Item 1.01. Entry into a Material Definitive Agreement.

On July 28, 2014, certain wholly owned subsidiaries of Mallinckrodt plc (“Mallinckrodt” or the “Company”) entered into a \$160,000,000 accounts receivable securitization facility pursuant to (i) a Note Purchase Agreement (the “Note Purchase Agreement”), among Mallinckrodt Securitization S.à r.l., a wholly owned special purpose subsidiary of the Company (the “SPV”), the persons from time to time party thereto as purchasers (the “Purchasers”), PNC Bank, National Association, as administrative agent (the “Administrative Agent”), and Mallinckrodt LLC, a wholly owned subsidiary of the Company, as initial servicer (in such capacity, together with its successors and assigns in such capacity, the “Servicer”), (ii) a Purchase and Sale Agreement (the “Purchase and Sale Agreement”), among certain wholly owned subsidiaries of the Company (each, an “Originator”), the Servicer and the SPV and (iii) a Sale Agreement (the “Sale Agreement” and, together with the Note Purchase Agreement and the Purchase and Sale Agreement, the “Agreements”), between Liebel-Flarsheim Company LLC, a wholly owned subsidiary of the Company (“Liebel-Flarsheim”), and Mallinckrodt LLC. The Company expects to use a portion of the funds made available pursuant to the accounts receivable securitization facility to finance part of the cash consideration of the previously announced acquisition of Questcor Pharmaceuticals, Inc. (“Questcor”).

Under the Purchase and Sale Agreement, each Originator will sell, on an ongoing basis, accounts receivable, certain related assets and the right to the collections on those accounts receivable to the SPV. Under the Sale Agreement, Liebel-Flarsheim will sell accounts receivable, certain related assets and the right to collections on those accounts receivable to Mallinckrodt LLC, which in turn will sell such assets to the SPV under the Purchase and Sale Agreement. The servicing, administration and collection of the accounts receivable will be conducted by the Servicer. Under the terms of the Note Purchase Agreement, the SPV may, from time to time, obtain up to \$160,000,000 from the Purchasers through the sale of notes secured by its interest in such receivables, related assets and collections. The size of the accounts receivable securitization facility may be increased from time to time, upon request by the SPV and with the consent of the Purchasers and the Administrative Agent, up to a maximum of \$300,000,000. Advances under the Note Purchase Agreement will be repaid as accounts receivable are collected, with new amounts being advanced as new accounts receivable are originated by the Originators and sold to the SPV. The accounts receivable securitization facility has a term of three years.

Loans under the accounts receivable securitization facility bear interest (including facility fees) at a rate equal to LIBOR plus 0.80%. Unused commitments on the accounts receivable securitization facility are subject to an annual commitment fee of 0.35%. The SPV has paid an upfront fee equal to 0.15% with respect to the accounts receivable securitization facility.

The Note Purchase Agreement contains various customary representations and warranties and affirmative and negative covenants, and also contains customary default, indemnification and termination provisions, which provide for acceleration of amounts owed under the Note Purchase Agreement upon the occurrence of certain specified events. The Purchase and Sale Agreement also contains various customary representations and warranties and affirmative and negative covenants and provides for customary indemnification, remedial and indemnification provisions.

Mallinckrodt International Finance S.A., a wholly owned subsidiary of the Company (“MIFSA”), has provided to the Administrative Agent (for the benefit of the Administrative Agent and the Purchasers) a customary Performance Guaranty (the “Guaranty”) with respect to the obligations of Mallinckrodt LLC, the Servicer and each Originator under each agreement in connection with the accounts receivable securitization facility to which such entities are party.

The foregoing descriptions of the Agreements and the Guaranty are qualified in their entirety by reference to the Note Purchase Agreement, the Purchase and Sale Agreement, the Sale Agreement and the Guaranty, which are filed as Exhibits 10.1, 10.2, 10.3 and 10.4, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided pursuant to Item 1.01 with respect to MIFSA's guaranty of the obligations of Mallinckrodt LLC, the Originators and the Servicer under the Purchase and Sale Agreement is incorporated by reference into this Item 2.03.

Such “reference rate” or “prime rate” is set by the applicable Purchaser or its Affiliate based upon various factors, including such Person’s costs and desired return, general economic conditions and other factors, and is used as a reference point for pricing some loans, which may be priced at, above or below such announced rate, and is not necessarily the lowest rate charged to any customer; and

(b) 0.50% per annum above the latest Federal Funds Rate.

“Borrowing Base” means, at any time of determination, the amount equal to (a) the Net Receivables Pool Balance at such time, minus (b) the Total Reserves at such time.

(d) The Issuer shall repay in full the Note Balance of each Purchaser's Note on the Maturity Date. Prior thereto, the Issuer shall, on each Settlement Date, redeem or otherwise prepay the Note Balance of each Purchaser's Note to the extent required under Section 4.01 and otherwise in accordance therewith. Notwithstanding the foregoing, the Issuer, in its discretion, shall have the right to make a prepayment, in whole or in part, of the Note Balance of each Purchaser's Note on any Business Day upon two (2) Business Days' prior written notice (each, a "Reduction Notice") thereof to the Administrative Agent and each Purchaser; provided, however, that each such prepayment shall be in a minimum aggregate amount of \$100,000 and shall be an integral multiple of \$100,000.

(e) The Issuer may, at any time upon at least thirty (30) days' prior written notice to the Administrative Agent and each Purchaser, terminate the Facility Limit in whole or ratably reduce the Facility Limit in part; provided, however, that no such reduction shall reduce the Facility Limit to an amount less than the Aggregate Note Balance at such time (after giving effect to any redemption or repayment of the Aggregate Note Balance pursuant to clause (f) below). Each partial reduction in the Facility Limit shall be in a minimum aggregate amount of \$5,000,000 and shall be an integral multiple of \$1,000,000, and no such partial reduction shall reduce the Facility Limit to an amount less than \$100,000,000. In connection with any partial reduction in the Facility Limit, the Commitment of each Purchaser shall be ratably reduced.

(f) In connection with any reduction of the Commitments, the Issuer shall remit to the Administrative Agent (i) instructions regarding such reduction and (ii) for payment to the Purchasers, cash in an amount sufficient to pay (A) the aggregate Note Balance of Notes of the Purchasers in each Group in excess of the Group Commitment of such Group and (B) all other outstanding Issuer Obligations with respect to such reduction (determined based on the ratio of the reduction of the Commitments being effected to the amount of the Commitments prior to such reduction or, if the Administrative Agent reasonably determines that any portion of

the outstanding Issuer Obligations is allocable solely to that portion of the Commitments being reduced or has arisen solely as a result of such reduction, all of such portion) including, without duplication, any associated Breakage Fees. Upon receipt of any such amounts, the Administrative Agent shall apply such amounts first to the reduction of the Aggregate Note Balance, and second to the payment of the remaining outstanding Issuer Obligations with respect to such reduction, including any Breakage Fees, by paying such amounts to the Purchasers.

(g) So long as no Event of Default or Unmatured Event of Default has occurred and is continuing, upon notice to the Administrative Agent and each Purchaser, the Issuer may from time to time request an increase in the Commitment with respect to one or more Purchasers, at any time following the Closing Date and prior to the Termination Date, such aggregate increase in such Purchaser's Commitments to be an amount (for all such requests or additions) not exceeding \$140,000,000; provided, that each request for an increase shall be in a minimum amount of \$10,000,000. At the time of sending such notice with respect to any Purchaser, the Issuer (in consultation with the Administrative Agent and such Purchaser) shall specify the time period within which such Purchasers and the Administrative Agent are requested to respond to the Issuer's request (which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the Administrative Agent and the Purchasers). In respect of any Purchaser, each of such Purchaser being asked to increase its Commitment and the Administrative Agent shall notify the Issuer and the Servicer within the applicable time period whether or not such Person agrees, in its respective sole discretion, to the increase to such Purchaser's Commitment. Any such Person not responding within such time period shall be deemed to have declined to consent to an increase in such Purchaser's Commitment. For the avoidance of doubt, only the consent of the Purchaser then being asked to increase its Commitment and the Administrative Agent shall be required in order to approve any such request. If the Commitment of any Purchaser is increased in accordance with this clause (g), (i) the Administrative Agent, such Purchasers, the Issuer and the Servicer shall determine the effective date with respect to such increase and shall enter into such documents as agreed to by such parties to document such increase and (ii) the Issuer shall repay a portion of the Note Balance of Notes of certain Purchasers and request Advances from certain Purchasers in an amount such that after giving effect thereto, the aggregate Note Balance of Notes of Purchasers in each Group shall equal the product of (x) the aggregate Pro Rata Percentages of all Purchasers in such Group, times (y) the Aggregate Note Balance at such time; it being understood and agreed that the Administrative Agent or any Purchaser increasing its Commitment pursuant to this clause (g) may request any of (x) resolutions of the board of directors of the Issuer approving or consenting to such Commitment increase and authorizing the execution, delivery and performance of any amendment to this Agreement, (y) a corporate and enforceability opinion of counsel of the Issuer and (z) such other documents, agreements and opinions reasonably requested by such Purchaser or the Administrative Agent.

SECTION 2.03. Interest and Fees.

(a) On each Settlement Date, the Issuer shall, in accordance with the terms and priorities for payment set forth in Section 4.01, pay to each Purchaser and the Administrative Agent certain fees (collectively, the "Fees") in the amounts set forth in the fee letter agreements from time to time entered into, among the Issuer, the members of the applicable Group and/or the Administrative Agent (each such fee letter agreement, as amended, restated, supplemented or otherwise modified from time to time, collectively being referred to herein as the "Fee Letter").

(b) The Note Balance of each Purchaser's Note shall accrue interest on each day when such Note Balance remains outstanding at the then applicable Interest Rate. The Issuer shall pay all Interest, Fees and Breakage Fees accrued during each Interest Period on the immediately following Settlement Date in accordance with the terms and priorities for payment set forth in Section 4.01.

SECTION 2.04. Records of Advances. Each Purchaser shall record in its records, the date and amount of each Advance made by such Purchasers hereunder, the interest rate with respect thereto, the Interest accrued thereon and each repayment and payment thereof. Subject to Section 14.03(c), such records shall be conclusive and binding absent manifest error. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder or under the other Transaction Documents to repay the Note Balance of each Purchaser's Note, together with all Interest accruing thereon and all other Issuer Obligations. Each Advance by any Purchaser will be evidenced by such Purchaser's Note.

ARTICLE III

NOTES

SECTION 3.01. Form of Notes. The Notes shall be issued in registered form in substantially the form of Exhibit D hereto and as required by Article II and this Article III, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Agreement, and may have notations, legends or endorsements required by Applicable Law or usage. The Notes, when signed by an authorized officer of the Issuer and delivered in accordance with the terms of this Agreement, will be duly executed and issued, and will be binding upon the Issuer.

SECTION 3.02. Execution. Each Note shall be executed by manual or facsimile signature by the Issuer. Notes bearing the manual or facsimile signature of the individual who was, at the time when such signature was affixed, authorized to sign on behalf of the Issuer shall not be rendered invalid, notwithstanding that such individual has ceased to be so authorized prior to the delivery of such Notes or does not hold such office at the date of such Notes.

SECTION 3.03. Register.

(a) The Administrative Agent shall, acting solely for this purpose as an agent of the Issuer (in such capacity, the "Transfer Agent"), maintain at its address referred to on Schedule III of this Agreement (or such other address of the Administrative Agent notified by the Administrative Agent to the other parties hereto) a copy of each Assignment and Acceptance Agreement delivered to and accepted by it and a register for the recordation of the names and addresses of the Purchasers, the Commitment of each Purchaser and the Note Balance (and stated interest) of the Notes of each Purchaser from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the

Issuer, the Servicer, the Administrative Agent, the Purchasers, and the other Credit Parties shall treat each Person whose name is recorded in the Register as a Purchaser under this Agreement for all purposes of this Agreement. The Register shall be available for inspection by the Issuer, the Servicer or any Purchaser at any reasonable time and from time to time upon reasonable prior notice.

(b) The Transfer Agent will promptly notify the Issuer of any changes made to the Register. As required by the Companies Act 1915, the Issuer will maintain at all times an up-to-date copy of the Register at its registered office (the "Issuer Register"). In the case of any discrepancy between the records of the Register and the Issuer Register, the records of the Issuer Register will prevail for the purposes of Luxembourg law.

SECTION 3.04. Assignment and Acceptance. Upon its receipt of an Assignment and Acceptance Agreement executed and delivered by an assigning Purchaser and an Eligible Assignee or assignee Purchaser, the Transfer Agent shall, if such Assignment and Acceptance Agreement has been duly completed, (i) accept such Assignment and Acceptance Agreement, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Issuer and the Servicer.

SECTION 3.05. Mutilated, Destroyed, Lost or Stolen Notes.

(a) If (i) any mutilated Note is surrendered to the Issuer (with a copy to the Transfer Agent), or the Issuer and the Transfer Agent receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer and the Transfer Agent such security or indemnity as may, in their sole discretion, be required by them to hold the Issuer and the Transfer Agent harmless then, in the absence of written notice to the Issuer or the Transfer Agent that such Note has been acquired by a protected purchaser, and provided that the requirements of Section 8-405 of the UCC (which generally permit the Issuer to impose reasonable requirements) are met, then the Issuer shall execute and deliver (in compliance with Applicable Law), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note. If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a protected purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Trustee in connection therewith.

(b) Upon the issuance of any replacement Note under this Section, the Issuer may require the payment by the related Purchaser of a sum sufficient to cover any Tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses connected therewith.

(c) Every replacement Note issued pursuant to this Section in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an Issuer Obligation, whether or not

the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other Notes duly issued hereunder.

SECTION 3.06. Transfer Restrictions. Each Note shall be transferred or exchanged in compliance with the following provisions:

- (a) if such Note is being transferred to a qualified institutional buyer (a “QIB”) as defined in, and in accordance with, Rule 144A under the Securities Act (“Rule 144A”), the transferor shall, unless the transferee is a party to this Agreement or is a QIB within the meaning of Rule 144A(a)(1)(vi) (a “Bank”), provide the Issuer and the Transfer Agent with a certification to that effect;
- (b) if such Note is being transferred in reliance on an exemption from the registration requirements of the Securities Act other than Rule 144A, the transferor shall provide the Issuer and the Transfer Agent with a certification to that effect and, if requested by the Transfer Agent or the Issuer, an opinion of counsel in form and substance acceptable to the Issuer and to the Transfer Agent to the effect that such transfer is in compliance with the Securities Act and any applicable state securities laws; and
- (c) each such transferee of such Note shall be deemed to have made the representations and warranties set forth in Section 7.03.

ARTICLE IV

SETTLEMENT PROCEDURES AND PAYMENT PROVISIONS

SECTION 4.01. Settlement Procedures.

(a) The Servicer shall set aside and hold in trust for the benefit of the Secured Parties (or, if so requested by the Administrative Agent, segregate in a separate account approved by the Administrative Agent), for application in accordance with the priority of payments set forth below, all Collections on Pool Receivables that are received by the Servicer or the Issuer or received in any Lock-Box or Lock-Box Account; provided, however, that so long as each of the conditions precedent set forth in Section 6.03 are satisfied, the Servicer may release to the Issuer from such Collections the amount (if any) necessary to pay the purchase price for Receivables purchased by the Issuer in accordance with the terms of the Purchase and Sale Agreement (each such release, a “Reinvestment”). On each Settlement Date, the Servicer (or, following its assumption of control of the Lock-Box Accounts, the Administrative Agent) shall, distribute such Collections in the following order of priority:

- (i) first, to each Purchaser and other Credit Party (ratably, based on the amount then due and owing), all accrued and unpaid Interest, Fees and Breakage Fees due to such Purchaser and other Credit Party for the immediately preceding Interest Period (including any additional amounts or indemnified amounts payable under Sections 5.03 and 13.01 in respect of such payments), plus, if applicable, the amount of any such Interest, Fees and Breakage Fees (including any additional amounts or indemnified

amounts payable under Sections 5.03 and 13.01 in respect of such payments) payable for any prior Interest Period to the extent such amount has not been paid to such Purchaser or Credit Party;

(ii) second, to the Servicer for the payment of the accrued Servicing Fees payable for the immediately preceding Interest Period (plus, if applicable, the amount of Servicing Fees payable for any prior Interest Period to the extent such amount has not been distributed to the Servicer);

(iii) third, as set forth in clause (x), (y) or (z) below, as applicable:

(x) prior to the occurrence of the Termination Date, to the extent that a Borrowing Base Deficit exists on such date, to the Purchasers (ratably, based on the Note Balance of each Purchaser's Note at such time) for the payment of a portion of the Aggregate Note Balance at such time, in an aggregate amount equal to the amount necessary to reduce the Borrowing Base Deficit to zero (\$0);

(y) on and after the occurrence of the Termination Date, to each Purchaser (ratably, based on the Note Balance of each Purchaser's Note at such time) for the payment in full of the Note Balance of such Purchaser's Note at such time; or

(z) prior to the occurrence of the Termination Date, at the election of the Issuer and in accordance with Section 2.02(d), to the payment of all or any portion of the Aggregate Note Balance at such time (ratably, based on the Note Balance of each Purchaser's Note at such time);

(iv) fourth, to the Credit Parties, the Affected Persons and the Issuer Indemnified Parties (ratably, based on the amount due and owing at such time), for the payment of all other Issuer Obligations then due and owing by the Issuer to the Credit Parties, the Affected Persons and the Issuer Indemnified Parties; and

(v) fifth, the balance, if any, to be paid to the Issuer for its own account, free and clear of the lien of this Agreement.

(b) All payments or distributions to be made by the Servicer, the Issuer and any other Person to the Purchasers (or their respective related Affected Persons and the Issuer Indemnified Parties), shall be paid or distributed to the related Purchaser at its Purchaser's Account. Each Purchaser, upon its receipt in the applicable Purchaser's Account of any such payments or distributions, shall distribute such amounts to the applicable Affected Persons and the Issuer Indemnified Parties within its Group ratably; provided that if such Purchaser shall have received insufficient funds to pay all of the above amounts in full on any such date, such Purchaser shall pay such amounts to the applicable Affected Persons and the Issuer Indemnified Parties within its Group in accordance with the priority of payments set forth above, and with respect to any such category above for which there are insufficient funds to pay all amounts owing on such date, ratably (based on the amounts in such categories owing to each such Person in such Group) among all such Persons in such Group entitled to payment thereof.

(c) If and to the extent the Administrative Agent, any Credit Party, any Affected Person or any Issuer Indemnified Party shall be required for any reason to pay over to any Person any amount received on its behalf hereunder, such amount shall be deemed not to have been so received but rather to have been retained by the Issuer and, accordingly, the Administrative Agent, such Credit Party, such Affected Person or such Issuer Indemnified Party, as the case may be, shall have a claim against the Issuer for such amount.

(d) For the purposes of this Section 4.01:

(i) if on any day the Outstanding Balance of any Pool Receivable is reduced or adjusted as a result of (A) any defective, rejected, returned, repossessed or foreclosed goods or services, (B) any revision, cancellation, allowance, rebate, credit memo, discount, warranty payment or other adjustment made by the Issuer, any Originator, the Sub-Originator, the Servicer or any Affiliate of the Servicer (other than as a result of the receipt of Collections on such Pool Receivable), (C) any setoff, counterclaim or dispute between an Obligor and the Issuer, any Originator, the Sub-Originator, the Servicer or their respective Affiliates (whether arising from the transaction giving rise to such Pool Receivable or any unrelated transaction) or (D) the Outstanding Balance of such Pool Receivable being less than the amount included in any calculation of the Borrowing Base (other than as a result of the receipt of Collections thereon), then, in any such case, the Issuer shall be deemed to have received on such day a Collection of such Pool Receivable in the amount of such reduction or adjustment and shall immediately pay the amount of such deemed Collection to a Lock-Box Account (or as otherwise directed by the Administrative Agent at such time) for the benefit of the Credit Parties for application as a Collection pursuant to Section 4.01(a);

(ii) if on any day any of the representations or warranties in Section 7.01 is not true with respect to any Pool Receivable, the Issuer shall be deemed to have received on such day a Collection of such Pool Receivable in full and shall immediately pay the amount of such deemed Collection to a Lock-Box Account (or as otherwise directed by the Administrative Agent at such time) for the benefit of the Credit Parties for application as a Collection pursuant to Section 4.01(a) (Collections deemed to have been received pursuant to clauses (i) and (ii) of this Section 4.01(d) are hereinafter sometimes referred to as “Deemed Collections”);

(iii) except as provided in clauses (i) or (ii) above or otherwise required by Applicable Law or the relevant Contract, all Collections received from an Obligor of any Receivable shall be applied to the Receivables of such Obligor in the order of the age of such Receivables, starting with the oldest such Receivable, unless such Obligor designates in writing its payment for application to specific Receivables; and

(iv) if and to the extent the Administrative Agent, any Credit Party, any Affected Person or any Issuer Indemnified Party shall be required for any reason to pay over to an Obligor (or any trustee, receiver, custodian or similar official in any

Insolvency Proceeding) any amount received by it hereunder, such amount shall be deemed not to have been so received by such Person but rather to have been retained by the Issuer and, accordingly, such Person shall have a claim against the Issuer for such amount, payable when and to the extent that any distribution from or on behalf of such Obligor is made in respect thereof.

SECTION 4.02. Payments and Computations, Etc. (a) All amounts to be paid by the Issuer or the Servicer to the Administrative Agent, any Credit Party, any Affected Person or any Issuer Indemnified Party hereunder shall be paid no later than 12:00 Noon (New York City time) on the day when due in same day funds to the applicable Purchaser's Account.

(b) Each of the Issuer and the Servicer shall, to the extent permitted by Applicable Law, pay interest on any amount not paid or deposited by it when due hereunder, after giving effect to any cure period, at an interest rate per annum equal to 2.00% per annum above the Base Rate, payable on demand.

(c) All computations of interest under subsection (b) above and all computations of Interest, Fees and other amounts hereunder shall be made on the basis of a year of 360 days (or, in the case of amounts determined by reference to clause (b) of the definition of Base Rate, 365 or 366 days, as applicable) for the actual number of days (including the first but excluding the last day) elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

ARTICLE V

INCREASED COSTS; FUNDING LOSSES; TAXES; ILLEGALITY AND SECURITY INTEREST

SECTION 5.01. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Purchaser (except such reserve requirement reflected in LMIR);

(ii) subject any Credit Party to any Taxes (other than Indemnified Taxes, Taxes described in clauses (b) through (d) of Excluded Taxes and Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Purchaser any other condition, cost or expense (other than Taxes) (A) affecting the Collateral, this Agreement, any other Transaction Document, any Advance or any participation therein or (B) affecting the Notes or its obligations or rights to make Advances;

and the result of any of the foregoing shall be to increase the cost to such Credit Party of (A) acting as the Administrative Agent or a Purchaser hereunder or with respect to the transactions contemplated hereby, (B) funding or maintaining any Advance or Note or (C) maintaining its obligation to fund or maintain any Advance or Note, or to reduce the amount of any sum received or receivable by such Credit Party hereunder, then, upon request of such Credit Party, the Issuer shall pay to such Credit Party such additional amount or amounts as will compensate such Credit Party for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Purchaser determines that any Change in Law affecting such Purchaser or any lending office of such Purchaser or such Purchaser's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Purchaser's capital or on the capital of such Purchaser's holding company, if any, as a consequence of (A) this Agreement or any other Transaction Document, (B) the commitments of such Purchaser hereunder, (C) the Advances made by such Purchaser or (D) any Note Balance, to a level below that which such Purchaser or such Purchaser's holding company could have achieved but for such Change in Law (taking into consideration such Purchaser's policies and the policies of such Purchaser's holding company with respect to capital adequacy and liquidity), then from time to time, upon request of such Purchaser, the Issuer will pay to such Purchaser such additional amount or amounts as will compensate such Purchaser or such Purchaser's holding company for any such reduction suffered.

(c) [Reserved].

(d) Certificates for Reimbursement. A certificate of a Credit Party setting forth the amount or amounts necessary to compensate such Credit Party or its holding company, as the case may be, as specified in clause (a) or (b) of this Section and delivered to the Issuer, shall be conclusive absent manifest error. The Issuer shall, subject to the priorities of payment set forth in Section 4.01, pay such Credit Party the amount shown as due on any such certificate on the first Settlement Date occurring after the Issuer's receipt of such certificate; provided that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Credit Party's demand for payment of such costs hereunder, and such method of allocation, is not inconsistent with its treatment of other issuers, which, as a credit matter, are similarly situated to the Issuer and subject to similar provisions.

(e) Notice; Delay in Requests. Promptly after any Credit Party has determined that it will make a request for increased compensation pursuant to this Section 5.01, such Credit Party shall notify the Issuer thereof. Failure or delay on the part of any Credit Party to demand compensation pursuant to this Section shall not constitute a waiver of such Credit Party's right to demand such compensation; provided, that the Issuer shall not be required to compensate a Credit Party pursuant to this Section 5.01 for any increased costs or reductions incurred more than 180 days prior to the date that such Credit Party notifies the Issuer of the Change in Law giving rise to such increased costs or reductions and of such Credit Party's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 5.02. Funding Losses.

(a) The Issuer will pay each Purchaser all Breakage Fees.

(b) A certificate of a Purchaser setting forth the amount or amounts necessary to compensate such Purchaser, as specified in clause (a) above and delivered to the Issuer, shall be conclusive absent manifest error. The Issuer shall, subject to the priorities of payment set forth in Section 4.01, pay such Purchaser the amount shown as due on any such certificate on the first Settlement Date occurring after the Issuer's receipt of such certificate.

SECTION 5.03. Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Issuer under any Transaction Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of the applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and, if such Tax is an Indemnified Tax, then the sum payable by the Issuer shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section), the applicable Credit Party receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Issuer. The Issuer shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or, at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by the Issuer. The Issuer shall indemnify each Credit Party, within ten days after demand therefor, for the full amount of any (I) Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Credit Party or required to be withheld or deducted from a payment to such Credit Party and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority and (II) any increase in U.S. or Luxembourg Taxes that arise because an Advance or Note is treated as equity for (x) U.S. federal, state, local or income or franchise Tax purposes or (y) Luxembourg Tax purposes rather than as intended under Section 5.03(j) (such indemnification will include U.S. federal, state, or local income and franchise Taxes and Luxembourg income Taxes) except to the extent that any such Tax (or increase in Tax) is not otherwise addressed in clause (I) above. A certificate as to the amount of such payment or liability delivered to the Issuer by a Credit Party (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Credit Party, shall be conclusive absent manifest error.

(d) Indemnification by the Purchasers. Each Purchaser shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (i) any

Indemnified Taxes attributable to such Purchaser or any of its respective Affiliates that are Affected Persons (but only to the extent that the Issuer and its Affiliates have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting any obligation of the Issuer, the Servicer or their Affiliates to do so), (ii) any Taxes attributable to the failure of such Purchaser or any of its respective Affiliates that are Affected Persons to comply with Section 14.03(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Purchaser or any of its respective Affiliates that are Affected Persons, in each case, that are payable or paid by the Administrative Agent in connection with any Transaction Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Purchaser by the Administrative Agent shall be conclusive absent manifest error. Each Purchaser hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Purchaser or any of its respective Affiliates that are Affected Persons under any Transaction Document or otherwise payable by the Administrative Agent to such Purchaser or any of its respective Affiliates that are Affected Persons from any other source against any amount due to the Administrative Agent under this clause (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Issuer to a Governmental Authority pursuant to this Section 5.03, the Issuer shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Affected Persons. (i) Any Credit Party that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Transaction Document shall deliver to the Issuer and the Administrative Agent, at the time or times reasonably requested by the Issuer or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Issuer or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Credit Party, if reasonably requested by the Issuer or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Issuer or the Administrative Agent as will enable the Issuer or the Administrative Agent to determine whether or not such Credit Party is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.03(f)(ii)(A), 5.03(f)(ii)(B) and 5.03(f)(ii)(D)) shall not be required if, in the Credit Party's reasonable judgment, such completion, execution or submission would subject such Credit Party to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Credit Party.

(ii) Without limiting the generality of the foregoing:

(A) any Credit Party that is a "United States Person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Issuer and the Administrative Agent from time to time upon the reasonable request of the Issuer or the Administrative Agent, executed originals of Internal Revenue Service Form W-9;

(B) any Credit Party that is organized under the laws of a jurisdiction other than the United States (including each State thereof and the District of Columbia) (a “Foreign Credit Party”) that is entitled under the Code or any applicable treaty to an exemption from or reduction of U.S. federal withholding tax with respect to payments hereunder shall deliver to the Issuer and the Administrative Agent (in such number of copies as shall be reasonably requested by the Issuer or the Administrative Agent) on or prior to the date on which such Foreign Credit Party becomes a Credit Party with respect to this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Administrative Agent, but only if such Foreign Credit Party is legally entitled to do so), whichever of the following is applicable:

(1) in the case of such a Credit Party claiming the benefits of an income tax treaty to which the United States is a party, executed originals of Internal Revenue Service Form W-8BEN;

(2) executed originals of Internal Revenue Service Form W-8ECI;

(3) in the case of a Credit Party claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Credit Party is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Issuer within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable; or

(4) to the extent such Credit Party is not the beneficial owner, executed originals of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Internal Revenue Service Form W-8BEN, Internal Revenue Service Form W-8BEN-E, a U.S. Tax Compliance Certificate, Internal Revenue Service Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that, if such Credit Party is a partnership and one or more direct or indirect partners of such Credit Party are claiming the portfolio interest exemption, such Credit Party may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner; and

(C) any Foreign Credit Party, to the extent it is legally entitled to do so, shall deliver to the Issuer and the Administrative Agent (in such number of copies as shall be requested by the recipient), from time to time upon the reasonable request of the Issuer or the Administrative Agent, executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Issuer or the Administrative Agent to determine the withholding or deduction required to be made; or

(D) if a payment made to a Credit Party under any Transaction Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Credit Party were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Credit Party shall deliver to the Issuer and the Administrative Agent at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Issuer or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer or the Administrative Agent as may be necessary for the Issuer and the Administrative Agent to comply with their obligations under FATCA and to determine that such Credit Party has complied with such Credit Party's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (g), "FATCA" shall include any amendments made to FATCA after the date of this Agreement and any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with FATCA.

(iii) Each Credit Party agrees that if any form or certification it previously delivered pursuant to this Section 5.03 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Issuer and the Administrative Agent in writing of its legal inability to do so.

(g) [Reserved].

(h) Survival. Each party's obligations under this Section 5.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Credit Party or any other Affected person, the termination of the Commitments and the repayment, satisfaction or discharge of all the Issuer Obligations and the Servicer's obligations hereunder.

(i) Tax Benefit. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of, or credit with respect to, any Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts

pursuant to this Section 5.03 (any such refund or credit, a “Tax Benefit”), it shall pay to the indemnifying party an amount equal to such Tax Benefit (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such Tax Benefit), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such Tax Benefit). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (i) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such Tax Benefit to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (i) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payment of additional amounts giving rise to such Tax Benefit had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(j) Intended Tax Treatment. Notwithstanding anything to the contrary herein or in any other Transaction Document, all parties to this Agreement covenant and agree to treat each Note and each Advance as debt secured by the Pool Receivables and Related Rights (and all Interest as interest) for all U.S. federal and applicable state, local and franchise tax purposes and agree not to take any position on any tax return inconsistent with the foregoing unless otherwise required by a Change in Law occurring after the date hereof with respect to an Advance made after such date, a closing agreement with an applicable taxing authority, or a final, non-appealable judgment of a court of competent jurisdiction.

SECTION 5.04. Inability to Determine LMIR; Change in Legality.

(a) If any Purchaser shall have determined (which determination shall be conclusive and binding upon the parties hereto) on any day, by reason of circumstances affecting the interbank Eurodollar market, either that: (i) dollar deposits in the relevant amounts and for the relevant day are not available, (ii) adequate and reasonable means do not exist for ascertaining LMIR for such day or (iii) LMIR determined pursuant hereto does not accurately reflect the cost to such Purchaser (as conclusively determined by such Purchaser) of maintaining any Portion of Note Balance during such day, such Purchaser shall promptly give telephonic notice of such determination, confirmed in writing, to the Issuer on such day. Upon delivery of such notice: (i) no Portion of Note Balance shall be funded thereafter at the Bank Rate determined by reference to LMIR unless and until such Purchaser shall have given notice to the Issuer that the circumstances giving rise to such determination no longer exist and (ii) with respect to any outstanding Portion of Note Balance then funded at the Bank Rate determined by reference to LMIR, such Bank Rate shall automatically and immediately be converted to the Bank Rate determined by reference to the Base Rate.

(b) If on any day, any Purchaser has determined (which determination shall be final and conclusive) that any Change in Law, or compliance by such Purchaser with any Change in Law, shall make it unlawful or impossible for such Purchaser to fund or maintain any Portion

of Note Balance at or by reference to LMIR, such Purchaser shall notify the Issuer and the Administrative Agent thereof. Upon receipt of such notice, until the applicable Purchaser notifies the Issuer and the Administrative Agent that the circumstances giving rise to such determination no longer apply, (i) no Portion of Note Balance shall be funded at or by reference to LMIR and (ii) the Interest for any Note Balance then funded at the Bank Rate determined by reference to LMIR shall automatically and immediately be converted to the Bank Rate determined by reference to the Base Rate.

SECTION 5.05. Security Interest.

(a) As security for the performance by the Issuer of all the terms, covenants and agreements on the part of the Issuer to be performed under this Agreement or any other Transaction Document, including the punctual payment when due of the Aggregate Note Balance and all Interest in respect of the Notes and all other Issuer Obligations, the Issuer hereby grants to the Administrative Agent for its benefit and the ratable benefit of the Secured Parties, a continuing security interest in, all of the Issuer's right, title and interest in, to and under all of the following, whether now or hereafter owned, existing or arising (collectively, the "Collateral"): (i) all Pool Receivables, (ii) all Related Security with respect to such Pool Receivables, (iii) all Collections with respect to such Pool Receivables, (iv) the Lock-Boxes and Lock-Box Accounts and all amounts on deposit therein, and all certificates and instruments, if any, from time to time evidencing such Lock-Boxes and Lock-Box Accounts and amounts on deposit therein, (v) all rights (but none of the obligations) of the Issuer under the Purchase and Sale Agreement and (vi) all proceeds of, and all amounts received or receivable under any or all of, the foregoing.

The Administrative Agent (for the benefit of the Secured Parties) shall have, with respect to all the Collateral, and in addition to all the other rights and remedies available to the Administrative Agent (for the benefit of the Secured Parties), all the rights and remedies of a secured party under any applicable UCC. The Issuer hereby authorizes the Administrative Agent to file financing statements describing as the collateral covered thereby as "all of the debtor's personal property or assets" or words to that effect, notwithstanding that such wording may be broader in scope than the collateral described in this Agreement.

Immediately upon the occurrence of the Final Payout Date, the Collateral shall be automatically released from the lien created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, the Purchasers and the other Credit Parties hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Issuer; provided, however, that promptly following written request therefor by the Issuer delivered to the Administrative Agent following any such termination, and at the sole expense of the Issuer, the Administrative Agent shall authorize or execute, as applicable, and deliver to the Issuer UCC termination statements and such other documents as the Issuer shall reasonably request to evidence such termination.

Affiliate thereof) shares items of expenses not reflected in the Servicing Fee, such as legal, auditing and other professional services, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered.

(b) Upon the designation of a successor Servicer as set forth in clause (a) above, Mallinckrodt agrees that it will terminate its activities as Servicer hereunder in a manner that the Administrative Agent reasonably determines will facilitate the transition of the performance of such activities to the new Servicer, and Mallinckrodt shall cooperate with and assist such new Servicer in such transition. Such cooperation shall include access to and transfer of records (including all Contracts) related to Pool Receivables and use by the new Servicer of all licenses (or the obtaining of new licenses), hardware or software necessary or reasonably desirable to collect the Pool Receivables and the Related Security.

(c) Mallinckrodt may resign as Servicer or assign its obligations as Servicer upon thirty (30) days prior written notice to the Issuer and the Administrative Agent; provided that no such resignation or assignment shall be effective unless and until (i) a successor Servicer is appointed and shall have accepted such appointment in a writing reasonably satisfactory to the Administrative Agent, (ii) unless such assignment is to an Affiliate of Mallinckrodt, such successor Servicer shall be acceptable to the Administrative Agent and the Majority Purchasers

(d) The Servicer may delegate its duties and obligations hereunder to any subservicer (each a "Sub-Servicer"); provided, that, in each such delegation: (i) such Sub-Servicer shall agree in writing to perform the delegated duties and obligations of the Servicer pursuant to the terms hereof, (ii) the Servicer shall remain liable for the performance of the duties and obligations so delegated, (iii) the Issuer, the Administrative Agent, each Purchaser and each other Purchaser shall have the right to look solely to the Servicer for performance, (iv) the terms of any agreement with any Sub-Servicer shall provide that the Administrative Agent may terminate such agreement upon the termination of the Servicer hereunder by giving notice of its desire to terminate such agreement to the Servicer (and the Servicer shall provide appropriate notice to each such Sub-Servicer) and (v) if such Sub-Servicer is not an Affiliate of the Parent, the Administrative Agent and the Majority Purchasers shall have consented in writing in advance to such delegation.

SECTION 9.02. Duties of the Servicer.

(a) The Servicer shall take or cause to be taken all such action as may be necessary or reasonably advisable to service, administer and collect each Pool Receivable from time to time, all in accordance with this Agreement and all Applicable Laws, with reasonable care and diligence, and in accordance with the Credit and Collection Policy and consistent with the past practices of the Originators and the Sub-Originator. The Servicer shall set aside, for the accounts of each Group, the amount of Collections to which each such Group is entitled in accordance with Article IV hereof. The Servicer may, in accordance with the Credit and Collection Policy and consistent with past practices of the Originators and the Sub-Originator, take such action, including modifications, waivers or restructurings of Pool Receivables and related Contracts, as the Servicer may reasonably determine to be appropriate to maximize Collections thereof or reflect adjustments expressly permitted under the Credit and Collection Policy or as expressly required under Applicable Laws or the applicable Contract; provided, that solely for purposes of this Agreement: (i) such action shall not, and shall not be deemed to, change the number of days such Pool Receivable has remained unpaid from the date of the original due date related to such Pool Receivable, (ii) such action shall not alter the status of such Pool Receivable as a Delinquent Receivable or a Defaulted Receivable or limit the rights of any Secured Party under this Agreement or any other Transaction Document and (iii) if an Event of Default has occurred and is continuing, the Servicer may take such action only upon the prior written consent of the Administrative Agent. The Issuer shall deliver to the Servicer and the Servicer shall hold for the benefit of the Administrative Agent (individually and for the benefit of each Group), in accordance with their respective interests, all records and documents (including computer tapes or disks) with respect to each Pool Receivable. (b) The Servicer shall, as soon as practicable following actual receipt of collected funds, turn over to the appropriate Person entitled thereto the collections of any indebtedness that is not a Pool Receivable, less all reasonable and appropriate out-of-pocket costs and expenses of such Servicer of servicing, collecting and administering such collections. The Servicer shall, as soon as practicable upon demand, deliver to the appropriate Person entitled thereto all records in its possession that evidence or relate to any indebtedness that is not a Pool Receivable, and copies of records in its possession that evidence or relate to any indebtedness that is a Pool Receivable.

Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may (with the consent of the Majority Purchasers) and shall (upon the direction of the Majority Purchasers) at any time thereafter give notice to each Lock-Box Bank that the Administrative Agent is exercising its rights under the Lock-Box Agreements to do any or all of the following: (a) to have the exclusive ownership and control of the Lock-Box Accounts transferred to the Administrative Agent (for the benefit of the Secured Parties) and to exercise exclusive dominion and control over the funds deposited therein, (b) to have the proceeds that are sent to the respective Lock-Box Accounts redirected pursuant to the Administrative Agent's instructions rather than deposited in the applicable Lock-Box Account and (c) to take any or all other actions permitted under the applicable Lock-Box Agreement. The Issuer hereby agrees that if the Administrative Agent at any time takes any action set forth in the preceding sentence, the Administrative Agent shall have exclusive control (for the benefit of the Secured Parties) of the proceeds (including Collections) of all Pool Receivables and the Issuer hereby further agrees to take any other action that the Administrative Agent may reasonably request to transfer such control. Any proceeds of Pool Receivables received by the Issuer or the Servicer thereafter shall be sent immediately to, or as otherwise instructed by, the Administrative Agent.

SECTION 9.04. Enforcement Rights.

(a) At any time following the occurrence and during the continuation of an Event of Default:

SECTION 14.01. Amendments, Etc.

(a) No failure on the part of any Credit Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. No amendment or waiver of any provision of this Agreement or consent to any departure by either the Issuer or the Servicer shall be effective unless in a writing signed by the Administrative Agent and the Majority Purchasers (and, in the case of any amendment, also signed by the Issuer), and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (A) no amendment, waiver or consent shall, unless in writing and signed by the Servicer, affect the rights or duties of the Servicer under this Agreement; (B) no amendment, waiver or consent shall change (directly or indirectly) the definition of any term that is used in the Purchase and Sale Agreement and defined in this Agreement, unless in writing and signed by the Originators; (C) no amendment, waiver or consent shall change (directly or indirectly) the definition of any term that is used in the Sale Agreement and defined in this Agreement, unless in writing and signed by the Sub-Originator and (D) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent and each Purchaser:

All notices and other communications hereunder shall, unless otherwise stated herein, be in writing (which shall include facsimile communication) and faxed or delivered, to each party hereto, at its address set forth under its name on Schedule III hereto or at such other address as shall be designated by such party in a written notice to the other parties hereto. Notices and communications by facsimile shall be effective when sent (and shall be followed by hard copy sent by regular mail), and notices and communications sent by other means shall be effective when received.

SECTION 14.03. Assignability; Addition of Purchasers.

(a) [Reserved].

(b) Assignment by Purchasers. Subject to Article III, each Purchaser may assign to any Eligible Assignee or to any other Purchaser all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the Note owned by it); provided, however that

(i) except for an assignment by a Purchaser to either an Affiliate of such Purchaser or any other Purchaser, each such assignment shall require the prior written consent of the Issuer (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing);

(ii) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement;

(iii) the amount being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance Agreement with respect to such assignment) shall in no event be less than the lesser of (x) \$5,000,000 and (y) all of the assigning Purchaser's Commitment;

(iv) no assignment may be made to an assignee that is not (1) a resident of a state that is a party to NAFTA, (2) a resident of a member State of the European Union or (3) a U.S. citizen, in each case, within the meaning of Article 24(4)(b) of the applicable U.S.-Luxembourg Income Tax Treaty; and

(v) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance Agreement.

Upon such execution, delivery, acceptance and recording from and after the effective date specified in such Assignment and Acceptance Agreement, (x) the assignee thereunder shall be a party to this Agreement, and to the extent that rights and obligations under this Agreement have been assigned to it pursuant to such Assignment and Acceptance Agreement, have the rights and obligations of a Purchaser hereunder, (y) the Issuer shall deliver a Note to the assignee on the

terms and subject to the conditions set forth in Article II and III and (z) the assigning Purchaser shall, to the extent that rights and obligations have been assigned by it pursuant to such Assignment and Acceptance Agreement, relinquish such rights and be released from such obligations under this Agreement (and, in the case of an Assignment and Acceptance Agreement covering all or the remaining portion of an assigning Purchaser's rights and obligations under this Agreement, such Purchaser shall cease to be a party hereto and shall cancel and return its Note to the Issuer).

(c) [Reserved].

(d) [Reserved].

(e) Participations. Each Purchaser may sell participations to one or more Eligible Assignees (each, a "Participant") in or to all or a portion of its rights and/or obligations under this Agreement (including, without limitation, all or a portion of its Commitment and its Note); provided, however, that

(i) such Purchaser's obligations under this Agreement (including, without limitation, its Commitment to the Issuer hereunder) shall remain unchanged;

(ii) no participation shall be sold to a Participant that is not (1) a resident of a state that is a party to NAFTA, (2) a resident of a member State of the European Union or (3) a U.S. citizen, in each case, within the meaning of Article 24(4)(b) of the applicable U.S.- Luxembourg Income Tax Treaty; and

(iii) such Purchaser shall remain solely responsible to the other parties to this Agreement for the performance of such obligations.

The Administrative Agent, the Purchasers, the Issuer and the Servicer shall have the right to continue to deal solely and directly with such Purchaser in connection with such Purchaser's rights and obligations under this Agreement.

(f) Participant Register. Each Purchaser that sells a participation shall, acting solely for this purpose as an agent of the Issuer, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Notes or other obligations under this Agreement (the "Participant Register"); provided that no Purchaser shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Notes or its other obligations under this Agreement) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Note or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Purchaser shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) Assignments by Administrative Agent. This Agreement and the rights and obligations of the Administrative Agent herein shall be assignable by the Administrative and its successors and assigns; provided that in the case of an assignment to a Person that is not an Affiliate of the Administrative Agent, so long as no Event of Default has occurred and is continuing, such assignment shall require the Issuer's consent (not to be unreasonably withheld, conditioned or delayed).

(h) Assignments by the Issuer or the Servicer. Neither the Issuer nor, except as provided in Section 9.01, the Servicer may assign any of its respective rights or obligations hereunder or any interest herein without the prior written consent of the Administrative Agent and each Purchaser (such consent to be provided or withheld in the sole discretion of such Person). For the purposes of this Section 14.03(h) and article 1275 of the Luxembourg civil code, each Purchaser, by subscribing for, or otherwise acquiring the Notes, is expressly deemed (i) to have consented to any substitution of the Issuer effected in accordance with this Section 14.03(h) and thereafter to the release of the Issuer from any and all obligations in respect of the Notes or otherwise under this Agreement and (ii) to have accepted such substitution effected in accordance with this Section 14.03(h) and the consequences thereof

(i) Addition of Purchasers or Groups. The Issuer may, with written notice to the Administrative Agent and each Purchaser, add additional Persons as Purchasers (by creating a new Group) or cause an existing Purchaser to increase its Commitment; provided, however, that the Commitment of any existing Purchaser may only be increased with the prior written consent of such Purchaser. Each new Purchaser (or Group) shall become a party hereto, by executing and delivering to the Administrative Agent and the Issuer, an assumption agreement (each, an "Assumption Agreement") in the form of Exhibit C hereto (which Assumption Agreement shall, in the case of any new Purchaser, be executed by each Person in such new Purchaser's Group).

(j) Pledge to a Federal Reserve Bank. Notwithstanding anything to the contrary set forth herein, any Purchaser or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement and its related Note (including, without limitation, rights to payment of the Note Balance of its Note and Interest) and any other Transaction Document to secure its obligations to a Federal Reserve Bank, without notice to or the consent of the Issuer, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement. For the purposes of articles 1278 and 1281 of the Luxembourg civil code, the Issuer hereby expressly accepts and confirms that, notwithstanding any assignment, transfer and/or novation permitted under, and made in accordance with this Agreement, the provisions of this Agreement or any other agreement entered into by the Issuer in connection with the issue of the Notes and any security created or guarantee given thereunder shall be preserved for the benefit of the Administrative Agent (for itself and the Secured Parties) and, for the avoidance of doubt, for the benefit of each of the Secured Parties.

SECTION 14.04. Costs and Expenses. In addition to the rights of indemnification granted under Section 13.01 hereof, the Issuer agrees to pay on demand all reasonable and documented out-of-pocket costs and expenses in connection with the preparation, negotiation,

execution, delivery and administration of this Agreement (or any supplement or amendment thereof) related to this Agreement and the other Transaction Documents (together with all amendments, restatements, supplements, consents and waivers, if any, from time to time hereto and thereto), including, without limitation, (i) the reasonable Attorney Costs for the Administrative Agent and the other Credit Parties and any of their respective Affiliates with respect thereto and with respect to advising the Administrative Agent and the other Credit Parties and their respective Affiliates as to their rights and remedies under this Agreement and the other Transaction Documents and (ii) reasonable accountants', auditors' and consultants' fees and expenses for the Administrative Agent and the other Credit Parties and any of their respective Affiliates incurred in connection with the administration and maintenance of this Agreement or advising the Administrative Agent or any other Credit Party as to their rights and remedies under this Agreement or as to any actual or reasonably claimed breach of this Agreement or any other Transaction Document. In addition, the Issuer agrees to pay on demand all reasonable out-of-pocket costs and expenses (including reasonable Attorney Costs), of the Administrative Agent and the other Credit Parties and their respective Affiliates, incurred in connection with the enforcement of any of their respective rights or remedies under the provisions of this Agreement and the other Transaction Documents.

SECTION 14.05. Limited Recourse and No Proceedings.

(a) Each of the Servicer, each Purchaser, the Administrative Agent and each assignee of an Advance or any interest therein expressly acknowledges and accepts that the Issuer is subject to the Securitisation Act 2004.

(b) Notwithstanding anything to the contrary in this Agreement, all amounts payable or expressed to be payable by the Issuer under this Agreement shall be recoverable solely out of the assets (other than the initial share capital of \$20,100) of the Issuer to the extent such assets exist. Each of the parties to this Agreement other than the Issuer (hereafter, the "Other Parties") hereby covenants and agrees that it will look solely to such assets for the payment of all amounts payable or expressed to be payable to it by the Issuer under the Agreement.

(c) Furthermore, each of the Other Parties acknowledges and accepts that once all the assets (other than the initial share capital of \$20,100) of the Issuer have been realized (even if insufficient to satisfy any claims of the Other Parties), the obligations of the Issuer to such Other Parties shall be discharged; the Other Parties are not entitled to take any further steps against the Issuer to recover any further sums and the right to receive any such sum shall be extinguished. No Other Party shall be entitled to petition or take any other step for the winding-up, the liquidation or the bankruptcy of the Issuer or any similar proceedings (other than as set forth below).

(d) Notwithstanding anything herein to the contrary, each of the Servicer, the Administrative Agent, each Purchaser and each assignee of an Advance or any interest therein, hereby covenants and agrees that it will not institute against, or join any other Person in instituting against, the Issuer any Insolvency Proceeding.

SECTION 14.06. Confidentiality.

(a) Each of the Issuer and the Servicer covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Agreement (including any fees payable in connection with this Agreement or any other Transaction Document or the identity of the Administrative Agent or any other Credit Party), except as the Administrative Agent and each Purchaser may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives, (ii) to the extent such information has become available to the public other than as a result of a disclosure by or through the Issuer, the Servicer or their Advisors and Representatives or (iii) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (iii) above, the Issuer and the Servicer will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Administrative Agent and the affected Credit Party of its intention to make any such disclosure prior to making such disclosure. Each of the Issuer and the Servicer agrees to be responsible for any breach of this Section by its Representatives and Advisors and agrees that its Representatives and Advisors will be advised by it of the confidential nature of such information and shall agree to comply with this Section; provided, however, that the Servicer shall not be responsible for the acts or omissions of the Issuer. Notwithstanding the foregoing, it is expressly agreed that each of the Issuer, the Servicer and their respective Affiliates may publish a press release or otherwise publicly announce the existence and principal amount of the Commitments under this Agreement and the transactions contemplated hereby; provided that the Administrative Agent shall be provided a reasonable opportunity to review such press release or other public announcement prior to its release and provide comment thereon; and provided, further, that no such press release shall name or otherwise identify the Administrative Agent, any other Credit Party or any of their respective Affiliates without such Person's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, the Issuer consents to the publication by the Administrative Agent or any other Credit Party of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement.

(b) Each of the Administrative Agent and each other Credit Party, severally and with respect to itself only, agrees to hold in confidence, and not disclose to any Person, any confidential and proprietary information concerning the Issuer, the Servicer and their respective Affiliates and their businesses or the terms of this Agreement (including any fees payable in connection with this Agreement or the other Transaction Documents), except as the Issuer or the Servicer may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives, (ii) to its assignees and Participants and potential assignees and Participants and their respective counsel if they agree in writing to hold it confidential, (iii) to the extent such information has become available to the public other than as a result of a disclosure by or through it or its Representatives or Advisors, (iv) [reserved], (v) at the request of a bank examiner or other regulatory authority or in connection with an examination of any of the Administrative Agent or any Purchaser or their respective Affiliates or (vi) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (vi) above, the Administrative Agent and each Purchaser will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Issuer and the Servicer of its

making any such disclosure as promptly as reasonably practicable thereafter. Each of the Administrative Agent and each Purchaser, severally and with respect to itself only, agrees to be responsible for any breach of this Section by its Representatives and Advisors and agrees that its Representatives and Advisors will be advised by it of the confidential nature of such information and shall agree to comply with this Section.

(c) As used in this Section, (i) “Advisors” means, with respect to any Person, such Person’s accountants, attorneys and other confidential advisors and (ii) “Representatives” means, with respect to any Person, such Person’s Affiliates, Subsidiaries, directors, managers, officers, employees, members, investors, financing sources, insurers, professional advisors, representatives and agents; *provided* that such persons shall not be deemed to Representatives of a Person unless (and solely to the extent that) confidential information is furnished to such person.

(d) Notwithstanding the foregoing, to the extent not inconsistent with applicable securities laws, each party hereto (and each of its employees, representatives or other agents) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure (as defined in Section 1.6011-4 of the Treasury Regulations) of the transactions contemplated by the Transaction Documents and all materials of any kind (including opinions or other tax analyses) that are provided to such Person relating to such tax treatment and tax structure.

SECTION 14.07. GOVERNING LAW. THIS AGREEMENT, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF, EXCEPT TO THE EXTENT THAT THE PERFECTION, THE EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF ADMINISTRATIVE AGENT OR ANY PURCHASER IN THE COLLATERAL IS GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK).

SECTION 14.08. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed counterpart hereof by facsimile or other electronic means shall be equally effective as delivery of an originally executed counterpart.

SECTION 14.09. Integration; Binding Effect; Survival of Termination. This Agreement and the other Transaction Documents contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms and shall remain in full force and effect until the Final Payout Date; provided, however, that the provisions of Sections 5.01, 5.02, 5.03, 11.04, 11.06, 13.01, 13.02, 14.04, 14.05, 14.07, 14.09, 14.11 and 14.13 shall survive any termination of this Agreement.

SECTION 14.10. CONSENT TO JURISDICTION. (a) EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE OR FEDERAL COURT SITTING IN NEW YORK CITY, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND EACH PARTY HERETO HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. THE PARTIES HERETO HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT THEY MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE PARTIES HERETO AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH OF THE ISSUER AND THE SERVICER CONSENTS TO THE SERVICE OF ANY AND ALL PROCESS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES OF SUCH PROCESS TO IT AT ITS ADDRESS SPECIFIED IN SECTION 14.02. NOTHING IN THIS SECTION 14.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 14.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

SECTION 14.12. Ratable Payments. If any Credit Party, whether by setoff or otherwise, has payment made to it with respect to any Issuer Obligations in a greater proportion than that received by any other Credit Party entitled to receive a ratable share of such Issuer Obligations, such Credit Party agrees, promptly upon demand, to purchase for cash without recourse or warranty a portion of such Issuer Obligations held by the other Credit Parties so that after such purchase each Credit Party will hold its ratable proportion of such Issuer Obligations; provided that if all or any portion of such excess amount is thereafter recovered from such Credit Party, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION 14.13. Limitation of Liability.

(a) No claim may be made by the Issuer or the Servicer against any Credit Party or their respective Affiliates, members, directors, officers, employees, incorporators, attorneys or agents for any special, indirect, consequential or punitive damages in respect of any

claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any other Transaction Document, or any act, omission or event occurring in connection herewith or therewith; and each of the Issuer and the Servicer hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. None of the Credit Parties and their respective Affiliates shall have any liability to the Issuer, the Servicer or any Affiliate thereof or any other Person asserting claims on behalf of or in right of the Issuer, the Servicer or any Affiliate thereof in connection with or as a result of this Agreement or any other Transaction Document or the transactions contemplated hereby or thereby, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Issuer, the Servicer or any Affiliate thereof result from the gross negligence or willful misconduct of such Credit Party in performing its duties and obligations hereunder and under the other Transaction Documents to which it is a party.

(b) The obligations of the Administrative Agent and each of the other Credit Parties under this Agreement and each of the Transaction Documents are solely the corporate obligations of such Person. No recourse shall be had for any obligation or claim arising out of or based upon this Agreement or any other Transaction Document against any member, director, officer, employee or incorporator of any such Person.

SECTION 14.14. Intent of the Parties. The Issuer has structured this Agreement with the intention that the Notes, the Advances and the obligations of the Issuer hereunder will be treated under United States federal, and applicable state, local and foreign tax law as debt (the "Intended Tax Treatment"). The Issuer, the Servicer, the Administrative Agent and the other Credit Parties agree to file no tax return, or take any action, inconsistent with the Intended Tax Treatment unless required by law. Each assignee and each Participant acquiring an interest in an Advance, by its acceptance of such assignment or participation, agrees to comply with the immediately preceding sentence.

SECTION 14.15. USA Patriot Act. Each of the Administrative Agent and each of the other Credit Parties hereby notifies the Issuer and the Servicer that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the "PATRIOT Act"), the Administrative Agent and the other Credit Parties may be required to obtain, verify and record information that identifies the Issuer and the Servicer, which information includes the name, address, tax identification number and other information regarding the Issuer and the Servicer that will allow the Administrative Agent and the other Credit Parties to identify the Issuer and the Servicer in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act. Each of the Issuer and the Servicer agrees to provide the Administrative Agent and each other Credit Parties, from time to time, with all documentation and other information required by bank regulatory authorities under "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act.

SECTION 14.16. Right of Setoff. Each Credit Party is hereby authorized (in addition to any other rights it may have), at any time during the continuance of an Event of Default, to setoff, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by such Credit

Party (including by any branches or agencies of such Credit Party) to, or for the account of, the Issuer or the Servicer against amounts owing by such party hereunder (even if contingent or unmatured); provided that such Credit Party shall notify the Issuer or the Servicer, as applicable, promptly following such setoff.

SECTION 14.17. Severability. Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 14.18. Mutual Negotiations. This Agreement and the other Transaction Documents are the product of mutual negotiations by the parties thereto and their counsel, and no party shall be deemed the draftsman of this Agreement or any other Transaction Document or any provision hereof or thereof or to have provided the same. Accordingly, in the event of any inconsistency or ambiguity of any provision of this Agreement or any other Transaction Document, such inconsistency or ambiguity shall not be interpreted against any party because of such party's involvement in the drafting thereof.

SECTION 14.19. Captions and Cross References. The various captions (including the table of contents) in this Agreement are provided solely for convenience of reference and shall not affect the meaning or interpretation of any provision of this Agreement. Unless otherwise indicated, references in this Agreement to any Section, Schedule or Exhibit are to such Section Schedule or Exhibit to this Agreement, as the case may be, and references in any Section, subsection, or clause to any subsection, clause or subclause are to such subsection, clause or subclause of such Section, subsection or clause.

SECTION 14.20. Meetings of Purchasers.

(a) The provisions of articles 86 to 97 of the Companies Act 1915 relating to the convening and conduct of meetings of bondholders shall not apply to the Notes.

(b) Notwithstanding any provision to the contrary in this Agreement or any other agreement relating to the Note, under Luxembourg law, a decision of the shareholders of the Issuer to amend the corporate objects of the Issuer, to change the legal form of the Issuer or its nationality and/or to increase the commitments of the Issuer's shareholders must be approved by a resolution of the Purchasers so long as the relevant legal requirements are considered to be points of Luxembourg public order. Such resolution of the Purchasers may exclusively be taken, and their meeting resolving thereupon must be convened and held, in accordance with the Companies Act 1915, as long as any such specific requirements exist under the Companies Act 1915 and are considered to be points of Luxembourg public order (the "Luxembourg Law Resolutions").

(c) A Luxembourg Law Resolution must be passed in accordance with the requirements of the Companies Act 1915. There are specific quorum requirements for Luxembourg Law Resolutions set out in the Companies Act 1915. Certain Luxembourg Law Resolutions passed at any meeting of the Purchasers will be binding on all Purchasers, whether or not they are present at the meeting.

(d) The Issuer or the Administrative Agent may (and shall, upon the request of the Majority Purchasers) convene a meeting of Purchasers at any time to consider matters arising under this Agreement or the other Transaction Documents. The time and date for such meeting shall be fixed by the Issuer or the Administrative Agent, as applicable, with the consent of the other, and notice of such meeting shall be given to Purchasers of record at least 10 Business Days' in advance thereof. The Person in whose name a Note is registered on the Register on the 15th Business Day prior to the proposed meeting date shall be deemed to be the Purchaser for purposes of such meeting, notwithstanding the subsequent transfer of such Note. A quorum at any meeting shall be one or more Purchasers representing or holding more than 50.0% of the aggregate Commitments of all Purchasers at such time. The Administrative Agent shall be the chair of any meeting unless those present elect a different chair (by percentage of Commitment represented by those so voting). A meeting shall be conducted in such manner as the chair of the meeting deems reasonable and appropriate. Resolutions adopted at any meeting shall require the approval of the requisite percentage of the Commitments specified herein in relation to the specific matter being voted upon. In lieu of any such meeting, the Purchasers may act without a meeting (unless otherwise required by Applicable Law) by execution and delivery of one or more instruments of substantially similar tenor signed by such Purchasers in person or by an agent duly appointed in writing, and such action shall become effective when such instrument or instruments are delivered to the Issuer and the Administrative Agent.

SECTION 14.21. Post-Closing Covenants.

(a) On or prior to October 28, 2014, the Issuer and the Servicer shall, and shall instruct the Sub-Originator and each Originator to, instruct all Obligor to cease delivering payments on the Pool Receivables to any Lock-Box or Lock-Box Account maintained with JPMorgan Chase Bank, N.A. (each, a "JPMorgan Lock-Box" or "JPMorgan Lock-Box Account", as applicable) and to instead deliver such payments to any other Lock-Box or Lock-Box Account.

(b) On or prior to the earlier of (i) January 28, 2015 and (ii) the date that the Issuer has knowledge that each Obligor has ceased delivering payments on the Pool Receivables to the JPMorgan Lock-Boxes and the JPMorgan Lock-Box Accounts, the Issuer shall close each JPMorgan Lock-Box and JPMorgan Lock-Box Account. Each of the Issuer and the Servicer hereby (i) consents to the termination by the Administrative Agent of that certain Lock-Box Agreement, dated as of the Closing Date (the "JPMorgan Lock-Box Agreement"), among JPMorgan Chase Bank, N.A., as Lock-Box Bank, the Issuer, the Servicer and the Administrative Agent, on the earlier of (A) January 28, 2015 and (B) the date that each JPMorgan Lock-Box and JPMorgan Lock-Box Account has been closed and (ii) agrees from time to time, at its own expense, promptly to execute (if necessary) and deliver all further instruments and documents, and to take all further actions, that may be necessary or desirable, or that the Administrative Agent may reasonably request, to effect the termination of the JPMorgan Lock-Box Agreement.

DEFINITIONS

Unless otherwise indicated herein, capitalized terms used and not otherwise defined in this Agreement are defined in the Note Purchase Agreement, dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, with the written consent of the Originators, the "Note Purchase Agreement"), among the Buyer, Mallinckrodt, as initial Servicer (in such capacity, the "Servicer"), the Persons from time to time party thereto as Purchasers, and PNC Bank, National Association, as Administrative Agent. All references hereto to months are to calendar months unless otherwise expressly indicated. All accounting terms not specifically defined herein shall be construed in accordance with GAAP. All terms used in Article 9 of the UCC in the State of New York, and not specifically defined herein, are used herein as defined in such Article 9. Unless the context otherwise requires, "or" means "and/or," and "including" (and with correlative meaning "include" and "includes") means including without limiting the generality of any description preceding such term.

BACKGROUND

1. The Originators generate Receivables in the ordinary course of their businesses and pursuant to that certain Sale Agreement, dated as of the date hereof (the "Sale Agreement"), between Mallinckrodt and Liebel-Flarsheim Company LLC, a Delaware limited liability company ("Flarsheim"), Mallinckrodt purchases each of the Receivables generated by Flarsheim. For purposes of this Agreement, each Receivable of, or generated by, Mallinckrodt shall include each Receivable generated by Flarsheim.

3. The Originators and the Buyer intend each such transaction to be a true sale of Receivables and the Related Rights by each Originator to the Buyer, providing the Buyer with the full benefits of ownership of the Receivables, and the Originators and the Buyer do not intend the transactions hereunder to be characterized as a loan from the Buyer to any Originator.

4. The Buyer intends to pledge the Receivables and the Related Rights to the Administrative Agent pursuant to the Note Purchase Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

ARTICLE I

(a) each Receivable of such Originator that existed and was owing to such Originator at the closing of such Originator's business on May 30, 2014 (the "Cut-Off Date");

(b) each Receivable generated by such Originator from and including the Cut-Off Date to but excluding the Purchase and Sale Termination Date;

(c) all of such Originator's interest in any goods (including returned goods), and documentation of title evidencing the shipment or storage of any goods (including returned goods), the sale of which gave rise to such Receivable;

(d) all instruments and chattel paper that may evidence such Receivable;

(e) all other security interests or liens and property subject thereto from time to time purporting to secure payment of such Receivable, whether pursuant to the Contract related to such Receivable or otherwise, together with all UCC financing statements or similar filings relating thereto;

(f) solely to the extent applicable to such Receivable, all of such Originator's rights, interests and claims under the Sale Agreement, the related Contracts and all guaranties, indemnities, insurance and other agreements (including the related Contract) or arrangements of whatever character from time to time supporting or securing payment of such Receivable or otherwise relating to such Receivable, whether pursuant to the Contract related to such Receivable or otherwise;

(g) all books and records of such Originator to the extent related to any of the foregoing, and all rights, remedies, powers, privileges, title and interest in and to each Lock-Box and all Lock-Box Accounts, into which any Collections or other proceeds with respect to such Receivables may be deposited, and any related investment property acquired with any such Collections or other proceeds (as such term is defined in the applicable UCC); and

(h) all Collections and other proceeds (as defined in the UCC) of any of the foregoing that are or were received by such Originator on or after the Cut-Off Date, including, without limitation, all funds which either are received by such Originator, the Buyer or the Servicer from or on behalf of the Obligors in payment of any amounts owed (including, without

limitation, invoice price, finance charges, interest and all other charges) in respect of any of the above Receivables or are applied to such amounts owed by the Obligors (including, without limitation, any insurance payments that such Originator, the Buyer or the Servicer applies in the ordinary course of its business to amounts owed in respect of any of the above Receivables, and net proceeds of sale or other disposition of repossessed goods or other collateral or property of the Obligors in respect of any of the above Receivables or any other parties directly or indirectly liable for payment of such Receivables).

The property, proceeds and rights described in clauses (c) through (h) above are herein referred to as the “Related Rights”, and the Buyer’s foregoing agreement to purchase Receivables and Related Rights is herein called the “Purchase Facility.”

SECTION 1.2 Timing of Purchases.

(a) Closing Date Purchases. Effective on the Closing Date, each Originator hereby sells to the Buyer, and the Buyer hereby purchases, such Originator’s entire right, title and interest in, to and under (i) each Receivable that existed and was owing to such Originator at the Cut-Off Date, (ii) each Receivable generated by such Originator from and including the Cut-Off Date, to and including the Closing Date, and (iii) all Related Rights with respect thereto.

(b) Subsequent Purchases. After the Closing Date, until the Purchase and Sale Termination Date, each Receivable and the Related Rights generated by each Originator shall be, and shall be deemed to have been, sold by such Originator to the Buyer (and without further action other than the payment of the Purchase Price) on the date on which such Receivable is generated (or if such day is not a Business Day, the following Business Day) (the Payment Date on which the sale of a Receivable takes place, the “Sale Date” with respect to such Receivable).

SECTION 1.3 Consideration for Purchases. On the terms and subject to the conditions set forth in this Agreement, the Buyer agrees to pay the Purchase Price for the Receivables and Related Rights to the Originators in accordance with Article III.

SECTION 1.4 Purchase and Sale Termination Date. The “Purchase and Sale Termination Date” shall be the earlier to occur of (a) the date the Purchase Facility is terminated pursuant to Section 8.2(a) and (b) the first Payment Date to occur following the day on which the Originators shall have given written notice to the Buyer, the Administrative Agent and each Purchaser at or prior to 10:00 a.m. (New York City time) that the Originators desire to terminate this Agreement.

SECTION 1.5 Intention of the Parties. It is the express intent of each Originator and the Buyer that each conveyance by such Originator to the Buyer pursuant to this Agreement of the Receivables, including without limitation, all Receivables, if any, constituting general intangibles as defined in the UCC, and all Related Rights be construed as a valid and perfected sale and absolute assignment (without recourse except as provided herein) of such Receivables and Related Rights

by such Originator to the Buyer (rather than the grant of a security interest to secure a debt or other obligation of such Originator) and that the right, title and interest in and to such Receivables and Related Rights conveyed to the Buyer be prior to the rights of and enforceable against all other Persons at any time, including, without limitation, lien creditors, secured lenders, purchasers and any Person claiming through such Originator. However, if, contrary to the mutual intent of the parties, any conveyance of Receivables, including without limitation any Receivables constituting general intangibles as defined in the UCC, and all Related Rights is not construed to be both a valid and perfected sale and absolute assignment of such Receivables and Related Rights, and a conveyance of such Receivables and Related Rights that is prior to the rights of and enforceable against all other Persons at any time, including without limitation lien creditors, secured lenders, purchasers and any Person claiming through such Originator, then, it is the intent of such Originator and the Buyer that (i) this Agreement also shall be deemed to be, and hereby is, a security agreement within the meaning of the UCC and (ii) such Originator shall be deemed to have granted to the Buyer as of the date of this Agreement, and such Originator hereby grants to the Buyer, a security interest in, to and under all of such Originator's right, title and interest in and to: (A) the Receivables and the Related Rights now existing and hereafter created by such Originator transferred or purported to be transferred hereunder, (B) all monies due or to become due and all amounts received with respect thereto and (C) all books and records of such Originator to the extent related to any of the foregoing.

ARTICLE II
PURCHASE REPORT; CALCULATION OF PURCHASE PRICE

SECTION 2.1 Purchase Report. On the Closing Date and on the 20th day of each month (each such date, a "Monthly Purchase Report Date"), the Servicer shall deliver to the Buyer and each Originator a report in substantially the form of Exhibit A (each such report being herein called a "Purchase Report") setting forth, among other things:

- (a) Receivables purchased by the Buyer from the Originators on the Closing Date (in the case of the Purchase Report to be delivered on the Closing Date);
- (b) Receivables purchased by the Buyer from the Originators during the Fiscal Month immediately preceding such Monthly Purchase Report Date (in the case of each subsequent Purchase Report); and

(c) the calculations of reductions of the Purchase Price for any Receivables as provided in Section 3.3(a) and (b).

SECTION 2.2 Calculation of Purchase Price. The “Purchase Price” to be paid to each Originator in accordance with the terms of Article III for the Receivables and the Related Rights that are purchased hereunder from such Originator shall be determined in accordance with the following formula:

PP = OB x FMVD

where:

PP = Purchase Price for each Receivable as calculated on the relevant Payment Date.

OB = The Outstanding Balance of such Receivable on the relevant Payment Date.

FMVD = Fair Market Value Discount, as measured on such Payment Date, which is equal to the quotient (expressed as percentage) of (a) one, divided by (b) the sum of (i) one, plus (ii) the product of (A) the Prime Rate on such Payment Date, times (B) a fraction, the numerator of which is the Days’ Sales Outstanding (calculated as of the last day of the Fiscal Month immediately preceding such Payment Date) and the denominator of which is 365 or 366, as applicable.

“Payment Date” means (i) the Closing Date and (ii) each Business Day thereafter that the Originators are open for business.

“Prime Rate” means a per annum rate equal to the “U.S. Prime Rate” as published in the “Money Rates” section of The Wall Street Journal or if such information ceases to be published in The Wall Street Journal, such other publication as determined by the applicable Originator in its sole discretion.

ARTICLE III PAYMENT OF PURCHASE PRICE

SECTION 3.1 Initial Purchase Price Payment. On the terms and subject to the conditions set forth in this Agreement, the Buyer agrees to pay to each Originator the Purchase Price for the purchase to be made from such Originator on the Closing Date in cash, which may include the proceeds from time to time drawn under a variable funding note issued by the Buyer, as issuer, on the Closing Date in the form of Exhibit B to such Originator (each such note, as it may be amended, supplemented, endorsed or otherwise modified from time to time, together with all notes issued from time to time in substitution therefor or renewal thereof in accordance with the terms hereof and thereof, each being herein called a “Subordinated Note”) with an initial principal amount equal to the remaining Purchase Price payable to such Originator not paid in cash.

SECTION 3.2 Subsequent Purchase Price Payments. On each Payment Date subsequent to the Closing Date, on the terms and subject to the conditions set forth in this Agreement, the Buyer shall pay to each Originator the Purchase Price for the Receivables and the Related Rights sold by such Originator on such Payment Date in cash, which may include proceeds of a borrowing under a Subordinated Note; provided, however, that if more than one Originator is selling Receivables to the Buyer

on the date of such purchase, the Buyer shall make cash payments among the Originators in such a way as to minimize to the greatest extent practicable the aggregate principal amounts outstanding under the Subordinated Notes.

All amounts paid by the Buyer to any Originator shall be allocated first to the payment of accrued and unpaid interest on the Subordinated Note of such Originator and second to the repayment of the principal outstanding on the Subordinated Note of such Originator to the extent of such outstanding principal thereof as of the date of such payment before such amounts may be allocated for any other purpose. The applicable Originator shall make all appropriate record keeping entries with respect to each of the Subordinated Notes to reflect the foregoing payments and payments and reductions made pursuant to Section 3.3, and the Originator's books and records shall constitute rebuttable presumptive evidence of the principal amount of, and accrued interest on, each of the Subordinated Notes at any time.

SECTION 3.3 Settlement as to Specific Receivables and Dilution.

(a) If, (i) on the day of purchase of any Receivable from an Originator hereunder, any of the representations or warranties set forth in Sections 5.1(k), (l), (m), (z), (bb) or (cc) are not true with respect to such Receivable or (ii) as a result of any action or (other than with respect to Section 5.1(bb)) inaction (other than solely as a result of the failure to collect such Receivable due to a discharge in bankruptcy or similar insolvency proceeding or other credit related reasons with respect to the relevant Obligor) of such Originator, on any subsequent day, any of such representations or warranties set forth in Sections 5.1(k), (m), (z) or (bb) is no longer true with respect to such Receivable, then the Purchase Price for such Receivable shall be reduced to zero and shall be accounted to such Originator as provided in clause (c) below; provided, that if the Buyer thereafter receives payment on account of the Outstanding Balance of such Receivable, the Buyer promptly shall deliver such funds to such Originator.

(b) If, on any day, the Outstanding Balance of any Receivable purchased hereunder is reduced or adjusted as a result of (A) any defective, rejected, returned, repossessed or foreclosed goods or services, (B) any revision, cancellation, allowance, rebate, credit memo, discount, warranty payment or other adjustment made by any Originator, the Servicer or any Affiliate of the Servicer (other than the Buyer and other than as a result of the receipt of Collections on such Pool Receivable) or (C) any setoff, counterclaim or dispute between an Obligor and Mallinckrodt, any Originator, the Servicer or their respective Affiliates (other than the Buyer, and whether arising from the transaction giving rise to such Pool Receivable or any unrelated transaction), then, in any such case the Purchase Price with respect to such Receivable shall be reduced by the amount of such net reduction or adjustment and shall be accounted to such Originator as provided in clause (c) below.

(c) Any reduction in the Purchase Price of any Receivable pursuant to clause (a) or (b) above shall be applied as a credit for the account of the Buyer against the Purchase Price of Receivables subsequently purchased by the Buyer from such Originator hereunder; provided, however if there have been no purchases of Receivables from such Originator (or insufficiently large purchases of Receivables) to create a Purchase Price sufficient to so apply such credit against, the amount of such credit:

(i) to the extent of any outstanding principal balance under the Subordinated Note payable to such Originator, shall be deemed to be a payment under, and shall be deducted from the principal amount outstanding under, the Subordinated Note payable to such Originator; and

(ii) after making any deduction pursuant to clause (i) above, shall be paid in cash to the Buyer by such Originator in the manner and for application as described in the following proviso:

provided, further, that at any time (x) when an Event of Default or an Unmatured Event of Default exists under the Note Purchase Agreement or (y) on or after the Purchase and Sale Termination Date, the amount of any such credit shall be paid by such Originator to the Buyer in cash by deposit of immediately available funds into a Lock-Box Account for application by the Servicer to the same extent as if Collections of the applicable Receivable in such amount had actually been received on such date.

SECTION 3.4 Reconveyance of Receivables. In the event that an Originator has paid to the Buyer the full Outstanding Balance of any Receivable pursuant to Section 3.3, the Buyer shall automatically and without further action reconvey such Receivable to such Originator, without representation or warranty, but free and clear of all liens, security interests, charges, and encumbrances created by the Buyer.

ARTICLE IV CONDITIONS OF PURCHASES; ADDITIONAL ORIGINATORS

SECTION 4.1 Conditions Precedent to Initial Purchase. The initial purchase hereunder is subject to the condition precedent that the Buyer, the Administrative Agent (as the Buyer's assignee) and each Purchaser (as the Buyer's assignee) shall have received, on or before the Closing Date, the following, each (unless otherwise indicated) dated the Closing Date, and each in form and substance satisfactory to the Buyer, the Administrative Agent (as the Buyer's assignee) and each Purchaser (as the Buyer's assignee):

(c) a certificate of the Secretary or Assistant Secretary of each Originator certifying the names and true signatures of the officers authorized on such Person's behalf to

sign this Agreement and the other Transaction Documents to be executed and delivered by it (on which certificate the Servicer, the Buyer, the Administrative Agent (as the Buyer's assignee) and each Purchaser (as the Buyer's assignee) may conclusively rely until such time as the Servicer, the Buyer, the Administrative Agent (as the Buyer's assignee) and each Purchaser (as the Buyer's assignee) shall receive from such Person a revised certificate meeting the requirements of this clause (c));

(d) the certificate or articles of incorporation or other organizational document of each Originator (including all amendments and modifications thereto) duly certified by the Secretary of State of the jurisdiction of such Originator's organization as of a recent date, together with a copy of the by-laws or other governing documents of such Originator (including all amendments and modifications thereto), as applicable, each duly certified by the Secretary or an Assistant Secretary of such Originator;

(e) proper financing statements (Form UCC-1) that have been duly authorized and name each Originator as the debtor/seller and the Buyer as the buyer/assignor secured party (and the Administrative Agent, for the benefit of the Purchasers, as assignee secured party) of the Receivables sold by such Originator as may be necessary or, in the Buyer's or the Administrative Agent's (as the Buyer's assignee) reasonable opinion, desirable under the UCC of all appropriate jurisdictions to perfect the Buyer's ownership or security interest in such Receivables and the Related Rights in which an ownership or security interest has been assigned to it hereunder;

(f) a written search report from a Person satisfactory to the Buyer and the Administrative Agent (as the Buyer's assignee) listing all effective financing statements that name the Originators as debtors or sellers and that are filed in all jurisdictions in which filings may be made against such Originator pursuant to the applicable UCC, together with copies of such financing statements (none of which, except for those described in the foregoing clause (g) (and/or released or terminated, as the case may be, prior to the date hereof), shall cover any Receivable or any Related Rights which are to be sold to the Buyer hereunder), and tax and judgment lien search reports (including, without limitation, liens of the PBGC) from a Person satisfactory to the Buyer and the Administrative Agent (as the Buyer's assignee) showing no evidence of such liens filed against any Originator;

(g) favorable opinions of counsel to the Originators, in form and substance satisfactory to the Buyer, the Administrative Agent (as the Buyer's assignee) and each Purchaser (as the Buyer's assignee);

(h) a copy of a Subordinated Note in favor of each Originator, duly executed by the Buyer; and

(i) evidence (i) of the execution and delivery by each of the parties thereto of each of the other Transaction Documents to be executed and delivered by it in connection herewith and (ii) that each of the conditions precedent to the execution, delivery and effectiveness of such other Transaction Documents has been satisfied to the Buyer's and the Administrative Agent's (as the Buyer's assignee) satisfaction.

SECTION 4.2 Certification as to Representations and Warranties. Each Originator, by accepting the Purchase Price related to each purchase of Receivables generated by such Originator, shall be deemed to have certified that the representations and warranties of such Originator contained in Article V are true and correct in all material respects (unless such representation or warranty contains a materiality qualification and, in such case, such representation and warranty shall be true and correct as made) on and as of the date the applicable Receivables are sold to the Buyer hereunder.

SECTION 4.3 Additional Originators. Additional Persons may be added as Originators hereunder, with the prior written consent of the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer) (which consents may be granted or withheld in their sole discretion); provided that the following conditions are satisfied or waived in writing by the Administrative Agent and each Purchaser on or before the date of such addition:

(d) Binding Obligations. This Agreement and each of the other Transaction Documents to which it is a party constitutes legal, valid and binding obligations of such Originator, enforceable against such Originator in accordance with their respective terms, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(e) No Conflict or Violation. The execution and delivery of this Agreement and each other Transaction Document to which such Originator is a party, the performance of the transactions contemplated by this Agreement and the other Transaction Documents to which it is a party and the fulfillment of the terms of this Agreement and the other Transaction Documents to which it is a party by it will not (i) conflict with, result in any breach of any of the terms or provisions of, or constitute (with or without notice or lapse of time or both) a default under, its organizational documents or any indenture, sale agreement, credit agreement, loan agreement, security agreement, mortgage, deed of trust or other agreement or instrument to which it is a party or by which it or any of its property is bound, (ii) result in the creation or imposition of any Adverse Claim upon any of its properties pursuant to the terms of any such indenture, credit agreement, loan agreement, security agreement, mortgage, deed of trust or other agreement or instrument, other than this Agreement and the other Transaction Documents or (iii) conflict with or violate any Applicable Law, except to the extent that any such conflict, breach, default, Adverse Claim or violation could not reasonably be expected to have a Material Adverse Effect.

(h) Compliance with Applicable Law. Such Originator (i) shall duly satisfy all obligations on its part to be fulfilled under or in connection with the Receivables and the related Contracts and (ii) has complied in all material respects with all Applicable Law in connection with the Receivables.

(i) Accuracy of Information. All Purchase Reports, certificates, reports, statements, documents and other information furnished to the Buyer, the Administrative Agent (as assignee of the Buyer) or any other Credit Party (as assignee of the Buyer) by it pursuant to any provision of this Agreement or any other Transaction Document to which it is a party, or in connection with or pursuant to any amendment or modification of, or waiver under, this Agreement or any other Transaction Document to which it is a party, is, at the time the same are so furnished, complete and correct in all material respects on the date the same are furnished to the Buyer, the Administrative Agent (as assignee of the Buyer) or such other Credit Party (as assignee of the Buyer).

(m) Valid Sale. Each sale of Receivables and the Related Rights made by such Originator pursuant to this Agreement shall constitute a valid sale, transfer and assignment of Receivables and Related Rights to the Buyer, enforceable against creditors of, and purchasers from, such Originator, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(n) Margin Stock. (q) Sale Agreement. The Sale Agreement constitutes the legal, valid and binding obligation of Flarsheim, enforceable against Flarsheim in accordance with its terms, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law. Each sale of Receivables and the Related Rights made by Flarsheim to Mallinckrodt pursuant to the Sale Agreement shall constitute a valid sale, transfer and assignment of Receivables and Related Rights to Mallinckrodt, enforceable against creditors of, and purchasers from, Flarsheim, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(r) No Sanctions. Such Originator is not a Sanctioned Person. To such Originator's knowledge, no Obligor was a Sanctioned Person at the time of origination of any Pool Receivable owing by such Obligor. (v) [Reserved].

(w) No Fraudulent Conveyance. No sale hereunder constitutes a fraudulent transfer or conveyance under any United States federal or applicable state bankruptcy or insolvency laws or is otherwise void or voidable under such or similar laws or principles or for any other reason.

(x) ERISA. Such Originator and its ERISA Affiliates is in compliance with the applicable provisions of ERISA and the provisions of the Code relating to Pension Plans and the regulations and published interpretations thereunder and any similar applicable non-U.S. law, except for such noncompliance that would not reasonably be expected to have a Material Adverse Effect with respect to such Originator or the Receivables sold by it hereunder. No Reportable Event has occurred during the past five years other than a Reportable Event that would not reasonably be expected to have a Material Adverse Effect with respect to such Originator or the Receivables sold by it hereunder. The excess of the present value of all benefit liabilities under each Pension Plan of such Originator and its ERISA Affiliates (based on the assumptions used to determine required minimum contributions under Section 412 of the Code with respect to such Pension Plan), over the value of the assets of such Pension Plan, determined as of the most recent annual valuation date applicable thereto for which a valuation has been completed, would not reasonably be expected to have a Material Adverse Effect with respect to such Originator or the Receivables sold by it hereunder, and the excess of the present value of all benefit liabilities of all underfunded Pension Plans of such Originator and its ERISA Affiliates (based on the assumptions used to determine required minimum contributions under Section 412 of the Code with respect to each such Pension Plan), over the value of the assets of all such underfunded Pension Plans, determined as of the most recent annual valuation dates applicable thereto for which valuations have been completed, would not reasonably be expected to have a Material Adverse Effect. None of such Originator or its ERISA Affiliates has received any written notification that any Multiemployer Plan is in reorganization or has been terminated within the meaning of Title IV of ERISA, or has knowledge that any Multiemployer Plan is reasonably expected to be in reorganization or to be terminated, where such reorganization or

termination has had or would reasonably be expected to have, through increases in the contributions required to be made to such Multiemployer Plan or otherwise, a Material Adverse Effect with respect to such Originator or the Receivables sold by it hereunder.

(y) Ordinary Course of Business. Such Originator represents and warrants that each remittance of Collections by or on behalf of such Originator to the Buyer under this Agreement will have been (i) in payment of a debt incurred by such Originator in the ordinary course of business or financial affairs of such Originator and (ii) made in the ordinary course of business or financial affairs of such Originator.

(z) Perfection; Good Title. Immediately preceding its sale of each Receivable hereunder, such Originator was the owner of such Receivable sold or purported to be sold free and clear of any Adverse Claims, and each such sale hereunder constitutes a valid sale, transfer and assignment of all of such Originator's right, title and interest in, to and under the Receivables sold by it, free and clear of any Adverse Claims. On or before the date hereof and before the generation by such Originator of any new Receivable to be sold or otherwise conveyed hereunder, all financing statements and other documents, if any, required to be recorded or filed in order to perfect and protect the Buyer's ownership interest in such Receivable against all creditors of and purchasers from such Originator will have been duly filed in each filing office necessary for such purpose, and all filing fees and taxes, if any, payable in connection with such filings shall have been paid in full. Upon the transfer to the Buyer of each new Receivable sold or otherwise conveyed or purported to be conveyed hereunder and on the Closing Date for then existing Receivables, the Buyer shall have a valid and perfected first priority ownership or security interest in each Receivable sold to it hereunder, free and clear of any Adverse Claim.

(aa) Reliance on Separate Legal Identity. Such Originator acknowledges that each of the Purchasers and the Administrative Agent are entering into the Transaction Documents to which they are parties in reliance upon the Buyer's identity as a legal entity separate from such Originator.

(bb) Enforceability of Contracts. Each Contract related to any Receivable sold by such Originator hereunder is effective to create, and has created, a legal, valid and binding obligation of the related Obligor to pay the outstanding balance of such Receivable, enforceable against the Obligor in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the creditors' rights generally and as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law, without being subject to any defense, deduction, offset or counterclaim and such Originator has fully performed its obligations under such Contract.

(cc) Nature of Pool Receivables. All Receivables: (i) were originated by such Originator in the ordinary course of its business, (ii) were sold to Buyer for fair consideration and reasonably equivalent value and (iii) represent all, or a portion of the purchase price of merchandise, insurance or services within the meaning of Section 3(c)(5)(A) of the Investment Company Act.

(dd) Servicing Programs. No license or approval is required for the Administrative Agent's use of any software or other computer program used by such Originator in the servicing of the Receivables, other than those which have been obtained and are in full force and effect.

(ee) Adverse Change in Receivables. Since December 31, 2013, there has been no material adverse change in either the collectibility or the payment history of the Receivables originated by such Originator.

(ff) Solvent. After giving effect to the transactions contemplated by this Agreement and the other Transaction Documents, such Originator is Solvent.

(gg) Compliance with Transaction Documents. Each Originator has complied with all of the terms, covenants and agreements contained in the other Transaction Documents to which it is a party.

SECTION 5.2 Reaffirmation of Representations and Warranties by each Originator. On each day that a new Receivable is sold or purportedly sold to the Buyer hereunder, such Originator shall be deemed to have certified that all representations and warranties set forth in Section 5.1 are true and correct in all material respects (unless such representation or warranty contains a materiality qualification and, in such case, such representation or warranty shall be true and correct as made) on and as of such day (except for representations and warranties which apply as to an earlier date (in which case such representations and warranties shall be true and correct as of such earlier date)). Notwithstanding the foregoing, nothing in this Section 5.2 shall require any Originator to make as of a date later than the applicable Sale Date any representation or warranty with respect to a Receivable that it has transferred to the Buyer, but each Originator shall promptly notify the Buyer and the Administrative Agent (as assignee of the Buyer) if such Originator has knowledge that a representation and warranty that it made under this Agreement was not correct when made.

ARTICLE VI COVENANTS OF THE ORIGINATORS

SECTION 6.1 Covenants. From the date hereof until the Final Payout Date, each Originator will, unless the Administrative Agent and the Buyer shall otherwise consent in writing, perform the following covenants:

(a) Financial Reporting. Each Originator will maintain a system of accounting established and administered in accordance with GAAP, and each Originator shall furnish to the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer) such information as the Buyer, the Administrative Agent (as assignee of the Buyer) or any Purchaser (as assignee of the Buyer) may from time to time reasonably request relating to such system.

(b) Notice of Events of Default, Unmatured Events of Default, Purchase and Sale Termination Events, Unmatured Purchase and Sale Termination Events and Material

Adverse Change. Each Originator will notify the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer) in writing (i) promptly upon (but in no event later than two (2) Business Days after) a Financial Officer or other officer learning of the occurrence of an Event of Default, Unmatured Event of Default, Purchase and Sale Termination Event or Unmatured Purchase and Sale Termination Event, which notice shall describe such Event of Default, Unmatured Event of Default, Purchase and Sale Termination Event or Unmatured Purchase and Sale Termination Event, and if applicable, the steps being taken by such Originator with respect thereto and (ii) promptly after the occurrence thereof, notice of any change in the business, operations, property or financial or other condition of such Originator which could reasonably be expected to have a Material Adverse Effect with respect to such Originator.

(c) Conduct of Business. Each Originator will carry on and conduct its business in substantially the same manner and in substantially the same fields of enterprise as it is presently conducted and will do all things necessary to preserve and keep in full force and effect its existence and, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect, its franchises, authority to do business in each jurisdiction in which its business is conducted, licenses, patents, trademarks, copyrights and other proprietary rights; provided, however, that nothing in this clause (c) shall prevent any transaction permitted by clause (o) below or not otherwise prohibited by this Agreement or any other Transaction Document to which it is a party.

(d) Compliance with Laws. Each Originator will comply with all Applicable Laws to which it may be subject if the failure to comply could reasonably be expected to have a Material Adverse Effect.

(e) Furnishing of Information and Inspection of Receivables. Each Originator will furnish or cause to be furnished to the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer) from time to time such information with respect to the Pool Receivables as the Buyer, the Administrative Agent (as assignee of the Buyer) or any Purchaser (as assignee of the Buyer) may reasonably request. Each Originator will, at such Originator's expense, during regular business hours with prior written notice, (i) permit the Buyer, the Administrative Agent (as assignee of the Buyer) and/or any Purchaser (as assignee of the Buyer) or their agents or representatives to (A) examine and make copies of and abstracts from the books and records relating to the Pool Receivables and the Related Rights, (B) visit the offices and properties of such Originator for the purpose of examining such books and records and (C) discuss matters relating to the Pool Receivables sold by it hereunder, the Related Rights or such Originator's performance under the Transaction Documents to which it is a party with any of the officers, directors, employees or independent public accountants of such Originator (provided that representatives of such Originator are present during such discussions) having knowledge of such matters and (ii) without limiting the provisions of clause (i) above, during regular business hours, at such Originator's expense, upon prior written notice from the Buyer or the Administrative Agent, permit certified public accountants or other auditors acceptable to the Administrative Agent to conduct a review of its books and records with respect to the Pool Receivables and the Related Rights. Notwithstanding the foregoing, unless a Purchase and Sale Termination Event has occurred and is continuing, each Originator shall be required to reimburse the Administrative Agent and Purchasers, together, for only one (1) such inspection and visit as set forth in clause (i) in any twelve-month period and one (1) such audit as set forth in clause (ii) in any twelve-month period.

(f) Payments on Receivables, Lock-Box Accounts. Each Originator will, at all times, instruct all Obligor to deliver payments on the Pool Receivables to a Lock-Box Account or a Lock-Box. If any payments on the Pool Receivables or other Collections are received by an Originator, it shall hold such payments in trust for the benefit of the Administrative Agent (as assignee of the Buyer), the Purchasers (as assignee of the Buyer) and the other Secured Parties and promptly (but in any event within one (1) Business Day after receipt) remit such funds into a Lock-Box Account. The Originators shall not take or permit any actions that would cause any funds other than Collections on Pool Receivables and other Collateral to be deposited into any Lock-Box Account. If any such funds are nevertheless deposited into any Lock-Box Account, the Originators will cause the Servicer to, within two (2) Business Days, identify and transfer such funds out of the Lock-Box Account to (or pursuant to the instructions of) the Person entitled to such funds. The Originators will not, and will not instruct any other Person, to commingle Collections with any other funds. The Originators shall only add (or permit the Servicer to add) a Lock-Box Account (or a related Lock-Box), or a Lock-Box Bank to those listed in the Note Purchase Agreement, if the Administrative Agent (as assignee of the Buyer) has received notice of such addition and an executed and acknowledged copy of a Lock-Box Agreement (or an amendment thereto) in form and substance acceptable to the Administrative Agent (as assignee of the Buyer) from the applicable Lock-Box Bank. The Originators shall only terminate (or permit the Servicer to terminate) a Lock-Box Bank or close a Lock-Box Account (or a related Lock-Box) with the prior written consent of the Administrative Agent (as assignee of the Buyer).

(g) Sales, Liens, etc. Except as otherwise provided herein, no Originator will sell, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist any Adverse Claim arising through or under it upon (including, without limitation, the filing of any financing statement) or with respect to, any Receivable or other Related Rights, or assign any right to receive income in respect thereof.

(h) Extension or Amendment of Pool Receivables. Except as otherwise permitted by the Note Purchase Agreement, no Originator will, or will permit the Servicer to, alter the delinquency status or adjust the Outstanding Balance or otherwise modify the terms of any Pool Receivable in any material respect, or amend, modify or waive, in any material respect, any term or condition of any related Contract. Each Originator shall at its expense, timely and fully perform and comply in all material respects with all provisions, covenants and other promises required to be observed by it under the Contracts related to the Pool Receivables, and timely and fully comply with the Credit and Collection Policy with regard to each Pool Receivable and the related Contract.

(i) Fundamental Changes. Each Originator shall provide the Buyer and the Administrative Agent (as assignee of the Buyer) at least 30 days' prior written notice before making any change in such Originator's name or location or making any other change in such Originator's identity or corporate structure that could impair or otherwise render any UCC financing statement filed in connection with this Agreement "seriously misleading" as such term (or similar term) is used in the applicable UCC; each notice to the Buyer and the Administrative Agent pursuant to this sentence shall set forth the applicable change and the proposed effective date thereof.

(j) Change in Credit and Collection Policy. Each Originator will provide written notice to the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer) at least 30 days prior to the effectiveness of any material change in or material amendment to the Credit and Collection Policy. Promptly following any material change in the Credit and Collection Policy, the applicable Originator will deliver a copy of the updated Credit and Collection Policy identifying such material change to the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer).

(k) Change in Business, Etc. No Originator will (i) make any material change in the character of its business, which change would impair the collectability of any Receivable or (ii) make any change in the Credit and Collection Policy that could reasonably be expected to materially and adversely affect the collectability of the Receivables, the credit quality of any Receivable, the enforceability of any related Contract or its ability to perform its obligations under the related Contract or the Transaction Documents, in the case of either clause (i) or (ii) above, without the prior written consent of the Buyer, the Administrative Agent (as assignee of the Buyer) and the Majority Purchasers (as assignee of the Buyer).

(l) Ownership Interest, Etc. Each Originator shall, at its expense, take all action necessary or reasonably desirable to establish and maintain a valid and enforceable ownership or first priority perfected security interest in the Pool Receivables, the Related Rights and Collections with respect thereto, free and clear of any Adverse Claim, in favor of the Buyer (and the Administrative Agent (on behalf of the Secured Parties), as the Buyer's assignee), including taking such action to perfect, protect or more fully evidence the interest of the Buyer (and the Administrative Agent (on behalf of the Secured Parties), as the Buyer's assignee) as the Buyer, the Administrative Agent or any Purchaser may reasonably request.

(m) Further Assurances. Each Originator hereby authorizes and hereby agrees from time to time, at its own expense, promptly to execute (if necessary) and deliver all further instruments and documents, and to take all further actions, that may be necessary or desirable, or that the Buyer or the Administrative Agent (as assignee of the Buyer) may reasonably request, to perfect, protect or more fully evidence the purchases made hereunder and/or security interest granted pursuant to this Agreement, or to enable the Buyer or the Administrative Agent (as assignee of the Buyer) to exercise and enforce their respective rights and remedies hereunder.

(n) Mergers, Acquisitions, Sales, etc. No Originator shall (i) be a party to any merger, consolidation or other restructuring, except a merger, consolidation or other restructuring where the Buyer, the Administrative Agent (as Buyer's assignee) and each Purchaser have each (A) received 30 days' prior notice thereof, (B) received executed copies of all documents, certificates and opinions (including, without limitation, opinions relating to corporate, bankruptcy and UCC matters) as the Buyer or the Administrative Agent shall reasonably request and (C) been satisfied that all other action to perfect and protect the interests of the Buyer and the Administrative Agent, on behalf of the Purchasers, as the Buyer's assignee, in and to the Receivables to be sold by it hereunder and other Related Rights, as reasonably requested by the Buyer or the Administrative Agent (as Buyer's assignee) shall have been taken by, and at the

expense of, such Originator (including the filing of any UCC financing statements, the receipt of certificates and other requested documents from public officials and all such other actions required pursuant to Section 7.3) or (ii) directly or indirectly sell, transfer, assign, convey or lease (A) whether in one or a series of transactions, all or substantially all of its assets or (B) any Receivables or Related Rights or any interest therein (other than pursuant to this Agreement).

(o) Frequency of Billing. Prepare and deliver (or cause to be prepared and delivered) invoices with respect to all Receivables in accordance with the Credit and Collection Policies, but in any event no less frequently than as required under the Contract related to such Receivable.

(p) Receivables Not to Be Evidenced by Promissory Notes or Chattel Paper. No Originator shall take any action to cause or permit any Receivable created, acquired or originated by it to become evidenced by any "instrument" or "chattel paper" (as defined in the applicable UCC) without the prior written consent of the Buyer and the Administrative Agent (as assignee of Buyer).

(q) Anti-Money Laundering/International Trade Law Compliance. No Originator shall become a Sanctioned Person. No Originator, either in its own right or through any third party, will (a) have any of its assets in a Sanctioned Country or in the possession, custody or control of a Sanctioned Person in violation of any Anti-Terrorism Law; (b) do business in or with, or derive any of its income from investments in or transactions with, any Sanctioned Country or Sanctioned Person in violation of any Anti-Terrorism Law; (c) engage in any dealings or transactions prohibited by any Anti-Terrorism Law or (d) use the proceeds of the sale of any Receivable under this Agreement to fund any operations in, finance any investments or activities in, or, make any payments to, a Sanctioned Country or Sanctioned Person in violation of any Anti-Terrorism Law. The funds used to repay the Originators' obligations under this Agreement and the other Transaction Documents will not be derived from any unlawful activity. The Originators shall comply with all Anti-Terrorism Laws. Each Originator shall promptly notify the Buyer and the Administrative Agent (as assignee of the Buyer) in writing upon the occurrence of a Reportable Compliance Event.

(r) Subordinated Notes. No Originator will sell, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist any Adverse Claim upon (including, without limitation, the filing of any financing statement) or with respect to, any Subordinated Note, or assign any right to receive income in respect thereof, in each case, except to any Person that is a party to an Intercreditor Agreement. As used herein, "Intercreditor Agreement" means an intercreditor agreement entered into among one or more Originators, the Buyer, the Administrative Agent (as assignee of Buyer) and one or more creditors of an Originator, in form and substance satisfactory to the Administrative Agent (as assignee of Buyer).

SECTION 6.2 Separateness Covenants. Each Originator hereby acknowledges that this Agreement and the other Transaction Documents are being entered into in reliance upon the Buyer's identity as a legal entity separate from such Originator and its Affiliates. Therefore, from and after the date hereof, each Originator shall take all reasonable steps necessary to make it apparent to third Persons that the Buyer is an entity with assets and liabilities distinct from those of such Originator and any other Person, and is not a division of such Originator, its Affiliates

or any other Person. Without limiting the generality of the foregoing and in addition to and consistent with the other covenants set forth herein, such Originator shall take such actions as shall be required in order that:

(a) such Originator shall not be involved in the day to day management of the Buyer;

(b) such Originator shall maintain separate corporate records and books of account from the Buyer and otherwise will observe corporate formalities (to the extent that it and the Buyer have offices in the same location, there shall be a fair and appropriate allocation of overhead costs between them, and each shall bear its fair share of such expenses);

(c) the financial statements and books and records of such Originator shall be prepared after the date of creation of the Buyer to reflect and shall reflect the separate existence of the Buyer; provided, that the Buyer's assets and liabilities may be included in a consolidated financial statement issued by an Affiliate of the Buyer; provided, however, that any such consolidated financial statement or the notes thereto shall make clear that the Buyer's assets are not available to satisfy the obligations of such Affiliate;

(d) except in connection with the servicing of the Receivables, (i) such Originator shall maintain its assets (including, without limitation, deposit accounts) separately from the assets (including, without limitation, deposit accounts) of the Buyer and (ii) the Buyer's assets, and records relating thereto, have not been, are not, and shall not be, commingled with those of the Buyer;

(e) such Originator shall not act as an agent for the Buyer;

(f) such Originator shall not conduct any of the business of the Buyer in its own name;

(g) except as required by the Transaction Documents, such Originator shall not pay any liabilities of the Buyer out of its own funds or assets;

(h) except as required by the Transaction Documents, such Originator shall maintain an arm's-length relationship with the Buyer;

(i) except as required by the Transaction Documents, such Originator shall not assume or guarantee or become obligated for the debts of the Buyer or hold out its credit as being available to satisfy the obligations of the Buyer;

(j) such Originator shall not acquire obligations of the Buyer (other than the Subordinated Notes);

(k) such Originator shall identify and hold itself out as a separate and distinct entity from the Buyer;

(l) such Originator shall correct any known misunderstanding respecting its separate identity from the Buyer;

(m) such Originator shall not enter into, or be a party to, any transaction with the Buyer, except in the ordinary course of its business and on terms which are intrinsically fair and not less favorable to it than would be obtained in a comparable arm's-length transaction with an unrelated third party; and

(n) such Originator shall not pay the salaries of the Buyer's employees, if any.

ARTICLE VII
ADDITIONAL RIGHTS AND OBLIGATIONS
IN RESPECT OF RECEIVABLES

SECTION 7.1 Rights of the Buyer. Each Originator hereby authorizes the Buyer, the Servicer or their respective designees or assignees under the Note Purchase Agreement (including, without limitation, the Administrative Agent) to take any and all steps in such Originator's name necessary or desirable, in their respective determination, to collect all amounts due under any and all Receivables sold or otherwise conveyed or purported to be conveyed by it hereunder, including, without limitation, endorsing the name of such Originator on checks and other instruments representing Collections and enforcing such Receivables and the provisions of the related Contracts that concern payment and/or enforcement of rights to payment; provided, however, the Administrative Agent shall not take any of the foregoing actions unless an Event of Default has occurred and is continuing.

SECTION 7.2 Responsibilities of the Originators. Anything herein to the contrary notwithstanding:

(a) Each Originator shall perform its obligations hereunder, and the exercise by the Buyer or its designee of its rights hereunder shall not relieve such Originator from such obligations.

(b) None of the Buyer, the Purchasers or the Administrative Agent shall have any obligation or liability to any Obligor or any other third Person with respect to any Receivables, Contracts related thereto or any other related agreements, nor shall the Buyer, the Purchasers or the Administrative Agent be obligated to perform any of the obligations of such Originator thereunder.

(c) Each Originator hereby grants to the Buyer and the Administrative Agent (as assignee of Buyer) an irrevocable power-of-attorney, with full power of substitution, coupled with an interest, during the occurrence and continuation of an Event of Default to take in the name of such Originator all steps necessary or advisable to endorse, negotiate or otherwise realize on any writing or other right of any kind held or transmitted by such Originator or transmitted or received by the Buyer or the Administrative Agent (as assignee of Buyer) (whether or not from such Originator) in connection with any Receivable sold or otherwise conveyed or purported to be conveyed by it hereunder or Related Right.

SECTION 7.3 Further Action Evidencing Purchases. On or prior to the Closing Date, each Originator shall mark its master data processing records evidencing Pool Receivables and Contracts with a legend evidencing that the Pool Receivables

have been transferred in accordance with this Agreement and none of the Originators or Servicer shall change or remove such notation without the consent of the Buyer and the Administrative Agent, as assignee of the Buyer. Each Originator agrees that from time to time, at its expense, it will promptly execute and deliver all further instruments and documents, and take all further action that the Buyer, the Servicer, the Administrative Agent (as assignee of the Buyer) or any Purchaser (as assignee of the Buyer) may reasonably request in order to perfect, protect or more fully evidence the Receivables and Related Rights purchased by the Buyer hereunder, or to enable the Buyer to exercise or enforce any of its rights hereunder. Without limiting the generality of the foregoing, upon the request of the Buyer, the Administrative Agent (as assignee of the Buyer) or any Purchaser (as assignee of the Buyer), such Originator will execute (if applicable), authorize and file such financing or continuation statements, or amendments thereto or assignments thereof, and such other instruments or notices, as may be necessary or appropriate.

Each Originator hereby authorizes the Buyer or its designee or assignee (including, without limitation, the Administrative Agent) to file one or more financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Receivables and Related Rights sold or otherwise conveyed or purported to be conveyed by it hereunder. If any Originator fails to perform any of its agreements or obligations under this Agreement, the Buyer or its designee or assignee (including, without limitation, the Administrative Agent) may (but shall not be required to) itself perform, or cause the performance of, such agreement or obligation, and the expenses of the Buyer or its designee or assignee (including, without limitation, the Administrative Agent) incurred in connection therewith shall be payable by such Originator.

SECTION 7.4 Application of Collections. Any payment by an Obligor in respect of any indebtedness owed by it to any Originator shall, except as otherwise specified by such Obligor or required by Applicable Law and unless otherwise instructed by the Servicer (with the prior written consent of the Administrative Agent) or the Administrative Agent, be applied as a collection of the oldest outstanding indebtedness of such Obligor.

SECTION 7.5 Performance of Obligations. Each Originator shall (i) perform all of its obligations, if any, under the Contracts related to the Receivables generated by such Originator to the same extent as if interests in such Receivables had not been transferred hereunder, but only to the extent that such obligations are not included in the Receivables or Related Rights sold or purportedly sold to the Buyer hereunder, and the exercise by the Buyer or the Administrative Agent of its rights hereunder shall not relieve any Originator from any such obligations and (ii) pay when due any material taxes imposed on such Originator, including, without limitation, any material sales taxes payable by such Originator in connection with the Receivables generated by such Originator and their creation and satisfaction.

ARTICLE VIII
PURCHASE AND SALE TERMINATION EVENTS

SECTION 8.1 Purchase and Sale Termination Events. Each of the following events or occurrences described in this Section 8.1 shall constitute a "Purchase and Sale Termination Event" (each event which with notice or the passage of time or both would become a Purchase and Sale Termination Event being referred to herein as an "Unmatured Purchase and Sale Termination Event"):

(a) the Termination Date shall have occurred; or

(b) any Originator shall fail to make when due any payment or deposit to be made by it under this Agreement or any other Transaction Document to which it is a party and such failure shall remain unremedied for two (2) Business Days; or

(c) any representation or warranty made or deemed to be made by any Originator (or any of its officers) under or in connection with this Agreement, any other Transaction Documents to which it is a party, or any other information or report delivered by it pursuant hereto or thereto shall prove to have been incorrect or untrue in any material respect when made or deemed made or delivered; provided, that no breach of a representation or warranty set forth in Sections 5.1(k), (l), (m), (z), (bb) or (cc) shall constitute a Purchase and Sale Termination Event pursuant to this clause (c) if credit has been given for a reduction of the Purchase Price, the outstanding principal balance of the applicable Subordinated Note has been reduced or the applicable Originator has made a cash payment to the Buyer, in any case, as required pursuant to Section 3.3(c) with respect to such breach;

(d) any Originator shall fail to perform or observe any other term, covenant or agreement contained in this Agreement or any other Transaction Document to which it is a party on its part to be performed or observed and such failure, solely to the extent capable of cure, shall continue unremedied for thirty (30) days; or

(e) any Insolvency Proceeding shall be instituted against any Originator or any Originator is not Solvent.

SECTION 8.2 Remedies.

(a) Optional Termination. Upon the occurrence and during the continuation of a Purchase and Sale Termination Event, the Buyer (and not the Servicer), with the prior written consent of the Administrative Agent shall have the option, by notice to the Originators (with a copy to the Administrative Agent and the Purchasers), to declare the Purchase Facility terminated.

(b) Remedies Cumulative. Upon any termination of the Purchase Facility pursuant to Section 8.2(a), the Buyer (and the Administrative Agent as Buyer's assignee) shall have, in addition to all other rights and remedies under this Agreement, all other rights and remedies provided under the UCC of each applicable jurisdiction and other Applicable Laws, which rights shall be cumulative.

ARTICLE IX
INDEMNIFICATION

SECTION 9.1 Indemnities by the Originators. Without limiting any other rights that the Buyer may have hereunder or under Applicable Law, each Originator, jointly and severally, hereby agrees to indemnify the Buyer, the Credit Parties (as assignees of the Buyer), the Affected Persons (as assignees of the Buyer) and their respective assigns, officers, directors, agents and employees (each of the foregoing Persons being individually called a "Purchase and Sale Indemnified Party") from and against any loss, liability, expense, damage or injury suffered or sustained by reason of (i) any failure of such Originator to comply with any of its covenants, obligations or agreements contained in this Agreement or any other Transaction Document to which it is a party or such Originator's gross negligence, (ii) the breach of any representation or warranty made or deemed made by such Originator under or in connection with this Agreement or any of the other Transaction Documents to which it is a party or (iii) willful misconduct in the performance of its duties or obligations under this Agreement or any other Transaction Document to which it is a party, including any judgment, award, settlement, Attorney Costs and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim (all of the foregoing being collectively referred to as, "Purchase and Sale Indemnified Amounts"). Without limiting or being limited by the foregoing, each Originator, jointly and severally, shall pay on demand, to each Purchase and Sale Indemnified Party any and all amounts necessary to indemnify such Purchase and Sale Indemnified Party from and against any and all Purchase and Sale Indemnified Amounts relating to or resulting from any of the following:

(a) the breach of any representation or warranty made or deemed made by such Originator (or any employee, officer or agent of such Originator) under or in connection with this Agreement or any of the other Transaction Documents to which it is a party, or any information or report delivered by or on behalf of such Originator pursuant hereto or thereto which shall have been untrue or incorrect when made or deemed made or delivered;

(b) the transfer by such Originator of any interest in any Receivable or Related Right sold or purportedly sold to Buyer hereunder other than the transfer of any Receivable and Related Security to the Buyer pursuant to this Agreement and the grant of a security interest to the Buyer pursuant to this Agreement;

(c) the failure by such Originator to comply with the terms of any Transaction Document or with any Applicable Law with respect to any Receivable or the related Contract; or the failure of any Receivable or the related Contract to conform to any such Applicable Law on or prior to the applicable Sale Date for such Receivable;

(d) the lack by the Buyer of an enforceable ownership interest, or a first priority perfected security interest, in the Pool Receivables (and all Related Security) originated by such Originator against all Persons (including any bankruptcy trustee or similar Person), in either case, free and clear of any Adverse Claim;

(e) the failure of such Originator to have filed, or any delay in filing, financing statements, financing statement amendments, continuation statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Laws with respect to the transfer by such Originator to the Buyer of any Pool Receivable or the Related Rights;

(f) any suit or claim related to the Pool Receivables originated by such Originator (including any products liability or environmental liability claim arising out of or in connection with the chemicals or other property, products or services that are the subject of any Pool Receivable originated by such Originator) that is related to any act or omission by such Originator on or prior to the applicable Sale Date for such Receivable;

(g) any dispute, claim, offset or defense (other than bankruptcy) of the Obligor to the payment of any Receivable in the Receivables Pool (including a defense based on such Receivable's or the related Contract's not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms) or any other claim resulting from the sale of the goods, products or services related to such Receivable or the furnishing or failure to furnish such goods, products or services, in each case, that is related to any act or omission by such Originator on or prior to the applicable Sale Date for such Receivable;

(h) any failure of such Originator to perform any its duties or obligations in accordance with the provisions hereof and of each other Transaction Document to which it is a party related to Pool Receivables or to timely and fully comply with the Credit and Collection Policy in regard to each Pool Receivable, in each case, on or prior to the applicable Sale Date for such Receivable;

(i) the commingling by the Originator of Collections of Pool Receivables at any time with other funds;

(j) the failure or delay of such Originator to provide any Obligor with an invoice or other evidence of indebtedness that such Originator is obligated to provide;

(k) any investigation, litigation or proceeding (actual or threatened) that is related to any act or omission by such Originator related to this Agreement or any other Transaction Document or in respect of any Pool Receivable or any Related Rights;

(l) [reserved];

(m) the failure by such Originator to pay when due any taxes required to be paid by such Originator, including, without limitation, sales, excise or personal property taxes;

(n) [reserved];

(o) any product liability claim arising out of or in connection with goods or services that are the subject of any Receivable generated by such Originator; or

(p) any tax (without duplication for a tax described in clause (m) above) or governmental fee or charge (other than a tax), all interest and penalties thereon or with respect thereto, and all out-of-pocket costs and expenses, including without limitation Attorney Costs in defending against the same, which are required to be paid in connection with the transfer of the Receivables and Related Rights by such Originator to the Buyer;

provided that such indemnity shall not be available to any Purchase and Sale Indemnified Party to the extent that such Purchase and Sale Indemnified Amounts (x) are determined by a court of competent jurisdiction in a final and nonappealable judgment to have resulted from such Purchase and Sale Indemnified Party's gross negligence or willful misconduct or (y) include losses in respect of Pool Receivables that are uncollectible solely on account of the insolvency, bankruptcy or lack of creditworthiness of the related Obligor.

If for any reason the indemnification provided above in this Section 9.1 is unavailable to a Purchase and Sale Indemnified Party or is insufficient to hold such Purchase and Sale Indemnified Party harmless, then each of the Originators, jointly and severally, shall contribute to the amount paid or payable by such Purchase and Sale Indemnified Party to the maximum extent permitted under Applicable Law.

ARTICLE X MISCELLANEOUS

SECTION 10.1 Amendments, etc.

(a) The provisions of this Agreement may from time to time be amended, modified or waived, if such amendment, modification or waiver is in writing and executed by the Buyer and each Originator, with the prior written consent of the Administrative Agent (as assignee of the Buyer) and the Majority Purchasers (as assignee of the Buyer).

(b) No failure or delay on the part of any party hereto or any third-party beneficiary in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power or right preclude any other or further exercise thereof or the exercise of any other power or right. No notice to or demand on any party hereto in any case shall entitle it to any notice or demand in similar or other circumstances. No waiver or approval by any party hereto under this Agreement shall, except as may otherwise be stated in such waiver or approval, be applicable to subsequent transactions. No waiver or approval under this Agreement shall require any similar or dissimilar waiver or approval thereafter to be granted hereunder.

(c) The Transaction Documents contain a final and complete integration of all prior expressions by the parties hereto with respect to the subject matter thereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter thereof, superseding all prior oral or written understandings.

SECTION 10.2 Notices, etc. All notices and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including facsimile or electronic mail communication) and shall be delivered or sent by facsimile, electronic mail, or by overnight mail, to the intended party at the mailing or electronic mail address or facsimile number of such party set forth under its name on Schedule V hereof or at such other address or facsimile number as shall be designated by such party in a written notice to the other parties hereto or in the case of the Administrative Agent or any Purchaser, at their respective address for notices pursuant to the Note Purchase Agreement. All such notices and communications shall be effective (i) if delivered by overnight mail, when received, and (ii) if transmitted by facsimile or electronic mail, when sent, receipt confirmed by telephone or electronic means.

SECTION 10.3 No Waiver; Cumulative Remedies. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. Without limiting the foregoing, Mallinckrodt and each Originator hereby authorizes the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer) (collectively, the "Set-off Parties"), at any time and from time to time, to the fullest extent permitted by law, to set off, against any obligations of Mallinckrodt or such Originator to such Set-off Party arising in connection with the Transaction Documents to which Mallinckrodt or such Originator, as applicable, are parties (including, without limitation, amounts payable pursuant to Section 9.1) that are then due and payable or that are not then due and payable but have accrued, any and all deposits (general or special, time or demand, provisional or final) at any time held by, and any and all indebtedness at any time owing by, any Set-off Party to or for the credit or the account of Mallinckrodt or such Originator.

SECTION 10.4 Binding Effect; Assignability. This Agreement shall be binding upon and inure to the benefit of the Buyer and each Originator and their respective successors and permitted assigns. No Originator may assign any of its rights hereunder or any interest herein without the prior written consent of the Buyer, the Administrative Agent (as assignee of the Buyer) and each Purchaser (as assignee of the Buyer), except as otherwise herein specifically provided. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms, and shall remain in full force and effect until such time as the parties hereto shall agree. The rights and remedies with respect to any breach of any representation and warranty made by any Originator pursuant to Article V and the indemnification and payment provisions of Article IX and Section 10.6 shall be continuing and shall survive any termination of this Agreement.

SECTION 10.5 Governing Law. THIS AGREEMENT, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF, EXCEPT TO THE EXTENT THAT THE PERFECTION, THE EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF THE BUYER, THE ADMINISTRATIVE AGENT OR ANY PURCHASER IN THE COLLATERAL IS GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK).

SECTION 10.6 Costs, Expenses and Taxes. In addition to the obligations of the Originators under Article IX, each Originator and Mallinckrodt, jointly and severally, hereby agrees to pay on demand:

(a) to the Buyer (and any successor and permitted assigns thereof) and any third-party beneficiary of the Buyer's rights hereunder all reasonable out-of-pocket costs and expenses in connection with the preparation, negotiation, execution, delivery and administration of this Agreement (together with all amendments, restatements, supplements, consents and waivers, if any, from time to time hereto), including, without limitation, (i) the reasonable Attorney Costs for the Buyer (and any successor and permitted assigns thereof) and any third-party beneficiary of the Buyer's rights hereunder with respect thereto and with respect to advising any such Person as to their rights and remedies under this Agreement and the other Transaction Documents to which an Originator or Mallinckrodt, as applicable, is a party and (ii) reasonable accountants', auditors' and consultants' fees and expenses for the Buyer (and any successor and permitted assigns thereof) and any third-party beneficiary of the Buyer's rights hereunder incurred in connection with the administration and maintenance of this Agreement or advising any such Person as to their rights and remedies under this Agreement or as to any actual or reasonably claimed breach of this Agreement by such Originator or Mallinckrodt or any other Transaction Document to which an Originator or Mallinckrodt, as applicable, is a party;

(b) to the Buyer (and any successor and permitted assigns thereof) and any third-party beneficiary of the Buyer's rights hereunder all reasonable out-of-pocket costs and expenses (including reasonable Attorney Costs), of any such Person incurred in connection with the enforcement of any of their respective rights or remedies against an Originator or Mallinckrodt under the provisions of this Agreement and the other Transaction Documents to which such Originator or Mallinckrodt, as applicable, is a party; and

(c) all stamp, franchise and other similar taxes and fees payable in connection with the execution, delivery, filing and recording of this Agreement and the other Transaction Documents to which an Originator or Mallinckrodt, as applicable, is a party, and agrees to indemnify each Purchase and Sale Indemnified Party against any liabilities with respect to or resulting from any delay in paying or omitting to pay such taxes and fees.

SECTION 10.7 CONSENT TO JURISDICTION. (a) EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE OR FEDERAL COURT SITTING IN NEW YORK CITY, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, AND EACH PARTY HERETO HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. THE PARTIES HERETO HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT THEY MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE PARTIES HERETO AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(b) EACH PARTY HERETO CONSENTS TO THE SERVICE OF ANY AND ALL PROCESS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES OF SUCH PROCESS TO IT AT ITS ADDRESS SPECIFIED IN SCHEDULE V. NOTHING IN THIS SECTION 10.7 SHALL AFFECT THE RIGHT OF THE PARTIES HERETO TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION 10.8 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

SECTION 10.9 Captions and Cross References; Incorporation by Reference. The various captions (including, without limitation, the table of contents) in this Agreement are included for convenience only and shall not affect the meaning or interpretation of any provision of this Agreement. References in this Agreement to any underscored Article, Section, Schedule or Exhibit are to such Article, Section, Schedule or Exhibit of this Agreement, as the case may be. The Schedules and Exhibits hereto are hereby incorporated by reference into and made a part of this Agreement.

SECTION 10.10 Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. Delivery of an executed counterpart hereof by facsimile or other electronic means shall be equally effective as delivery of an originally executed counterpart.

SECTION 10.11 Third-Party Beneficiaries. By execution below, each Originator expressly acknowledges and agrees that all of the Buyer's rights, title, and interests in, to, and under this Agreement (but not its obligations), shall be assigned by the Buyer to the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Note Purchase Agreement, and each Originator consents to such assignment. Each of the parties hereto acknowledges and agrees that the Purchasers and the Administrative Agent are third-party beneficiaries of the rights of the Buyer arising hereunder and under the other Transaction Documents to which any Originator is a party, and notwithstanding anything to the contrary contained herein or in any other Transaction Document, upon the occurrence and during the continuation of an Event of Default under the Note Purchase Agreement, the Administrative Agent, and not the Buyer, shall have the sole right to exercise all such rights and related remedies.

SECTION 10.12 No Proceeding. Each Originator and Mallinckrodt hereby agrees that it will not institute, or join any other Person in instituting, against the Buyer any Insolvency Proceeding. Each Originator and Mallinckrodt further agrees that

notwithstanding any provisions contained in this Agreement to the contrary, the Buyer shall not, and shall not be obligated to, pay any amount in respect of any Subordinated Note or otherwise to such Originator or Mallinckrodt pursuant to this Agreement unless the Buyer has received funds which may, subject to Section 4.01 of the Note Purchase Agreement, be used to make such payment. All payments to be made by the Buyer under this Agreement shall be made exclusively out of Collections or monies received by the Buyer from its shareholder(s) other than the initial share capital. Any amount which the Buyer does not pay pursuant to the operation of the preceding two sentences shall not constitute a claim (as defined in §101 of the Bankruptcy Code) against or corporate obligation of the Buyer by such Originator or Mallinckrodt for any such insufficiency unless and until the provisions of the foregoing sentence are satisfied. The agreements in this Section 10.12 shall survive any termination of this Agreement.

SECTION 10.13 Mutual Negotiations. This Agreement and the other Transaction Documents are the product of mutual negotiations by the parties thereto and their counsel, and no party shall be deemed the draftsman of this Agreement or any other Transaction Document or any provision hereof or thereof or to have provided the same. Accordingly, in the event of any inconsistency or ambiguity of any provision of this Agreement or any other Transaction Document, such inconsistency or ambiguity shall not be interpreted against any party because of such party's involvement in the drafting thereof.

SECTION 10.14 Limited Recourse. Except as explicitly set forth herein, the obligations of the Buyer under this Agreement or any other Transaction Documents to which it is a party are solely the obligations of the Buyer. No recourse under any Transaction Document shall be had against, and no liability shall attach to, any officer, employee, director, or beneficiary, whether directly or indirectly, of the Buyer. The agreements in this Section 10.14 shall survive any termination of this Agreement.

SECTION 10.15 Limitation of Liability. No claim may be made by any Originator against Buyer, any Credit Party or their respective Affiliates, members, directors, officers, employees, incorporators, attorneys or agents for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any other Transaction Document, or any act, omission or event occurring in connection herewith or therewith; and each Originator hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(a) No payment or other distribution of the Issuer's assets of any kind or character, whether in cash, securities, or other rights or property, shall be made on account of this Subordinated Note except to the extent such payment or other distribution is (i) made only out of the funds it receives pursuant to Section 4.01 of the Note Purchase Agreement and no Event of Default or Unmatured Event of Default shall have occurred and be continuing or (ii) made pursuant to clause (a) or (b) of paragraph 7 of this Subordinated Note;

(b) In the event of any dissolution, winding up, liquidation, readjustment, reorganization or other similar event relating to the Issuer, whether voluntary or involuntary, partial or complete, and whether in bankruptcy, insolvency or receivership proceedings, or upon an assignment for the benefit of creditors, or any other marshalling of the assets and liabilities of the Issuer or any sale of all or substantially all of the assets of the Issuer other than as permitted by the Purchase and Sale Agreement (such proceedings being herein collectively called "Bankruptcy Proceedings"), the Senior Interests shall first be paid and performed in full and in cash, including, without limitation, all interest, fees, charges, expenses and indemnities accruing after the commencement of any bankruptcy, insolvency or similar proceeding with respect to the Issuer, before the Holder shall be entitled to receive and to retain any payment or distribution in respect of this Subordinated Note. In order to implement the foregoing: (i) all payments and distributions of any kind or character in respect of this Subordinated Note to which the Holder would be entitled except for this clause (b) shall be made directly to the Administrative Agent (for the benefit of the Senior Interest Holders); (ii) if the Holder shall file a claim or claims, in the form required in any Bankruptcy Proceedings, for the full outstanding amount of this Subordinated Note, it shall use commercially reasonable efforts to cause said claim or claims to be made directly to the Administrative Agent (for the benefit of the Senior Interest Holders) until the Senior

Interests shall have been paid and performed in full and in cash; and (iii) the Holder hereby irrevocably agrees that the Administrative Agent (acting on behalf of the Purchasers), may in the name of the Holder or otherwise, demand, sue for, collect, receive and receipt for any and all such payments or distributions, and file, prove and vote or consent in any such Bankruptcy Proceedings with respect to any and all claims of the Holder relating to this Subordinated Note, in each case until the Senior Interests shall have been paid and performed in full and in cash;

(c) In the event that the Holder receives any payment or other distribution of any kind or character from the Issuer or from any other source whatsoever, in respect of this Subordinated Note, other than as expressly permitted by the terms of this Subordinated Note, such payment or other distribution shall be received in trust for the Senior Interest Holders and shall be turned over by the Holder to the Administrative Agent (for the benefit of the Senior Interest Holders) forthwith. The Holder will mark its books and records so as clearly to indicate that this Subordinated Note is subordinated in accordance with the terms hereof. All payments and distributions received by the Administrative Agent in respect of this Subordinated Note, to the extent received in or converted into cash, may be applied by the Administrative Agent (for the benefit of the Senior Interest Holders) first to the payment of any and all expenses (including Attorney Costs) paid or incurred by the Senior Interest Holders in enforcing these Subordination Provisions, or in endeavoring to collect or realize upon this Subordinated Note, and any balance thereof shall, solely as between the Holder and the Senior Interest Holders, be applied by the Administrative Agent (in the order of application set forth in Section 4.01(a) of the Note Purchase Agreement) toward the payment of the Senior Interests; but as between the Issuer and its creditors, no such payments or distributions of any kind or character shall be deemed to be payments or distributions in respect of the Senior Interests;

(d) Notwithstanding any payments or distributions received by the Senior Interest Holders in respect of this Subordinated Note, while any Bankruptcy Proceedings are pending the Holder shall not be subrogated to the then existing rights of the Senior Interest Holders in respect of the Senior Interests until the Senior Interests have been paid and performed in full and in cash. If no Bankruptcy Proceedings are pending, the Holder shall only be entitled to exercise any subrogation rights that it may acquire (by reason of a payment or distribution to the Senior Interest Holders in respect of this Subordinated Note) to the extent that any payment arising out of the exercise of such rights would be made only out of the funds it receives pursuant to Section 4.01 of the Note Purchase Agreement and no Event of Default or Unmatured Event of Default shall have occurred and be continuing;

(e) These Subordination Provisions are intended solely for the purpose of defining the relative rights of the Holder, on the one hand, and the Senior Interest Holders on the other hand. Nothing contained in these Subordination Provisions or elsewhere in this Subordinated Note is intended to or shall impair, as between the Issuer, its creditors (other than the Senior Interest Holders) and the Holder, the Issuer's obligation, which is unconditional and absolute, to pay the Holder the principal of and interest on this Subordinated Note as and when the same shall become due and payable in accordance with the terms hereof or to affect the relative rights of the Holder and creditors of the Issuer (other than the Senior Interest Holders);

(f) The Holder shall not, until the Senior Interests have been paid and performed in full and in cash, (i) cancel, waive, forgive, transfer or assign, or commence legal proceedings to enforce or collect, or subordinate to any obligation of the Issuer, howsoever created, arising or evidenced, whether direct or indirect, absolute or contingent, or now or hereafter existing, or due or to become due, other than the Senior Interests, this Subordinated Note or any rights in respect hereof or (ii) convert this Subordinated Note into an equity interest in the Issuer, unless the Holder shall, in either case, have received the prior written consent of the Administrative Agent;

(g) The Holder shall not, commence, or join with any other Person in commencing, any Bankruptcy Proceedings with respect to the Issuer;

(h) If, at any time, any payment (in whole or in part) of any Senior Interest is rescinded or must be restored or returned by a Senior Interest Holder (whether in connection with Bankruptcy Proceedings or otherwise), these Subordination Provisions shall continue to be effective or shall be reinstated, as the case may be, as though such payment had not been made;

(i) Each of the Senior Interest Holders may, from time to time, at its sole discretion, without notice to the Holder, and without waiving any of its rights under these Subordination Provisions, take any or all of the following actions: (i) retain or obtain an interest in any property to secure any of the Senior Interests; (ii) retain or obtain the primary or secondary obligations of any other obligor or obligors with respect to any of the Senior Interests; (iii) extend or renew for one or more periods (whether or not longer than the original period), alter or exchange any of the Senior Interests, or release or compromise any obligation of any nature with respect to any of the Senior Interests; (iv) amend, supplement, amend and restate, or otherwise modify any Transaction Document; and (v) release its security interest in, or surrender, release or permit any substitution or exchange for all or any part of any rights or property securing any of the Senior Interests, or extend or renew for one or more periods (whether or not longer than the original period), or release, compromise, alter or exchange any obligations of any nature of any obligor with respect to any such rights or property;

(j) The Holder hereby waives: (i) notice of acceptance of these Subordination Provisions by any of the Senior Interest Holders; (ii) notice of the existence, creation, non-payment or non-performance of all or any of the Senior Interests; and (iii) all diligence in enforcement, collection or protection of, or realization upon, the Senior Interests, or any thereof, or any security therefor;

(k) Each of the Senior Interest Holders may, from time to time, on the terms and subject to the conditions set forth in the Transaction Documents to which such Persons are party, but without notice to the Holder, assign or transfer any or all of the Senior Interests, or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, such Senior Interests shall be

and remain Senior Interests for the purposes of these Subordination Provisions, and every immediate and successive assignee or transferee of any of the Senior Interests or of any interest of such assignee or transferee in the Senior Interests shall be entitled to the benefits of these Subordination Provisions to the same extent as if such assignee or transferee were the assignor or transferor; and

(l) These Subordination Provisions constitute a continuing offer from the Holder to all Persons who become the holders of, or who continue to hold, Senior Interests; and these Subordination Provisions are made for the benefit of the Senior Interest Holders, and the Administrative Agent may proceed to enforce such provisions on behalf of each of such Persons.

11. General. No failure or delay on the part of the Holder in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power or right preclude any other or further exercise thereof or the exercise of any other power or right. No amendment, modification or waiver of, or consent with respect to, any provision of this Subordinated Note shall in any event be effective unless (i) the same shall be in writing and signed and delivered by the Issuer and the Holder and (ii) all consents required for such actions under the Transaction Documents to which the Issuer or the Holder is a party shall have been received by the appropriate Persons.

12. Maximum Interest. Notwithstanding anything in this Subordinated Note to the contrary, the Issuer shall never be required to pay unearned interest on any amount outstanding hereunder and shall never be required to pay interest on the principal amount outstanding hereunder at a rate in excess of the maximum nonusurious interest rate that may be contracted for, charged or received under applicable federal or state law (such maximum rate being herein called the "Highest Lawful Rate"). If the effective rate of interest which would otherwise be payable under this Subordinated Note would exceed the Highest Lawful Rate, or if the holder of this Subordinated Note shall receive any unearned interest or shall receive monies that are deemed to constitute interest which would increase the effective rate of interest payable by the Issuer under this Subordinated Note to a rate in excess of the Highest Lawful Rate, then (i) the amount of interest which would otherwise be payable by the Issuer under this Subordinated Note shall be reduced to the amount allowed by Applicable Law, and (ii) any unearned interest paid by the Issuer or any interest paid by the Issuer in excess of the Highest Lawful Rate shall be refunded to the Issuer. Without limitation of the foregoing, all calculations of the rate of interest contracted for, charged or received by the Holder under this Subordinated Note that are made for the purpose of determining whether such rate exceeds the Highest Lawful Rate applicable to the Holder (such Highest Lawful Rate being herein called the "Holder's Maximum Permissible Rate") shall be made, to the extent permitted by usury laws applicable to the Holder (now or hereafter enacted), by amortizing, prorating and spreading in equal parts during the actual period during which any amount has been outstanding hereunder all interest at any time contracted for, charged or received by the Holder in connection herewith. If at any time and from time to time (i) the amount of interest payable to the Holder on any date shall be computed at the Holder's Maximum Permissible Rate pursuant to the provisions of the foregoing sentence and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to the Holder would be less than the amount of interest payable to the Holder computed at the Holder's Maximum Permissible Rate, then the amount of interest payable to the Holder in

respect of such subsequent interest computation period shall continue to be computed at the Holder's Maximum Permissible Rate until the total amount of interest payable to the Holder shall equal the total amount of interest which would have been payable to the Holder if the total amount of interest had been computed without giving effect to the provisions of the foregoing sentence.

13. **Restrictions on Transfer.** This Note has not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction. This Note may be resold, pledged or transferred only (1) to the Issuer, (2) to a person the transferor reasonably believes is a Qualified Institutional Buyer as defined in Rule 144A in a transaction meeting the requirements of Rule 144A or (3) in a transaction otherwise exempt from the registration requirements of the Securities Act and any applicable state securities laws, in each such case, subject to the requirements and limitations set forth in the Purchase and Sale Agreement and in compliance with applicable law. Each Holder is required to notify any transferee from it of the resale restrictions set forth above. This Note may not be offered, sold, pledged or otherwise transferred to any person that is acquiring this Note or any interest herein with the plan assets of or on behalf of an "Employee Benefit Plan" as defined in Section 3(3) of ERISA, that is subject to Title I of ERISA, a "Plan" described in Section 4975(e)(1) of the Code, an entity deemed to hold plan assets of any of the foregoing, or a governmental, church or other plan subject to applicable law that is substantially similar to Section 406 of ERISA or Section 4975 of the Code.

14. **Governing Law.** THIS SUBORDINATED NOTE, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF). THIS NOTE IS A SECURITY GOVERNED BY ARTICLE 8 OF THE NEW YORK UNIFORM COMMERCIAL CODE.

15. **No Proceeding.** Each Holder hereby agrees that it will not institute, or join any other Person in instituting, against the Issuer any Insolvency Proceeding. Each Holder further agrees that notwithstanding any provisions contained in this Agreement to the contrary, the Issuer shall not, and shall not be obligated to, pay any amount in respect of this Note or otherwise to such Holder unless the Issuer has received funds which may be used to make such payment. All payments to be made by the Issuer under this Note shall be made exclusively out of Collections or monies received by the Issuer from its shareholder(s) other than the initial share capital. Any amount which the Issuer does not pay pursuant to the operation of the preceding two sentences shall not constitute a claim (as defined in §101 of the Bankruptcy Code) against or corporate obligation of the Issuer by such Holder for any such insufficiency unless and until the provisions of the foregoing sentence are satisfied.

16. **Limited Recourse.** Except as explicitly set forth herein, the obligations of the Issuer under this Note are solely the obligations of the Issuer. No recourse hereunder shall be had against, and no liability shall attach to, any officer, employee, director, or beneficiary, whether directly or indirectly, of the Issuer.

(e) Every Subordinated Note presented or surrendered for registration of transfer or exchange shall be duly endorsed by, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing, and such other documents as the Issuer may require.

(f) No service charge shall be made to a Holder for any registration of transfer or exchange of Subordinated Notes, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge or expense that may be imposed in connection with any registration of transfer or exchange of Subordinated Notes.

Purchase and Sale Agreement (Mallinckrodt)

SALE AGREEMENT

This Sale Agreement, dated as of July 28, 2014 (this “Agreement”), is between LIEBEL-FLARSHEIM COMPANY LLC, a Delaware limited liability company (the “Seller”), and MALLINCKRODT LLC, a Delaware limited liability company (the “Buyer”).

WITNESSETH:

WHEREAS, the Seller is a direct wholly-owned subsidiary of the Buyer;

WHEREAS, the Seller generates Receivables in the ordinary course of its business;

WHEREAS, the Receivables generated by the Seller are not tracked or accounted for separately from those of the Buyer and are serviced by the Buyer, so that the Buyer receives all collections on such Receivables;

WHEREAS, the Buyer from time to time and as necessary makes capital contributions to or otherwise provides funding to Seller, as its direct wholly-owned subsidiary;

WHEREAS, the Seller, in consideration of such capital contributions and funding, wishes to sell all of its Receivables and all of the related Related Rights to the Buyer, the Buyer is willing to acquire such Receivables and the related Related Rights from the Seller, on the terms and subject to the conditions set forth herein, and the Seller and the Buyer believe that the Seller is receiving fair consideration for the Receivables and the related Related Rights;

WHEREAS, the Seller and the Buyer intend each such transaction to be a true sale of Receivables and the related Related Rights by the Seller to the Buyer, providing the Buyer with the full benefits of ownership of the Receivables, and the Seller and the Buyer do not intend the transactions hereunder to be characterized as a loan from the Buyer to the Seller;

WHEREAS, the Buyer and certain other originators, Mallinckrodt LLC, as initial servicer and Mallinckrodt Securitization S.à r.l., as buyer, have entered into that certain Purchase and Sale Agreement (the “PSA”), dated July 28, 2014, wherein the Buyer has agreed to sell Receivables and related Related Rights to Mallinckrodt Securitization S.à r.l. (in such capacity, the “Issuer”); and

WHEREAS, capitalized terms used herein but not otherwise defined shall have the meanings set forth in the PSA.

NOW, THEREFORE, in consideration of the premises and of the commitments made hereunder the parties hereto agree as follows:

1. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Seller hereby sells to the Buyer on the Closing Date and on each Sale Date thereafter that is prior to the Purchase and Sale Termination Date, without recourse or representation or warranty of any kind except as provided herein, all of its right, title and interest in all its Receivables and the related Related Rights that it has not previously sold to the Buyer hereunder.

2. It is the express intent of the parties hereto that each transfer of Receivables and the related Related Rights by the Seller to the Buyer as provided in this Agreement be, and be construed as, an absolute sale of the Receivables and the related Related Rights. It is, further, not the intention of the parties that any such transfer be deemed the grant of a security interest in the Receivables and the related Related Rights by the Seller to the Buyer to secure a debt or other obligation of the Seller. In the event, however, that, notwithstanding the intent of the parties, any Receivables or related Related Rights are held to be the property of the Seller, or if for any other reason this Agreement is held or deemed to create a security interest in the Receivables and the related Related Rights, then (a) this Agreement shall constitute a security agreement, and (b) each transfer provided for in this Agreement shall be deemed to be a grant by the Seller to the Buyer of, and the Seller hereby grants to the Buyer, to secure all of the Seller's obligations hereunder, a security interest in all of the Seller's right, title, and interest, whether now owned or hereafter acquired, in and to the Receivables and the related Related Rights and all proceeds thereof.

3. Representations and Warranties. In order to induce the Buyer to enter into this Agreement and to make purchases hereunder, Seller hereby represents and warrants that each representation and warranty set forth in this Section is true and correct with respect to it and the Receivables and Related Rights sold by it hereunder on the applicable Sale Date:

- a. Binding Obligations. This Agreement constitutes legal, valid and binding obligations of Seller, enforceable against Seller in accordance with its terms, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.
- b. Compliance with Applicable Law. The Seller (i) shall duly satisfy all obligations on its part to be fulfilled under or in connection with the Receivables and the Related Rights sold by it hereunder and (ii) has complied in all material respects with all Applicable Law in connection with the Receivables sold by it hereunder.
- c. Valid Sale. Each sale of Receivables and the Related Rights made by Seller pursuant to this Agreement shall constitute a valid sale, transfer and assignment of Receivables and Related Rights to the Buyer, enforceable against creditors of, and purchasers from, the Buyer, except (i) as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) as such enforceability may be limited by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

- d. No Sanctions. Seller is not a Sanctioned Person. To Seller's knowledge, no Obligor was a Sanctioned Person at the time of origination of any Receivable owing by such Obligor. Seller, either in its own right or through any third party, (a) does not have any of its assets in a Sanctioned Country or in the possession, custody or control of a Sanctioned Person in violation of any Anti-Terrorism Law; (b) does not do business in or with, or derives any of its income from investments in or transactions with, any Sanctioned Country or Sanctioned Person in violation of any Anti-Terrorism Law; or (c) does not engages in any dealings or transactions prohibited by any Anti-Terrorism Law.
 - e. Perfection; Good Title. Immediately preceding its sale of each Receivable hereunder, Seller was the owner of such Receivable sold or purported to be sold free and clear of any Adverse Claims, and each such sale hereunder constitutes a valid sale, transfer and assignment to the Buyer of all of Seller's right, title and interest in, to and under the Receivables sold by it, free and clear of any Adverse Claims. On or before the date hereof and before the generation by Seller of any new Receivable to be sold or otherwise conveyed hereunder, all financing statements and other documents, if any, required to be recorded or filed in order to perfect and protect the Buyer's ownership interest in such Receivable against all creditors of and purchasers from Seller will have been duly filed in each filing office necessary for such purpose, and all filing fees and taxes, if any, payable in connection with such filings shall have been paid in full. Upon the transfer to the Buyer of each new Receivable sold or otherwise conveyed or purported to be conveyed hereunder and on the date hereof for then existing Receivables, the Buyer shall have a valid and perfected first priority ownership or security interest in each Receivable sold to it hereunder, free and clear of any Adverse Claim.
 - f. Solvent. After giving effect to the transactions contemplated by this Agreement, Seller is Solvent.
4. Covenants. From the date hereof until the Final Payout Date (unless earlier terminated as provided herein), Seller will, unless the Administrative Agent (as assignee of Issuer, which is the assignee of the Buyer) and the Buyer shall otherwise consent in writing, perform the following covenants:
- a. Compliance with Laws. Seller will comply with all Applicable Laws to which it may be subject if the failure to comply could reasonably be expected to have a Material Adverse Effect.
 - b. Sales, Liens, etc. Except as otherwise provided herein, Seller will not sell, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist any Adverse Claim arising through or under it upon (including,

without limitation, the filing of any financing statement) or with respect to, any Receivable or other Related Rights sold or purported to be sold by it hereunder, or assign any right to receive income in respect thereof.

- c. Ownership Interest, Etc. Seller shall, at its expense, take all action necessary or reasonably desirable to establish and maintain a valid and enforceable ownership or first priority perfected security interest in the Receivables, the Related Rights and Collections with respect thereto, transferred or purported to be transferred by it hereunder, free and clear of any Adverse Claim, in favor of the Buyer (and Issuer and the Administrative Agent (on behalf of the Secured Parties), as the assignee of the Issuer), including taking such action to perfect, protect or more fully evidence the interest of the Buyer (and Issuer and the Administrative Agent (on behalf of the Secured Parties), as the assignee of the Issuer) as the Buyer, Issuer, the Administrative Agent or any Purchaser may reasonably request.
- d. Further Assurances. Seller hereby authorizes and hereby agrees from time to time, at its own expense, promptly to execute (if necessary) and deliver all further instruments and documents, and to take all further actions, that may be necessary or desirable, or that the Buyer, Issuer or the Administrative Agent (as assignee of the Issuer) may reasonably request, to perfect, protect or more fully evidence the purchases made hereunder and/or security interest granted pursuant to this Agreement, or to enable the Buyer, Issuer or the Administrative Agent (as assignee of the Issuer) to exercise and enforce their respective rights and remedies hereunder.
- e. Mergers, Acquisitions, Sales, etc. Seller shall not (i) be a party to any merger, consolidation or other corporate restructuring, except (I) a merger of Seller into an Originator or (II) a merger, consolidation or other corporate restructuring where the Buyer, the Administrative Agent (as Issuer's assignee) and each Purchaser have each (A) received notice thereof no later than or promptly after the effective date, (B) within thirty (30) days following the effectiveness thereof, received executed copies of all documents, certificates and opinions (including, without limitation, opinions relating to corporate, bankruptcy and UCC matters) as the Buyer or the Administrative Agent shall reasonably request and (C) within thirty (30) days following the effectiveness thereof, been satisfied that all other action to perfect and protect the interests of the Buyer and the Administrative Agent, on behalf of the Purchasers, as the Issuer's assignee, in and to the Receivables to be sold by it hereunder and other Related Rights, as reasonably requested by the Buyer or the Administrative Agent (as Issuer's assignee) shall have been taken by, and at the expense of, Seller (including the filing of any UCC financing statements, the receipt of certificates and other requested documents from public officials) or (ii) directly or indirectly sell, transfer, assign, convey or lease (A) whether in one or a series of transactions, all or substantially all of its assets except (I) to an Originator or (II) if prior to the effective date thereof or in connection therewith (i) this Agreement is or has been terminated and (ii) the

Administrative Agent (as Issuer's assignee) and each Purchaser shall have received notice thereof or (B) any Receivables or Related Rights or any interest therein (other than pursuant to this Agreement) except if prior to the effective date thereof or in connection therewith (i) this Agreement is or has been terminated and (ii) the Administrative Agent (as Issuer's assignee) and each Purchaser shall have received notice thereof.

5. Amendments. The provisions of this Agreement may from time to time be amended, modified or waived, if such amendment, modification or waiver is in writing and executed by the Buyer and Seller, with (prior to the Final Payout Date) the prior written consent of the Administrative Agent (as assignee of the Issuer) and the Majority Purchasers (as assignee of the Issuer).

6. Binding Effect; Termination. This Agreement shall be binding upon and inure to the benefit of the Buyer and Seller and their respective successors and permitted assigns. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms, and shall remain in full force and effect until such time as the parties hereto shall agree.

7. Third-Party Beneficiaries. By execution below, Seller expressly acknowledges and agrees that all of the Buyer's rights, title, and interests in, to, and under this Agreement, shall be assigned by the Buyer to the Issuer, which shall in turn assign all such right, title and interest to the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Purchase and Sale Agreement and the Note Purchase Agreement, and Seller consents to such assignment. Each of the parties hereto acknowledges and agrees that the Issuer and, prior to the Final Payout Date, the Purchasers and the Administrative Agent are third-party beneficiaries of the rights of the Buyer arising hereunder, and notwithstanding anything to the contrary contained herein or in any other Transaction Document, upon the occurrence and during the continuation of an Event of Default under the Note Purchase Agreement, the Administrative Agent, and not the Buyer or the Issuer, shall have the sole right to exercise all such rights and related remedies.

PRELIMINARY STATEMENTS:

(1) Concurrently herewith, Mallinckrodt Securitization S.à r.l., a public limited liability company (*société à responsabilité limitée*) incorporated under the laws of the Grand Duchy of Luxembourg (the “SPV”), as buyer, Mallinckrodt LLC (“Mallinckrodt”), as initial servicer (in such capacity, together with its successor and assigns in such capacity, the “Servicer”), and the various other entities party thereto as originators are entering into that certain Purchase and Sale Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Purchase and Sale Agreement”). Each entity from time to time party to the Purchase and Sale Agreement as an originator thereunder is herein referred to as an “Originator” and, collectively, as the “Originators”. Pursuant to the Purchase and Sale Agreement, the Originators will from time to time sell Receivables and Related Rights to the SPV.

(2) Concurrently herewith, the SPV, as issuer, Mallinckrodt, as initial Servicer, the Persons from time to time party thereto as Purchasers and the Administrative Agent are entering into that certain Note Purchase Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Note Purchase Agreement”), pursuant to which (i) the Purchasers will from time to time make Advances to the SPV on a revolving basis, (ii) the SPV has granted to the Administrative Agent (on behalf of the Secured Parties) a security interest in the Collateral and (iii) Mallinckrodt, as Servicer, will service the Pool Receivables.

(3) As of the date hereof, the Performance Guarantor is the direct or indirect owner of 100% of the outstanding Capital Stock of Mallinckrodt, the Servicer, each Originator and the SPV.

(4) The Performance Guarantor’s execution and delivery of this Performance Guaranty are conditions precedent to the effectiveness of the Note Purchase Agreement.

(5) The Performance Guarantor has determined that its execution and delivery of this Performance Guaranty is in its best interests because, *inter alia*, the Performance Guarantor (individually) and the Performance Guarantor and its Affiliates (collectively) will derive substantial direct and indirect benefit from (i) each Originator's sales of Receivables to the SPV from time to time, (ii) the Servicer's servicing of the Receivables, (iii) the financial accommodations made by the Purchasers to the SPV from time to time under the Note Purchase Agreement and (iv) the other transactions contemplated under the Purchase and Sale Agreement and the Note Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Performance Guarantor hereby agrees as follows:

SECTION 1. Unconditional Undertaking; Enforcement. The Performance Guarantor hereby unconditionally and irrevocably undertakes and assures for the benefit of the Administrative Agent (including, without limitation, as assignee of the SPV's rights, interests and claims under the Purchase and Sale Agreement), the Purchasers and each of the other Secured Parties the due and punctual performance and observance by Mallinckrodt, the Servicer and each Originator (together with their respective successors and assigns, collectively, the "Covered Entities", and each, a "Covered Entity") of the terms, covenants, indemnities, conditions, agreements, undertakings and obligations on the part of such Covered Entity to be performed or observed by it under the Purchase and Sale Agreement and each of the other Transaction Documents to which such Covered Entity is a party, including, without limitation, any agreement or obligation of such Covered Entity to pay any indemnity or make any payment in respect of any applicable dilution adjustment or repurchase obligation under any such Transaction Document, in each case on the terms and subject to the conditions set forth in the applicable Transaction Documents as the same shall be amended, restated, supplemented or otherwise modified and in effect from time to time (all such terms, covenants, indemnities, conditions, agreements, undertakings and obligations on the part of the Covered Entities to be paid, performed or observed by them being collectively called the "Guaranteed Obligations"). Without limiting the generality of the foregoing, the Performance Guarantor agrees that if any Covered Entity shall fail in any manner whatsoever to perform or observe any of its Guaranteed Obligations when the same shall be required to be performed or observed under any applicable Transaction Document, then the Performance Guarantor will itself duly and punctually cause to be performed or observed such Guaranteed Obligations. It shall not be a condition to the accrual of the obligation of the Performance Guarantor hereunder to cause to be performed or observed any Guaranteed Obligation that the Administrative Agent, any Purchaser, the SPV or any other Person shall have first made any request of or demand upon or given any notice to the Performance Guarantor, any Covered Entity or any of their respective successors and assigns or have initiated any action or proceeding against the Performance Guarantor, any Covered Entity or any of their respective successors and assigns in respect thereof. The Administrative Agent (on behalf of itself, the Purchasers and the other Secured Parties) may proceed to enforce the obligations of the Performance Guarantor under this Performance Guaranty without first pursuing or exhausting any right or remedy which the Administrative Agent or any Purchaser may have against any Covered Entity, the SPV, any other Person, the Pool Receivables or any other property. The Performance Guarantor agrees that its obligations under this Performance Guaranty shall be irrevocable. It is expressly acknowledged that this Performance Guaranty is a guarantee of performance only and is not a guarantee of the payment of any Pool Receivables

and there shall be no recourse to the Performance Guarantor for any non-payment or delay in payment of any Pool Receivables solely by reason of the bankruptcy, insolvency or lack of creditworthiness of the related Obligor or the uncollectability of any such Pool Receivables or for any Guaranteed Obligations the payment of which could otherwise constitute recourse to the Performance Guarantor or any Covered Entity for uncollectible Pool Receivables.

SECTION 2. Validity of Obligations.

(a) The Performance Guarantor agrees that its obligations under this Performance Guaranty shall be absolute and unconditional, irrespective of (i) the validity, enforceability, avoidance, subordination, discharge or disaffirmance by any Person (including a trustee in bankruptcy) of the Guaranteed Obligations, (ii) the absence of any attempt by the Administrative Agent, any Purchaser or the SPV to collect any Receivables, or to obtain performance or observance of the Guaranteed Obligations from any Covered Entity or any other Person, (iii) the waiver, consent, amendment, modification, extension, forbearance or granting of any indulgence by the Administrative Agent, any Purchaser or the SPV with respect to any provision of any agreement or instrument evidencing the Guaranteed Obligations, (iv) any change of the time, manner or place of performance of, or in any other term or provision of any of the Guaranteed Obligations, including, without limitation, any amendment to or modification of any of the Transaction Documents, (v) any law, rule, regulation or order of any jurisdiction affecting any term of any of the Guaranteed Obligations, or rights of the Administrative Agent, any Purchaser or the SPV with respect thereto, (vi) the failure by the Administrative Agent, any Purchaser or the SPV to take any steps to perfect and maintain perfected its interest in any Receivable, the Collateral or any portion thereof or other property or in any security or collateral related to the Guaranteed Obligations, (vii) any failure to obtain any authorization or approval from or other action by or to notify or file with, any Governmental Authority required in connection with the performance of the obligations hereunder by the Performance Guarantor, (viii) any impossibility or impracticability of performance, illegality, *force majeure*, any act of government, or other circumstances which might constitute a defense available to, or a discharge of any Covered Entity or the Performance Guarantor, or any other circumstance, event or happening whatsoever whether foreseen or unforeseen and whether similar to or dissimilar to anything referred to above, (ix) any manner of application of Collateral or any assets of any Covered Entity or the SPV, or proceeds thereof, to satisfy all or any of the Guaranteed Obligations or as otherwise permitted under the Transaction Documents, or any manner of sale or other disposition of any Collateral for all or any of the Guaranteed Obligations or as otherwise permitted under the Transaction Documents and (x) any change, restructuring or termination of the corporate structure or existence of any Covered Entity, the Performance Guarantor or any other Person or the equity ownership, existence, control, merger, consolidation or sale, lease or transfer of any of the assets of any such Person, or any bankruptcy, insolvency, winding up, dissolution, liquidation, receivership, assignment for the benefit of creditors, arrangement, composition, readjustment or reorganization of, or similar proceedings affecting, any Covered Entity, the SPV or any of their assets or obligations. The Performance Guarantor waives all set-offs and counterclaims and all presentments, demands of performance, notices of nonperformance, protests, notices of protest, notices of dishonor and notices of

acceptance of this Performance Guaranty. The Performance Guarantor's obligations under this Performance Guaranty shall not be limited if the Administrative Agent or any Purchaser is precluded for any reason (including, without limitation, the application of the automatic stay under Section 362 of the Bankruptcy Code) from enforcing or exercising any right or remedy with respect to the Guaranteed Obligations, and the Performance Guarantor shall perform or observe, upon demand, the Guaranteed Obligations that could otherwise have been due and performable or observable by any Covered Entity had such right and remedies been permitted to be exercised.

(b) Should any money due or owing under this Performance Guaranty not be recoverable from the Performance Guarantor due to any of the matters specified above in Section 2(a), then, in any such case, such money shall nevertheless be recoverable from the Performance Guarantor as though the Performance Guarantor were a principal debtor in respect thereof and not merely a guarantor and shall be paid by the Performance Guarantor forthwith.

SECTION 3.
