arising under or attributable to such Opioid Insurance Policy; and**
- **e. taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan applicable to such Claim based on, arising under or attributable to such Opioid Insurance Policy.**

2. ***REDUCTION OF INSURANCE JUDGMENTS*. Any right, Claim, or cause of action that an insurance company may have been entitled to assert against any Settling Opioid Insurer but for the Settling Opioid Insurer Injunction, if any such right, Claim, or cause of action exists under applicable non-bankruptcy law, shall become a right, Claim, or cause of action solely as a setoff claim against the Opioid MDT II and not against or in the name of the Settling Opioid Insurer in question. Any such right, Claim, or cause of action to which an insurance company may be entitled shall be solely in the form of a setoff against any recovery of the Opioid MDT II from that insurance company, and under no circumstances shall that insurance company receive an affirmative recovery of funds from the Opioid MDT II or any Settling Opioid Insurer for such right, Claim, or cause of action. In determining the amount of any setoff, the Opioid MDT II may assert any legal or equitable rights the Settling Opioid Insurer would have had with respect to any right, Claim, or cause of action. Any Opioid Insurance Settlement for which Court approval is sought shall be sent out on notice pursuant to Bankruptcy Rule 9019.**

3. ***MODIFICATIONS*. There can be no modification, dissolution or termination of the Settling Insurer Injunction, which shall be a permanent injunction.**

4. ***NON-LIMITATION OF SETTLING INSURER INJUNCTION*. Nothing in the Plan, the Opioid MDT II Documents or the Opioid Creditor Trust Documents shall be construed in any way to limit the scope, enforceability or effectiveness of the Settling Insurer Injunction issued in connection with the Plan.**

K. *Opioid Operating Injunction*

From and after the date on which the Opioid Operating Injunction Order is entered by the Bankruptcy Court or another court of competent jurisdiction, the VI-Specific Debtors and/or Reorganized VI-Specific Debtors, as applicable, and any successors to the VI-Specific Debtors' and/or Reorganized VI-Specific Debtors' business operations relating to the manufacture and sale of opioid product(s) in the United States and its territories shall abide by the Opioid Operating Injunction as set forth in the Plan Supplement.

The VI-Specific Debtors and Reorganized VI-Specific Debtors, as applicable, consent to the entry of a final judgment or consent order upon the Effective Date imposing all of the provisions of the Opioid Operating Injunction in the state court in each of the Settling States (as defined in the Opioid Operating Injunction). After the Effective Date, the Opioid Operating Injunction will be enforceable in the state court in each of the Settling States (as defined in the Opioid Operating Injunction). The VI-Specific Debtors and Reorganized VI-Specific Debtors agree that seeking entry or enforcement of such a final judgment or consent order will not violate any other injunctions or stays that it will seek, or that may otherwise apply, in connection with its Chapter 11 Cases or Confirmation.

L. *Setoffs and Recoupment*

Except as otherwise provided herein, each Reorganized Debtor pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable bankruptcy or non-bankruptcy law, or as may be agreed to by the Holder of an Allowed Claim, may set off or recoup against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature that the applicable Debtor or Reorganized Debtor may hold against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or assigned on or prior to the Effective Date (whether pursuant to the Plan, a Final Order or otherwise); *provided* that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Reorganized Debtor or the Opioid MDT II of any such Claims, rights, and Causes of Action; *provided*, *further*, that the exercise of rights of setoff and/or recoupment by non-Debtor third parties against the Debtors or Reorganized Debtors on account of any Assigned Third-Party Claims shall be enjoined and barred, to the extent permitted by applicable law.

M. *Access to Opioid Insurance Policies*

Notwithstanding anything herein to the contrary, the Debtors shall not be released from liability for any Claim (other than any Co-Defendant Claim) that is or may be covered by any Opioid Insurance Policy; *provided* that recovery for any such Claim, including by way of settlement or judgment, shall be limited to the available proceeds of such Opioid Insurance Policy (and any extra-contractual liability of the Opioid Insurer with respect to any Opioid Insurance Policy) and shall be

asserted pursuant to procedures set forth in the Opioid MDT II Documents, and no Person or party shall execute, garnish or otherwise attempt to collect any such recovery from any assets other than the available proceeds of the Opioid Insurance Policy. The Debtors shall be released automatically from a Claim described in this paragraph upon the earlier of (x) the abandonment of such Claim and (y) such a release being given as part of a settlement or resolution of such Claim, and shall be released automatically from all Claims described in this paragraph upon the exhaustion of the available proceeds of the relevant Opioid Insurance Policy (notwithstanding the nonoccurrence of either event described in the foregoing clauses (x) and (y)).

N. *Co-Defendant Defensive Rights*

Except as provided in the Opioid Insurer Injunction, the Settling Opioid Insurer Injunction or this Article IX.N, notwithstanding anything to the contrary in this Article IX or in the Plan as it currently exists or as it might be further amended, the Confirmation Order or any order entered in connection with the Plan (or the Plan as amended) (or any such order, as amended, modified or supplemented), or any supplement to the Plan (or the Plan as further amended), nothing contained in the Plan or any of the foregoing documents or orders (including without limitation, the classification, treatment, allowance, disallowance, release, bar, injunction, Opioid Permanent Channeling Injunction or any other provision of the Plan or the Plan as amended with respect to, impacting, affecting, modifying, limiting, subordinating, impairing, in any respect, a Co-Defendant Claim), will release, bar, enjoin, impair, alter, modify, amend, limit, prohibit, restrict, reduce, improve or enhance any Co-Defendant Defensive Rights of any Holder of a Co-Defendant Claim as such rights exist or might in the future exist under applicable non-bankruptcy law. Nothing in the Plan, any of the Definitive Documents or in the Confirmation Order shall preclude, operate to or have the effect of, impairing any Holder of a Co-Defendant Claim from asserting in any proceeding any and all Co-Defendant Defensive Rights that it has or may have under applicable law. Nothing in the Plan, any of the Definitive Documents or the Confirmation Order shall be deemed to waive any Co-Defendant Defensive Rights, and nothing in the Chapter 11 Cases, the Plan, any of the Definitive Documents or the Confirmation Order may be used as evidence of any determination regarding any Co-Defendant Defensive Rights, and under no circumstances shall any Person be permitted to assert issue preclusion or claim preclusion, waiver, estoppel, or consent in response to the assertion of any Co-Defendant Defensive Rights. This Article IX.N shall be included in the Confirmation Order. Co-Defendant Defensive Rights (i) may be used to offset, set-off, recoup, allocate or apportion fault, liability, or damages, or seek judgment reduction or otherwise to defend against any Cause of Action or Claim brought by any Person against the Holder of any Co-Defendant Claim based in whole or in part on Opioid-Related Activities; and (ii) shall in no case be used to seek any affirmative monetary recovery from any Protected Party or any Asset of any Protected Party (including from any Opioid Insurance Policy or any other insurance policy of a Protected Party) on account of any Claim or Cause of Action released pursuant to Article IX.D, and shall in no case be used to seek an affirmative recovery from the Opioid MDT II or any Asset of the Opioid MDT II or any Opioid Creditor Trust or any Asset of any Opioid Creditor Trust. Any verdicts in any litigation shall not be binding on the Opioid MDT II, the Opioid Creditor Trusts, or the Ratepayer Account if the Opioid MDT II, the Opioid Creditor Trusts, or the Ratepayer Account do not participate in such litigation (and the Opioid MDT II, the Opioid Creditor Trusts, and the Ratepayer Account are not required to participate in such litigation).

Article X.

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. *Entire Agreement*

On the Effective Date, the Plan and the Plan Supplement supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

J. *Governing Law*

Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated, the laws of the State of New York, without giving effect to the principles of conflict of laws, shall govern the rights, obligations, construction, and implementation of the Plan, the Plan Supplement, and any agreements, documents, instruments, or contracts executed or entered into in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreement shall control), and corporate governance matters; *provided* that corporate governance matters relating to Debtors or Reorganized Debtors, as applicable, not incorporated in New York shall be governed by the laws of the jurisdiction of incorporation of the applicable Debtor or Reorganized Debtor, as applicable.

K. *Exhibits*

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. L. *Nonseverability of Plan Provisions upon Confirmation*

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted; *provided* that, any such alteration or interpretation shall be acceptable to the Debtors, the Required Supporting Unsecured Noteholders, the Supporting Governmental Opioid Claimants, and the Required Supporting Term Lenders. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the consent of the Debtors; and (3) nonseverable and mutually dependent.

M. *Closing of Chapter 11 Cases*

After the Effective Date, neither the General Unsecured Claims Trust nor the Asbestos Trust can independently waive the attorney-client privilege or any other privilege. For any privilege to be waived, the respective trust must first obtain advance written consent from the other trust which jointly holds said privilege and/or from any other party, including the Reorganized Debtors, as applicable, that may share in the applicable privilege.

Q. *Special Provisions for United States*

(iv) affect any valid right of setoff or recoupment of the United States against any of the Debtors; *provided*, *however*, that the rights and defenses of the Debtors with respect thereto are fully preserved (other than any rights or defenses based on language in the Plan or the Confirmation Order that may extinguish or limit setoff or recoupment rights);

(v) divest any court, commission or tribunal of jurisdiction to determine whether any liabilities asserted by the United States are discharged or otherwise barred by this Confirmation Order, the Plan or the Bankruptcy Code; *provided*, *however*, that the Bankruptcy Court shall retain jurisdiction as set forth in and pursuant to the terms of the Plan to the extent permitted by law;

(iii) entitled to such rights upon the dissolution of, or upon any distribution of the assets of, the Company; or

(iv) convertible into, or exchangeable for, shares of any other class or classes of shares, or of any other series of the same or any other class or classes of shares, of the Company at such price or prices or at such rates of exchange and with such adjustments as the Directors determine,

which rights and restrictions may be as stated in such resolution or resolutions of the Directors as determined by them in accordance with this article 3(d). The Board may at any time before the allotment of any preferred share by further resolution in any way amend the designations, preferences, rights, qualifications, limitations or restrictions, or vary or revoke the designations of such preferred shares.

The rights conferred upon the Holder of any pre-existing shares in the share capital of the Company shall be deemed not to be varied by the creation, issue and allotment of preferred shares in accordance with this article 3(d).

(e) Unless the Board specifically resolves to treat such acquisition as a purchase for the purposes of the Act, an Ordinary Share shall be deemed to be a Redeemable Share on, and from the time of, the existence or creation of an agreement, transaction or trade between the Company and any third party pursuant to which the Company acquires or will acquire Ordinary Shares, or an interest in Ordinary Shares, from such third party and the Company is hereby authorised to enter into any such agreement, transaction or trade. In these circumstances, the acquisition of such shares or interest in shares by the Company shall constitute the redemption of a Redeemable Share in accordance with the Act. No resolution, whether special or otherwise, shall be required to be passed to deem any Ordinary Share a Redeemable Share, or to authorise the redemption of such a Redeemable Share and once deemed to be a Redeemable Share such share shall be redeemable at the instance of the Company.

4. Subject to the provisions of the Act and the other provisions of this article, the Company may:

(a) pursuant to the Act, issue any shares of the Company which are to be redeemed or are liable to be redeemed at the option of the Company or the member on such terms and in such manner as may be determined by the Company in general meeting (by Special Resolution) on the recommendation of the Directors; or

(b) subject to and in accordance with the provisions of the Acts and without prejudice to any relevant special rights attached to any class of shares pursuant to the Act, purchase any of its own shares (including any Redeemable Shares and without any obligation to purchase on any pro rata basis as between members or members of the same class) and may cancel any shares so purchased or hold them as treasury shares (as defined in the Act) and may reissue any such shares as shares of any class or classes.

5. Without prejudice to any special rights previously conferred on the Holders of any existing shares or class of shares, any share in the Company may be issued with such preferred or deferred or other special rights or such restrictions, whether in regard to dividend, voting, return of capital or otherwise, as the Company may from time to time by Ordinary Resolution determine.

6. (a) Without prejudice to the authority conferred on the Directors pursuant to article 3 to issue preferred shares in the capital of the Company, if at any time the share capital is divided into different classes of shares, the rights attached to any class may, whether or not the Company is being wound up, be varied or abrogated with the consent in writing of the Holders of three-fourths of the issued shares in that class, or with the sanction of a Special Resolution passed at a separate general meeting of the Holders of the shares of that class, provided that, if the relevant class of Holders has only one Holder, that person present in person or by proxy, shall constitute the necessary quorum. To every such meeting the provisions of article 35 shall apply.

(b) The redemption or purchase of preferred shares or any class of preferred shares shall not constitute a variation of rights of the preferred Holders where the redemption or purchase of the preferred shares has been authorised solely by a resolution of the ordinary Holders.

(c) The issue, redemption or purchase of any of the 500,000,000 preferred shares of US$0.01 shall not constitute a variation of the rights of the Holders of Ordinary Shares.

(d) The issue of preferred shares or any class of preferred shares which rank pari passu with, or junior to, any existing preferred shares or class of preferred shares shall not constitute a variation of the existing preferred shares or class of preferred shares.

7. The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.

8. (a) Subject to the provisions of these articles relating to new shares, the shares shall be at the disposal of the Directors (and/or by a committee of the Directors or by any other person where such committee or person is so authorised by the Directors), and they may (subject to the provisions of the Acts) allot, grant options over or otherwise dispose of them to such persons, on such terms and conditions and at such times as they may consider to be in the best interests of the Company and its members, but so that no share shall be issued at a discount to its nominal value save in accordance with the Act, and so that, save where the Act permits otherwise, the amount payable on application on each share shall not be less than one-quarter of the nominal amount of the share and the whole of any premium thereon.

(b) Subject to any requirement to obtain the approval of members under any laws, regulations or the rules of any stock exchange to which the Company is subject, the Board is authorised, from time to time, in its discretion, to grant such persons, for such periods and upon such terms as the Board deems advisable, options to purchase or subscribe for such number of shares of any class or classes or of any series of any class as the Board may deem advisable, and to cause warrants or other appropriate instruments evidencing such options to be issued.

(c) The Directors are, for the purposes of section 1021 of the Act, generally and unconditionally authorised to exercise all powers of the Company to allot and issue relevant securities (as defined by the said section 1021) up to the amount of Company's authorised share capital and to allot and issue any shares purchased by the Company pursuant to the provisions of the Act and held as treasury shares and this authority shall expire five years from the Adoption Date. The Company may before the expiry of such authority make an offer or agreement which would or might require relevant securities to be allotted after such expiry and the Directors may allot relevant securities in pursuance of such an offer or agreement notwithstanding that the authority hereby conferred has expired.

(d) The Directors are hereby empowered pursuant to sections 1022 and 1023 of the Act to allot equity securities within the meaning of the said section 1023 of the Act for cash pursuant to the authority conferred by paragraph (c) of this article as if section 1022 of the said Act did not apply to any such allotment. The Company may before the expiry of such authority make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of such an offer or agreement as if the power conferred by this paragraph (d) had not expired.

(e) Nothing in these articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by any allottee in favour of some other person.

9. If by the conditions of allotment of any share the whole or part of the amount or issue price thereof shall be payable by instalments, every such instalment when due shall be paid to the Company by the person who for the time being shall be the Holder of the share.

10. The Company may pay commission to any person in consideration of a person subscribing or agreeing to subscribe, whether absolutely or conditionally, for any shares in the Company or procuring or agreeing to procure subscriptions, whether absolute or conditional, for any shares in the Company on such terms and subject to such conditions as the Directors may determine, including, without limitation, by paying cash or allotting and issuing fully or partly paid shares or any combination of the two. The Company may also, on any issue of shares, pay such brokerage as may be lawful.

11. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder.

12. No person shall be entitled to a share certificate in respect of any Ordinary Share held by them in the share capital of the Company, whether such Ordinary Share was allotted or transferred to them, and the Company shall not be bound to issue a share certificate to any such person entered in the Register.

13. The Company shall not give, whether directly or indirectly and whether by means of a loan, guarantee, the provision of security or otherwise, any financial assistance for the purpose of a purchase or subscription made or to be made by any person of or for any shares in the Company or in its holding company, except as permitted by the Act.

14. (a) The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) payable at a fixed time or called in respect of that share. The Directors, at any time, may declare any share to be wholly or in part exempt from the provisions of this article. The Company's lien on a share shall extend to all moneys payable in respect of it.

(b) The Company may sell in such manner as the Directors determine any share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within fourteen Clear Days after notice demanding payment, and stating that if the notice is not complied with the share may be sold, has been given to the Holder of the share or to the person entitled to it by reason of the death or bankruptcy of the Holder.

(c) To give effect to a sale, the Directors may authorise some person to execute an instrument of transfer of the share sold to, or in accordance with the directions of, the purchaser. The transferee shall be entered in the Register as the Holder of the share comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the sale, and after the name of the transferee has been entered in the Register, the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

(d) The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable and any residue (upon surrender to the Company for cancellation of the certificate for the shares sold and subject to a like lien for any moneys not presently payable as existed upon the shares before the sale) shall be paid to the person entitled to the shares at the date of the sale.

15. (a) Subject to the terms of allotment, the Directors may make calls upon the members in respect of any moneys unpaid on their shares and each member (subject to receiving at least fourteen Clear Days' notice specifying when and where payment is to be made) shall pay to the Company as required by the notice the amount called on his shares. A call may be required to be paid by instalments. A call may be revoked before receipt by the Company of a sum due thereunder, in whole or in part and payment of a call may be postponed in whole or in part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.

(b) A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

(c) The joint Holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

(d) If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the Acts) but the Directors may waive payment of the interest wholly or in part.

(e) An amount payable in respect of a share on allotment or at any fixed date, whether in respect of nominal value or as an instalment of a call, shall be deemed to be a call and if it is not paid the provisions of these articles shall apply as if that amount had become due and payable by virtue of a call.

(f) Subject to the terms of allotment, the Directors may make arrangements on the issue of shares for a difference between the Holders in the amounts and times of payment of calls on their shares.

(g) The Directors, if they think fit, may receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may pay (until the same would, but for such advance, become payable) interest at such rate, not exceeding (unless the Company in general meeting otherwise directs) fifteen percent per annum, as may be agreed upon between the Directors and the member paying such sum in advance.

(h) (i) If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors, at any time thereafter and during such times as any part of the call or instalment remains unpaid, may serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued.

(ii) The notice shall name a further day (not earlier than the expiration of fourteen Clear Days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.

(iii) If the requirements of any such notice as aforesaid are not complied with then, at any time thereafter before the payment required by the notice has been made, any shares in respect of which the notice has been given may be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other moneys payable in respect of the forfeited shares and not paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.

(iv) On the trial or hearing of any action for the recovery of any money due for any call it shall be sufficient to prove that the name of the member sued is entered in the Register as the Holder, or one of the Holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the member sued, in pursuance of these articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

(i) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal such a share is to be transferred to any person, the Directors may authorise some person to execute an instrument of transfer of the share to that person. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and thereupon he shall be registered as the Holder of the share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

(j) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but nevertheless shall remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, without any deduction or allowance for the value of the shares at the time of forfeiture but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.

(k) A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited on the date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

(l) The provisions of these articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

(m) The Directors may accept the surrender of any share which the Directors have resolved to have been forfeited upon such terms and conditions as may be agreed and, subject to any such terms and conditions, a surrendered share shall be treated as if it has been forfeited.

TRANSFER OF SHARES

16. (a) The instrument of transfer of any share may be executed for and on behalf of the transferor by the Secretary, an Assistant Secretary or any such person that the Secretary or an Assistant Secretary nominates for that purpose (whether in respect of specific transfers or pursuant to a general standing authorisation), and the Secretary, Assistant Secretary or the relevant nominee shall be deemed to have been irrevocably appointed agent for the transferor of such share or shares with full power to execute, complete and deliver in the name of and on behalf of the transferor of such share or shares all such transfers of shares held by the members in the share capital of the Company. Any document which records the name of the transferor, the name of the transferee, the class and number of shares agreed to be transferred, the date of the agreement to transfer shares and the price per share, shall, once executed by the transferor or the Secretary, Assistant Secretary or the relevant nominee as agent for the transferor, and by the transferee where required by the Act, be deemed to be a proper instrument of transfer for the purposes of the Act. The transferor shall be deemed to remain the Holder of the share until the name of the transferee is entered on the Register in respect thereof, and neither the title of the transferee nor the title of the transferor shall be affected by any irregularity or invalidity in the proceedings in reference to the sale should the Directors so determine.

(b) The Company, at its absolute discretion, may, or may procure that a subsidiary of the Company shall, pay Irish stamp duty arising on a transfer of shares on behalf of the transferee of such shares of the Company. If stamp duty resulting from the transfer of shares in the Company which would otherwise be payable by the transferee is paid by the Company or any subsidiary of the Company on behalf of the transferee, then in those circumstances, the Company shall, on its behalf or on behalf of its subsidiary (as the case may be), be entitled to (i) seek reimbursement of the stamp duty from the transferee, (ii) set-off the stamp duty against any dividends payable to the transferee of those shares and (iii) claim a first and permanent lien on the shares on which stamp duty has been paid by the Company or its subsidiary for the amount of stamp duty paid. The Company’s lien shall extend to all dividends paid on those shares.

(c) Notwithstanding the provisions of these articles and subject to any regulations made under section 1086 of the Act, title to any shares in the Company may also be evidenced and transferred without a written instrument in accordance with section 1086 of the Act or any regulations made thereunder. The Directors shall have power to permit any class of shares to be held in uncertificated form and to implement any arrangements they think fit for such evidencing and transfer which accord with such regulations and in particular shall, where appropriate, be entitled to disapply or modify all or part of the provisions in these articles with respect to the requirement for written instruments of transfer and share certificates (if any), in order to give effect to such regulations.

17. Subject to such of the restrictions of these articles and to such of the conditions of issue of any share warrants as may be applicable, the shares of any member and any share warrant may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.

18. (a) The Directors in their absolute discretion and without assigning any reason therefor may decline to register:

(i) any transfer of a share which is not fully paid; or

(ii) any transfer to or by a minor or person of unsound mind;

but this shall not apply to a transfer of such a share resulting from a sale of the share through a stock exchange on which the share is listed.

(b) The Directors may decline to recognise any instrument of transfer unless:

(i) the instrument of transfer is accompanied by any evidence the Directors may reasonably require to show the right of the transferor to make the transfer;

(ii) the instrument of transfer is in respect of one class of share only;

(iii) the instrument of transfer is in favour of not more than four transferees; and

(iv) it is lodged at the Office or at such other place as the Directors may appoint.

19. If the Directors refuse to register a transfer, they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

20. (a) The Directors may from time to time fix a record date for the purposes of determining the rights of members to notice of and/or to vote at any general meeting of the Company. The record date shall not precede the date upon which the resolution fixing the record date is adopted by the Directors, and the record date shall be not more than eighty nor less than ten days before the date of such meeting. If no record date is fixed by the Directors, the record date for determining members entitled to notice of or to vote at a meeting of the members shall be the close of business on the day next preceding the day on which notice is given. Unless the Directors determine otherwise, a determination of members of record entitled to notice of or to vote at a meeting of members shall apply to any adjournment or postponement of the meeting.

(b) In order that the Directors may determine the members entitled to receive payment of any dividend or other distribution or allotment of any rights or the members entitled to exercise any rights in respect of any change, conversion or exchange of shares, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining members for such purpose shall be at the close of business on the day on which the Directors adopt the resolution relating thereto.

21. Registration of transfers may be suspended at such times and for such period, not exceeding in the whole 30 days in each year, as the Directors may from time to time determine subject to the requirements of the Act.

22. All instruments of transfer shall upon their being lodged with the Company remain the property of the Company and the Company shall be entitled to retain them.

23. Subject to the provisions of these articles, whenever as a result of a consolidation of shares or otherwise any members would become entitled to fractions of a share, the Directors may sell or cause to be sold, on behalf of those members, the shares representing the fractions for the best price reasonably obtainable to any person and distribute the proceeds of sale (subject to any applicable tax and abandoned property laws) in due proportion among those members, and the Directors may authorise some person to execute an instrument of transfer of the shares to, or in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

TRANSMISSION OF SHARES

24. In the case of the death of a member, the survivor or survivors where the deceased was a joint Holder, and the personal representatives of the deceased where he was a sole Holder, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased joint Holder from any liability in respect of any share which had been jointly held by him with other persons.

25. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member may, upon such evidence being produced as may from time to time properly be required by the Directors and subject as herein provided, elect either to be registered himself as Holder of the share or to have some person nominated by him registered as the transferee thereof, but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the shares by that member before his death or bankruptcy, as the case may be.

26. If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he elects to have another person registered, he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of the member had not occurred and the notice of transfer were a transfer signed by that member.

27. A person becoming entitled to a share by reason of the death or bankruptcy of the Holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to the meetings of the Company, so, however, that the Directors may at any time give notice requiring such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within 90 days, the Directors may thereupon withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

ALTERATION OF CAPITAL

28. The Company may from time to time by Ordinary Resolution increase the authorised share capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.

29. The Company may by Ordinary Resolution:

(a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;

(b) subdivide its existing shares, or any of them, into shares of smaller amount than is fixed by the memorandum of association subject, nevertheless, to the Act; or

(c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled.

30. The Company may by Special Resolution (or by Ordinary Resolution where permitted by section 83 of the Act) reduce its share capital, any capital redemption reserve fund, any share premium account or any undenominated capital in any manner and with and subject to any incident authorised, and consent required, by law.

GENERAL MEETINGS

31. The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year, and shall specify the meeting as such in the notices calling it. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next. This article shall not apply in the case of the first general meeting, in respect of which the Company shall convene the meeting within the time periods required by the Act.

32. Subject to the Act, all general meetings of the Company may be held outside of Ireland.

33. All general meetings other than annual general meetings shall be called extraordinary general meetings.

34. The Directors may, whenever they think fit, convene an extraordinary general meeting, and extraordinary general meetings shall also be convened on such requisition, or in default may be convened by such requisitionists, as provided in section 178(3) Act.

35. All provisions of these articles relating to general meetings of the Company shall, mutatis mutandis, apply to every separate general meeting of the Holders of any class of shares in the capital of the Company, except that:

(a) the necessary quorum shall be two or more persons holding or representing by proxy (whether or not such Holder actually exercises his voting rights in whole, in part or at all at the relevant general meeting) at least one-half in nominal value of the issued shares of the class or, at any adjourned meeting of such Holders, one Holder present in person or by proxy, whatever the amount of his holding, shall be deemed to constitute a meeting;

(b) any Holder of shares of the class present in person or by proxy may demand a poll; and

(c) on a poll, each Holder of shares of the class shall have one vote in respect of every share of the class held by him.

36. A Director shall be entitled, notwithstanding that he is not a member, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the Company.

NOTICE OF GENERAL MEETINGS

37. (a) Subject to the provisions of the Acts allowing a general meeting to be called by shorter notice, an annual general meeting, and an extraordinary general meeting called for the passing of a special resolution, shall be called by not less than 21 Clear Days' notice and all other extraordinary general meetings shall be called by not less than fourteen Clear Days' notice.

(b) Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a member of the Company. It shall also give particulars of any Directors who are to retire at the meeting and of any persons who are recommended by the Directors for appointment or re-appointment as Directors at the meeting or in respect of whom notice has been duly given to the Company of the intention to propose them for appointment or re-appointment as Directors at the meeting. Provided that the latter requirement shall only apply where the intention to propose the person has been received by the Company in accordance with the provisions of these articles. Subject to any restrictions imposed on any shares, the notice of the meeting shall be given to all the members of the Company as of the record date set by the Directors and to the Directors and the Auditors.

(c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.

38. Where, by any provision contained in the Acts, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Acts permit) before the meeting at which it is moved, and the Company shall give to the members notice of any such resolution as required by and in accordance with the provisions of the Acts.

PROCEEDINGS AT GENERAL MEETINGS

39. All business shall be deemed special that is transacted at an extraordinary general meeting, and also all that is transacted at an annual general meeting, with the exception of the review by the members of the Company's affairs declaring a dividend, the consideration of the Company's statutory financial statements and the reports of the Directors and auditors, the election of Directors, the re-appointment of the retiring auditors and the fixing of the remuneration of the auditors.

40. At any annual general meeting of the members, only such nominations of persons for election to the Board shall be made, and only such other business shall be conducted or considered, as shall have been properly brought before the meeting. For nominations to be properly made at an annual general meeting, and proposals of other business to be properly brought before an annual meeting, nominations and proposals of other business must be: (a) specified in the Company's notice of meeting (or any supplement thereto) given by or at the direction of the Board, (b) otherwise properly made at the annual general meeting, by or at the direction of the Board or (c) otherwise properly requested to be brought before the annual general meeting by a member of the Company in accordance with these articles. For nominations of persons for election to the Board or proposals of other business to be properly requested by a member to be made at an annual general meeting, a member must (i) be a member at the time of giving of notice of such annual general meeting by or at the direction of the Board and at the time of

the annual general meeting, (ii) be entitled to vote at such annual general meeting and (iii) comply with the procedures set forth in these articles as to such business or nomination. The immediately preceding sentence shall be the exclusive means for a member to make nominations or other business proposals (other than matters properly brought under Rule 14a-8 under the Exchange Act and included in the Company's notice of meeting) before an annual general meeting of members.

41. At any extraordinary general meeting of the members, only such business shall be conducted or considered, as shall have been properly brought before the meeting pursuant to the Company's notice of meeting. To be properly brought before an extraordinary general meeting, proposals of business must be (a) specified in the Company's notice of meeting (or any supplement thereto) given by or at the direction of the Board, (b) otherwise properly brought before the extraordinary general meeting, by or at the direction of the Board, or (c) otherwise properly brought before the meeting by any members of the Company pursuant to the valid exercise of power granted to them under the Acts.

42. Nominations of persons for election to the Board may be made at an extraordinary general meeting of members at which directors are to be elected pursuant to the Company's notice of meeting (a) by or at the direction of the Board, (b) by any members of the Company pursuant to the valid exercise of power granted to them under the Acts, or (c) provided that the Board has determined that directors shall be elected at such meeting, by any member of the Company who (i) is a member at the time of giving of notice of such extraordinary general meeting and at the time of the extraordinary general meeting, (ii) is entitled to vote at the meeting and (iii) complies with the procedures set forth in these articles as to such nomination. The immediately preceding sentence shall be the exclusive means for a member to make nominations (other than matters properly brought under Rule 14a-8 under the Exchange Act and included in the Company's notice of meeting) before an extraordinary general meeting of members.

43. Except as otherwise provided by law, the memorandum of association or these articles, the Chairman of any general meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the general meeting was made or proposed, as the case may be, in accordance with these articles and, if any proposed nomination or other business is not in compliance with these articles, to declare that no action shall be taken on such nomination or other proposal and such nomination or other proposal shall be disregarded.

44. No business shall be transacted at any general meeting unless a quorum is present at the time when the meeting proceeds to business. The Holders of shares, present in person or by proxy (whether or not such Holder actually exercises his voting rights in whole, in part or at all at the relevant general meeting), entitling them to exercise a majority of the voting power of the Company on the relevant record date shall constitute a quorum.

45. Any general meeting duly called at which a quorum is not present shall be adjourned and the Company shall provide notice pursuant to article 37 in the event that such meeting is to be reconvened.

46. The Chairman, if any, of the Board shall preside as Chairman at every general meeting of the Company, or if there is no such Chairman, or if he is not present within fifteen minutes after the time appointed for the holding of the meeting or is unwilling to act, any Director of the Company or any other person designated by the Board (or if the Board has not designated any such person prior to the meeting or such person is not present within fifteen minutes after the time appointed for the holding of the meeting or is unwilling to act, such an officer or Director or any other person elected by the Directors present at the meeting) shall preside as Chairman of the meeting.

47. If at any general meeting no person designated in accordance with article 46 is willing to act as Chairman or if no such person is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their number to be Chairman of the meeting.

48. The Chairman may, with the consent of any meeting at which a quorum is present, and shall if so directed by the meeting, adjourn the meeting from time to time and from place to place without notice other than by announcement of the time and place of the adjourned meeting by the Chairman of the meeting. The Chairman of the meeting may at any time without the consent of the meeting adjourn the meeting to another time and/or place if, in his opinion, it would facilitate the conduct of the business of the meeting to do so or if he is so directed by the Board. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

49. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:

    (a) the Chairman; or

    (b) by at least three members present in person or by proxy; or

    (c) by any member or members present in person or by proxy and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or

    (d) by a member or members holding shares in the Company conferring the right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

    Unless a poll is so demanded, a declaration by the Chairman that a resolution has, on a show of hands, been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the Company, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

    The demand for a poll may be withdrawn.

50. Except as provided in article 51, if a poll is duly demanded it shall be taken in such manner as the Chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

51. A poll demanded on the election of the Chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairman of the meeting directs, and any business other than that on which a poll has been demanded may be proceeded with pending the taking of the poll.

52. Where there is an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

53. Unless the Directors otherwise determine, no member shall be entitled to vote at any general meeting or any separate meeting of the Holders of any class of shares in the Company, either in person or by proxy, or to exercise any privilege as a member in respect of any share held by him unless all monies then payable by him in respect of that share have been paid.

54. Without qualification or limitation, subject to article 67, for any nominations or any other business to be properly brought before an annual general meeting by a member pursuant to article 40, the member must have given timely notice thereof (including, in the case of nominations, the completed and signed questionnaire, representation and agreement required by article 68), and timely updates and supplements thereof, in writing to the Secretary, and such other business must otherwise be a proper matter for member action.

55. To be timely, a member's notice shall be delivered to the Secretary at the Office not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the preceding year's annual general meeting; provided, however, that in the event that the date of the annual general meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the member must be so delivered not earlier than the close of business on the 120th day prior to the date of such annual general meeting and not later than the close of business on the later of the 90th day prior to the date of such annual general meeting or, if the first public announcement of the date of such annual general meeting is less than 100 days prior to the date of such annual general meeting, the 10th day following the day on which public announcement of the date of such meeting is first made by the Company; provided, further, that with respect to the 2014 annual general meeting, notice by the member must be so delivered not later than the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. In no event shall any adjournment or postponement of an annual general meeting, or the public announcement thereof, commence a new time period for the giving of a member's notice as described above.

56. Notwithstanding anything in article 55 to the contrary, in the event that the number of directors to be elected to the Board is increased by the Board, and there is no public announcement by the Company naming all of the nominees for director or specifying the size of the increased Board at least 100 days prior to the first anniversary of the preceding year's annual general meeting, a member's notice required by articles 54-57 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the Office not later than the close of business on the 10th day following the day on which such public announcement is first made by the Company.

57. In addition, to be considered timely, a member's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the Office not later than five (5) business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than eight (8) business days prior to the date for the meeting or any adjournment or postponement thereof in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof.

58. Subject to article 67, in the event the Company calls an extraordinary general meeting of members for the purpose of electing one or more directors to the Board, any member may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Company's notice of meeting, provided that the member gives timely notice thereof (including the completed and signed questionnaire, representation and agreement required by article 68), and timely updates and supplements thereof, in writing, to the Secretary.

59. To be timely, a member's notice shall be delivered to the Secretary at the Office not earlier than the close of business on the 120th day prior to the date of such extraordinary general meeting and not later than the close of business on the later of the 90th day prior to the date of such extraordinary general meeting or, if the first public announcement of the date of such extraordinary general meeting is less than 100 days prior to the date of such extraordinary general meeting, the 10th day following the day on which public announcement is first made of the date of the extraordinary general meeting and of the nominees proposed by the Board to be elected at such meeting. In no event shall any adjournment or postponement of an extraordinary general meeting, or the public announcement thereof, commence a new time period for the giving of a member's notice as described above.

60. In addition, to be considered timely, a member's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to the Secretary at the Office not later than five (5) business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than eight (8) business days prior to the date for the meeting, any adjournment or postponement thereof in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof.

61. To be in proper form, a member's notice (whether given pursuant to articles 54-57 or articles 58-60) to the Secretary must include the following, as applicable:

62. As to the member giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made, a member's notice must set forth: (i) the name and address of such member, as they appear on the Company's books, of such beneficial owner, if any, and of their respective affiliates or associates or others acting in concert therewith, (ii) (A) the class or series and number of shares of the Company which are, directly or indirectly, owned beneficially and of record by such member, such beneficial owner and their respective affiliates or associates or others acting in concert therewith, (B) any option, warrant, convertible security, share appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Company or with a value derived in whole or in part from the value of any class or series of shares of the Company, or any derivative or synthetic arrangement having the characteristics of a long position in any class or series of shares of the Company, or any contract, derivative, swap or other transaction or series of transactions designed to produce economic benefits and risks that correspond substantially to the ownership of any class or series of shares of the Company, including due to the fact that the value of such contract, derivative, swap or other transaction or series of transactions is determined by reference to the price, value or volatility of any class or series of shares of the Company, whether or not such instrument, contract or right shall be subject to settlement in the underlying class or series of shares of the Company, through the delivery of cash or other property, or otherwise, and without regard to whether the member, the beneficial owner, if any, or any affiliates or associates or others acting in concert therewith, may have entered into transactions that hedge or mitigate the economic effect of such instrument, contract or right, or any other direct or indirect opportunity to profit or share in any profit derived from any increase or decrease in the value of shares of the Company (any of the foregoing, a "Derivative Instrument") directly or indirectly owned beneficially by such member, the beneficial owner, if any, or any affiliates or associates or others acting in concert therewith, (C) any proxy, contract, arrangement, understanding, or relationship pursuant to which such member has a right to vote any class or series of shares of the Company, (D) any agreement, arrangement, understanding, relationship or otherwise, including any repurchase or similar so-called "stock borrowing" agreement or arrangement, involving such member, directly or indirectly, the purpose or effect of which is to mitigate loss to, reduce the economic risk (of ownership or otherwise) of any class or series of the shares of the Company by, manage the risk of share

price changes for, or increase or decrease the voting power of, such member with respect to any class or series of the shares of the Company, or which provides, directly or indirectly, the opportunity to profit or share in any profit derived from any decrease in the price or value of any class or series of the shares of the Company (any of the foregoing, a "Short Interest"), (E) any rights to dividends on the shares of the Company owned beneficially by such member that are separated or separable from the underlying shares of the Company, (F) any proportionate interest in shares of the Company or Derivative Instruments held, directly or indirectly, by a general or limited partnership in which such member is a general partner or, directly or indirectly, beneficially owns an interest in a general partner of such general or limited partnership, (G) any performance-related fees (other than an asset-based fee) that such member is entitled to based on any increase or decrease in the value of shares of the Company or Derivative Instruments, if any, including without limitation any such interests held by members of such member's immediate family sharing the same household, (H) any significant equity interests or any Derivative Instruments or Short Interests in any principal competitor of the Company held by such member, and (I) any direct or indirect interest of such member in any contract with the Company, any affiliate of the Company or any principal competitor of the Company (including, in any such case, any employment agreement, collective bargaining agreement or consulting agreement), and (iii) any other information relating to such member and beneficial owner, if any, that would be required to be disclosed in a proxy statement and form or proxy or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder.

63. If the notice relates to any business other than a nomination of a director or directors that the member proposes to bring before the meeting, a member's notice must, in addition to the matters set forth in article 62 above, also set forth: (i) a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of such member and beneficial owner, if any, in such business, (ii) the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such proposal or business includes a proposal to amend these articles, the text of the proposed amendment), and (iii) a description of all agreements, arrangements and understandings between such member and beneficial owner, if any, and any other person or persons (including their names) in connection with the proposal of such business by such member.

64. As to each person, if any, whom the member proposes to nominate for election or re-election to the Board, a member's notice must, in addition to the matters set forth in article 62 above, also set forth: (i) all information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (ii) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such member and beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including, without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under Regulation S-K under the Exchange Act if the member making the nomination and any beneficial owner on whose behalf the nomination is made, if any, or any affiliate or associate thereof or person acting in concert therewith, were the "registrant" for purposes of such rule and the nominee were a director or executive officer of such registrant.

65. With respect to each person, if any, whom the member proposes to nominate for election or re-election to the Board, a member's notice must, in addition to the matters set forth in articles 62 and 64 above, also include a completed and signed questionnaire, representation and agreement required by article 68 of these articles. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable member's understanding of the independence, or lack thereof, of such nominee.

66. Notwithstanding the provisions of these articles, a member shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in articles 54-68; provided, however, that any references in these articles to the Exchange Act or the rules promulgated thereunder are not intended to and shall not limit the separate and additional requirements set forth in these articles with respect to nominations or proposals as to any other business to be considered pursuant to articles 39-43.

67. Nothing in these articles shall be deemed to affect any rights (i) of members to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act, (ii) of the holders of any series of preferred shares if and to the extent provided for under law, the memorandum of association or these articles or (iii) of members of the Company to bring business before an extraordinary general meeting pursuant to the valid exercise of power granted to them under the Acts. Subject to Rule 14a-8 under the Exchange Act, nothing in these articles shall be construed to permit any member, or give any member the right, to include or have disseminated or described in the Company's proxy statement any nomination of director or directors or any other business proposal.

68. Subject to the rights of members of the Company to propose nominations at an extraordinary general meeting pursuant to the valid exercise of power granted to them under the Acts, to be eligible to be a nominee for election or re-election as a director of the Company, a person must deliver (in accordance with the time periods prescribed for delivery of notice under articles 54-67) to the Secretary at the Office a written questionnaire with respect to the background and qualification of such person and the background of any other person or entity on whose behalf the nomination is being made (which questionnaire shall be provided by the Secretary upon written request), and a written representation and agreement (in the form provided by the Secretary upon written request) that such person (A) is not and will not become a party to (1) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Company, will act or vote on any issue or question (a "Voting Commitment") that has not been disclosed to the Company or (2) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a director of the Company, with such person's fiduciary duties under applicable law, (B) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Company with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed therein, and (C) in such person's individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as a director of the Company, and will comply with all applicable corporate governance, conflict of interest, confidentiality and share ownership and trading policies and guidelines of the Company publicly disclosed from time to time.

VOTES OF MEMBERS

69. Subject to any special rights or restrictions as to voting for the time being attached by or in accordance with these articles to any class of shares, on a show of hands every member present in person and every proxy shall have one vote, but so that no one member shall on a show of hands have more than one vote in respect of the aggregate number of shares of which he is the Holder, and on a poll every member who is present in person or by proxy shall have one vote for each share of which he is the Holder.

70. When there are joint Holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint Holders; and for this purpose, seniority shall be determined by the order in which the names stand in the Register.

71. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in Ireland or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be received at the Office or at such other address as is specified in accordance with these articles for the receipt of appointments of proxy and in default the right to vote shall not be exercisable.

72. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.

73. Votes may be given either personally or by proxy.

74. (a) Every member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf and may appoint more than one proxy to attend, speak and vote at the same meeting. The appointment of a proxy shall be in any form which the Directors may approve (subject to compliance with any requirements as to form prescribed by the Acts and the Exchange Act) and, if required by the Company, shall be signed by or on behalf of the appointor. In relation to written proxies, a body corporate must sign a form of proxy under its common seal (if applicable) or under the hand of a duly authorised officer or attorney thereof. A proxy need not be a member of the Company. The appointment of a proxy in electronic or other form shall only be effective in such manner as the Directors may approve and subject to any requirements of the Acts. An instrument or other form of communication appointing or evidencing the appointment of a proxy or a corporate representative (other than a standing proxy or representative) together with such evidence as to its due execution as the board may from time to time require, may be returned to the address or addresses stated in the notice of meeting or adjourned meeting or any other information or communication by such time or times as may be specified by the Board in the notice of meeting or adjourned meeting or in any other such information or communication (which times may differ when more than one place is so specified) or, if no such time is specified, at any time prior to the holding of the relevant meeting or adjourned meeting at which the appointee proposes to vote, and, subject to the Acts, if not so delivered the appointment shall not be treated as valid.

(b) Without limiting the foregoing, the Directors may from time to time permit appointments of a proxy to be made by means of an electronic or internet communication or facility and may in a similar manner permit supplements to, or amendments or revocations of, any such electronic or internet communication or facility to be made. The Directors may in addition prescribe the method of determining the time at which any such electronic or internet communication or facility is to be treated as received by the Company. The Directors may treat any such electronic or internet communication or facility which purports to be or is expressed to be sent on behalf of a Holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.

75. Any body corporate which is a member of the Company may authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of members of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual member of the Company. The Company may require evidence from the body corporate of the due authorisation of such person to act as the representative of the relevant body corporate.

76. An appointment of proxy relating to more than one meeting (including any adjournment thereof) having once been received by the Company for the purposes of any meeting shall not require to be delivered, deposited or received again by the Company for the purposes of any subsequent meeting to which it relates.

77. Receipt by the Company of an appointment of proxy in respect of a meeting shall not preclude a member from attending and voting at the meeting or at any adjournment thereof. An appointment proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

78. (a) A vote given or poll demanded in accordance with the terms of an appointment of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or transfer of the share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no intimation in writing (whether in electronic form or otherwise) of such death, insanity, revocation or transfer shall have been received by the Company at the Office before the commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts.

(b) The Directors may send, at the expense of the Company, by post, electronic mail or otherwise, to the members forms for the appointment of a proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative.

79. The instrument appointing a proxy shall, be deemed to confer authority to demand or join in demanding a poll.

80. Subject to the Act, a resolution in writing signed by all of the members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the Act. Any such resolution shall be served on the Company.

DIRECTORS

81. The number of Directors shall not be less than two nor more than 15. The continuing Directors may act notwithstanding any vacancy in their body, provided that if the number of the Directors is reduced below the prescribed minimum the remaining Director or Directors shall appoint forthwith an additional Director or additional Directors to make up such minimum or shall convene a general meeting of the Company for the purpose of making such appointment. If, at any annual general meeting of the Company, the number of Directors is reduced below the prescribed minimum due to the failure of any Directors to be re-elected, then in those circumstances, the two Directors which receive the highest number of votes in favour of re-election shall be re-elected and shall remain Directors until such time as additional Directors have been appointed to replace them as Directors. If, at any annual general meeting of the Company, the number of Directors is reduced below the prescribed minimum in any circumstances where one Director is re-elected, then that Director shall hold office until the next annual general meeting and the Director which (excluding the re-elected Director) receives the highest number of votes in favour of re-election shall be re-elected and shall remain a Director until such time as one or more additional Directors have been appointed to replace him or her. If there are no Director or Directors able or willing to act then any two members may summon a general meeting for the purpose of appointing Directors. Any additional Director so appointed shall hold office (subject to the provisions of the Acts and these articles) only until the conclusion of the annual general meeting of the Company next following such appointment unless he is re-elected during such meeting.

82. Each Director shall be paid a fee for their services at such rate as may from time to time be determined by the Board. The Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings of the Company or in connection with the business of the Company.

83. If any Director shall be called upon to perform extra services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, the Company may remunerate such Director either by a fixed sum or by a percentage of profits or otherwise as may be determined by a resolution passed at a meeting of the Directors and such remuneration may be either in addition to or in substitution for any other remuneration to which he may be entitled as a Director.

84. A Director (whether or not a member of the Company) shall be entitled to attend and speak at general meetings.

85. Unless the Company otherwise directs, a Director of the Company may be or become a Director or other officer of, or otherwise interested in, any company promoted by the Company or in which the Company may be interested as Holder or otherwise, and no such Director shall be accountable to the Company for any remuneration or other benefits received by him as a Director or officer of, or from his interest in, such other company.

BORROWING POWERS

86. Subject to the Act, the Directors may exercise all the powers of the Company to borrow or raise money, and to mortgage or charge its undertaking, property, assets and uncalled capital or any part thereof and to issue debentures, debenture stock and other securities whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party, without any limitation as to amount.

POWERS AND DUTIES OF THE DIRECTORS

87. The business of the Company shall be managed by the Directors, who may pay all expenses incurred in promoting and registering the Company and may exercise all such powers of the Company as are not, by the Acts or by these articles, required to be exercised by the Company in general meeting, subject, nevertheless, to any of these articles and to the provisions of the Acts.

88. The Directors may from time to time and at any time by power of attorney appoint any company, firm or person or body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these articles) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit, and may also authorise any such attorney to delegate all or any of the powers, authorities and discretions vested in him.

89. The Company may exercise the powers conferred by the Act with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

90.

(a) Each Director is expressly permitted (for the purposes of Section 228(1)(d) of the Act) to use vehicles, telephones, computers, accommodation and any other Company property as may be specified by the directors where such use is approved by the Board or by any person so authorised by the Board or as permitted by their terms of employment or appointment.

(b) A Director who is in any way, whether directly or indirectly, interested in a contract or proposed contract with the Company shall declare the nature of his interest at a meeting of the Directors in accordance with the Act.

(c) As recognised by section 228(1)(e) of the Companies Act, the Directors may agree to restrict their power to exercise an independent judgement but only where this has been approved by a resolution of the Board of the Company.

91. Save as otherwise provided by these articles, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the Company. A Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.

(a) A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolutions concerning any of the following matters, namely:

(i) the giving of any security, guarantee or indemnity to him in respect of money lent by him to the Company or any of its subsidiary or associated companies or obligations incurred by him or by any other person at the request of or for the benefit of the Company or any of its subsidiary or associated companies;

(ii) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiary or associated companies for which he himself has assumed responsibility in whole or in part and whether alone or jointly with others under a guarantee or indemnity or by the giving of security;

(iii) any proposal concerning any offer of shares or debentures or other securities of or by the Company or any of its subsidiary or associated companies for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof;

(iv) any proposal concerning any other company in which he is interested, directly or indirectly and whether as an officer or member or otherwise howsoever, provided that he is not the Holder of or beneficially interested in 1% or more of the issued shares of any class of such company or of the voting rights available to members of such company (or of a third company through which his interest is derived) (any such interest being deemed for the purposes of this article to be a material interest in all circumstances);

(v) any proposal concerning the adoption, modification or operation of a superannuation fund or retirement benefits scheme under which he may benefit and which has been approved by or is subject to and conditional upon approval for taxation purposes by the appropriate Revenue authorities;

(vi) any proposal concerning the adoption, modification or operation of any scheme for enabling employees (including full time executive Directors) of the Company and/or any subsidiary thereof to acquire shares in the Company or any arrangement for the benefit of employees of the Company or any of its subsidiaries under which the Director benefits or may benefit; or

(vii) any proposal concerning the giving of any indemnity pursuant to article 143(a) or the discharge of the cost of any insurance coverage purchased or maintained pursuant to article 97 and article 143(b).

(b) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employments with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not debarred from voting under sub-paragraph (a)(iv) of this article) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment,

(c) If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the Chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive. In relation to the Chairman, such question may be resolved by a resolution of a majority of the Directors (other than the Chairman) present at the meeting at which the question first arises.

(d) For the purposes of this article, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director.

(e) The Company by Ordinary Resolution may suspend or relax the provisions of this article to any extent or ratify any transaction not duly authorised by reason of a contravention of this article.

92. A Director may hold and be remunerated in respect of any other office or place of profit under the Company or any other company in which the Company may be interested (other than the office of auditor of the Company or any subsidiary thereof) in conjunction with his office of Director for such period and on such terms as to remuneration and otherwise as the Directors may determine, and no Director or intending Director shall be disqualified by his office from contracting or being interested, directly or indirectly, in any contract or arrangement with the Company or any such other company either with regard to his tenure of any such other office or place of profit or as vendor, purchaser or otherwise nor shall any Director so contracting or being so interested be liable to account to the Company for any profits and advantages accruing to him from any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.

93. The Directors may exercise the voting powers conferred by shares of any other company held or owned by the Company in such manner in all respects as they think fit and in particular they may exercise their voting powers in favour of any resolution appointing the Directors or any of them as Directors or officers of such other company or providing for the payment of remuneration or pensions to the Directors or officers of such other company.

94. Any Director may act by himself or his firm in a professional capacity for the Company, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, but nothing herein contained shall authorise a Director or his firm to act as auditor to the Company.

95. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for money paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, by such person or persons and in such manner as the Directors shall from time to time by resolution determine.

96. The Directors shall cause minutes to be made in books provided for the purpose:

(a) of all appointments of officers made by the Directors;

(b) of the names of the Directors present at each meeting of the Directors and of any committee of the Directors; and

(c) of all resolutions and proceedings at all meetings of the Company and of the Directors and of committees of Directors.

97. The Directors may procure the establishment and maintenance of or participate in, or contribute to any non-contributory or contributory pension or superannuation fund, scheme or arrangement or life assurance scheme or arrangement for the benefit of, and pay, provide for or procure the grant of donations, gratuities, pensions, allowances, benefits or emoluments to any persons (including Directors or other officers) who are or shall have been at any time in the employment or service of the Company or of any company which is or was a subsidiary of the Company or of the predecessor in business of the Company or any such subsidiary or holding Company and the wives, widows, families, relatives or dependants of any such persons. The Directors may also procure the establishment and subsidy of or subscription to and support of any institutions, associations, clubs, funds or trusts calculated to be for the benefit of any such persons as aforesaid or otherwise to advance the interests and well being of the Company or of any such other Company as aforesaid, or its members, and payments for or towards the insurance of any such persons as aforesaid and subscriptions or guarantees of money for charitable or benevolent objects or for any exhibition or for any public, general or useful object. Provided that any Director shall be entitled to retain any benefit received by him under this article, subject only, where the Acts require, to disclosure to the members and the approval of the Company in general meeting.

DISQUALIFICATION OF DIRECTORS

98. The office of a Director shall be vacated ipso facto if the Director:

(a) is restricted or disqualified to act as a Director under the Acts; or

(b) resigns his office by notice in writing to the Company or in writing offers to resign and the Directors resolve to accept such offer; or

(c) is removed from office under article 103.

APPOINTMENT, ROTATION AND REMOVAL OF DIRECTORS

99. At every annual general meeting of the Company, all of the Directors shall retire from office unless re-elected by Ordinary Resolution at the annual general meeting. A Director retiring at a meeting shall retain office until the close or adjournment of the meeting.

100. Every Director shall be eligible to stand for re-election at an annual general meeting.

101. If a Director offers himself for re-election, he shall be deemed to have been re-elected, unless at such meeting the Ordinary Resolution for the re-election of such Director has been defeated.

102. The Company may from time to time by Special Resolution increase or reduce the maximum number of Directors.

103. The Company may, by Ordinary Resolution, of which notice has been given in accordance with the Act, remove any Director before the expiration of his period of office notwithstanding anything in these articles or in any agreement between the Company and such Director. Such removal shall be without prejudice to any claim such Director may have for damages for breach of any contract of service between him and the Company.

104. The Company may, by Ordinary Resolution, appoint another person in place of a Director removed from office under article 103 and without prejudice to the powers of the Directors under article 81 the Company in general meeting by Ordinary Resolution may appoint any person to be a Director either to fill a casual vacancy or as an additional Director, subject to the maximum number of Directors set out in article 81.

105. The Directors may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director, provided that the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with these articles as the maximum number of Directors. A Director so appointed shall hold office only until the next following annual general meeting. If not re-appointed at such annual general meeting, such Director shall vacate office at the conclusion thereof. The Directors are not entitled to appoint alternate directors.

106. The Directors may appoint any person to fill the following positions:

(a) Secretary (including more than one Secretary to act as joint secretary):

It shall be the duty of the Secretary to make and keep records of the votes, doings and proceedings of all meetings of the members and Board of the Company, and of its committees, and to authenticate records of the Company. The Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit; and any Secretary so appointed may be removed by them.

A provision of the Acts or these articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in place of, the Secretary.

The Secretary may delegate any of his functions to such one or more persons (including individuals, bodies corporate or firms) as may be nominated by the Secretary from time to time.

(b) Assistant Secretaries:

The Assistant Secretaries shall have such duties as the Secretary shall determine.

In addition to the Board's power to delegate to committees pursuant to article 111, the Board may delegate any of its powers to any individual Director or member of the management of the Company or any of its subsidiaries as it sees fit; any such individual shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on them by the Board. The Board shall also have the power to appoint and remove officers of the Company including, but not limited to, chief executive officer, president, vice president, treasurer, controller and assistant treasurer.

PROCEEDINGS OF DIRECTORS

107. (a) The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they may think fit. The quorum necessary for the transaction of the business of the Directors shall be a majority of the Directors in office at the time when the meeting is convened. Questions arising at any meeting shall be decided by a majority of votes. Each director present and voting shall have one vote.

(b) Any Director may participate in a meeting of the Directors by means of telephonic or other such communication whereby all persons participating in the meeting can hear each other speak, and participation in a meeting in this manner shall be deemed to constitute presence in person at such meeting and any director may be situated in any part of the world for any such meeting.

108. The Chairman or any four Directors may, and the Secretary on the requisition of the Chairman or any four Directors shall, at any time summon a meeting of the Directors.

109. The continuing Directors may act notwithstanding any vacancy in their number but, if and so long as their number is reduced below the number fixed by or pursuant to these articles as the minimum number of Directors, the continuing Directors or Director may act for the purpose of increasing the number of Directors to that number or of summoning a general meeting of the Company but for no other purpose.

110. The Directors may elect a Chairman of their meetings and determine the period for which he is to hold office. Any Director may be elected no matter by whom he was appointed but if no such Chairman is elected, or if at any meeting the Chairman is not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be Chairman of the meeting.

111. The Board may from time to time designate committees of the Board, with such powers and duties as the Board may decide to confer on such committees, and shall, for those committees and any others provided for herein, elect a director or directors to serve as the member or members, designating, if it desires, other directors as alternate members who may replace any absent or disqualified member at any meeting of the committee. Adequate provision shall be made for notice to members of all meetings; a majority of the members shall constitute a quorum unless the committee shall consist of one or two members, in which event one member shall constitute a quorum; and all matters shall be determined by a majority vote of the members present. Action may be taken by any committee without a meeting if all members thereof consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of such committees.

112. A committee may elect a chairman of its meeting. If no such chairman is elected, or if at any meeting the chairman is not present within five minutes after the time appointed for holding the same, the members present may choose one of their number to be chairman of the meeting.

113. All acts done by any meeting of the Directors or of a committee of Directors or by any person acting as a Director shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

114. Notwithstanding anything in these articles or in the Acts which might be construed as providing to the contrary, notice of every meeting of the Directors shall be given to all Directors either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone, email, or any other electronic means on not less than twenty-four (24) hours' notice, or on such shorter notice as person or persons calling such meeting may deem necessary or appropriate and which is reasonable in the circumstances. Any director may waive any notice required to be given under these articles, and the attendance of a director at a meeting shall be deemed to be a waiver by such Director.

115. A resolution or other document in writing (in electronic form or otherwise) signed (whether by electronic signature, advanced electronic signature or otherwise as approved by the Directors) by all the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors shall be as valid as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of several documents in the like form each signed by one or more Directors, and such resolution or other document or documents when duly signed may be delivered or transmitted (unless the Directors shall otherwise determine either generally or in any specific case) by facsimile transmission, electronic mail or some other similar means of transmitting the contents of documents.

THE SEAL

116. (a) The Directors shall ensure that the Seal (including any official securities seal kept pursuant to the Acts) shall be used only by the authority of the Directors or of a committee authorised by the Directors and that every instrument to which the seal shall be affixed shall be signed by a Director or some other person appointed by the Directors for that purpose.

(b) The Company may exercise the powers conferred by the Acts with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

DIVIDENDS AND RESERVES

117. The Company in general meeting may declare dividends, but no dividends shall exceed the amount recommended by the Directors.

118. The Directors may from time to time pay to the members such interim dividends as appear to the Directors to be justified by the profits of the Company.

119. No dividend or interim dividend shall be paid otherwise than in accordance with the provisions of the Act.

120. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sums as they think proper as a reserve or reserves which shall, at the discretion of the Directors, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may at the like discretion either be employed in the business of the Company or be invested in such investments as the Directors may lawfully determine. The Directors may also, without placing the same to reserve, carry forward any profits which they may think it prudent not to divide.

121. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid. All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date, such share shall rank for dividend accordingly.

122. The Directors may deduct from any dividend payable to any member all sums of money (if any) immediately payable by him to the Company in relation to the shares of the Company.

123. Any general meeting declaring a dividend or bonus and any resolution of the Directors declaring an interim dividend may direct payment of such dividend or bonus or interim dividend wholly or partly by the distribution of specific assets and in particular of paid up shares, debentures or debenture stocks of any other company or in any one or more of such ways, and the Directors shall give effect to such resolution, and where any difficulty arises in regard to such distribution, the Directors may settle the same as they think expedient, and in particular may fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any members upon the footing of the value so fixed, in order to adjust the rights of all the parties, and may vest any such specific assets in trustees as may seem expedient to the Directors.

124. Any dividend or other moneys payable in respect of any share may be paid by cheque or warrant sent by post, at the risk of the person or persons entitled thereto, to the registered address of the Holder or, where there are joint Holders, to the registered address of that one of the joint Holders who is first named on the members Register or to such person and to such address as the Holder or joint Holders may in writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent and payment of the cheque or warrant shall be a good discharge to the Company. Any joint Holder or other person jointly entitled to a share as aforesaid may give receipts for any dividend or other moneys payable in respect of the share. Any such dividend or other distribution may also be paid by any other method (including payment in a currency other than US$, electronic funds transfer, direct debit, bank transfer or by means of a relevant system) which the Directors consider appropriate and any member who elects for such method of payment shall be deemed to have accepted all of the risks inherent therein. The debiting of the Company's account in respect of the relevant amount shall be evidence of good discharge of the Company's obligations in respect of any payment made by any such methods.

125. No dividend shall bear interest against the Company.

126. If the Directors so resolve, any dividend which has remained unclaimed for twelve years from the date of its declaration shall be forfeited and cease to remain owing by the Company. The payment by the Directors of any unclaimed dividend or other moneys payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

ACCOUNTS

127. (a) The Company shall cause to be kept adequate accounting records, whether in the form of documents, electronic form or otherwise, that:

(i) correctly record and explain the transactions of the Company;

(ii) will enable, at any time, the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy;

(iii) will enable the Directors to ensure that any financial statements of the Company comply with the requirements of the Acts; and

(iv) will enable those financial statements of the Company to be readily and properly audited.

Accounting records shall be kept on a continuous and consistent basis and entries therein shall be made in a timely manner and be consistent from year to year. Adequate accounting records shall be deemed to have been maintained if they comply with the provisions of the Act and explain the Company's transactions and facilitate the preparation of financial statements that give a true and fair view of the assets, liabilities, financial position and profit and loss of the Company and, if relevant, the Group and include any information and returns referred to in section 283(2) of the Act.

The Company may send by post, electronic mail or any other means of electronic communication a summary financial statement to its members or persons nominated by any member. The Company may meet, but shall be under no obligation to meet, any request from any of its members to be sent additional copies of its full report and accounts or summary financial statement or other communications with its members provided that, where the Directors elect to send summary financial statements to the members, any member may require that he be sent a copy of the statutory financial statements of the Company.

(b) The accounting records shall be kept at the Office or, subject to the provisions of the Acts, at such other place as the Directors think fit and shall be open at all reasonable times to the inspection of the Directors.

(c) In accordance with the provisions of the Acts, the Directors shall cause to be prepared and to be laid before the annual general meeting of the Company from time to time such statutory financial statements and reports as are required by the Acts to be prepared and laid before such meeting.

(d) A copy of every statutory financial statement of the Company (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the Directors' report, or summary financial statements prepared in accordance with section 1119 of the Act, and Auditors' report shall be sent by post, electronic mail or any other means of communication (electronic or otherwise), not less than 21 Clear Days before the date of the annual general meeting, to every person entitled under the provisions of the Acts to receive them; provided that in the case of those documents sent by electronic mail or any other means of electronic communication, such documents shall be sent with the consent of the recipient, to the address of the recipient notified to the Company by the recipient for such purposes.

128. The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of members, not being Directors, and no member (not being a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by the Acts or authorised by the Directors or by the Company in general meeting. No member shall be entitled to require discovery of or any information respecting any detail of the Company's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Directors it would be inexpedient in the interests of the members of the Company to communicate to the public.

CAPITALISATION OF PROFITS

129. Without prejudice to any powers conferred on the Directors as aforesaid and subject to the Directors' authority to issue and allot shares under articles 8(c) and 8(d), the Directors may resolve to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including any capital redemption reserve fund, share premium account, any undenomiated capital, any sum representing unrealised revaluation reserves or other reserve account not available for distribution) or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those members of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions). Whenever such a resolution is passed in pursuance of this article, the Directors shall make all appropriations and applications of the amounts resolved to be capitalised thereby and all allotments and issues of fully paid shares or debentures, if any. Any such capitalisation will not require approval or ratification by the members of the Company.

130. Without prejudice to any powers conferred on the Directors by these articles, and subject to the Directors' authority to issue and allot shares under articles 8(c) and 8(d), the Directors may resolve that any sum for the time being standing to the credit of any of the Company's reserve accounts (including any reserve account available for distribution) or to the credit of the profit and loss account be capitalised and applied on behalf of the members who would have been entitled to receive that sum if it had been distributed by way of dividend (and in the same proportions) either in or towards paying up amounts for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to the sum capitalised (such shares or debentures to be allotted and distributed and credited as fully paid up to and amongst such Holders in the proportions aforesaid) or partly in one way and partly in another, so, however, that the only purposes for which sums standing to the credit of the capital redemption reserve fund or the share premium account or any undenominated capital shall be applied shall be those permitted by the Acts.

131. The Directors may from time to time at their discretion, subject to the provisions of the Acts and, in particular, to their being duly authorised pursuant to Section 1021 of the Act, to allot the relevant shares, offer to the Holders of Ordinary Shares the right to elect to receive in lieu of any dividend or proposed dividend or part thereof an allotment of additional Ordinary Shares credited as fully paid. In any such case the following provisions shall apply.

    (i) The basis of allotment shall be determined by the Directors so that, as nearly as may be considered convenient in the Directors' absolute discretion, the value (calculated by reference to the average quotation) of the additional Ordinary Shares (excluding any fractional entitlement) to be allotted in lieu of any amount of dividend shall equal such amount. For such purpose the "average quotation" of an Ordinary Share shall be the average of the five amounts resulting from determining whichever of the following ((A), (B) or (C) specified below) in respect of Ordinary Shares shall be appropriate for each of the first five business days on which Ordinary Shares are quoted "ex" the relevant dividend and as determined from the information published by the New York Stock Exchange reporting the business done on each of these five business days:

(A) if there shall be more than one dealing reported for the day, the average of the prices at which such dealings took place; or

(B) if there shall be only one dealing reported for the day, the price at which such dealing took place; or

(C) if there shall not be any dealing reported for the day, the average of the closing bid and offer prices for the day;

and if there shall be only a bid (but not an offer) or an offer (but not a bid) price reported, or if there shall not be any bid or offer price reported, for any particular day then that day shall not count as one of the said five business days for the purposes of determining the average quotation. If the means of providing the foregoing information as to dealings and prices by reference to which the average quotation is to be determined is altered or is replaced by some other means, then the average quotation shall be determined on the basis of the equivalent information published by the relevant authority in relation to dealings on the New York Stock Exchange or its equivalent.

(ii) The Directors shall give notice in writing (whether in electronic form or otherwise) to the Holders of Ordinary Shares of the right of election offered to them and shall send with or following such notice forms of election and specify the procedure to be followed and the place at which, and the latest date and time by which, duly completed forms of election must be lodged in order to be effective. The Directors may also issue forms under which Holders may elect in advance to receive new Ordinary Shares instead of dividends in respect of future dividends not yet declared (and, therefore, in respect of which the basis of allotment shall not yet have been determined).

(iii) The dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on Ordinary Shares in respect of which the right of election as aforesaid has been duly exercised (the "Subject Ordinary Shares") and in lieu thereof additional Ordinary Shares (but not any fraction of a share) shall be allotted to the Holders of the Subject Ordinary Shares on the basis of allotment determined aforesaid and for such purpose the Directors shall capitalise, out of such of the sums standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account) or to the credit of the profit and loss account as the Directors may determine, a sum equal to the aggregate nominal amount of additional Ordinary Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of unissued Ordinary Shares for allotment and distribution to and amongst the holders of the Subject Ordinary Shares on such basis.

132. (a) The additional Ordinary Shares allotted pursuant to articles 129, 130 or 131 shall rank pari passu in all respects with the fully paid Ordinary Shares then in issue save only as regards participation in the relevant dividend or share election in lieu.

(b) The Directors may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to articles 129, 130 or 131 with full power to the Directors to make such provisions as they think fit where shares would otherwise have been distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are disregarded and the benefit of fractional entitlements accrues to the Company rather than to the holders concerned). The Directors may authorise any person to enter on behalf of all the Holders interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

(c) The Directors may on any occasion determine that rights of election shall not be offered to any Holders of Ordinary Shares who are citizens or residents of any territory where the making or publication of an offer of rights of election or any exercise of rights of election or any purported acceptance of the same would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

AUDIT

133. Auditors shall be appointed and their duties regulated in accordance with the Act or any statutory amendment thereof.

NOTICES

134. Any notice to be given, served, sent or delivered pursuant to these articles shall be in writing (whether in electronic form or otherwise).

135. (a) A notice or document to be given, served, sent or delivered in pursuance of these articles may be given to, served on or delivered to any member by the Company;

(i) by handing same to him or his authorised agent;

(ii) by leaving the same at his registered address;

(iii) by sending the same by the post in a pre-paid cover addressed to him at his registered address; or

(iv) by sending, with the consent of the member, the same by means of electronic mail or other means of electronic communication approved by the Directors, with the consent of the member, to the address of the member notified to the Company by the member for such purpose (or if not so notified, then to the address of the member last known to the Company) and this article 135(a)(iv) constitutes permission of the use of electronic means within the meaning of 218(3)(d) of the Act.

(b) For the purposes of these articles and the Act, a document shall be deemed to have been sent to a member if a notice is given, served, sent or delivered to the member and the notice specifies the website or hotlink or other electronic link at or through which the member may obtain a copy of the relevant document.

(c) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(i) or (ii) of this article, the giving, service or delivery thereof shall be deemed to have been effected at the time the same was handed to the member or his authorised agent, or left at his registered address (as the case may be).

(d) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(iii) of this article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of twenty-four hours after the cover containing it was posted. In proving service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.

(e) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(iv) of this article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of 48 hours after despatch.

(f) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy, examiner or liquidator of a member shall be bound by a notice given as aforesaid if sent to the last registered address of such member, or, in the event of notice given or delivered pursuant to sub-paragraph (a)(iv), if sent to the address notified by the Company by the member for such purpose notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such member.

(g) Notwithstanding anything contained in this article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than Ireland.

(h) Any requirement in these articles for the consent of a member in regard to the receipt by such member of electronic mail or other means of electronic communications approved by the Directors, including the receipt of the Company's audited accounts and the directors' and auditor's reports thereon, shall be deemed to have been satisfied where the Company has written to the member informing him/her of its intention to use electronic communications for such purposes and the member has not, within four weeks of the issue of such notice, served an objection in writing on the Company to such proposal. Where a member has given, or is deemed to have given, his/her consent to the receipt by such member of electronic mail or other means of electronic communications approved by the Directors, he/she may revoke such consent at any time by requesting the Company to communicate with him/her in documented form; provided, however, that such revocation shall not take effect until five days after written notice of the revocation is received by the Company.

(i) Without prejudice to the provisions of sub-paragraphs (a)(i) and (ii) of this article, if at any time by reason of the suspension or curtailment of postal services in any territory, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a public announcement and such notice shall be deemed to have been duly served on all members entitled thereto at noon on the day on which the said public announcement is made. In any such case the Company shall put a full copy of the notice of the general meeting on its website.

136. A notice may be given by the Company to the joint Holders of a share by giving the notice to the joint Holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint Holders.

137. (a) Every person who becomes entitled to a share shall before his name is entered in the Register in respect of the share, be bound by any notice in respect of that share which has been duly given to a person from whom he derives his title.

(b) A notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a member by sending or delivering it, in any manner authorised by these articles for the giving of notice to a member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

138. The signature (whether electronic signature, an advanced electronic signature or otherwise) to any notice to be given by the Company may be written (in electronic form or otherwise) or printed.

139. A member present, either in person or by proxy, at any meeting of the Company or the Holders of any class of shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

WINDING UP

140. If the Company shall be wound up and the assets available for distribution among the members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares held by them respectively. And if in a winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Provided that this article shall not affect the rights of the Holders of shares issued upon special terms and conditions.

141. (a) In case of a sale by the liquidator under the Act, the liquidator may by the contract of sale agree so as to bind all the members for the allotment to the members directly of the proceeds of sale in proportion to their respective interests in the Company and may further by the contract limit a time at the expiration of which obligations or shares not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting members conferred by the said section.

(b) The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

142. If the Company is wound up, the liquidator, with the sanction of a Special Resolution and any other sanction required by the Acts, may divide among the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

INDEMNITY

143. (a) Subject to the provisions of and so far as may be admitted by the Acts, every Director and the Secretary of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgement is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.

(b) The Directors shall have power to purchase and maintain for any Director, the Secretary or other employees of the Company insurance against any such liability as referred to in the Act.

(c) As far as is permissible under the Acts, the Company shall indemnify any current or former executive officer of the Company (excluding any present or former Directors of the Company or Secretary of the Company), or any person who is serving or has served at the request of the Company as a director or executive officer of another company, joint venture, trust or other enterprise, including any Company subsidiary (each individually, a "Covered Person"), against any expenses, including attorney's fees, judgements, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, to which he or she was or is threatened to be made a party, or is otherwise involved (a "proceeding"), by reason of the fact that he or she is or was a Covered Person; provided, however, that this provision shall not indemnify any Covered Person against any liability arising out of (a) any fraud or dishonesty in the performance of such Covered Person's duty to the Company, or (b) such Covered Party's conscious, intentional or wilful breach of the obligation to act honestly and in good faith with a view to the best interests of the Company. Notwithstanding the preceding sentence, this section shall not extend to any matter which would render it void pursuant to the Acts or to any person holding the office of auditor in relation to the Company.

(d) In the case of any threatened, pending or completed action, suit or proceeding by or in the name of the Company, the Company shall indemnify each Covered Person against expenses, including attorneys' fees, actually and reasonably incurred in connection with the defence or the settlement thereof, except no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for fraud or dishonesty in the performance of his or her duty to the Company, or for conscious, intentional or wilful breach of his or her obligation to act honestly and in good faith with a view to the best interests of the Company, unless and only to the extent that the High Court of Ireland or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all the circumstances of the case, such Covered Person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper. Notwithstanding the preceding sentence, this section shall not extend to any matter which would render it void pursuant to the Acts or to any person holding the office of auditor in relation to the Company.

(e) Any indemnification under this article (unless ordered by a court) shall be made by the Company only as authorised in the specific case upon a determination that indemnification of the Covered Person is proper in the circumstances because such person has met the applicable standard of conduct set forth in this article. Such determination shall be made by any person or persons having the authority to act on the matter on behalf of the Company. To the extent, however, that any Covered Person has been successful on the merits or otherwise in defence of any proceeding, or in defence of any claim, issue or matter therein, such Covered Person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without necessity of authorisation in the specific case.

(f) As far as permissible under the Acts, expenses, including attorneys' fees, incurred in defending any proceeding for which indemnification is permitted pursuant to this article shall be paid by the Company in advance of the final disposition of such proceeding upon receipt by the Board of an undertaking by the particular indemnitee to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Company pursuant to these articles.

(g) It being the policy of the Company that indemnification of the persons specified in this article shall be made to the fullest extent permitted by law, the indemnification provided by this article shall not be deemed exclusive (a) of any other rights to which those seeking indemnification or advancement of expenses may be entitled under these articles, any agreement, any insurance purchased by the Company, vote of members or disinterested directors, or pursuant to the direction (however embodied) of any court of competent jurisdiction, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, or (b) of the power of the Company to indemnify any person who is or was an employee or agent of the Company or of another company, joint venture, trust or other enterprise which he or she is serving or has served at the request of the Company, to the same extent and in the same situations and subject to the same determinations as are hereinabove set forth. As used in this article, references to the "Company" include all constituent companies in a scheme of arrangement, consolidation or merger in which the Company or a predecessor to the Company by scheme of arrangement, consolidation or merger was involved. The indemnification provided by this article shall continue as to a person who has ceased to be a Covered Person and shall inure to the benefit of their heirs, executors, and administrators.

UNTRACED HOLDERS

144. (a) The Company shall be entitled to sell at the best price reasonably obtainable any share or stock of a member or any share or stock to which a person is entitled by transmission if and provided that:

(i) for a period of twelve years (not less than three dividends having been declared and paid) no cheque or warrant sent by the Company through the post in a prepaid letter addressed to the member or to the person entitled by transmission to the share or stock at his address on the Register or other last known address given by the member or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the member or the person entitled by transmission; and

(ii) at the expiration of the said period of twelve years the Company has given notice by advertisement in a leading Dublin newspaper and a newspaper circulating in the area in which the address referred to in paragraph (a) of this article is located of its intention to sell such share or stock; and

(iii) the Company has not during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale received any communication from the member or person entitled by transmission.

(b) To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share or stock and such instrument of transfer shall be as effective as if it had been executed by the registered Holder of or person entitled by transmission to such share or stock. The Company shall account to the member or other person entitled to such share or stock for the net proceeds of

such sale by carrying all monies in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such member or other person. Monies carried to such separate account may either be employed in the business of the Company or invested in such investments (other than shares of the Company or its holding company if any) as the Directors may from time to time think fit.

(c) To the extent necessary in order to comply with any laws or regulations to which the Company is subject in relation to escheatment, abandonment of property or other similar or analogous laws or regulations ("Applicable Escheatment Laws"), the Company may deal with any share of any member and any unclaimed cash payments relating to such share in any manner which it sees fit, including (but not limited to) transferring or selling such share and transferring to third parties any unclaimed cash payments relating to such share.

(d) The Company may only exercise the powers granted to it in sub-paragraph (a) above in circumstances where it has complied with, or procured compliance with, the required procedures (as set out in the Applicable Escheatment Laws) with respect to attempting to identify and locate the relevant member of the Company.

(e) Any stock transfer form to be executed by the Company in order to sell or transfer a share pursuant to sub-paragraph (a) may be executed in accordance with article 16(a).

DESTRUCTION OF DOCUMENTS

145. The Company may implement such document destruction policies as it so chooses in relation to any type of documents (whether in paper, electronic or other formats), and in particular (without limitation to the foregoing) may destroy:

(a) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address, at any time after the expiry of two years from the date such mandate variation, cancellation or notification was recorded by the Company;

(b) any instrument of transfer of shares which has been registered, at any time after the expiry of six years from the date of registration; and

(c) any other document on the basis of which any entry in the Register was made, at any time after the expiry of six years from the date an entry in the Register was first made in respect of it,

and it shall be presumed conclusively in favour of the Company that every share certificate (if any) so destroyed was a valid certificate duly and properly sealed and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided always that:

(i) the foregoing provisions of this article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;

(ii) nothing contained in this article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (a) above are not fulfilled; and

(iii) references in this article to the destruction of any document include references to its disposal in any manner.

SALE, LEASE OR EXCHANGE OF ASSETS

146. The Directors are hereby expressly authorised to sell, lease or exchange all or substantially all of the Company's property and assets, including the Company's goodwill and its corporate franchises, upon such terms and conditions and for such consideration, which may consist in whole or in part of money or other property, including shares of stock in, and/or other securities of, any other company or companies, as the Directors deem expedient and for the best interests of the Company subject to authorisation by an Ordinary Resolution of members and any additional vote required by article 151. Notwithstanding authorisation or consent to a proposed sale, lease or exchange of the Company's property and assets by the members, the Board may abandon such sale, lease or exchange without further action of the members, subject to the rights, if any, of third parties under any contract relating thereto. Notwithstanding the foregoing, no resolution adopted by the members shall be required for a sale, lease or exchange of property and assets of the Company to a subsidiary. For the purposes of this article 146:

(a) the property and assets of the Company include the property and assets of any subsidiary of the Company; and

(b) "subsidiary" means any entity wholly owned and controlled, directly or indirectly, by the Company and includes, without limitation, companies, partnerships, limited partnerships, limited liability partnerships, limited liability companies, and/or statutory trusts.

SHAREHOLDER RIGHTS PLAN

147. Subject to applicable law, the Directors are hereby expressly authorised to adopt any shareholder rights plan (a "**Rights Plan**"), upon such terms and conditions as the Directors deem expedient and in the best interests of the Company, including, without limitation, where the Directors are of the opinion that a Rights Plan could grant them additional time to gather relevant information or pursue strategies in response to or anticipation of, or could prevent, a potential change of control of the Company or accumulation of shares in the Company or interests therein.

148. The Directors may exercise any power of the Company to grant rights (including approving the execution of any documents relating to the grant of such rights) to subscribe for ordinary shares or preferred shares in the share capital of the Company ("**Rights**") in accordance with the terms of a Rights Plan.

149. For the purposes of effecting an exchange of Rights for ordinary shares or preferred shares in the share capital of the Company (an "**Exchange**"), the Directors may:

(a) resolve to capitalise an amount standing to the credit of the reserves of the Company (including, but not limited to, the share premium account, capital redemption reserve and profit and loss account), whether or not available for distribution, being an amount equal to the nominal value of the ordinary shares or preferred shares which are to be exchanged for the Rights; and

(b) apply that sum in paying up in full ordinary shares or preferred shares and allot such shares, credited as fully paid, to those holders of Rights who are entitled to them under an Exchange effected pursuant to the terms of a Rights Plan.

150. The common law duties of the Directors to the Company are hereby deemed amended and modified such that the adoption of a Rights Plan and any actions taken thereunder by the Directors (if so approved by the Directors) shall be deemed to constitute an action in the best interests of the Company in all circumstances, and any such action shall be deemed to be immediately confirmed, approved and ratified.

WARRANT AGREEMENT

This Warrant Agreement (this "Agreement"), is entered into as of June 16, 2022, between Mallinckrodt plc, public limited company incorporated in Ireland having registered number 522227 (the "Company") and Computershare Inc., a Delaware corporation, ("Computershare") and its affiliate, Computershare Trust Company, N.A., a federally chartered trust company, as warrant agent (collectively, the "Warrant Agent"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in Section 30.

RECITALS

WHEREAS, on October 12, 2020, the Company and its affiliated debtors and debtors in possession (collectively, the "Debtors") filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), Case No. 20-12522 (Jointly Administered);

WHEREAS, on February 18, 2022, the Debtors filed their *Fourth Amended Joint Plan Of Reorganization (With Technical Modifications) Of Mallinckrodt Plc And Its Debtor Affiliates Under Chapter 11 Of The Bankruptcy Code* [Docket No. 6510] (as may be modified, amended, or supplemented, the "Plan");

WHEREAS, on March 2, 2022, the Bankruptcy Court entered an order confirming the Plan;

WHEREAS, the Debtors emerged from their chapter 11 cases on the date first written above (the "Effective Date");

WHEREAS, the Plan provides, among other things, that on the Effective Date, (i) the Company will issue and cause to be delivered 3,290,675 warrants (the "Warrants") to MNK Opioid Abatement Fund, LLC, a Delaware limited liability company (the "Initial Holder") which, on the date hereof, is wholly owned by the master disbursement trust referred to in the Plan as *Opioid MDT II* (the "Opioid Trust"), each of which Warrants will, subject to Section 20 hereof, initially entitle the Holder thereof to subscribe for one ordinary share, nominal value $0.01 per share (the "Ordinary Shares"), of the Company, and (ii) the Warrants will be issued pursuant to and on the terms and conditions set forth in this Agreement;

WHEREAS, the Warrant Agent has agreed to act as the agent of the Company in connection with the issuance, registration, transfer, exchange and exercise of the Warrants on the terms and conditions set forth in this Agreement; and

WHEREAS, the Warrants are being issued pursuant to, and on the terms and subject to the conditions set forth in, the Plan in reliance on the exemption afforded by Section 1145 of the Bankruptcy Code from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and of any applicable state securities or "blue sky" laws.

NOW, THEREFORE, in consideration of the premises and mutual agreements herein set forth, the parties hereto agree as follows:

SECTION 1. Appointment of the Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company in connection with the issuance, registration, transfer, exchange and exercise of the Warrants in accordance with the express (and no implied) terms and conditions hereinafter set forth in this Agreement and the Warrant Agent hereby accepts such appointment on such terms and subject to such conditions.

SECTION 2. Issuance and Form of Warrants.

(a) On the terms and subject to the conditions of this Agreement, in accordance with the terms of the Plan, the Company shall issue and cause to be delivered 3,290,675 Warrants to the Initial Holder on the date of this Agreement. The Warrants issued by the Company and delivered to the Initial Holder on the date hereof shall be Definitive Warrants and, as such, shall, at the time of delivery be, at the option of the Opioid Trust, either (x) represented by a Warrant Certificate herein or (y) issued by electronic entry registration in the Warrant Register. For the avoidance of doubt, any Definitive Warrants issued under this Agreement but not represented by a Warrant Certificate shall nonetheless be subject to the terms and conditions of such certificate to the same extent as if such Definitive Warrant were represented by such certificate.

(b) At any time after the date, if any, on which both (x) the Warrants are eligible for book-entry transfer via the facilities of The Depository Trust Company (the "Depository") in accordance with the Applicable Procedures and (y) transfers of the Warrants through the clearing and settlement facilities of the Depository qualify for exemption from Irish stamp duty pursuant to Section 90 of the Stamp Duties Consolidation Act, 1999, the Company shall use commercially reasonable efforts to, if it determines that it is commercially reasonable to do so, cause the Warrants to be transferable via the facilities of the Depository in accordance with the Applicable Procedures. At any time and from time to time after the date, if any, on which the Warrants have been caused by the Company to be so transferable (any such date, a "DTC Transferability Commencement Date") and the Company has confirmed the occurrence of such DTC Transferability Commencement Date in writing to the Warrant Agent, any Holder may exchange Definitive Warrants issued hereunder for a beneficial interest in a Global Warrant or transfer such Definitive Warrants to a Person who takes delivery thereof in the form of a beneficial interest in a Global Warrant, all in accordance with the terms and conditions set forth in Section 5(d) hereof, subject to the Person or Persons requesting such initial exchange or transfer thereof having paid to the Company (or the Warrant Agent on its behalf) the amount of all documentary stamp taxes and charges payable in respect of such exchange or transfer or having established to the satisfaction of the Company (acting reasonably) that such exchange or transfer is exempt or subject to a relief from such taxes and charges (which payment or satisfaction must be confirmed in writing by the Company to the Warrant Agent (a "Stamp Tax Confirmation")). On the date that any Warrants are exchanged or transferred as provided in the second sentence of this Section 2(b), the Company will (i) deliver, or cause to be delivered, to the Warrant Agent as custodian for the Depository and registered in the name of Cede & Co. (or any successor nominee of the Depository), as the Depository's nominee, one or more Global Warrants evidencing such Warrants to be issued in accordance with the terms hereof or (ii) otherwise cause the amount of such Warrants represented by Global Warrants to be adjusted pursuant to Section 5(d) below, to reflect such exchange or transfer, in each case in accordance with the Applicable Procedures. If, after any DTC Transferability Commencement Date, transfers of the Warrants through the clearing and settlement facilities of the Depository cease to qualify for exemption from Irish stamp duty pursuant to Section 90 of the Stamp Duties Consolidation Act, 1999 (including, without limitation, as a result of ceasing to be dealt in on any recognized securities exchange in the United States or Canada on which the Warrants were previously dealt in), then, effective immediately prior to the effective time of such cessation of qualification for exemption, all Global Warrants then outstanding shall, automatically and without any further action by the Company or any Holder thereof, be exchanged for Definitive Warrants in the manner set forth in Sections 5(c), 5(g) and 5(h)(9) hereof. For avoidance of doubt, the Company shall have no obligation to cause the Warrants to become eligible for transfers

via the facilities of the Depository, or, if the Warrants become so eligible, to cause the Warrants to become transferable via the facilities of the Depository, and the Warrant Agent shall take no action to cause or permit the Warrants to become so eligible or transferable, except at the written direction of the Company, it being understood that the determination as to whether the Warrants become so eligible and/or transferable will be made by the Company in its sole and absolute discretion.

(c) Each Global Warrant issued pursuant to this Agreement shall represent such number of the outstanding Warrants as specified therein, and shall provide that it shall represent the aggregate amount of outstanding Warrants from time to time endorsed thereon and that the aggregate amount of outstanding Warrants represented thereby may from time to time be decreased or increased, as appropriate, in accordance with the terms of this Agreement. Except as provided in Section 5 hereof, owners of beneficial interests in a Global Warrant will not be entitled to receive Definitive Warrants.

(d) Agent Members shall have no rights under this Agreement with respect to any Global Warrant held on their behalf by the Depository or by the Warrant Agent as the custodian of the Depository or under such Global Warrant except to the extent set forth herein or in a Warrant Certificate, and the Depository may be treated by the Company, the Warrant Agent and any agent of the Company or the Warrant Agent as the absolute owner of such Global Warrant for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall (A) prevent the Company, the Warrant Agent or any agent of the Company or the Warrant Agent from giving effect to any written certification, proxy or other authorization furnished by the Depository or (B) impair, as between the Depository and the Agent Members, the operation of customary practices of the Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Warrant. The rights of beneficial owners in a Global Warrant shall be exercised through the Depository subject to the Applicable Procedures of the Depository except to the extent set forth herein or in a Warrant Certificate.

(e) Each Warrant shall entitle the Holder thereof, upon proper exercise and payment of the exercise price of $103.40 (as the same may be hereafter adjusted pursuant to Section 10 hereof, the "Exercise Price"), to receive from the Company one Ordinary Share (as the same may be hereafter adjusted pursuant to Section 10 hereof, the "Warrant Number"), subject to the ability of the Holders to exercise the Warrants pursuant to a Cashless Exercise as provided in Section 6(d) hereof, *provided, however,* that notwithstanding any adjustment to the Exercise Price or to the ability of a Holder to exercise the Warrants pursuant to a Cashless Exercise, the Exercise Price shall not be less than the nominal (par) value of an Ordinary Share. The Ordinary Shares or (as provided pursuant to Section 10 hereof) securities, cash or other property deliverable upon proper exercise of the Warrants are referred to herein as the "Warrant Shares."

(f) Warrants may bear such legends, insertions, omissions, substitutions and other variations as are required or permitted by this Agreement, and may have such letters, numbers or other marks of identification and legends and endorsements placed thereon as may be required to comply with any law or with any rules made pursuant thereto or with any rules of any securities exchange or as may, in each case, be reasonably determined by an Appropriate Officer (and in the case of book-entry Warrants, any such legends, insertions, omissions, substitutions and other variations may be provided for electronically) (but which do not affect the rights, duties, liabilities or responsibilities of the Warrant Agent).

(g) To the extent the provision of any Warrant Certificate conflicts with the express provisions of this Agreement, the provisions of this Agreement shall govern and be controlling.

SECTION 3. Execution of Warrants by the Company. Each Warrant Certificate shall be signed on behalf of the Company by its Chief Executive Officer, its President, its Chief Financial Officer, its Chief Legal Officer, a Vice President, its Treasurer, an Assistant Treasurer, its Secretary (including any Joint Secretary) or an Assistant Secretary or any individual to whom any of the foregoing have delegated such authority (each, an "Appropriate Officer"). Any such signature upon a Warrant Certificate may be in the form of an electronic transmission of a manual signature or an electronic signature of any such Appropriate Officer and may be imprinted or otherwise reproduced on the Warrant Certificates and for that purpose the Company may adopt and use an electronic signature of any Appropriate Officer. Warrants shall be dated the Effective Date, in the case of Warrants issued pursuant to the Plan on the date hereof, and the date of countersignature by the Warrant Agent, in all other cases.

If any Appropriate Officer who shall have signed a Warrant Certificate shall cease to be an Appropriate Officer before the Warrant Certificate so signed shall have been countersigned by the Warrant Agent, such Warrant Certificate nevertheless may be countersigned and delivered as though such Appropriate Officer had not ceased to be an Appropriate Officer of the Company, and any Warrant Certificate may be signed on behalf of the Company by any Person who, at the actual date of the execution of such Warrant Certificate, shall be an Appropriate Officer, although at the date of the execution of this Agreement such Person was not an Appropriate Officer.

SECTION 4. Registration and Countersignature. Upon written order of the Company in respect of any Warrant to be evidenced by a Warrant Certificate (a "Warrant Countersignature Order"), the Warrant Agent shall upon receipt of such Warrant Certificate duly executed on behalf of the Company, countersign such Warrant Certificate in manual, facsimile or electronic form and shall deliver such Warrant Certificate to or upon the written order of the Company. Upon written order of the Company (a "Warrant Book-Entry Order") in respect of any Warrant to be issued by electronic entry registration in the Warrant Register (as defined below), the Warrant Agent, acting in its capacity as the custodian and keeper of the Warrant Register (in such capacity, the "Warrant Registrar"), shall process such electronic entry registration in the Warrant Register and shall deliver a registration statement reflecting such electronic entry registration in the Warrant Register to or upon the written order of the Company. Any such written order of the Company shall specifically state the number of Warrants that are to be in the form of a Global Warrant, the number of Warrants that are to be issued in the form of a Definitive Warrant and, in the case of any Warrants that are to be issued in the form of a Definitive Warrant, whether such Definitive Warrant shall be evidenced by a Warrant Certificate or issued by electronic entry registration in the Warrant Register. Warrants shall be, and shall remain, subject to the provisions of this Agreement until such time as they shall have been duly exercised or shall have expired or been canceled in accordance with the terms hereof. Each Holder shall be bound by all of the terms and provisions of this Agreement (a copy of which is available on request to the Secretary of the Company) as fully and effectively as if such Holder had signed the same, regardless of whether or not such Holder has executed this Agreement or a Warrant Certificate.

No Warrant evidenced by a Warrant Certificate shall be valid for any purpose, including the exercise thereof, until the Warrant Certificate evidencing such Warrant has been countersigned by the manual, facsimile or electronic signature of the Warrant Agent. Such signature by the Warrant Agent upon any Warrant Certificate executed by the Company shall be conclusive evidence that such Warrant so evidenced has been duly issued hereunder. No Warrant issued by electronic entry registration in the Warrant Register shall be valid for any purpose, including the exercise thereof, until such electronic entry registration in the Warrant Register has been processed by the Warrant Registrar. A registration statement reflecting an electronic entry registration in the Warrant Register shall be conclusive evidence that such Warrant so evidenced has been duly issued hereunder.

The Warrant Agent shall keep, at an office designated for such purpose, books (the "Warrant Register") in which, subject to such reasonable regulations as it may prescribe, it shall register the original issuance and all transfers and exchanges of Definitive Warrants, as well as the original issuance and transfers, exchanges or cancellations of Global Warrants, all in accordance with the procedures set forth in Section 5 hereof, and in form satisfactory to the Company and the Warrant Agent.

SECTION 5. Registration of Transfers and Exchanges.

(a) *Transfer and Exchange of Global Warrants*. Global Warrants shall (i) be registered in the name of the Depository or its nominee, (ii) be delivered to the Warrant Agent as custodian for the Depository and (iii) bear a legend substantially in the form set forth in Section 5(f) hereof. A Global Warrant may not be transferred except as a whole by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Warrants will be exchanged by the Company for Definitive Warrants evidenced by electronic entry registration in the Warrant Register if the Depository notifies the Company that it is unwilling or unable to continue as Depository for the Global Warrants or if the Depository ceases to be a "clearing agency" registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and a successor Depository for the Global Warrants is not appointed by the Company within 120 days after delivery of such notice. In such case, the Warrant Agent, upon receipt of written instructions signed by an Appropriate Officer of the Company and all other necessary information, shall issue Definitive Warrants, in an aggregate number equal to the number of Warrants represented by the Global Warrants, in exchange for such Global Warrants, in such names and in such amounts as directed by the Depository or, in the absence of instructions from the Depository, the Company.

(b) *Transfer and Exchange of Beneficial Interests in the Global Warrants*. The transfer and exchange of beneficial interests in the Global Warrants shall be effected by crediting and debiting book-entry interests through the Depository, in accordance with this Agreement and the Applicable Procedures. None of the Company, the Warrant Agent nor any other agent of the Company shall have any responsibility or liability for any aspect of the records relating to beneficial ownership interests in a Global Warrant, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Beneficial interests in any Global Warrant may be transferred to Persons who take delivery thereof in the form of a beneficial interest in another Global Warrant. No written orders or instructions shall be required to be delivered to the Warrant Registrar to effect the transfers described in this Section 5(b).

(c) *Beneficial Interests in Global Warrants to Definitive Warrants*. Subject to the Person or Persons requesting such exchange or transfer having paid to the Company (or the Warrant Agent on its behalf) the amount of all documentary stamp taxes and charges payable in respect of such exchange or transfer or having established to the satisfaction of the Company (acting reasonably) that such exchange or transfer is exempt or subject to a relief from such taxes and charges (with such payment or satisfaction having been confirmed by the Company to the Warrant Agent with a Stamp Tax Confirmation), if any owner of a beneficial interest in a Global Warrant proposes to exchange such beneficial interest for a Definitive Warrant or to transfer such beneficial interest to a Person who

takes delivery thereof in the form of a Definitive Warrant, then, upon receipt of written instructions from the Participant through whom the beneficial interest to be transferred or exchanged is held at the Depository, together with, if the Definitive Warrants requested are to be evidenced by a Warrant Certificate, the Company's prior written consent (which consent shall not be unreasonably withheld or denied), the Warrant Agent shall cause the aggregate amount of the applicable Global Warrant to be reduced accordingly pursuant to Section 5(g) hereof, and, (i) if the Definitive Warrant requested shall be in the form of a Warrant Certificate, the Company shall execute and deliver to the Warrant Agent the requested Warrant Certificate, together with a Warrant Countersignature Order, and, upon receipt thereof, the Warrant Agent shall countersign and deliver to the Person designated in the instructions such Warrant Certificate evidencing such Definitive Warrant in the appropriate amount; or (ii) if the Definitive Warrant requested shall be in the form of an electronic entry registration in the Warrant Register, the Warrant Registrar shall process such electronic entry in the Warrant Register and deliver to the Person designated in the instructions a registration statement reflecting such electronic entry registration in the Warrant Register in the appropriate amount. Any Definitive Warrant issued in exchange for a beneficial interest pursuant to this Section 5(c) shall be registered in such name or names and in such authorized denomination or denominations as the owner of such beneficial interest requests through instructions to the Warrant Registrar from or through the Depository and the Participant.

(d) *Definitive Warrants to Beneficial Interests in Global Warrants*. With respect to any Definitive Warrants issued pursuant to Section 2(a) or Section 5(c), at any time and from time to time after the date, if any, on which (x) the Warrants are transferable via the facilities of the Depository in accordance with the Applicable Procedures pursuant to Section 2(b) and (y) transfers of the Warrants through the clearing and settlement facilities of the Depository continue to qualify for exemption from Irish stamp duty pursuant to Section 90 of the Stamp Duties Consolidation Act, 1999, and subject to the Person or Persons requesting such exchange or transfer having paid to the Company (or the Warrant Agent on its behalf) the amount of all documentary stamp taxes and charges payable in respect of such exchange or transfer or having established to the satisfaction of the Company (acting reasonably) that such exchange or transfer is exempt or subject to a relief from such taxes and charges (with such payment or satisfaction having been confirmed by the Company to the Warrant Agent with a Stamp Tax Confirmation), any Holder of a Definitive Warrant may exchange such Warrant for a beneficial interest in a Global Warrant or transfer such Definitive Warrants to a Person who takes delivery thereof in the form of a beneficial interest in a Global Warrant. Upon receipt of a request for such an exchange or transfer by a Holder (and subject to the Warrant Agent having received a Stamp Tax Confirmation from the Company), the Warrant Agent will cancel the applicable Definitive Warrant and increase or cause to be increased the aggregate amount of one of the Global Warrants all in accordance with the adjustment provisions of Section 5(g) below.

(e) *Transfer and Exchange of Definitive Warrants for Definitive Warrants*. Subject to the Person or Persons requesting such exchange or transfer having established to the satisfaction of the Company (acting reasonably) that all documentary stamp taxes and charges payable in respect of such exchange or transfer have been paid or that such exchange or transfer is exempt or subject to a relief from such taxes and charges (with such payment (or exemption or relief where a return must be filed in order to claim such exemption or relief) in respect of Irish stamp duty having been confirmed to the Company with a "stamp certificate" within the meaning of Section 2 of the Stamp Duties

Consolidation Act 1999 of Ireland), the Holder of a Definitive Warrant may exchange the Warrants evidenced thereby for one or more Definitive Warrants, or transfer such Warrants to a Person who takes delivery thereof in the form of a Definitive Warrant, by (x) delivering to the Warrant Registrar a written instruction in the form attached hereto as Exhibit C properly completed and duly executed by such Holder or by its duly authorized attorney, accompanied by a guaranty of signature by an "eligible guarantor institution" that is a member or participant in the Securities Transfer Agents Medallion Program or other comparable "signature guarantee program" (a "Signed Transfer Instruction"), and (y) if the Definitive Warrants being transferred or exchanged are evidenced by a Warrant Certificate, surrendering to the Warrant Registrar such Warrant Certificate. Such Signed Transfer Instruction need not be executed by the transferee. Promptly upon receipt of the foregoing, (i) if any Definitive Warrants requested shall be in the form of a Warrant Certificate, the Company shall execute and deliver to the Warrant Agent the requested Warrant Certificate, together with a Warrant Countersignature Order, and, upon receipt thereof, the Warrant Agent shall countersign and deliver to the Person designated in the Signed Transfer Instruction such Warrant Certificate evidencing such Definitive Warrants in the appropriate amounts; and (ii) if any Definitive Warrants requested shall be in the form of an electronic entry registration in the Warrant Register, the Warrant Registrar shall process such electronic entry in the Warrant Register and deliver to each Person designated in the Signed Transfer Instruction a registration statement reflecting such electronic entry registration in the Warrant Register in the appropriate amount. Any Definitive Warrant issued pursuant to this Section 5(e) shall be registered in such name or names and in such authorized denomination or denominations as set forth in the Signed Transfer Instruction.

(f) *Warrant Legends*. The following legend will appear in substantially the following form on the reverse of all Global Warrants issued under this Agreement unless specifically stated otherwise in the applicable provisions of this Agreement:

(g) *Cancellation and/or Adjustment of Global Warrants*. At such time as all beneficial interests in a particular Global Warrant have been exchanged for Definitive Warrants or a particular Global Warrant has been redeemed, repurchased or canceled in whole and not in part, each such Global Warrant shall be returned to or retained and canceled by the Warrant Agent in accordance with Section 7 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Warrant is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Warrant or for Definitive Warrants, the amount of Warrants represented by such Global Warrant will be reduced accordingly and an endorsement will be made on such Global Warrant by the Warrant Agent or by the Depository at the direction of the Warrant Agent to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Warrant, such other Global Warrant will be increased accordingly and an endorsement will be made on such Global Warrant by the Warrant Agent or by the Depository at the direction of the Warrant Agent to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges*.

(1) To permit registrations of transfers and exchanges, (x) the Company shall execute and the Warrant Agent shall countersign Global Warrants and Definitive Warrants evidenced by Warrant Certificates upon receipt of a Warrant Countersignature Order and (y) the Warrant Registrar shall process Definitive Warrants issued by electronic entry registration in the Warrant Register upon receipt of instructions as set forth in paragraphs (c), (d) or (e) of this Section 5, as applicable.

(2) No service charge shall be made for any exchange or registration of transfer of the Warrants, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable by the Company upon exchange or transfer pursuant to Section 19 hereof), and the Company and the Warrant Agent may decline to register a transfer or exchange of Global Warrants or Definitive Warrants (either represented by a Warrant Certificate or issued by electronic registration in the Warrant Register), unless and until the Person or Persons requesting the registration of the transfer thereof shall have paid to the Company the amount of all transfer taxes or similar government charges or shall have established to the satisfaction of the Company (acting reasonably) and the Warrant Agent that such taxes or charges have been paid or that the transfer or exchange is exempt or subject to a relief from such taxes or charges.

(3) All Global Warrants and Definitive Warrants issued upon any registration of transfer or exchange of Global Warrants or Definitive Warrants shall be the valid obligations of the Company, evidencing the same securities, and entitled to the same benefits under this Agreement, as the Global Warrants or Definitive Warrants surrendered upon such registration of transfer or exchange.

(4) Prior to due presentment for the registration of a transfer of any Warrant, the Warrant Agent and the Company, as applicable, may deem and treat the Person in whose name any Warrant is registered as the absolute owner of such Warrant for all purposes, and neither the Warrant Agent nor the Company shall be affected by notice to the contrary.

(5) All orders, certifications and certificates required to be submitted to the Warrant Registrar pursuant to this Section 5 to effect a registration of transfer or exchange may be submitted by electronic transmission.

(6) The instrument of transfer of any Warrant may be executed for and on behalf of the transferor by any party designated by, or pursuant to resolutions of, the board of directors of the Company (the "Board") for such purpose, and the Company or any other party designated by, or pursuant to resolutions of, the Board for such purpose shall be deemed to have been irrevocably appointed agent for the transferor of such Warrant or Warrants with full power to execute, complete and deliver in the name of and on behalf of the transferor of such Warrant or Warrants all such transfers of Warrants held by the Holders.

(7) Notwithstanding any other provision of this Agreement, the Warrants are being offered and sold, and the Ordinary Shares issuable upon exercise thereof are being offered and sold, pursuant to an exemption from the registration requirement of Section 5 of the Securities Act provided by Section 1145 of the Bankruptcy Code, and if any Holder or owner of a beneficial interest therein is an "underwriter" as defined in Section 1145(b)(1) of the Bankruptcy Code, such Holder or owner shall not be permitted to offer or sell any Warrants, beneficial interests therein, or Ordinary Shares issuable upon exercise thereof in the absence of an effective registration statement under the Securities Act or an exemption from registration thereunder.

(8) Definitive Warrants to be issued in respect of any transfer or exchange of Warrants set forth in the penultimate sentence of Section 2(b) shall be issued by electronic entry registration in the Warrant Register, unless the Holder shall otherwise elect.

SECTION 6. Duration and Exercise of Warrants.

(a) Subject to the terms of this Agreement, each Warrant shall be exercisable, in whole or in part, at any time and from time to time beginning on the date of this Agreement and ending at 5:02 p.m., New York City time, on June 16, 2028 (the "Expiration Date"). Notwithstanding the foregoing, a Warrant shall not be exercisable in the 30 days following the issuance of a Warrant unless the Market Price of a Warrant Share issuable upon exercise of a Warrant is equal to or greater than the Exercise Price at the time of such exercise. At 5:01 p.m., New York City time, on the Expiration Date, any Warrants in respect of which no Warrant Exercise Notice has been received ("Unexercised Warrants") shall be automatically transferred to the Opioid Trust (to the extent not already held by the Opioid Trust) without the requirement of any consent, action or document of transfer and such Warrants shall simultaneously upon such transfer be deemed automatically exercised for the purposes of this Agreement (without the requirements of Section 6(b) being required), *provided* that a single Warrant Share (and only a single Warrant Share) shall be issued in respect of the entire aggregate number of Unexercised Warrants (regardless of number) at an exercise price for such Warrant Share equal to the nominal value of an Ordinary Share.

(b) Subject to the provisions of this Agreement, the Warrants may be exercised as follows:

(i) Holders of Definitive Warrants must provide a written notice of such election ("Warrant Exercise Notice") to exercise the Warrant to the Company and the Warrant Agent in accordance with the notice information set forth in Section 18 by no later than 5:00 p.m., New York City time, on the Expiration Date, which Warrant Exercise Notice shall be substantially in the form set forth in Exhibit B-2 hereto, properly completed and duly executed by such Holder, and pay to the Warrant Agent (x) the applicable Exercise Price multiplied by the number of Warrant Shares in respect of which any Warrants are being exercised on the date the notice is provided to the Warrant Agent, or (y) in the case of a Cashless Exercise, the required consideration in the manner set forth in Section 6(d) hereof, in each case, together with any applicable taxes and governmental charges; and

(ii) for Warrants held through the book-entry facilities of the Depository, (x) the Warrants shall be exercisable, at any time or from time to time until the Expiration Date, by delivery of a Written Exercise Notice to the Company and the Warrant Agent at the addresses set forth in Section 18 no later than 5:00 p.m., New York City time, on the Expiration Date, which Warrant Exercise Notice shall be substantially in the form set forth in Exhibit B-1 hereto, properly completed and duly executed by the Holder and submitted by or through Persons that are direct participants in the Depository, and otherwise in accordance with the applicable practices and procedures of the Depository; (y) following any such exercise, the number of Warrants represented by the applicable certificate representing the Global Warrant shall be reduced in accordance with the applicable procedures of the Depository so that the number of Warrants represented thereby will be equal to the number of Warrants theretofore represented by such certificate representing the Global Warrant less the number of Warrants then exercised; and (z) the applicable Exercise Price, or, in the case of a Cashless Exercise, the required consideration in the manner set forth in Section 6(d) hereof, shall be paid, in each case, in accordance with the applicable practices and procedures of the Depository.

To the extent a Warrant Exercise Notice is delivered through the book-entry facilities of the Depository no later than 5:00 p.m., New York City time, on the Expiration Date, but the deliveries and payments specified in clause (ii) above are effected thereafter but no later than 5:00 p.m., New York City time, on the Business Day immediately following the delivery of a Warrant Exercise Notice to the Warrant Agent (and no later than one Business Day after the Expiration Date), the Warrants shall nonetheless be deemed exercised prior to the Expiration Date for the purposes of this Agreement.

(c) Subject to Section 6(d) hereof, the aggregate Exercise Price shall be payable to the Company in lawful money of the United States of America either by certified or official bank or bank cashier's check payable to the order of the Company or by wire transfer in immediately available funds to an account of Computershare specified in writing by the Warrant Agent for such purpose. The Company acknowledges that the bank accounts maintained by Computershare in connection with the services provided under this Agreement will be in Computershare's name, as agent for the Company. Until paid pursuant to the terms of this Agreement, Computershare will hold the funds through such accounts in: deposit accounts of commercial banks with Tier 1 capital exceeding $1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody's (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating) (each as reported by Bloomberg Finance L.P.). The Warrant Agent shall have no responsibility or liability for any diminution of the funds that may result from any deposit made by Computershare in accordance with this paragraph, including for any losses resulting from a default by any bank, financial institution or other third party. Computershare may from time to time receive interest, dividends or other earnings in connection with such deposits. Computershare shall not be obligated to pay and neither the Company nor the Holders shall receive such interest, dividends or other earnings on any deposits of Exercise Price with Computershare.

(d) In lieu of paying the aggregate Exercise Price as set forth in Section 6(b) hereof, subject to the provisions of this Agreement (including any adjustments made by the Company pursuant to Section 10 hereof), each Warrant shall entitle the Holder, at the election of such Holder, to exercise the Warrant by authorizing the Company to withhold from issuance a number of Warrant Shares issuable upon exercise of all Warrants being exercised by such Holder at such time which, when multiplied by an amount equal to the Market Price of the Warrant Shares, is equal to the aggregate Exercise Price less the product of the nominal value of an Ordinary Share on the date on which the Holder delivers the Warrant Exercise Notice pursuant to Section 6(b) and the number of Warrant Shares issuable upon exercise pursuant to this Section 6 (which such amount shall be payable in cash as provided below), and such withheld Warrant Shares shall no longer be issuable under such Warrants (a "Cashless Exercise"). The formula for determining the number of Warrant Shares to be issued in a Cashless Exercise is as follows:

$$X = \frac{(A - B)}{A} \times C$$

where:

X = the number of Warrant Shares issuable upon exercise pursuant to this Section 6.

A = the Market Price of a Warrant Share on the Business Day immediately preceding the date on which the Holder delivers the Warrant Exercise Notice pursuant to Section 6(b) hereof.

B = the Exercise Price less the nominal value of an Ordinary Share on the date on which the Holder delivers the Warrant Exercise Notice pursuant to Section 6(b); and

C = the number of Warrant Shares as to which a Warrant is then being exercised including the withheld Warrant Shares.

In the case of a Cashless Exercise, an amount in cash equal to the product of the nominal value of an Ordinary Share on the date on which the Holder delivers the Warrant Exercise Notice pursuant to Section 6(b) and the number of Warrant Shares issuable upon exercise pursuant to this Section 6 shall be payable by or for the account of the Holder thereof on the date of issuance of the Warrant Shares.

The number of Warrant Shares to be issued on such exercise will be determined by the Company (with prompt written notice thereof to the Warrant Agent) using the formula set forth in this Section 6(d). The Warrant Agent shall have no duty or obligation to investigate or confirm whether the Company's determination of the number of Warrant Shares to be issued on such exercise, pursuant to this Section 6(d), is accurate or correct. For the avoidance of doubt, if the foregoing calculation of the number of Warrant Shares to be issued in a Cashless Exercise results in a negative number, then no Warrant Shares shall be issuable via a Cashless Exercise.

Notwithstanding the foregoing, no Cashless Exercise shall be permitted if, as the result of any adjustment made pursuant to Section 10, at the time of such Cashless Exercise, Warrant Shares include a cash component, and the Company would be required to pay cash to a Holder upon an exercise of Warrants; *provided*, that in such circumstances, the Company shall use commercially reasonable efforts (subject to the Applicable Procedures, in the case of Global Warrants) to permit payment of the Exercise Price by netting the Exercise Price against the cash payable to a Holder upon exercise.

The Company shall transmit to the Warrant Agent, and the Warrant Agent shall have no obligation under this Agreement to calculate, the Cashless Exercise nor shall the Warrant Agent shall have any duty or obligation to investigate or confirm whether the Company's determination pursuant to this Section 6(d) is accurate or correct.

(e) Any exercise of a Warrant pursuant to the terms of this Agreement shall be irrevocable and shall constitute a binding agreement between the Holder and the Company, enforceable in accordance with its terms.

(f) The Warrant Agent shall:

(i) examine all Warrant Exercise Notices and all other documents delivered to it by or on behalf of the Holders as contemplated hereunder to ascertain whether or not, on their face, such Warrant Exercise Notices and any such other documents have been executed and completed in accordance with their terms and the terms hereof;

(ii) where a Warrant Exercise Notice or other document appears on its face to have been improperly completed or executed or some other irregularity in connection with the exercise of the Warrants exists, inform the appropriate parties (including the Person submitting such instrument) of the need for fulfillment of all requirements, specifying those requirements which appear to be unfulfilled;

(iii) inform the Company of, cooperate with, and reasonably assist such Person and the Company in, resolving any discrepancies between Warrant Exercise Notices received and delivery of Warrants to the Warrant Agent's account;

(iv) advise the Company promptly after receipt of a Warrant Exercise Notice of (i) the receipt of such Warrant Exercise Notice and the number of Warrants exercised in accordance with the terms and conditions of this Agreement, (ii) the instructions with respect to delivery of the Ordinary Shares deliverable upon such exercise, subject, in the case of Global Warrants, to timely receipt from the Depository of the necessary information, and (iii) such other information as the Company shall reasonably require; and

(v) subject to Ordinary Shares being made available to the Warrant Agent by or on behalf of the Company for delivery to the Depository, liaise with the Depository and use commercially reasonable efforts to effect such delivery to the relevant accounts at the Depository in accordance with its requirements.

(g) All questions as to the validity, form and sufficiency (including time of receipt) of a Warrant Exercise Notice will be determined by the Company in its reasonable discretion in accordance with the provisions set forth below. The Company reserves the right to reject any and all Warrant Exercise Notices not in proper form or for which any corresponding agreement by the Company to exchange would be unlawful. Moreover, without limiting the rights and immunities of the Warrant Agent, the Company reserves the absolute right to waive any of the conditions to the exercise of Warrants or defects in Warrant Exercise Notices with regard to any particular exercise of Warrants. If the Company believes there is any irregularity in the exercise of the Warrants, then the Company shall (or shall cause the Warrant Agent to) promptly give notice to the Holder of the Warrants that submitted the applicable Warrant Exercise Notice of such irregularities and an opportunity to cure the same, provided that neither the Company nor the Warrant Agent shall incur any liability for the failure to give such notice. The Warrant Agent shall incur no liability for or in respect of any determination, action or omission by the Company in accordance with this Section 6(g).

(h) As soon as practicable after the exercise of any Warrant as set forth herein, the Company shall issue or cause to be issued the number of Warrant Shares to which the Holder of the Warrant is entitled, to or upon the order of the Holder of the Warrants:

(i) by crediting such Warrant Shares to the Depository within three (3) Business Days following the date of such exercise, through the Depository's DWAC system if available, for the account of such Holder or for the account of a participant in the Depository, in each case registered in such name and delivered to such account as directed in the Warrant Exercise Notice by such Holder or by the direct participant in the Depository through which such Holder is acting, or

(ii) if for any reason delivery cannot be made pursuant to clause (i), by delivery to the address designated by such Holder in its Warrant Exercise Notice of a physical certificate representing the number of Warrant Shares to which such Holder is entitled, in fully registered form, registered in such name or names as may be directed by such Holder.

In the case of each of clause (i) and clause (ii), such Warrant Shares shall be deemed to have been issued and any Person so designated to be named therein shall be deemed to have become a Holder as of the close of business on the date of exercise of the Warrants and the register of members of the Company shall be updated accordingly.

(i) If less than all of the Definitive Warrants evidenced by a Warrant Certificate surrendered upon the exercise of Warrants or issued by electronic entry registration in the Warrant Register, as applicable, are exercised at any time prior to the expiration of the Warrants, a new Warrant Certificate shall be issued or a new electronic entry registration in the Warrant Register shall be processed, as applicable, for the remaining number of such Definitive Warrants, and the Warrant Agent is hereby authorized to countersign the required new Warrant Certificate or process the new electronic entry registration, as applicable, pursuant to the provisions of Section 4 and this Section 6.

(j) The Warrant Agent shall by the end of each day or on the next Business Day following each day on which Warrants were exercised, advise an authorized representative of the Company, as directed by the Company, of (i) the number of Ordinary Shares issued upon exercise of a Warrant, (ii) the delivery of Warrants evidencing the balance, if any, of the Ordinary Shares issuable after such exercise of the Warrant and (iii) such other information as the Company shall reasonably require. The Warrant Agent will pay to the Company all available funds received by the Warrant Agent in payment of the aggregate Exercise Price in any given month no later than the fifth (5th) Business Day of the following month by wire transfer to an account designated by the Company. The Warrant Agent shall keep copies of this Agreement and any notices given or received hereunder in accordance with the Warrant Agent's retention records.

SECTION 7. Cancellation of Warrants. If the Company shall purchase or otherwise acquire Warrants, the Global Warrants and the Definitive Warrants representing such Warrants shall thereupon be surrendered to the Warrant Agent, and be cancelled. Without prejudice to Section 6(i), the Warrant Agent shall cancel only the Warrants surrendered for exchange, substitution, transfer or exercise in whole or in part. Such cancelled Warrants shall thereafter be disposed of in a manner reasonably satisfactory to the Company.

SECTION 8. Mutilated or Missing Warrants. If any of the Warrants shall be mutilated, lost, stolen or destroyed, the Warrant Agent shall sign and/or countersign and deliver, in exchange and substitution for and upon cancellation of the mutilated Warrant, or in lieu of and substitution for the Warrant lost, stolen or destroyed, a new Warrant of like tenor and representing an equivalent number of Warrants, but only upon receipt of evidence reasonably satisfactory to the Warrant Agent of the loss, theft or destruction of such Warrant and an affidavit or the posting of an indemnity or surety bond, if reasonably requested by either the Company or the Warrant Agent, also reasonably satisfactory to them. Applicants for such substitute Warrants shall also comply with such other reasonable regulations and pay such reasonable incidental charges as the Company or the Warrant Agent may prescribe and as required by Section 8-405 of the Uniform Commercial Code as in effect in the State of New York.

SECTION 9. Reservation of Warrant Shares.

(a) For the purpose of enabling it to satisfy any obligation to issue Warrant Shares upon exercise of Warrants, the Company will, at all times through the Expiration Date, reserve and keep available, free from preemptive rights and out of its aggregate authorized but unissued or treasury Ordinary Shares, Ordinary Shares equal to the number of Warrant Shares deliverable upon the exercise for cash of all outstanding Warrants. The Company covenants that if, notwithstanding the foregoing, at any time the authorized number of Ordinary Shares remaining available for issuance would be insufficient to allow delivery of all Warrant Shares then deliverable upon the exercise in full of all outstanding

Warrants, it shall duly convene and hold as soon as reasonably practicable a general meeting of the members of the Company to consider resolutions necessary to (i) increase the authorized number of Ordinary Shares and (ii) confer authority to issue such Ordinary Shares as may be required to allow the sufficient issuance and delivery of all Warrant Shares then issuable and deliverable upon the exercise in full of all outstanding Warrants. The Company will keep a copy of this Agreement on file with the transfer agent for the Company's Ordinary Shares (such agent, in such capacity, as may from time to time be appointed by the Company, the "Transfer Agent") and with every transfer agent for any Warrant Shares issuable upon the exercise of Warrants pursuant to Section 6.

(b) The Company covenants to each Holder that:

(i) it has taken all necessary action to authorize the issue and allotment of the Warrant Shares to be issued on exercise of such Warrant(s);

(ii) the Warrant Shares to be issued on exercise of such Warrant(s) will when issued be duly and validly issued, and free from all taxes, liens, charges and security interests created by or imposed upon the Company and upon allotment in accordance with the terms of this Agreement will be fully paid and nonassessable;

(iii) at all times any Warrant(s) are outstanding, the Company will use commercially reasonable efforts to procure the listing of the Warrant Shares to be issued on exercise of any Warrant(s) on all principal stock exchanges on which the Ordinary Shares in existence on the date of such exercise are then listed or traded;

(iv) the Warrant Shares to be issued on exercise of any Warrant(s) will rank pari passu in all respects with all other Ordinary Shares in existence on the date of such exercise;

(v) the Warrant Shares to be issued on exercise of such Warrant(s) will be entitled to the rights and subject to the obligations contained in the Company's constitution in existence on the date of exercise; and

(vi) at no time when any Warrant(s) are outstanding, shall the Board take any action to increase the nominal value of the Ordinary Shares above the Exercise Price of the Warrant(s), nor reduce the Exercise Price below the nominal value of the Ordinary Shares.

SECTION 10. Adjustment of Exercise Price and Warrant Number. The applicable Exercise Price and the number of Warrant Shares for which Warrants can be exercised are subject to adjustment from time to time upon the occurrence of the events enumerated in this Section 10; provided that no single event shall give rise to an adjustment under more than one subsection of clauses (a) through (f) of this Section 10.

(a) *Share Dividends, Share Splits, Combinations, etc*. In case the Company shall hereafter (A) pay a dividend or make a distribution or bonus issue on any of its Ordinary Shares in Ordinary Shares, or (B) subdivide (by way of a share split or otherwise) or reclassify any of its outstanding Ordinary Shares into a greater number of shares, then in each event, the Exercise Price in effect at the time of the record date (in the case of the preceding clause (A)) or effective date in the case of the preceding clause (B)) for such dividend, distribution, subdivision or reclassification shall be adjusted to the number obtained by

multiplying the Exercise Price immediately in effect prior thereto by a fraction (i) the numerator of which shall be the total number of Ordinary Shares issued and outstanding immediately prior to such dividend, distribution, subdivision or reclassification and (ii) the denominator of which shall be the number of Ordinary Shares issued and outstanding immediately prior to such dividend, distribution, subdivision or reclassification plus the number of Ordinary Shares issuable or issued, as applicable, as a result of such dividend, distribution, subdivision or reclassification. Conversely, in case the Company shall hereafter combine (by way of a reverse share split or otherwise) or reclassify any of its outstanding Ordinary Shares into a smaller number of shares, then in each event, the Exercise Price in effect at the time of the effective date for such combination or reclassification shall be adjusted to the number obtained by multiplying the Exercise Price immediately in effect prior thereto by a fraction (i) the numerator of which shall be the total number of Ordinary Shares issued and outstanding immediately prior to such combination or reclassification and (ii) the denominator of which shall be the number of Ordinary Shares issued and outstanding immediately prior to such combination or reclassification less the number of Ordinary Shares reduced as a result of such combination or reclassification. Notwithstanding anything herein to the contrary, the Exercise Price shall not be adjusted to be less than the nominal value of the Ordinary Shares.

(b) *Dividends and Distributions*. In the event the Company shall, at any time or from time to time after the date hereof, distribute to the holders of Ordinary Shares any dividend or other distribution of cash, evidences of its indebtedness, other securities or other properties or assets, or any options, warrants or other rights to subscribe for or purchase any of the foregoing (in each case other than (i) dividends or distributions of Ordinary Shares referred to in Section 10(a) above, (ii) issuances of Options or Convertible Securities referred to in Section 10(c) below or (iii) distributions of rights pursuant to Section 10(e) below), then the Exercise Price shall be decreased to a price determined by multiplying the Exercise Price then in effect by a fraction, the numerator of which shall be the Market Price per Ordinary Share on the record date for such distribution less the sum of (A) the cash portion, if any, of such distribution per Ordinary Share outstanding (exclusive of any treasury shares) on the record date for such distribution plus (B) the then Market Price per Ordinary Share outstanding (exclusive of any treasury shares) on the record date for such distribution of that portion, if any, of such distribution consisting of evidences of indebtedness, other securities, properties, assets, Options, warrants or subscription or purchase rights, and the denominator of which shall be such Market Price per Ordinary Share on the record date for such distribution. The adjustments required by this Section 10(b) shall be made whenever any such distribution occurs retroactive to the record date for the determination of shareholders entitled to receive such distribution.

(c) *Issuance of Options or Convertible Securities*. Except (w) in connection with the exercise or conversion of any outstanding Options or Convertible Securities of the Company (as such Options and Convertible Securities are in effect on the Effective Date) or the Warrants, (x) with respect to securities or equity awards granted under any equity incentive plans adopted by the Board of Directors of the Company in good faith for the benefit of employees, directors, independent contractors or similar Persons ("Approved Incentive Plans"), (y) with respect to the offering of any rights (which rights shall also attach to, and be issuable to holders of Ordinary Shares on a ratable basis with other Ordinary Share Equivalents) pursuant to a shareholder's rights plan which may be adopted by the Company unless and until such date, if any, upon which the rights become effective or are triggered and cannot be redeemed by the Company at its option for

nominal consideration, at which time the appropriate adjustments shall be made pursuant to this Section 10) or (z) with respect to any Rights Offering (as defined below), in the event (i) the Company shall, at any time or from time to time after the date hereof, issue, sell, distribute or otherwise grant in any manner (including by assumption) any rights to subscribe for or to purchase, or any warrants or options for the purchase of, any Ordinary Shares or any shares or securities convertible into or exchangeable for any Ordinary Shares (any such rights, warrants or options being herein called "Options" and any such convertible or exchangeable shares or securities being herein called "Convertible Securities") or any Convertible Securities (other than upon exercise of any Option), whether or not such Options or the rights to convert or exchange such Convertible Securities are immediately exercisable, and (ii) the price per share at which such Ordinary Share Equivalents are issuable upon the exercise of such Options or upon the conversion or exchange of such Convertible Securities (determined by dividing (a) the aggregate amount if any, received or receivable by the Company as consideration for the issuance, sale, distribution or granting of such Options or any such Convertible Security, plus the minimum aggregate amount of additional consideration, if any, payable to the Company upon the exercise of all such Options or upon conversion or exchange of all such Convertible Securities, plus, in the case of Options to acquire Convertible Securities, the minimum aggregate amount of additional consideration, if any, payable upon the conversion or exchange of all such Convertible Securities, by (b) the total maximum number of Ordinary Shares issuable upon the exercise of all such Options or upon the conversion or exchange of all such Convertible Securities or upon the conversion or exchange of all Convertible Securities issuable upon the exercise of all such Options) shall be less than the Market Price per Ordinary Share on the record date for the issuance, sale, distribution or granting of such Options or Convertible Security (any such event being herein called a "Distribution") then, effective upon such Distribution, the Exercise Price shall be reduced to the price (calculated to the nearest cent) determined by multiplying such Exercise Price in effect immediately prior to such Distribution by a fraction, the numerator of which shall be the sum of (i) the number of Ordinary Shares outstanding (exclusive of any treasury shares) immediately prior to such Distribution plus (ii) the number of shares which the aggregate consideration, if any, received (or to be received upon exercise) by the Company would purchase at such Market Price, and the denominator of which shall be the sum of (A) the total number of Ordinary Shares outstanding (exclusive of any treasury shares) immediately prior to such Distribution plus (B) the total number of Ordinary Shares issuable upon exercise of all such Options or upon conversion or exchange of all such Convertible Securities. For purposes of the foregoing, the total maximum number of Ordinary Shares issuable upon exercise of all such Options or upon conversion or exchange of all such Convertible Securities or upon the conversion or exchange of the total maximum amount of the Convertible Securities issuable upon the exercise of all such Options shall be deemed to have been issued as of the date of such Distribution and thereafter shall be deemed to be outstanding and the Company shall be deemed to have received as consideration therefor such price per share, determined as provided above. Except as provided in Section 10(k) and Section 10(m) below, no additional adjustment of the Exercise Price shall be made upon the actual exercise of such Options or upon conversion or exchange of the Convertible Securities or upon the conversion or exchange of the Convertible Securities issuable upon the exercise of such Options. None of the following issuances of securities shall be subject to adjustment pursuant to this Section 10(c): (i) to lenders with respect to bona fide loans made by such lenders to the Company, (ii) as consideration for the bona fide acquisition of any business or asset or (iii) issued in connection with bona fide sponsored research, collaboration, technology license, development, marketing or other similar agreements or strategic partnerships (in each case with respect to clauses (i) through (iii), not for the primary purpose of raising equity capital).

(d) *Issuance of Additional Ordinary Shares*. If at any time the Company shall issue or sell any Ordinary Shares after the date hereof, except in connection with (i) the exercise or conversion of any outstanding Options or Convertible Securities of the Company (as such Options and Convertible Securities are in effect on the Effective Date) or the Warrants, (ii) the issuance of any Ordinary Shares under, or the issuance of any Ordinary Shares upon the conversion or exercise of any Option or other rights granted under, Approved Incentive Plans, (iii) Ordinary Shares issued pursuant to or upon share splits, combinations or dividends or other transactions referred to in Section 10(a), (iv) the offering of any rights (which rights shall also attach to, and be issuable to holders of Ordinary Shares on a ratable basis with other Ordinary Share Equivalents) pursuant to a shareholder's rights plan which may be adopted by the Company unless and until such date, if any, upon which the rights become effective or are triggered and cannot be redeemed by the Company at its option for nominal consideration, at which time the appropriate adjustments shall be made pursuant to this Section 10) or (v) any subscription pursuant to any Rights Offering, in each case (after giving effect to any adjustments required to be made by this Section 10) (such Ordinary Shares, "Additional Shares"), for consideration in an amount per Additional Share less than 92.5% of the Market Price per Ordinary Share, then the Exercise Price shall be reduced to the price (calculated to the nearest cent) determined by multiplying such Exercise Price in effect immediately prior to such issuance or sale by a fraction, the numerator of which shall be the sum of (i) the number of Ordinary Shares outstanding (exclusive of any treasury shares) immediately prior to such issuance or sale plus (ii) the number of Ordinary Shares which the aggregate consideration received by the Company would purchase if such shares were sold at such Market Price, and the denominator of which shall be the sum of (A) the total number of Ordinary Shares outstanding (exclusive of any treasury shares) immediately prior to such issuance or sale plus (B) the total number of Ordinary Shares actually issued or sold. For the purposes of this Section 10(d), none of the following issuances shall be considered the issuance or sale of Ordinary Shares: (x) the issuance of Ordinary Shares in a bona fide public offering pursuant to a firm commitment underwriting by a firm which is a member of the Financial Industry Regulation Authority, or (y) the issuance of Ordinary Shares (i) to lenders with respect to bona fide loans made by such lenders to the Company, (ii) as consideration for the bona fide acquisition of any business or asset or (iii) issued in connection with bona fide sponsored research, collaboration, technology license, development, marketing or other similar agreements or strategic partnerships (in each case with respect to clauses (i) through (iii), not for the primary purpose of raising equity capital).

(e) *Rights Offerings*. If the Company issues to holders of its Ordinary Shares, or shall fix a record date for the determination of holders of its Ordinary Shares to receive, any right to subscribe for additional Ordinary Shares pursuant to a rights offering at a price per Ordinary Share less than 92.5% of the Market Price thereof as of the Trading Day immediately preceding the announcement date of the offering (a "Rights Offering"), then the Exercise Price shall, with effect at the open of business on the Business Day immediately following the date on which such Rights Offering is consummated, be decreased to a price determined in accordance with the following formula:

$$EP_2 = EP_1 * (O + Y) \div (O + X)$$

- "EP_2" shall mean the Exercise Price in effect immediately after the adjustment provided in this Section 10(e);
- "EP_1" shall mean the Exercise Price in effect immediately before the adjustment provided in this Section 10(e);
- "O" shall mean the number of Ordinary Shares outstanding immediately before the consummation of the Rights Offering;
- "X" shall mean the number of Ordinary Shares issuable upon exercise of such rights pursuant to the Rights Offering; and
- "Y" shall mean the number of Ordinary Shares equal to the aggregate price payable for the Ordinary Shares in the Rights Offering *divided by* the Market Price of one Ordinary Share as of the Trading Day immediately preceding the announcement date of the Rights Offering.

For purposes of this Section 10(e), if the applicable Rights Offering is for securities convertible into or exercisable for Ordinary Shares, in determining the price payable for Ordinary Shares in the Rights Offering, there shall be taken into account the consideration received for such rights as well as any additional amount payable upon exercise or conversion. Any adjustment under this Section 10(e) shall be effective as of the open of business on the Business Day immediately following the date on which such Rights Offering is consummated.

(f) *Issuer Tender or Exchange Offers*. In the event the Company or any subsidiary shall, at any time or from time to time, offer to repurchase or redeem Ordinary Shares at a price per share that is greater than 110% of the Market Price of such Ordinary Shares as of the tenth (10th) Trading Day immediately following the date on which such offer to repurchase is consummated (other than a repurchase upon a transaction to which Section 10(o) (*Fundamental Transactions*) applies) on the date on which such offer is consummated (an "Above FMV Repurchase"), then the Exercise Price in effect on the date of the consummation of the Above FMV Repurchase shall be decreased to a price determined in accordance with the following formula:

$$CPA_2 = CPA_1 * (FMV - P) \div FMV$$

For purposes of the foregoing formula, the following definitions shall apply:

- "CPA_2" shall mean the Exercise Price in effect immediately after the adjustment provided in this Section 10(f));
- "CPA_1" shall mean the Exercise Price in effect immediately prior to such Above FMV Repurchase;
- "FMV" shall mean the Market Price of the total number of Ordinary Shares outstanding prior to the consummation of such Above FMV Repurchase, calculated based on the Market Price of one Ordinary Share on the Business Day after the tenth (10th) Trading Day immediately following the date on which such Above FMV Repurchase is consummated; and

- "P" shall mean the amount by which the Market Price of all consideration paid or payable for Ordinary Shares repurchased or redeemed in any Above FMV Repurchase exceeds the aggregate Market Price for such Ordinary Shares on the Business Day after the tenth (10^{th}) Trading Day immediately following the date on which such Above FMV Repurchase is consummated.

Any adjustment under this Section 10(f) shall be effective as of the open of business on the Business Day immediately following the date on which such Above FMV Repurchase is consummated.

(g) *Certain Distributions*. If the Company shall pay a dividend or make any other distribution to holders of Ordinary Share Equivalents payable in Options or Convertible Securities for which adjustment is to be made pursuant to Section 10(b) above, then, for purposes of Section 10(d) above, such Options or Convertible Securities shall be deemed to have been issued or sold without consideration.

(h) *Consideration Received*. If any Ordinary Shares, Options or Convertible Securities shall be issued, sold or distributed for consideration other than cash, the amount of the consideration other than cash received by the Company in respect thereof shall be deemed to be the then Market Price of such consideration. If any Options shall be issued in connection with the issuance and sale of other securities of the Company, together comprising one integral transaction in which no specific consideration is allocated to such Options by the parties thereto, such Options shall be deemed to have been issued without consideration.

(i) *Adjustment to Warrant Number*. Whenever the Exercise Price is adjusted as provided in Sections 10(a) and 10(c)-(f) above, the Warrant Number for which a Warrant is exercisable shall simultaneously be adjusted by multiplying the Warrant Number for which a Warrant is exercisable immediately prior to such adjustment by a fraction, the numerator of which shall be the Exercise Price immediately prior to such adjustment, and the denominator of which shall be the Exercise Price immediately thereafter.

(j) *Changes in Options and Convertible Securities*. If any of (a) the exercise price provided for in any Options referred to in Section 10(c) above, (b) the additional consideration, if any, payable upon the conversion or exchange of any Convertible Securities referred to in Section 10(c) above, or (c) the rate at which any Convertible Securities referred to in Section 10(c) above are convertible into or exchangeable for Ordinary Shares shall change at any time (other than under or by reason of provisions designed to protect against dilution upon an event which results in a related adjustment pursuant to this Section 10), then the Exercise Price then in effect and the Warrant Number shall forthwith be readjusted (effective only with respect to any exercise of any Warrant after such readjustment) to such Exercise Price and Warrant Number that would then be in effect had the adjustment made upon the issuance, sale, distribution or granting of such Options or Convertible Securities been made based upon such changed purchase price, additional consideration or conversion rate, as the case may be, but only with respect to such Options and Convertible Securities as then remain outstanding.

(k) *Expiration of Options and Convertible Securities, etc*. In the event that an adjustment is made pursuant to Sections 10(a)-(j) above and either (x) the underlying event requiring such adjustment does not occur, including, in the case of any adjustment in respect of any dividend or distribution or the fixing of a record date with respect thereto, where the Board publicly announces its decision not to pay or make such dividend or distribution,

or (y) in the case of the issuance of Options or Convertible Securities pursuant to Section 10(c) or a Rights Offering pursuant to Section 10(e), upon the expiration or termination of any Option, Convertible Security or any unexercised right (or portion thereof), in each case, in respect of which an adjustment was previously made to the Exercise Price and the Warrant Number in accordance with the terms of Sections 10(a)-(j) above, then the Exercise Price and the Warrant Number shall be readjusted retroactively to the date of the original adjustment, to be the Exercise Price and the Warrant Number that would then be in effect had the applicable adjustment not been made with respect to such underlying event or expiration or termination of such Options, Convertible Securities or unexercised rights.

(l) *Deferral or Exclusion of Certain Adjustments; Rounding*. No adjustment to the Exercise Price or Warrant Number shall be required hereunder unless such adjustment together with other adjustments carried forward as provided below, would result in an increase or decrease of at least 1% of the applicable Exercise Price or Warrant Number; *provided*, that any adjustments which by reason of this Section 10(l) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. No adjustment need be made for a change in the nominal value of the Ordinary Shares (unless such change arises on the occurrence of one or more of the events enumerated in this Section 10 in which case the applicable Exercise Price and Warrant Number shall be adjusted in accordance with the provisions of this Section 10). All calculations under this Section shall be made to the nearest $0.01 or to the nearest 1/1,000th of a share, as the case may be.

(m) *Other Adjustments*. In the event that at any time, as a result of an adjustment made pursuant to this Section 10, the Holders shall become entitled to receive upon exercise of the Warrants any securities of the Company other than Ordinary Shares, thereafter the number of such other securities so receivable upon the exercise of any Warrants and the relevant Exercise Price applicable to such exercise shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Ordinary Shares contained in this Section 10.

(n) *Other Action Affecting Ordinary Share Equivalents*. In case at any time or from time to time the Company shall take any action in respect of any of its Ordinary Share Equivalents, other than any action described in this Section 10, then the number of Ordinary Shares or other securities for which each Warrant is exercisable shall be adjusted in such manner determined by the Board in its discretion, so as to preserve the economic value of such Warrants. If the Company shall at any time and from time to time issue or sell (i) any shares of any class constituting Ordinary Share Equivalents other than Ordinary Shares, (ii) any evidences of its indebtedness, shares or other securities which are convertible into or exchangeable for Ordinary Share Equivalents other than Ordinary Shares, with or without the payment of additional consideration in cash or property, or (iii) any warrants or other rights to subscribe for or purchase any such Ordinary Share Equivalents other than Ordinary Shares or any such evidences, shares or other securities, then in each such case such issuance shall be deemed to be of, or in respect of, Ordinary Shares for purposes of this Section 10.

(o) *Fundamental Transactions*. In the event the Company shall, at any time or from time to time after the Effective Date while the Warrants remain outstanding and unexpired in whole or in part, consummate a Fundamental Transaction, each Warrant shall be automatically redeemed effective upon the date of consummation of such Fundamental Transaction (after which such Warrant shall be void and may no longer be exercised),

and each Holder of a Warrant so redeemed shall be entitled, following consummation of the Fundamental Transaction and compliance by such Holder with the Fundamental Transaction Notice Procedures, for each Warrant held by such Holder upon the redemption thereof, to receive:

(i) if the Fundamental Transaction Consideration shall consist in whole or in part of Cash Consideration, in respect of the Cash Consideration, on the earlier of (x) the date on which holders of Ordinary Shares receive Cash Consideration or (y) within twenty-five (25) days of the consummation of such Fundamental Transaction, or such earlier date as may be required under applicable law or regulation (including, without limitation the Irish Takeover Panel Act, 1997 Takeover Rules ("ITRs")), an amount of cash equal to the greater of (A) the product of (i) the Warrant Number and (ii) the amount, if any, by which (x) the Cash Consideration exceeds (y) the Exercise Price multiplied by the Cash Consideration Percentage, and (B) the Black Scholes Value multiplied by the Cash Consideration Percentage;

(ii) if the Fundamental Transaction Consideration shall consist in whole or in part of Equity Consideration, upon consummation of such Fundamental Transaction, in respect of the Equity Consideration, a New Warrant to acquire the Equity Consideration multiplied by the Warrant Number, with such New Warrant having an exercise price equal to the product of (i) the Exercise Price and (ii) the Equity Consideration Percentage, and otherwise having terms substantially the same as the terms of the Warrants, *mutatis mutandis*; and

(iii) if the Fundamental Transaction Consideration shall consist in whole or in part of Other Consideration:

(1) if (A) the Warrant Number multiplied by the amount, if any, by which (w) the Market Price of such Other Consideration exceeds (x) the Exercise Price multiplied by the Other Consideration Percentage is less than (B) (y) the Black Scholes Value multiplied by (z) the Other Consideration Percentage, on the earlier of (x) the date on which holders of Ordinary Shares receive Other Consideration or (y) within twenty-five (25) days of the consummation of such Fundamental Transaction, or such earlier date as may be required under applicable law or regulation (including, without limitation the ITRs) an amount of cash equal to the product of the Black Scholes Value multiplied by the Other Consideration Percentage; or

(2) if (A) the Warrant Number multiplied by the amount, if any, by which (w) the Market Price of such Other Consideration exceeds (x) the Exercise Price multiplied by the Other Consideration Percentage is greater than (B) (y) the Black Scholes Value multiplied by (z) the Other Consideration Percentage, a New Warrant to acquire the Other Consideration multiplied by the Warrant Number, with such New Warrant having an exercise price in respect of the Other Consideration equal to the product of (i) the Exercise Price and (ii) the Other Consideration Percentage, and otherwise having terms substantially the same terms as the Warrants, *mutatis mutandis*.

(iv) *Defined Terms with Respect to this Section 10(o)*:

(1) "Black Scholes Value" means the value of a Warrant based on the Black and Scholes Option Pricing Model obtained from the "OV" function on Bloomberg L.P. determined as of the date of consummation of the applicable Fundamental Transaction for pricing purposes and reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the time between the date of the public announcement of the applicable Fundamental Transaction and the Expiration Date, (B) an expected volatility equal to the lesser of 75% and the 100 day volatility obtained from the HVT function on Bloomberg L.P. as of the Trading Day immediately following the public announcement of the applicable Fundamental Transaction, (C) the underlying price per share used in such calculation shall be the sum of the price per Ordinary Share in cash in the applicable Fundamental Transaction (if any) plus the Market Price of the non-cash consideration receivable by the holders of Ordinary Shares with respect to each Ordinary Share in the applicable Fundamental Transaction (if any), (D) a zero cost of borrow, (E) a strike price equal to the Exercise Price in effect on the date of consummation of the Fundamental Transaction and (F) a remaining option time equal to the time between the date of the public announcement of the applicable Fundamental Transaction and the Expiration Date.

(2) "Cash Consideration" means the cash, if any, that a holder of Ordinary Shares receives or is entitled to receive in a Fundamental Transaction with respect to or in exchange for each Ordinary Share held by such holder immediately prior to the consummation of the Fundamental Transaction.

(3) "Cash Consideration Percentage" means, with respect to any Fundamental Transaction Consideration, a fraction expressed as a percentage equal to the (i) the amount of the Cash Consideration divided by (ii) the sum of (x) the amount of the Cash Consideration plus (y) the Market Price of the Equity Consideration plus (z) the Market Price of the Other Consideration.

(4) "Equity Consideration" means the number of shares of common stock, ordinary shares or other units of common equity, if any, in each case listed on a U.S. national securities exchange, that a holder of Ordinary Shares receives or is entitled to receive in a Fundamental Transaction with respect to or in exchange for each Ordinary Share held by such holder immediately prior to the consummation of the Fundamental Transaction.

(5) "Equity Consideration Percentage" means, with respect to any Fundamental Transaction Consideration, a fraction expressed as a percentage equal to (i) the Market Price of the Equity Consideration divided by (ii) the sum of (x) the amount of the Cash Consideration plus (y) the Market Price of the Equity Consideration plus (z) the Market Price of the Other Consideration.

(6) "Exercise Price" means the Exercise Price in effect immediately prior to consummation of the Fundamental Transaction.

(7) "Fundamental Transaction" means any (i) acquisition, merger, consolidation, conveyance, amalgamation, statutory share exchange, scheme of arrangement, spin-off, carve-out, demerger, business combination or other similar transaction or series of related transactions to which the Company is a party, (ii) direct or indirect, purchase offer, tender offer or exchange offer for all of the issued Ordinary Shares (other than Ordinary Shares in which the offeror already has a beneficial ownership) or pursuant to which all holders of Ordinary Shares are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted in respect of more than 50% of the Ordinary Shares to which such purchase offer, tender offer or exchange offer relates or by the holders of 50% or more of the outstanding Ordinary Shares or (iii) sale, lease, transfer or other disposition of all or substantially all of the assets of the Company and its subsidiaries (by value), including in connection with a liquidation or winding up of the Company, which, in each of the cases of (i), (ii) and (iii) is consummated with a third-party who is unaffiliated with the Company at the time of such transaction, and which is effected in such a way that the holders of Ordinary Shares receive or are entitled to receive (either directly or subsequently in connection with a liquidation or winding up of the Company) cash, stock, securities or other assets or property (or any combination thereof) with respect to or in exchange for Ordinary Shares. For avoidance of doubt, any scheme of arrangement effected for the purpose of implementing the Plan shall not constitute a Fundamental Transaction.

(8) "Fundamental Transaction Consideration" means the cash, stock, securities or other assets or property (or any combination thereof) that a holder of Ordinary Shares receives or is entitled to receive with respect to or in exchange for each Ordinary Share held by such holder upon consummation of a Fundamental Transaction; provided that if in the applicable Fundamental Transaction the holders of Ordinary Shares may make an election with respect to the consideration to be received, the type and amount of consideration into which the Warrants shall be exercisable from and after the effective time of such Fundamental Transaction shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Ordinary Shares in such Fundamental Transaction.

(9) "Fundamental Transaction Notice Procedures" means the Company's delivery of written notice to Holders of Warrants, including owners of beneficial interests in Global Warrants, setting forth any action to be taken by the Company that may constitute a Fundamental Transaction, the resulting effect of such action on the Warrants, and the amount of cash and/or the number and kind of securities or other property to be received by the Holders of Warrants pursuant to such Fundamental Transaction (if any). Such notice shall be delivered by the Company (including by directing the Warrant Agent to so deliver) to Holders of Warrants at such Holders' addresses appearing on the Warrant Register (and with respect to owners of beneficial interests in Global Warrants, to the Depository), and shall be delivered on a date calculated and by a

method chosen by the Company to reasonably ensure that such notice shall be actually received by the Holders of Warrants as promptly as practicable and in any event at least fifteen (15) days prior to the consummation of the Fundamental Transaction.

(10) "New Warrant" means a warrant issued by the Person that is the issuer or payor of the Equity Consideration or Other Consideration in the Fundamental Transaction, as the case may be.

(11) "Other Consideration" means the Fundamental Transaction Consideration other than Cash Consideration or Equity Consideration that a holder of Ordinary Shares receives or is entitled to receive in a Fundamental Transaction with respect to or in exchange for each Ordinary Share held by such holder immediately prior to the consummation of the Fundamental Transaction.

(12) "Other Consideration Percentage" means, with respect to any Fundamental Transaction Consideration, a fraction expressed as a percentage equal to (i) the Market Price of the Other Consideration divided by (ii) the sum of (x) the amount of the Cash Consideration plus (y) the Market Price of the Equity Consideration plus (z) the Market Price of the Other Consideration.

(v) If in any Fundamental Transaction a holder of Ordinary Shares shall be entitled to make an election to receive Cash Consideration, Equity Consideration or Other Consideration, or a combination thereof, with respect to each Ordinary Share held by such holder, for purposes of this Section 10(o), the holder shall be deemed to receive or be entitled to receive for each such Ordinary Share the aggregate amount of Cash Consideration, Equity Consideration or Other Consideration, or combination thereof, received or receivable by all holders of Ordinary Shares divided by the total number of Ordinary Shares outstanding immediately prior to consummation of the Fundamental Transaction.

(vi) The Company shall take such steps in connection with any Fundamental Transaction as may be necessary to assure that the provisions hereof shall be complied with (including the adjustment provisions of this Section 10), and shall not effect or otherwise participate in any Fundamental Transaction unless, prior to the consummation thereof, the surviving Person (if other than the Company) resulting from such Fundamental Transaction, shall assume, by written instrument substantially similar in form and substance to this Agreement in all material respects (including with respect to the provisions of this Section 10(o)) and the obligation to distribute any warrants or make any cash payments to the Holders of the Warrants in accordance with this Section 10(o).

(vii) The provisions of this Section 10(o) shall similarly apply to successive Fundamental Transactions.

(viii) The provisions of this Section 10(o) are subject, in all cases, to any applicable requirements under the Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, and Regulation (EU) No. 2017/1129 (the "EU Prospectus Regulation") and the respective rules and regulations promulgated thereunder, in each case to the extent applicable to holders of Ordinary Shares in connection with the Fundamental Transaction.

(p) *Consolidation, Merger or Sale of Assets Other than a Fundamental Transaction*. If the Company shall at any time consolidate with or merge into another Person (other than a Fundamental Transaction), reorganize or recapitalize or reclassify its Ordinary Shares or sell or otherwise dispose of all or substantially all of its assets or effectuate a similar transaction, in each case in such a way that the holders of Ordinary Shares are entitled to receive (either directly or upon subsequent liquidation) securities and/or property with respect to or in exchange for Ordinary Shares, the Holder of any Warrants will thereafter receive, upon the exercise thereof in accordance with the terms of this Agreement, the securities or property to which the holder of the number of Ordinary Shares then deliverable upon the exercise or conversion of such Warrants would have been entitled upon such consolidation, merger, recapitalization, reclassification, or sale or other disposition of all or substantially all of its assets and the Company shall take such steps in connection with such consolidation, merger, recapitalization, reclassification, or sale or other disposition as may be necessary to assure that the provisions hereof shall thereafter be applicable (including the adjustment provisions of this Section 10), as nearly as reasonably may be, in relation to any securities or property thereafter deliverable upon the exercise of the Warrants. The Company or the successor Person, as the case may be, shall execute and deliver to the Warrant Agent (for further delivery to Holders) a supplemental agreement so providing. In addition, such supplemental agreement shall provide that the successor Person assumes all of the duties and obligations of the Company under this Agreement. A sale of all or substantially all the assets of the Company (other than a Fundamental Transaction) for consideration (apart from the assumption of obligations) consisting primarily of securities shall be deemed a consolidation or merger for the foregoing purposes. The provisions of this Section 10(p) shall similarly apply to successive mergers or consolidations or sales or other transfers or transactions.

(q) *Foreign Currency.* If any of the consideration referred to in any of the provisions of this Section 10 is receivable in a currency other than U.S. dollars (a "Foreign Currency") such consideration shall be translated into U.S. dollars for the purposes of this Section 10 at the Exchange Rate on the date as of which said consideration is required to be calculated. "Exchange Rate" means the rate at which a Foreign Currency may be exchanged into U.S. dollars as set forth at approximately 11:00 a.m. on any day of determination on the Reuters World Currency Page for such Foreign Currency. In the event that such rate does not appear on any Reuters World Currency Page, the Exchange Rate shall be determined by reference to such other publicly available service for displaying exchange rates as may be reasonably agreed to by the Company.

SECTION 11. Fractional Warrant Shares. Notwithstanding any adjustment pursuant to Section 10 in the number of Warrant Shares issuable upon the exercise of a Warrant, the Company shall not be required to issue Warrants to subscribe for fractions of Warrant Shares, or to issue fractions of Warrant Shares upon exercise of the Warrants, or to distribute certificates which evidence fractional Warrant Shares. If more than one Warrant shall be presented for exercise in full at the same time by the same Holder, the number of full Warrant Shares which shall be issuable upon the exercise thereof shall be computed on the basis of the aggregate number of Warrant Shares purchasable on exercise of the Warrants so presented. If any fraction of a Warrant Share would, except for the provisions of this Section 11, be issuable on the exercise of any Warrants (or specified portion thereof), the Company shall pay an amount in cash equal to the Market Price per Ordinary Share, as determined on the day immediately preceding the date on which the Holder delivered the applicable Warrant Exercise Notice, multiplied by such fraction, computed to the nearest whole U.S. cent. Whenever a payment for fractional Warrant Shares is to be made by the Warrant Agent, the Company shall (i) promptly prepare and deliver to the

Warrant Agent a certificate setting forth in reasonable detail the facts related to such payments and the prices and/or formulas utilized in calculating such payments, and (ii) provide sufficient monies to the Warrant Agent to make such payments. The Warrant Agent shall be fully protected in relying upon such a certificate and shall have no duty with respect to, and shall not be deemed to have knowledge of any payment for Warrant Shares under any Section of this Agreement relating to the payment of fractional Warrant Shares unless and until the Warrant Agent shall have received such a certificate and sufficient monies. Payments to owners of beneficial interests in Global Warrants shall be made in accordance with the policies and procedures of the Depository. Any amount paid by the Company pursuant to this Section shall only be paid after the Exercise Price has been paid in full and may not be used by the recipient thereof to fund directly or indirectly the Exercise Price for the Warrant Shares issued to such recipient.

SECTION 12. Redemption. Other than as set forth in Section 10(o) (*Fundamental Transactions*) hereof, the Warrants shall not be redeemable by the Company or any other Person.

SECTION 13. Notices to Warrantholders. Except as provided in Section 10(o) with respect to Fundamental Transaction Notice Procedures, upon any adjustment of (i) the number of Warrant Shares deliverable upon exercise of each Warrant, (ii) the Exercise Price and/or (iii) the number or amount, as applicable, and type, of securities, or other property for which Warrants may be exercised, including any adjustment pursuant to Section 10, the Company, within five (5) Business Days thereafter, shall (x) prepare and, if applicable, cause to be filed with the Warrant Agent, a certificate signed by an Appropriate Officer of the Company setting forth the event giving rise to such adjustment, such adjustment and setting forth in reasonable detail the method of calculation and the facts upon which such adjustment was made, and (y) give, or direct the Warrant Agent to give, written notice and a copy of such certificate to each of the registered Holders at such Holder's address appearing on the Warrant Register, for further delivery to owners of beneficial interests in Global Warrants in accordance with the policies and procedures of the Depository. Where appropriate, such notice may be given in advance and included as a part of the notice required to be mailed under the other provisions of this Section 13. The Warrant Agent shall be fully protected in relying on any such certificate and in making any adjustment described therein and shall have no duty (absent its own fraud, gross negligence, bad faith or willful misconduct (each as determined by a final non-appealable order, judgment, ruling or decree of a court of competent jurisdiction)) with respect to, and shall not be deemed to have knowledge of, any adjustment unless and until it shall have received such a certificate. For the avoidance of doubt, the Warrant Agent shall not have any duty or obligation to investigate, verify or confirm the accuracy or completeness of such certificate.

If:

(i) the Company proposes to take any action that would require an adjustment pursuant to Section 10 hereof (unless no adjustment is required pursuant to Section 10(l) hereof);

(ii) there shall be a dissolution, liquidation or winding up of the Company (other than in connection with a consolidation, merger or sale of all or substantially all of its property, assets and business as an entirety); or

(iii) the Company provides any notices to holders of its Ordinary Shares,

then the Company shall give notice to (or, if applicable, cause written notice of such event to be filed with the Warrant Agent and cause written notice of such event to be given to) each of the Holders at such Holder's address appearing on the Warrant Register, for further delivery to owners of beneficial interests in Global Warrants in accordance with the policies and procedures of the Depository, such giving of notice to be completed at least ten (10) Business Days prior to the effective date of such action (or the applicable record date for such action if earlier), or, in the case of clause (iii), at such time as such notices are provided to holders of Ordinary Shares; *provided* that in the case of clause (iii), any notice that is

made publicly available via the SEC's EDGAR filing system, the Company's website or is otherwise made publicly available will be deemed to have been provided in accordance with this Section 13. Such notice shall specify, as applicable, the proposed effective date of such action and the record date and the material terms of such action. The failure to give the notice required by this Section 13 or any defect therein shall not affect the legality or validity of any action, distribution, right, warrant, dissolution, liquidation or winding up or the vote upon or any other action taken in connection therewith.

SECTION 14. Merger, Consolidation or Change of Name of the Warrant Agent. Any Person into which the Warrant Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Warrant Agent is a party, or any Person succeeding to the shareholder services business of the Warrant Agent or any successor Warrant Agent, shall be the successor to the Warrant Agent hereunder without the execution or filing of any document or any further act on the part of any of the parties hereto, if such Person would be eligible for appointment as a successor Warrant Agent under the provisions of Section 16. If any of the Warrants have been countersigned but not delivered at the time such successor to the Warrant Agent succeeds under this Agreement, any such successor to the Warrant Agent may adopt the countersignature of the original Warrant Agent; and if at that time any of the Warrants shall not have been countersigned, any successor to the Warrant Agent may countersign such Warrants either in the name of the predecessor Warrant Agent or in the name of the successor Warrant Agent; and in all such cases such Warrants shall have the full force provided in the Warrants and in this Agreement.

If at any time the name of the Warrant Agent is changed and at such time any of the Global Warrants have been countersigned but not delivered, the Warrant Agent whose name has changed may adopt the countersignature under its prior name; and if at that time any of the Global Warrants have not been countersigned, the Warrant Agent may countersign such Global Warrants either in its prior name or in its changed name; and in all such cases such Global Warrants shall have the full force provided in the Global Warrants and in this Agreement.

SECTION 15. Warrant Agent. The Warrant Agent undertakes only the duties and obligations expressly imposed by this Agreement and the Warrants, in each case upon the following terms and conditions, by all of which the Company and the Holders, by their acceptance thereof, shall be bound:

(i) The statements contained herein and in the Global Warrants shall be taken as statements of the Company, and the Warrant Agent assumes no responsibility for the accuracy of any of the same except to the extent that such statements describe the Warrant Agent or action taken or to be taken by the Warrant Agent. Except as expressly provided herein, the Warrant Agent assumes no responsibility with respect to the execution, delivery or distribution of the Global Warrants.

(ii) The Warrant Agent shall not be responsible for any failure of the Company to comply with any of the covenants contained in this Agreement or in the Global Warrants to be complied with by the Company, nor shall it at any time be under any duty or responsibility to any Holder to make or cause to be made any adjustment in the Exercise Price or in the Warrant Number (except as instructed in writing by the Company), or to determine whether any facts exist that may require any such adjustments, or with respect to the nature or extent of or method employed in making any such adjustments when made.

(iii) The Warrant Agent may consult at any time with counsel satisfactory to it (who may be counsel for the Company or an employee of the Warrant Agent), and the advice or opinion of such counsel will be full and complete authorization and protection to the Warrant Agent as to any action taken, suffered or omitted by it in accordance with such advice or opinion, absent fraud, recklessness, bad faith or willful misconduct, in the selection and continued retention of such counsel and the reliance on such counsel's advice or opinion.

(iv) The Warrant Agent shall incur no liability or responsibility to the Company or to any Holder for any action taken in reliance on any written notice, resolution, waiver, consent, order, certificate or other paper, document or instrument believed by it to be genuine and to have been signed, sent or presented by the proper party or parties. The Warrant Agent shall not take any instructions or directions except those given in accordance with this Agreement, and the Warrant Agent shall be indemnified and held harmless by the Company for acting on any such instructions, including, without limitation, instructions given pursuant to the terms of this Agreement by persons other than the Company.

(v) The Company agrees to pay to the Warrant Agent reasonable compensation for all services rendered by the Warrant Agent under this Agreement as shall be separately agreed in writing between the Company and the Warrant Agent, to reimburse the Warrant Agent upon demand for all reasonable out-of-pocket expenses, including counsel fees and other disbursements, incurred by the Warrant Agent in the preparation, administration, delivery, execution and amendment of this Agreement and the performance of its duties under this Agreement and to indemnify the Warrant Agent and save it harmless against any and all losses, liabilities and expenses, including judgments, damages, fines, penalties, claims, demands and costs (including reasonable out-of-pocket counsel fees and expenses), for anything done or omitted by the Warrant Agent arising out of or in connection with this Agreement except (i) as a result of its fraud, recklessness, bad faith or willful misconduct (in each case as finally determined by a judgment of a court of competent jurisdiction) and (ii) any tax imposed on or calculated by reference to the net income received or receivable by the Warrant Agent. The costs and expenses incurred by the Warrant Agent in enforcing the right to indemnification shall be paid by the Company except to the extent that the Warrant Agent is not entitled to indemnification due to its fraud, gross negligence, bad faith or willful misconduct (in each case as finally determined by a judgment of a court of competent jurisdiction). Notwithstanding the foregoing, the Company shall not be responsible for any settlement made without its written consent, which consent shall not be unreasonably withheld, condition or delayed; *provided*, that nothing in this sentence shall limit the Company's obligations contained in this paragraph other than pursuant to such a settlement. Notwithstanding anything contained herein to the contrary, except to the extent arising from fraud, gross negligence, bad faith or willful misconduct of the Warrant Agent (in each case as finally determined by a judgment of a court of competent jurisdiction), the Warrant Agent's aggregate liability to the Company during any term of this Agreement with respect to, arising from, or in connection with this Agreement, or from all services provided or omitted to be provided under this Agreement, whether in contract, in tort, or otherwise, is limited to, and shall not exceed, the amounts paid hereunder by the Company to the Warrant Agent as fees and charges in the twelve (12) months immediately preceding the event for which recovery is sought, but not including reimbursable expenses.

(vi) The Warrant Agent shall be under no obligation to institute any action, suit or legal proceeding or to take any other action likely to involve expense or liability unless the Company (if it is the party seeking such action) or one or more Holders (if they are the parties seeking such action) furnishes the Warrant Agent with security and indemnity satisfactory to the Warrant Agent for any costs or expenses that may be incurred. All rights of action under this Agreement or under any of the Warrants may be enforced by the Warrant Agent without the possession of any of the Warrants or the production thereof at any trial or other proceeding relative thereto, and any such action, suit or proceeding instituted by the Warrant Agent shall be brought in its name as Warrant Agent, and any recovery or judgment shall be for the ratable benefit of the Holders, as their respective rights or interests may appear.

(vii) The Warrant Agent, and any member, shareholder, affiliate, director, officer or employee thereof, may buy, sell or deal in any of the Warrants or other securities of the Company or become pecuniarily interested in any transaction in which the Company is interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it was not the Warrant Agent under this Agreement, or a member, shareholder, affiliate director, officer or employee of the Warrant Agent, as the case may be. Nothing herein shall preclude the Warrant Agent from acting in any other capacity for the Company or for any other legal entity.

(viii) The Warrant Agent shall act hereunder solely as agent for the Company, and its duties shall be determined solely by the provisions hereof. The Warrant Agent shall not be liable for anything that it may do or refrain from doing in connection with this Agreement except in connection with its own fraud, gross negligence, bad faith or willful misconduct (in each case as finally determined by a judgment of a court of competent jurisdiction). Notwithstanding anything in this Agreement to the contrary, in no event will the Warrant Agent be liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Warrant Agent has been advised of the possibility of such loss or damage.

(ix) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

(x) The Warrant Agent shall not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due and validly authorized execution hereof by the Warrant Agent) or in respect of the validity or execution of any Global Warrant (except its due and validly authorized countersignature thereof), nor shall the Warrant Agent by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of the Warrant Shares to be issued pursuant to this Agreement or any Warrant or as to whether the Warrant Shares will when issued be validly issued, fully paid and nonassessable or as to the Exercise Price or the Warrant Number.

(xi) Whenever in the performance of its duties under this Agreement the Warrant Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, the Warrant Agent is hereby authorized and directed that it may accept instructions

with respect to the performance of its duties hereunder from an Appropriate Officer of the Company and to apply to such Appropriate Officer for advice or instructions in connection with its duties, and such instructions shall be full authorization and protection to the Warrant Agent and, absent fraud, gross negligence, bad faith or willful misconduct (in each case as finally determined by a judgment of a court of competent jurisdiction), the Warrant Agent shall not be liable for any action taken, suffered to be taken, or omitted to be taken by it in accordance with instructions of any such Appropriate Officer or in reliance upon any statement signed by any one of such Appropriate Officers of the Company with respect to any fact or matter (unless other evidence in respect thereof is herein specifically prescribed) which may be deemed to be conclusively proved and established by such signed statement.

(xii) No provision of this Agreement shall require the Warrant Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if it believes that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

(xiii) If the Warrant Agent shall receive any written notice or demand (other than notice of or demand for exercise of Warrants) addressed to the Company by any Holder pursuant to the provisions of the Warrants, the Warrant Agent shall promptly forward such notice or demand to the Company.

(xiv) The Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys, accountants, agents or other experts, and the Warrant Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company or the Holders resulting from any such act, default, neglect or misconduct, absent fraud, gross negligence, bad faith or willful misconduct in the selection and continued employment thereof.

(xv) The Warrant Agent will not be under any duty or responsibility to ensure compliance with any applicable federal or state securities laws in connection with the issuance, transfer or exchange of the Warrants.

(xvi) The Warrant Agent shall have no duties, responsibilities or obligations as the Warrant Agent except those which are expressly set forth herein, and in any modification or amendment hereof to which the Warrant Agent has consented in writing, and no duties, responsibilities or obligations shall be implied or inferred. Without limiting the foregoing, unless otherwise expressly provided in this Agreement, the Warrant Agent shall not be subject to, nor be required to comply with, or determine if any Person has complied with, the Warrants, the Plan or any other agreement between or among the parties hereto, even though reference thereto may be made in this Agreement, or to comply with any notice, instruction, direction, request or other communication, paper or document other than as expressly set forth in this Agreement.

(xvii) The Warrant Agent shall not incur any liability for not performing any act, duty, obligation or responsibility by reason of any occurrence beyond the control of the Warrant Agent (including without limitation any act or provision of any present or future law or regulation or governmental authority, any act of God, war, civil disorder, occurrence of epidemic or pandemic or failure of any means of communication).

(xviii) In the event the Warrant Agent believes any ambiguity or uncertainty exists hereunder or in any notice, instruction, direction, request or other communication, paper or document received by the Warrant Agent hereunder, or is for any reason unsure as to what action to take hereunder (collectively, "Notice"), the Warrant Agent shall notify the Company (and, if the Notice is provided by a Holder, Agent Member or owner of beneficial interests in a Global Warrant, such Holder, Agent Member or owner of beneficial interests in a Global Warrant (in the case of an Agent Member or owner of a beneficial interest in a Global Note, only to the extent the identify of such Agent Member or owner of a beneficial interest is determinable by the Warrant Agent based solely on the Notice received) in writing as soon as practicable, and upon delivery of such notice may, in its sole discretion, refrain from taking any action, and shall be fully protected and shall not be liable in any way to the Company or any Holder or other Person for refraining from taking such action, unless the Warrant Agent receives written instructions signed by the Company which eliminates such ambiguity or uncertainty to the satisfaction of the Warrant Agent.

(xix) The provisions of this Section 15 shall survive the termination of this Agreement, the exercise or expiration of the Warrants and the resignation or removal of the Warrant Agent.

(xx) No provision of this Agreement shall be construed to relieve the Warrant Agent from liability for its own fraud, gross negligence, bad faith or its willful misconduct (in each case as finally determined by a judgment of a court of competent jurisdiction) in the performance of its duties hereunder.

SECTION 16. Change of Warrant Agent. If the Warrant Agent resigns (such resignation to become effective not earlier than thirty (30) calendar days after the giving of written notice thereof to the Company and the Holders) or shall be adjudged bankrupt or insolvent, or shall file a voluntary petition in bankruptcy or make an assignment for the benefit of its creditors or consent to the appointment of a receiver of all or any substantial part of its property or affairs, or if an order of any court shall be entered approving any petition filed by or against the Warrant Agent under the provisions of bankruptcy laws or any similar legislation, or if a receiver, trustee or other similar official of it or of all or any substantial part of its property shall be appointed, or if any public officer shall take charge or control of it or of its property or affairs, for the purpose of rehabilitation, conservation, protection, relief, winding up or liquidation, or becomes incapable of acting as Warrant Agent or if the Board by resolution removes the Warrant Agent (such removal to become effective not earlier than thirty (30) calendar days after the filing of a certified copy of such resolution with the Warrant Agent and the giving of written notice of such removal to the Holders), the Company shall appoint a successor to the Warrant Agent; *provided* that, if the Initial Holder continues to hold or own any beneficial interests in any Warrants at such time, such successor shall be reasonably acceptable to the Initial Holder. In the event any transfer agency relationship in effect between the Company and the Warrant Agent terminates, the Warrant Agent will be deemed to have resigned automatically and be discharged from its duties under this Agreement as of the effective date of such termination, and the Company shall be responsible for sending any required notice to Holders. If the Company fails to make such appointment within a period of thirty (30) calendar days after such removal or after it has been so notified in writing of such resignation or incapacity by the Warrant Agent, then any Holder may apply to any court of competent jurisdiction for the appointment of a successor to the Warrant Agent. Pending appointment of a successor to the Warrant Agent, either by the Company or by such a court, the duties of the Warrant Agent shall be carried out by the Company.

Any successor Warrant Agent, whether appointed by the Company or by such a court, shall be an entity, in good standing, incorporated under the laws of any state or of the United States of America. As soon as practicable after appointment of the successor Warrant Agent, the Company shall cause written notice of the change in the Warrant Agent to be given to each of the Holders at such Holder's address appearing on the Warrant Register. After appointment, the successor Warrant Agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Warrant Agent without further act or deed. The former Warrant Agent shall deliver and transfer to the successor Warrant Agent any property at the time held by it hereunder and execute and deliver, at the expense of the Company and without further liability to the Warrant Agent, any further assurance, conveyance, act or deed necessary for the purpose. Failure to give any notice provided for in this Section 16 or any defect therein, shall not affect the legality or validity of the removal of the Warrant Agent or the appointment of a successor Warrant Agent, as the case may be.

SECTION 17. Holder Not Deemed a Shareholder. Nothing contained in this Agreement or in any of the Warrants shall be construed as conferring upon the Holders thereof the right to vote or to receive dividends or to participate in any transaction that would give rise to an adjustment of the Exercise Price under Section 10 or to consent or to receive notice as shareholders in respect of the meetings of shareholders or for the election of directors of the Company or any other matter, or any rights whatsoever as shareholders of the Company.

SECTION 18. Notices to Company and Warrant Agent. Any notice or demand authorized or permitted by this Agreement to be given or made by the Warrant Agent or by any Holder to or on the Company to be effective shall be in writing (including by electronic transmission including portable document format (pdf.)), and shall be deemed to have been duly given or made when delivered by hand, or two (2) Business Days after being delivered to a recognized courier (whose stated terms of delivery are two (2) Business Days or less to the destination of such notice), or five (5) days after being deposited in the mail, first class and postage prepaid or, in the case of notice by electronic transmission, when received, addressed as follows (until another address is filed in writing by the Company with the Warrant Agent):

SECTION 19. Payment of Taxes and Charges. The Company will pay when due and payable all documentary stamp taxes and charges, if any, that may be payable in respect of (i) the initial issuance or delivery of each Warrant, (ii) the transfer or exchange of Global Warrants pursuant to Section 5(a) hereof (*provided* such transfer or exchange does not (x) result in any change in beneficial ownership of such Global Warrant or (y) occur in connection with or in contemplation of a sale to any other Person) and (iii) the initial issuance of Warrant Shares upon the exercise of Warrants; *provided*, *however*, that neither the Company nor the Warrant Agent shall be required to pay any such tax or taxes which may be payable in respect of any transfer involved in the issuance of Warrants or Warrant Shares in a name other than that of the registered Holder of a Warrant surrendered upon the exercise of said Warrant, and the Company shall not be required to issue or deliver such Warrants or Warrant Shares unless or until the Person or Persons requesting the issuance thereof (if other than the Holder of such Warrant) shall have paid to the Company the amount of all transfer taxes or similar government charges or shall have established to the satisfaction of the Company (acting reasonably) that such taxes or charges have been paid or that the transfer is exempt or subject to a relief from such taxes or charges. The Warrant Agent shall have no duty to deliver such Warrants or Warrant Shares or take any other action requiring the payment of taxes or charges unless and until it is satisfied that all such taxes and charges have been paid.

Subject to applicable law, the Company, at its absolute discretion, may, or may procure that a subsidiary of the Company shall, pay Irish stamp duty arising on a transfer of Warrants on behalf of the transferee of such Warrants of the Company (or may elect not to pay or procure the payment of such stamp duty). If stamp duty resulting from the transfer of Warrants in the Company which would otherwise by payable by the transferee is paid by the Company or any subsidiary of the Company on behalf of the transferee, then in those circumstances, the Company shall, on its or on behalf of its subsidiary (as the case may be), be entitled to (i) reimbursement of the stamp duty from the transferee, (ii) cancel Warrants having a Market Value equal to the stamp duty paid by the Company (rounded up to the nearest whole Warrant) and (iii) claim a first and paramount lien on the Warrants on which stamp duty has been paid by the Company or its subsidiary for the amount of stamp duty paid.

SECTION 20. Exercise of Warrants and Beneficial Ownership Limitations.

(a) *Limitations on Exercise*. No Holder, including for purposes of this section, owners of beneficial interests in Global Warrants, shall have the right to exercise any Warrant, pursuant to Section 6 or otherwise, and no such exercise shall be effective, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Warrant Exercise Notice, the Holder (together with the Holder's Affiliates, and any other Person whose beneficial ownership of Ordinary Shares would be aggregated with the Holder's for purposes of Section 13(d) of the Exchange Act and the applicable rules and regulations of the SEC, including any "group" (within the meaning of the Exchange Act) of which the Holder or any such other Person is a member (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation,

provided that (i) a Holder may waive the application of the limitations in this Section 20(a) to such Holder upon sixty-five (65) calendar days' prior written notice to the Company by such Holder and (ii) the limitations in this Section 20(a) shall not apply in the event of a Fundamental Transaction. For the avoidance of doubt, a Holder shall be permitted to exercise a number of Warrants, at any time, sufficient for the Holder and Attribution Parties to maintain in the aggregate beneficial ownership of Ordinary Shares in an amount equal to or less than the then-applicable Beneficial Ownership Limitation, including if and to the extent that the Company issues additional Ordinary Shares for any reason (including, for the avoidance of doubt, any exercise, exchange or conversion of warrants, options or convertible securities or other securities into Ordinary Shares). Notwithstanding any other provision of this Agreement, by accepting a Warrant, each Holder shall be deemed to have agreed not to exercise any Warrants or any rights attaching to the Warrants, or take any action in respect of the Warrants in breach of the ITRs and any such exercise or action shall be invalid.

(b) *Calculation of Limitation*. To the extent that the limitation contained in Section 20(a) applies, the determination of whether a Warrant is exercisable (in relation to other securities owned by the Holder thereof together with any Affiliates and Attribution Parties) shall be in the sole discretion of such Holder. The submission of a Warrant Exercise Notice by a Holder shall be deemed to be such Holder's representation (upon which the Company and the Warrant Agent, if any, shall be entitled to rely without any investigation or verification) that either (i) such Holder has waived the application of the limitations in Section 20(a) pursuant to Section 20(a)(i) and such waiver has become effective or (ii) such proposed exercise of the Warrant or Warrants subject to such Warrant Exercise Notice is not in excess of the limitation contained in Section 20(a). Neither the Company nor the Warrant Agent, if any, shall have any liability to a Holder or any other Person in respect of the Company's and such Warrant Agent's reliance on such Holder's representation contained (or deemed contained) in a Warrant Exercise Notice, any breach of such representation, error in any underlying calculation or understanding of the facts or legal determinations on which it is based, or any other actual or apparent non-compliance by such Holder with the limitation set forth herein. For purposes of this Section 20, in determining the number of outstanding Ordinary Shares, a Holder may rely on the number of outstanding Ordinary Shares as reflected in (A) the Company's most recent periodic or annual report filed with the SEC, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company setting forth the number of Ordinary Shares outstanding; provided, that, in the case of clause (B) and (C), the Holder may rely only on the most recent such announcement or notice. In each case, the number of outstanding Ordinary Shares shall be determined by the Holder after giving effect to the conversion or exercise of securities of the Company, including any Warrant then being exercised, by the Holder or otherwise included in the Holder's beneficial ownership since the date as of which such number of outstanding Ordinary Shares was reported.

(c) *Beneficial Ownership Limitation Percentage*. The "Beneficial Ownership Limitation" shall be 9.9% of the number of Ordinary Shares outstanding immediately after giving effect to the issuance of Ordinary Shares issuable upon exercise of any Warrants in respect of which an Exercise Notice has been delivered to the Warrant Agent.

SECTION 21. Noncircumvention. The Company hereby covenants and agrees that it will not, by amendment of its constitution, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issuance or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms applicable to Warrants hereunder, and will at all times in good faith carry out all of the provisions of this Agreement.

SECTION 22. Supplements and Amendments. This Agreement constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof and may not be amended, except in a writing signed by both of them. The Company and the Warrant Agent may from time to time supplement or amend this Agreement or the Warrants (i) without the approval of any Holders in order to cure any ambiguity, manifest error or other mistake in this Agreement or the Warrants, or to correct or supplement any provision contained herein or in the Warrants that may be defective or inconsistent with any other provision herein or in the Warrants, or to make any other provisions in regard to matters or questions arising hereunder that the Company and the Warrant Agent may deem necessary or desirable and that shall not adversely affect, alter or change the interests of the Holders or (ii) with the prior written consent of Holders of the Warrants exercisable for a majority of the Warrant Shares then issuable upon exercise of the Warrants then outstanding (and, if the Initial Holder or the Opioid Trust (or a nominee of the Opioid Trust) at such time holds Warrants exercisable for less than a majority of the Warrant Shares, the Initial Holder or the Opioid Trust, as applicable); *provided*, *however*, that the prior written consent of each Holder of Warrants affected thereby shall be required for any amendment of this Agreement pursuant to which the Exercise Price would be increased, the Warrant Number would be decreased or the Expiration Date would be advanced to an earlier date. Notwithstanding anything to the contrary herein, if upon the delivery of a certificate from an Appropriate Officer of the Company which states that the proposed supplement or amendment is in compliance with the terms of this Section 22 and, *provided*, that such supplement or amendment does not adversely affect the Warrant Agent's rights or increase the Warrant Agent's duties, liabilities or obligations hereunder, the Warrant Agent shall execute such supplement or amendment. Any amendment, modification or waiver effected pursuant to and in accordance with the provisions of this Section 22 will be binding upon all Holders and upon each future Holder, the Company, and the Warrant Agent. In the event of any amendment, modification or waiver, the Company will give prompt notice thereof to all Holders and, if appropriate, notation thereof will be made on all certificates representing Warrants thereafter surrendered for registration of transfer or exchange. No supplement, modification or waiver to this Agreement shall be effective unless duly executed by the Warrant Agent.

SECTION 23. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company, any Holder, the Opioid Trust or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns hereunder.

SECTION 24. Termination. This Agreement shall terminate at 5:02 p.m., New York City time, on the Expiration Date (or at 5:02 p.m., New York City Time, on the Business Day immediately following the Expiration Date, with respect to any Warrant exercised as set forth in the last sentence of Section 6(b)). Notwithstanding the foregoing, this Agreement will terminate on such earlier date on which all outstanding Warrants have been exercised. Termination of this Agreement shall not relieve the Company or, if applicable, the Warrant Agent of any of their obligations arising prior to the date of such termination or in connection with the settlement of any Warrant exercised prior to 5:00 p.m., New York City time, on the Expiration Date. The provisions of Section 15, this Section 24, Section 25 and Section 26 shall survive such termination and the resignation or removal of the Warrant Agent.

SECTION 25. Governing Law Venue and Jurisdiction; Trial By Jury. This Agreement and each Warrant issued hereunder shall be deemed to be a contract made under the laws of the State of New York and for all purposes shall be governed by and construed in accordance with the laws of such state. Each party hereto consents and submits to the jurisdiction of the courts of the State of New York and of the federal courts of the Southern District of New York in connection with any action or proceeding brought against it that arises out of or in connection with, that is based upon, or that relates to this Agreement or the transactions contemplated hereby. In connection with any such action or proceeding in any such court, each party hereto hereby waives personal service of any summons, complaint or other process and

hereby agrees that service thereof may be made in accordance with the procedures for giving notice set forth in Section 18 hereof. Each party hereto hereby waives any objection to jurisdiction or venue in any such court in any such action or proceeding and agrees not to assert any defense based on lack of jurisdiction or venue in any such court in any such action or proceeding. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any action, proceeding or counterclaim as between the parties directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby or disputes relating hereto. Each of the parties hereto (i) certifies that no representative, agent or attorney of any other party hereto has represented, expressly or otherwise that such other party hereto would not, in the event of litigation, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 25.

SECTION 26. Benefits of this Agreement. Nothing in this Agreement shall be construed to give to any Person other than the Company, the Warrant Agent and the Holders any legal or equitable right, remedy or claim under this Agreement, and this Agreement shall be for the sole and exclusive benefit of the Company, the Warrant Agent, the Holders and owners of beneficial interests in Global Warrants.

SECTION 27. Counterparts. This Agreement may be executed (including by means of electronically transmitted portable document format (.pdf) signature pages complying with the U.S. federal ESIGN Act of 2000, *e.g.*, www.docusign.com) in any number of counterparts and each such counterpart shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

SECTION 28. Headings. The headings of sections of this Agreement have been inserted for convenience of reference only, are not to be considered a part hereof and in no way modify or restrict any of the terms or provisions hereof.

SECTION 29. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law in any jurisdiction, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement in such jurisdiction or affect the validity, legality or enforceability of any provision in any other jurisdiction, and the invalid, illegal or unenforceable provision shall be interpreted and applied so as to produce as near as may be the economic result intended by the parties hereto. Upon determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement (subject to obtaining the consents of the applicable Warrant Holders provided for in Section 22, to the extent such consents are required pursuant to such Section) so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible, *provided* that if the parties cannot mutually agree on such modification, the parties hereby agree that the court or governmental body making such determination will have the power to modify the provision in a manner consistent with its objectives such that it is enforceable, and/or to delete specific words or phrases, and in its reduced form, such provision will then be enforceable and will be enforced; *provided*, *further*, that if such excluded provision shall adversely affect the rights, immunities, liabilities, duties or obligations of the Warrant Agent, the Warrant Agent shall be entitled to resign upon ten (10) days' prior written notice to the Company.

SECTION 30. Meaning of Terms Used in Agreement. The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party. Any references to any federal, state, local or foreign statute or law shall also refer to all rules and regulations promulgated thereunder, unless the context

otherwise requires. Unless the context otherwise requires: (a) a term has the meaning assigned to it by this Agreement; (b) forms of the word "include" mean that the inclusion is not limited to the items listed; (c) "or" is disjunctive but not exclusive; (d) words in the singular include the plural, and in the plural include the singular;(e) provisions apply to successive events and transactions; and (f) "hereof", "hereunder", "herein" and "hereto" refer to the entire Agreement and not any section or subsection.

The following terms used in this Agreement shall have the meanings set forth below:

(i) "$" means the currency of the United States.

(ii) "Affiliate" of another Person means any Person directly or indirectly Controlling, Controlled by or under common Control with such other Person. "Control" means the possession, directly or indirectly, of the power to direct the management or policies of a Person, whether through the ownership or voting of securities, by contract or otherwise. "Controlled" and "Controlling" have correlative meanings.

(iii) "Agent Members" means the securities brokers and dealers, banks and trust companies, clearing organizations and other similar organizations that are participants in the Depository's system.

(iv) "Applicable Procedures" means, with respect to any transfer or exchange of or for or exercise of beneficial interests in any Global Warrants, the applicable rules and procedures of the Depository.

(v) "Beneficial Ownership" shall have the meaning assigned to such term in Rule 13d-3 and Rule 13d-5 under the Exchange Act, except that in calculating the beneficial ownership of any particular person, other than for purposes of the application of the limitation on exercise in Section 20 (for which purpose the provisions of Rule 13d-3 will apply), such "person" will be deemed to have beneficial ownership of all securities that such "person" has the right to acquire by conversion or exercise of other securities, whether such right is currently exercisable or is exercisable only after the passage of time. The terms "Beneficially Own" and "Beneficially Owned" have a corresponding meaning.

(vi) "Business Day" means any day that is not a Saturday or Sunday or other day on which banks and financial institutions in New York are authorized or required by law to close.

(vii) "Definitive Warrant" means a Warrant evidenced by a Warrant Certificate that shall not bear the Global Warrant Legend and shall not have the "Schedule of Number of Warrants" attached thereto or issued by electronic entry registration in the Warrant Register.

(viii) "Global Warrant" means each Global Warrant deposited with or on behalf of and registered in the name of the Depository or its nominee, represented by a Warrant Certificate that bears the Global Warrant Legend and that has the "Schedule of Number of Warrants" attached thereto.

(ix) "Global Warrant Legend" means the legend set forth in Section 5(f) hereof, which is required to be placed on all certificates representing Global Warrants issued under this Agreement.

(x) "Holder" means the Person in whose name a Warrant is registered in the Warrant Register. For avoidance of doubt, (a) the only Holder as of the date hereof is the Initial Holder; (b) with respect to any Definitive Warrant, regardless of its form, the Holder is the Person designated as such in the Warrant Register; and (c) with respect to any Global Warrant, the only Holder is the Depository or its nominee (and not the owners of any beneficial interests therein).

(xi) "Major Holder" means, as of any time of determination, any Holder that beneficially owns at least ten percent (10%) of the aggregate amount of Warrants issued on the Effective Date.

(xii) "Market Price" means (A) if in reference to cash, the current cash value on the date of measurement in U.S. dollars, (B) if in reference to equity securities which are listed or admitted for trading on a national securities exchange, the volume-weighted average price for the ten (10) consecutive Trading Days ending on (and including) the Trading Day immediately preceding the date of measurement as reported by Bloomberg (the "VWAP"), of a share (or similar relevant unit) of such securities, or, if the VWAP is not available, the last reported sale price on the Trading Day immediately preceding the date of measurement, or, in case no such reported sale takes place on such day, the average of the last closing bid and ask prices, in either case, as reported for such Trading Day immediately preceding the date of measurement on the principal national securities exchange on which the shares (or similar relevant units) of such securities are listed or admitted for trading or (C) in the case of a security or other property that is not listed and traded in a manner that the quotations referred to in (B) are available for the period required hereunder, the Market Price shall be deemed to be the fair market value per share of such security or other property as determined in good faith by the Board, *provided* that a Major Holder may object in good faith in writing to the Board's calculation of fair market value within ten (10) Business Days of receipt of written notice thereof, setting forth the basis of such objection in reasonable detail. If the Major Holder and the Board are unable to agree on fair market value during the 10 Business-Day period following the delivery of the Major Holder's objection, then the Board shall, at the Company's sole cost and expense, select and approve a nationally recognized independent investment banking corporation retained by the Company for valuation purposes (the "appraiser"), which appraiser shall be subject to approval by the Major Holder, not to be unreasonably withheld, conditioned or delayed. The Market Price established by such appraiser shall be conclusive and binding on the parties.

(xiii) "Ordinary Share Equivalents" means, at any time, the aggregate of all Ordinary Shares of the Company and any other equity securities of the Company on parity (with respect to dividends) with such shares. At any time when the number of Ordinary Share Equivalents is required to be determined, such number shall be equal to the number of shares that have been issued and are outstanding at such time; *provided*, that if any Ordinary Share Equivalents are entitled to a greater amount of dividends per share than that applicable to the Ordinary Shares, the number of such shares shall be appropriately adjusted to equal the number of shares which would be outstanding if Ordinary Share Equivalents received dividends at the same rate as the Ordinary Shares.

(xiv) "Participant" means Person who has an account with the Depository.

(xv) "Person" means any individual, corporation, body corporate, limited partnership, general partnership, limited liability partnership, limited liability company, joint stock company, joint venture, corporation, unincorporated organization, association, company, trust, group or other legal entity, or any governmental or political subdivision or any agency, department or instrumentality thereof.

(xvi) "SEC" means the Securities Exchange Commission.

(xvii) "Trading Day" means each Monday, Tuesday, Wednesday, Thursday and Friday, other than any such day on which securities are not traded on the applicable securities exchange or in the applicable securities market

(xviii) "Warrant Certificate" means a certificate representing Warrants substantially in the form of Exhibit A hereto.

WARRANT CERTIFICATE

MALLINCKRODT PLC

CUSIP No. _____

No. _____ _____ WARRANTS

This Warrant Certificate ("Warrant Certificate") certifies that [Cede & Co.] [_____] or its registered assigns is the registered holder (the "Holder") of the number of warrants ("Warrants") set forth above. Each Warrant entitles the Holder to subscribe for one Ordinary Share (the "Warrant Shares"), nominal value $0.01 per share (the "Ordinary Shares"), of Mallinckrodt plc, a public limited company incorporated in Ireland having registered number 522227 (the "Company"), subject to adjustment as provided in the Warrant Agreement (as defined on the reverse hereof), at an exercise price of $103.40 per share, subject to adjustment as provided in the Warrant Agreement (the "Exercise Price"). The Warrants expire at 5:02 p.m., New York City time, on June 16, 2028 (such date, the "Expiration Date").

Subject to a Cashless Exercise as described below and except as otherwise provided in Section 6(b) of the Warrant Agreement, the aggregate Exercise Price is payable to the Company in lawful money of the United States of America either by certified or official bank or bank cashier's check payable to the order of the Company or by wire transfer in immediately available funds to an account of the Warrant Agent specified in writing by the Warrant Agent for such purpose, no later than 5:00 p.m., New York City time on the Expiration Date. The Warrants are exercisable only pursuant to, and in compliance with, the Warrant Agreement. In lieu of paying the Exercise Price as set forth above, subject to the provisions of the Warrant Agreement, each Warrant shall entitle the Holder thereof, at the election of such Holder, to exercise the Warrant by authorizing the Company to withhold from issuance a number of Warrant Shares issuable upon exercise of all Warrants being exercised by such Holder at such time which, when multiplied by an amount equal to the Market Price (as defined in the Warrant Agreement) of the Warrant Shares, is equal to the aggregate Exercise Price, less the aggregate nominal value of the number of Warrant Shares issuable upon exercise of all Warrants being exercised by such Holder at such time, and such withheld Warrant Shares shall no longer be issuable under such Warrants, and the aggregate amount payable, in cash, in respect of such exercise (payable by or for the account of the Holder thereof on the date of issuance of the Warrant Shares) shall be the product of the nominal value of an Ordinary Share on the date on which the Holder delivers the Warrant Exercise Notice pursuant to Section 6(b) of the Warrant Agreement and the number of Warrant Shares issuable upon exercise pursuant to Section 6 of the Warrant Agreement (a "Cashless Exercise"). Notwithstanding the foregoing, no Cashless Exercise shall be permitted if, as the result of any adjustment made pursuant to Section 10 of the Warrant Agreement, at the time of such Cashless Exercise, Warrant Shares include a cash component, and the Company would be required to pay cash to a Holder upon an exercise of Warrants; *provided*, that in such circumstances, the Company shall use commercially reasonable efforts (subject to the Applicable Procedures, in the case of Global Warrants) to permit payment of the Exercise Price by netting the Exercise Price against the cash payable to a Holder upon exercise.

The Exercise Price and the number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment upon the occurrence of certain events as set forth in the Warrant Agreement.

No Warrant may be exercised after the Expiration Date.

REFERENCE IS HEREBY MADE TO THE FURTHER PROVISIONS OF THIS WARRANT SET FORTH ON THE REVERSE HEREOF. SUCH FURTHER PROVISIONS SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS THOUGH FULLY SET FORTH AT THIS PLACE.

This Warrant shall not be valid unless countersigned by the Warrant Agent (as defined in the Warrant Agreement).

IN WITNESS WHEREOF, the Company has caused this Warrant to be executed as a deed by its duly authorized officer.

The Company and Warrant Agent may deem and treat the registered Holder hereof as the absolute owner of this Warrant (notwithstanding any notation of ownership or other writing hereon made by anyone) for the purpose of any exercise hereof and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

To the extent any provision of this Warrant Certificate conflicts with the express provisions of the Warrant Agreement, the provisions of the Warrant Agreement shall govern and be controlling.

ARTICLE I

DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.01 Definitions.

"Acquired Indebtedness" means, with respect to any specified Person:

(1) Indebtedness of any other Person existing at the time such other Person is merged, consolidated or amalgamated with or into or became a Restricted Subsidiary of such specified Person, and

(2) Indebtedness secured by a Lien encumbering any asset acquired by such specified Person.

Acquired Indebtedness will be deemed to have been Incurred, with respect to clause (1) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary and, with respect to clause (2) of the preceding sentence, on the date of consummation of such acquisition of such assets.

"Additional Interest Rate" means, solely to the extent that the yield to maturity on any MFN Applicable Indebtedness is greater than the yield to maturity on the Notes, the increase, if any, to the interest rate payable on the Notes required to make the yield to maturity on the Notes (giving effect to the initial discount of 2.00% received by the initial purchasers of the Notes) equal to the yield to maturity on any MFN Applicable Indebtedness; provided that in determining the Additional Interest Rate (x) original issue discount or upfront fees (based on the greater of (A) a four-year average life to maturity and (B) the life to maturity that would apply if the applicable Indebtedness were repaid or redeemed on the first date on which it could, by its terms, be optionally prepaid or redeemed without any premium or penalty (other than customary benchmark interest rate "breakage")) shall be included in the calculation of the yield to maturity of both the Notes and the MFN Applicable Indebtedness, (y) if the relevant MFN Applicable Indebtedness includes any interest rate floor, then the amount by which such interest rate floor exceeds the applicable interest benchmark for a three-month interest period at the time of incurrence of such MFN Applicable Indebtedness (or, if the rate for such period is not available or cannot be determined for such benchmark at such time, the longest available interest period with a duration of less than three months), if any, shall be treated as additional interest margin for purposes of calculating the Additional Interest Rate and (z) if the relevant MFN Applicable Indebtedness constitutes variable rate interest determined by reference to any applicable interest benchmark, the portion of such interest attributable to such applicable interest benchmark shall be the applicable interest benchmark for a three-month interest period at the time of incurrence of such MFN Applicable Indebtedness (or, if the rate for such period is not available or cannot be determined for such benchmark at such time, the longest available interest period with a duration of less than three months). The Additional Interest Rate shall be determined in good faith by Lux Issuer acting reasonably.

(b) the then outstanding principal amount of the Note.

"Applicable TA Percentage" shall mean, with respect to any basket, carve-out or exception set forth herein that is subject to a cap based upon the greater of a fixed amount (the "Fixed Component") and a percentage of Total Assets, (a) from and after the delivery of the financial statements required by Section 4.02 with respect to the fiscal quarter of the Parent ending on July 1, 2022 (the "Initial Post-Emergence Financials"), a fraction expressed as a percentage (rounded to the nearest tenth of a percent), the numerator of which is the Fixed Component of such basket, carve-out or exception and the denominator of which is Consolidated Total Assets (determined based upon the Initial Post-Emergence Financials and, notwithstanding the definition of Total Assets, without giving pro forma effect to any event or circumstance that occurs after July 1, 2022) and (b) prior to the delivery of the Initial Post-Emergence Financials, 0.0%.

In the event that the Parent or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the Consolidated Total Net Leverage Ratio is being calculated but prior to the event for which the calculation of the Consolidated Total Net Leverage Ratio is made (the "Consolidated Total Net Leverage Calculation Date"), then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Total Net Leverage Calculation Date (each, for purposes of this definition, a "*pro forma event*") shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any *pro forma* event, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such *pro forma* calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Consolidated Total Net Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

"First Lien Secured Leverage Ratio" means, with respect to any Person, at any date, the ratio of (a) Consolidated Total Indebtedness of such Person and its Restricted Subsidiaries as of such date of calculation (determined on a consolidated basis in accordance with GAAP) that is secured by a Lien on the First Lien Collateral (other than a Lien that is junior to the Liens securing the Notes) less the amount of cash and Cash Equivalents (not to exceed $400,000,000) in excess of any Restricted Cash that would be stated on the balance sheet of such Person and its Restricted Subsidiaries and held by such Person and its Restricted Subsidiaries as of such date of determination to (b) EBITDA of such Person for the four full fiscal quarters for which internal financial statements

are available immediately preceding such date on which such additional Indebtedness is Incurred. In the event that the Parent, an Issuer or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the First Lien Secured Leverage Ratio is being calculated but prior to the event for which the calculation of the First Lien Secured Leverage Ratio is made (the "First Lien Secured Leverage Calculation Date"), then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuers may elect pursuant to an Officers' Certificate delivered to the First Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (a) the Issuer elects pursuant to an Officers' Certificate delivered to the First Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (b) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the First Lien Secured Leverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent, an Issuer or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the First Lien Secured Leverage Calculation Date (each, for purposes of this definition, a "pro forma event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent, an Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the First Lien Secured Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance

with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

"Fixed Charge Coverage Ratio" means, with respect to any Person for any period, the ratio of EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Parent or any of the Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness (other than in the case of any Securitization Financing, in which case interest expense shall be computed based upon the average daily balance of such Indebtedness during the applicable period) or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the "Fixed Charge Calculation Date"), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuer may elect pursuant to an Officers' Certificate delivered to the First Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (i) the Issuer elects pursuant to an Officers' Certificate delivered to the First Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (ii) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the Fixed Charge Coverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Calculation Date (each, for purposes of this definition, a "pro forma event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

SECTION 2.04 Registrar and Paying Agent.

(a) The Issuers shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar") and (ii) an office or agency where Notes may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuers may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrars. The term "Paying Agent" includes the Paying Agent and any additional paying agents. The Issuers initially appoint the First Lien Trustee as Registrar, Paying Agent and Notes Custodian with respect to the Global Notes.

(b) Upon written request from the Issuer, the Registrar shall provide the Issuer with a copy of the register for the Notes. Further, the Registrar(s) shall provide a copy of the register upon written request after any amendment has been made to the register(s).

(c) The Issuers may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the First Lien Trustee in writing of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the First Lien Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Parent or any of its Subsidiaries may act as Paying Agent or Registrar.

(d) The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the First Lien Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor Registrar or Paying Agent, as the case may be, as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the First Lien Trustee or (ii) notification to the First Lien Trustee that the First Lien Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the First Lien Trustee; provided, however, that the First Lien Trustee may resign as Paying Agent or Registrar only if the First Lien Trustee also resigns as First Lien Trustee in accordance with Section 7.08.

SECTION 2.05 Paying Agent to Hold Money in Trust. Prior to 10:00 a.m., New York City time, on each due date of the principal of and interest on any Note, the Issuers shall deposit with the Paying Agent (or if the Parent or a Subsidiary thereof is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Paying Agent shall hold in trust for the benefit of holders or the First Lien Trustee all money held by a Paying Agent for the payment of principal of and interest on the Notes, and shall notify the First Lien Trustee of any default by the Issuers in making any such payment. If the Parent or a Subsidiary thereof acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuers at any time may require a Paying Agent to pay all money held by it to the First Lien Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the First Lien Trustee.

SECTION 2.06 Holder Lists. The First Lien Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of holders. If the First Lien Trustee is not the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, to the First Lien Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the First Lien Trustee may request in writing, a list in such form and as of such date as the First Lien Trustee may reasonably require of the names and addresses of holders.

SECTION 2.07 Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements (including, among other things, the furnishing of appropriate endorsements and transfer documents) therefor are met. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the First Lien Trustee shall authenticate Notes at the Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges payable on transfer that are required by law in connection with any transfer or exchange pursuant to this Section 2.07. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of any Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Guarantors, the First Lien Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuers, the Guarantors, the First Lien Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the holder of such Global Note (or its agent) or (b) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

The First Lien Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the First Lien Trustee, Registrar or Paying Agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 2.08 Replacement Notes. If a mutilated Note is surrendered to the Registrar or if the holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the First Lien Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the holder (a) satisfies the Issuers and the First Lien Trustee within a reasonable time after such holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers and the First Lien Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Issuers and the First Lien Trustee. Such holder shall furnish an indemnity bond sufficient in the judgment of the First Lien Trustee, with respect to the First Lien Trustee, and the Issuers, with respect to the Issuers, to protect the Issuers, the First Lien Trustee, the Paying Agent and the Registrar, as applicable, from any loss or liability that any of them may suffer if a Note is replaced and subsequently presented or claimed for payment. The Issuers and the First Lien Trustee may charge the holder for their expenses in replacing a Note (including without limitation, attorneys' fees and disbursements in replacing such Note). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuers in their discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the First Lien Trustee except for those canceled by it, those paid pursuant to Section 2.08, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 14.05, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers hold the Note.

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the First Lien Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Cancellation. The Issuers at any time may deliver Notes to the First Lien Trustee for cancellation. The Registrar and each Paying Agent shall forward to the First Lien Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The First Lien Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures. The Issuers may not issue new Notes to replace Notes they have redeemed, paid or delivered to the First Lien Trustee for cancellation. The First Lien Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.11 Defaulted Interest. If the Issuers default in a payment of interest on the Notes, the Issuers shall pay the defaulted interest then borne by the Notes (*plus* interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuers may pay the defaulted interest to the Persons who are holders on a subsequent special record date. The Issuers shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the First Lien Trustee and shall promptly mail or cause to be mailed to each affected holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12 CUSIP Numbers, ISINs, Etc. The Issuers in issuing the Notes may use CUSIP numbers, ISINs and "Common Code" numbers (if then generally in use), and the First Lien Trustee shall use any such CUSIP numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Notes and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall promptly advise the First Lien Trustee in writing of any change in any such CUSIP numbers, ISINs and "Common Code" numbers.

SECTION 2.13 Calculation of Principal Amount of Notes. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, and Section 14.05 of this Indenture. Any calculation of the Applicable Premium or Additional Amounts made pursuant to this Section 2.13 shall be made by the Issuer and delivered to the First Lien Trustee pursuant to an Officers' Certificate.

ARTICLE III

REDEMPTION

SECTION 3.01 Redemption. The Notes may be redeemed, in whole or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Note set forth in Exhibit A hereto, which is hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest, to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

SECTION 3.02 Applicability of Article. Redemption of Notes at the election of the Issuers or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article III.

SECTION 3.03 Notices to First Lien Trustee. If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Paragraph 5 of the Note, the Issuers shall notify the First Lien Trustee in an Officers' Certificate of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price. The Issuers shall give notice to the First Lien Trustee provided for in this Section 3.03 at least 10 days but not more than 60 days (or such shorter period as may be agreed by the First Lien Trustee) before a redemption date if the redemption is a redemption pursuant to Paragraph 5 of the Note. The Issuers may also include a request in such Officers' Certificate that the First Lien Trustee give the notice of redemption in the Issuers' name and at their expense and setting forth the form of such notice containing the information required by Section 3.05. Any such request shall be received in writing by the First Lien Trustee at least five (5) Business Days (or such shorter period as is acceptable to the First Lien Trustee) prior to the date on which such notice is to be given. Any such notice may be canceled if written notice from the Issuers of such cancellation is actually received by the First Lien Trustee on the Business Day immediately prior to notice of such redemption being mailed to any holder or otherwise delivered in accordance with the applicable procedures of the Depository and shall thereby be void and of no effect. The Issuers shall deliver to the First Lien Trustee such documentation and records as shall enable the First Lien Trustee to select the Notes to be redeemed pursuant to Section 3.04.

SECTION 3.04 Selection of Notes to Be Redeemed. In the case of any partial redemption of Notes, selection of the Notes for redemption will be made by the First Lien Trustee on a pro rata basis to the extent practicable or by lot or by such other method as the First Lien Trustee shall deem fair and appropriate (and in such manner that complies with the requirements of the Depository, if applicable); *provided* that no Notes of $2,000 or less shall be redeemed in part. The First Lien Trustee shall make the selection from outstanding Notes not previously called for redemption. The First Lien Trustee may select for redemption portions of the principal of Notes that have denominations larger than $2,000. Notes and portions of them the First Lien Trustee selects shall be in amounts of $2,000 or integral multiples of $1,000 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The First Lien Trustee shall notify the Issuers promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.05 Notice of Optional Redemption.

(a) At least 10 but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Note, the Issuers shall mail or cause to be mailed by first-class mail, or delivered electronically if held by the Depository, a notice of redemption to each holder whose Notes are to be redeemed at its registered address (with a copy to the First Lien Trustee), except that redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Notes pursuant to Article VIII.

Any such notice shall identify the Notes including CUSIP numbers to be redeemed and shall state:

(i) the redemption date;

(ii) the redemption price and the amount of accrued interest to, but excluding, the redemption date;

(iii) the name and address of the Paying Agent;

(iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, plus accrued and unpaid interest;

(v) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;

(vi) that, unless the Issuers default in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Notes being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Notes.

(b) At the Issuers' request, the First Lien Trustee shall deliver the notice of redemption in the Issuers' name and at the Issuers' expense. In such event, the Issuers shall notify the First Lien Trustee of such request at least five (5) Business Days (or such shorter period as is acceptable to the First Lien Trustee) prior to the date such notice is to be provided to holders. Such notice shall be in writing and may be sent to the First Lien Trustee via electronic mail. Except as set forth in paragraph 5 of the Note, the notice of redemption may not be canceled once delivered to holders of Notes by the First Lien Trustee.

SECTION 3.06 Effect of Notice of Redemption. Once notice of redemption is mailed or otherwise delivered in accordance with Section 3.05, Notes called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final paragraph of paragraph 5 of the Notes. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, *plus* accrued and unpaid interest to, but excluding, the redemption date; *provided*, *however*, that if the redemption date is after a regular Record Date and on or prior to the next Interest Payment Date, the accrued interest shall be payable to the holder of the redeemed Notes registered on the relevant Record Date. Failure to give notice or any defect in the notice to any holder shall not affect the validity of the notice to any other holder.

SECTION 3.07 Deposit of Redemption Price. With respect to any Notes, prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Parent or a Subsidiary thereof is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the First Lien Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, *plus* accrued and unpaid interest on, the Notes or portions thereof to be redeemed.

SECTION 3.08 Notes Redeemed in Part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original Note.

SECTION 3.09 [Intentionally Omitted].

SECTION 3.10 Redemption for Changes in Withholding Taxes. The Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding, in each case at 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of the holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), and all Additional Amounts, if any, then due and which shall become due on the applicable redemption date as a result of the redemption or otherwise if, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, or the official written interpretation of such laws, which change or amendment is publicly announced and becomes effective after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date) (each of the foregoing changes or amendments, a "Change in Tax Law"), the Issuers are, or on the next interest payment date in respect of the Notes would be, required to pay any Additional Amounts or if, after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), any action is taken by a taxing authority of, or any action has been brought in a court of competent jurisdiction in, a Relevant Taxing Jurisdiction or any taxing authority thereof or therein, including any of those actions that constitutes a Change in Tax Law, whether or not such action was taken or brought with respect to the Issuers, or there is any change, amendment, clarification, application or interpretation of such laws, regulations, treaties or rulings, which in any such case, will result in a material probability that the Issuers will be required to pay Additional Amounts with respect to the Notes (each such action, change, amendment, clarification, application or interpretation, a "Tax Action") (it being understood that such material probability will be deemed to result if the written opinion of independent tax counsel described in clause (ii) below to such effect is delivered to the First Lien Trustee), and, in each case, such obligation to pay Additional Amounts cannot be avoided by taking reasonable measures available to the Issuers (including, for the avoidance of doubt, the appointment of a new paying agent). Notwithstanding the foregoing, no such notice of redemption as a result of a Change in Tax Law or Tax Action will be given (a) earlier than 90 days prior to the earliest date on which the Issuers would be obligated to pay Additional Amounts as a result of a Change in Tax Law or Tax Action and (b) unless, at the time such notice is given, such obligation to pay Additional Amounts remains in effect. Prior to any redemption of Notes pursuant to the preceding paragraph, the Issuers shall deliver to the First Lien Trustee (i) an Officers' Certificate stating that the Issuers are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of redemption have occurred and (ii) an opinion of independent tax counsel reasonably acceptable to the First Lien Trustee to the effect that the Issuers are entitled to redeem the Notes as a result of a Change in Tax Law or a Tax Action. The First Lien Trustee will accept such Officers' Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders.

ARTICLE IV

COVENANTS

SECTION 4.01 Payment of Notes; Segregated Account. The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date the First Lien Trustee or the Paying Agent holds as of 10:00 a.m., New York City time, money sufficient to pay all principal and interest then due and the First Lien Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate borne by the Notes to the extent lawful.

SECTION 4.02 Reports and Other Information.

(a) Notwithstanding that the Parent may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, so long as any Notes are outstanding hereunder, the Parent will furnish to the First Lien Trustee and holders the following:

(i) within the time periods specified in the SEC's rules and regulations for non-accelerated filers, all quarterly and annual financial information of the Parent that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K (or any successor comparable forms) if the Parent were required to file such Forms; and

(ii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time periods specified in the SEC's rules and regulations), current reports that would be required to be filed with the SEC on Form 8-K if the Parent were required to file such reports;

provided that such reports will not be required to contain the separate financial information for the Issuers or the Guarantors contemplated by Rule 3-10 under Regulation S-X promulgated by the SEC (or any successor provision). In addition to providing such information to the First Lien Trustee, the Parent shall make available to the holders, prospective investors, market makers affiliated with any initial purchaser of the Notes and securities analysts the information required to be provided pursuant to clauses (i) and (ii) of this paragraph, by posting such information to its website or on IntraLinks or any comparable online data system or website, it being understood that the First Lien Trustee shall have no responsibility to determine if such information has been posted on any website.

(b) If the Parent has designated any of its Subsidiaries as an Unrestricted Subsidiary and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Parent, then the annual and quarterly information required by clause (i) of the first paragraph of this covenant shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Parent and the Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries.

(c) In the event that:

(i) any direct or indirect parent of the Parent (together with its Subsidiaries other than the Parent and its Subsidiaries)

(1) had consolidated net sales of less than 2.5% of the consolidated net sales of such parent entity and all of its Subsidiaries for the most recently ended four fiscal quarter period of such parent entity; and

(2) had total assets (excluding investments in Subsidiaries, intercompany receivables, intercompany loan receivables, and any other item that would be eliminated in the consolidation of such parent entity's consolidated financial statements) of less than 5.0% of the consolidated total assets of such parent entity and all of its Subsidiaries as of the end of the most recently ended fiscal quarter of such parent;

(ii) in connection with any reporting requirements described in clause (i) of Section 4.02(a), the Parent delivers consolidating financial information that explains, in a reasonable level of detail, the differences between the information relating to any direct or indirect parent entity of the Parent and such entity's Subsidiaries other than the Parent and its Subsidiaries, on the one hand, and the information relating to the Parent and its Subsidiaries on a stand-alone basis, on the other hand; or

(iii) any direct or indirect parent of the Parent is or becomes a Guarantor of the Notes, consolidating reporting at such parent entity's level in a manner consistent with that described in clause (i) of Section 4.02(a) for the Parent will satisfy the requirements of such clause. Upon the occurrence of the event described in clause (iii) above, the Parent may designate such parent entity as the new Parent by delivering an Officers' Certificate to such effect to the First Lien Trustee and such parent entity shall thereafter be deemed to be the Parent for all purposes under this Indenture. If any direct or indirect parent of the Parent is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, then reporting by such parent entity in a manner consistent with that described in clause (ii) of Section 4.02(a) for the Parent will satisfy the requirements of such clause.

(d) In addition, the Parent will make such information available to prospective investors upon request. In addition, the Parent shall, after the Issue Date and for so long as any Notes remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) Notwithstanding the foregoing, the Parent will be deemed to have furnished the reports referred to in this Section 4.02 to the First Lien Trustee and the holders if the Parent has filed such reports with (or furnished such reports to) the SEC via the EDGAR filing system and such reports are publicly available, it being understood that the First Lien Trustee shall have no responsibility to determine if such information has been posted on any website.

(f) Delivery of any reports, information and documents to the First Lien Trustee pursuant to this Section 4.02 is for informational purposes only and the First Lien Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants under this Indenture (as to which the First Lien Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.03 Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) (i) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Parent and the Issuers shall not permit any of the Restricted Subsidiaries (other than any Guarantor or Issuer) to issue any shares of Preferred Stock; *provided*, *however*, that the Parent, any Issuer and any other Guarantor may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary that is not a Guarantor or an Issuer may Incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock or issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) The limitations set forth in Section 4.03(a) shall not apply to:

(i) the Incurrence by the Parent or any Restricted Subsidiary of Indebtedness (including under any Credit Agreement and the issuance and creation of letters of credit and bankers' acceptances thereunder) up to an aggregate principal amount outstanding at the time of Incurrence that does not exceed the greater of (x) (A) at any time when the aggregate principal amount of outstanding Notes is greater than $325 million, $1,913 million and (B) at any other time, $2,163 million, in each case, less the amount of Indebtedness Incurred under this clause 4.03(b)(i)(x) that is repaid, prepaid or otherwise reduced or extinguished without being refinanced with other Indebtedness Incurred under this clause 4.03(b)(i)(x) and (y) the aggregate principal amount of Consolidated Total Indebtedness that at the time of Incurrence does not cause the First Lien Secured Leverage Ratio for the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available, determined on a *pro forma* basis, to exceed the First Lien Incurrence Threshold; *provided* that for purposes of determining the amount of Indebtedness that may be incurred under clause (i)(y) and for all other purposes under this Indenture, all Indebtedness incurred under this clause (i) shall be treated as Indebtedness secured by First Priority Liens;

(ii) the Incurrence by the Parent, the Issuers and the other Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the Guarantees;

(iii) Indebtedness existing on the Issue Date (other than Indebtedness described in clauses (i) and (ii) of this Section 4.03(b)), including, without limitation, the Existing Notes and the guarantees thereof (even if such guarantees are incurred after the Issue Date);

(2) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the Notes or a Guarantee, as applicable, such Refinancing Indebtedness is junior to the Notes or the Guarantee, as applicable, or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock; and

(1) the Parent would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(xxi) Indebtedness of the Parent or any Restricted Subsidiary consisting of (A) the financing of insurance premiums or (B) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business;

(xxiii) Indebtedness in respect of Obligations of the Parent or any Restricted Subsidiary to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services; *provided* that such obligations are incurred in connection with open accounts extended by suppliers on customary trade terms in the ordinary course of business and not in connection with the borrowing of money or any Hedging Obligations;

(xxiv) Indebtedness of, incurred on behalf of, or representing guarantees of Indebtedness of joint ventures, subject to compliance with Section 4.04; and

(xxv) Indebtedness of the Parent or any Restricted Subsidiary to or on behalf of any joint venture (regardless of the form of legal entity) that is not a Restricted Subsidiary arising in the ordinary course of business in connection with the cash management operations (including with respect to intercompany self-insurance arrangements) of the Parent and the Restricted Subsidiaries.

(c) For purposes of determining compliance with this Section 4.03:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted

Indebtedness described in clauses (i) through (xxv) of Section 4.03(b) above or is entitled to be Incurred pursuant to Section 4.03(a), then the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if Incurred at such later time), such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 4.03; *provided* that Indebtedness outstanding under a Credit Agreement entered into on or prior to the Issue Date shall be incurred under clause (i)(x) of Section 4.03(b) above and may not be reclassified;

(2) at the time of Incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the categories of Indebtedness described in Section 4.03(a) or clauses (i) through (xxv) of Section 4.03(b) (or any portion thereof) without giving *pro forma* effect to the Indebtedness Incurred pursuant to any other clause or paragraph of Section 4.03 (or any portion thereof) when calculating the amount of Indebtedness that may be Incurred pursuant to any such clause or paragraph (or any portion thereof); and

(3) in connection with the Incurrence (including with respect to any Incurrence on a revolving basis pursuant to a revolving loan commitment) of any Indebtedness under clause (i)(y) of Section 4.03(b), the Parent or the applicable Restricted Subsidiary may, by written notice to the First Lien Trustee at any time prior to the actual Incurrence of such Indebtedness designate such Incurrence as having occurred on the date of such prior notice, and any related subsequent actual Incurrence will be deemed for all purposes under this Indenture to have been Incurred on the date of such prior notice.

Accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, amortization of original issue discount, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.03. Where any Indebtedness of any Person other than the Parent and the Restricted Subsidiaries is guaranteed by one or more of the Parent and the Restricted Subsidiaries, the aggregate amount of Indebtedness of the Parent and the Restricted Subsidiaries deemed to be Incurred or outstanding as a result of all such guarantees shall not exceed the amount of such guaranteed Indebtedness. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount (or, if applicable, the liquidation preference, face amount, or the like) of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt. However, if the Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and the refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of the refinancing, the U.S. dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount (or, if applicable, the liquidation preference, face amount, or the like) of the refinancing Indebtedness does not exceed the principal amount (or, if applicable, the liquidation preference, face amount, or the like) of the Indebtedness being refinanced, plus any additional Indebtedness Incurred to pay premiums (including tender premiums), accrued and unpaid interest, expenses, underwriting discounts, commissions, defeasance costs and fees in connection therewith.

Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that the Parent and the Restricted Subsidiaries may Incur pursuant to this Section 4.03 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies. The principal amount (or, if applicable, the liquidation preference, face amount, or the like) of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which the respective Indebtedness is denominated that is in effect on the date of the refinancing.

SECTION 4.04 Limitation on Restricted Payments.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any distribution on account of any of the Parent's or any of the Restricted Subsidiaries' Equity Interests, including any payment made in connection with any merger, amalgamation or consolidation involving the Parent (other than (A) dividends or distributions payable solely in Equity Interests (other than Disqualified Stock) of the Parent; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary, the Parent or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase or otherwise acquire or retire for value any Equity Interests of the Parent;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any other Guarantor (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (vii) and (ix) of Section 4.03(b)); or

(iv) make any Restricted Investment;

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments" which term, for the avoidance of doubt, shall not include any Permitted Opioid Settlement Prepayment or other payment with respect to the Opioid Settlement or the Federal/State Acthar Settlement), unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a *pro forma* basis, the Issuer could Incur $1.00 of additional Indebtedness under Section 4.03(a); and

(3) such Restricted Payment (including Restricted Payments permitted by clauses (i) (to the extent that such Restricted Payment would have reduced the Cumulative Credit if made at the date of the declaration or giving of notice referred to therein and without duplication of any such reduction), (ii)(C) (to the extent that the reference to clause (vi) therein operates by reference to clause (vi)(C)), (vi)(C) and (viii) of Section 4.04(b), but excluding all other Restricted Payments permitted by Section 4.04(b)), is less than the amount equal to the Cumulative Credit.

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration or giving notice thereof, if at the date of declaration or the giving notice of such irrevocable redemption, as applicable, such payment would have complied with the provisions of this Indenture;

(ii) (A) the redemption, repurchase, retirement or other acquisition of any Equity Interests ("Retired Capital Stock"), Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any other Guarantor in exchange for, or out of the proceeds of, the substantially concurrent sale of, Equity Interests of the Parent or contributions to the equity capital of the Parent (other than any Disqualified Stock or any Equity Interests sold to a Subsidiary of the Parent) (collectively, including any such contributions, "Refunding Capital Stock");

(B) the declaration and payment of dividends on the Retired Capital Stock out of the proceeds of the substantially concurrent sale (other than to the Issuer or a Subsidiary of the Parent or the Issuer) of Refunding Capital Stock; and

(C) if immediately prior to the retirement of Retired Capital Stock, the declaration and payment of dividends thereon was permitted under clause (vi) of this Section 4.04(b) and not made pursuant to clause (ii)(B), the declaration and payment of dividends on the Refunding Capital Stock (other than Refunding Capital Stock the proceeds of which were used to redeem, repurchase, retire or otherwise acquire any Equity Interests of the Parent) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that were declarable and payable on such Retired Capital Stock immediately prior to such retirement;

(iii) the redemption, repurchase, defeasance, or other acquisition or retirement of Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Parent, an Issuer or a Guarantor which is Incurred in accordance with Section 4.03 so long as:

(A) the principal amount (or accreted value, if applicable) of such new Indebtedness does not exceed the principal amount (or accreted value, if applicable), *plus* any accrued and unpaid interest, of the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, defeased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, acquired or retired, *plus* any tender premiums, *plus* any defeasance costs, fees, underwriting discounts, commissions and expenses incurred in connection therewith);

(B) (i) if the existing Indebtedness of the Parent, an Issuer or any other Guarantor being redeemed, repurchased, defeased, or otherwise acquired or retired for value is Subordinated Indebtedness, such new Indebtedness is subordinated to the Notes or the related Guarantee of such Guarantor, as the case may be, at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, defeased, acquired or retired for value and (ii) if the existing Indebtedness of the Parent, an Issuer or any other Guarantor being redeemed, repurchased, defeased, or otherwise acquired or retired for value is unsecured Indebtedness, such new Indebtedness is unsecured Indebtedness;

(C) such Indebtedness has a final scheduled maturity date equal to or later than the earlier of (x) the final scheduled maturity date of the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, defeased, acquired or retired and (y) 91 days following the last maturity date of any Notes then outstanding; and

(D) such Indebtedness has a Weighted Average Life to Maturity at the time Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being so redeemed, repurchased, defeased, acquired or retired and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness being redeemed, repurchased, defeased, acquired or retired that were due on or after the date that is one year following the last maturity date of any Notes then outstanding were instead due on such date;

(iv) a Restricted Payment to pay for the repurchase, retirement or other acquisition for value of Equity Interests of the Parent held by any future, present or former employee, director, officer or consultant of the Parent or any Subsidiary of the Parent pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other agreement or arrangement; *provided*, *however*, that the aggregate Restricted Payments made under this clause (iv) do not exceed $50.0 million in any calendar year, with unused amounts in any calendar year being permitted to be carried over to succeeding calendar years; *provided*, *further*, *however*, that such amount in any calendar year may be increased by an amount not to exceed:

(xvi) Restricted Payments by the Parent or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person;

(xvii) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness pursuant to the provisions similar to those described in Section 4.06 and Section 4.08; *provided* that all Notes tendered by holders of the Notes in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(xviii) payments or distributions to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a consolidation, amalgamation, merger or transfer of all or substantially all of the assets of the Parent and the Restricted Subsidiaries, taken as a whole, that complies with Section 5.01; *provided* that as a result of such consolidation, amalgamation, merger or transfer of assets, the Issuers shall have made a Change of Control Offer (if required by this Indenture) and that all Notes tendered by holders in connection with such Change of Control Offer have been repurchased, redeemed or acquired for value;

(xix) any Restricted Payments used to fund the Transactions and the payment of Transaction Expenses incurred or owed by the Parent, the Issuer or the Restricted Subsidiaries to Affiliates, and any other payments made, whether payable on the Issue Date or thereafter, in each case to the extent permitted by Section 4.07;

(xx) [reserved]; and

(xxi) other Restricted Payments, *provided* that the Consolidated Total Net Leverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available, determined on a *pro forma* basis, is less than 3.50 to 1.00;

provided, *however*, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (viii), (x), (xi) and (xxi) of this Section 4.04(b), no Default shall have occurred and be continuing or would occur as a consequence thereof; *provided*, *further* that any Restricted Payments made with property other than cash shall be calculated using the Fair Market Value (as determined in good faith by the Issuer) of such property.

(c) Neither the Parent nor the Issuers will permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Parent and the Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Investments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation of a Restricted Subsidiary will only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time.

SECTION 4.05 Dividend and Other Payment Restrictions Affecting Subsidiaries. The Parent and the Issuers shall not, and shall not permit any Material Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of an Issuer or any Material Subsidiary to:

(a) pay dividends or make any other distributions to the Parent or any Restricted Subsidiary (1) on its Capital Stock, or (2) with respect to any other interest or participation in, or measured by, its profits; or

(b) make loans or advances to the Parent or any Restricted Subsidiary that is a direct or indirect parent of such Material Subsidiary,

except in each case for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect or entered into on the Issue Date, including (A) pursuant to the Credit Agreement and the other Credit Agreement Documents and (B) the Existing Notes, the Existing Notes Indentures, and the related guarantees, and, in each case, any similar contractual encumbrances effected by any amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings of such agreements or instruments;

(2) this Indenture, the Notes, the Guarantees, the First Lien Collateral Documents or the Intercreditor Agreements;

(3) applicable law or any applicable rule, regulation or order;

(4) any agreement or other instrument of a Person acquired by the Parent or any Restricted Subsidiary which was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries, or the property or assets of the Person and its Subsidiaries, so acquired;

(5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary;

(6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Section 4.03 and Section 4.12 that limit the right of the debtor to dispose of the assets securing such Indebtedness;

(7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(8) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business;

(9) purchase money obligations for property acquired and Capitalized Lease Obligations in the ordinary course of business;

(10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business;

(11) any encumbrance or restriction that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any such lease, license (including, without limitation, licenses of intellectual property) or other contracts;

(12) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Securitization Financing;

(13) other Indebtedness, Disqualified Stock or Preferred Stock (a) of the Parent or any Restricted Subsidiary that is an Issuer, a Guarantor or a Foreign Subsidiary or (b) of any Restricted Subsidiary that is not an Issuer, a Guarantor or a Foreign Subsidiary so long as such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Issuers' ability to make anticipated principal or interest payments on the Notes (as determined in good faith by the Issuer); *provided* that in the case of each of clauses (a) and (b), such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be Incurred subsequent to the Issue Date pursuant to Section 4.03;

(14) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; or

(15) any encumbrances or restrictions of the type referred to in Section 4.05(a) or (b) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on other Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Parent or a Restricted Subsidiary to other Indebtedness Incurred by the Parent or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06 Asset Sales.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Parent or any Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Parent or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of each of the following shall be deemed to be Cash Equivalents for purposes of this provision:

(i) any liabilities (as shown on the Parent or a Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Parent or a Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any such assets or that are otherwise canceled or terminated in connection with the transaction with such transferee, excluding any other Indebtedness included in the calculation of Consolidated Total Indebtedness that is both (1) unsecured or Junior Priority Indebtedness and (2) a direct obligation of, or guaranteed by, all or substantially all of the Issuers and the Guarantors;

(ii) any notes or other obligations or other securities or assets received by the Parent or such Restricted Subsidiary from such transferee that are converted by the Parent or such Restricted Subsidiary into cash or Cash Equivalents within 180 days of the receipt thereof (to the extent of the cash received);

(iii) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Parent and each Restricted Subsidiary are released from any guarantee of payment of such Indebtedness in connection with the Asset Sale and the assumption of such guarantee, if any, would be deemed to be Cash Equivalents under clause (i) above;

(iv) consideration consisting of Indebtedness of the Parent or any Restricted Subsidiary (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Parent or any Restricted Subsidiary; and

(v) any Designated Non-cash Consideration received by the Parent or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value (as determined in good faith by the Issuer), taken together with all other Designated Non-cash Consideration received pursuant to this Section 4.06(a)(v) that is at that time outstanding, not to exceed the greater of $600.0 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(b) Within 365 days after the Parent's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, the Parent or such Restricted Subsidiary may apply the Net Proceeds from such Asset Sale, at its option:

(i) to repay (A) Indebtedness constituting Bank Indebtedness and other Pari Passu Indebtedness, in each case that is secured by a Lien permitted under this Indenture (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto), (B) Indebtedness of a Restricted Subsidiary that is not a Guarantor, (C) First Priority Notes Obligations or (D) other Pari Passu Indebtedness (*provided* that if the Parent, an Issuer or any Guarantor shall so reduce Obligations under such Pari Passu Indebtedness under this clause (D), the Issuer will equally and ratably reduce First Priority Notes Obligations in accordance with Article III of this Indenture, through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof (or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest, the pro rata principal amount of Notes), in each case other than Indebtedness owed to the Parent or an Affiliate of the Parent; *provided* that the Net Proceeds from an Asset Sale of First Lien Collateral or assets of the Cadence IP Licensee may not be applied to repay any Indebtedness other than the Notes or other Pari Passu Indebtedness secured by a Lien (other than a Lien that is junior in priority to the Liens securing the Notes or any Guarantee) on such First Lien Collateral, except as otherwise permitted under this covenant (provided that if the Parent, an Issuer or any Guarantor shall so repay Obligations under such Pari Passu Indebtedness (other than Pari Passu Indebtedness secured by a Lien that is senior in priority to the Liens securing the Notes or any Guarantee), the Issuer will, to the extent permitted under the Credit Agreement, the Existing First Lien Notes and other Pari Passu Indebtedness as in effect on the Issue Date, equally and ratably reduce First Priority Notes Obligations in accordance with Article III of this Indenture, through open-market purchases (provided that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase at a purchase price equal to 100% of the principal amount thereof (or, in the event that the Notes were issued with significant original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest (it being understood, for the avoidance of doubt, that any portion of such Net Proceeds used to make an offer to purchase Notes in accordance with the procedures set forth below for an Asset Sale Offer shall be deemed to have been so applied to reduce First Priority Notes Obligations whether or not such offer is accepted)); provided, further, that if such Asset Sale involves the disposition of First Lien Collateral, the Parent or such Restricted Subsidiary has complied with the provisions of this Indenture and the First Lien Collateral Documents;

(ii) to make an investment in any one or more businesses (*provided* that if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Parent), assets, or property or capital expenditures, in each case (A) used or useful in a Similar Business or (B) that replace the properties and assets that are the subject of such Asset Sale or to reimburse the cost of any of the foregoing incurred on or after the date on which the Asset Sale giving rise to such Net Proceeds was contractually committed; or

(iii) to make Permitted Opioid Settlement Prepayments.

In the case of Section 4.06(b)(ii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the 12-month anniversary of the date of the receipt of such Net Proceeds; *provided* that in the event such binding commitment is later canceled or terminated for any reason before such Net Proceeds are so applied, then such Net Proceeds shall constitute Excess Proceeds unless the Parent or such Restricted Subsidiary enters into another binding commitment (a "Second Commitment") within six months of such cancellation or termination of the prior binding commitment; *provided*, *further*, that the Parent or such Restricted Subsidiary may only enter into a Second Commitment under the foregoing provision one time with respect to each Asset Sale and to the extent such Second Commitment is later canceled or terminated for any reason before such Net Proceeds are applied or are not applied within 180 days of such Second Commitment, then such Net Proceeds shall constitute Excess Proceeds.

Pending the final application of any such Net Proceeds, the Parent or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or invest such Net Proceeds in any manner not prohibited by this Indenture. Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in the first paragraph of this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in clause (i) of this Section 4.06(b), shall be deemed to have been so applied whether or not such offer is accepted) will be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds $125.0 million, the Issuer shall make an offer to all holders of Notes (and, at the option of the Issuer, to holders of any other Pari Passu Indebtedness secured by a Lien (other than a Lien that is junior in priority to the Liens securing the Notes or a Guarantee) on the First Lien Collateral (the "Eligible Pari Passu Indebtedness")) (an "Asset Sale Offer") to purchase the maximum principal amount of Notes (and any such Eligible Pari Passu Indebtedness), that is at least $2,000 and an integral multiple of $1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event the Notes or any such Eligible Pari Passu Indebtedness were issued with significant original issue discount, 100% of the accreted value thereof), *plus* accrued and unpaid interest (or, in respect of such Eligible Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Eligible Pari Passu Indebtedness), to, but excluding, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceeds $125.0 million by mailing, or delivering electronically if the Notes are held by the Depository, the notice required pursuant to the terms of this Indenture, with a copy to the First Lien Trustee. To the extent that the aggregate amount of Notes (and such Eligible Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for any purpose that is not prohibited by this Indenture. If the aggregate principal amount of Notes and such Eligible Pari Passu Indebtedness surrendered by holders thereof exceeds the amount of Excess Proceeds, the First Lien Trustee, upon receipt of written notice from the Issuer of the aggregate principal amount to be selected, shall select the Notes (but not such Eligible Pari Passu Indebtedness) to be purchased in the manner described in Section 4.06(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(d) [reserved].

(e) If more Notes (and such Eligible Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Issuers are required to purchase, selection of such Notes (but not such Eligible Pari Passu Indebtedness) for purchase shall be made by the First Lien Trustee on a pro rata basis to the extent practicable, by lot or by such other method as the First Lien Trustee shall deem fair and appropriate (and in such manner as complies with the requirements of the Depository, if applicable); *provided* that no Notes of $2,000 or less shall be purchased in part. Selection of such Eligible Pari Passu Indebtedness shall be made pursuant to the terms of such Eligible Pari Passu Indebtedness.

(f) Notices of an Asset Sale Offer shall be mailed by the Issuers by first class mail, postage prepaid, or delivered electronically if the Notes are held by the Depository, at least 10 days but not more than 60 days before the purchase date to each holder of Notes at such holder's registered address. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

SECTION 4.07 Transactions with Affiliates.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Parent (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of $25.0 million, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to the Parent or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Parent or such Restricted Subsidiary with an unrelated Person; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $50.0 million, the Parent or the Issuer delivers to the First Lien Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Parent or the Issuer, approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (i) above.

(b) The provisions of Section 4.07(a) shall not apply to the following:

(i) transactions between or among the Parent and/or any of the Restricted Subsidiaries (or an entity that becomes the Parent or a Restricted Subsidiary as a result of such transaction) and any merger, consolidation or amalgamation of the Parent and any direct parent of the Parent; *provided* that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Parent and such merger, consolidation or amalgamation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(ii) Restricted Payments permitted by Section 4.04 and Permitted Investments;

(iii) the payment of reasonable and customary fees and reimbursement of expenses paid to, and indemnity provided on behalf of, officers, directors, employees or consultants of the Parent or any Restricted Subsidiary;

(iv) transactions in which the Parent or any Restricted Subsidiary, as the case may be, delivers to the First Lien Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Parent or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (i) of Section 4.07(a);

(v) payments or loans (or cancellation of loans) to officers, directors, employees or consultants which are approved by a majority of the Board of Directors of the Parent or the Issuer in good faith;

(vi) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the holders of the Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by the Issuer;

(vii) the existence of, or the performance by the Parent or any Restricted Subsidiary of its obligations under the terms of any stockholders or limited liability company agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date, and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter into thereafter; *provided*, *however*, that the existence of, or the performance by the Parent or any Restricted Subsidiary of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the holders of the Notes in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;

(viii) the Transactions, and the payment of all fees, expenses, bonuses and awards related to the Transactions;

(ix) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Parent and the Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Parent or the Issuer, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party, or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice or industry norm;

(x) any transaction effected as part of a Securitization Financing;

(xi) the issuance of Equity Interests (other than Disqualified Stock) of the Parent to any Person;

(xii) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Parent, or the Board of Directors of a Restricted Subsidiary, as appropriate, in good faith;

(xiii) [reserved];

(xiv) any contribution to the capital of the Parent;

(xv) transactions permitted by, and complying with, Section 5.01;

(xvi) transactions between the Parent or any Restricted Subsidiary and any Person, a director of which is also a director of the Parent or any Restricted Subsidiary; *provided*, *however*, that such Person abstains from voting as a director of the Parent or such Restricted Subsidiary, as the case may be, on any matter involving such Person;

(xvii) pledges of Equity Interests of Unrestricted Subsidiaries;

(xviii) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(xix) any employment agreements entered into by the Parent or any Restricted Subsidiary in the ordinary course of business;

(xx) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officers' Certificate) for the purpose of improving the consolidated tax efficiency of the Parent and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture;

(xxi) [reserved]; and

(xxii) any purchase by the Parent or its Affiliates of Indebtedness, Disqualified Stock or Preferred Stock of the Parent or any of the Restricted Subsidiaries; *provided* that such purchases are on the same terms as such purchases by such Persons who are not the Parent's Affiliates.

SECTION 4.08 Change of Control.

(a) Upon the occurrence of a Change of Control, each holder of Notes shall have the right to require the Issuers to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), in accordance with the terms contemplated in this Section 4.08; *provided*, *however*, that notwithstanding the occurrence of a Change of Control, the Issuers shall not be obligated to purchase any Notes pursuant to this Section 4.08 in the event that they have previously or concurrently elected to redeem such Notes in accordance with Article III of this Indenture. In the event that at the time of such Change of Control, the terms of the Bank Indebtedness restrict or prohibit the repurchase of the Notes pursuant to this Section 4.08, then prior to the mailing of the notice to holders provided for in Section 4.08(b) but in any event within 30 days following any Change of Control with respect to the Notes, the Issuers shall: (i) repay in full all Bank Indebtedness or, if doing so will allow the purchase of the Notes, offer to repay in full all Bank Indebtedness and repay the Bank Indebtedness of each lender and/or note-holder who has accepted such offer; or (ii) obtain the requisite consent under the agreements governing the Bank Indebtedness to permit the repurchase of the Notes as provided for in Section 4.08(b).

(b) Within 30 days following any Change of Control, except to the extent that the Issuers have exercised their right to redeem the Notes by delivery of a notice of redemption in accordance with Article III of this Indenture, the Issuer shall mail, or deliver electronically if the Notes are held by the Depository, a notice (a "Change of Control Offer") to each holder of Notes with a copy to the First Lien Trustee stating:

(i) that a Change of Control has occurred and that such holder has the right to require the Issuers to repurchase such holder's Notes at a repurchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, to, but excluding, the date of repurchase (subject to the right of holders of record on the relevant Record Date to receive interest on the relevant Interest Payment Date);

(ii) the circumstances and relevant facts and financial information regarding such Change of Control;

(iii) the repurchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed or delivered electronically); and

(iv) the instructions determined by the Issuers, consistent with this Section 4.08, that a holder must follow in order to have its Notes purchased.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice, or transfer such Note by book entry transfer to the Issuer, at least three Business Days prior to the purchase date. The holders shall be entitled to withdraw their election if the First Lien Trustee or the Issuer receives not later than one Business Day prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the holder, the principal amount of the Note which was delivered for purchase by the holder and a statement that such holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) On the purchase date, all Notes purchased by the Issuers under this Section 4.08 shall be delivered to the First Lien Trustee for cancellation, and the Issuers shall pay the purchase price *plus* accrued and unpaid interest, if any, to the holders entitled thereto (subject to the right of holders of record on a Record Date to receive interest on the relevant Interest Payment Date).

(e) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for such Change of Control at the time of making of such Change of Control Offer.

(f) Notwithstanding the foregoing provisions of this Section 4.08, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer.

(g) Notes repurchased by the Issuers pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and canceled at the option of the Issuers. Notes purchased by a third party pursuant to the preceding clause (f) and clause (i) below will have the status of Notes issued and outstanding.

(h) The Issuers shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.08, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue thereof.

(i) If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers as described above, purchase all of the Notes validly tendered and not withdrawn by such holders, the Issuers or such third party will have the right, upon not less than 10 days' nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption. Any such redemption shall be effected pursuant to Article III.

SECTION 4.09 Compliance Certificate. The Issuer shall deliver to the First Lien Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on December 30, 2022, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Issuer they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If any Officer does, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. Except with respect to receipt of payments of principal and interest on the Notes and any Default or Event of Default information contained in the Officers' Certificate delivered to it pursuant to this Section 4.09, the First Lien Trustee shall have no duty to review, ascertain or confirm the Issuer's compliance with or the breach of any representation, warranty or covenant made in this Indenture.

SECTION 4.10 Further Instruments and Acts. Upon request of the First Lien Trustee, the Issuers shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11 Future Guarantors.

(a) The Parent shall cause each of its Wholly Owned Restricted Subsidiaries that is not an Excluded Subsidiary and that guarantees or becomes a borrower under the Credit Agreement or that guarantees any other Capital Markets Indebtedness of the Parent, an Issuer or any of the Guarantors to execute and deliver to the First Lien Trustee a supplemental indenture substantially in the form of Exhibit C hereto pursuant to which such Wholly Owned Restricted Subsidiary will guarantee the Guaranteed Obligations.

(b) Each Guarantee will be subject to such prudential limitations as the Issuer may in good faith determine to add to the terms of such Guarantee and limitations under applicable law and limited to an amount not to exceed the maximum amount that can be guaranteed by the applicable Guarantor without (i) rendering the Guarantee, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or under any applicable mandatory corporate law, (ii) resulting in any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalization laws, retention of title claims, capital maintenance rules, general statutory limitations, or the laws or regulations (or analogous restrictions) of any applicable jurisdiction or any similar principles which may limit the ability of any Foreign Subsidiary to provide a guarantee or may require that the guarantee be limited by an amount or scope or otherwise or (iii) resulting, without corresponding limitations, in any (x) material risk to the officers of the applicable Guarantor of contravention of their fiduciary duties or any legal prohibition and/or (y) risk to the officers of the applicable Guarantor of civil or criminal liability (all such limitations applicable to a given Guarantee, the "Applicable Guarantee Limitations").

SECTION 4.12 Liens.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien (except Permitted Liens) on any asset or property of the Parent or any Restricted Subsidiary securing Indebtedness of the Parent or a Restricted Subsidiary; *provided* that any Lien shall be permitted on any asset or property that is not First Lien Collateral if the Notes and the Guarantees are equally and ratably secured with (or, at the Issuers' election, on a senior basis to) the obligations so secured until such time as such obligations are no longer secured by a Lien; *provided* that any such security shall be on a senior basis to any such Indebtedness that is by its express terms subordinated in right of payment to the Notes.

(b) Any Lien that is granted to secure the Notes or any Guarantee under Section 4.12(a) shall be automatically released and discharged at the same time as the release of the Lien that gave rise to the obligation to secure the Notes or such Guarantee.

(c) For purposes of determining compliance with this Section 4.12, (i) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category of Permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) but may be permitted in part under any combination thereof and (ii) in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a), the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if Incurred at such later time), such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies with this covenant and will be entitled to only include the amount and type of such Lien or such item of Indebtedness secured by such Lien (or any portion thereof) in one of the categories of permitted Liens (or any portion thereof) described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) and, in such event, such Lien securing such item of Indebtedness (or any portion thereof) will be treated as being Incurred or existing pursuant to only such clause or clauses (or any portion thereof) or pursuant to Section 4.12(a) without giving *pro forma* effect to such item (or portion thereof) when calculating the amount of Liens or Indebtedness that may be Incurred pursuant to any other clause or paragraph.

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of Capital Stock (other than Preferred Stock) of the Parent, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (11) of the definition of "Indebtedness."

(e) The Parent and the Issuers will not, and will not permit any of the other Restricted Subsidiaries to, directly or indirectly, create, Incur or suffer to exist any Lien on any fee owned Real Property and leasehold interests in Real Property, including Principal Properties (as defined in the Existing 2013 Senior Notes Indenture) of the Parent or any Restricted Subsidiary securing Indebtedness of the Parent or a Restricted Subsidiary for borrowed money (other than Indebtedness incurred to fund the acquisition or improvement of the Real Property subject to such Lien); provided that any such Lien shall be permitted if (i) such Lien is permitted under Section 4.12(a) and (ii) the Notes and the Guarantees are also secured by a Lien on the applicable Real Property until such time as obligations secured by such Lien are no longer so secured.

(f) No First Priority Liens may be granted (or the scope of obligations secured by any existing First Priority Liens extended or the priority of existing Liens improved vis-à-vis the Liens securing the First Priority Notes Obligations) by the Parent, the Issuers or the other Restricted Subsidiaries, in each case to secure (x) any Indebtedness that, immediately prior to such grant, extension or improvement, is Junior Priority Indebtedness or (y) Indebtedness incurred to refund, refinance, replace or defease any such Junior Priority Indebtedness unless (i) the aggregate principal amount of Notes outstanding at such time does not exceed $325 million, (ii) the First Lien Secured Leverage Ratio of the Parent, after giving *pro forma* effect to such grant, does not exceed 2.75 to 1.00 or (iii) (A) such grant, extension, improvement, refunding, refinancing, replacement or defeasance occurs less than twelve months from the final maturity of such Junior Priority Indebtedness, (B) all such Indebtedness secured by First Priority Liens pursuant to this clause (iii) is Incurred (or, if previously outstanding, reclassified as outstanding) under Section 4.03(b)(i) (and may not be reclassified at any time that such Indebtedness is secured by First Priority Liens) and (C) after giving effect to such grant, extension or improvement, the aggregate principal amount of all such Indebtedness secured by First Priority Liens pursuant to this clause (iii) at such time outstanding does not exceed $200 million.

SECTION 4.13 Limitations on Activities of the US Co-Issuer. The US Co-Issuer shall not be permitted to and the Issuer will cause the US Co-Issuer not to hold any material assets, become liable for any material obligations, engage in any trade or business, or conduct any business activity, other than (1) the issuance of its Equity Interests to the Issuer or any Wholly Owned Restricted Subsidiary, (2) the Incurrence of Indebtedness as a co-obligor or guarantor, as the case may be, of the Notes and any other Indebtedness that is permitted to be Incurred under Section 4.03 and (3) activities incidental thereto.

SECTION 4.14 Maintenance of Office or Agency.

(a) The Issuers shall maintain an office or agency (which may be an office of the First Lien Trustee or an affiliate of the First Lien Trustee or Registrar) where Notes may be surrendered for registration of transfer or for exchange. The Issuers shall give prompt written notice to the First Lien Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the First Lien Trustee with the address thereof, such presentations and surrenders may be made at the Corporate Trust Office of the First Lien Trustee as set forth in Section 14.01.

(b) The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency for such purposes. The Issuers shall give prompt written notice to the First Lien Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the First Lien Trustee or its agent as such office or agency of the Issuer in accordance with Section 2.04.

SECTION 4.15 Existence. The Issuers shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect their legal existence and the rights, licenses, permits, privileges and franchises material to the conduct of their business; provided that the foregoing shall not prohibit any transaction permitted under Section 5.01; and provided, further, that the Issuers shall not be required to preserve, renew and keep in full force and effect any such right, license, permit, privilege, franchise or legal existence if (i) the Issuers shall determine in good faith the preservation, renewal or keeping in full force and effect thereof is no longer desirable in the conduct of the business of the Issuers or (ii) the failure to preserve, renew and keep in full force and effect any such right, license, permit, privilege, franchise or legal existence is not adverse in any material respect to the holders of the Notes.

SECTION 4.16 Covenant Suspension. If on any date following the Issue Date, (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture, then, beginning on that day (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), and subject to the provisions of the following paragraph, the Parent and the Restricted Subsidiaries shall not be subject to Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.11 and 5.01(a)(iv) (collectively the "Suspended Covenants").

In the event that the Parent and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Parent and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

The Issuer shall provide the First Lien Trustee with written notice of each Covenant Suspension Event or Reversion Date within five (5) Business Days of the occurrence thereof.

Additionally, during a Suspension Period the Parent will no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary unless the Parent would have been permitted to designate such Subsidiary as an Unrestricted Subsidiary if a Suspension Period had not been in effect for any period and, following the Reversion Date, such designation shall be deemed to have created an Investment pursuant to Section 4.04(c) at the time of such designation.

On each Reversion Date, all Indebtedness Incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been Incurred or issued pursuant to Section 4.03(a) or 4.03(b) (to the extent such Indebtedness or Disqualified Stock or Preferred Stock would be permitted to be Incurred or issued thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred or issued prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness or Disqualified Stock or Preferred Stock would not be so permitted to be Incurred or issued pursuant to Section 4.03(a) or 4.03(b), such Indebtedness or Disqualified Stock or Preferred Stock will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.03(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.04 will be made as though Section 4.04 had been in effect since the Issue Date and prior to, but not during, the Suspension Period (except to the extent expressly set forth in the immediately preceding paragraph). Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 4.04(a) (except to the extent expressly set forth in the immediately preceding paragraph). As described above, no Default or Event of Default will be deemed to have occurred on the Reversion Date as a result of any actions taken by the Parent or the Restricted Subsidiaries during the Suspension Period or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. Within 30 days of such Reversion Date, the Parent and the Issuers must comply with the terms of Section 4.11.

For purposes of Section 4.05, on the Reversion Date, any consensual encumbrances or consensual restrictions of the type specified in Section 4.05(a) or 4.05(b) thereof entered into during the Suspension Period will be deemed to have been in effect on the Issue Date, so that they are permitted under Section 4.05(1)(A).

For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Issuer entered into during the Suspension Period will be deemed to have been in effect as of the Issue Date for purposes of Section 4.07(b)(vi).

For purposes of Section 4.06, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

SECTION 4.17 Additional Amounts.

(a) All payments made by or on behalf of the Issuers or any Guarantor under or with respect to the Notes or any Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future Taxes unless required by law. If any such withholding or deduction is required for or on account of Taxes imposed by a Relevant Taxing Jurisdiction from any payment made under or with respect to the Notes or under any Guarantee (including payments of principal, redemption price, interest or premium (if any)), the Issuers or such Guarantor, as the case may be, will pay (together with such payments) such additional amounts ("Additional Amounts") as may be necessary so that the net amount received by each beneficial owner of Notes (including Additional Amounts) after such withholding or deduction will equal the amount the beneficial owner would have received if such Taxes had not been withheld or deducted; *provided*, *however*, that no Additional Amounts will be payable with respect to:

(i) any Tax, to the extent such Tax would not have been imposed but for the existence of any actual or deemed present or former connection between the holder or the beneficial owner of such Notes and the Relevant Taxing Jurisdiction (including being or having been a national, citizen or resident of, carrying on a business in, being or having been physically present in or having or having had a permanent establishment in, the Relevant Taxing Jurisdiction) other than a connection arising solely from the acquisition, ownership, holding or disposition of the Notes, the enforcement of rights under the Notes or any Guarantee or the receipt of payments under or in respect of the Notes or any Guarantee;

(ii) any Tax, to the extent such Tax is imposed or withheld as a result of the failure of the holder or beneficial owner of the Notes to satisfy any certification, identification or other reporting requirements concerning the nationality, residence, identity or connection with the Relevant Taxing Jurisdiction of such holder or beneficial owner which is required by applicable law, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of, all or part of such Tax (including, without limitation, a certification that the holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), but in each case, only to the extent such holder or beneficial owner is legally eligible to provide such certification or other documentation;

(iii) any Tax that would not have been imposed if the presentation of Notes (where presentation is required) for payment had occurred within 30 days after the date such payment was due and payable or was duly provided for, whichever is later (except to the extent that the holder or beneficial owner would have been entitled to Additional Amounts had the note been presented within such 30-day period);

(iv) any estate, inheritance, gift, value added, sales or similar Tax;

(v) any Tax, to the extent such Tax imposed in respect of a holder or beneficial owner and required to be withheld or deducted pursuant to the Luxembourg law of December 23, 2005, as amended, introducing in Luxembourg a 20% withholding tax as regards Luxembourg resident individuals;

(vi) any Tax that could have been avoided by the presentation of Notes (where presentation is required) for payment to another paying agent in a member state of the European Union;

(vii) any Tax payable other than by deduction or withholding from payments under, or with respect to, the Notes or the Guarantee;

(viii) any withholding or deduction required pursuant to Sections 1471 through 1474 of the Code as of the Issue Date (or any amended or successor version), any regulations or agreements thereunder, official interpretations thereof, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code; or

(ix) any combination of clauses (i) through (viii) above.

(b) The applicable withholding agent will (i) make any required withholding or deduction; and (ii) remit the full amount deducted or withheld to the relevant Taxing Authority in accordance with applicable law. The Issuers or any Guarantor, as applicable, will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies to the First Lien Trustee. If certified copies of such tax receipts are not reasonably obtainable, the Issuers or such Guarantor, as applicable, shall provide the First Lien Trustee with other evidence of payment reasonably satisfactory to the First Lien Trustee. Such certified copies or other evidence shall be made available to holders upon request.

(c) Each of the Issuers and the Guarantors will indemnify and hold harmless each holder and beneficial owner from and against any Taxes withheld or deducted (other than Taxes excluded by clauses (i) through (ix) above) that are levied or imposed on a holder or beneficial owner (x) as a result of payments made under or with respect to the Notes or (y) with respect to any indemnification payments under the foregoing clause (x) or this clause (y), such that the net amount received by such holder or beneficial owner after such indemnification payments will not be less than the net amount the holder or beneficial owner would have received if the Taxes described in clauses (x) and (y) above had not been imposed.

(d) Whenever in this Indenture there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, premium (if any) or interest or of any other amount payable under or with respect to any of the Notes, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) The Issuers will pay any present or future stamp, issue, registration, court or documentary Taxes, or any other excise, property or similar Taxes, that arise in any jurisdiction from the execution, issuance, delivery, registration or enforcement of the Notes, any Guarantee, this Indenture, or any other document or instrument referred to therein, or the receipt of any payments with respect to the Notes or the Guarantees ("Documentary Taxes"); *provided* that the Issuer will not be liable for any Luxembourg registration duties, which would become payable as a result of the registration, by any holder, of the documents relating to the Notes, any Guarantee, this Indenture, or any other document or instrument referred to herein or therein, when such registration is not required to enforce that holder's rights under the documents relating to the Notes, any Guarantee, this Indenture, or any other document or instrument referred to herein or therein.

(f) The obligation to pay Additional Amounts and Documentary Taxes under the terms and conditions described above will survive any termination, defeasance or discharge of this Indenture, and will apply *mutatis mutandis* to any successor to the Issuers or any Guarantor and to any jurisdiction in which any such successor is incorporated, organized, resident or engaged in business for tax purposes, or any jurisdiction from or through which any such successor makes payment on the Notes or any Guarantee, and any political subdivision or Taxing Authority thereof or therein.

SECTION 4.18 After-Acquired Collateral.

(a) If any asset is acquired by any Issuer or Guarantor after the Issue Date or owned by an entity at the time it becomes a Guarantor (in each case other than (x) assets constituting First Lien Collateral under a First Lien Collateral Document that become subject to the Lien of such First Lien Collateral Document upon acquisition thereof, (y) Excluded Property or Excluded Securities and (z) assets of any Issuer or Guarantor organized outside the United States, Luxembourg, the United Kingdom, Ireland or the Netherlands for so long as, and to the extent with respect to this clause (z), excluded by reason of the final paragraph of the definition of the term "Collateral and Guarantee Requirement"), such Issuer or Guarantor, as applicable, will (i) notify the First Lien Collateral Agent of such acquisition or ownership and (ii) subject (where applicable) to the Agreed Guarantee and Security Principles, cause such asset to be subjected to a Lien (subject to any Permitted Liens) securing the First Priority Notes Obligations by, and take, and cause the Issuers and Guarantors to take, all such actions as shall be reasonably requested by the Collateral Agent to cause the Collateral and Guarantee Requirement to be satisfied with respect to such asset, including actions described in Section 4.19.

(b) If any Restricted Subsidiary becomes a Guarantor after the Issue Date, then the Issuers and the Guarantors shall cause the Collateral and Guarantee Requirement to be satisfied with respect to such Restricted Subsidiary and with respect to any Equity Interest in or Indebtedness of such Restricted Subsidiary owned by or on behalf of any Issuer or Guarantor.

(c) Notwithstanding anything to the contrary set forth in this Indenture or any other Note Document, the First Lien Collateral Documents to be entered into on the Issue Date shall consist solely of the Issue Date Security Documents. Within 15 days following the Issue Date, the applicable Issuers and Guarantors shall enter into the Luxembourg Law Initial Security Document. Subject, where applicable, to the Agreed Guarantee and Security Principles, the Issuers and the Guarantors shall take such actions as shall be reasonably requested by the First Lien Collateral Agent to cause the assets (to the extent owned thereby on the Issue Date and other than (x) assets constituting First Lien Collateral under a First Lien Collateral Document in effect, (y) assets constituting Excluded Property or Excluded Securities and (z) assets of any Issuer or Guarantor organized outside the United States, Luxembourg, the United Kingdom, Ireland or the Netherlands for so long as, and to the extent with respect to this clause (z), excluded by reason of the final paragraph of the definition of the term "Collateral and Guarantee Requirement") of the Issuers and the Guarantors (to the extent constituting such on the Issue Date) to be subjected to a Lien (subject to any Permitted Liens) securing the First Priority Notes Obligations and the Collateral and Guarantee Requirement to be satisfied (as if each Guarantor were a Person that became a Guarantor after the Issue Date) in each case within 90 days following the Issue Date (or such later date as the First Lien Collateral Agent may agree in its sole discretion; *provided* that the First Lien Collateral Agent shall agree to a reasonably selected later date if the Issuer shall have delivered to the First Lien Collateral Agent an Officers' Certificate certifying that such actions cannot be reasonably completed with commercially reasonable efforts due to factors caused by the COVID-19 virus (it being acknowledged and agreed that the First Lien Collateral Agent shall be entitled to rely conclusively upon such Officers' Certificate without any independent verification thereof)).

SECTION 4.19 Further Assurances. The Issuers and the Guarantors shall execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents), that the First Lien Collateral Agent may reasonably request (including, without limitation, those required by applicable law), to satisfy the Collateral and Guarantee Requirement and to cause the Collateral and Guarantee Requirement to be and remain satisfied, all at the expense of the Issuers and the Guarantors, and provide to the First Lien Collateral Agent, from time to time upon reasonable request, evidence reasonably satisfactory to the First Lien Collateral Agent as to the perfection and priority of the Liens created or intended to be created by the First Lien Collateral Documents.

SECTION 4.20 Cadence IP Licensee. So long as the Cadence IP Licensee is a Guarantor or an Issuer, any Indebtedness of the Cadence IP Licensee or guarantee of Indebtedness other than the Notes Obligations by the Cadence IP Licensee shall, unless such Indebtedness or guarantee would be permitted to be secured by Liens on assets of the Cadence IP Licensee (other than Liens that would be junior to the Liens securing the Guarantee of the Cadence IP Licensee) or would be permitted to be incurred while the Cadence IP Licensee is not a Guarantor, be subordinated in right of payment to the Guarantee by the Cadence IP Licensee or the other First Notes Obligations of the Cadence IP Licensee on terms that are commercially reasonable.

SECTION 4.21 Deposit Accounts. With respect to any DDA (other than an Excluded Account) (x) maintained by an Issuer or Guarantor, in each case that is a Domestic Subsidiary and (y) described in clause (ii)(C) of the definition thereof and maintained by an Issuer or Guarantor, in each case under this clause (y) that is a Foreign Subsidiary (together with any deposit accounts on which a Lien in favor of the First Lien Collateral Agent is perfected in accordance with the succeeding sentences of this Section 4.21, a "Blocked Account"), within the DDA Time Limitation, enter into deposit account control agreements (each, a "Blocked Account Agreement"), in form reasonably satisfactory to the First Lien Collateral Agent, with the First Lien Collateral Agent and any bank with which any such Issuer or Guarantor maintains any such Blocked Account described in this sentence, which give the First Lien Collateral Agent "control" (as defined in the Uniform Commercial Code) over each such Blocked Account maintained with such bank. With respect to any DDA (other than an Excluded Account) described in clause (ii)(A) of the definition thereof maintained by an Irish Grantor, cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. With respect to any DDA (other than an Excluded Account) described in clause (ii)(B) of the definition thereof maintained by an Issuer or Guarantor, in each case under this sentence organized under the laws of Luxembourg, use commercially reasonable efforts to cause the Collateral and Guarantee Requirement to be satisfied with respect to such DDA within the DDA Time Limitation. So long as no Event of Default has occurred and is continuing, the Issuers and Guarantors will have full and complete access to, and may direct the manner of disposition of, funds in the Blocked Accounts.

ARTICLE V

SUCCESSOR COMPANY

SECTION 5.01 When Issuers and Guarantors May Merge or Transfer Assets.

(a) The Issuer may not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions, to any Person unless:

(i) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership or limited liability company or similar entity organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof, any member state of the European Union, the United Kingdom or Switzerland (collectively, the "Permitted Jurisdictions" and the Issuer or such Person, as the case may be, being herein called the "Successor Company"); *provided* that in the event that the Successor Company is not a corporation or limited liability company (or equivalent of a corporation or limited liability company in any Permitted Jurisdiction listed in this clause (i)), a co-obligor of the Notes is a corporation or limited liability company (or such equivalent);

(ii) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Indenture and the First Lien Collateral Documents pursuant to supplemental indentures or other applicable documents or instruments in form reasonably satisfactory to the First Lien Trustee and the First Lien Collateral Agent;

(iii) immediately after giving effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction) no Default shall have occurred and be continuing;

(iv) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness which becomes an obligation of the Successor Company or any of the Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either

(1) the Successor Company would be permitted to Incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(2) the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available would be no less than such ratio immediately prior to such transaction;

(v) if the Issuer is not the Successor Company, each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Notes; and

(vi) the Successor Company shall have delivered to the First Lien Trustee and the First Lien Collateral Agent an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indentures (if any) comply with this Indenture.

The Successor Company (if other than the Issuer) will succeed to, and be substituted for, the Issuer under this Indenture, the Notes and the First Lien Collateral Documents, and in such event the Issuer will automatically be released and discharged from its obligations under this Indenture, the Notes and the First Lien Collateral Documents. Notwithstanding the foregoing clauses (iii) and (iv) of this Section 5.01(a), (A) the Issuer may merge, consolidate or amalgamate with or transfer all or part of its properties and assets to a Restricted Subsidiary; *provided* that, unless after giving effect to such transaction, no Default shall have occurred and be continuing, the Issuer is the Successor Company, and (B) the Issuer may merge, consolidate or amalgamate with an Affiliate incorporated solely for the purpose of reincorporating the Issuer in any Permitted Jurisdiction or may convert into a corporation, partnership or limited liability company (or similar entity), so long as the amount of Indebtedness of the Restricted Subsidiaries is not increased thereby. This Section 5.01 will not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Restricted Subsidiaries.

(b) Subject to the provisions of Section 12.02(b), no Guarantor nor the US Co-Issuer shall, and the Parent shall not permit any such Guarantor or the US Co-Issuer to, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not such Guarantor or the US Co-Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or more related transactions to, any Person unless:

(i) either (a) such Guarantor or the US Co-Issuer, as applicable, is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than such Guarantor or the US Co-Issuer, as applicable) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a company, corporation, partnership or limited liability company or similar entity organized or existing under the laws of a Permitted Jurisdiction (except that in the case of the US Co-Issuer, such surviving Person shall be organized or existing under the laws of the United States, any state thereof, the District of Columbia or any territory thereof) (such Guarantor or the US Co-Issuer or such Person, as the case may be, being herein called the "Successor Person") and the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) expressly assumes all the obligations of such Guarantor or the US Co-Issuer, as applicable, under this Indenture and the Notes or its Guarantee, as applicable, pursuant to a supplemental indenture or other applicable documents or instruments in form reasonably satisfactory to the First Lien Trustee, or (b) in respect of any Guarantor other than the Parent, such sale, assignment, transfer, lease, conveyance or other disposition or consolidation, amalgamation or merger is not in violation of Section 4.06; and

(ii) the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) shall have delivered or caused to be delivered to the First Lien Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger or transfer and such supplemental indenture (if any) comply with this Indenture.

Except as otherwise provided in this Indenture, the Successor Person (if other than such Guarantor or the US Co-Issuer, as applicable) will succeed to, and be substituted for, such Guarantor or the US Co-Issuer, as applicable, under this Indenture, the Notes or the Guarantee, as applicable, and such Guarantor or the US Co-Issuer, as applicable, will automatically be released and discharged from its obligations under this Indenture, the Notes or its Guarantee. Notwithstanding the foregoing, (1) a Guarantor may merge, amalgamate or consolidate with an Affiliate incorporated solely for the purpose of reincorporating such Guarantor in a Permitted Jurisdiction or may convert into a limited liability company, corporation, partnership or similar entity organized or existing under the laws of any Permitted Jurisdiction so long as the amount of Indebtedness of such Guarantor is not increased thereby and (2) a Guarantor may merge, amalgamate or consolidate with an Issuer or another Guarantor.

In addition, notwithstanding the foregoing, a Guarantor may consolidate, amalgamate or merge with or into or wind up or convert into, liquidate, dissolve, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets to an Issuer or any Guarantor.

ARTICLE VI

(c) there is a failure by the Parent for 90 days after receipt of written notice given by the First Lien Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding (with a copy to the First Lien Trustee) to comply with any of its obligations, covenants or agreements in Section 4.02,

(d) there is a failure by the Parent or any Restricted Subsidiary for 60 days after written notice given by the First Lien Trustee or the holders of not less than 25% in principal amount of the Notes then outstanding (with a copy to the First Lien Trustee) to comply with its other obligations, covenants or agreements (other than a default referred to in clauses (a), (b) and (c) of this Section 6.01) contained in the Notes or this Indenture,

(e) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay any Indebtedness (other than Indebtedness owing to the Parent or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds $125.0 million or its foreign currency equivalent,

(iii) orders the winding up or liquidation of the Parent or any Significant Subsidiary; or

(iv) any similar relief is granted under any foreign laws and, in each case, the order or decree remains unstayed and in effect for 60 days,

(h) there is a failure by the Parent or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of $125.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days,

(i) the Guarantee of the Parent or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) with respect to the Notes ceases to be in full force and effect (except as contemplated by the terms thereof) or the Parent or any other Guarantor that qualifies as a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) denies or disaffirms its obligations under this Indenture or any Guarantee with respect to the Notes and such Default continues for 10 days,

(j) unless such Liens have been released in accordance with the provisions of this Indenture or other Note Documents, Liens securing the First Priority Notes Obligations with respect to a material portion of the First Lien Collateral cease to be valid, perfected or enforceable, or the Issuer shall assert or any Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such Lien is invalid, unperfected or unenforceable and, in the case of any such Guarantor, the Issuer fail to cause such Guarantor to rescind such assertions within 30 days after the Issuer have actual knowledge of such assertions; provided that no Event of Default shall occur under this clause (j) if the Issuers and the Guarantors cooperate with the First Lien Collateral Agent to replace or perfect such Lien, such Lien is promptly replaced or perfected (as needed) and the rights, powers and privileges of the First Priority Notes Secured Parties are not materially adversely affected by such replacement or perfection; or

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under clause (c), (d) or (k) above shall not constitute an Event of Default until the First Lien Trustee or the holders of at least 25% in principal amount of outstanding Notes notify the Parent and Issuer, with a copy to the First Lien Trustee, of the default and neither the Parent nor the Issuers cure such default within the time specified in clause (c), (d) or (k) hereof after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default."

The Issuer shall deliver to the First Lien Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any Default or Event of Default (unless such Default or Event of Default has been cured before the end of such 30-day period), the status of such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

The term "Bankruptcy Law" means the Bankruptcy Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

SECTION 6.02 Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) hereof with respect to the Issuers) occurs and is continuing, the First Lien Trustee by notice to the Issuers or the holders of at least 25% in principal amount of outstanding Notes by notice to the Issuers (with a copy to the First Lien Trustee) may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Issuers occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the First Lien Trustee or any holders. In addition, upon the acceleration of the Notes in connection with an Event of Default under Section 6.01(a), (b), (f) or (g) prior to June 15, 2027, an amount equal to the Applicable Premium or optional redemption premium, as applicable, that would have been payable in connection with an optional redemption of the Notes at the time of the occurrence of such acceleration will become and be immediately due and payable with respect to all Notes without any declaration or other act on the part of the First Lien Trustee or any holders of the Notes and shall constitute part of the First Priority Notes Obligations in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder's lost profits as a result thereof. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty. If the Applicable Premium or other premium becomes due and payable pursuant to the second preceding sentence, the Applicable Premium or other premium, as applicable, shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Applicable Premium or such other premium) from and after the applicable triggering event. Any premium payable pursuant to the first sentence of this paragraph shall be presumed to be liquidated damages sustained by each holder as the result of the acceleration of the Notes and the Issuers agree that it is reasonable under the circumstances currently existing. The premium set forth in the first sentence of this paragraph shall also be payable in the event the Notes or the Indenture are satisfied, released or discharged through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. THE ISSUERS EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE PREMIUM PROVIDED FOR IN THE FIRST SENTENCE OF THIS PARAGRAPH IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuers expressly agree (to the fullest extent it may lawfully do so) that: (A) the premium set forth in the first sentence of this paragraph is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between holders and the Issuers giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Issuers shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuers expressly acknowledge that their agreement to pay the premium to holders pursuant to the first sentence of this paragraph is a material inducement to holders to acquire the Notes.

The holders of a majority in principal amount of outstanding Notes may rescind any such acceleration and its consequences if:

(a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

In the event of any Event of Default specified in Section 6.01(e), such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the First Lien Trustee or the holders of any of the Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officers' Certificate to the First Lien Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged, (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

SECTION 6.03 Other Remedies. If an Event of Default occurs and is continuing, the First Lien Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The First Lien Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the First Lien Trustee or any holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04 Waiver of Past Defaults. Provided the Notes are not then due and payable by reason of a declaration of acceleration, the holders of at least 66 2/3% in principal amount of the Notes then outstanding by written notice to the First Lien Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each holder of Notes affected. When a Default is waived, it is deemed cured and the Issuers, the First Lien Trustee and the holders of Notes will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05 Control by Majority. The holders of a majority in principal amount of outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the First Lien Trustee or of exercising any trust or power conferred on the First Lien Trustee with respect to the Notes. The First Lien Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the First Lien Trustee determines is unduly prejudicial to the rights of any other holder of the Notes or that would involve the First Lien Trustee in personal liability; provided that the First Lien Trustee does not have an affirmative duty to ascertain whether or not any action or forbearance on the part of a holder of a Note is unduly preferential or prejudicial to any other holder of a Note. Prior to taking any action under this Indenture, the First Lien Trustee shall be entitled to indemnification satisfactory to it against all losses and expenses caused by taking or not taking such action.

SECTION 6.06 Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to this Indenture or the Notes unless:

(i) such holder has previously given the First Lien Trustee written notice that an Event of Default is continuing with respect to such holder's Notes,

(ii) holders of at least 25% in principal amount of the outstanding Notes have requested the First Lien Trustee to pursue the remedy,

(iii) such holders have offered the First Lien Trustee security or indemnity satisfactory to it against any loss, liability or expense,

(iv) the First Lien Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and

(v) the holders of a majority in principal amount of the outstanding Notes have not given the First Lien Trustee a direction inconsistent with such request within such 60-day period.

(b) A holder may not use this Indenture to prejudice the rights of another holder or to obtain a preference or priority over another holder (it being understood that the First Lien Trustee shall have no obligation to ascertain whether or not such actions or forbearances are unduly prejudicial to any other holder).

SECTION 6.07 Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any holder to receive payment of principal of and interest on the Notes held by such holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

SECTION 6.08 Collection Suit by First Lien Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the First Lien Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.07.

SECTION 6.09 First Lien Trustee May File Proofs of Claim. The First Lien Trustee may file such proofs of claim, statements of interest and other papers or documents as may be necessary or advisable in order to have the claims of the First Lien Trustee and the First Lien Collateral Agent (including any claim for reasonable compensation, expenses disbursements and advances of the First Lien Trustee and the First Lien Collateral Agent (including counsel, accountants, experts or such other professionals as the First Lien Trustee or the First Lien Collateral Agent, as applicable, deems necessary, advisable or appropriate)) and the holders allowed in any judicial proceedings relative to the Issuers, the Guarantors, their creditors or their property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each holder to make payments to the First Lien Trustee and, in the event that the First Lien Trustee shall consent to the making of such payments directly to the holders, to pay to the First Lien Trustee any amount due it or the First Lien Collateral Agent for the reasonable compensation, expenses, disbursements and advances of the First Lien Trustee, the First Lien Collateral Agent, and each of their agents and counsel, and any other amounts due the First Lien Trustee or the First Lien Collateral Agent under Section 7.07. Nothing herein contained shall be deemed to authorize the First Lien Trustee to authorize or consent to or accept or adopt on behalf of any holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any holder, or to authorize the First Lien Trustee to vote in respect of the claim of any holder in any such proceeding.

SECTION 6.10 Priorities. Subject to the provisions of the First Lien Collateral Documents and the Intercreditor Agreements, any money or property collected by the First Lien Trustee pursuant to this Article VI and any other money or property distributable in respect of the Issuers' or any Guarantor's obligations under this Indenture after an Event of Default shall be applied in the following order:

FIRST: to the First Lien Trustee and the First Lien Collateral Agent for amounts due hereunder (including the reasonable compensation and expenses, disbursements and advances of the First Lien Trustee's and the First Lien Collateral Agent's agents, counsel, accountants and experts in accordance with Section 7.07);

SECOND: to the holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Issuers or, to the extent the First Lien Trustee collects any amount for any Guarantor, to such Guarantor.

The First Lien Trustee may fix a record date and payment date for any payment to the holders pursuant to this Section 6.10. At least 15 days before such record date, the First Lien Trustee shall mail to each holder and the Issuers a notice that states the record date, the payment date and the amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the First Lien Trustee for any action taken or omitted by it as First Lien Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the First Lien Trustee, a suit by a holder pursuant to Section 6.07 or a suit by holders of more than 10% in principal amount of the Notes.

SECTION 6.12 Waiver of Stay or Extension Laws. Neither the Issuers nor any Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuers and the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the First Lien Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

FIRST LIEN TRUSTEE

SECTION 7.01 Duties of First Lien Trustee.

(a) The First Lien Trustee, prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default has occurred and is continuing, the First Lien Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the First Lien Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Note Documents and no implied covenants or obligations shall be read into the Note Documents against the First Lien Trustee (it being agreed that the permissive right of the First Lien Trustee to do things enumerated in the Note Documents shall not be construed as a duty); and

(ii) in the absence of willful misconduct on its part, the First Lien Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the First Lien Trustee and conforming to the requirements of this Indenture. The First Lien Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the First Lien Trustee shall examine the form of certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The First Lien Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the First Lien Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the First Lien Trustee was negligent in ascertaining the pertinent facts;

(iii) the First Lien Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the First Lien Trustee to expend or risk its own funds or otherwise Incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the First Lien Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The First Lien Trustee shall not be liable for interest on any money received by it except as the First Lien Trustee may agree in writing with the Issuers.

(f) Money held in trust by the First Lien Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the First Lien Trustee shall be subject to the provisions of this Section 7.01 and the TIA.

SECTION 7.02 Rights of First Lien Trustee.

(a) The First Lien Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The First Lien Trustee need not investigate any fact or matter stated in the document.

(b) Before the First Lien Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The First Lien Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The First Lien Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The First Lien Trustee shall not be responsible or liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The First Lien Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to the Note Documents shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The First Lien Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the holders of not less than a majority in principal amount of the Notes at the time outstanding, but the First Lien Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the First Lien Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney, at the expense of the Issuers and shall Incur no liability of any kind by reason of such inquiry or investigation.

(g) The First Lien Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the holders pursuant to this Indenture, unless such holders shall have offered to the First Lien Trustee indemnity or security satisfactory to the First Lien Trustee against any loss, liability or expense.

(h) The rights, privileges, protections, immunities and benefits given to the First Lien Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the First Lien Trustee in each of its capacities hereunder or under any Note Document, and each agent, custodian and other Person employed to act hereunder, including the First Lien Collateral Agent.

(i) The First Lien Trustee shall not be responsible or liable for any action taken or omitted by it in good faith at the direction of the holders of not less than a majority in principal amount of the Notes as to the time, method and place of conducting any proceedings for any remedy available to the First Lien Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the First Lien Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding upon future holders of Notes and upon Notes executed and delivered in exchange therefor or in place thereof.

(k) The First Lien Trustee shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the First Lien Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the First Lien Trustee at the Corporate Trust Office of the First Lien Trustee, and such notice references the Notes and this Indenture.

(l) The First Lien Trustee may request that the Issuers deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any Person authorized to sign an Officers' Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(m) The First Lien Trustee shall not be responsible or liable for punitive, special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the First Lien Trustee has been advised of the likelihood of such loss or damage and regardless of the form of actions.

(n) The First Lien Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture.

(o) The First Lien Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under any Note Document arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; loss or malfunction of utilities, computer (hardware or software) or communication services; accidents; labor disputes; and acts of civil or military authorities and governmental action.

SECTION 7.03 Individual Rights of First Lien Trustee. The First Lien Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not First Lien Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the First Lien Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04 First Lien Trustee's Disclaimer. The First Lien Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Guarantees or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuers or any Guarantor in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the First Lien Trustee's certificate of authentication. The First Lien Trustee shall not be charged with knowledge of any Default or Event of Default under Section 6.01(c), (d), (e), (f), (g), (h), (i), (j) or (k), or of the identity of any Significant Subsidiary unless either (a) a Trust Officer shall have actual knowledge thereof or (b) the First Lien Trustee shall have received written notice thereof in accordance with Section 14.01 hereof from the Issuers, any Guarantor or any holder. In accepting the trust hereby created, the First Lien Trustee acts solely as First Lien Trustee under this Indenture and not in its individual capacity and all persons, including without limitation the holders of Notes and the Issuers having any claim against the First Lien Trustee arising from this Indenture shall look only to the funds and accounts held by the First Lien Trustee hereunder for payment except as otherwise provided herein.

SECTION 7.05 Notice of Defaults. If a Default occurs and is continuing and is actually known to a responsible officer of the First Lien Trustee, the First Lien Trustee shall provide to each holder of the Notes notice of the Default promptly after it becomes known to such responsible officer of the First Lien Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the First Lien Trustee may withhold notice if and so long as it determines that withholding notice is in the interests of the noteholders.

SECTION 7.06 [Intentionally Omitted].

SECTION 7.07 Compensation and Indemnity. The Issuers shall pay to the First Lien Trustee and the First Lien Collateral Agent from time to time such compensation for the First Lien Trustee's and the First Lien Collateral Agent's acceptance of this Indenture and their services hereunder as mutually agreed to in writing between the Issuers and the First Lien Trustee or the First Lien Collateral Agent, as applicable. The First Lien Trustee's and the First Lien Collateral Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the First Lien Trustee, the First Lien Collateral Agent, and their respective directors, officers, employees, agents, counsel, accountants and experts upon request for all reasonable out-of-pocket expenses Incurred or made by them in connection with their service as the First Lien Trustee or First Lien Collateral Agent, including costs of collection, in addition to the compensation for its services. The Issuers and the Guarantors, jointly and severally, shall indemnify the First Lien Trustee, the First Lien Collateral Agent or any predecessor First Lien Trustee or First Lien Collateral Agent and their directors, officers, employees and agents against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses and including taxes (other than taxes based upon, measured by or determined by the income of the First Lien Trustee or the First Lien Collateral Agent)) Incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture or Guarantee against the Issuers or any Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuers, any Guarantor, any holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of the Notes or the removal or resignation of the First Lien Trustee and the First Lien Collateral Agent. The First Lien Trustee or the First Lien Collateral Agent, as applicable, shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure so to notify the Issuers shall not relieve the Issuers or any Guarantor of its indemnity obligations hereunder. The Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' expense in the defense. Such indemnified parties may have separate counsel and the Issuers and such Guarantor, as applicable, shall pay the fees and expenses of such counsel; *provided*, *however*, that the Issuers shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no actual or potential conflict of interest between the Issuers and the Guarantors, as applicable, and such parties in connection with such defense. The Issuers need not indemnify against any loss, liability or expense Incurred by an indemnified party through such party's own willful misconduct or negligence.

SECTION 8.02 Conditions to Defeasance.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option only if:

(i) the Issuer irrevocably deposits in trust with the First Lien Trustee cash in U.S. Dollars, U.S. Government Obligations or a combination thereof sufficient to pay the principal of and premium (if any) and interest on the Notes when due at maturity or redemption, as the case may be;

(ii) with respect to U.S. Government Obligations or a combination of money and U.S. Government Obligations, the Issuer delivers to the First Lien Trustee a certificate from a nationally recognized firm of independent accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be; provided that upon any redemption that requires the payment of the Applicable Premium or another

redemption premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the First Lien Trustee equal to the Applicable Premium or such other redemption premium, as applicable, calculated as of the earlier of the date on which arrangements referred to in the succeeding sentence are entered into and the date of the notice of redemption, with any deficit as of the date of the redemption only required to be deposited with the First Lien Trustee on or prior to the date of the redemption;

(iii) no Default specified in Section 6.01(f) or (g) with respect to the Issuer shall have occurred or is continuing on the date of such deposit;

(iv) the deposit does not constitute a default under any other material agreement or instrument binding on the Issuer;

(v) in the case of the legal defeasance option, the Issuers shall have delivered to the First Lien Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred. Notwithstanding the foregoing, the Opinion of Counsel required by the immediately preceding sentence with respect to a legal defeasance need not be delivered if all of the Notes not theretofore delivered to the First Lien Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the First Lien Trustee for the giving of notice of redemption by the First Lien Trustee in the name, and at the expense, of the Issuer;

(vi) such exercise does not impair the right of any holder of the Notes to receive payment of principal of, premium, if any, and interest on such holder's Notes on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such holder's Notes;

(vii) in the case of the covenant defeasance option, the Issuer shall have delivered to the First Lien Trustee an Opinion of Counsel to the effect that the holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(viii) the Issuer delivers to the First Lien Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article VIII have been complied with.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the First Lien Trustee for the redemption of such Notes at a future date in accordance with Article III.

SECTION 8.03 Application of Trust Money. The First Lien Trustee shall hold in trust money or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article VIII. The First Lien Trustee shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Notes so discharged or defeased.

SECTION 8.04 Repayment to Issuer. Each of the First Lien Trustee and each Paying Agent shall promptly turn over to the Issuers upon request any money or U.S. Government Obligations held by it as provided in this Article VIII that, in the written opinion of a nationally recognized firm of independent public accountants, a nationally recognized investment bank or a nationally recognized appraisal or valuation firm, delivered to the First Lien Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent discharge or defeasance of Notes in accordance with this Article VIII.

Subject to any applicable abandoned property law, the First Lien Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, holders entitled to the money must look to the Issuers for payment as general creditors, and the First Lien Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05 Indemnity for U.S. Government Obligations. The Issuers shall pay and shall indemnify the First Lien Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06 Reinstatement. If the First Lien Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under this Indenture and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the First Lien Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided*, *however*, that, if the Issuers have made any payment of principal of, premium, if any, or interest on, any such Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the First Lien Trustee or any Paying Agent.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The Guarantee of each Guarantor hereunder shall not be affected by (i) the failure of any holder or the First Lien Trustee to assert any claim or demand or to enforce any right or remedy against the Issuers or any other Person under this Indenture, the Notes or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (iv) the release of any security held by any holder or the First Lien Trustee for the Guaranteed Obligations or each Guarantor; (v) the failure of any holder or First Lien Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of each Guarantor, except as provided in Section 12.02(b). Each Guarantor hereby waives any right to which it may be entitled to have its Guarantee hereunder divided among the Guarantors, such that such Guarantor's Guarantee would be less than the full amount claimed.

(c) Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuers first be used and depleted as payment of the Issuers' obligations under this Indenture and the Issuers' or such Guarantor's Guarantee hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuers be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment and, performance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any holder or the First Lien Trustee to any security held for payment of the Guaranteed Obligations.

(e) The Guarantee of each Guarantor is, to the extent and in the manner set forth in Article XII, equal in right of payment to all existing and future Pari Passu Indebtedness, senior in right of payment to all existing and future Subordinated Indebtedness of such Guarantor.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the Guarantee of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guarantee of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any holder or the First Lien Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(g) Except as expressly set forth in Section 12.02(b), each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations of such Guarantor. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any holder or the First Lien Trustee upon the bankruptcy or reorganization of an Issuer or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any holder or the First Lien Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the First Lien Trustee, forthwith pay, or cause to be paid, in cash, to the holders or the First Lien Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuers to the holders and the First Lien Trustee.

(i) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the holders and the First Lien Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of the Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article VI, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 12.01.

(j) Each Guarantor also agrees to pay any and all costs and expenses (including out-of-pocket attorneys' fees and expenses) incurred by the First Lien Trustee in enforcing any rights under this Section 12.01.

(k) Upon request of the First Lien Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary to carry out more effectively the purpose of this Indenture.

SECTION 12.02 Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by each Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering this Indenture, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or under any applicable mandatory corporate law or capital maintenance or corporate benefit rules applicable to guarantees for obligations of affiliates. In addition, each Guarantee is subject to the Applicable Guarantee Limitations applicable thereto, if any.

(b) A Guarantee as to any Guarantor (other than, in the case of clauses (i) and (ii) below, a Guarantee of the Parent) shall automatically terminate and be of no further force or effect and such Guarantor shall be automatically released from all obligations under this Article XII upon:

(i) the sale, disposition, exchange or other transfer (including through merger, consolidation, amalgamation or otherwise) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Guarantor is no longer a Restricted Subsidiary), of the applicable Guarantor to a Person that is not an Issuer or a Guarantor if such sale, disposition, exchange or other transfer is made in a manner not in violation of this Indenture;

(ii) the designation of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of Section 4.04 and the definition of "Unrestricted Subsidiary";

(iii) the release or discharge of the guarantee by such Guarantor of the Indebtedness under (i) the Credit Agreement and (ii) any Capital Markets Indebtedness of the Parent, any Issuer or any of the other Guarantors which created the obligation to guarantee the Notes;

(iv) the Issuers' exercise of their legal defeasance option or covenant defeasance option under Article VIII or if the Issuers' obligations under this Indenture are discharged in accordance with the terms of this Indenture; or

(v) such Restricted Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing Bank Indebtedness or other exercise of remedies in respect thereof.

(c) The Guarantee (if any) of the Parent will only be released upon (iii) and (iv) above or upon the disposition of all or substantially all of the assets of the Parent in accordance with Section 5.01 in a transaction or series of related transactions that constitutes a Change of Control.

SECTION 12.03 [Intentionally Omitted].

SECTION 12.04 Successors and Assigns. This Article XII shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of and be enforceable by the successors and assigns of the First Lien Trustee and the holders and, in the event of any transfer or assignment of rights by any holder or the First Lien Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.05 No Waiver. Neither a failure nor a delay on the part of either the First Lien Trustee or the holders in exercising any right, power or privilege under this Article XII shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the First Lien Trustee and the holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article XII at law, in equity, by statute or otherwise.

SECTION 12.06 Modification. No modification, amendment or waiver of any provision of this Article XII, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the First Lien Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.07 Execution of Supplemental Indenture for Future Guarantors. Each Subsidiary which is required to become a Guarantor of the Notes pursuant to Section 4.11 shall promptly execute and deliver to the First Lien Trustee a supplemental indenture substantially in the form of Exhibit C hereto pursuant to which such Subsidiary shall become a Guarantor under this Article XII and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuers shall deliver to the First Lien Trustee an Opinion of Counsel and an Officers' Certificate as provided under Section 9.05.

SECTION 12.08 Non-Impairment. The failure to endorse a Guarantee on any Note shall not affect or impair the validity thereof.

SECTION 12.09 [Intentionally Omitted].

The First Lien Trustee and the Issuers hereby acknowledge and agree that the First Lien Collateral Agent holds the First Lien Collateral in trust for the benefit of the holders of the Notes and the First Lien Trustee and pursuant to the terms of the First Lien Collateral Documents and the Intercreditor Agreements and subject, where applicable, to the Agreed Guarantee and Security Principles. Each holder, by accepting a Note, consents and agrees to the terms of the First Lien Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of First Lien Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the First Lien Collateral Agent to enter into the First Lien Collateral Documents and the Intercreditor Agreements and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer shall, and shall cause the Restricted Subsidiaries to, take any and all actions and make all filings (including the filing of UCC financing statements, continuation statements and amendments thereto) required to cause the First Lien Collateral Documents to create and maintain, as security for the First Priority Notes Obligations of the Issuers and the Guarantors, a valid and enforceable perfected Lien and security interest in and on all of the First Lien Collateral (subject to the terms of the Intercreditor Agreements and the First Lien Collateral Documents and (where applicable) the Agreed Guarantee and Security Principles), in favor of the First Lien Collateral Agent for the benefit of the holders and the First Lien Trustee.

SECTION 13.02 Release of First Lien Collateral.

(a) The Liens securing the Notes will automatically and without the need for any further action by any Person be released, and the First Lien Trustee (subject to its receipt of an Officers' Certificate and Opinion of Counsel as provided in Section 13.02(b)) shall execute documents evidencing such release, or instruct the First Lien Collateral Agent to execute, as applicable, the same at the Issuer's sole cost and expense, under one or more of the following circumstances:

(vi) in accordance with the applicable provisions of the First Lien Collateral Documents and the Intercreditor Agreements.

(b) With respect to any release of First Lien Collateral, upon receipt of an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture to such release have been met and that it is proper for the First Lien Trustee or the First Lien Collateral Agent, as applicable, to execute and deliver the documents requested by the Issuer in connection with such release, and any necessary or proper instruments of termination, satisfaction, discharge or release prepared by the Issuer, the First Lien Trustee shall, or shall cause the First Lien Collateral Agent to, execute, deliver or acknowledge (at the Issuer's expense) such instruments or releases to evidence the release and discharge of any First Lien Collateral permitted to be released pursuant to this Indenture and such documents shall be without recourse to or warranty by the First Lien Collateral Agent. Neither the First Lien Trustee nor the First Lien Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officers' Certificate or Opinion of Counsel.

SECTION 13.03 Suits to Protect the First Lien Collateral. Subject to the provisions of Article VII hereof and the First Lien Collateral Documents and the Intercreditor Agreements, the First Lien Trustee, without the consent of the holders of the Notes, on behalf of the holders of the Notes, may or may direct the First Lien Collateral Agent to take all actions it determines in order to:

(a) enforce any of the terms of the First Lien Collateral Documents; and

(b) collect and receive any and all amounts payable in respect of the First Priority Notes Obligations.

SECTION 13.04 Authorization of Receipt of Funds by the First Lien Trustee under the First Lien Collateral Documents. Subject to the provisions of the Intercreditor Agreements, the First Lien Trustee is authorized to receive any funds for the benefit of the holders of the Notes distributed under the First Lien Collateral Documents, and to make further distributions of such funds to the holders of the Notes according to the provisions of this Indenture.

SECTION 13.05 Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the First Lien Collateral Agent or the First Lien Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XIII to be sold be under any obligation to ascertain or inquire into the authority of the applicable Issuers or Guarantors to make any such sale or other transfer.

In case the First Lien Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XIII upon the Issuers or Guarantors with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuers or Guarantors or of any Officer or Officers thereof required by the provisions of this Article XIII; and if the First Lien Trustee shall be in the possession of the First Lien Collateral under any provision of this Indenture, then such powers may be exercised by the First Lien Trustee.

SECTION 13.07 Release upon Termination of the Issuers' Obligations. In the event that the Issuer delivers to the First Lien Trustee and the First Lien Collateral Agent an Officers' Certificate certifying that (i) payment in full of the principal of, premium (if any), together with accrued and unpaid interest on, the Notes and all other First Priority Notes Obligations that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid or (ii) the Issuers shall have exercised their legal defeasance option or their covenant defeasance option, in each case in compliance with the provisions of Article VIII, and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such notice by the First Lien Trustee have been satisfied, the First Lien Trustee shall deliver to the Issuers and the First Lien Collateral Agent a notice stating that the First Lien Trustee, on behalf of the holders of the Notes, disclaims and gives up any and all rights it has in or to the First Lien Collateral (other than with respect to funds held by the First Lien Trustee pursuant to Article VIII), and any rights it has under the First Lien Collateral Documents, and upon receipt by the First Lien Collateral Agent of such notice, the First Lien Collateral Agent shall be deemed not to hold a Lien in the First Lien Collateral on behalf of the First Lien Trustee or the holders of the Notes and shall do or cause to be done (at the expense of the Issuer) all acts reasonably requested by the Issuer to release and discharge such Lien as soon as is reasonably practicable without recourse to or warranty by the First Lien Collateral Agent.

SECTION 13.08 First Lien Collateral Agent.

(a) The First Lien Trustee and each of the holders of the Notes, by acceptance of the Notes, hereby designates and appoints the First Lien Collateral Agent as its agent under the Note Documents and the First Lien Trustee and each of the holders of the Notes, by acceptance of the Notes, hereby irrevocably authorizes the First Lien Collateral Agent to take such action on its behalf under the provisions of the Note Documents and to exercise such powers and perform such duties as are expressly delegated to the First Lien Collateral Agent by the terms of the Note Documents, and consents and agrees to the terms of the Intercreditor Agreements and each First Lien Collateral Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The First Lien Collateral Agent agrees to act as such on the express conditions contained in this Section 13.08. The provisions of this Section 13.08 are solely for the benefit of the First Lien Collateral Agent and none of the First Lien Trustee, any of the holders of the Notes nor any of the Issuers or Guarantors shall have any rights as a third party beneficiary of any of the provisions contained herein other than as expressly provided in Section 13.03. Each holder of the Notes agrees that any action taken by the First Lien Collateral Agent in accordance with the provision of the Note Documents, and the exercise by the First Lien Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all holders of the Notes. Notwithstanding any provision to the contrary contained elsewhere in the Note Documents, the duties of the First Lien Collateral Agent shall be ministerial and administrative in nature, and the

First Lien Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the other Note Documents to which the First Lien Collateral Agent is a party, nor shall the First Lien Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the First Lien Trustee, any holder of the Notes or any Issuer or Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into the Note Documents exist against the First Lien Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the First Lien Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The First Lien Collateral Agent may perform any of its duties under the Note Documents by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates, (a "Related Person") and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in good faith and in accordance with the advice or opinion of such counsel. The First Lien Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made with due care.

(c) None of the First Lien Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with any Note Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment) or under or in connection with any First Lien Collateral Document or Intercreditor Agreement or the transactions contemplated thereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment), or (ii) be responsible in any manner to any of the First Lien Trustee or any holder of the Notes for any recital, statement, representation, warranty, covenant or agreement made by any Issuer or Guarantor or Affiliate of any Issuer or Guarantor, or any Officer or Related Person thereof, contained in this Indenture, or any other Note Documents, or in any certificate, report, statement or other document referred to or provided for in, or received by the First Lien Collateral Agent under or in connection with, any of the Note Documents, or the validity, effectiveness, genuineness, enforceability or sufficiency of any of the Note Documents, or for any failure of any Issuer or Guarantor or any other party to any of the Note Documents to perform its obligations hereunder or thereunder. None of the First Lien Collateral Agent or any of its respective Related Persons shall be under any obligation to the First Lien Trustee or any holder of the Notes to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, any of the Note Documents or to inspect the properties, books, or records of any Issuer or Guarantor or any Affiliates of any Issuer or Guarantor.

(d) The First Lien Collateral Agent shall be entitled to rely, and shall be fully protected in relying, in good faith upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts and advisors selected by the First Lien Collateral Agent. The First Lien Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The First Lien Collateral Agent shall be fully justified in failing or refusing to take any action under any Note Document unless it shall first receive such advice or concurrence of the First Lien Trustee as it determines. The First Lien Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under the Note Documents in accordance with a request, direction, instruction or consent of the First Lien Trustee.

(e) The First Lien Collateral Agent shall not be deemed to have notice of any Default or Event of Default unless a Trust Officer of the First Lien Collateral Agent has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the First Lien Collateral Agent and such notice references the Notes and this Indenture.

(f) The First Lien Collateral Agent may resign at any time by notice to the First Lien Trustee and the Issuers, such resignation to be effective upon the acceptance of a successor agent to its appointment as First Lien Collateral Agent. If the First Lien Collateral Agent resigns under this Indenture, the Issuers shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the First Lien Collateral Agent (as stated in the notice of resignation), the First Lien Collateral Agent may appoint, after consulting with the First Lien Trustee, subject to the consent of the Issuers (which shall not be unreasonably withheld and which shall not be required during a continuing Event of Default), a successor collateral agent. If no successor collateral agent is appointed and consented to by the Issuers pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the resigning First Lien Collateral Agent's resignation shall nevertheless thereupon become effective (except in the case of the First Lien Collateral Agent holding collateral security on behalf of the holders of the Notes, the retiring the First Lien Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor collateral agent is appointed), and the holders of the Notes shall assume and perform all of the duties of the First Lien Collateral Agent hereunder until such time, if any, as the holders of the Notes appoint a successor collateral agent as provided for above. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring First Lien Collateral Agent, and the term "First Lien Collateral Agent" shall mean such successor collateral agent, and the retiring First Lien Collateral Agent's appointment, powers and duties as the First Lien Collateral Agent shall be terminated. After the retiring First Lien Collateral Agent's resignation hereunder, the provisions of this Section 13.08 (and Section 7.07) shall continue to inure to its benefit and the retiring First Lien Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the First Lien Collateral Agent under this Indenture.

(g) Deutsche Bank AG New York Branch shall initially act as First Lien Collateral Agent and shall be authorized to appoint co-First Lien Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided in the Note Documents, neither the First Lien Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the First Lien Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any First Lien Collateral upon the request of any other Person or to take any other action whatsoever with regard to the First Lien Collateral or any part thereof. The First Lien Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the First Lien Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment.

(h) The First Lien Collateral Agent is authorized and directed to (i) enter into the First Lien Collateral Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, (iii) make the representations of the holders of the Notes set forth in the First Lien Collateral Documents and Intercreditor Agreements, (iv) bind the holders of the Notes on the terms as set forth in the First Lien Collateral Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the First Lien Collateral Documents and the Intercreditor Agreements.

(i) If at any time or times the First Lien Trustee shall receive (i) by payment, foreclosure, realization, set-off or otherwise, any proceeds of First Lien Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the First Lien Trustee from the First Lien Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the First Lien Collateral Agent in excess of the amount required to be paid to the First Lien Trustee pursuant to Article VI, the First Lien Trustee shall promptly turn the same over to the First Lien Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the First Lien Collateral Agent such proceeds to be applied by the First Lien Collateral Agent pursuant to the terms of the Intercreditor Agreements and the other Note Documents.

(j) The First Lien Collateral Agent is each holder's agent for the purpose of perfecting the holders' security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should the First Lien Trustee obtain possession of any such First Lien Collateral, the First Lien Trustee shall notify the First Lien Collateral Agent thereof and promptly shall, subject to the Intercreditor Agreements, deliver such Collateral to the First Lien Collateral Agent or otherwise deal with such First Lien Collateral in accordance with the First Lien Collateral Agent's instructions.

(k) The First Lien Collateral Agent shall have no obligation whatsoever to the First Lien Trustee or any of the holders of the Notes to assure that the First Lien Collateral exists or is owned by any Issuer or Guarantor or is cared for, protected, or insured or has been encumbered, or that the First Lien Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Issuers' and the Guarantors' property constituting collateral intended to be subject to the Lien and security interest of the First Lien Collateral Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the First Lien Collateral Agent pursuant to any Note Document other than pursuant to the instructions of the First Lien Trustee or the holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the First Lien Collateral Documents, it being understood and agreed that in respect of the First Lien Collateral, or any act, omission, or event related thereto, the First Lien Collateral Agent shall have no other duty or liability whatsoever to the First Lien Trustee or any holder of any of the Notes as to any of the foregoing.

(l) If any Issuer or Guarantor incurs any obligations in respect of other First Priority Obligations at any time when the First Priority Intercreditor Agreement is not in effect and delivers to the First Lien Collateral Agent and the First Lien Trustee an Officer's Certificate so stating and requesting the First Lien Collateral Agent and the First Lien Trustee to enter into a First Priority Intercreditor Agreement in favor of a designated agent or representative for the holders of the other First Priority Obligations so incurred, the First Lien Collateral Agent and the First Lien Trustee shall (and are hereby authorized and directed to) enter into such First Priority Intercreditor Agreement (at the sole expense and cost of the Issuers, including legal fees and expenses of the First Lien Collateral Agent and the First Lien Trustee), bind the holders of the Notes on the terms set forth therein and perform and observe its obligations thereunder. If any Issuer or Guarantor incurs any obligations in respect of Junior Priority Indebtedness at any time when the First Priority/Second Priority Intercreditor Agreement is not in effect and delivers to the First Lien Collateral Agent and the First Lien Trustee an Officer's Certificate so stating and requesting the First Lien Collateral Agent and First Lien Trustee to enter into a First Priority/Second Priority Intercreditor Agreement in favor of a designated agent or representative for the holders of the Junior Priority Indebtedness so incurred, the First Lien Collateral Agent and the First Lien Trustee shall (and are hereby authorized and directed to) enter into such First Priority/Second Priority Intercreditor Agreement (at the sole expense and cost of the Issuers, including legal fees and expenses of the First Lien Collateral Agent and the First Lien Trustee), bind the holders of the Notes on the terms set forth therein and perform and observe its obligations thereunder. The First Lien Collateral Agent and the First Lien Trustee are authorized to, and, upon request of the Issuer, the First Lien Collateral Agent and the First Lien Trustee shall, enter into a senior priority/junior priority intercreditor agreement with (together with other relevant Persons) any collateral agent and/or other authorized representative of any Junior Priority Indebtedness, which intercreditor agreement shall provide for intercreditor arrangements with respect to such Junior Priority Indebtedness that are not less favorable to the holders of the Notes in any material respect than the intercreditor arrangements set forth in the First Priority/Second Priority Intercreditor Agreement (provided that the First Priority Obligations shall be treated as the senior obligations thereunder) (any such agreement (including, without limitation, any First Priority/Second Priority Intercreditor Agreement), a "Junior Priority Intercreditor Agreement"), so long as any such Junior Priority Intercreditor Agreement is in form and substance reasonably satisfactory to the First Lien Collateral Agent. Holders of the Notes shall be deemed to have agreed to and accepted the terms of such other intercreditor arrangements complying with the requirements of this Indenture by their acceptance of the Notes.

(m) No provision of any Note Document shall require the First Lien Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of holders of the Notes or the First Lien Trustee if it shall not have received indemnity satisfactory to the First Lien Collateral Agent against potential costs and liabilities incurred by the First Lien Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in Note Documents, in the event the First Lien Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the First Lien Collateral, the First Lien Collateral Agent shall not be required to commence any such

action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the First Lien Collateral Agent has determined that the First Lien Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the First Lien Collateral or such property, of any hazardous substances unless the First Lien Collateral Agent has received security or indemnity from the holders of the Notes in an amount and in a form all satisfactory to the First Lien Collateral Agent, protecting the First Lien Collateral Agent from all such liability. The First Lien Collateral Agent shall at any time be entitled to cease taking any action described in this paragraph (m) if it reasonably no longer deems any indemnity, security or undertaking to be sufficient.

(n) The First Lien Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with any Note Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment, (ii) shall not be liable for interest on any money received by it except as the First Lien Collateral Agent may agree in writing with the Issuers (and money held in trust by the First Lien Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the First Lien Collateral Agent shall not be construed to impose duties to act.

(o) The First Lien Collateral Agent shall not be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. The First Lien Collateral Agent shall not be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The First Lien Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by any Issuer or Guarantor under any Note Documents. The First Lien Collateral Agent shall not be responsible to the holders of the Notes or any other Person for any recitals, statements, information, representations or warranties contained in any Note Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by the First Lien Collateral Agent under or in connection with, any Note; the execution, validity, genuineness, effectiveness or enforceability of any Note Document of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any First Lien Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any First Priority Notes Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Issuer or Guarantor; or for any failure of any Issuer or Guarantor to perform its First Priority Notes Obligations under the Note Documents. The First Lien Collateral Agent shall have no obligation to any holder of the Notes or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any Issuer or Guarantor of any terms of the Note Documents, or the satisfaction of any conditions precedent contained in the Note Documents. The First Lien Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under the Note Documents unless expressly set forth hereunder or thereunder. The First Lien Collateral Agent shall have the right at any time to seek instructions from the holders of the Notes with respect to the administration of the Note Documents.

(q) The parties hereto and the holders of the Notes hereby agree and acknowledge that the First Lien Collateral Agent shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of the Note Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the holders of the Notes hereby agree and acknowledge that in the exercise of its rights under the Note Documents, the First Lien Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the First Lien Collateral Agent in the First Lien Collateral and that any such actions taken by the First Lien Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such First Lien Collateral.

(r) Upon the receipt by the First Lien Collateral Agent of a written request of the Issuers signed by one Officer of each Issuer (a "Collateral Document Order"), the First Lien Collateral Agent is hereby authorized to execute and enter into, and (so long as such documents are consistent with the terms of this Indenture and otherwise reasonably acceptable to the First Lien Collateral Agent) shall execute and enter into, without the further consent of any holder of the Notes or the First Lien Trustee, any First Lien Collateral Document to be executed after the Issue Date. Such Collateral Document Order shall (i) state that it is being delivered to the First Lien Collateral Agent pursuant to, and is a Collateral Document Order referred to in, this Section 13.08(r), and (ii) instruct the First Lien Collateral Agent to execute and enter into such First Lien Collateral Document. Any such execution of a First Lien Collateral Document shall be at the direction and expense of the Issuers. The holders of the Notes, by their acceptance of the Notes, hereby authorize and direct the First Lien Collateral Agent to execute such First Lien Collateral Documents.

(s) Subject to the provisions of the applicable First Lien Collateral Documents and the Intercreditor Agreements, each holder of the Notes, by acceptance of the Notes, agrees that the First Lien Collateral Agent shall execute and deliver the Intercreditor Agreements and the First Lien Collateral Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof.

(t) After the occurrence of an Event of Default, the First Lien Trustee may, subject to the Intercreditor Agreements, direct the First Lien Collateral Agent in connection with any action required or permitted by the Note Documents.

(u) The First Lien Collateral Agent is authorized to receive any funds for the benefit of itself, the First Lien Trustee and the holders of the Notes distributed under the First Lien Collateral Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the First Lien Trustee to make further distributions of such funds to itself, the First Lien Trustee and the Holders in accordance with the provisions of Article VI hereof and the other provisions of this Indenture.

(v) Notwithstanding anything to the contrary in this Indenture or any other Note Document, in no event shall the First Lien Collateral Agent or the First Lien Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the other Note Documents (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the First Lien Collateral Agent or the First Lien Trustee be responsible for, and neither the First Lien Collateral Agent nor the First Lien Trustee makes any representation regarding, the validity, effectiveness or priority of any of the First Lien Collateral Documents or the security interests or Liens intended to be created thereby.

(w) Before the First Lien Collateral Agent acts or refrains from acting in each case at the request or direction of any Issuer or Guarantor, it may require an Officers' Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 14.04. The First Lien Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(x) The Issuers shall pay compensation to, reimburse expenses of and indemnify the First Lien Collateral Agent in accordance with Section 7.07.

To the extent anything in this Section 13.08 is inconsistent with the terms of any of the Intercreditor Agreements, the terms of the applicable Intercreditor Agreement shall prevail.

SECTION 13.09 Designations. For purposes of the provisions hereof and the Intercreditor Agreements requiring the Issuers to designate Indebtedness for the purposes of the term "Future First Lien Indebtedness," "Future First Lien Indebtedness," "Junior Priority Indebtedness" or any other such designations hereunder or under the Intercreditor Agreements, any such designation shall be sufficient if the relevant designation is set forth in writing, signed on behalf of the Issuers by an Officer of each Issuer and delivered to the First Lien Trustee and the First Lien Collateral Agent.

SECTION 13.10 Additional Provisions.

(a) In no event shall (i) control agreements or control, lockbox or similar agreements or arrangements be required with respect to deposit or securities accounts, except as, and solely to the extent, expressly required by Section 4.21, (ii) landlord, mortgagee and bailee waivers be required or (iii) notices be sent to account debtors or other contractual third parties, except in accordance with the Agreed Guarantee and Security Principles or in connection with a permitted exercise of remedies under the relevant First Lien Collateral Documents.

(b) If at any time after the Issue Date, the definitions of "Excluded Property" or "Excluded Securities" or the Agreed Guarantee and Security Principles (or equivalent terms) included in the agreement described in clause (i) of the definition of the term "Credit Agreement" (as amended, amended and restated, supplemented, modified, refinanced or replaced, so long as continuing to constitute First Priority Obligations) are amended, modified or waived so as to narrow the scope of the exclusion of assets from the First Lien Collateral, the corresponding provisions in this Indenture shall be deemed automatically amended in identical fashion.

SECTION 13.11 Parallel Debt. For the purpose of taking and ensuring the continuing validity of each Lien on the First Lien Collateral granted under the First Lien Collateral Documents governed by the laws of (or to the extent affecting assets situated in) Switzerland, the Netherlands or any other jurisdiction in which an effective Lien cannot be granted in favor of the First Lien Collateral Agent as trustee or agent for some or all of the First Priority Notes Secured Parties, notwithstanding any contrary provision in any Note Document:

(a) each Issuer and Guarantor irrevocably and unconditionally undertakes to pay to the First Lien Collateral Agent as an independent and separate creditor an amount (the "Parallel Obligations") equal to: (i) all present and future, actual or contingent amounts owing by such Issuer or Guarantor to First Priority Notes Secured Parties under or in connection with the Note Documents as and when the same fall due for payment under or in connection with the Note Documents (including, for the avoidance of doubt, any change, extension or increase in those obligations pursuant to or in connection with any amendment or supplement or restatement or novation of any Note Document, in each case whether or not anticipated as of the Issue Date) and (ii) any amount which such Issuer or Guarantor owes to First Priority Notes Secured Parties as a result of a party rescinding a Note Document or as a result of invalidity, illegality, or unenforceability of a Note Document (the "Original Obligations");

(b) the First Lien Collateral Agent shall have its own independent right to claim performance of the Parallel Obligations (including, without limitation, any suit, execution, enforcement of security, recovery of guarantees and applications for and voting in respect of any kind of insolvency proceedings) and the Parallel Obligations shall not constitute the First Lien Collateral Agent and any other First Priority Notes Secured Party as joint creditors;

(c) the Parallel Obligations shall not limit or affect the existence of the Original Obligations for which the First Priority Notes Secured Parties shall have an independent right to demand payment;

(d) notwithstanding clauses (b) and (c) above:

(i) the Parallel Obligations shall be decreased to the extent the First Lien Collateral Agent receives (and retains) and applies any payment against the discharge of its Parallel Obligations to the First Lien Collateral Agent and the Original Obligations shall be decreased to the same extent;

(ii) payment by any Issuer or Guarantor of its Original Obligations to the relevant First Priority Notes Secured Party shall to the same extent decrease and be a good discharge of the Parallel Obligations owing by it to the First Lien Collateral Agent; and

(iii) if any Original Obligation is subject to any limitations under the Note Documents, then the same limitations shall apply mutatis mutandis to the relevant Parallel Obligation corresponding to that Original Obligation;

(e) the Parallel Obligations are owed to the First Lien Collateral Agent in its own name on behalf of itself and not as agent or representative of any other person nor as trustee and all property subject to a Lien on First Lien Collateral shall secure the Parallel Obligations so owing to the First Lien Collateral Agent in its capacity as creditor of the Parallel Obligations;

(f) each Issuer and Guarantor irrevocably and unconditionally waives any right it may have to require a First Priority Notes Secured Party to join any proceedings as co-claimant with the First Lien Collateral Agent in respect of any claim by the First Lien Collateral Agent against any Issuer or Guarantor under this Section 13.11;

(g) each Issuer and Guarantor agrees that:

(i) any defect affecting a claim of the First Lien Collateral Agent against any Issuer or Guarantor under this Section 13.11 will not affect any claim of a First Priority Notes Secured Party against such Issuer or Guarantor under or in connection with the First Lien Documents; and

(ii) any defect affecting a claim of a First Priority Notes Secured Party against any Issuer or Guarantor under or in connection with the Note Document will not affect any claim of the First Lien Collateral Agent under this Section 13.11; and

(h) if the First Lien Collateral Agent returns to any Issuer or Guarantor, whether in any kind of insolvency proceeding or otherwise, any recovery in respect of which it has made a payment to a First Priority Notes Secured Party, that First Priority Notes Secured Party must repay an amount equal to that recovery to the First Lien Collateral Agent.

(i) For purposes of any First Lien Collateral Document governed by Dutch law, any resignation by the First Lien Collateral Agent is not effective with respect to its rights under the Parallel Obligations until all rights and obligations under the Parallel Obligations have been assigned to and assumed by the successor agent appointed in accordance with this Indenture.

(j) The First Lien Collateral Agent will reasonably cooperate in transferring its rights and obligations under the Parallel Obligations to a successor agent in accordance with this Indenture and will reasonably cooperate in transferring all rights and obligations under any First Lien Collateral Document to such successor agent. All Guarantors and Issuers hereby, in advance, irrevocably grant their cooperation (*medewerking*) to such transfers of rights and obligations by the First Lien Collateral Agent to a successor collateral agent in accordance with this Indenture.

SECTION 13.12 Trust Provisions.

(a) Declaration of Trust. The First Lien Collateral Agent declares that it holds the Trust Property on trust for the First Priority Notes Secured Parties on the terms contained in this Indenture.

(b) The First Lien Collateral Agent.

(i) The First Lien Collateral Agent shall have such rights, powers, authorities and discretions as are (a) conferred on trustees by the Trustee Acts; (b) by way of supplement to the Trustee Acts as provided for in this Indenture and/or the English Security Documents; and (c) any which may be vested in the First Lien Collateral Agent by law or regulation or otherwise.

(ii) Section 1 of the Trustee Act 2000 shall not apply to the duties of the First Lien Collateral Agent in relation to the trusts constituted by this Indenture. Where there are any inconsistencies between the Trustee Acts and the provisions of this Indenture, the provisions of this Indenture shall, to the extent permitted by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of this Indenture shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000.

(iii) All moneys from time to time received or recovered by the First Lien Collateral Agent in respect of the Trust Property and the net proceeds from the realization or enforcement of all or any part of the English Transaction Security shall be held by the First Lien Collateral Agent on trust to apply them at such times as the First Lien Collateral Agent considers appropriate in the order of priority set out in Section 6.10 (subject to the Intercreditor Agreements).

(iv) Nothing in any Note Documents constitutes the First Lien Collateral Agent as an agent, trustee or fiduciary of any Issuer or Guarantor and the First Lien Collateral Agent shall not be bound to account to any First Priority Notes Secured Party for any sum or the profit element of any sum received by it for its own account.

(v) If the First Lien Collateral Agent were to resign or be replaced, its resignation or replacement shall only take effect upon the transfer of the Trust Property to its successor.

(c) Termination of the Trusts. If the First Lien Collateral Agent, with the approval of the First Lien Trustee under the Note Documents, determines that:

(i) all of the First Priority Obligations and all other obligations secured by the English Security Documents have been fully and finally discharged; and

(ii) no First Priority Notes Secured Party is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Issuer or Guarantor pursuant to the Note Documents,

then the trusts created by this Section 13.12 shall be wound up and the First Lien Collateral Agent shall release, without recourse or warranty, all of the English Transaction Security and the rights of the First Lien Collateral Agent under each of the English Security Documents.

To the extent anything in this Section 13.12 is inconsistent with the terms of any of the Intercreditor Agreements, the terms of the applicable Intercreditor Agreement shall prevail.

SECTION 13.13 Swiss Provisions. In relation to any First Lien Collateral Document governed by Swiss law (each a "First Lien Swiss Transaction Security Document"):

(a) the First Lien Collateral Agent shall hold:

(1) any security created or evidenced or expressed to be created or evidenced under or pursuant to a First Lien Swiss Transaction Security Document by way of a security assignment (*Sicherungsabtretung*) or transfer for security purposes (*Sicherungsübereignung*) or any other non-acccessory (*nicht akzessorische*) security;

(2) the benefit of this Section 13.13; and

(3) any proceeds and other benefits of such security, as fiduciary (*treuhänderisch*) in its own name but for the account of all relevant First Priority Notes Secured Parties which have the benefit of such security in accordance with the Intercreditor Agreements and the respective First Lien Swiss Transaction Security Document; and

(b) each present and future First Priority Notes Secured Party, represented by the First Lien Trustee acting for itself and in the name and for the account of each such First Priority Notes Secured Party as a direct representative, hereby authorizes the First Lien Collateral Agent:

(1) to (x) accept and execute in the name and on behalf of each First Priority Notes Secured Party as its direct representative (*direkter Stellvertreter / représentant direct*) any Swiss law pledge created or evidenced or expressed to be created or evidenced under or pursuant to any First Lien Swiss Transaction Security Document for the benefit of the First Priority Notes Secured Parties and (y) hold, administer and, if necessary, enforce any such security in the name and on behalf of each relevant First Priority Notes Secured Party which has the benefit of such security;

(2) to agree as its direct representative (*direkter Stellvertreter / représentant direct*) to any amendments and alterations to any First Lien Swiss Transaction Security Document in accordance with Article IX of this Indenture;

(3) to effect as its direct representative (*direkter Stellvertreter / représentant direct*) any release of a security created or evidenced or expressed to be created or evidenced under any First Lien Swiss Transaction Security Document in accordance with the Intercreditor Agreements; and

(4) to exercise as its direct representative (*direkter Stellvertreter / représentant direct*) such other rights granted hereunder, under the Intercreditor Agreements or under any relevant First Lien Swiss Transaction Security Document.

The Issuer further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment set forth in the immediately preceding sentence in full force and effect so long as the Notes are outstanding. The Issuer hereby irrevocably and unconditionally authorizes and directs its agent to accept such service on its behalf. If for any reason any authorized agent ceases to be available to act as such, the Issuer agrees to designate a new agent in the United States of America.

One signed copy is enough to prove this Indenture. Notwithstanding the foregoing, the exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

SECTION 14.15 Waiver of Jury Trial. EACH OF THE ISSUERS, THE GUARANTORS, THE FIRST LIEN TRUSTEE AND THE FIRST LIEN COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering ("Applicable Law," for example section 326 of the USA PATRIOT Act of the United States), the First Lien Trustee and the First Lien Collateral Agent are required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the First Lien Trustee and the First Lien Collateral Agent. Accordingly, each of the parties agree to provide to the First Lien Trustee and the First Lien Collateral Agent, upon their request from time to time such identifying information and documentation as may be available for such party in order to enable the First Lien Trustee and the First Lien Collateral Agent to comply with Applicable Law.

SECTION 14.17 Intercreditor Agreements. Reference is made to the Intercreditor Agreements. Each holder of the Notes, by its acceptance of a Note, (a) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements and (b) authorizes and instructs the First Lien Trustee and the First Lien Collateral Agent to enter into the Intercreditor Agreements on behalf of such holder, including without limitation, making the representations of the holders of the Notes contained therein.

2. The Notes.

2.1 Form and Dating; Global Notes.

(a) The Initial Notes issued on the date hereof will be (i) privately placed by the Issuers and (ii) sold, initially only (1) in the United States to QIBs or IAIs and (2) outside the United States to Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes may thereafter be transferred to, among others, QIBs, purchasers in reliance on Regulation S and, except as set forth below, IAIs in accordance with Rule 501.

(b) Global Notes.

(i) Except as provided in clause (d) of Section 2.2 below, Rule 144A Notes initially shall be represented by one or more Notes in definitive, fully registered, global form without interest coupons (collectively, the "Rule 144A Global Notes").

Regulation S Notes initially shall be represented by one or more Notes in fully registered, global form without interest coupons (collectively, the "Regulation S Temporary Global Note" and, together with the Regulation S Permanent Global Note (defined below), the "Regulation S Global Notes"), which shall be registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear system ("Euroclear") or Clearstream Banking, Société Anonyme ("Clearstream").

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note shall be exchanged for beneficial interests in a permanent Global Note (the "Regulation S Permanent Global Note") pursuant to the applicable procedures of the Depository, Euroclear or Clearstream. Simultaneously with the authentication of the Regulation S Permanent Global Note, the First Lien Trustee shall cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the First Lien Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Depository participants through Euroclear or Clearstream.

The term "Global Notes" means the Rule 144A Global Notes and the Regulation S Global Notes. The Global Notes shall bear the Global Note Legend. The Global Notes initially shall (i) be registered in the name of the Depository, Euroclear or Clearstream or the nominee of such depository, in each case for credit to an account of an Agent Member, (ii) be delivered to the First Lien Trustee as custodian for such depository and (iii) bear the Restricted Notes Legend.

Members of, or direct or indirect participants in, the Depository, Euroclear or Clearstream (collectively, the "Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the First Lien Trustee as its custodian, or under the Global Notes.

The Depository may be treated by the Issuers, the First Lien Trustee and any agent of the Issuers or the First Lien Trustee as the sole owner of the Global Notes for all purposes under the Indenture and the Notes. Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the First Lien Trustee or any agent of the Issuers or the First Lien Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository, Euroclear or Clearstream, as the case may be, or their respective Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any Note.

(ii) Transfers of Global Notes shall be limited to transfer in whole, but not in part, to the Depository, Euroclear or Clearstream, their successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Definitive Notes only in accordance with the applicable rules and procedures of the Depository, Euroclear or Clearstream, as the case may be and the provisions of Section 2.2. In addition, a Global Note shall be exchangeable for Definitive Notes if (x) the Depository (1) notifies the Issuers at any time that it is unwilling or unable to continue as depository for such Global Note and a successor depository is not appointed within 90 days or (2) has ceased to be a clearing agency registered under the Exchange Act, (y) the Issuers, at their option, notify the First Lien Trustee in writing that the Issuers elect to cause the issuance of Definitive Notes or (z) there shall have occurred and be continuing an Event of Default with respect to the Notes; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuers for Definitive Notes prior to (x) the expiration of the Restricted Period and (y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act. In addition, beneficial interests in a Global Note may be exchanged for Definitive Notes upon request but only upon at least 20 days' prior written notice given to the trustee by or on behalf of the Depository in accordance with customary procedures. In all cases, Definitive Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures and will bear, in the case of the Rule 144A Global Notes or the Regulation S Global Notes, the restrictive legend required by Section 2.2(f) below.

(iii) In connection with the transfer of a Global Note as an entirety to beneficial owners pursuant to subsection (ii) of this Section 2.1(b), such Global Note shall be deemed to be surrendered to the First Lien Trustee for cancellation, and the Issuers shall execute, and, upon written order of the Issuers signed by an Officer, the First Lien Trustee shall authenticate and make available for delivery, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(iv) Any Transfer Restricted Note delivered in exchange for an interest in a Global Note pursuant to Section 2.2 shall, except as otherwise provided in Section 2.2, bear the Restricted Notes Legend.

(v) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in a Regulation S Global Note may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2.

(vi) The holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Indenture or the Notes.

2.2 Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except as set forth in Section 2.1(b). Global Notes will not be exchanged by the Issuers for Definitive Notes except under the circumstances described in Section 2.1(b)(ii). Global Notes also may be exchanged or replaced, in whole or in-part, as provided in Section 2.08 of this Indenture. Beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.2(b).

(b) Transfer and Exchange of Beneficial Interests in Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Transfer Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Notes shall be transferred or exchanged only for beneficial interests in Global Notes. Transfers and exchanges of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Transfer Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Transfer Restricted Global Note in accordance with the transfer restrictions set forth in the Restricted Notes Legend; *provided*, *however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person. A beneficial interest in an Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests in any Global Note that is not subject to Section 2.2(b)(i), the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the First Lien Trustee shall adjust the principal amount of the relevant Global Note pursuant to Section 2.2(g).

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Global Note if the transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form attached to the applicable Note; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form attached to the applicable Note.

A beneficial interest in a Regulation S Global Note to be transferred to a Person who takes delivery in the form of an interest in a Rule 144A Global Note may be made only upon receipt by the First Lien Trustee of a written certification from the transferor to the effect that such transfer is being made: (1) to a Person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; and (2) in accordance with all applicable securities laws of any state of the United States or any other jurisdiction.

Beneficial interests in a Rule 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the First Lien Trustee a written certificate to the effect that such transfer is being made to a Non U.S. Person in an offshore transaction in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available) and that, if such transfer occurs prior to the expiration of the Restricted Period, the interest transferred will be held immediately thereafter through Euroclear or Clearstream.

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Transfer Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such beneficial interest in a Transfer Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note,

and, in each such case, if the Issuers or the Registrar so request or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Issuers and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate in accordance with Section 2.01 of the Indenture, the First Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Transfer Restricted Global Note. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests in Global Notes for Definitive Notes. A beneficial interest in a Global Note may not be exchanged for a Definitive Note except under the circumstances described in Section 2.1(b)(ii). A beneficial interest in a Global Note may not be transferred to a Person who takes delivery thereof in the form of a Definitive Note except under the circumstances described in Section 2.1(b)(ii). In any case, beneficial interests in Global Notes shall be transferred or exchanged only for Definitive Notes.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests in Global Notes. Transfers and exchanges of Definitive Notes for beneficial interests in the Global Notes also shall require compliance with either subparagraph (i), (ii) or (iii) below, as applicable:

(i) Transfer Restricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. If any holder of a Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in a Transfer Restricted Global Note or to transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Note for a beneficial interest in a Transfer Restricted Global Note, a certificate from such holder in the form attached to the applicable Note;

(B) if such Transfer Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(C) if such Transfer Restricted Definitive Note is being transferred to a Non U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(D) if such Transfer Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate from such holder in the form attached to the applicable Note;

(E) if such Transfer Restricted Definitive Note is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate from such holder in the form attached to the applicable Note, including the certifications, certificates and Opinion of Counsel, if applicable; or

(F) if such Transfer Restricted Definitive Note is being transferred to Parent, the Issuers or any Subsidiary of any of Parent or the Issuers, a certificate from such holder in the form attached to the applicable Note;

the First Lien Trustee shall cancel the Transfer Restricted Definitive Note, and increase or cause to be increased the aggregate principal amount of the appropriate Transfer Restricted Global Note.

(ii) Transfer Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A holder of a Transfer Restricted Definitive Note may exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such Transfer Restricted Definitive Notes proposes to transfer such Transfer Restricted Definitive Note to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form attached to the applicable Note,

and, in each such case, if the Issuers or the Registrar so request or if the applicable rules and procedures of the Depository, Euroclear or Clearstream so require, an Opinion of Counsel in form reasonably acceptable to the Issuers and the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the

conditions of this subparagraph (ii), the First Lien Trustee shall cancel the Transfer Restricted Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate, the First Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Notes transferred or exchanged pursuant to this subparagraph (ii).

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A holder of an Unrestricted Definitive Note may exchange such Unrestricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the First Lien Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes. If any such transfer or exchange is effected pursuant to this subparagraph (iii) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an written order of the Issuers in the form of an Officers' Certificate, the First Lien Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Unrestricted Definitive Notes transferred or exchanged pursuant to this subparagraph (iii).

(iv) Unrestricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. An Unrestricted Definitive Note cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a holder of Definitive Notes and such holder's compliance with the provisions of this Section 2.2(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such holder or by its attorney, duly authorized in writing. In addition, the requesting holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.2(e).

(i) Transfer Restricted Definitive Notes to Transfer Restricted Definitive Notes. A Transfer Restricted Note may be transferred to and registered in the name of a Person who takes delivery thereof in the form of a Transfer Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form attached to the applicable Note;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904 under the Securities Act, then the transferor must deliver a certificate in the form attached to the applicable Note;

(C) if the transfer will be made pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate in the form attached to the applicable Note;

(D) if the transfer will be made to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (A) through (C) above, a certificate in the form attached to the applicable Note; and

(E) if such transfer will be made to Parent, the Issuers or a Subsidiary of any of Parent or the Issuers, a certificate in the form attached to the applicable Note.

(ii) Transfer Restricted Definitive Notes to Unrestricted Definitive Notes. Any Transfer Restricted Definitive Note may be exchanged by the holder thereof for an Unrestricted Definitive Note or transferred to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the holder of such Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for an Unrestricted Definitive Note, a certificate from such holder in the form attached to the applicable Note; or

(B) if the holder of such Transfer Restricted Definitive Note proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form attached to the applicable Note,

The Issuers shall pay interest semiannually on June 15 and December 15 of each year (each an "Interest Payment Date"), commencing December 15, 2022. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the Issue Date, until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuers shall pay interest on overdue principal at the rate borne by the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered holders at the close of business on June 1 or December 1 (each a "Record Date") immediately preceding the Interest Payment Date even if Notes are canceled after the Record Date and on or before the Interest Payment Date (whether or not a Business Day). Holders must surrender Notes to the Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depositary. The Issuers shall make all payments in respect of a certificated Note (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Issuers, payment of interest may be made by mailing a check to the registered address of each holder thereof; *provided*, *however*, that payments on the Notes may also be made, in the case of a holder of at least $1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such holder elects payment by wire transfer by giving written notice to the First Lien Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the First Lien Trustee may accept in its discretion).

3. Paying Agent and Registrar.

The Notes are subject to all terms and provisions of the Indenture, and the holders (as defined in the Indenture) are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Notes limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Notes are secured, unsubordinated obligations of the Issuers. This Note is one of the Initial Notes referred to in the Indenture. The Notes include the Initial Notes. The Indenture imposes certain limitations on the ability of the Parent and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, Incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions, enter into or permit certain transactions with Affiliates, create or Incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Issuers and each Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

The Guarantors (including each Wholly Owned Restricted Subsidiary of the Parent that is required to guarantee the Guaranteed Obligations pursuant to Section 4.11 of the Indenture) shall jointly and severally guarantee the Guaranteed Obligations pursuant to the terms of the Indenture.

5. Redemption.

On or after June 15, 2027, the Issuers may redeem the Notes at their option, in whole at any time or in part from time to time, upon not less than 10 days' nor more than 60 days' prior notice mailed by the Issuer by first class mail, or delivered electronically if the Notes are held by DTC, to each holder's registered address and upon not less than 10 days' nor more than 60 days' prior written notice to the First Lien Trustee (or such shorter period as may be agreed by the First Lien Trustee), at (i) a redemption price (expressed as a percentage of principal amount) of 100%, *plus* (ii) accrued and unpaid interest to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

In addition, prior to June 15, 2027, the Issuers may redeem the Notes at their option, in whole at any time or in part from time to time, upon not less than 10 days' nor more than 60 days' prior notice mailed by the Issuer by first-class mail, or delivered electronically if the Notes are held by DTC, to each holder's registered address and upon not less than 10 days' nor more than 60 days' prior written notice to the First Lien Trustee (or such shorter period as may be agreed by the First Lien Trustee), at (i) a redemption price equal to 100% of the principal amount of the Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

Notice of any redemption upon any Equity Offering may be given prior to the completion thereof. In addition, any such redemption described above or notice thereof may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering in the case of a redemption upon completion of an Equity Offering.

6. Redemption for Changes in Withholding Taxes.

The Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding, in each case at 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), and all Additional Amounts, if any, then due and which shall become due on the applicable redemption date as a result of the redemption or otherwise if, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, or the official written interpretation of such laws, which change or amendment is publicly announced and becomes effective after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), the Issuers are, or on the next Interest Payment Date in respect of the Notes would be, required to pay any Additional Amounts or if, after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), any action is taken by a taxing authority of, or any action has been brought in a court of competent jurisdiction in, a Relevant Taxing Jurisdiction or any taxing authority thereof or therein, including any of those actions that constitutes a

Change in Tax Law, whether or not such action was taken or brought with respect to the Issuers, or there is any change, amendment, clarification, application or interpretation of such laws, regulations, treaties or rulings, which in any such case, will result in a material probability that the Issuers will be required to pay Additional Amounts with respect to the Notes (each such action, change, amendment, clarification, application or interpretation, a "Tax Action") (it being understood that such material probability will be deemed to result if the written opinion of independent tax counsel described in clause (ii) below to such effect is delivered to the First Lien Trustee), and, in each case, such obligation to pay Additional Amounts cannot be avoided by taking reasonable measures available to the Issuers (including, for the avoidance of doubt, the appointment of a new paying agent). Notwithstanding the foregoing, no such notice of redemption as a result of a Change in Tax Law or Tax Action will be given (a) earlier than 90 days prior to the earliest date on which the Issuers would be obligated to pay Additional Amounts as a result of a Change in Tax Law or Tax Action and (b) unless, at the time such notice is given, such obligation to pay Additional Amounts remains in effect. Prior to any redemption of Notes pursuant to the preceding paragraph, the Issuers shall deliver to the First Lien Trustee (i) an Officers' Certificate stating that the Issuers are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of redemption have occurred and (ii) an opinion of independent tax counsel reasonably acceptable to the First Lien Trustee to the effect that the Issuers are entitled to redeem the Notes as a result of a Change in Tax Law or a Tax Action. The First Lien Trustee will accept such Officers' Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders.

The Issuers will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

8. Notice of Redemption.

On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Notes or portions thereof to be redeemed.

9. Repurchase of Notes at the Option of the Holders upon Change of Control and Asset Sales.

Upon the occurrence of a Change of Control, each holder of Notes shall have the right, subject to certain conditions specified in the Indenture, to require the Issuers to repurchase all or any part of such holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of the holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), as provided in, and subject to the terms of, the Indenture.

The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

12. Persons Deemed Owners.

The registered holder of this Note shall be treated as the owner of it for all purposes.

13. Unclaimed Money.

Subject to any applicable abandoned property law, the First Lien Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, holders entitled to the money must look to the Issuers for payment as general creditors, and the First Lien Trustee and each Paying Agent shall have no further liability with respect to such monies.

Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) of the Indenture with respect to the Issuers occurs, the principal of, premium, if any, and interest on all the Notes will become immediately due and payable without any declaration or other act on the part of the First Lien Trustee or any holders. In addition, upon the acceleration of the Notes in connection with an Event of Default under Section 6.01(a), (b), (f) or (g) of the Indenture prior to June 15, 2027, an amount equal to the Applicable Premium or optional redemption premium, as applicable, that would have been payable in connection with an optional redemption of the Notes at the time of the occurrence of such acceleration will become and be immediately due and payable with respect to all Notes without any declaration or other act on the part of the First Lien Trustee or any holders of the Notes. The amounts described in the preceding sentence are intended to be liquidated damages and not unmatured interest or a penalty. The holders of a majority in principal amount of outstanding Notes may rescind any such acceleration and its consequences if:

(a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default occurs and is continuing, the First Lien Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders of the Notes, unless such holders have offered to the First Lien Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder may pursue any remedy with respect to the Indenture or the Notes unless (i) such holder has previously given the First Lien Trustee written notice that an Event of Default is continuing with respect to such holder's Notes, (ii) holders of at least 25% in principal amount of the outstanding Notes have requested the First Lien Trustee to pursue the remedy, (iii) such holders have offered the First Lien Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the First Lien Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity, and (v) the holders of a majority in principal amount of the outstanding Notes have not given the First Lien Trustee a direction inconsistent with such request within such 60-day period. The holders of a majority in principal amount of outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the First Lien Trustee or of exercising any trust or power conferred on the First Lien Trustee. The First Lien Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the First Lien Trustee determines is unduly prejudicial to the rights of any other holder or that would involve the First Lien Trustee in personal liability. Prior to taking any action under the Indenture, the First Lien Trustee shall be entitled to indemnification satisfactory to it against all losses and expenses caused by taking or not taking such action.

17. First Lien Trustee Dealings with the Issuers.

The First Lien Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not First Lien Trustee.

18. No Recourse Against Others.

No director, officer, employee, manager or incorporator of the Parent, an Issuer, any Guarantor or any direct or indirect parent company of the Parent, an Issuer or any Guarantor and no holder of any Equity Interests in the Parent, an Issuer, any Guarantor or any direct or indirect parent company of the Parent, an Issuer or any Guarantor, as such, will have any liability for any obligations of an Issuer or any Guarantor under any Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability.

19. Authentication.

This Note shall not be valid until an authorized signatory of the First Lien Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. Abbreviations.

Customary abbreviations may be used in the name of a holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

21. Governing Law.

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE APPLICATION TO THE NOTES OF THE PROVISIONS SET OUT IN ARTICLES 470-1 TO 470-19 OF THE LUXEMBOURG LAW ON COMMERCIAL COMPANIES DATED AUGUST 10, 1915, AS AMENDED, IS EXCLUDED.

22. CUSIP Numbers; ISINs.

The Issuers have caused CUSIP numbers and ISINs to be printed on the Notes and have directed the First Lien Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the holders. No representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers printed thereon.

23. Security.

The Notes will be secured by the First Lien Collateral on the terms and subject to the conditions set forth in the Indenture and the First Lien Collateral Documents and (where applicable) to the Agreed Guarantee and Security Principles. The First Lien Trustee and the First Lien Collateral Agent, as the case may be, hold the First Lien Collateral in trust for the benefit of the holders of the Notes, in each case pursuant to the First Lien Collateral Documents and the Intercreditor Agreements. Each holder of the Notes, by accepting this Note, consents and agrees to the terms of the First Lien Collateral Documents (including the provisions providing for the foreclosure and release of First Lien Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the First Lien Collateral Agent to enter into the First Lien Collateral Documents and the Intercreditor Agreements, and to perform its obligations and exercise its rights thereunder in accordance therewith.

The Issuers will furnish to any holder of Notes upon written request and without charge to the holder a copy of the Indenture which has in it the text of this Note.

AGREED GUARANTEE AND SECURITY PRINCIPLES

Unless otherwise defined herein, capitalized terms used herein are defined in the Indenture to which this Exhibit D is attached.

(A) Considerations.

1. In determining what liens will be granted (and any limitations on the amount or scope of Guarantees) by Issuers or Guarantors organized outside of the United States (the "Non-U.S. Notes Parties") to secure the First Priority Notes Obligations (the holders thereof, the "Secured Parties") the following matters will be taken into account. Liens shall not be created or perfected, the First Priority Notes Obligations may be limited pursuant to the terms of the relevant First Lien Collateral Documents and Guarantees may be limited in amount or scope, to the extent that it would (if created, perfected or not so limited):

(a) result in any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalization laws, capital maintenance rules, general statutory limitations, retention of title claims or the laws or regulations (or analogous restrictions) of any applicable jurisdiction or any similar principles which may limit the ability of any Non-U.S. Notes Party to provide a guarantee or security or may require that the guarantee or security be limited by an amount or scope or otherwise;

(b) result in any (x) material risk to the officers of the relevant grantor of liens or Guarantor of contravention of their fiduciary duties or any legal prohibition, and/or (y) risk to the officers of the relevant grantor of liens or Guarantor of civil or criminal liability;

(c) result in costs that the Issuer and the First Lien Collateral Agent reasonably determine are excessive in relation to the benefit of such lien or Guarantee by reference to the costs of creating or perfecting the lien or Guarantees, on the one hand, versus the value of the assets being secured or Guarantee granted, on the other hand (provided that (A) the Issuer has delivered to the First Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other First Priority Obligations and any First Priority Obligations);

(d) impose an undue administration burden on, or material inconvenience to the ordinary course of operations of, the provider of the lien or Guarantee, in each case which the Issuer and the First Lien Collateral Agent reasonably determine is excessive in relation to the benefit of such lien or Guarantee (provided that (A) the Issuer has delivered to the First Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other First Priority Obligations and any First Priority Obligations); and

(e) create liens over any assets subject to third party arrangements which are permitted by the Indenture to the extent (and for so long as) such arrangements prevent those assets from being charged.

2. These Agreed Guarantee and Security Principles embody recognition by all parties that there may be certain legal, regulatory and practical difficulties (including those in paragraph 1 above) in obtaining security and/or Guarantees without limitation as to amount or scope from all Non-U.S. Notes Parties in every jurisdiction in which Non-U.S. Notes Parties are located, in particular:

(a) perfection of liens, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Indenture or (if earlier or to the extent no such time periods are specified in the Indenture) within the time periods specified by applicable law in order to ensure due perfection. Perfection of security will not be required if it would have a material adverse effect on the ability of the relevant Non-U.S. Notes Party to conduct its operations and business in the ordinary course as otherwise permitted by the Indenture;

(b) the maximum granted or secured amount may be limited to minimize stamp duty, notarization, registration or other applicable fees, taxes and duties where the benefit of increasing the granted or secured amount is reasonably determined by the Issuer and the First Lien Collateral Agent to be excessive in relation to the level of such fees, taxes and duties (provided that (A) the Issuer has delivered to the First Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other First Priority Obligations and any First Priority Obligations); or

(c) where a class of assets to be secured includes material and immaterial assets, if the costs of granting security over the immaterial assets is reasonably determined by the Issuer and the First Lien Collateral Agent to be excessive in relation to the benefit of such security, security will be granted over the material assets only (provided that (A) the Issuer has delivered to the First Lien Collateral Agent an Officers' Certificate describing such determination in reasonable detail and (B) any resulting limitations are simultaneously established with respect to any Lien securing any other First Priority Obligations and any First Priority Obligations).

For the avoidance of doubt, in these Agreed Guarantee and Security Principles, "cost" includes, but is not limited to, income tax cost, registration taxes payable on the creation or enforcement or for the continuance of any liens, stamp duties, the cost of maintaining capital for regulatory purposes, out-of-pocket expenses, and other fees and expenses directly incurred by the relevant grantor of liens or any of its direct or indirect owners, subsidiaries or affiliates.

3. Notwithstanding anything to the contrary, the Agreed Guarantee and Security Principles will be subject to the provisions of the First Priority/Second Priority Intercreditor Agreement. In the event of any conflict between the terms of the First Priority/Second Priority Intercreditor Agreement and the Agreed Guarantee and Security Principles, the terms of the First Priority/Second Priority Intercreditor Agreement will govern and control.

(B) Obligations to be Guaranteed and Secured.

1. Subject to paragraph (A) above, the obligations to be guaranteed and secured are the First Priority Notes Obligations. The liens and Guarantees are to be granted in favor of the First Lien Collateral Agent on behalf of each Secured Party (or equivalent local procedure and unless otherwise necessary in any jurisdictions).

2. Where appropriate, defined terms in the First Lien Collateral Documents should mirror those in the Indenture.

3. The parties to the Indenture agree to negotiate the form of each First Lien Collateral Document in good faith in a manner consistent with these Agreed Guarantee and Security Principles. The form of Guarantee with respect to any Non-U.S. Notes Party shall be subject to any limitations as set out in the joinder, supplement or other Guarantee applicable to such Non-U.S. Notes Party as may be required in order to comply with local laws in accordance with these Agreed Guarantee and Security Principles.

4. The liens granted by any Non-U.S. Notes Party in favor of the First Lien Collateral Agent on behalf of each Secured Party shall, to the extent possible under local law, be enforceable only after the occurrence of an Event of Default that is continuing.

(C) Covenants/Representations and Warranties.

Any representations, warranties or covenants which are required to be included in any First Lien Collateral Document shall reflect (to the extent to which the subject matter of such representation, warranty and covenant is the same as the corresponding representation, warranty and undertaking in the Indenture) the commercial deal set out in the Indenture (save to the extent that applicable local counsel advise it necessary to include any further provisions (or deviate from those contained in this Agreement) in order to protect or preserve the liens granted to the First Lien Collateral Agent on behalf of each Secured Party). Accordingly, the First Lien Collateral Documents shall not include, repeat or extend clauses set out in the Indenture, including the representations or undertakings in respect of information, indemnities or the payment of costs, in each case, unless applicable local counsel advise it necessary in order to ensure the validity of any First Lien Collateral Document or the perfection of any lien granted thereunder.

(D) Liens over Equity Interests.

1. Subject to paragraphs (A) and (B) above, equitable share charges (or the equivalent in local jurisdictions) will be made over equity interests in Non-U.S. Notes Parties to the extent required by the Indenture or any First Lien Collateral Document.

2. Subject to paragraphs (A) and (B) above, equitable share charges (or the equivalent in local jurisdictions) over equity interests in Non-U.S. Notes Parties will be granted pursuant to which the First Lien Collateral Agent on behalf of each Secured Party will be entitled, subject to local laws, to transfer the equity interests and satisfy themselves out of the proceeds of such sale upon enforcement of the lien.

3. Subject to paragraphs (A) and (B) above, to the extent permitted under local law, share pledges should contain provisions to ensure that, unless an Event of Default has occurred and is continuing, the grantor of the lien is entitled to receive dividends and exercise voting rights in any shareholders' meeting of the relevant company (except if exercise would adversely affect the validity or enforceability of the lien or cause an Event of Default to occur) and if an Event of Default has occurred and is continuing the voting and dividend receipt rights may only be exercised by the First Lien Collateral Agent on behalf of each Secured Party, it being understood that if such Event of Default is subsequently remedied or waived, the right to receive dividends and the voting rights in any shareholders' meeting of the relevant company shall return to the grantor of the lien.

4. Liens over equity interests will, where possible, automatically charge further equity interests issued or otherwise contemplate a procedure for the extension (at the cost of the relevant Issuer or Guarantor) of liens over newly-issued shares.

5. Liens will not be created over minority shareholdings or equity interests in joint ventures where the consent of a third party is required before the relevant Issuer or Guarantor can create a lien over the same unless such consent has been obtained; provided, that, to the extent that any such Person has ceased to be a Wholly Owned Subsidiary, the equity interests of such Person shall not be excluded under this clause (5) if such Person was, at any time following the Issue Date, a Wholly Owned Subsidiary and subsequently ceased to be a Wholly Owned Subsidiary as a result of (A) a transfer or issuance of any of its equity interests to any Affiliate or Related Person of any Issuer, (B) any transaction that had no bona fide business purpose and was not undertaken for applicable legal or tax efficiency considerations (in each case under this clause (B), as determined in good faith by the Issuer), or (C) any transaction with a primary purpose (as determined in good faith by the Issuer) to evade the requirement of such equity interests constituting First Lien Collateral hereunder.

6. Liens will not be created on equity interests so long as same constitute Margin Stock (as defined in Regulation U of the Board of Governors of the Federal Reserve System of the United States).

(E) Liens over Receivables of Non-U.S. Notes Parties.

1. Except where an Event of Default has occurred and is continuing, the proceeds of receivables shall not be paid into a nominated account.

2. Each relevant Non-U.S. Notes Party shall not be required to notify third party debtors to any contracts that have been assigned and/or charged under a First Lien Collateral Document unless (i) so required by the First Lien Collateral Agent if an Event of Default has occurred and is continuing or (ii) otherwise customary under the relevant local practice and is not (in the Issuer's good faith determination (with any such determination set forth in an Officers' Certificate of the Issuer being definitive)) materially prejudicial to the business relationship of such Non-U.S. Notes Party. The First Lien Collateral Agent shall however be entitled to give such notice if an Event of Default has occurred and is continuing.

3. No lien will be granted under local law over any receivables to the extent (and for so long as) such receivable cannot be secured under the terms of the relevant contract.

(F) Insurances.

1. Subject to paragraphs (A) and (B) above, proceeds of material insurance policies owned by each relevant Non-U.S. Notes Party (excluding third party liability insurance policies) are to be assigned by way of security or pledged to the First Lien Collateral Agent on behalf of each Secured Party. Proceeds of insurance shall be collected and retained by the relevant Non-U.S. Notes Party (without the further consent of the Secured Parties) (i) unless such insurance proceeds must be applied to mandatory repurchase of the Notes or mandatory prepayments of Bank Indebtedness and other Pari Passu Indebtedness in accordance with the Indenture, subject to any reinvestment rights therein or (ii) unless an Event of Default has occurred and is continuing.

2. If required by local law to create or perfect the security, notice of the security will be served on the insurance provider within 10 business days of the security being granted and the Non-U.S. Notes Party shall use its reasonable endeavours to obtain an acknowledgement of that notice within 30 business days of service. If a Non-U.S. Notes Party has used its reasonable endeavours, but has not been able to obtain acknowledgement of its obligations to obtain acknowledgement shall cease on the expiry of that 30-business-day period. In relation to any Swiss law governed First Lien Collateral Documents, the First Lien Collateral Agent shall have the right to notify the insurance provider of the security granted at any time.

(G) Material Contracts and Claims.

1. Each relevant Non-U.S. Notes Party shall not be required to notify the counterparties to any contracts that have been charged/assigned under a First Lien Collateral Document that such contract has been so charged/assigned unless required by the First Lien Collateral Agent if an Event of Default has occurred and is continuing. Liens should not be created over contracts, leases or licenses which prohibit assignment or the creation of such liens or which require the consent of third parties for the creation of such liens or such assignment.

2. Proceeds of material contracts and claims shall be collected and retained by the relevant Non-U.S. Notes Party (without the further consent of the Secured Parties) (i) unless such proceeds must be applied to mandatory repurchase of the Notes or mandatory prepayments of Bank Indebtedness or other Pari Passu Indebtedness in accordance with the Indenture, subject to any reinvestment rights therein, or (ii) unless an Event of Default has occurred and is continuing.

(H) Liens Over Material Intellectual Property.

1. Subject to paragraphs (A) and (B) above, liens over all registrable Material Intellectual Property (other than any applications for trademarks or service marks filed in the United States Patent and Trademark Office ("PTO"), or any successor office thereto pursuant to 15 U.S.C. §1051 Section 1(b) unless and until evidence of use of the mark in interstate commerce is submitted to the PTO pursuant to 15 U.S.C. §1051 Section 1(c) or Section 1(d)) owned by each relevant Non-U.S. Notes Party are to be given, and registration is to be made in all relevant local registries in which the grantor of the liens is resident or is otherwise required under local law unless the granting of such liens would contravene any legal or contractual prohibition. Where any relevant Non-U.S. Notes Party has the right to the use of any Material Intellectual Property through contractual arrangements to which it is a party, a lien over such contract and/or any rights arising thereunder shall be given in favor of the First Lien Collateral Agent on behalf of each Secured Party, except to the extent (and for so long as) the giving over of such liens would contravene any legal or contractual prohibition. Notwithstanding anything to the contrary herein, liens should not be created over intellectual property or any contractual relationships described above (or any rights arising thereunder) where such lien or assignment is prohibited or the consent of third parties would be required for the creation of such lien or such assignment.

2. If a Non-U.S. Notes Party grants a lien over any of its intellectual property, it will be free to deal with those assets in the course of its business (including, without limitation, allowing any intellectual property to lapse or become abandoned if, in the reasonable judgment of the Parent, it is no longer economically practicable to maintain or useful in the conduct of the business of the Parent and its Restricted Subsidiaries, taken as a whole) until an Event of Default has occurred and is continuing.

3. "Material Intellectual Property" is to be defined as intellectual property owned by the Non-U.S. Notes Parties which is material to the carrying out of the business of Parent or any of its Restricted Subsidiaries, taken as a whole.

(I) Liens Over Bank Accounts.

1. No Non-U.S. Notes Party shall be required to perfect a lien over a bank account (except as, and solely to the extent, expressly required by Section 4.21 of the Indenture).

(J) Other Material Assets.

Liens shall be given over any other material assets of any relevant Non-U.S. Notes Party from time to time, according to the principles set out herein. Such Non-U.S. Notes Party shall be free to deal with those assets in the course of its business until an Event of Default has occurred and is continuing.

(K) Perfection of Liens.

1. Where customary, a First Lien Collateral Document may contain a power of attorney allowing the First Lien Collateral Agent to perform on behalf of the grantor of the lien, its obligations under such First Lien Collateral Document only if an Event of Default has occurred and is continuing.

2. Subject to paragraphs (A) and (B) above, where obligatory or customary under the relevant local law all registrations and filings necessary in relation to the First Lien Collateral Documents and/or the liens evidenced or created thereby are to be undertaken within applicable time limits, by the appropriate local counsel (based on local law and custom), unless otherwise agreed.

3. Subject to paragraphs (A) and (B) above, where obligatory or customary, documents of title relating to the assets charged will be required to be delivered to the First Lien Collateral Agent.

4. Except as explicitly provided herein, notice, acknowledgement or consent to be obtained from a third party will only be required where the efficacy of the lien requires it or where it is practicable and reasonable having regard to the costs involved, the commercial impact on the Non-U.S. Notes Party in question and the likelihood of obtaining the acknowledgement and, when possible without prejudicing the validity of the lien concerned, such perfecting procedures shall be delayed until an Event of Default has occurred and is continuing.

(L) Liens.

Notwithstanding anything to the contrary contained in the Indenture, no provision contained herein shall prejudice the right of the Non-U.S. Notes Parties to benefit from the permitted exceptions set out in the Indenture regarding the granting of liens over assets.

(M) Proceeds.

The First Lien Collateral Documents will state that the proceeds of enforcement of such First Lien Collateral Documents will be applied as specified in the Indenture.

(N) Regulatory Consent.

The enforcement of security over shares and the exercise by the First Lien Collateral Agent of voting rights in respect of such shares may be subject to regulatory consent. Accordingly, enforcement of any security over any shares subject to such a restriction, and the exercise by the First Lien Collateral Agent of the voting rights in respect of any such shares, will be expressed to be conditional upon obtaining any consents required by law or regulation.

(d) Clause (3) of the definition of "Excluded Securities" in Section 1.01 of the Indenture is hereby amended by adding the following proviso immediately after the end thereof:

"provided that, to the extent that any Subsidiary was, at the Issue Date or at any time following the Issue Date, a Wholly Owned Subsidiary and subsequently ceased to be a Wholly Owned Subsidiary, the Equity Interests of such Subsidiary shall not constitute Excluded Securities pursuant to this clause (3) if such Subsidiary ceased to be a Wholly Owned Subsidiary as a result of (A) a transfer or issuance of any of its Equity Interests to any Affiliate or Related Person of any Issuer, (B) any transaction that was not a legitimate business transaction with third parties and was not undertaken for applicable legal or tax efficiency considerations or (C) any transaction with a primary purpose to evade the requirement of such Equity Interests constituting First Lien Collateral under this Indenture;"

(e) Clause (4) of the definition of "Excluded Securities" in Section 1.01 of the Indenture is hereby amended and restated in its entirety as follows:

"provided that this clause (5) does not apply to any Voting Equity Interests held by a Domestic Subsidiary in excess of 65% of all such Voting Equity Interests in any Foreign Subsidiary or any CFC Holdco unless such Voting Equity Interests satisfy the requirements of the proviso to clause (xiii) of the definition of "Excluded Property";"

(g) Section 4.18(a) of the Indenture is hereby amended by deleting the phrase "the United States or Luxembourg" in clause (z) thereof and replacing it with the phrase "the United States, Luxembourg, the United Kingdom, Ireland or the Netherlands".

(h) Section 13.10(a) of the Indenture is hereby amended and restated in its entirety as follows:

If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Consolidated Total Net Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any *pro forma* event, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such *pro forma* calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Consolidated Total Net Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

"First Lien Incurrence Threshold" means (i) so long as the Parent and/or the Issuer maintain Qualified Ratings, 2.50 to 1.00 and (ii) otherwise, 2.25 to 1.00.

"First Lien Secured Leverage Ratio" means, with respect to any Person, at any date, the ratio of (a) Consolidated Total Indebtedness of such Person and its Restricted Subsidiaries as of such date of calculation (determined on a consolidated basis in accordance with GAAP) that is secured by a First Priority Lien, less the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of such Person and its Restricted Subsidiaries and held by such Person and its Restricted Subsidiaries as of such date of determination to (b) EBITDA of such Person for the four full fiscal quarters for which internal financial statements are available immediately preceding such date on which such additional Indebtedness is Incurred. In the event that the Parent, an Issuer or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the First Lien Secured Leverage Ratio is being calculated but prior to the event for which the calculation of the First Lien Secured Leverage Ratio is made (the "First Lien Secured Leverage Calculation Date"), then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuers may elect pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (a) the Issuer elects pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (b) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the First Lien Secured Leverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent, an Issuer or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the First Lien Secured Leverage Calculation Date (each, for purposes of this definition, a "*pro forma* event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent, an Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational

change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the First Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the First Lien Secured Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

"First Lien/Second Lien Secured Leverage Ratio" means, with respect to any Person, at any date, the ratio of (a) Consolidated Total Indebtedness of such Person and its Restricted Subsidiaries as of such date of calculation (determined on a consolidated basis in accordance with GAAP) that is secured by a Lien on the Second Lien Collateral (other than a Lien that is junior to the Liens securing the Notes) less the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of such Person and its Restricted Subsidiaries and held by such Person and its Restricted Subsidiaries as of such date of determination to (b) EBITDA of such Person for the four full fiscal quarters for which internal financial statements are available immediately preceding such date on which such additional Indebtedness is Incurred. In the event that the Parent, an Issuer or any such Subsidiary Incurs, repays, repurchases or redeems any Indebtedness subsequent to the commencement of the period for which the First Lien/Second Lien Secured Leverage Ratio is being calculated but prior to the event for which the calculation of the First Lien/Second Lien Secured Leverage Ratio is made (the "First Lien/Second Lien Secured Leverage Calculation Date"), then the First Lien/Second Lien Secured Leverage Ratio shall be calculated giving pro forma effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuers may elect pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

To the extent (a) the Issuer elects pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred or (b) the Parent or any Restricted Subsidiary elects to treat Indebtedness as having been Incurred prior to the actual Incurrence thereof pursuant to Section 4.03(c)(3), the Issuer shall deem all or such portion of such commitment or such Indebtedness, as applicable, as having been Incurred and to be outstanding for purposes of calculating the First Lien/Second Lien Secured Leverage Ratio for any period in which the Issuer makes any such election and for any subsequent period until such commitments or such Indebtedness, as applicable, are no longer outstanding.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business, and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Parent, an Issuer or any Restricted Subsidiary has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the First Lien/Second Lien Secured Leverage Calculation Date (each, for purposes of this definition, a "pro forma event") shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations (and the change of any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Parent, an Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the First Lien/Second Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the First Lien/Second Lien Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officers' Certificate, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event within 12 months of the date the applicable event is consummated and which are expected to have a continuing impact and are factually supportable.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the First Lien/Second Lien Secured Leverage Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

In the event that the Parent or any of the Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness (other than in the case of any Securitization Financing, in which case interest expense shall be computed based upon the average daily balance of such Indebtedness during the applicable period) or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the "Fixed Charge Calculation Date"), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such Incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; provided that the Issuer may elect pursuant to an Officers' Certificate delivered to the Second Lien Trustee to treat all or any portion of the commitment under any Indebtedness as being Incurred at such time, in which case any subsequent Incurrence of Indebtedness under such commitment shall not be deemed, for purposes of this calculation, to be an Incurrence at such subsequent time.

If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating EBITDA for the applicable period.

ARTICLE II

THE NOTES

SECTION 2.01 Amount of Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture on the Issue Date is $322,868,000.00.

The Issuers may from time to time after the Issue Date issue Additional Notes under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Notes is at such time permitted by Section 4.03 and (ii) such Additional Notes are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.07, 2.08, 2.09, 3.08, 4.06(e), 4.08(c) or Appendix A), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Issuer and (b) (i) set forth or determined in the manner provided in an Officers' Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Notes:

(1) the aggregate principal amount of such Additional Notes which may be authenticated and delivered under this Indenture;

(2) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes shall accrue; and

(3) if applicable, that such Additional Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositaries for such Global Notes, the form of any legend or legends which shall be borne by such Global Notes in addition to or in lieu of those set forth in Exhibit A hereto, and any circumstances in addition to or in lieu of those set forth in Section 2.2 of Appendix A in which any such Global Note may be exchanged in whole or in part for Additional Notes registered, or any transfer of such Global Note in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Note or a nominee thereof.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Issuer and delivered to the Second Lien Trustee at or prior to the delivery of the Officers' Certificate or an indenture supplemental hereto setting forth the terms of the Additional Notes.

The Initial Notes and any Additional Notes may, at the Issuer's option, be treated as a single class of securities for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that if the Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP number, if applicable.

SECTION 2.02 Form and Dating. Provisions relating to the Initial Notes are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The (i) Initial Notes and the Second Lien Trustee's certificate of authentication and (ii) any Additional Notes (if issued as Transfer Restricted Notes) and the Second Lien Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuers or any Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuers). Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form, without coupons, in denominations of $2,000 and any integral multiple of $1,000 in excess thereof; provided that Notes may be issued in denominations of less than $2,000 solely to accommodate book-entry positions that have been created by Depository participants in denominations of less than $2,000.

SECTION 2.03 Execution and Authentication. The Second Lien Trustee shall authenticate and make available for delivery upon a written order of the Issuers signed by one Officer of each Issuer (an "Authentication Order") (a) Initial Notes for original issue on the date hereof in an aggregate principal amount of $322,868,000.00 and (b) subject to the terms of this Indenture, Additional Notes in an aggregate principal amount to be determined at the time of issuance and specified therein. Such Authentication Order shall specify the amount of separate Note certificates to be authenticated, the principal amount of each of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, whether the Notes are to be Initial Notes or Additional Notes, the registered holder of each of the Notes and delivery instructions. Notwithstanding anything to the contrary in this Indenture or Appendix A, any issuance of Additional Notes after the Issue Date shall be in a principal amount of at least $2,000 and integral multiples of $1,000 in excess thereof.

As far as the Issuer is concerned, the Notes (in global or definitive form) will have to be signed pursuant to the articles of association of the Issuer or the resolutions of the Board of Directors of the Issuer. One Officer shall sign the Notes for each Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Second Lien Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Second Lien Trustee (or an authenticating agent as described immediately below) manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Second Lien Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuers to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Second Lien Trustee may do so. Each reference in this Indenture to authentication by the Second Lien Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04 Registrar and Paying Agent.

(a) The Issuers shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar") and (ii) an office or agency where Notes may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuers may have one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrars. The term "Paying Agent" includes the Paying Agent and any additional paying agents. The Issuers initially appoint the Second Lien Trustee as Registrar, Paying Agent and Notes Custodian with respect to the Global Notes.

(b) Upon written request from the Issuer, the Registrar shall provide the Issuer with a copy of the register for the Notes. Further, the Registrar(s) shall provide a copy of the register upon written request after any amendment has been made to the register(s).

(c) The Issuers may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the TIA. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the Second Lien Trustee in writing of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Second Lien Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Parent or any of its Subsidiaries may act as Paying Agent or Registrar.

(d) The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Second Lien Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor Registrar or Paying Agent, as the case may be, as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Second Lien Trustee or (ii) notification to the Second Lien Trustee that the Second Lien Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the Second Lien Trustee; provided, however, that the Second Lien Trustee may resign as Paying Agent or Registrar only if the Second Lien Trustee also resigns as Second Lien Trustee in accordance with Section 7.08.

SECTION 2.05 Paying Agent to Hold Money in Trust. Prior to 10:00 a.m., New York City time, on each due date of the principal of and interest on any Note, the Issuers shall deposit with the Paying Agent (or if the Parent or a Subsidiary thereof is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Paying Agent shall hold in trust for the benefit of holders or the Second Lien Trustee all money held by a Paying Agent for the payment of principal of and interest on the Notes, and shall notify the Second Lien Trustee of any default by the Issuers in

making any such payment. If the Parent or a Subsidiary thereof acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuers at any time may require a Paying Agent to pay all money held by it to the Second Lien Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Second Lien Trustee.

SECTION 2.06 Holder Lists. The Second Lien Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of holders. If the Second Lien Trustee is not the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, to the Second Lien Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Second Lien Trustee may request in writing, a list in such form and as of such date as the Second Lien Trustee may reasonably require of the names and addresses of holders.

SECTION 2.07 Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements (including, among other things, the furnishing of appropriate endorsements and transfer documents) therefor are met. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the Second Lien Trustee shall authenticate Notes at the Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges payable on transfer that are required by law in connection with any transfer or exchange pursuant to this Section 2.07. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of any Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Guarantors, the Second Lien Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuers, the Guarantors, the Second Lien Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the holder of such Global Note (or its agent) or (b) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

The Second Lien Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the Second Lien Trustee, Registrar or Paying Agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 2.08 Replacement Notes. If a mutilated Note is surrendered to the Registrar or if the holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Second Lien Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the holder (a) satisfies the Issuers and the Second Lien Trustee within a reasonable time after such holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers and the Second Lien Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Issuers and the Second Lien Trustee. Such holder shall furnish an indemnity bond sufficient in the judgment of the Second Lien Trustee, with respect to the Second Lien Trustee, and the Issuers, with respect to the Issuers, to protect the Issuers, the Second Lien Trustee, the Paying Agent and the Registrar, as applicable, from any loss or liability that any of them may suffer if a Note is replaced and subsequently presented or claimed for payment. The Issuers and the Second Lien Trustee may charge the holder for their expenses in replacing a Note (including without limitation, attorneys' fees and disbursements in replacing such Note). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuers in their discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Second Lien Trustee except for those canceled by it, those paid pursuant to Section 2.08, those delivered to it for cancellation and those described in this Section as not outstanding. Subject to Section 14.05, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers hold the Note.

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Second Lien Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Cancellation. The Issuers at any time may deliver Notes to the Second Lien Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Second Lien Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Second Lien Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures. The Issuers may not issue new Notes to replace Notes they have redeemed, paid or delivered to the Second Lien Trustee for cancellation. The Second Lien Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.11 Defaulted Interest. If the Issuers default in a payment of interest on the Notes, the Issuers shall pay the defaulted interest then borne by the Notes (*plus* interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuers may pay the defaulted interest to the Persons who are holders on a subsequent special record date. The Issuers shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Second Lien Trustee and shall promptly mail or cause to be mailed to each affected holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12 CUSIP Numbers, ISINs, Etc. The Issuers in issuing the Notes may use CUSIP numbers, ISINs and "Common Code" numbers (if then generally in use), and the Second Lien Trustee shall use any such CUSIP numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Notes and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall promptly advise the Second Lien Trustee in writing of any change in any such CUSIP numbers, ISINs and "Common Code" numbers.

SECTION 2.13 Calculation of Principal Amount of Notes. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, and Section 14.05 of this Indenture. Any calculation of Additional Amounts made pursuant to this Section 2.13 shall be made by the Issuer and delivered to the Second Lien Trustee pursuant to an Officers' Certificate.

ARTICLE III

REDEMPTION

SECTION 3.01 Redemption. The Notes may be redeemed, in whole or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Note set forth in Exhibit A hereto, which is hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest, to, but excluding, the redemption date (subject to the right of holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

SECTION 3.02 Applicability of Article. Redemption of Notes at the election of the Issuers or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article III.

SECTION 3.03 Notices to Second Lien Trustee. If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Paragraph 5 of the Note, the Issuers shall notify the Second Lien Trustee in an Officers' Certificate of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price. The Issuers shall give notice to the Second Lien Trustee provided for in this Section 3.03 at least 10 days but not more than 60 days (or such shorter period as may be agreed by the Second Lien Trustee) before a redemption date if the redemption is a redemption pursuant to Paragraph 5 of the Note. The Issuers may also include a request in such Officers' Certificate that the Second Lien Trustee give the notice of redemption in the Issuers' name and at their expense and setting forth the form of such notice containing the information required by Section 3.05. Any such request shall be received in writing by the Second Lien Trustee at least five (5) Business Days (or such shorter period as is acceptable to the Second Lien Trustee) prior to the date on which such notice is to be given. Any such notice may be canceled if written notice from the Issuers of such cancellation is actually received by the Second Lien Trustee on the Business Day immediately prior to notice of such redemption being mailed to any holder or otherwise delivered in accordance with the applicable procedures of the Depository and shall thereby be void and of no effect. The Issuers shall deliver to the Second Lien Trustee such documentation and records as shall enable the Second Lien Trustee to select the Notes to be redeemed pursuant to Section 3.04.

SECTION 3.04 Selection of Notes to Be Redeemed. In the case of any partial redemption of Notes, selection of the Notes for redemption will be made by the Second Lien Trustee on a pro rata basis to the extent practicable or by lot or by such other method as the Second Lien Trustee shall deem fair and appropriate (and in such manner that complies with the requirements of the Depository, if applicable); *provided* that no Notes of $2,000 or less shall be redeemed in part. The Second Lien Trustee shall make the selection from outstanding Notes not previously called for redemption. The Second Lien Trustee may select for redemption portions of the principal of Notes that have denominations larger than $2,000. Notes and portions of them the Second Lien Trustee selects shall be in amounts of $2,000 or integral multiples of $1,000 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Second Lien Trustee shall notify the Issuers promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.05 Notice of Optional Redemption.

(a) At least 10 but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Note, the Issuers shall mail or cause to be mailed by first-class mail, or delivered electronically if held by the Depository, a notice of redemption to each holder whose Notes are to be redeemed at its registered address (with a copy to the Second Lien Trustee), except that redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Notes pursuant to Article VIII.

Any such notice shall identify the Notes including CUSIP numbers to be redeemed and shall state:

(i) the redemption date;

(ii) the redemption price and the amount of accrued interest to, but excluding, the redemption date;

(iii) the name and address of the Paying Agent;

(iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, plus accrued and unpaid interest;

(v) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;

(vi) that, unless the Issuers default in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Notes being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Notes.

(b) At the Issuers' request, the Second Lien Trustee shall deliver the notice of redemption in the Issuers' name and at the Issuers' expense. In such event, the Issuers shall notify the Second Lien Trustee of such request at least five (5) Business Days (or such shorter period as is acceptable to the Second Lien Trustee) prior to the date such notice is to be provided to holders. Such notice shall be in writing and may be sent to the Second Lien Trustee via electronic mail. Except as set forth in paragraph 5 of the Note, the notice of redemption may not be canceled once delivered to holders of Notes by the Second Lien Trustee.

SECTION 3.06 Effect of Notice of Redemption. Once notice of redemption is mailed or otherwise delivered in accordance with Section 3.05, Notes called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final paragraph of paragraph 5 of the Notes. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, *plus* accrued and unpaid interest to, but excluding, the redemption date; *provided*, *however*, that if the redemption date is after a regular Record Date and on or prior to the next Interest Payment Date, the accrued interest shall be payable to the holder of the redeemed Notes registered on the relevant Record Date. Failure to give notice or any defect in the notice to any holder shall not affect the validity of the notice to any other holder.

SECTION 3.07 Deposit of Redemption Price. With respect to any Notes, prior to 10:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent (or, if the Parent or a Subsidiary thereof is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions

of Notes called for redemption that have been delivered by the Issuer to the Second Lien Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, *plus* accrued and unpaid interest on, the Notes or portions thereof to be redeemed.

SECTION 3.08 Notes Redeemed in Part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original Note.

SECTION 3.09 [Intentionally Omitted].

SECTION 3.10 Redemption for Changes in Withholding Taxes. The Issuers may, at their option, redeem all (but not less than all) of the Notes then outstanding, in each case at 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of the holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date), and all Additional Amounts, if any, then due and which shall become due on the applicable redemption date as a result of the redemption or otherwise if, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction, or the official written interpretation of such laws, which change or amendment is publicly announced and becomes effective after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date) (each of the foregoing changes or amendments, a "Change in Tax Law"), the Issuers are, or on the next interest payment date in respect of the Notes would be, required to pay any Additional Amounts or if, after the Issue Date (or, if the Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after the Issue Date, after such later date), any action is taken by a taxing authority of, or any action has been brought in a court of competent jurisdiction in, a Relevant Taxing Jurisdiction or any taxing authority thereof or therein, including any of those actions that constitutes a Change in Tax Law, whether or not such action was taken or brought with respect to the Issuers, or there is any change, amendment, clarification, application or interpretation of such laws, regulations, treaties or rulings, which in any such case, will result in a material probability that the Issuers will be required to pay Additional Amounts with respect to the Notes (each such action, change, amendment, clarification, application or interpretation, a "Tax Action") (it being understood that such material probability will be deemed to result if the written opinion of independent tax counsel described in clause (ii) below to such effect is delivered to the Second Lien Trustee), and, in each case, such obligation to pay Additional Amounts cannot be avoided by taking reasonable measures available to the Issuers (including, for the avoidance of doubt, the appointment of a new paying agent). Notwithstanding the foregoing, no such notice of redemption as a result of a Change in Tax Law or Tax Action will be given (a) earlier than 90 days prior to the earliest date on which the Issuers would be obligated to pay Additional Amounts as a result of a Change in Tax Law or Tax Action and (b) unless, at the time such notice is given, such obligation to pay Additional Amounts remains in effect. Prior to any redemption of Notes pursuant to the preceding paragraph, the Issuers shall deliver to the Second Lien Trustee (i) an Officers' Certificate stating that the Issuers are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of redemption have occurred and (ii) an opinion of independent tax counsel reasonably acceptable to the Second Lien Trustee to the effect that the Issuers are entitled to redeem the Notes as a result of a Change in Tax Law or a Tax Action. The Second Lien Trustee will accept such Officers' Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the holders.

ARTICLE IV

COVENANTS

SECTION 4.01 Payment of Notes; Segregated Account. The Issuers shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date the Second Lien Trustee or the Paying Agent holds as of 10:00 a.m., New York City time, money sufficient to pay all principal and interest then due and the Second Lien Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate borne by the Notes to the extent lawful.

SECTION 4.02 Reports and Other Information.

(a) Notwithstanding that the Parent may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, so long as any Notes are outstanding hereunder, the Parent will furnish to the Second Lien Trustee and holders the following:

(i) within the time periods specified in the SEC's rules and regulations for non-accelerated filers, all quarterly and annual financial information of the Parent that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K (or any successor comparable forms) if the Parent were required to file such Forms; and

(ii) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time periods specified in the SEC's rules and regulations), current reports that would be required to be filed with the SEC on Form 8-K if the Parent were required to file such reports;

provided that such reports will not be required to contain the separate financial information for the Issuers or the Guarantors contemplated by Rule 3-10 under Regulation S-X promulgated by the SEC (or any successor provision). In addition to providing such information to the Second Lien Trustee, the Parent shall make available to the holders, prospective investors, market makers affiliated with any initial purchaser of the Notes and securities analysts the information required to be provided pursuant to clauses (i) and (ii) of this paragraph, by posting such information to its website or on IntraLinks or any comparable online data system or website, it being understood that the Second Lien Trustee shall have no responsibility to determine if such information has been posted on any website.

(b) If the Parent has designated any of its Subsidiaries as an Unrestricted Subsidiary and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Parent, then the annual and quarterly information required by clause (i) of the first paragraph of this covenant shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Parent and the Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries.

(c) In the event that:

(i) any direct or indirect parent of the Parent (together with its Subsidiaries other than the Parent and its Subsidiaries)

(1) had consolidated net sales of less than 2.5% of the consolidated net sales of such parent entity and all of its Subsidiaries for the most recently ended four fiscal quarter period of such parent entity; and

(2) had total assets (excluding investments in Subsidiaries, intercompany receivables, intercompany loan receivables, and any other item that would be eliminated in the consolidation of such parent entity's consolidated financial statements) of less than 5.0% of the consolidated total assets of such parent entity and all of its Subsidiaries as of the end of the most recently ended fiscal quarter of such parent;

(ii) in connection with any reporting requirements described in clause (i) of Section 4.02(a), the Parent delivers consolidating financial information that explains, in a reasonable level of detail, the differences between the information relating to any direct or indirect parent entity of the Parent and such entity's Subsidiaries other than the Parent and its Subsidiaries, on the one hand, and the information relating to the Parent and its Subsidiaries on a stand-alone basis, on the other hand; or

(iii) any direct or indirect parent of the Parent is or becomes a Guarantor of the Notes, consolidating reporting at such parent entity's level in a manner consistent with that described in clause (i) of Section 4.02(a) for the Parent will satisfy the requirements of such clause. Upon the occurrence of the event described in clause (iii) above, the Parent may designate such parent entity as the new Parent by delivering an Officers' Certificate to such effect to the Second Lien Trustee and such parent entity shall thereafter be deemed to be the Parent for all purposes under this Indenture. If any direct or indirect parent of the Parent is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, then reporting by such parent entity in a manner consistent with that described in clause (ii) of Section 4.02(a) for the Parent will satisfy the requirements of such clause.

(d) In addition, the Parent will make such information available to prospective investors upon request. In addition, the Parent shall, after the Issue Date and for so long as any Notes remain outstanding during any period when it is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) Notwithstanding the foregoing, the Parent will be deemed to have furnished the reports referred to in this Section 4.02 to the Second Lien Trustee and the holders if the Parent has filed such reports with (or furnished such reports to) the SEC via the EDGAR filing system and such reports are publicly available, it being understood that the Second Lien Trustee shall have no responsibility to determine if such information has been posted on any website.

(f) Delivery of any reports, information and documents to the Second Lien Trustee pursuant to this Section 4.02 is for informational purposes only and the Second Lien Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants under this Indenture (as to which the Second Lien Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.03 Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) (i) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock; and (ii) the Parent and the Issuers shall not permit any of the Restricted Subsidiaries (other than any Guarantor or Issuer) to issue any shares of Preferred Stock; *provided*, *however*, that the Parent, any Issuer and any other Guarantor may Incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary that is not a Guarantor or an Issuer may Incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock or issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is Incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been Incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period.

(b) The limitations set forth in Section 4.03(a) shall not apply to:

(i) the Incurrence by the Parent or any Restricted Subsidiary of Indebtedness (including under any Credit Agreement and the issuance and creation of letters of credit and bankers' acceptances thereunder) up to an aggregate principal amount outstanding at the time of Incurrence that does not exceed the greater of (x) $2,450 million and (y) the aggregate principal amount of Consolidated Total Indebtedness that at the time of Incurrence does not cause the First Lien Secured Leverage Ratio for the Parent for the

most recently ended four full fiscal quarters for which internal financial statements are available, determined on a *pro forma* basis, to exceed the First Lien Incurrence Threshold; *provided* that for purposes of determining the amount of Indebtedness that may be incurred under clause (i)(y), all Indebtedness incurred under this clause (i) shall be treated as Indebtedness secured by First Priority Liens;

(ii) the Incurrence by the Parent, the Issuers and the other Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the Guarantees;

(iii) Indebtedness existing on the Issue Date (other than Indebtedness described in clauses (i) and (ii) of this Section 4.03(b)) including, without limitation, the Existing Notes and the guarantees thereof;

(iv) Indebtedness (including Capitalized Lease Obligations) Incurred by the Parent or any Restricted Subsidiary, Disqualified Stock issued by the Parent or any Restricted Subsidiary and Preferred Stock issued by any Restricted Subsidiary to finance (whether prior to or within 360 days after) the acquisition, lease, construction, repair, replacement or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock of any Person owning such assets) and Attributable Debt in respect of any Sale/Leaseback Transaction not in violation of this Indenture in an aggregate principal amount that, when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock or Preferred Stock then outstanding and Incurred pursuant to this clause (iv), together with any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) below, does not exceed the greater of $100.0 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount);

(v) Indebtedness Incurred by the Parent or any Restricted Subsidiary constituting reimbursement obligations with respect to letters of credit and bank guarantees issued in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental law or permits or licenses from governmental authorities, or other Indebtedness with respect to reimbursement type obligations regarding workers' compensation claims;

(vi) Indebtedness arising from agreements of the Parent or any Restricted Subsidiary providing for indemnification, adjustment of acquisition or purchase price or similar obligations (including earn-outs), in each case, Incurred or assumed in connection with the Transactions, any Investments or any acquisition or disposition of any business, assets or a Subsidiary not prohibited by this Indenture, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition;

(vii) Indebtedness of the Parent to a Restricted Subsidiary or Disqualified Stock of the Parent issued to a Restricted Subsidiary; *provided* that (except in respect of intercompany current liabilities incurred in the ordinary course of business in connection with the cash management, tax and accounting operations of the Parent and its Subsidiaries) any such Indebtedness owed to a Restricted Subsidiary that is not an Issuer or a Guarantor is subordinated in right of payment to the obligations of the Guarantee of the Parent; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Parent or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien but not the transfer thereof upon foreclosure) or shares of Disqualified Stock shall be deemed, in each case, to be an Incurrence of such Indebtedness or issuance of shares of Disqualified Stock, as applicable, not permitted by this clause (vii);

(viii) shares of Preferred Stock or Disqualified Stock of a Restricted Subsidiary issued to the Parent or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary that holds such shares of Preferred Stock or Disqualified Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Parent or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock or Disqualified Stock not permitted by this clause (viii);

(ix) Indebtedness of a Restricted Subsidiary to the Parent or another Restricted Subsidiary; *provided* that if a Guarantor incurs such Indebtedness to a Restricted Subsidiary that is not a Guarantor (except in respect of intercompany current liabilities incurred in the ordinary course of business in connection with the cash management, tax and accounting operations of the Parent and its Subsidiaries), such Indebtedness is subordinated in right of payment to the Guarantee of such Guarantor; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary holding such Indebtedness ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Parent or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien but not the transfer thereof upon foreclosure) shall be deemed, in each case, to be an Incurrence of such Indebtedness not permitted by this clause (ix);

(x) Hedging Obligations that are not incurred for speculative purposes;

(xi) Obligations (including reimbursement obligations with respect to letters of credit, bank guarantees, warehouse receipts and similar instruments) in respect of performance, bid, appeal and surety bonds, completion guarantees and similar obligations provided by the Parent or any Restricted Subsidiary in the ordinary course of business or consistent with past practice or industry practice;

(xii) Indebtedness or Disqualified Stock of the Parent or an Issuer or Indebtedness, Disqualified Stock or Preferred Stock of any Restricted Subsidiary in an aggregate principal amount or liquidation preference, which when aggregated with the principal amount or liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and Incurred pursuant to this clause (xii), together with any Refinancing Indebtedness in respect thereof incurred pursuant to clause (xv) below, does not exceed the greater of $250 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence (plus, in the case of any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) below, the Additional Refinancing Amount) (it being understood that any Indebtedness Incurred pursuant to this clause (xii) shall cease to be deemed Incurred or outstanding for purposes of this clause (xii) but shall be deemed Incurred for purposes of Section 4.03(a) from and after the first date on which the Parent or the Restricted Subsidiary, as the case may be, could have Incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xii));

(xiii) Indebtedness or Disqualified Stock of the Parent or any Restricted Subsidiary and Preferred Stock of any Restricted Subsidiary in an aggregate principal amount or liquidation preference at any time outstanding, together with Refinancing Indebtedness in respect thereof incurred pursuant to clause (xv) hereof, not greater than 100.0% of the net cash proceeds received by the Parent and the Restricted Subsidiaries since immediately after April 7, 2020 from the issue or sale of Equity Interests of the Parent or cash contributed to the capital of the Parent (in each case other than proceeds of Disqualified Stock or sales of Equity Interests to, or contributions received from the Parent, the Issuer or any of their Subsidiaries) to the extent such net cash proceeds or cash have not been applied to make Restricted Payments or to make other Investments, payments or exchanges pursuant to Section 4.04(b) or to make Permitted Investments (other than Permitted Investments specified in clauses (1), (2) and (3) of the definition thereof) (plus, in the case of any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) below, the Additional Refinancing Amount) (it being understood that any Indebtedness incurred pursuant to this clause (xiii) shall cease to be deemed incurred or outstanding for purposes of this clause (xiii) but shall be deemed incurred for the purposes of Section 4.03(a) from and after the first date on which the Parent or such Restricted Subsidiary, as the case may be, could have incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xiii));

(xiv) any guarantee by the Parent or any Restricted Subsidiary of Indebtedness or other obligations of the Parent or any Restricted Subsidiary so long as the Incurrence of such Indebtedness Incurred by the Parent or such Restricted Subsidiary is permitted under the terms of this Indenture; *provided* that (A) if such Indebtedness is by its express terms subordinated in right of payment to the Notes

or the Guarantee of the Parent or such Restricted Subsidiary, as applicable, any such guarantee with respect to such Indebtedness shall be subordinated in right of payment to the Notes or such Guarantee, as applicable, substantially to the same extent as such Indebtedness is subordinated to the Notes or the Guarantee, as applicable, and (B) if such guarantee is of Indebtedness of the Issuers, such guarantee is Incurred in accordance with, or not in contravention of, Section 4.11 solely to the extent Section 4.11 is applicable;

(xv) the Incurrence by the Parent or any of the Restricted Subsidiaries of Indebtedness or Disqualified Stock, or by any Restricted Subsidiary of Preferred Stock, that serves to refund, refinance or defease any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued as permitted under Section 4.03(a) and clauses (i)(y), (ii), (iii), (iv), (xii), (xiii), (xv), (xvi) and (xx) of this Section 4.03(b) up to the outstanding principal amount (or, if applicable, the liquidation preference, face amount, or the like) or, if greater, committed amount (only to the extent the committed amount could have been Incurred on the date of initial Incurrence and was deemed Incurred at such time for the purposes of this Section 4.03) of such Indebtedness or Disqualified Stock or Preferred Stock, in each case at the time such Indebtedness was Incurred or Disqualified Stock or Preferred Stock was issued pursuant to Section 4.03(a) or clauses (i)(y), (ii), (iii), (iv), (xii), (xiii), (xv), (xvi) and (xx) of this Section 4.03(b), or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock, plus any additional Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay premiums (including tender premiums), accrued and unpaid interest, expenses, underwriting discounts, commissions, defeasance costs and fees in connection therewith (subject to the following proviso, "Refinancing Indebtedness") prior to its respective maturity; *provided*, *however*, that such Refinancing Indebtedness:

(1) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded, refinanced or defeased and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Indebtedness, Disqualified Stock and Preferred Stock being refunded or refinanced that were due on or after the date that is one year following the last maturity date of any Notes then outstanding were instead due on such date (*provided* that this subclause (1) will not apply to any refunding or refinancing of any Secured Indebtedness);

(2) to the extent such Refinancing Indebtedness refinances (a) Indebtedness junior to the Notes or a Guarantee, as applicable, such Refinancing Indebtedness is junior to the Notes or the Guarantee, as applicable, or (b) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness is Disqualified Stock or Preferred Stock; and

(3) shall not include (x) Indebtedness of a Restricted Subsidiary that is not a Guarantor that refinances Indebtedness of an Issuer or a Guarantor, or (y) Indebtedness of the Parent or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary;

(xvi) Indebtedness, Disqualified Stock or Preferred Stock of (A) the Parent or any Restricted Subsidiary incurred to finance an acquisition or (B) Persons that are acquired by the Parent or any Restricted Subsidiary or are merged, consolidated or amalgamated with or into the Parent or any Restricted Subsidiary in accordance with the terms of this Indenture (so long as such Indebtedness is not incurred in contemplation of such acquisition, merger, consolidation or amalgamation); *provided* that after giving effect to such acquisition or merger, consolidation or amalgamation, either:

(1) the Parent would be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.03(a); or

(2) the Fixed Charge Coverage Ratio of the Parent for the most recently ended four full fiscal quarters for which internal financial statements are available would be no less than immediately prior to such acquisition or merger, consolidation or amalgamation;

(xvii) Indebtedness Incurred in connection with a Securitization Financing; *provided* that such Indebtedness is not recourse to the Parent or any Restricted Subsidiary other than a Securitization Subsidiary (except for Standard Securitization Undertakings); *provided*, *however*, that the aggregate principal amount for all such Indebtedness, when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this Section 4.03(b)(xvii), does not exceed the greater of $200 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence;

(xviii) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within five Business Days of its Incurrence;

(xix) Indebtedness of the Parent or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to Bank Indebtedness, in a principal amount not in excess of the stated amount of such letter of credit;

(xx) Indebtedness of Restricted Subsidiaries that are not Issuers or Guarantors (other than the Cadence IP Licensee, except for any Indebtedness of the Cadence IP Licensee owing to one or more Issuers or Guarantors); *provided*, *however*, that the aggregate principal amount for all such Indebtedness, when aggregated with the principal amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (xx), together with any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) above, does not exceed the greater of $225 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of Incurrence (plus, in the case of any Refinancing Indebtedness in respect thereof Incurred pursuant to clause (xv) above, the Additional Refinancing Amount) (it being understood that any Indebtedness incurred pursuant to this clause (xx) shall cease to be deemed Incurred or outstanding for purposes of this clause (xx) but shall be deemed Incurred for the purposes of Section 4.03(a) from and after the first date on which such Restricted Subsidiary could have Incurred such Indebtedness under Section 4.03(a) without reliance upon this clause (xx)); *provided* that in no event shall the proceeds of Indebtedness Incurred pursuant to this clause (xx) be used for any refinancing of Indebtedness outstanding on the Issue Date (other than Indebtedness of Restricted Subsidiaries that are not Issuers or Guarantors);

(xxi) Indebtedness of the Parent or any Restricted Subsidiary consisting of (A) the financing of insurance premiums or (B) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business;

(xxii) Indebtedness consisting of Indebtedness of the Parent or a Restricted Subsidiary to current or former officers, directors and employees of the Parent, or any of its Subsidiaries, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Parent to the extent described in Section 4.04(b)(iv);

(xxiii) Indebtedness in respect of Obligations of the Parent or any Restricted Subsidiary to pay the deferred purchase price of goods or services or progress payments in connection with such goods and services; *provided* that such obligations are incurred in connection with open accounts extended by suppliers on customary trade terms in the ordinary course of business and not in connection with the borrowing of money or any Hedging Obligations;

(xxiv) Indebtedness of, incurred on behalf of, or representing guarantees of Indebtedness of joint ventures, subject to compliance with Section 4.04; and

(xxv) Indebtedness of the Parent or any Restricted Subsidiary to or on behalf of any joint venture (regardless of the form of legal entity) that is not a Restricted Subsidiary arising in the ordinary course of business in connection with the cash management operations (including with respect to intercompany self-insurance arrangements) of the Parent and the Restricted Subsidiaries.

(c) For purposes of determining compliance with this Section 4.03:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness described in clauses (i) through (xxv) of Section 4.03(b) above or is entitled to be Incurred pursuant to Section 4.03(a), then the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify (as if Incurred at such later time), such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 4.03; *provided* that Indebtedness outstanding under a Credit Agreement entered into on or prior to the Issue Date shall be incurred under clause (i) of Section 4.03(b) above and may not be reclassified;

(2) at the time of Incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the categories of Indebtedness described in Section 4.03(a) or clauses (i) through (xxv) of Section 4.03(b) (or any portion thereof) without giving *pro forma* effect to the Indebtedness Incurred pursuant to any other clause or paragraph of Section 4.03 (or any portion thereof) when calculating the amount of Indebtedness that may be Incurred pursuant to any such clause or paragraph (or any portion thereof); and

(3) in connection with the Incurrence (including with respect to any Incurrence on a revolving basis pursuant to a revolving loan commitment) of any Indebtedness under clause (i)(y) of Section 4.03(b), the Parent or the applicable Restricted Subsidiary may, by written notice to the Second Lien Trustee at any time prior to the actual Incurrence of such Indebtedness designate such Incurrence as having occurred on the date of such prior notice, and any related subsequent actual Incurrence will be deemed for all purposes under this Indenture to have been Incurred on the date of such prior notice.

Accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, amortization of original issue discount, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.03. Where any Indebtedness of any Person other than the Parent and the Restricted Subsidiaries is guaranteed by one or more of the Parent and the Restricted Subsidiaries, the aggregate amount of Indebtedness of the Parent and the Restricted Subsidiaries deemed to be Incurred or outstanding as a result of all such guarantees shall not exceed the amount of such guaranteed Indebtedness. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount (or, if applicable, the liquidation preference, face amount, or the like) of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt. However, if the Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and the refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of the refinancing, the U.S. dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount (or, if applicable, the liquidation preference, face amount, or the like) of the refinancing Indebtedness does not exceed the principal amount (or, if applicable, the liquidation preference, face amount, or the like) of the Indebtedness being refinanced, plus any additional Indebtedness Incurred to pay premiums (including tender premiums), accrued and unpaid interest, expenses, underwriting discounts, commissions, defeasance costs and fees in connection therewith.

Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that the Parent and the Restricted Subsidiaries may Incur pursuant to this Section 4.03 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies. The principal amount (or, if applicable, the liquidation preference, face amount, or the like) of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which the respective Indebtedness is denominated that is in effect on the date of the refinancing.

SECTION 4.04 Limitation on Restricted Payments.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any distribution on account of any of the Parent's or any of the Restricted Subsidiaries' Equity Interests, including any payment made in connection with any merger, amalgamation or consolidation involving the Parent (other than (A) dividends or distributions payable solely in Equity Interests (other than Disqualified Stock) of the Parent; or (B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary that is not a Wholly Owned Restricted Subsidiary, the Parent or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities);

(ii) purchase or otherwise acquire or retire for value any Equity Interests of the Parent;

(iii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness of the Parent, an Issuer or any other Guarantor (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of (A) Subordinated Indebtedness, Junior Priority Indebtedness or unsecured Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and (B) Indebtedness permitted under clauses (vii) and (ix) of Section 4.03(b)); or

(iv) make any Restricted Investment;

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "Restricted Payments" which term, for the avoidance of doubt, shall not include any payment with respect to the Opioid Settlement or the Federal/State Acthar Settlement), unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a *pro forma* basis, the Issuer could Incur $1.00 of additional Indebtedness under Section 4.03(a); and

(3) such Restricted Payment (including Restricted Payments permitted by clauses (i) (to the extent that such Restricted Payment would have reduced the Cumulative Credit if made at the date of the declaration or giving of notice referred to therein and without duplication of any such reduction), (ii)(C) (to the extent that the reference to clause (vi) therein operates by reference to clause (vi)(C)), (vi)(C) and (viii) of Section 4.04(b), but excluding all other Restricted Payments permitted by Section 4.04(b)), is less than the amount equal to the Cumulative Credit.

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration or giving notice thereof, if at the date of declaration or the giving notice of such irrevocable redemption, as applicable, such payment would have complied with the provisions of this Indenture;

Such designation of a Restricted Subsidiary will only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time.

SECTION 4.05 Dividend and Other Payment Restrictions Affecting Subsidiaries. The Parent and the Issuers shall not, and shall not permit any Material Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of an Issuer or any Material Subsidiary to:

(a) pay dividends or make any other distributions to the Parent or any Restricted Subsidiary (1) on its Capital Stock, or (2) with respect to any other interest or participation in, or measured by, its profits; or

(b) make loans or advances to the Parent or any Restricted Subsidiary that is a direct or indirect parent of such Material Subsidiary,

except in each case for such encumbrances or restrictions existing under or by reason of:

(1) contractual encumbrances or restrictions in effect or entered into on the Issue Date, including (A) pursuant to the Credit Agreement and the other Credit Agreement Documents and (B) the Existing Notes, the Existing Notes Indentures, and the related guarantees, and, in each case, any similar contractual encumbrances effected by any amendments, modifications, restatements, renewals, supplements, refundings, replacements or refinancings of such agreements or instruments;

(5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary;

(6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Section 4.03 and Section 4.12 that limit the right of the debtor to dispose of the assets securing such Indebtedness;

(12) any encumbrance or restriction of a Securitization Subsidiary effected in connection with a Securitization Financing;

(13) other Indebtedness, Disqualified Stock or Preferred Stock (a) of the Parent or any Restricted Subsidiary that is an Issuer, a Guarantor or a Foreign Subsidiary or (b) of any Restricted Subsidiary that is not an Issuer, a Guarantor or a Foreign Subsidiary so long as such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Issuers' ability to make anticipated principal or interest payments on the Notes (as determined in good faith by the Issuer); *provided* that in the case of each of clauses (a) and (b), such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be Incurred subsequent to the Issue Date pursuant to Section 4.03;

(14) any Restricted Investment not prohibited by Section 4.04 and any Permitted Investment; or

(15) any encumbrances or restrictions of the type referred to in Section 4.05(a) or (b) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on other Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Parent or a Restricted Subsidiary to other Indebtedness Incurred by the Parent or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06 Asset Sales.

(a) The Parent and the Issuers shall not, and shall not permit any of the other Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Parent or any Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75% of the consideration therefor received by the Parent or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of each of the following shall be deemed to be Cash Equivalents for purposes of this provision:

(i) any liabilities (as shown on the Parent or a Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Parent or a Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes or any Guarantee) that are assumed by the transferee of any such assets or that are otherwise canceled or terminated in connection with the transaction with such transferee, excluding any other Indebtedness included in the calculation of Consolidated Total Indebtedness that is both (1) unsecured or Junior Priority Indebtedness and (2) a direct obligation of, or guaranteed by, all or substantially all of the Issuers and the Guarantors;

(iv) consideration consisting of Indebtedness of the Parent or any Restricted Subsidiary (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Parent or any Restricted Subsidiary; and

(v) any Designated Non-cash Consideration received by the Parent or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value (as determined in good faith by the Issuer), taken together with all other Designated Non-cash Consideration received pursuant to this Section 4.06(a)(v) that is at that time outstanding, not to exceed the greater of $600.0 million and a percentage of Total Assets equal to the Applicable TA Percentage at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(b) Within 365 days after the Parent's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, the Parent or such Restricted Subsidiary may apply the Net Proceeds from such Asset Sale, at its option:
