**Item 8.01. Other Events.**

On September 9, 2015, Mallinckrodt International Finance S.A. and Mallinckrodt CB LLC (together, the “Issuers”), each of which is a wholly owned subsidiary of Mallinckrodt plc (“Mallinckrodt” or the “Company”), entered into an agreement which will result in the private placement on September 24, 2015 of \$750 million of 5.625% senior unsecured notes due October 2023 (the “Notes”).

Mallinckrodt expects to use the proceeds from the Notes to finance, in part, its previously announced acquisition (the “Acquisition”) of all of the capital stock of TGG Medical Solutions, Inc. (“Target”) and to pay certain fees and expenses in connection with the Acquisition and the consummation of the Notes offering described above. Therakos, Inc. (“Therakos”) is a wholly owned subsidiary of Target. The Acquisition is expected to be completed in the third calendar quarter of 2015.

In the event that (i) the Acquisition is not consummated on or before February 10, 2016, or (ii) the Stock Purchase Agreement, dated as of August 9, 2015, by and among Mallinckrodt, Mallinckrodt Enterprises LLC, Target and TGG Medical Holdings, LLC is terminated in accordance with its terms at any time prior thereto, then the Issuers will be required to redeem all of the Notes at the issue price plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

The Notes will initially be jointly and severally guaranteed, subject to certain exceptions, on an unsecured, unsubordinated basis by Mallinckrodt and each of its subsidiaries (other than the Issuers) that guarantees the obligations under the Issuers’ existing senior secured credit facilities, which subsidiaries, after the consummation of the Acquisition, are expected to include Target and Therakos.

The Notes were offered only to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain non-U.S. persons in accordance with Regulation S under the Securities Act.

The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold without registration unless an exemption from such registration is available.

This Current Report on Form 8-K does not constitute an offer to sell or a solicitation for an offer to purchase the Notes or any other securities and does not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

In relation to each member state of the European Economic Area which has implemented the 2003/71/EC directive as amended (the “Prospectus Directive”) (each a “Relevant Member State”), an offer of Notes to the public has not been made and will not be made in that Relevant Member State, except that an offer in that Relevant Member State of Notes may be made at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive; to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the representative of the initial

purchasers; or in any other circumstances falling within Article 3(2) of the Prospectus Directive, and provided that no such offer shall result in a requirement to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.
