Explanation of Responses:

1. This transaction involved a gift of securities by the reporting person to his son's irrevocable trust of which the reporting person's son and daughter are trustees. The reporting person's son shares the reporting person's household, the reporting person's daughter does not share the reporting person's household. The reporting person is not a trustee of his son's irrevocable trust and holds neither a pecuniary interest in nor investment control over the shares held by his son's irrevocable trust. The reporting person disclaims beneficial ownership of the shares held by his son's irrevocable trust, and this report should not be deemed an admission that the reporting person is the beneficial owner of his son's irrevocable trust's shares for purposes of Section 16 or for any other purpose.
